

B. REPORTING INTERIM CHANGES

The HA requires program participants to report all changes in household composition or income in writing within 10 days of the change to the HA. This includes additions due to birth, adoption and court-awarded custody. The family must obtain HA and owner approval prior to all other additions to the household.

The U.S. citizenship/eligible immigrant status of additional family members must be declared and verified as required at the first interim unless the change takes place during the or regular reexamination. after moving into the unit.

Interim Reexamination Policy

Participants must report all changes in income, assets, and family household composition in writing within 10 days of change. Changes will be processed if they are anticipated to continue for sixty (60) or more days.

If it has been determined that a participant Tenant has misrepresented any information to the PHA that causes the PHA to pay a higher HAP amount, the participant will be required to repay the excess HAP paid on their behalf. Management the facts upon which the rent is based, so that the rent paid is less than should have been charged, then the increase in rent shall be made retroactive to the date the change should have been made. If the PHA Management determines that the participant Tenant has been subsidized through the participant's Tenant's willful misrepresentation of income, assets, or family composition, the PHA Management shall notify the participant that rental assistance will be terminated and excess HAP repaid and that the participant has the right to request a Hearing.

Decreases in Income

The HA will process the change if the decrease in income is \$100 monthly or more and anticipated to continue for sixty (60) or more days.

Increases in Income

The HA will conduct interim reexaminations for participants who have an increase in income of \$100 monthly or more and anticipated to continue for sixty (60) or more days.

ZERO INCOME FAMILIES:

Families reporting no household income will be asked how the family pays for necessary living expenses. If it is determined that the family is receiving regular monetary or non-monetary contributions and/or gifts from non-household members, the value of these gifts will be annualized to estimate household income. If it is determined that the family receives no income from gifts, contributions, or any other source, and the family will be required to complete, sign and date the Certification of Zero Income Form. Such families will be required to provide documentation to the HA every 30 days until such time that the family has no Utility Reimbursement Payment (URP) - normal household expenses such as food, utility bills, telephone bills, cable bills, car payment, and car/ life insurance payments are being paid and documentation showing where the money comes from to pay these expenses. Zero income families will be re-evaluated every 30 days to determine if there are any new sources of income including an inquiry to the Department of Labor. Failure to provide required information may be cause for termination of rental assistance. Families reporting only excluded income will be subject to an interim revision if a source of non-excluded income is reported.

HA Errors

When the HA finds that an error has been made, an interim reexamination will be conducted to correct the error. A minimum of thirty (30) days notice will be given to participant Tenant and owner if the correction results in a decrease in the HAP payment.

Administrative Errors and Omissions: It is crucial that the PHA establish and maintain a high degree of accuracy in administering its program. From time to time minor administrative errors or omissions may be discovered which require immediate PHA action. Administrative errors, omissions, or mistakes made by PHA staff, owners, or participant Tenant may include:

1. PHA Errors and Omissions (examples):

- a. Errors in calculations of Assistance levels;
- b. Inappropriate determinations of family eligibility;
- c. Miscalculation of gross rents; or,
- d. Approval of gross rents above allowable limitations.

2. Owner Errors and Omissions (examples):

- a. Not informing the PHA that the participant Tenant has vacated the unit.
- b. Not informing the PHA that an error in contract rent has occurred within 10 days of receiving a rent change notification.

3. Tenant Errors and Omissions (examples):

- a. Omission of a particular asset or income because of lack of information;
- b. Miscalculation of income; or,
- c. Misinformation regarding family composition.

Changes in family size/subsidy standards

A larger bedroom size will not be issued if a member of the nucleus family moves out and returns as an adult. In these cases, the HA will not approve the addition of household members if it that would results in overcrowding according to HQS. ~~maximum occupancy standards.~~

For additions to the family in the following cases, the HA will issue the family a relocation Voucher when the change causes overcrowding according to HQS: ~~maximum occupancy standards~~

- Additions by marriage
- Addition of a minor who is a member of the nucleus family who had been living elsewhere
- Addition of a HA-approved live-in aide
- Addition due to birth, adoption or court-awarded custody
- Addition of long term placement foster care minor(s) ~~children~~ or adults

Family Member moves out

Families are required to notify the HA in writing within 10 days if any family member leaves the assisted household. When the family notifies the HA, they must furnish the following information:

- The date the family member moved out
- The new address, if known, of the family member
- A statement as to whether the family member is temporarily or permanently absent

C. TIMELY REPORTING OF CHANGES IN INCOME AND ASSETS

Families who do not report required changes within time frames established by the HA are considered in violation of a family obligation, and are subject to termination of assistance.

D. NOTIFICATION OF RESULTS OF REEXAMINATIONS

The HUD form 50058 will be completed and transmitted as required by HUD.

Chapter 13

MOVES WITH CONTINUED ASSISTANCE/PORTABILITY

INTRODUCTION

HUD regulations permit families to move with continued assistance to another unit within the HA's jurisdiction, or to a unit outside of the HA's jurisdiction under portability procedures. The regulations also allow the HA the discretion to develop policies which define any limitations on moves. This chapter defines the procedures for moves, both within and outside of the HA's jurisdiction, and the policies and limitations on moves.

A family may move (relocate) to a new unit when the owner has given the family a notice to vacate and the family is eligible for continued assistance or when the family has given proper notice of lease termination and is eligible for continued assistance (see A. Allowable Moves for additional information). A notice of lease termination must be through the end of a month. Notices to vacate will not be accepted for a mid month move and will be returned so that the participant tenant and/or owner can reissue a new notice through the end of a month. All Housing Assistance Payment (HAP) Contracts for new units will be effective on the 1st of a month (no mid month effective dates). Special circumstances such as reasonable accommodations for the elderly/disabled will be considered.

A. ALLOWABLE MOVES

A family may move to a new unit if:

1. The assisted lease for the old unit has terminated because the HA has terminated the HAP contract for due to owner breach.
2. The HA has terminated the HAP contract because the family is no longer eligible for the current number of bedrooms.
3. To determine whether the family is eligible for continued assistance, a full reexamination will be done prior to approval of any relocation, unless the Eligibility Questionnaire and verifications in the file are dated within the last 60 days.
4. The owner has given the family a notice to vacate and the family is eligible for continued assistance.
5. The family has given proper notice of lease termination and is eligible for continued assistance.
6. The family:
 - a. has an income change that will result in a zero HAP at the new assisted unit. In these cases, the contract with the owner will be for a six-month period only (180 days).
 - b. is currently at zero HAP and must relocate because the current assisted unit is either in foreclosure or up for sale. In these cases, the new contract will only be for the remaining time period left of the original 180 days since the last HAP paid (i.e. the 180 day time period at zero HAP does not restart and includes but is not limited to the time spent searching for a new unit as well as any inspection time and RFTA disapprovals).
7. A mutual agreement has been signed by both the Owner and participant Tenant. This applies when a participant is requesting to move before the expiration of the lease term or the owner wishes a participant tenant to move before the expiration of the lease term.

B. RESTRICTIONS ON MOVES

Families will not be permitted to move during the initial term of the lease. Families will not be permitted to move more than once in a 12-month period unless a 6 month lease is in place according 24 CFR 982.309 (a). The HA will deny permission to move if:

- The family owes the HA money
- The family has violated a Family Obligation
- The family is in violation of their lease

The HA may make exceptions to these restrictions if there is an emergency or safety reason for the move or as a reasonable accommodation for a disabled family member.

C. PORTABILITY

Portability applies to families moving out of or into the HA's jurisdiction within the United States and its territories. Under portability, families are eligible to receive assistance to lease a unit outside of the initial HA's jurisdiction.

D. OUTGOING PORTABILITY

When a family requests to move outside of the HA's jurisdiction, the request must specify the area to which the family wants to move. Portability outside of HACR's jurisdiction will be approved if the family is eligible for continued assistance and if funding is available. The HA may deny a family's request to move under portability if the PHA does not have sufficient funding for continued assistance to support the move in accordance with CFR 982.314 (e)(1) and PIH 2008-43.

If a family, within two (2) weeks of the voucher effective date, requests to transfer their rental assistance (exercise portability) to another jurisdiction, a full sixty five (65) ~~sixty (60)~~ day voucher term will be granted. For mailing purposes.

The Violence Against Women Act of 2005 provides that the family may receive a voucher and move in violation of the lease under the portability procedures if the family has complied with all other obligations of the voucher program and has moved out of the assisted dwelling unit in order to protect the health or safety of an individual who is or has been the victim of domestic violence, dating violence, or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the assisted dwelling unit.

E. INCOMING PORTABILITY

Absorption or Administration

The HA will accept a family with a valid voucher from another jurisdiction and either administer or absorb the voucher. When administering assistance for the family, a Portability Voucher will be issued with the same start date as the initial HA. The initial HA may grant extensions in accordance with Federal Regulations. All port-in supporting documents are to be received by mail and EIV's must be in a sealed envelope for confidential purposes to ensure HUD compliance. Incoming ports must have a minimum of 30 days left on their voucher for complete processing. Anything less than 30 days will be returned to their initial PHA.

Initially, the HA will issue a subsidy based on the family composition listed in the initial PHA's

50058. The subsidy issued will be based on the receiving HA's current subsidy standards. If the receiving PHA is not absorbing, any changes must be approved by the initial PHA.

Chapter 14

CONTRACT TERMINATIONS

INTRODUCTION

The Housing Assistance Payments (HAP) Contract is the contract between the owner and the HA which defines the responsibilities of both parties. This chapter describes the circumstances under which the contract can be terminated by the HA and the owner, and the policies and procedures for such terminations.

A. CONTRACT TERMINATION

The term of the HAP contract is the same as the term of the lease. The contract between the owner and the HA may be terminated by the HA, or by the owner terminating the lease.

No future subsidy payments on behalf of the family will be made by the HA to the owner after the month in which the contract is terminated. The owner must reimburse the HA for any subsidies paid by the HA for any period after the contract termination date.

If the family continues to occupy the unit after the Section 8-HAP contract is terminated, the family is responsible for the entire contract rent. ~~total amount of rent due to the owner.~~

After a contract termination, if the family meets the criteria for a move with continued assistance, the family may lease-up in another unit. The contract for the new unit may begin during the month in which the family moved from the previous unit.

B. TERMINATION OF LEASE BY OWNER

Upon proper notice, the lease may provide for termination without cause after the initial term of the lease or may terminate by mutual consent between the owner and participant during the initial lease term. In the event that the participant passes away and there are no remaining nucleus family members, the Housing Assistance Payment (HAP) will be paid in full (through the end of the month) in which the participant becomes deceased. An owner is not eligible to retain any portion of HAP for any time period beyond the month in which the participant became deceased.

If it is during the initial lease term, or subsequent lease term, the owner must provide the participant tenant a written notice specifying the grounds for the termination of tenancy. A copy of the notice to vacate and verification of the participant tenant violations must be provided to the HA. If it is not during a lease term, the owner must only provide the tenant with a written notice for a time period that is compliant with the lease or rental agreement that was signed with the participant tenant (i.e. 30 days in most cases). A copy must be provided to the HA. "Good cause" does not need to be demonstrated when the tenant is not in a lease term. If the participant tenant does not vacate based on the owner's notice, the owner must follow state/local laws to evict the participant tenant.

The HA will continue to pay a ~~make~~ HAP ~~housing assistance payments~~ until the participant vacates the unit or the eviction is concluded, whichever occurs first. In no instance will a HAP ~~housing assistance payment~~ be paid ~~made~~ for any period beyond the contract termination date, or for the month following the month the tenant vacates the unit.

Federal Regulations 24CFR 982.552 (c) Authority to deny admission or terminate assistance (1) Grounds for denial or termination of assistance states, "The PHA may at any time deny program assistance for an applicant or terminate ~~termination~~ program assistance for a participant, for any of the following grounds: (ii) If any member of the family has been evicted from federally assisted housing in the last five years".

C. TERMINATION OF THE CONTRACT BY HA

The term of the HAP contract terminates when the lease terminates, when the family vacates the unit, or when the owner has breached the HAP contract.

The HA may also terminate the contract if:

- The HA terminates assistance to the family
- The family is required to move from a unit which is under-occupied or is overcrowded
- Funding is no longer available under the ACC
- The participant has requested their assistance be terminated
- The participant passes away and there are no remaining nucleus family members

The contract will terminate automatically if 180 days have passed since the last HAP paid housing assistance payment to the owner (24 CFR 982.455).

