Resolution No. 2012-166 Determining the Amount of Property Tax Revenue to be Exchanged Between the Banning Library District and the County of Riverside and the City of Palm Springs – LAFCO 2012-04-4&5

July 3, 2012

Page 2

BACKGROUND continued:

Per the Revenue and Taxation Code Section 99(b)5, the Board of Supervisors, on behalf of special districts, negotiates any exchange of property tax when a proposed change affects the service area or responsibility of one or more special districts. The Board is required to consult with the affected district(s) prior to adopting the final tax exchange resolution.

Staff negotiated with the City Palm Springs on behalf of the Banning Library District (BLD) as well as negotiated directly with the BLD for the areas that the County will assume.

The estimated annual amount of property tax to be transferred to the City of Palm Springs is \$2,049. The estimated annual amount transferred to the county is \$249,556, making the total annual amount to be exchanged \$251,605. If the detachment is recorded prior to December 2012, then the exchange would occur as of July 2013, with the first distribution in December 2013. The subject area is approximately 167 square miles. The area to be detached to the county is approximately 152 square miles, with the remaining approximate 15 square miles to be detached to the city. The BLD area will be reduced from approximately 310 square miles to 143 square miles. The BLD currently serves about 29,965 people. The Cabazon area population is approximately 2,535.

The estimated amount of property tax revenue for BLD for FY 11/12 is \$439,134. BLD's total revenue reported by LAFCO for FY 10/11 was \$721,777. If the detachment is approved by LAFCO, BLD is requesting that the property tax be reduced gradually over a five-year period. This would allow the BLD to plan for the reduction in funding over a longer term. BLD cites the property tax exchange between the BLD and Beaumont Library District as precedent. In that case, the BLD annexed property from the Beaumont Library District. The total estimated amount of property tax transferred from Beaumont to Banning at the completion of five years is \$205,105. FY 12/13 will be the first year BLD receives the property tax for the area annexed. The percentage for 12/13 is 20%.

The detachment before the Board of Supervisors is different from the previous annexation. The County of Riverside is constructing a new library in the subject area with an anticipated opening date of December 2012. This new library is adjacent to the community center, the Cabazon Elementary School, and a proposed child development project. The new library will join these important facilities that provide much needed amenities to the residents in Cabazon. The estimated operating budget for the new library is \$410,000. This does not include additional startup costs necessary to open the library. These one-time expenses will occur in FY 12/13.

The BLD closed their Cabazon Library in June 2011. At the time of closure the library was only open 12 hours per week. Currently, the community residents who have transportation can use the BLD library in the City of Banning. The community is also being served the County Library bookmobile; however, the bookmobile is only available on Tuesdays and Saturday mornings, for only four hours each morning. Further the collection is very limited, and there is

July 3, 2012

Page 3

limited public access to computers. Children in the area derive little or no benefit from the Bookmobile which allows no room for educational programming for anyone, including children.

The new library has received community support. The West Desert Municipal Advisory Committee (MAC) voted in April 2011 to support the Cabazon Library becoming part of the county library system. Citizens in the community have continued to express their support for a library in the Cabazon area to the new County Librarian. They anticipate a library with comprehensive collections of books and materials, public access to at least 13 computers and ample space for programs for diverse groups in the community including programs for literacy and US Citizenship, all delivered with the latest in library technology.

Although a case can be made on the population figures with regard to the amount of property tax being transferred to the Cabazon community, the amount of the property tax to be exchanged is generated from the Cabazon community and will serve the residents directly. The BLD will ultimately receive an increase in the amount of property tax from the previous annexation in the amount close to what will be transferred to the county. Unlike the previous annexation, the funds will go toward providing a new facility in the subject community. BLD will continue to receive a 100% of property tax in FY 12/13, which will be a total of two years of funding after the closure of the previous library in Cabazon. As for the portion that goes to the City of Palm Springs, the city is already providing full service to the subject area. Given the above, staff is recommending that the city and the county should assume 100% of the portion of property tax generated for library services beginning FY 13/14.

The attached resolution is compatible with the terms and conditions of the dissolution agreement.

The exchange of property tax revenue will become effective for tax purposes beginning July 1 of the subsequent calendar year following the date of dissolution. The detachment is tentatively scheduled for LAFCO on July 26, 2012.

