BACKGROUND:

The CSBG Local Initiative Program provides the core funding of CAP Riverside Programs. Revenue derived from the agreement supports the majority of the operations of CAP Riverside.

With the foundation provided by the Local Initiative Grant, CAP Riverside is able to attract other resources into the county and focus them on the needs of the County's poor. Serving as the work plan for the Agreement, the 2012-2013 Local Plan, approved by the Board on June 7, 2011 (Agenda #9.1), includes the following goals:

- Provide services, support and opportunities that offset barriers to employment for low-income participants;
- Provide low-income households access to credit/loans for homeownership, small business, education/vocational pursuits;
- Provide assistance to community-based organizations to enhance volunteer participation, training, and support to facilitate community involvement;
- Provide support and assistance to community-based organizations to help create a healthy, safe, violence-free, and economically sound community environment;
- Assist in the support and coordination of utility bill and weatherization assistance and homeless services support;
- Support community partnerships via collaborations; and
- Provide capacity building activities to promote effective low-income service distribution.

The 2013 CSBG Agreement #13F-3032 supplies the initial allocation of \$661,506 for the term January 1, 2013 through December 31, 2013. Congress has not yet approved the final allocation for 2013 CSBG program. The agreement will be amended once the Congressional appropriation is approved and the State is advised of its final grant award.

FINANCIAL IMPACT: No County General Funds will be required.

BUDGET DETAIL AND PAYMENT PROVISIONS

1. TERM AND AMOUNT OF AGREEMENT

As specified on the face sheet of this Agreement (Std. 213), the term of this Agreement is for one year and covers the period January 1, 2013 through December 31, 2013.

The Maximum Amount specified on the initial face sheet of this Agreement is based on a partial allocation of the federal Community Services Block Grant for federal fiscal year (FFY) 2013, awarded to the State pursuant to one or more continuing resolutions passed by the Congress prior to the execution of this Agreement. Upon the issuance of each subsequent federal allocation, including the full annual allocations to the State for FFY 2013, CSD shall issue an amendment to this Agreement to increase the Maximum Amount by the amount to be distributed to Contractor as calculated pursuant to Government Code § 12759.

2. BUDGET

- A. Concurrent with the submission of this Agreement, Contractor shall complete and submit the CSBG Fiscal Data forms [CSBG Contract Budget Summary (CSD 425.S), CSBG Budget Support - Personnel Costs (CSD 425 1.1), CSBG Budget Support - Non Personnel Costs (CSD 425 1.2), CSBG Budget Support - Other Agency Operating Funds (CSD 425 1.3), and Budget Narrative (CSD 425 1.4)] attached to this Exhibit B. Pursuant to the instructions for CSD 425.S, Contractor must include an itemized list identifying all other funding sources and amounts that make up the total annual operating budget of the community action program(s). Notwithstanding any other provision of this paragraph, Contractor may submit the itemized list of other funding sources by either of the following methods: 1) completing the attached form (CSD 425 1.3), or 2) submitting an internal annual budget document displaying the funding sources and their anticipated revenues.
- B. Contractor shall submit the CSD 425 1.4 (Budget Narrative) with a justification for each projected line item reported on the CSD 425 1.1 and CSD 425 1.2.

EXHIBIT B
(Standard Agreement)

C. Administrative Expenses

- 1) For the purpose of administrative expenditures, Contractor shall use funds allocated under this Agreement in an amount not to exceed twelve percent (12%) of the total operating funds of its community action program(s). Contractor shall not use funds provided under this Agreement to cover administrative costs incurred in the Low-Income Home Energy Assistance Program (LIHEAP) in excess of the LIHEAP contractual limitations.
- 2) For purposes of allocating indirect costs, contractors may use current negotiated indirect cost rates that have been approved by a cognizant federal agency. Contractor shall submit a copy of the letter of approval from the cognizant agency which includes dates of approval and amount of rate.

- D. In accordance with 22 CCR § 100715(a), no originally approved budget line item may be increased or decreased by more than ten percent (10%) without prior CSD approval. Any increase or decrease to the originally approved budget line item will require a request for modification to the budget and shall be submitted to CSD on a CSD 425b, Justification for Contract Amendment/Modification.