In the event that funding is no longer available under the ACC, the HA will implement a "first on, first off" policy on terminating families, meaning that those families who have benefited the longest will be the first to be terminated, excluding any disabled and/or elderly families. All efforts will be made to give a family no less than a 90 day notice in order to allow them substantial time to prepare. This policy is consistent with Fair Housing guidelines.

EVICCTIONS

The Contract and the Assisted lease shall provide that the owner shall not terminate the tenancy except for

- A.** Serious or repeated violation of the terms and conditions of the lease;
- B.** Violations of Federal, State, or Local Law which imposes obligations on the participant Tenant in connection with the occupancy or use of the dwelling unit and surrounding premises; or,
- C.** Other good cause as provided in the lease including, but not limited to, the following:
 1. Failure by the family to accept the offer of a new lease by the owner;
 2. A family history of disturbance of neighbors or destruction of property, or of living or housekeeping habits resulting in damage to the unit or property;
 3. Criminal activity by family members involving crimes of physical violence to persons or property and any illegal drug activity;
 4. The Owner's desire to utilize the unit for personal or family use or for a purpose other than for use as a residential rental unit; or,
 5. A business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, desire to rent the unit at a higher rental rate).
- D.** The Owner must give the PHA a copy of any Eviction Notices served to the participant Tenant.

E. Family Eligibility for Continued Assistance: Termination of tenancy is not automatically termination of Assistance:

1. If the family is evicted and owes money to the landlord (i.e, unpaid rent), the PHA may determine the family ineligible for issuance of another voucher.
2. If the family is determined to be ineligible for continued assistance at the time of Termination of Tenancy, the PHA is required to notify the family and provide an Informal Hearing. ~~on the determination.~~

D. TERMINATIONS DUE TO INELIGIBLE IMMIGRATION STATUS

The HA will follow HUD rules for terminations due to ineligible immigration status.

Chapter 15

DENIAL OR TERMINATION OF ASSISTANCE

INTRODUCTION

The HA may deny assistance for an applicant or terminate assistance for a participant because of the family's action or failure to act. An applicant who was previously a participant in the Housing Choice Voucher (HCV) program and whose assistance was terminated by any Housing Authority may not receive HCV assistance for a minimum of five (5) years (**24 CFR 982.552 (c)(1)(iii)**). This applies to all members of the previously assisted household, not just those who were adult members at the time of termination. For members who were minors at the time of termination, or as a reasonable accommodation for persons with disabilities, the HA may allow participation if the member was not involved in the action that led to the termination. The HA will consider all relevant circumstances such as the seriousness of the case, the extent of participation or culpability of individual family members, mitigating circumstances related to the disability of a family member, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure to act.

The HA will provide families with a written description of the family obligations under the program, the grounds under which the HA can deny or terminate assistance, and the HA's informal hearing procedures. This chapter describes when the HA is required to deny or terminate assistance, and the HA's policies for the denial of assistance, and the grounds for termination of assistance under an outstanding HAP contract.

A. GROUNDS FOR DENIAL OF ASSISTANCE 24 CFR 982.552-553

Form of Denial of Assistance

Denial of assistance for an applicant may include any or all of the following:

1. Denial for placement on the HA waiting list
2. Denying or withdrawing a Voucher
3. Refusing to enter into a HAP contract or approve a lease
4. Refusing to process or provide assistance under portability procedures

Mandatory Denial of Assistance

The HA must deny assistance to applicants for the following reasons:

1. If any member of the family fails to sign and submit HUD or HA required consent forms for obtaining information.
2. The applicant is a student enrolled at an institution of higher education, is under the age of 24, is not a veteran, unmarried and does not have a dependent child, is individually ineligible for section 8 assistance, or the student's parents are, individually or jointly, ineligible for assistance, as specified in 24 CFR 5.612.
3. If an applicant or any household member has been evicted from federally assisted housing for drug-related criminal activity within three years unless the PHA determines:
 - a. That the evicted household member who engaged in the drug-related criminal activity has successfully completed a supervised drug rehabilitation program; or,
 - b. That the circumstances leading to the eviction no longer exist (for example, the criminal household member has died or is imprisoned).
4. If the HA determines that any household member is currently engaging in illegal use of a

drug.

5. If the HA determines that it has reasonable cause to believe that a household member's illegal drug use or a pattern of illegal drug use may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.
6. Any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.
7. If any member of the household (including minors) is subject to a registration requirement under a State sex offender registration program. (In this screening of applicants, the HA must perform criminal history background checks necessary to determine whether any household member is subject to a sex offender registration requirement in the State where the housing is located and in other States where the household members are known to have resided.)

Registered Sex Offender Notice: The California Department of Justice, sheriff's departments, police departments serving jurisdictions of 200,000 or more and many other law enforcement authorities maintain for public access a data base of locations of persons required to register pursuant to paragraph (1) of subdivision (a) of Section 290.4 of the Penal Code. The data base is updated on a quarterly basis and is a source of information about the presence of these individuals in any neighborhood. Notice: Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via an Internet Web site maintained by the Department of Justice at nsopw.gov www.meganslaw.ca.gov. Depending on an offender's criminal history, this information will include either the address at which the offender resides or the community of residence and ZIP Code in which he or she resides.

Permissive Grounds for Denial of Assistance

The HA may at any time deny program assistance for an applicant, or terminate program assistance for a participant, for any of the reasons listed below.

1. If the family violates any family obligation under the program.
2. If any member of the family has been evicted from federally assisted housing in the last five years.
3. If a PHA has ever terminated assistance under the program for any member of the family.
4. If any member of the family commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.
6. If the family currently owes rent or other amounts to the HA or to another PHA in connection with Section 8 or Public Housing Assistance under the 1937 Act. The family may be given an opportunity to repay the balance in full within 10 calendar days. If the family fails to do so, it will result in the denial of assistance and the family's name being removed (withdrawn) from the waiting list.
7. If the family has not reimbursed any PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.
8. If the family breaches an agreement with the HA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA.
9. If the family has engaged in or threatened abusive or violent behavior toward HA personnel "Abusive or violent behavior towards HA personnel" include verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, may be cause for termination or denial. "Threatening" refers to oral or written threats or physical

gestures that communicate intent to abuse or commit violence. Actual physical abuse or violence will always be cause for termination.

10. If the family has been engaged in criminal activity or alcohol abuse as described in 24 CFR 982.553.
11. If the HA determines that any household member is currently engaged in, or has engaged in during a reasonable time before the admission: i) Drug-related criminal activity; ii) Violent criminal activity; iii) other criminal activity which may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; or iv) other criminal activity which may threaten the health or safety of the owner, property management staff, or persons performing a contract administration function or responsibility on behalf of the HA (including a HA employee or HA contractor, subcontractor, or agent). For purposes of this prohibition, a household member is "currently engaged in" criminal activity if that person has engaged in the behavior recently enough to justify a reasonable belief that the behavior is current.
12. If the HA determines that it has reasonable cause to believe that a household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents

B. GROUNDS FOR TERMINATION OF ASSISTANCE 24 CFR 982.552-553

Form of Termination of Assistance

Termination of assistance for a participant may include any or all of the following:

1. Refusing to enter into a HAP contract or approve a lease.
2. Terminating housing assistance payments under an outstanding HAP contract.
3. Refusing to process or provide assistance under portability procedures.

Mandatory Termination of Assistance

The HA must terminate program assistance for the following reasons:

1. If a family is evicted from housing assisted under the program for serious violation of the lease.
2. If any member of the family fails to sign and submit HUD or HA required consent forms for obtaining information.
3. The applicant is a student enrolled at an institution of higher education, is under the age of 24, is not a veteran, unmarried and does not have a dependent child, is individually ineligible for section 8 assistance, or the student's parents are, individually or jointly, ineligible for assistance, as specified in 24 CFR 5.612.
4. If the HA determines that any member of the household has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.

Permissive Grounds for Termination of Assistance

The HA may at any time deny program assistance for an applicant, or terminate program assistance for a participant, for any of the reasons listed below.

1. If the family violates any family obligation under the program.
2. If any member of the family has been evicted from federally assisted housing in the last five years.
3. If a PHA has ever terminated assistance under the program for any member of the family.
4. If any member of the family commits fraud, bribery or any other corrupt or criminal act in

connection with any federal housing program

6. If the family currently owes rent or other amounts to the HA or to another PHA in connection with Section 8 or Public Housing Assistance under the 1937 Act
7. If the family has not reimbursed any PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease
8. If the family breaches an agreement with the HA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA
9. If the family has engaged in or threatened abusive or violent behavior toward HA personnel
“Abusive or violent behavior towards HA personnel” include verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, may be cause for termination or denial. “Threatening” refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence. Actual physical abuse or violence will always be cause for termination.
10. If any household member is currently engaged in any illegal use of a drug, or if a pattern of illegal use of a drug by any household member interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.
11. If the HA determines that any family member has violated the family’s obligation under 24 CFR 982.551 not to engage in any drug-related criminal activity.
12. If an applicant or family violates the Amended Zero Tolerance Policy of Criminal Activity.

C. Violence Against Women Act (VAWA) of 2005

Denial of assistance to an applicant or termination of assistance of a participant for criminal activity are subject to the provisions of the Violence Against Women Act of 2005 as described below:

1. Being a victim of domestic violence, dating violence, or stalking (see glossary for legal definitions) is not a basis for denial of assistance or admission to public or assisted housing if the applicant otherwise qualifies for assistance or admission
2. Incidents or threats of abuse will not be construed as serious or repeated violations of the lease or other “good cause” for termination of the assistance, tenancy, or occupancy rights of a victim of abuse
3. Criminal activity directly relating to abuse, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant’s family is the victim of that abuse
4. Notwithstanding the restrictions that VAWA places, the HA may “bifurcate” a lease without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant, and such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by federal, state, and local law for the termination of leases or assistance under the relevant program of HUD-assisted housing. Neither the authority nor the procedures under any other law is necessary to bifurcate or otherwise remove an individual from the lease. Furthermore, this federal statutory authority to bifurcate a lease or otherwise remove an individual takes precedence over any federal, state, or local law to the contrary.

5. The HA has authority to terminate voucher assistance for certain family members while permitting other members of a participant family to continue receiving assistance (providing the culpable family member will no longer reside in the unit). The HA's right to exercise this administrative discretion is not dependent on a bifurcated lease or other eviction action by the owner against an individual family member.
6. Certification of Abuse: The HA will request that the victim complete the HUD form 50066 -- Certification of Domestic Violence, Dating Violence or Stalking. This form must be provided within 14 business days from the date the HA requests it. Without the certification, the HA may terminate assistance.

Family Self Sufficiency (FSS)

The HA will not terminate assistance for FSS families who fail to comply with the FSS Contract of Participation unless participation in FSS is a requirement or condition of the program under which the family was admitted.

D. FAMILY OBLIGATIONS

24 CFR 982.551

1. The family must supply any information that the HA or HUD determines is necessary in the administration of the program, including submission of required evidence of citizenship or eligible immigration status (as provided by 24 CFR Part 5). "Information" includes any requested certification, release or other documentation.
The family must supply any information requested by the HA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition in accordance with HUD requirements.
2. The family must disclose and verify Social Security numbers and must sign and submit consent forms for obtaining information in accordance with HUD regulations.
3. Any information supplied by the family must be true and complete.

7. The family must notify the PHA and the owner before the family moves out of the unit or terminates the lease or notice to the owner.

The family must request HA approval to add any family member as an occupant of the unit. No other person may reside in the unit (except for a foster child or live-in aide).
11. The family must notify the HA in writing within 10 days of occurrence if any family member no longer resides in the unit.
12. If the HA has given approval, a foster child or a live-in aide may reside in the unit. If the family does not request approval or HA approval is denied, the family may not allow a foster child or live-in aide to reside with the assisted family.
13. Members of the household may engage in legal profit-making activities in the unit, but only if such activities are incidental to primary use of the unit as a residence by members of the

family.