RESOLUTION NO. 2012-166

**DETERMINING THE AMOUNT OF PROPERTY TAX REVENUE
TO BE EXCHANGED BETWEEN THE BANNING LIBRARY DISTRICT
AND THE COUNTY OF RIVERSIDE AND THE CITY OF PALM SPRINGS
PER DETACHMENT FROM THE BANNING LIBRARY DISTRICT
LAFCO 2012-04-4&5**

WHEREAS, the County of Riverside has filed LAFCO No. 2012-04-4&5 requesting a detachment from the Banning Library District, and

WHEREAS, Revenue and Taxation code Section 99(b)(5) directs the Board of Supervisors to negotiate any exchange of Property Tax revenues that affect the service responsibility of one or more special districts, and

WHEREAS, the responsibility for providing library services of the affected parcels will rest with the County of Riverside and the City of Palm Springs per the new proposed boundaries;

NOW, THEREFORE, BE IT RESOLVED by the Riverside County Board of Supervisors assembled in regular session on July 3, 2012, that:

1. The Banning Library District is the agency whose area of responsibility would be affected by LAFCO 2012-04-4&5.

2. The County of Riverside shall assume the responsibility for all library services of the affected parcels identified as the areas of Cabazon, Snow Creek, Whitewater and in the City of Desert Hot Springs within the territory sought to be detached from the Banning Library District and for such service shall receive a 100 percentage of that portion of the property tax revenue generated within said area of the territory to be detached that relates to library services;

3. The City of Palm Springs already provides library services to the affected parcels within the city's limit within the territory sought to be detached from the Banning Library District for such service shall receive a 100 percent of that portion of the property tax revenue generated within said area of the territory to be detached that relates to library services.

FORM APPROVED COUNTY COUNSEL
BY: Dale A. Gardner DATE: 6/28/12

1 4. The County Auditor shall convert the above-established percentage into actual dollar
2 figures and thereafter allocate such property tax revenue in accord with the provisions of Section 95 et
3 seq. of the Revenue and Taxation Code.

4 5. The Clerk shall transmit a certified copy of this resolution to each affected agency and to
5 the Executive Officer of the Local Agency Formation Commission and to the Auditor of the County of
6 Riverside pursuant to Section 99 of the Revenue and Taxation Code.

7 ROLL CALL:

8 Ayes: Buster, Tavaglione, Stone, and Benoit
9 Nays: None
Absent: Ashley

10 The foregoing is certified to be a true copy of a resolution duly
adopted by said Board of Supervisors on the date therein set forth.

Subject: Cabazon Library

I was shocked to hear that the library Cabazon has been excitedly looking forward to may not be completed as planned.

The people of Cabazon and especially the children need our library and the other amenities planned for our town.

Cabazon is a financially depressed area of Riverside County as I'm sure the board of Supervisors is aware.

Other cities in the County already have many programs available and have had the benefit of our taxes to help them.

Isn't it the only fair decision to keep Cabazon taxes and redevelopment in Cabazon?

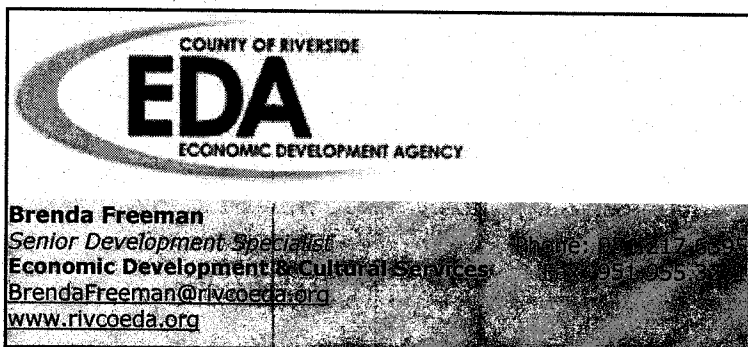

The Community center built for Cabazon residents was taken to make money for an organization with no interest at all in the people here. Don't take this from us too.

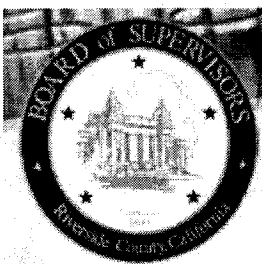

Please consider how wonderful it will be for our unemployed adults to have access to a library that will give them the tools to find jobs, How great to give our students from the youngest to those ready for college the research materials and help to use them to allow them to compete for higher education otherwise unavailable to them. Think of the increased technology available with the new Library and the connection to local education facilities. I can only dream of all the new books available to us.

Shouldn't the citizens of Cabazon be the ones to enjoy what the citizens of Cabazon have worked for?

I'm an 8 year resident of Cabazon and a member of the West Desert MAC. I want to see the people here have a reason to try harder to improve their lives by going to their own library close to home to find inspiration.

To: The Honorable members of the Board of Supervisors, County of Riverside

As a resident of Cabazon and Chairman of West Desert Municipal Advisory Council (MAC) I am writing to you to express my support for Resolution No. 2012-166. The residents of Cabazon and of the other Communities within the West Desert MAC have expressed support for the new Library being built in Cabazon and a part of the Riverside County Library System.