3. ADVANCE PAYMENTS

- A. Upon execution of this Agreement or any Amendments thereto, CSD shall issue an advance payment to Contractor not to exceed one hundred percent (100%) of the Maximum Amount of this Agreement. In no case, however, shall the advance payment exceed twenty-five percent (25%) of the total consideration payable to Contractor per the final Amendment to this Agreement in accordance with CA Gov. Code §12781(b).
- B. In the event the Maximum Amount of this Agreement is increased through subsequent amendments based on a notice of grant award for FFY 2013, a subsequent advance payment of the advance amount plus any previous advances already allowed shall not exceed twenty-five percent (25%) of the Total Estimated CR Allocation (for budgeting), as set forth in Exhibit B, Attachment III, per the final Amendment to this Agreement in accordance with CA Gov. Code §12781(b).
- C. Agencies may begin repayment of advance funds immediately in the first reporting period. If an agency has not begun repayment of advance funds, CSD will initiate and pro-rate the repayment process of advanced funds beginning with the seventh monthly (or fourth bimonthly) reporting period of the contract term and ending with the twelfth month of the contract term.

EXHIBIT B
(Standard Agreement)

- D. CSD will initiate repayment of outstanding advance payments whenever seventy-five percent (75%) of the contract allocation has been expended, or beginning with the seventh month (or fourth bimonthly) reporting period, whichever occurs first. As applicable to the funding contract term, CSD shall begin applying approved expenditures to the outstanding advance balance thereby offsetting any subsequent reimbursements. CSD shall determine amounts to be offset by applying the balance of the advance equally into the remaining expenditure reporting periods. An exception may occur if the expenditure reports submitted are less than this applied settlement formula, in which case, CSD shall apply the entire reimbursement amounts against the outstanding advance balance.
- E. If the Contractor will not fully expend the full allocation on or before December 31, 2013, the Contractor must complete a CSD 425b, requesting a contract term extension, and submit it to CSD no later than forty-five (45) days prior to the end of the Agreement term.

- 2) This Agreement is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the federal fiscal year 2013 for the purpose of this program. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this Agreement in any manner.
- 3) The parties mutually agree that if the Congress does not appropriate sufficient funds for the program, this Agreement shall be amended to reflect any reduction in funds.
- 4) CSD has the option to invalidate the Agreement under the 30-day cancellation clause or to amend the Agreement to reflect any reduction in funds.

Significant changes in the organizational structure or changes in the method of accounting for costs that materially affect the amount of reimbursement resulting from use of the amounts in this Negotiation Agreement will require prior approval of the authorized representative of the responsible negotiation agency. Failure to obtain such approval may result in subsequent audit disallowances.

C. **FIXED AMOUNTS:** The fixed amounts contained in Section I of this agreement are based on an estimate of the costs that will be incurred during the period to which the amounts apply. When the actual costs for this period are determined, any differences between the fixed costs used as an estimate and the actual costs will be considered in a subsequent agreement.

D. **BILLED COSTS:** Charges for the services cited in Section II will be billed or cost applied in accordance with the procedures established by the county and recorded on the books of the cost center providing the service. Such charges will be based on the actual allowable costs, as defined by OMB Circular A-87, incurred by the cost center responsible for providing the service. Any differences between the billed allowable costs and the actual allowable costs for a particular accounting period will be considered in a subsequent agreement.

CSBG/NPI Workplan Instructions

Purpose

The CSBG/NPI Work Plan (CSD 801 W) must be completed and returned annually with the contract. The CSD 801 W establishes performance expectations and goals for the contract term.

Suggested Tools

- Review prior year annual CSD/NPI Programs (CSD 801) report
- National Performance Indicators (NPI) Instruction Manual*
- The Targeting Field Manual*

*documents accessible on the CSD's Providers' website on the Forms page

Workplan Format

The CSD 801 W consists of orange tabs within the excel workbook, Complete the applicable work plan Goals 1 - 6 and return with the contract. There are six goals and under each goal is a list of indicators, problem statement, program activities and delivery strategies that pertain to that goal.

- The first orange tab is the Workplan Instructions
- The subsequent orange tabs are the Workplan Goals 1 through 6.

Note: The green tabs will be used later in the contract term when reporting the progress on achieving goals during the mid-year (January – June) and annual (January – December) reporting periods.