15. The family must not assign the lease or transfer the unit.
16. The family must supply any information or certification requested by the HA to verify that the family is living in the unit, or relating to family absence from the unit, including any HA-requested information or certification on the purposes of family absences. The family must cooperate with the HA for this purpose. The family must promptly notify the HA of absence from the unit.
17. The family must not own or have any interest in the unit.
18. The members of the family must not commit fraud, bribery or any other corrupt or criminal act in connection with the programs.
19. The members of the family may not engage in alcohol or drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.
20. An assisted family, or members of the family, may not receive Section 8 tenant-based assistance while receiving another housing subsidy, for the same unit or for a different unit, under any duplicative (as determined by HUD or in accordance with HUD requirements) federal, state or local housing assistance program.
21. The members of the household must not abuse alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises.

Explanations and Terms

The term “promptly” when used with the family obligations always means “within 10 calendar days.”

Housing Authority Discretion

In deciding whether to deny or terminate assistance because of action or failure to act by members of the family, the HA may consider all relevant circumstances such as the seriousness of the case, the extent of participation or culpability of individual family members, mitigating circumstances related to the disability of a family member, the length of time since the violation occurred and more recent record of compliance, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure to act. All denials or terminations of assistance will be consistent with fair housing and equal opportunity provisions.

The HA may impose, as a condition of continued assistance for other family members, a requirement that other family members who participated in or were culpable for the action or failure will not reside in the unit.

In determining whether to deny admission or terminate assistance for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the HA may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully. For this purpose, the HA may require the applicant or participant to submit evidence of the household member’s current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

If the family includes a person with disabilities, the HA will determine if such action is subject to consideration of reasonable accommodation.

Lease Violations

In determining whether a serious or repeated violation of the lease will cause a termination of assistance, the HA will consider all circumstances including whether the owner terminates tenancy through court action for serious or repeated violation of the lease, the tenant's statements and documents, verifications provided by either the owner or the tenant, and any reports of lease violations, neighborhood complaints or other third party information.

HQS Breach

The HA will determine if an HQS breach as identified in HUD Regulations is the responsibility of the family. Families may be given extensions to cure HQS breaches by the HA in accordance with HUD regulations.

Denial of Additions to the Household.

Proposed additions to the family may be denied to:

- Persons who have been evicted from public housing.
- Persons who engage in or have engaged in, alcohol or drug-related criminal activity or violent criminal activity.
- Persons who do not meet the HA's definition of family.
- Persons who commit or have committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.
- Persons who currently owe rent or other amounts to the HA or to another HA in connection with Section 8 or Public Housing Assistance under the 1937 Act.
- Persons who have engaged in or threatened abusive or violent behavior toward HA personnel.

E. PROCEDURES FOR NON-CITIZENS

Termination due to Ineligible Immigrant Status

Assistance may not be terminated while verification of the participant family's eligible immigration status is pending. Participant families in which all members are neither U.S. citizens nor eligible immigrants must have their assistance terminated; however, they will be given an opportunity for a hearing.

False or Incomplete Information

When the HA has clear, concrete, or substantial documentation (such as permanent resident card or information from another agency) that contradicts the declaration of citizenship made by an applicant or participant, an investigation will be conducted and the individual given an opportunity to present relevant information.

If the individual is unable to verify their citizenship, the HA may give him/her an opportunity to provide a new declaration as an eligible immigrant or to elect not to contend their status. The HA will then verify eligible status, deny, terminate, or prorate as applicable. The HA will deny or terminate assistance based on the submission of false information or misrepresentations.

F. ZERO HOUSING ASSISTANCE PAYMENT FOR TENANTS

The HAP contract terminates automatically 180 calendar days after the last housing assistance payment to the owner. If within the 180 day time frame, the Total Tenant Payment causes the family to be eligible for a housing assistance payment, the HA will resume assistance payments for the family.

G. MISSED APPOINTMENTS AND DEADLINES

It is a family obligation to supply information, documentation, and certification as needed for the HA to fulfill its responsibilities. The HA schedules appointments and sets deadlines in order to obtain required information. The obligations also require that the family allow the HA to inspect the unit and appointments are made for this purpose.

If an applicant or participant does not keep an appointment, does not supply information required by a deadline or does not allow the HA to inspect the unit, the HA may deny or terminate assistance. The family will be given information about the requirement to keep appointments as specified in this Plan.

Appointments may be scheduled and time requirements will be imposed for the following events and circumstances:

- Eligibility for Admissions
- Verification Procedures
- Voucher Issuance and Briefing
- Housing Quality Standards and Inspections
- Re-certifications
- Appeals

Procedure when Family Obligations are not met

When the participant family fails to fulfill their obligations within the time frames established by the HA, a "Pre-Termination of Assistance" appointment will be scheduled for the family. The appointment notice shall inform the family of the obligation not met and the necessary remedy. If the obligation is still not met, a Notice of Intent to Terminate Assistance will be issued. If the family corrects the breach within the time frame allowed for requesting a hearing, the notice may be rescinded. The HA will consider whether the family has a history of non-compliance in making determinations to terminate assistance.

At the same time that the family is notified of a breach in their obligations, a "Conditional Termination of Contract" notice will be sent to the owner. This notice will inform the owner that should the family fail to comply with their obligations, the contract will end.

Chapter 16

OWNER DISAPPROVAL AND RESTRICTIONS

INTRODUCTION

It is the policy of the HA to recruit owners to participate in the program, and to provide owners with prompt and professional service in order to maintain an adequate supply of available housing throughout the jurisdiction of the HA. The regulations define when the HA must disallow an owner participation in the program, and they provide the HA discretion to disapprove or otherwise restrict the participation of owners in certain categories. This chapter describes the criteria for owner disapproval and the various penalties for owner violations.

A. DISAPPROVAL OF OWNER

The owner does not have a right to participate in the program. For purposes of this section, "owner" includes a principal or other interested party.

The HA will disapprove the owner for the following reasons:

- HUD has informed the HA that the owner has been disbarred, suspended, or subject to a limited denial of participation under 24 CFR part 24.
- HUD has informed the HA that the Federal Government has instituted an administrative or judicial action against the owner for violation of the Fair Housing Act or other federal equal opportunity requirements and such action is pending.
- HUD has informed the HA that a court or administrative agency has determined that the owner has violated the Fair Housing Act or other federal equal opportunity requirements.
- The owner has violated obligations under a housing assistance payments contract under Section 8 of the 1937 Act (42 U.S.C. 1437f).
- The owner has committed fraud, bribery or any other corrupt act in connection with any federal housing program.
- The owner has engaged in any drug-related criminal activity or any violent criminal activity.
- The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other federal housing program.
- The owner has a history or practice of renting units that fail to meet state or local housing codes.
- The owner has not paid state or local real estate taxes, fines or assessments.
- HA has received evidence that owner is requesting and accepting side payments for rent.
- The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other federally assisted housing program for activity by the tenant, any member of the household, a guest or another person under the control of any member of the household that:
 - Threatens the health or safety of, or the right to peaceful enjoyment of the premises by other residents
 - Threatens the health or safety of other residents, or employees of the HA, or of owner employees or other persons engaged in management of the housing
 - Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises
 - Engages in drug-related criminal activity or violent criminal activity

- HUD regulations prohibit the HA from approving a unit if the owner is the parent, child, grandparent, grandchild, sister, brother, uncle, aunt, or in-law of any member of the tenant family, unless the HA determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities.

B. OWNER RESTRICTIONS AND PENALTIES

If an owner commits fraud or abuse or is guilty of frequent or serious contract violations, the HA will restrict the owner from future participation in the program. The HA may also terminate some or all contracts with the owner.

Before imposing a penalty against an owner, the HA will review all relevant factors pertaining to the case, and will consider such factors as the owner's record of compliance and the number of violations.

C. OTHER REMEDIES FOR OWNER VIOLATIONS

Overpayments

If the landlord has been overpaid as a result of fraud, misrepresentation or violation of the Contract, the HA may terminate the Contract and arrange for restitution to the HA and/or family as appropriate.

The HA will make every effort to recover any overpayments made as a result of landlord fraud or abuse. Payments otherwise due to the owner may be debited from future payments in order to repay the HA or the tenant, as applicable. The HA will take court action to recover overpayments when other means fail to result in such collection.

Chapter 17

OWNER OR FAMILY DEBTS TO THE HA

INTRODUCTION

This chapter describes the HA's policies for the recovery of monies which have been overpaid to an owner on behalf of an assisted family. It describes the methods that will be utilized for collection of monies and the guidelines for different types of debts. Before a debt is assessed against a family or owner, the file must contain documentation to support the HA's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the owner, the family or other interested parties.

The HA will make every effort to collect monies owed to the HA. The HA will use a variety of collection tools to recover debts including, but not limited to:

- Requests for lump sum payments
- Civil suits
- Repayment agreements
- Abatements
- Collection agencies
- Credit bureaus
- Income tax set-off programs

A. REPAYMENT AGREEMENT FOR FAMILIES

A Repayment Agreement as used in this Plan is a document entered into between the HA and a person who owes a debt to the HA. It is similar to a promissory note, but contains more details regarding the nature of the debt, the terms of repayment, any special provisions of the agreement, and the remedies available to the HA upon default of the agreement.

The maximum amount the Housing Authority will enter into a repayment agreement with a family is \$4800.00. The maximum length of time the HA will enter into a repayment agreement with a family is 24 months. The family will be required to make monthly payments of \$200.00 for a period not to exceed 24 months until paid in full. If the family owes more than \$4800.00, the portion that exceeds \$4800.00 must be paid in full immediately as the Housing Authority will not enter into an agreement for more than \$4800.00. Furthermore, 10% of the Repayment Agreement, regardless of whether it exceeds \$4800.00 or not must be paid in full immediately. The HA reserves the right to modify the terms of the repayment agreement on a case by case basis. Signing a Repayment Agreement does not guarantee continued assistance.

Late Payments

A payment will be considered to be in arrears if it is two months in default and if the payment has not been received by the close of the business day on which the payment was due. If the due date is on a weekend or holiday, the due date will be at the close of the next business day.

If the family's repayment agreement is in arrears, the HA may require the family to pay in full. If the family requests a move to another unit and has a repayment agreement in place, the family will be required to pay the balance in full prior to the issuance of a Voucher.

B. DEBTS DUE TO FRAUD/NON-REPORTING OF INFORMATION

HUD's definition of program fraud and abuse is a single act or pattern of actions that constitutes false statement, omission, or concealment of a substantive fact, made with intent to deceive or mislead.

Program Fraud

Families who owe money to the HA due to program fraud will be required to repay in accordance with the guidelines in the Repayment Section of this chapter and may be terminated from the housing assistance program.

If a family owes \$5,000 or more as a result of program fraud, the case may be referred to the HUD Inspector General. Where appropriate, the HA may refer the case for criminal prosecution.

C. OWNER DEBTS TO THE HA

If the HA determines that the owner has retained Housing Assistance Payments the owner is not entitled to, the HA may reclaim the amounts from future Housing Assistance Payments owed the owner for any units under contract.

If future Housing Assistance Payments are insufficient to reclaim the amounts owed, the HA may:

- Require the owner to pay the amount in full within a maximum of 12 months
- Pursue collections through the court system, the Internal Revenue Service (IRS), Franchise Tax Board (FTB), or any other available method
- Restrict the owner from future participation

Chapter 18

COMPLAINTS AND APPEALS

INTRODUCTION

The informal hearing requirements defined in HUD regulations are applicable to participating families who disagree with an action, decision, or inaction of the HA. This chapter describes the policies, procedures and standards to be used when families disagree with a HA decision. The procedures and requirements are explained for preference denial meetings, informal reviews and hearings. It is the policy of the HA to ensure that all families have the benefit of all protections due to them under the law.

A. COMPLAINTS TO THE HA

The HA will respond promptly to complaints from families, owners, employees, and members of the public. All complaints will be documented. The HA prefers that all complaints be put in writing, however, they may be reported by telephone. Complaints that cannot be substantiated will be so noted.

Complaints from families, owners, or the general public will be referred to the Housing Specialist first. Unresolved complaints or those involving a staff member will be referred to a Housing Supervisor or Program Integrity Monitoring (PIM).

Any complaints of racial, ethnic or sexual harassment involving staff will be handled according to County personnel policies. Any complaints regarding racial, ethnic or sexual harassment not involving staff will be documented, referred to Fair Housing and/or Legal Aid, and will be reviewed by supervisory staff.

