SUBJECT: State Homeland Security Grant Program – Memorandum of Understanding for Equipment Acquisition and Ownership Transfer to Participating Cities

RECOMMENDED MOTION: Move that the Board of Supervisors:

1. Approve the attached Memorandum of Understanding (MOU) substantially in form; and
2. Authorize the County Fire Chief and the Office of Emergency Services Deputy Director, or his designee, to execute such MOU's on behalf of the County.

BACKGROUND: In 2008, emergency managers within the Riverside County Operational Area (OA) identified significant preparedness shortfalls with regard to their ability to properly shelter one-tenth of the overall population as suggested by federal standards. Because of this shortfall, OES has secured State Homeland Security grant funding for Fiscal Year 2009 and Fiscal Year 2010 to outfit each city and portions of unincorporated areas of the County with one hundred person mass care and shelter trailers. THE HONORABLE BOARD OF SUPERVISORS

SUBMITTAL DATE: August 16, 2011
DEPT: FIRE, OES
SUBJECT: State Homeland Security Grant Program – Memorandum of Understanding for Equipment Acquisition and Ownership Transfer to Participating Cities

PAGE: 2

BACKGROUND (Continued):

The County of Riverside, through its Fire Department, in its efforts to provide the mass care and shelter trailers throughout the County, will need to enter into several, separate MOUs with participating cities to transfer ownership of the newly acquired trailers and obligate each city to terms and conditions required by the Homeland Security Grant Funding Program. In order to facilitate and carry out the purposes described herein, the Fire Department desires to establish the attached MOU as the form to be used for each transaction and by requesting Board approval of the MOU form and authorizing delegation of authority for either the Fire Chief and the Office of Emergency Services Director to process and execute the MOUs. The material terms and conditions of each respective MOU are set forth in the form with only the particular details of the name of the participating city and the number of trailers to be transferred to be inserted when the MOU is executed. Delegating the authority to execute the MOU would greatly benefit the residents of the County because the Fire Department could provide the mass care and shelter trailers in an efficient and quick manner.
