**BACKGROUND (Continued):**

DPSS is requesting an Educational Liaison agreement for \$65,000 to allow for an additional FTE for FY 12/13 to assist Children Services educational-related services.

Through this agreement, Children Services will receive an additional liaison to act on behalf of all referred children and youth who are in Foster Care. These children often have special education needs that must be adequately addressed in order to ensure that they receive the educational services and support they need to be successful. These services include educational support, advocacy, educational placements/enrollment, acquiring school records, and attending expulsion hearings for children who are medically fragile, in a group home placement, are eligible for the Independent Living Program (ILP), or for recommendations for Wraparound Services. The Educational Liaison will also offer support for youth who receive Wraparound services.

DPSS negotiated the agreement with RCSS without competition in accordance with California Department of Social Services (CDSS) manual section 23-650, paragraph 1.14, which states that contracts may be negotiated without formal advertising "for any service to be rendered by any federal, state or local governmental agency, public university, public college or other public educational institution."

**FINANCIAL:**

100% Wraparound funds (SB 163) will be used to fund this agreement. The total annual cost to the County for these services is \$0.00. Wraparound funds have been budgeted for this agreement and no additional general fund support is necessary.