B. NOT MEETING PREFERENCES

When it is verified by the HA that an applicant does not meet a preference that they self-certified they did, they will be returned to the waiting list and will be notified in writing of the specific reason.

C. INFORMAL REVIEW

The HA must give an applicant an opportunity for an informal review of the HA decision denying assistance to the applicant. Once an applicant has received a denial letter, they have 30 days from the date of their denial letter to request a review in writing. After review, the applicant will be furnished with a written final decision including a statement of the reasons for the final decision.

The HA is not required to provide the applicant an opportunity for an informal review for any of the following:

1. Discretionary administrative determinations by the HA.
2. General policy issues or class grievances.
3. A determination of the family unit size under the HA subsidy standards.
4. An HA determination not to approve an extension or suspension of a voucher term.
5. An HA determination not to grant approval to lease a unit under the program or to approve a proposed lease.

6. HA determination that a unit selected by the applicant is not in compliance with HQS.
7. An HA determination that the unit is not in accordance with HQS because of the family size or composition.

Reviews are provided for applicants who are denied assistance before the effective date of the HAP Contract. The exception is that when an applicant is denied assistance for citizenship or eligible immigration status, the applicant is entitled to an informal review.

D. INFORMAL HEARING

The HA must provide participants with the opportunity for an informal hearing for decisions related to any of the following:

1. A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment.
2. A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the HA utility allowance schedule.
3. A determination of the family unit size under HA subsidy standards.
4. A determination to terminate assistance for a participant family because of the family's action or failure to act.
5. A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under HA policy and HUD rules.

The HA will give the family prompt notice of such determinations which will include:

- The proposed action or decision of the HA.
- The date the proposed action or decision will take place.
- The family's right to an explanation of the basis for the HA's decision.
- The procedures for requesting a hearing if the family disputes the action or decision.
- The time limit for requesting the hearing.
- To whom the hearing request should be addressed.

The HA is not required to provide a participant family an opportunity for an informal hearing for any of the following:

1. Discretionary administrative determinations by the HA.
2. General policy issues or class grievances.
3. Establishment of the HA schedule of utility allowances for families in the program.
4. An HA determination not to approve an extension or suspension of a Voucher term.
5. An HA determination not to approve a unit or lease.
6. An HA determination that an assisted unit is not in compliance with HQS. However, the HA must provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of the HQS caused by the family as described in 24 CFR 982.551.
7. An HA determination that the unit is not in accordance with HQS because of the family size.
8. A determination by the HA to exercise or not to exercise any right or remedy against the owner under a HAP contract.

E. INFORMAL REVIEW/HEARING PROCEDURES

It is the HA's objective to resolve disputes at the lowest level possible. Informal reviews are

granted to applicants and informal hearings are granted to participants. The HA will ensure that applicants and participants will receive all of the protections and rights afforded by the law and the regulations.

Notification of Review/Hearing

When the HA determines that an applicant is denied assistance, and for participants, other specified actions, the family must be notified in writing. The notice must contain:

- The reason(s) the action is being taken,
- The procedure for requesting an informal review/hearing if the applicant/participant does not agree with the decision, and
- The time limit for requesting a review/hearing.

A request for an informal review/hearing must be received in writing by the close of the business day, no later than 10 calendar days from the date of the HA's notification of denial of assistance or intent to terminate assistance. For informal hearings, the information packet must be submitted to the hearing officer by the HA within 7 business days of receipt of the request for hearing. An appointment will be scheduled and a letter will be sent by the hearing officer within 5 business days from the date the information packet is received and the informal hearing will be conducted no more than 14 calendar days from the date the appointment letter is sent. For informal reviews, the review must be performed within 14 calendar days from the date the review is requested and the results sent to the applicant by mail within 10 business days after the review. The review will be performed in person unless the applicant requests either a review by phone or letter. The informal review/hearing shall be conducted by the review/hearing officer appointed by the HA who is neither the person who made nor approved the decision, nor a subordinate of that person. The HA appoints a review/hearing officer who is a staff person at the Housing Specialist II level or above, or an individual from outside the HA.

The review/hearing shall concern only the issues for which the family has received the opportunity for a review/hearing. Evidence presented at the review/hearing may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The applicant/participant will be given the opportunity to present oral or written objections to the decision. Both the HA and the family may present evidence and witnesses. Both the HA and the family may use an attorney or other representative to assist them at their own expense.

A representative with written authorization to act on behalf of the applicant/participant may conduct an informal review/hearing in the absence of the applicant/participant, unless the representative has an interest in the rental assistance, i.e., the owner of the assisted unit.

When the hearing officer receives an information packet for an informal hearing, an informal hearing date will be scheduled and the notification will contain:

1. The date and time of the hearing.
2. The location where the hearing will be held.
3. The family's right to bring evidence, witnesses, legal or other representation at the family's expense.
4. The right to view any documents or evidence in the possession of the HA upon which the HA based the proposed action, and to obtain a copy of such documents prior to the

review/hearing. Such documents or evidence must be sent to the family no later than 7 days before the review/hearing date.

5. A notice to the family that the HA will request a copy of any documents or evidence the family will use at the review/hearing. Such documents or evidence must be received by the HA no later than 7 days before the review/hearing date.

After a review/hearing date is scheduled, the family may request to reschedule only upon showing "good cause," which is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family.

Family rights:

- Examine the documents in the file which are the basis for the HA's action, and all documents submitted to the Hearing Officer.
- The family must be allowed to copy any such document at the family's expense.

If the HA does not make the document available for examination on request of the family, the HA may not rely on the document at the hearing.

HA rights:

- Examine at HA offices before the HA hearing any family documents that are directly relevant to the hearing.
- The HA must be allowed to copy any such document at the HA's expense.

If the family does not make the document available for examination on request of the HA, the family may not rely on the document at the hearing.

The review/hearing officer will **determine** whether the action, inaction or decision of the HA is legal in accordance with HUD regulations and this Administrative Plan based upon the evidence and testimony provided at the review/hearing.

A notice of the review/hearing findings shall be provided in writing to the HA and the family within 10 business days and shall include a clear summary of the decision, reasons for the decision, and the amount of any money owed, if applicable.

When the HA is not bound by review/hearing decisions:

- Concerning matters in which the HA is not required to provide an opportunity for a hearing.
- Which conflict with or contradict HUD regulations or requirements.
- Which conflict with or contradict federal, state or local laws.
- Which exceed the authority of the person conducting the review/hearing.

The HA shall send a letter to the applicant/participant if it determines the HA is not bound by the review/hearing officer's determination within 21 calendar days. The letter shall include the HA's reasons for the decision with a copy to the review/hearing officer. All requests for a review/hearing, supporting documentation, and a copy of the final decision will be retained in the family's file.

F. HEARING AND APPEAL PROVISIONS FOR RESTRICTIONS ON ASSISTANCE

TO NON-CITIZENS

Assistance to the family may not be delayed, denied or terminated on the basis of immigration status at any time prior to the receipt of the decision of the INS appeal. Assistance to a family may not be terminated or denied while the informal hearing is pending but assistance to an applicant may be delayed pending the informal hearing.

INS Determination of Ineligibility

If a family member claims to be an eligible immigrant and the INS SAVE system and manual search do not verify the claim, the HA notifies the applicant or participant within 10 calendar days of their right to appeal to the INS within 30 calendar days or to request an informal hearing with the HA either in lieu of or subsequent to the INS appeal.

If the family appeals to INS, they must give the HA a copy of the appeal and proof of mailing or the HA may proceed to deny or terminate. The time period to request an appeal may be extended by the HA for good cause.

The request for an HA hearing must be made within 10 calendar days of receipt of the notice offering the hearing or, if an appeal was made to the INS, within 10 calendar days of receipt of that notice.

After receipt of a request for an informal hearing, the hearing is conducted as described in this plan for both applicants and participants. If the hearing officer decides that the individual is not eligible, and there are no other eligible family members, the HA will deny the applicant family. If there are eligible members in the family, the HA will offer to prorate assistance or give the family the option to remove the ineligible members.

If any family member fails to provide documentation or certification of eligible citizenship/immigration as required by the regulation, that member is treated as ineligible. If all family members fail to provide documentation or certification, the family will be denied or terminated.

Participants whose assistance is prorated (either based on their statement that some members are ineligible or due to failure to verify eligible immigration status for some members after exercising their appeal and hearing rights described above) are entitled to a hearing based on the right to a hearing regarding determinations of tenant rent and total tenant payment.

Families denied or terminated for fraud in connection with the non-citizens rule are entitled to a review or hearing in the same way as terminations for any other type of fraud.

Chapter 19

FAMILY SELF-SUFFICIENCY (FSS) PROGRAM

INTRODUCTION

Family self-sufficiency (FSS) is a HUD program that encourages communities to develop local strategies to help voucher families obtain employment that will lead to economic independence and self-sufficiency. Public housing agencies (PHAs) work with welfare agencies, schools, businesses, and other local partners to develop a comprehensive program that gives participating FSS family members the skills and experience to enable them to obtain employment that pays a living wage.

The purpose of Family Self-Sufficiency (FSS) Program is to provide housing assistance combined with public and private resources that will help families achieve economic independence and self-sufficiency. We believe that when a family's basic needs for affordable and stable housing are met, the family can better focus on other needs, such as skill development and job search.

At this time HACR manages the FSS Program for Section 8 Program participants only. Though only the designated head of the household must sign the FSS Contract of Participation, the program is designed for the whole family and everybody's needs are taken into account. FSS programs partner with other service providers, such as: employment and training agencies, community colleges, job search and placement organizations, alcohol and drug services, childcare providers, youth organizations, older adult services, health services, emergency services, credit and homeownership counselors, the local CalWORKs office, and many more.

ENROLLMENT AND RECRUITMENT

All Section 8 participants are eligible for FSS program. A participant cannot be excluded from the program for such reasons as poor work history or lack of basic literacy skills. The FSS Program is a voluntary program. The premise of this program is that everyone deserves a chance for self-sufficiency, regardless of his or her current skill level, ability, or past work performance. In order to enroll in the program, participant's income update must have been completed within the last 90 days along with attending a mandatory one hour informational orientation.

CONTRACT OF PARTICIPATION

The participant must sign a five-year Contract of Participation, which states all the agreed upon terms between the participant and the Housing Authority (HA). Participants are expected to complete their goals within five years, though the Contract of Participation may be extended up to two years for good cause. To qualify for an extension, the participant must make the request in writing and include justification for the need for additional time. Contract extensions will be evaluated on a case by case basis.

INDIVIDUAL TRAINING AND SERVICE PLAN (ITSP)

The ITSP consists of the participant's final goal, interim goals, and specific steps the participant needs to take in order to accomplish those goals. Typically, goals are focused on attaining full-time employment, job advancement, training and education, financial stability, childcare, and personal growth and development.

CASE MANAGEMENT AND COMMUNITY SERVICES

The FSS Coordinator works in partnership with participants to identify and secure resources that yield self-sufficiency. Case management includes supportive counseling, information and referrals, and ongoing goal development and planning, which will ultimately help participants gain skills and lifelong learning that continue beyond their participation in FSS. Participants will be referred to community agencies for additional services to support their self-sufficiency efforts.

ESCROW ACCOUNTS

In general, as a family's earned income increases, the amount the family must pay for rent increases. When this happens, HACR takes a portion of the rent subsidy and places it in an interest-bearing escrow account on a monthly basis. The account is held for the family until they have completed all goals set in the Self-Sufficiency Plan. Once the family has met its goals and become independent of government assistance (ex: AFDC, GA, etc.) for a minimum of one year, they may cash out the escrow account. A participant must put their request to graduate from the program and cash out the escrow account in writing. If a family is unable to complete their goals in the prescribed time period the escrow account will be forfeited and the funds will be returned to HACR.