Completing the NPI Workplan

- On the "Goal 1 Workplan" tab enter the contract number, contractor's name, contact person and title, phone number, e-mail address and fax number. This information will only need to be provided once. The data will automatically populate into all other tabs from the "Goal 1" tab.
- Project the number of participants expected to achieve the performance indicator(s) identified in Goals 1 – 6 that represents the outcome(s) of the planned program activities during the contract term. If the indicator does not apply to the planned program activities leave the cell blank.

CSBG/NPI Workplan Instructions, Con't

The roster shall include contact information for each member of the governing body at a location other than the office of the NAI Contractor, and shall identify how low-income individuals are represented in the organization's governance. NAI Contractors shall also submit the most recent version of the organizational bylaws. Either a specific or current general resolution must be on file with CSD prior to CSD's final execution of this Agreement.
- D. Contractor shall submit to CSD minutes from the tripartite board, LPA contractor's board, NAI governing council, commission, board, or other body responsible for administration of CSBG-funded programs, for regularly scheduled meetings no later than thirty (30) days after the minutes are approved. Regularly scheduled meetings shall be in accordance with the contractor's bylaws.

CSD may grant an extension not to exceed thirty (30) calendar days from the original due date. The audit report(s) and all supplemental financial information are to be submitted to the following addresses:

10. SUBCONTRACTS

Contractor may enter into subcontract(s) to perform part or all of the direct services covered under this Agreement. Prior to the commencement of subcontracted services under this Agreement, Contractor shall obtain board approval, to include but not be limited to, an assurance that the subcontractor agreement(s) shall comply with all terms, conditions, assurances, and certifications of this Agreement for the nonprofit and local governmental agencies performing services in the area(s) described in EXHIBIT A, SCOPE OF WORK, Section 2.

- A. Contractor shall provide written notification to the State within 60 calendar days of execution of each subcontractor agreement the name of the subcontractor entity, its address, telephone number, contact person, contract amount, and program description of each subcontractor activity to be performed under this Agreement. This written notification shall also include a certification that, to the best of Contractor's knowledge, the subcontractor is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency. For purposes of this certification of subcontractor eligibility, Contractor may rely on information provided via the Excluded Parties List System (EPLS), available at <https://www.sam.gov/porta/public/SAM/>.

EXHIBIT D
(Standard Agreement)

- B. If CSD determines that Contractor has executed a subcontract with an individual or entity listed as debarred, suspended, or otherwise ineligible on EPLS as of the effective start date of the subcontract, costs Contractor has incurred under the subcontract may be disallowed.
- C. Contractor remains responsible to substantiate the allowable and allocable use of all funds under this Agreement and to adopt fiscal control and accounting procedures sufficient to permit the tracing of funds paid to any subcontractor to a level of expenditure adequate to establish that such funds have not been used in violation of this Agreement. Contractor shall ensure that any subcontracts under this Agreement contain all provisions necessary to ensure adequate substantiation and controls of the expenditure of such funds. Contractor may achieve this through detailed invoices, by periodic monitoring of subcontractor's program activities and fiscal accountability, by retaining a right of reasonable access to the subcontractor's books and records, or by any other method sufficient to meet Contractor's responsibility to substantiate costs required by OMB Circulars A-87, 122, and 133.
- D. In the event CSD suspends, terminates, and/or makes changes to the services to be performed under this Agreement, Contractor shall notify all of its subcontractors in writing within five (5) days of receipt of notice of such action.
- E. Contractor is the responsible party and shall remain liable for the performance of the terms, conditions, assurances, and certifications of this Agreement, without recourse to the State, regarding the settlement and satisfaction of all contractual and administrative issues arising out of subcontract agreement(s) entered into in support of this Agreement, including disputes, claims, or other matters of a contractual nature as well as civil liability arising out of negligence or intentional misconduct of the subcontractor(s).
- F. Nothing contained in this Agreement shall create any contractual relation between CSD and any subcontractors, and no subcontract shall relieve the Contractor of its responsibilities and obligations hereunder. Contractor agrees to be as fully responsible to CSD for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is independent from CSD's obligation to make payments to the Contractor. As a result, CSD shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

EXHIBIT D

EXHIBIT D
(Standard Agreement)

SUPPLEMENTAL AUDIT GUIDE**Introduction**

The purpose of this Supplemental Audit Guide is to provide further instructions for the independent auditor and/or CPA firms that perform audits of agencies that contract with the California Department of Community Services and Development (CSD) to deliver programs. As specified in each program contract, all independent auditors and CPA firms must follow this Supplemental Audit Guide if the Contractor being audited is funded totally or in part by CSD contracts. This guide is not intended to be an auditing procedure manual but rather to further instruct the independent auditor and CPA firm in testing certain costs identified by CSD as needing more detailed disclosure.