The general feeling is that the funds generated in the area served by the Cabazon Library should go to the Cabazon library and not the Banning Library District (BLD). This is not meant as disparaging toward the BLD but with their closing of the Cabazon branch over a year ago and their minimal service before that shows that the BLD best serves Banning and not the Communities East of Banning as reflected by such budgetary decisions.

Thank You

Sincerely

MEMORANDUM

RIVERSIDE COUNTY EXECUTIVE OFFICE

Jay Orr
County Executive Officer

July 2, 2012

TO: Members, Board of Supervisors

FROM: Christopher Hans, Chief Deputy CEO, representing the Banning Library District per R&T Code Section 99(b)5

RE: Item 3.49 of July 3, 2012 regarding the exchange of property tax revenue due to proposed LAFCO library district annexation

On June 27, 2012 I attended the Board of Trustees' meeting for the Banning Library District. On the agenda were two items related to the Cabazon Library and LAFCO. I was there to fulfill the County's obligation under Revenue and Taxation Code Section 99(b)5. Per this code, counties are obligated to represent special districts in the negotiation of property tax exchanges tied to annexations. My role is to negotiate on behalf of the district.

The Banning library board does not believe that this annexation is in the best interest of the 33,000 residents of their district. Should the annexation continue, the library board believes it to be essential that the transfer of tax revenue happens over a 5-year period – any other option would devastate the library program that serves the 33,000 residents of their district.

Concerns of the Board of Trustees' for the Banning Library District as related to me in their public meeting of June 27, 2012 are below. These are the opinions of library board members:

1. Should the annexation be approved, a quick transfer of the tax revenue (between one-half and one-third of district's total operations) would devastate their district. They request that the transfer be phased in equally over 5 years.
2. The annexation plan has a fatal flaw in that it places the needs of the 3,000 Cabazon residents over the needs of the 30,000 Banning residents.
3. The library board was promised in the past that it would run the new Cabazon library. They have spent considerable time and money (roughly estimated at \$50,000) planning for this, and would like to be reimbursed.
4. Temporarily closing the Cabazon branch made sense in light of the fact that Cabazon Elementary school had been relocated out of the neighborhood and the multifamily housing nearby had been demolished.
5. The annexation plan has numerous other flaws:
 - a. Services planned to be provided by LSSI (the County's contracted service provider) will be inferior to services provided directly by district employees

07.03.2012 3.49

- b. Cabazon residents are accustomed to visiting the Banning library and more are visiting it than ever did the old Cabazon library
 - c. There has been little or no communication between the library board and Supervisor Ashley on the specifics of the annexation
6. A full tax revenue transfer would lead to library district layoffs. Also, it would be unfair of the county to create the chain of events that would lead to the layoffs followed by LSSI hiring those former employees.

I advised the library board that the County Board will take action July 3, 2012 on the exchange of taxes between their district and the County's library district (assuming ultimate ratification by LAFCO of the annexation). I said I was prepared to read these concerns into the public record on behalf of the library board on July 3, 2012, but advised their own personal testimony would carry more weight. Several board members said they planned to attend and testify.

Further, I reminded the library board that the LAFCO board would take action at the end of July on the annexation. At that time no library board members expressed their intention to attend the LAFCO meeting.

**Resolution No. 2012-166 Determining the Amount of Property Tax Revenue to be Exchanged
Between the Banning Library District and the County of Riverside and the City of Palm Springs
- LAFCO 2012-04-4&5**

July 3, 2012

Page 2

BACKGROUND continued:

Per the Revenue and Taxation Code Section 99(b)5, the Board of Supervisors, on behalf of special districts, negotiates any exchange of property tax when a proposed change affects the service area or responsibility of one or more special districts. The Board is required to consult with the affected district(s) prior to adopting the final tax exchange resolution.

Staff negotiated with the City Palm Springs on behalf of the Banning Library District (BLD) as well as negotiated directly with the BLD for the areas that the County will assume.

The estimated annual amount of property tax to be transferred to the City of Palm Springs is \$2,049. The estimated annual amount transferred to the county is \$249,556, making the total annual amount to be exchanged \$251,605. If the detachment is recorded prior to December 2012, then the exchange would occur as of July 2013, with the first distribution in December 2013. The subject area is approximately 167 square miles. The area to be detached to the county is approximately 152 square miles, with the remaining approximate 15 square miles to be detached to the city. The BLD area will be reduced from approximately 310 square miles to 143 square miles. The BLD currently serves about 29,965 people. The Cabazon area population is approximately 2,535.