SUPPORTIVE SERVICES

- A. For each family that is a non-elderly, non-disabled family living in a unit receiving Project Based rental assistance, the family shall participate in the development and implementation of the service plan.
- B. Families will be informed of HUD's Family Self-Sufficiency program (FSS) and will be asked to participate in FSS so as to expand their access to services in their communities.
- C. For each family that is a non-elderly, non-disabled family living in a unit receiving Project Based rental assistance, the Housing Authority (HA) shall ensure that an individual service plan is established in consultation with the family and in place within 3 months after lease-up. This plan must include an assessment, an action plan for addressing the family's needs including services to be received, and the identification of long term housing goals. The agreement may require mandatory attendance at self-sufficiency counseling and training sessions;
- D. The HA shall ensure that the following services are available directly or by referral/agreement with another agency to each non-elderly, non-disabled family living in a unit receiving Project Based rental assistance:
 - Basic life skills information/counseling on money management, use of credit, housekeeping, proper nutrition/meal preparation; and access to health care (e.g. doctors, medication, and mental and behavioral health services);
 - Counseling on compliance with rental lease requirements and with HCV program participant requirements, including assistance/referrals for assistance on security deposits, utility hook-up fees, and utility deposits;

- Job preparation and attainment counseling (where to look/how to apply, dress, grooming, relationships with supervisory personnel, etc);
 - Education and career advancement counseling regarding attainment of general equivalency diploma (GED); attendance/financing of education at technical school, trade school or college; including successful work ethic and attitude models; and
 - Participation in the assessment and implementation of actions to address their needs, including the development of an individual case plan for each adult and the adult's commitment to the plan (each adult is required to sign a service plan agreeing to attend FSS counseling/training sessions and to take other actions as deemed appropriate to the adult's successful transition to self-sufficiency); and
- E. The HA shall ensure either directly or by referral/agreement with another agency that each family living in a unit receiving Project Based rental assistance that is a non-elderly, non-disabled family are regularly case managed and evaluated during the lease term.

CHAPTER 20

PROJECT BASED VOUCHER PROGRAM

A. INTRODUCTION

The HA will allocate ~~Section 8~~ Housing Choice Vouchers for the Project-Based Voucher (PBV) program for qualifying projects within the county of Riverside. Many of the Tenant-based Voucher (TBV) program rules apply to the PBV program. This chapter will specify where PBV policies differ from the HA's tenant-based voucher policies that are described within this Administrative Plan.

B. GENERAL REQUIREMENTS

The HA will attach a ~~Section 8~~ Housing Assistance Payments (HAP) contract to rental property where owner has constructed or rehabilitated the rental property other than with assistance provided under the United States Housing Act of 1937.

The HA may use up to 20% of its tenant-based vouchers and/or voucher authority for project-based assistance under the Project-Based Voucher program. The HA may project-base up to 25% of units in any Project-Based community. Exceptions to the 25% per building cap include units in single-family buildings and units in multifamily buildings that are specifically made available for elderly or disabled families. The HA may execute HAP contracts for a term of up to 10 years with a 5-year contract extension.

Any persons displaced as a result of implementation of the PBV program must be provided relocation assistance in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR part 24.

The HA must comply with all equal opportunity requirements under federal law and regulations in its implementation of the local PBV program. This includes the requirements and authorities cited at 24 CFR 5.105(a).

C. OWNER PROPOSALS

After determining the availability of funding for project-based voucher assistance, the HA will seek out qualifying housing developments and will attach Housing Assistance Payments contracts to specified units within the development. The HA will give preference to HA-owned or affiliate-owned properties.

However, should there be no HA-owned or HA affiliate-owned properties appropriate and/or available for PBV assistance, the HA may periodically solicit proposals from owners for developments that would qualify for project-based voucher assistance. The HA will publically advertise such solicitations.

Should there be no HA-owned or HA-affiliate-owned properties appropriate and/or available for

PBV assistance, after meeting the public advertisement requirements, a competitive selection of units will be followed by the HA. Qualifying property owners will have 30 days after the date the advertisement is last published to submit to the HA a Letter of Intent and a written narrative documenting how the proposed PBV units will meet the following policy objectives, listed in order of HA priority:

- Acquisition and acquisition/rehabilitation of foreclosed properties held by lenders or other financial institutions as REO, including single-family properties and individual dwelling units located within buildings that contain 2 or more units, as long-term affordable family rental housing, for the purpose of attaining the policy goals of housing market stabilization and affordable housing for large families.
- Documented need for affordable rental housing in the area where the units are located;
- The extent to which the units contribute to the geographic distribution of affordable housing within the community in which they are located;

Additional evaluation criteria include the following:

- Proposed units fully meet federally established Housing Quality Standards (HQS);
- Prior experience of the owner/applicant in managing affordable rental housing properties; and
- Location of units in relation to public facilities, transportation and other services.

The HA will follow all standard procurement policies of the HA throughout the PBV solicitation process. The HA may only provide PBV assistance in accordance with HUD's subsidy layering and Environmental Review requirements.

D. DWELLING UNITS

The Housing Quality Standards described in Chapter 10 of this Administrative Plan for the tenant-based voucher program generally apply to the PBV program. The physical condition standards at 24 CFR 5.703 do not apply to the PBV program.

The lead-based paint requirements for the tenant-based voucher program do not apply to the PBV program. Instead, the Lead-based Paint Poisoning Prevention act (42 U.S.C. 4821-4846), the Residential Lead-based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856) and implementing regulations at 24 CFR part 35, subparts A, B, H and R apply to the PBV program.

The housing must comply with program accessibility requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at 24 CFR part 8. The PHA must ensure that the percentage of accessible dwelling units complies with the requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.D. 794), as implemented by HUD's regulations at 24 CFR 8, subpart C.

Housing first occupied after March 13, 1991, must comply with design and construction requirements of the Fair Housing Amendments Act of 1988 and implementing regulations at 24 CFR 100.205, as applicable (24 CFR 983.102)

E. INSPECTING UNITS

Pre-HAP Contract Inspections

The HA must inspect each contract unit prior to execution of the HAP contract. The HA may not enter into a HAP contract covering a unit until the unit fully complies with HA inspection standards. Any newly constructed development that has a Certificate of Occupancy less than 1 year old at execution of a HAP contract with the HA will be considered to meet Pre-HAP contract inspection requirements.

Turnover Inspections

Before providing assistance to a new family in a contract unit, the HA must inspect the unit. The HA may not provide assistance on behalf of the family until the unit fully complies with HA inspection standards.

Annual Inspections

At least annually during the term of the HAP contract, the HA must inspect a random sample consisting of at least 20 percent of the contract units in each building to determine if the contract units and the premises are being maintained in accordance with federally established Housing Quality Standards (HQS). Turnover inspections are not counted toward meeting this annual inspection requirement.

Other Inspections

The HA must inspect contract units whenever needed to determine that contract units comply with HA inspection standards and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. The HA must also take into account complaints and other information coming to its attention in scheduling standards.

The HA must conduct follow-up inspections needed to determine if the owner (or, if applicable, the family) has corrected an inspection violation, and must conduct inspections to determine the basis for exercise of contractual and other remedies for owner or family violations of HA inspection standards.

Inspecting HA-Owned or Affiliate-Owned Units

Inspections for HA-owned or affiliate-owned units must be performed by an independent agency designated by the HA and approved by HUD.

F. REHABILITATED AND NEWLY CONSTRUCTED UNITS

In order to offer PBV assistance in rehabilitated or newly constructed units, the HA must enter into an Agreement to Enter into Housing Assistance Payments Contract (AHAP) with the owner of the property.

In the Agreement the owner agrees to develop the PBV contract units to comply with HA inspection standards and the HA agrees that upon timely completion of such development in accordance with the terms of the AHAP the HA will enter into a HAP contract with the owner for the contract units.

If an Agreement covers the development of nine or more contract units (whether or not

completed in stages) the owner and the owner's contractors and subcontractors must pay Davis-Bacon wages to laborers and mechanics employed in the development of Housing. The owner, contractors and subcontractors must also comply with the Contract Work Hours and Safety Standards Act, Department of Labor regulations in 29 CFR part 5 and other applicable federal labor relations laws and regulations.

The owner must comply with Section 3 of the Housing and Urban Development Act of 1968 and the implementing regulations at 24 CFR part 135. The owner must also comply with federal equal employment opportunity requirements.

The Agreement and the HAP Contract must include a certification by the owner that the owner and other project principals are not on the U.S. General Services Administration list of parties excluded from federal procurement and non-procurement programs. The owner must also disclose any possible conflict of interest that would be a violation of the AHAP, HAP contract or HUD regulations.

The AHAP must specify the deadlines for completion of the housing and the owner must develop and complete the housing in accordance with these deadlines. The Agreement must also specify the deadline for submission by the owner of the required evidence of completion.

Upon notice from the owner that the housing is completed, the HA must inspect to determine if the housing has been completed in accordance with the Agreement, including compliance with HA inspection standards and any additional requirements imposed under the AHAP, the HA must determine if the owner has submitted all required evidence of completion. In the HA has determined that the work has been completed in accordance with the AHAP and that the owner has submitted all required evidence of completion the HA must submit the HAP contract for execution by the owner and then must execute the HAP contract.

G. HOUSING ASSISTANCE PAYMENTS CONTRACT

The HA must enter into a HAP contract with an owner for units that are receiving PBV assistance. The Agency may not enter into a HAP contract until each contract unit has been inspected and the HA has determined that the unit complies with HA inspection standards. The HA may enter into a HAP contract with an owner for an initial term of no less than one (1) year and no more than 10 years. The term of the PBV HAP contract will be negotiated with the owner on a case-by-case basis and will provide for the ability to match the term of the HAP contract to the term of another affordable housing subsidy component committed to the project. The HAP contract will include language noting that the funding of the contract is subject to the availability of federal appropriations.

The HA may enter into a renewal agreement with the owner at the time the HA enters into the initial agreement for a HAP contract or at any time thereafter that is before the expiration of the HAP contract. A renewal agreement may commit an extension for a renewal term of up to 15 years. A renewal agreement will include language noting that the funding of the contract renewal is subject to the availability of federal appropriations.

The HAP contract will provide that the term of the HA's contractual commitment is subject to the availability of sufficient appropriated funding as determined by HUD or the HA in

accordance with HUD instructions. For these purposes, sufficient funding means the availability of appropriations and of funding under the Annual Contributions Contract (ACC) from such appropriations to make full payment to the owner for any contract year in accordance with the terms of the HAP contract. If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, the HA may terminate all or part of the HAP contract by notice to the owner. The termination must be implemented in accordance with HUD instructions.

The HA may not make any HAP payment to the owner for a contract unit during any period in which the unit does not comply with HA inspection standards. Terminations for non-compliant units will be administered in accordance with the policies used in the tenant-based voucher program that are listed in Chapter 14.

H. DETERMINING CONTRACT RENT AND RENT TO OWNER

Rent to owner will be determined using guidelines implemented within the tenant-based voucher program by HA staff rather than by a HUD approved entity.

If an owner wishes to request an increase in the rent to owner from the HA, it must be requested at the annual anniversary of the HAP contract. The request must be in writing and in the form and manner required by the HA. An owner's request for a rent increase must be submitted to the HA 60 days prior to the anniversary date of the HAP contract and must include the new amount the owner is proposing. If a rent increase is approved, the adjusted amount of the rent to owner applies for the period of 12 calendar months from the annual anniversary of the HAP contract. The HA may not approve and the owner may not receive any increase of rent to owner until and unless the owner has complied with requirements of the HAP contract, including compliance with HA Local Inspection Standards. The owner may not receive any retroactive increase of rent for any period of noncompliance.

If there is a decrease in the rent to owner, as established in accordance with HA Local Payment Standards, the rent to owner must be decreased regardless of whether the owner requested a rent adjustment.

The rent to owner is re-determined by a written notice by the HA to the owner specifying the amount of the re-determined rent. The HA notice of rent adjustment constitutes an amendment of the rent to owner specified in the HAP contract. The adjusted amount of rent to owner applies for the period of 12 calendar months from the annual anniversary of the HAP contract.

For HA-owned units, the initial rent and the annual redetermination of rent will be determined by an independent entity approved by HUD.

I. SELECTION OF PBV PROGRAM PARTICIPANTS

Many of the provisions of the tenant-based voucher regulations also apply to the PBV program. This includes requirements related to determining eligibility and selecting applicants from the waiting list. Even with these similarities, there are requirements that are unique to the PBV program. For example, the HA maintains site-based waiting lists at each of its PBV communities. These site-based waiting lists have preferences for selection that differ from the

tenant-based voucher program.