The primary focus of this guide is auditing and reporting on specific items of costs funded by CSD contracts. The procedures outlined in this guide either clarify and complement or, exceed the requirements of Office of Management and Budget (OMB) Circular A-133.

Auditor's Judgment

Auditors performing the work according to this Supplemental Audit Guide must continue to exercise professional judgment. The auditor shall follow the procedures included in this audit guide unless, in the exercise of his or her professional judgment, the auditor determines that other procedures are more appropriate in particular circumstances. The auditor, however, must justify in writing any change from the audit procedures suggested by this Supplemental Audit Guide. The audit report must contain assurances that a review for compliance with OMB Circulars A-87 and A-122 was conducted.

Supplemental Audit Guide

Selected Items of Cost

Inventory System (All Contracts)

1. The independent auditor or CPA firm must gather evidence to validate the inventory listed as an asset on the balance sheet.
2. The closeout report on CSD contracts requires an inventory listing on all items purchased with CSD contract funds.
3. Inventories listed on the balance sheet and on the CSD closeout reports must be verified that they physically exist, are owned (not leased), and are in operable condition.
4. Inventory listings must be accurately compiled in the inventory accounts. Inventories are to be properly stated at cost (except when the market rate is lower).

Subcontracts (All Contracts)

1. Subcontracts must be arms-length agreements and free of actual or apparent conflicts of interest. Validate and report to CSD. CSD-funded agencies should be aware that contracting with wholly owned subsidiaries might not be considered arms-length agreements. This is especially true where both boards have similar members.
2. Contractors are required to substantiate that all costs expended under subcontracts are allowable and allocable to the particular program pursuant to the same standards as the costs expended directly by the Contractor under the specific CSD contract. Document the Contractor's system of ensuring this level of accountability, and report to CSD.

Weatherization Crew Hours (LIHEAP and DOE Contracts)

Document the methodology the Contractor uses to capture the actual hours each weatherization worker spends on each house, specific work performed and address. If this data is maintained in an automated system, obtain and review system documentation.

1. Verify that the monthly report summaries used to report weatherization crew hours provide accurate information by selecting and testing a representative sample.
2. Trace the monthly closeout report totals for weatherization labor hours to the Contractor's monthly report summaries and reconcile this to the supporting source documents.

Supplemental Audit Guide

Prohibition on Lobbying

The independent auditor shall verify that no CSD contract funds were used to influence or attempt to influence an officer or employee of a state or federal government agency, or a member of Congress or the State Legislature, in connection with the awarding of any contract, grant, loan, or cooperative agreement.

System of Internal Control

Audits must include an examination of the systems of internal control. Internal control systems must be established to ensure compliance with laws and regulations affecting the expenditure of State and/or Federal funds, financial transactions and accounts, and the agency's process for submission of Contractor billings submitted to CSD for the performance of the contract.

The Contractor's accounting system must provide for accumulating and recording of expenditures by cost category (budget line items) shown in the approved budget. The independent auditor or CPA firm must give an opinion on the internal controls of the Contractor being reviewed.

Administrative Cost Cap

CSD contracts have an administrative cost cap. Administrative costs charged to each CSD contract must not exceed this cost. In addition, other Federal funds must not be used to exceed the total administrative cost cap charged to the CSD contract, unless specifically allowed by Federal statute.

Use of Indirect Cost Rates or Other Indirect Cost Methodology

1. A Federally Approved Indirect Cost Allocation Rate may be used for selected items of costs up to the maximum allowed by the CSD contract's administrative cost rate. Costs claimed for a specific line item in the budget cannot be reported as direct costs and also as indirect costs.
2. Validate the indirect cost rate or methodology and the application of the rate used by the Contractor.
3. Ensure compliance with OMB Circulars A-87 and A-122.