The estimated amount of property tax revenue for BLD for FY 11/12 is \$439,134. BLD's total revenue reported by LAFCO for FY 10/11 was \$721,777. If the detachment is approved by LAFCO, BLD is requesting that the property tax be reduced gradually over a five-year period. This would allow the BLD to plan for the reduction in funding over a longer term. BLD cites the property tax exchange between the BLD and Beaumont Library District as precedent. In that case, the BLD annexed property from the Beaumont Library District. The total estimated amount of property tax transferred from Beaumont to Banning at the completion of five years is \$205,105. FY 12/13 will be the first year BLD receives the property tax for the area annexed. The percentage for 12/13 is 20%.

The detachment before the Board of Supervisors is different from the previous annexation. The County of Riverside is constructing a new library in the subject area with an anticipated opening date of December 2012. This new library is adjacent to the community center, the Cabazon Elementary School, and a proposed child development project. The new library will join these important facilities that provide much needed amenities to the residents in Cabazon. The estimated operating budget for the new library is \$410,000. This does not include additional startup costs necessary to open the library. These one-time expenses will occur in FY 12/13.

The BLD closed their Cabazon Library in June 2011. At the time of closure the library was only open 12 hours per week. Currently, the community residents who have transportation can use the BLD library in the City of Banning. The community is also being served by the County Library bookmobile; however, the bookmobile is only available on Tuesdays and Saturday mornings, for only four hours each morning. Further the collection is very limited, and there is

**Resolution No. 2012-166 Determining the Amount of Property Tax Revenue to be Exchanged
Between the Banning Library District and the County of Riverside and the City of Palm Springs
– LAFCO 2012-04-4&5**

July 3, 2012

Page 3

limited public access to computers. Children in the area derive little or no benefit from the Bookmobile which allows no room for educational programming for anyone, including children.

The new library has received community support. The West Desert Municipal Advisory Committee (MAC) voted in April 2011 to support the Cabazon Library becoming part of the county library system. Citizens in the community have continued to express their support for a library in the Cabazon area to the new County Librarian. They anticipate a library with comprehensive collections of books and materials, public access to at least 13 computers and ample space for programs for diverse groups in the community including programs for literacy and US Citizenship, all delivered with the latest in library technology.

Although a case can be made on the population figures with regard to the amount of property tax being transferred to the Cabazon community, the amount of the property tax to be exchanged is generated from the Cabazon community and will serve the residents directly. The BLD will ultimately receive an increase in the amount of property tax from the previous annexation in the amount close to what will be transferred to the county. Unlike the previous annexation, the funds will go toward providing a new facility in the subject community. BLD will continue to receive a 100% of property tax in FY 12/13, which will be a total of two years of funding after the closure of the previous library in Cabazon. As for the portion that goes to the City of Palm Springs, the city is already providing full service to the subject area. Given the above, staff is recommending that the city and the county should assume 100% of the portion of property tax generated for library services beginning FY 13/14.

The attached resolution is compatible with the terms and conditions of the dissolution agreement.

The exchange of property tax revenue will become effective for tax purposes beginning July 1 of the subsequent calendar year following the date of dissolution. The detachment is tentatively scheduled for LAFCO on July 26, 2012.

2 RESOLUTION NO. 2012-166

3 DETERMINING THE AMOUNT OF PROPERTY TAX REVENUE
4 TO BE EXCHANGED BETWEEN THE BANNING LIBRARY DISTRICT
5 AND THE COUNTY OF RIVERSIDE AND THE CITY OF PALM SPRINGS
6 PER DETACHMENT FROM THE BANNING LIBRARY DISTRICT
7 LAFCO 2012-04-4&5

8 WHEREAS, the County of Riverside has filed LAFCO No. 2012-04-4&5 requesting a
9 detachment from the Banning Library District, and

10 WHEREAS, Revenue and Taxation code Section 99(b)(5) directs the Board of Supervisors to
11 negotiate any exchange of Property Tax revenues that affect the service responsibility of one or more
12 special districts, and

13 WHEREAS, the responsibility for providing library services of the affected parcels will rest with
14 the County of Riverside and the City of Palm Springs per the new proposed boundaries;

15 NOW, THEREFORE, BE IT RESOLVED by the Riverside County Board of Supervisors
16 assembled in regular session on _____, 2012, that:

17 1. The Banning Library District is the agency whose area of responsibility would be affected
18 by LAFCO 2012-04-4&5.

19 2. The County of Riverside shall assume the responsibility for all library services of the
20 affected parcels identified as the areas of Cabazon, Snow Creek, Whitewater and in the City of Desert
21 Hot Springs within the territory sought to be detached from the Banning Library District and for such
22 service shall receive a 100 percentage of that portion of the property tax revenue generated within said
23 area of the territory to be detached that relates to library services;

24 3. The City of Palm Springs already provides library services to the affected parcels within
25 the city's limit within the territory sought to be detached from the Banning Library District for such
26 service shall receive a 100 percent of that portion of the property tax revenue generated within said
area of the territory to be detached that relates to library services.