The HA may select families for the PBV program from those who are:

- Applicants on a Project-Based Voucher site-based waiting list;
- Eligible households who reside in the proposed PBV contract unit on the date the proposal is awarded;
- Eligible in-place public housing conversion families;
- Eligible public housing families who are displaced due to demolition and/or disposition of a public housing development.

Applicants for PBV assistance must meet the same eligibility requirements as applicants for the tenant-based voucher program. It is the HA's objective to ensure that families are placed in the proper order on the waiting list and selected from the waiting list for admissions in accordance with the policies in this Administrative Plan. By maintaining an accurate waiting list, the HA will be able to perform the activities which ensure that an adequate pool of qualified applicants will be available so that program funds are used in a timely manner. The HA uses site-based waiting lists at each PBV development for admission to its Housing Choice Voucher project-based assistance program.

Owner developers awarded project-based voucher units must submit the following plans to the HA for review and approval prior to execution of an AHAP or HAP contract:

- Marketing Plan to describe marketing and outreach activities;
- Waiting List Management Plan which includes information related to accepting applications, random lottery procedures, procedures for rank order assignment and record keeping;
- Tenant Selection Plan for selecting tenants from the waiting list which cover tenant selection, preferences, screening criteria and procedures and requirements when applicants are ineligible.

The HA PBV Program has the following preference:

- Preference for households who resided in the community prior to conversion to PBV, and continue to reside in the community, who are currently eligible for participation in the PBV program;

APPENDIX C: ZERO TOLERANCE POLICY

HOUSING AUTHORITY OF THE COUNTY OF RIVERSIDE'S POLICY ON ZERO TOLERANCE OF CRIMINAL ACTIVITY

July 1, 2012

PURPOSE

To establish a Housing Authority (HA) policy for zero tolerance of housing and/or welfare fraud, violent, gang-related, and drug-related (including medical marijuana) criminal activity or any criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents or others in the immediate vicinity in any housing program administered by the Housing Authority. If a family is granted court ordered drug diversion then it is the family responsibility to adhere to court mandated requirements and furnish to the PHA proof that the charge was dismissed. Failure to comply with drug diversion will result in termination. Drug diversion will be granted once in a lifetime while on program. The PHA may terminate assistance for criminal activity by a household member as authorized in this section if the PHA determines, based on a preponderance of the evidence, that the household member has engaged in the activity, regardless of whether the household member has been arrested or convicted for such activity [24 CFR 982.553 (c), 24 CFR 966.4]. Preponderance of evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probably than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence. Credible evidence may be obtained from police and/or court records. Testimony from neighbors, when combined with other factual evidence can be considered credible evidence. Other credible evidence includes documentation of drug raids or arrest warrants.

Criminal activity as listed above, misdemeanor and felony the same, will hereinafter be called "prohibited criminal activity." "Minor traffic offenses" may include offenses such as parking violations, registration violations or failure to provide proof of insurance. Traffic offenses that include illegal use of controlled substances or alcohol related violations of traffic laws are not considered minor. Two or more alcohol related criminal actions within the last five year period constitute an abuse of alcohol. All persons receiving rental assistance, regardless of age, will be held to the same standard. Persons convicted of manufacturing or producing methamphetamine on the premises of federally assisted housing will be permanently denied admission to any federally assisted housing program. Persons convicted of sex offenses that require a lifetime registration as a sex offender are prohibited from participation in any housing assistance programs administered by the Housing Authority in accordance with Federal Regulations. Exceptions in this policy do not apply to registered sex offenders or any person who was convicted of manufacturing or producing methamphetamine on the premises of federally assisted housing. The Violence Against Women Act (VAWA) prohibits the eviction of, and removal of assistance from, victims living in public or Section 8 assisted housing if the asserted grounds for such action is an instance of domestic violence, dating violence, sexual assault, or stalking.

BACKGROUND

The primary mission of the Housing Authority is to assist low and moderate income families, including elderly and disabled persons, by operating programs which provide them decent, safe

and sanitary housing at affordable costs. ~~The programs currently administered by the Housing Authority include the following: Section 8 Housing Choice Voucher, Affordable Public Housing, MOD Rehab, Project-based, Family Unification, Housing Opportunities for Persons with Aids (HOPWA), Shelter Plus Care and Mainstream Vouchers.~~

POLICY

It is the policy of the Housing Authority of the County of Riverside that:

Prohibited criminal activity will not be tolerated. The Housing Authority will foster crime-free housing by implementing aggressive strategies which will reflect a zero tolerance of prohibited criminal activity by:

The Housing Authority may deny or terminate assistance to any household containing a member that has a history of criminal activity involving crimes of physical violence to persons or property and other criminal acts which would adversely affect the health, safety, or welfare of other tenants. {24 Code of Federal Regulations (CFR) 982.553 (c); 24 CFR 960.202 (a) (2) iii & 24 CFR 203c}.

At PHA discretion, first offenders may be only granted an exception to the Zero Tolerance Policy only once (1) per Lifetime due to participation in court ordered drug rehabilitation/diversion program. Approval is not automatic. Repeat or habitual offenders will not be granted an exception to our Zero Tolerance Policy and rental assistance will be denied and/or terminated. The participant cannot elect to join a drug rehabilitation/diversion program in lieu of termination of assistance after the HA has discovered illegal drug-related activity.
For consideration of one lifetime exception to our Zero Tolerance Policy, the following conditions must exist:
 - i. The applicant/participant must be a first time participant in a court ordered drug rehabilitation program for any drug-related offense that they are requesting an

- exception to our Zero Tolerance Policy, **and**
- ii. The applicant/participant must have enrolled in the court ordered drug rehabilitation program prior to the date of the HA's discovery of the drug-related activity, **and**

Denying or terminating tenancy, in any Housing Authority owned rental unit, to any household containing a member that has engaged in prohibited criminal activity, and who has a history or pattern of criminal activity which would adversely affect the health, safety, or welfare of other tenants, unless that member can demonstrate the following:
 - a. Evidence of crime-free living within the last five years and no occurrence of criminal behavior (other than minor traffic offenses), **and**
 - b. Applicant/tenant must not have been incarcerated (in custody or doing any jail time) during the last five years for any action related to any prohibited criminal activity; **and**
 - c. Applicant/participant would not be a detriment to the health, safety, or welfare of his/her neighbors or the community in which they live; whose expected behavior would not have an adverse influence upon sound family and community life; who would not be a source of danger to the peaceful occupancy by the other tenants or cause damage to the premises or property of the Housing Authority or the immediate vicinity; **and**
 - d. Satisfactory adherence to all court and probation/parole mandated conditions for any action related to any prohibited criminal activity;
 - e. For drug-related criminal activity (Evidence of drug-related activity (use/possession of drugs and/or drug-related paraphernalia): The HA may consider enrollment in a court ordered drug rehabilitation/diversion program if there is an active drug-related charge against the applicant/participant. At PHA discretion, first offenders may be only granted an exception to the Zero Tolerance Policy only once (1) per Lifetime due to participation in court ordered drug rehabilitation/diversion program. Approval is not automatic. Repeat or habitual offenders will not be granted an exception to our Zero Tolerance Policy and rental assistance will be denied and/or terminated. The participant cannot elect to join a drug rehabilitation/diversion program in lieu of termination of assistance after the HA has discovered illegal drug-related activity.
For consideration of one lifetime exception to our Zero Tolerance Policy, the following conditions must exist:
 - i. The applicant/participant must be a first time participant in a court ordered drug rehabilitation program for any drug-related offense that they are requesting an exception to our Zero Tolerance Policy, **and**

- ii. The applicant/participant must have enrolled in the court ordered drug rehabilitation program prior to the date of the HA's discovery of the drug-related activity, **and**
- iii. Completion of the program must be achieved within the allowed time by the courts, **and**
- iv. Evidence of completion must be provided to the HA within 10 calendar days from the date of completion of the program.

If an exception to our Zero Tolerance Policy is granted by the PHA, the PHA will monitor compliance at the next regularly scheduled re-examination for determination of rental assistance eligibility.

3. Criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that domestic violence, dating violence, sexual assault, or stalking, provided that the victim member demonstrates the following:
 - a. The perpetrator of the domestic violence no longer resides in the assisted unit.
 - b. Applicant/tenant requesting exception based on 3 above shall complete HUD form 50066 within 14 business days after the HA has requested such certification in writing.
 - c. If the applicant/tenant does not provide the certification within 14 business days after the HA has requested such certification in writing, assistance may be denied/terminated.

APPENDIX D: REASONABLE STEPS TO AFFIRMATIVELY FURTHER FAIR HOUSING

The Housing Authority of the County of Riverside (HACR) in the administration of all programs strives to affirmatively further fair housing opportunities for classes protected under the Fair Housing Act by taking steps to:

- Overcome the effects of impediments to fair housing choice;
- Remedy discrimination in housing; and
- Promote fair housing rights and fair housing choice.

Specific steps include:

1. Marketing HACR programs to all eligible persons, including persons with disabilities and persons with limited English proficiency.

All HACR programs (~~Section 8 Housing Choice Voucher Program, Public Housing, Mod Rehab, Housing Opportunities for Persons With AIDS, Shelter Plus Care, Family Self Sufficiency, Homeownership, and other specialized grant funded programs~~) will be marketed to all eligible persons, including persons with disabilities and persons with limited English proficiency. This marketing and outreach will include newspaper notices including publications in minority newspapers, outreach to community groups that serve persons with disabilities and persons with limited English proficiency, postings on the HACR website (www.hacrvc.org), and lobby signs posted in our office locations. Persons with disabilities will be assisted if the application process if requested as a reasonable accommodation. Translation services are available to persons with limited English proficiency at no cost to the participant. HACR also employs several bi-lingual staff members who regularly provide assistance to Spanish speaking applicants/participants.

2. Utilizing buildings and communications that facilitate service delivery to persons with disabilities.

Application intake, office appointments, voucher/contract issuance, and informal hearings are all conducted in accessible office spaces. HACR also provides home visits for appointments upon request as a reasonable accommodation. Sign language and Braille services are also available if necessary to service hearing and visually impaired persons.

3. Supporting and expanding housing choice through landlord outreach, participant education, and security deposit assistance

HACR conducts workshops for prospective and exiting landlords to educate them on the Section 8 Housing Choice Voucher Program and HUD guidelines. Participants receive information on housing choice and housing opportunities at all briefing sessions. Additionally, HACR administers a security deposit assistance program for new participants to support housing choice efforts.

4. Referrals to fair housing agencies

Referrals to fair housing agencies are available upon request. Additionally, staff will advise participants to seek fair housing services if a situation arises that warrants such as referral (i.e. landlord/tenant issue, questions regarding tenant rights, renters rights in foreclosure).

5. Informing participants on how to file a fair housing complaint.

The HUD fair housing form is provided to applicants/participants in the applicant briefing packet and upon request. Fair housing notices are posted in all office locations. Applicants/participants are provided assistance in filling out the form and are referred to HUD for additional information and assistance. The toll-free number for the Housing Discrimination Hotline is posted in office lobbies and also provided in briefing packet materials.

6. Staff training

All HACR staff members are informed of the importance of affirmatively furthering fair housing and providing equal opportunity to all participants, including providing reasonable accommodations to persons with disabilities, as part of the agency's overall commitment to quality customer service. Staff is regularly trained on local, state, and federal fair housing laws and issues.

7. The Family Self Sufficiency (FSS) program is an important program for promoting housing opportunities, housing choice, and housing mobility through self-sufficiency. As such, HACR will take additional steps to ensure that this program is administered in a manner that affirmatively furthers fair housing. This includes:

- Advertising widely in the community for the FSS Coordinator Position if a vacancy should occur.

Whenever a FSS coordinator position is available and advertised, HACR will advertise throughout the community allowing all interested parties an opportunity to apply. Notices are published in the local newspapers, posted on the County of Riverside website, and distributed among HACR employees. Consideration will be given to qualified applicants who have experience in fair housing issues, housing counseling, and/or are bi-lingual.

- Marketing the FSS program to all eligible persons, including persons with disabilities and persons with limited English proficiency.

The FSS program will be marketed to all eligible persons, including persons with disabilities and persons with limited English proficiency. HACR markets the FSS program through periodic mailings to all Housing Choice Voucher (HCV) participants; announcements and program descriptions provided in briefing sessions and annual recertification packets; and lobby signs posted in our office locations. Translation services are available to persons with limited English proficiency at no cost to the participant. In addition, HACR employs several bi-lingual staff members who regularly provide assistance to Spanish speaking participants.