Basis for Allocation of Costs

1. The independent auditor or CPA firm must identify the Contractor's basis for allocating costs to CSD contracts. Costs charged to CSD contracts must be allocable, allowable, and based on actual expenses incurred by the Contractor for the CSD contract. Costs charged to the CSD contract must also have an approved contract budget line item.
2. Ensure Compliance with OMB Circulars A-87 and A-122.

Supplemental Audit Guide

Going Concern and Subsequent Events

The independent auditor or CPA firm must provide a "positive assurance" statement that any (significant) subsequent events, related directly or indirectly, that occurred after the final closeout report and single agency-wide audit are submitted to CSD do not materially affect the closeout report, as submitted by the Contractor. Additionally, the independent auditor or CPA firm must provide "positive assurance" whether or not the Contractor will continue as a going concern. Some examples are litigation settlement, bankruptcy, mergers, large loans, cash flow problems, etc.

Representation Letter

A Representation Letter between the independent auditor or CPA firm and the Contractor must be forwarded to CSD. The Representation Letter must be signed by the Contractor's controller (or equivalent) and either the Chair of the Audit Committee if it exists or the Executive Director.

Engagement Letter

In the event a Contractor is more than one month late in submitting the required independent audit report, the Contractor shall submit one copy of the finalized, signed Engagement letter between the Contractor and the Contractor's independent auditor or CPA firm.

Supplemental Statements

Beginning with the 1994 program year, CSD contract provisions have required the financial and compliance audit to include supplemental statements. These supplemental statements must be included as part of the package submitted to CSD with the single agency-wide audit for each fiscal year. CSD uses the above information to reconcile the audited costs to the costs reported by the Contractor.

The supplemental statements should be based on the budget line items contained in the contract. The supplemental statement must include the contract budget line items, expenditures for each budget line item by fiscal year, total audited costs and total reported expenses by budget line item. Please refer to Attachments 1, 2, 3, and 4 for examples of the format to use for the required supplemental statements.

Auditing Standards and Reports

The financial and compliance audit report shall contain the following supplemental financial information: a combined statement of revenue and expenditures for each contract that presents, by budget line item, revenue and expenditures for the audit period and a description of the methodology used to allocate and claim indirect costs and any administrative cost pools.

Supplemental Audit Guide

Testing of Transactions

A sufficient number of items should be selected for review that represent all material costs categories. The audit should determine whether:

- a. Contractor's internal control over the contract is effective and working as intended;
- b. Reported program expenditures are allowable and allocable;
- c. Reported expenditures conform to funding or program limitations or exclusions;
- d. Reported expenditures are not charged to, or reimbursed by, other programs or funding sources;
- e. Transactions are properly approved, reported, and supported by source documents;
- f. Reported expenditures were incurred within the appropriate contract term; and
- g. Contractor complied with applicable laws, regulations, and contract requirements.

American Recovery and Reinvestment Act of 2009 (ARRA) Funds

ARRA IDENTIFICATION

Contractors covered under the Single Audit Act and OMB circular A-133 must specifically identify ARRA funds on the SEFA by CFDA number, contract number, and by attaching the prefix "ARRA-" to the Federal program name. This information may be used by CSD to monitor the Contractor's expenditures of ARRA funds. In addition, the Contractor should maintain documentation to identify sub-award and project funded through the ARRA.

SEPARATE ACCOUNTING

Contractors must segregate the obligations and expenditures related to funding under the Recovery Act. Financial and accounting systems should be revised as necessary to segregate, track and maintain these funds apart and separate from other revenue streams. No part of the funds from the Recovery Act shall be commingled with any other funds or used for a purpose other than that of making payments for costs allowable for Recovery Act projects. Recovery Act funds can be used in conjunction with other funding sources as necessary to complete projects, but tracking and reporting must be separate to meet the reporting requirements of the Recovery Act and OMB Guidance.

PREVAILING WAGE

Determine if there is a designated payroll person to certify, on a weekly basis, that the Contractor is paying residential prevailing wage in accordance with the wage determinations as set forth in the ARRA contract.