- Promoting fair housing in homeownership

The FSS program has a goal of homeownership and housing mobility. To support this goal, HACR employs a full-time Homeownership Coordinator to assist FSS participants with achieving home ownership. FSS participants enrolled in the homeownership program receive information on fair lending practices and laws.

8. Record Keeping

HACR will maintain a record of the following information for all participants: the race, ethnicity, familial status, and disability status of program participants; any reasonable accommodation requests and the disposition of each; and the employment status of all participants. Program information will be reviewed on an ongoing basis for program reporting and planning.

APPENDIX E: PROGRAM INTEGRITY MONITORING (PIM)

[24 CFR 792.101 to 792.204, 982.54]

INTRODUCTION

The U.S. Department of HUD conservatively estimates that 200 million dollars is paid annually to program participants who falsify or omit material facts in order to gain more rental assistance than they are entitled to under the law. HUD further estimates that 12% of all HUD-assisted families are either totally ineligible, or are receiving benefits which exceed their legal entitlement.

The HA is committed to assuring that the proper level of benefits is paid to all participating families, and that housing resources reach only income-eligible families so that program integrity can be maintained. The HA will take all steps necessary to prevent fraud, waste, and mismanagement so that program resources are utilized judiciously.

This chapter outlines the HA's policies for the prevention, detection and investigation of program abuse and fraud.

A. CRITERIA FOR INVESTIGATION OF SUSPECTED ABUSE AND FRAUD

The HA's expectation is that participating families will comply with HUD requirements, provisions of the voucher, and other program rules. The HA staff will make every effort (formally and informally) to orient and educate all families in order to avoid unintentional violations. However, the HA has a responsibility to HUD, the County of Riverside, and to eligible families in need of housing assistance, to monitor participants and owners for compliance and, when indicators of possible abuse come to the HA's attention, to investigate such claims.

The HA will initiate an investigation of a participating family in the event of one or more of the following circumstances:

1. Referrals, Complaints, or Tips

The HA will follow up on referrals from other agencies, companies or persons which are received by mail, by telephone or in person, which allege that a family is in non-compliance with, or otherwise violating the family obligations or any other program rules. Such follow-up will be made providing that the referral contains at least one item of information that is independently verifiable. A copy of the allegation will be retained in the family's file in such a way as to protect and observe the confidentiality of the informant.

2. Internal File Review

A follow-up will be made if HA staff discovers (as a function of a certification or recertification, an interim redetermination, or a quality control review), information or facts which conflict with previous file data, the HA's knowledge of the family, or is discrepant with statements made by the family.

3. Verification of Documentation

A follow-up will be made if the HA receives independent verification or documentation which conflicts with representations in the family's file (such as public record information or credit bureau reports, reports from other agencies).

B. STEPS THE HA WILL TAKE TO PREVENT PROGRAM ABUSE AND FRAUD

The HA management and staff will utilize various methods and practices (listed below) to prevent program abuse, non-compliance, and willful violations of program rules by applicants and participating families. This policy objective is to establish confidence and trust in the management by emphasizing program education as the primary means to obtain compliance by families.

1. Things You Should Know

This program integrity bulletin (created by HUD's Inspector General) will be furnished and explained to all applicants to promote understanding of program rules, and to clarify the HA's expectations for cooperation and compliance.

2. Program Orientation Session

Mandatory orientation sessions will be conducted by the HA staff for all prospective program participants, either prior to or upon issuance of a voucher. At the conclusion of all Program Orientation Sessions, the family representative will be required to sign a "Program Briefing Checklist Certificate" to confirm that all rules and pertinent regulations were explained to them.

3. Resident Counseling

The HA will encourage participants to attend regularly scheduled program briefings as a part of the recertification process in order to clarify any confusion pertaining to program rules and requirements.

4. Review and Explanation of Forms

At appropriate times and/or at the family's request staff may explain all required forms and review the contents of all (re)certification documents prior to signature.

5. Use of Instructive Signs and Warnings

Instructive signs such as the "Things you should Know" form will be conspicuously posted in common areas and interview areas to reinforce compliance with program rules and to warn about penalties for fraud and abuse.

6. Participant Certification

All family representatives will be required to sign a "Briefing Checklist" and "Family Obligations" form, as contained in HUD's Participant Integrity Program Manual.

C. STEPS THE HA WILL TAKE TO DETECT PROGRAM ABUSE AND FRAUD

The HA Staff will maintain a high level of awareness to indicators of possible abuse and fraud by assisted families.

1. Quality Control File Reviews

Prior to initial certification, and at the completion of all subsequent recertifications, a percentage of files will be reviewed. Such reviews shall include, but are not limited to:

- Assurance that verification of all income and deductions is present.
- Changes in reported Social Security Numbers or dates of birth.
- Authenticity of file documents.
- Ratio between reported income and expenditures.
- Review of signatures for consistency with previously signed file documents.
- All forms are correctly dated and signed.

2. Observation

The HA Management and Occupancy Staff (to include inspection personnel) will maintain high awareness of circumstances which may indicate program abuse or fraud, such as unauthorized persons residing in the household and unreported income. Observations will be documented in the family's file.

3. Public Record Bulletins

Public Record Bulletins may be reviewed by Management and Staff.

4. State Wage Data Record Keepers

Inquiries to State Wage and Employment record keeping agencies as authorized under Public Law 100-628, the Stewart B. McKinley Homeless Assistance Amendments Act of 1988, may be made annually in order to detect unreported wages or unemployment compensation benefits.

5. Credit Bureau Inquiries

Credit Bureau inquiries may be made (with proper authorization by the participant) in the following circumstances:

- At the time of final eligibility determination
- When an allegation is received by the HA wherein unreported income sources are disclosed.
- When a participant's expenditures exceed his/her reported income, and no plausible explanation is given.

D. THE HA'S HANDLING OF ALLEGATIONS OF POSSIBLE ABUSE AND FRAUD

The HA staff will encourage all participating families to report suspected abuse to the **Program Integrity Monitoring (PIM) division (800-300-0439,**

www.programintegrity@rivcoeda.org). All such referrals, as well as referrals from community members and other agencies, will be thoroughly documented, remain anonymous and/or placed in the participant's file. All allegations, complaints and tips will be carefully evaluated in order to determine if they warrant follow-up. The **HA Staff** will not follow up on allegations which are vague or otherwise non-specific. They will only review allegations which contain one or more independently verifiable facts.

1. File Review

An internal file review will be conducted to determine if the subject of the allegation is a client of the HA and, if so, to determine whether or not the information reported has been previously

disclosed by the family. It will then be determined if the HA is the most appropriate authority to do a follow-up (more so than police or social services). Any file documentation of past behavior as well as corroborating complaints will be evaluated.

2. Conclusion of Preliminary Review

If at the conclusion of the preliminary file review there is/are fact(s) contained in the allegation which conflict with file data, and the fact(s) are independently verifiable, the HA Staff will initiate an investigation to determine if the allegation is true or false.

E. OVERPAYMENTS TO OWNERS

If the landlord has been overpaid as a result of fraud, misrepresentation or violation of the Contract, the HA may terminate the Contract and arrange for restitution to the HA and/or family as appropriate. The HA will make every effort to recover any overpayments made as a result of landlord fraud or abuse. Payments otherwise due to the owner may be debited in order to repay the HA or the tenant, as applicable.

F. HOW THE HA WILL INVESTIGATE ALLEGATIONS OF ABUSE AND FRAUD

If the HA determines that an allegation or referral warrants follow-up, either the staff person who is responsible for the file, or a person designated by the Executive Director to monitor the program compliance will conduct the investigation. In all cases, the HA will secure the written authorization from the program participant for the release of information. The steps taken will depend upon the nature of the allegation and may include, but are not limited to:

1. Credit Bureau Inquiries (CBI)

In cases involving previously unreported income sources, a CBI inquiry may be made to determine if there is financial activity that conflicts with the reported income of the family.

2. Verification of Credit

In cases where the financial activity conflicts with file data, a *Verification of Credit* form may be mailed to the creditor in order to determine the unreported income source.

3. Employers and Ex-Employers

Employers or ex-employers may be contacted to verify wages which may have been previously undisclosed or misreported.

4. Neighbors/Witnesses

Neighbors and/or other witnesses may be interviewed who are believed to have direct or indirect knowledge of facts pertaining to the HA's review.

5. Other Agencies

Investigators, case workers or representatives of other benefit agencies may be contacted.

6. Public Records

If relevant, the HA will review public records kept in any jurisdictional courthouse. Examples of public records which may be checked are: real estate, marriage, divorce, uniform commercial code financing statements, voter registration, judgments, court or police records, state wage records, utility records, postal records,

7. Department of Motor Vehicles (DMV)

In cases involving suspected unauthorized tenants and/or unreported vehicles.

8. Enterprise Income Verification (EIV) reports

In cases involving unreported income and/or unreported employers

9. Interviews with Head of Household or Family Members

The HA will discuss the allegation (or details thereof) with the Head of Household or family member by scheduling an appointment at the appropriate HA office. A high standard of courtesy and professionalism will be maintained by the HA staff person who conducts such interviews. Under no circumstances will inflammatory language, accusation, or any unprofessional conduct or language be tolerated by the management. If possible, an additional staff person will attend such interviews.

10. Other

The HA may use any other resources or tools available.

G. PLACEMENT OF DOCUMENTS, EVIDENCE AND STATEMENTS OBTAINED BY THE HA

Documents and other evidence obtained by the HA during the course of an investigation will be considered "work product" and will either be kept in the participant's file, or in a separate "work file." In either case, the participant's file or work file shall be kept in a locked file cabinet. Such cases under review will not be discussed among HA Staff unless they are involved in the process, or have information which may assist in the investigation.

H. CONCLUSION OF THE HA'S INVESTIGATIVE REVIEW

At the conclusion of the investigative review, the reviewer will report the findings to the Executive Director or designee. It will then be determined whether a violation has occurred, a violation has not occurred, or if the facts are inconclusive.

I. EVALUATION OF THE FINDINGS

If it is determined that a program violation has occurred, the HA will review the facts to determine:

- The type of violation (procedural, non-compliance, fraud).
- Whether the violation was intentional or unintentional.
- What amount of money (if any) is owed by the family.
- If the family is eligible for continued occupancy.

J. ACTION PROCEDURES FOR VIOLATIONS WHICH HAVE BEEN DOCUMENTED

Once a program violation has been documented, the HA will propose the most appropriate remedy based upon the type and severity of the violation.

1. Procedural Non-compliance (Pre-termination of Assistance Appointment)

This category applies when the family "fails to" observe a procedure or requirement of the HA, but does not misrepresent a material fact, and there is no retroactive assistance payments owed by the family. Examples of non-compliance violations are:

- Failure to appear at a pre-scheduled appointment.
- Failure to return verification in time period specified by the HA.

(a) Warning Notice to the Family

In such cases a notice will be sent to the family which contains the following:

- A description of the non-compliance and the procedure, policy or obligation which was violated.
- The date by which the violation must be corrected, or the procedure complied with.
- The action which will be taken by the HA if the procedure or obligation is not complied with by the date specified by the HA.
- The consequences of repeated (similar) violations.

2. Procedural Non-compliance - Overpaid Assistance.

When the family owes money to the HA for failure to report changes in income or assets, the HA will issue a Pre-termination of Assistance Appointment. This Notice will contain the following:

- A description of the violation and the date(s).
- Any amounts owed to the HA.

(a) Participant Fails to Comply with HA's Notice

If the Participant fails to comply with the HA's notice, and a family obligation has been violated, the HA will initiate termination of assistance (Intent to Terminate Assistance letter). The family will be given the right to disagree and to request an informal hearing with instructions for the request of such hearing.

(b) Participant Complies with HA's Notice

When a family complies with the HA's notice, the staff person responsible will meet with him/her to discuss and explain the Family Obligation or program rule which was violated. The staff person will counsel the participant and may require that they sign Certified Statements regarding their family obligations with the understanding that future incidents may result in termination.

3. Intentional Misrepresentations

When a participant falsifies, misstates, omits or otherwise misrepresents a material fact which results (or would have resulted) in an overpayment of housing assistance by the HA, the HA will evaluate whether or not:

- The participant had knowledge that his/her actions were wrong, and
- The participant willfully violated the family obligations or the law.

(a) Knowledge that the action or inaction was wrong

This will be evaluated by determining if the participant was made aware of program requirements and prohibitions. The participant's signature on various certifications, briefing

checklist certificate, Personal Declaration and Things You Should Know are adequate to establish knowledge of wrong-doing.

(b) The participant willfully violated the law

Any of the following circumstances will be considered adequate to demonstrate willful intent:

- An admission by the participant of the misrepresentation.
- That the act was done repeatedly.
- If a false name or Social Security Number was used.
- If there were admissions to others of the illegal action or omission.
- That the participant omitted material facts which were known to him/her (e.g., employment of self or other household member).
- That the participant falsified, forged or altered documents.
- That the participant uttered and certified to statements at an interim (re)determination which were later independently verified to be false.

4. Dispositions of Cases Involving Misrepresentations

In all cases of misrepresentations involving efforts to recover monies owed, the HA may pursue, depending upon its evaluation of the criteria stated above, one or more of the following actions:

(a) Criminal Prosecution

If the HA has established criminal intent, and the case meets the criteria for prosecution, the HA will:

- Refer the case to the local State or District Attorney, notify HUD's Office of the Inspector General (OIG), and terminate rental assistance.
- Refer the case to HUD's OIG, and terminate rental assistance.

(b) Administrative Remedies

The HA will:

- Terminate assistance and demand payment of restitution in full.
- Terminate assistance and execute an administrative repayment agreement in accordance with the HA's Repayment Policy.
- Terminate assistance and pursue restitution through civil litigation.
- Continue assistance at the correct level upon repayment of restitution in full.
- Permit continued assistance at the correct level and execute an administrative repayment agreement in accordance with the HA's repayment policy.

5. The Case Conference (Meeting) for Serious Violations and Misrepresentations

When the HA has established that material misrepresentation(s) have occurred, a Case Conference will be scheduled with the family representative and the HA staff person who is most knowledgeable about the circumstances of the case.

This conference will take place prior to any proposed action by the HA. The purpose of such conference is to review the information and evidence obtained by the HA with the participant, and to provide the participant an opportunity to explain any document findings which conflict with representations in the family's file. Any documents or mitigating circumstances presented by the family will be taken into consideration by the HA. The family will be given two (2)

weeks to furnish any mitigating evidence.

A secondary purpose of the Participant Conference is to assist the HA in determining the course of action most appropriate for the case. Prior to the final determination of the proposed action, the HA will consider:

- The duration of the violation and number of false statements.
- The family's ability to understand the rules.
- The family's willingness to cooperate, and to accept responsibility for his/her actions
- The amount of money involved.
- The family's past history
- Whether or not criminal intent has been established.
- The number of false statements.

6. Notification to Participant of Proposed Action

The HA will notify the family of the proposed action no later than 30-60 days after the case conference by mail.

PROGRAM INTEGRITY MONITORING (PIM).....100

Notice

A. Introduction:

This statement of policy is intended to define the policies over which the Housing Authority of the County of Riverside has discretion. Administration of the Affordable Public Housing Program and the functions and responsibilities of the Housing Authority of the County of Riverside (HA) staff shall be in compliance with the United States Department of Housing and Urban Development's (HUD) Public Housing Regulations as well as federal, state and local fair housing laws and regulations. The Code of Federal Regulations (CFR) Title 24 outlines the program and its various mandatory requirements. This Statement of Policies does not change any of the requirements of 24 CFR and in the event of any apparent differences, the Code of Federal Regulations supersedes. It is the intent of the Housing Authority of the County of Riverside to comply with all program regulations and directives as published by the U. S. Department of Housing and Urban Development. In matters where the HA has discretion, waivers to existing policy shall be determined by the Executive Director or his designee.

The HA is committed to the goals and policies contained in the Housing Element of the General Plan for the County of Riverside and the County of Riverside Consolidated Plan.

B. Service Policy/Accommodations

This policy is applicable to all situations described in this Statement of Policies when a family initiates contact with the HA, when the HA initiates contact with a family including when a family applies, and when the HA schedules or reschedules appointments of any kind.

It is the policy of this HA to be customer service oriented in the administration of our housing programs, and to exercise and demonstrate a high level of professionalism while providing housing services to the families within our jurisdiction.

The HA's policies and practices are designed to provide assurances that all persons with disabilities will be provided reasonable accommodations so that they may have equal access to the housing programs and related services. Persons requiring special accommodations due to a disability must notify the HA of their needs.

C. Translation of Documents

The Housing Authority will translate documents into other languages when feasible.

D. Family Outreach

It is the goal of the HA to assure that participating families in the program are representative of the County's targeted population groups, as identified in the Consolidated Plan of its area of operation. The HA will publicize and disseminate information to make known the availability of housing assistance and related services for low income families on an as needed basis. The HA will publicize the availability and nature of housing assistance for low income families in a newspaper of general circulation, minority media, and by other suitable means (such as distributing information to non-profit agencies within the county).

E. Privacy Rights and Providing Information to Others

The HA's policy regarding release of information is in accordance with state and local laws which restricts the release of family information. A signed authorization of release of information is required for release of information to interested parties.

The HA's practices and procedures are designed to safeguard the privacy of applicants, program participants, and participating owners or property managers. All applicant and participant hard files and imaged files will be stored in a secure location that is only accessible by authorized staff.

F. Equal Opportunity

The HA practices equal opportunity in hiring, promotion, and conditions of employment. The HA will comply with the equal opportunity housing requirements in regard to non-discrimination in housing.

G. Rules and Regulations

This Statement of Policies is set forth to define the HA's local policies for operation of the housing programs in the context of federal laws and regulations. All issues related to Public Housing not addressed in this document are governed by such federal regulations, HUD memos, notices and guidelines, or other applicable law.

H. Jurisdiction

The HA's area of operation is all of the incorporated and unincorporated cities and areas in Riverside County.

I. Monitoring Program Performance, Inspections, Asset Management

The HA will monitor program performance in compliance with the Annual Contributions Contract and other applicable laws, regulations and guidelines. The HA has converted successfully to Asset Management and will continue to monitor and operate its PH developments to comply with any applicable laws, regulations and guidelines in relation to Asset Management. It is the agency's objective to receive the highest rating from HUD using the Public Housing Assessment System (PHAS) or other HUD system.

Inspections will be conducted to ensure that units meet Uniform Physical Condition Standards (UPCS) in accordance with the Code of Federal Regulations 24 CFR Part 5, **Subpart G—Physical Condition Standards and Inspection Requirements** SOURCE: 63 FR 46577, Sept. 1, 1998, unless otherwise noted. **§ 5.701 Applicability.** (a) This subpart applies to housing assisted under the HUD programs listed in 24 CFR 200.853(a). (b) This subpart applies to housing with mortgages insured or held by HUD, or housing that is receiving assistance from HUD, under the programs listed in 24 CFR 200.853(b). (c) This subpart also applies to Public Housing (housing receiving assistance under the U.S. Housing Act of 1937, other than under section 8 of the Act). (d) For purposes of this subpart, the term "HUD housing" means the types of housing listed in paragraphs (a), (b), and (c) of this section. [63 FR 46577, Sept. 1, 1998, as amended at 65 FR 77240, Dec. 8, 2000] **Office of the Secretary, HUD § 5.703 Physical condition standards for HUD housing that is decent, safe, sanitary and in good repair (DSS/GR).** HUD housing must be decent, safe, sanitary and in good repair. Owners of housing described in § 5.701(a), mortgagors of housing described in § 5.701(b), and PHAs and

other entities approved by HUD owning housing described in § 5.701(c), must maintain such housing in a manner that meets the physical condition standards set forth in this section in order to be considered decent, safe, sanitary and in good repair. These standards address the major areas of the HUD housing: the site; the building exterior; the building systems; the dwelling units; the common areas; and health and safety considerations. (a) *Site*. The site components, such as fencing and retaining walls, grounds, lighting, mailboxes/project signs, parking lots/driveways, play areas and equipment, refuse disposal, roads, storm drainage and walkways must be free of health and safety hazards and be in good repair. The site must not be subject to material adverse conditions, such as abandoned vehicles, dangerous walks or steps, poor drainage, septic tank back-ups, sewer hazards, excess accumulations of trash, vermin or rodent infestation or fire hazards. (b) *Building exterior*. Each building on the site must be structurally sound, secure, habitable, and in good repair. Each building's doors, fire escapes, foundations, lighting, roofs, walls, and windows, where applicable, must be free of health and safety hazards, operable, and in good repair. (c) *Building systems*. Each building's domestic water, electrical system, elevators, emergency power, fire protection, HVAC, and sanitary system must be free of health and safety hazards, functionally adequate, operable, and in good repair. (d) *Dwelling units*. (1) Each dwelling unit within a building must be structurally sound, habitable, and in good repair. All areas and aspects of the dwelling unit (for example, the unit's bedroom, call-for-aid (if applicable), ceiling, doors, electrical systems, floors, hot water heater, HVAC (where individual units are provided), kitchen, lighting, outlets/switches, patio/porch/balcony, smoke detectors, stairs, walls, and windows) must be free of health and safety hazards, functionally adequate, operable, and in good repair. (2) Where applicable, the dwelling unit must have hot and cold running water, including an adequate source of potable water (note for example that single room occupancy units need not contain water facilities). If the dwelling unit includes its own sanitary facilities, it must be in proper operating condition, usable in privacy, and adequate for personal hygiene and the disposal of human waste. (4) The dwelling unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each level of the unit. (e) *Common areas*. The common areas must be structurally sound, secure, and functionally adequate for the purposes intended. The basement/garage/carport, restrooms, closets, utility, mechanical, community rooms, day care, halls/corridors, stairs, kitchens, laundry rooms, offices, porch, patio, balcony, and trash collection areas, if applicable, must be free of health and safety hazards, operable, and in good repair. All common area ceilings, doors, floors, HVAC, lighting outlets/switches, smoke detectors, stairs, walls, and windows, to the extent applicable, must be free of health and safety hazards, operable, and in good repair. These standards for common areas apply, to a varying extent, to all HUD housing, but will be particularly relevant to congregate housing, independent group homes/residences, and single room occupancy units, in which the individual dwelling units (sleeping areas) do not contain kitchen and/or bathroom facilities. (f) *Health and safety concerns*. All areas and components of the housing must be free of health and safety hazards. These areas include, but are not limited to, air quality, electrical hazards, elevators, emergency/fire exits, flammable materials, garbage and debris, handrail hazards, infestation, and lead-based paint. For example, the buildings must have fire exits that are not blocked and have hand rails that are undamaged and have no other observable deficiencies. The housing must have no evidence of infestation by rats, mice, or other vermin, or of garbage and debris. The housing must have no evidence of electrical hazards, natural hazards, or fire hazards. The dwelling units and common areas must have proper ventilation and be free of mold, odor (e.g., propane, natural gas, methane gas), or other observable deficiencies.

The housing must comply with all requirements related to the evaluation and reduction of lead-based paint hazards and have available proper certifications of such (see 24 CFR part 35). (g) *Compliance with State and local codes.* The physical condition standards in this section do not supersede or preempt State and local codes for building and maintenance with which HUD housing must comply. HUD housing must continue to adhere to these codes.

§ 5.705 Uniform physical inspection requirements.

Any entity responsible for conducting a physical inspection of HUD housing, to determine compliance with this subpart, must inspect such HUD housing annually in accordance with HUD-prescribed physical inspection procedures. The inspection must be conducted annually unless the program regulations governing the housing provide otherwise or unless HUD has provided otherwise by notice. [65 FR 77240, Dec. 8, 2000]

Note: The PHA will inspect units at least once per calendar year, not once per fiscal year as was previously required.

J. PROGRAM INTEGRITY MONITORING (PIM)

The HA administers Program Integrity Monitoring (PIM). The purpose of the program is to ensure that public funds are paid only on behalf of qualified and eligible participants and to landlords and owners who comply with all contract provisions in accordance with Federal regulations. (Refer to Appendix N)

PIM also staffs a toll-free fraud hotline [(800) 300-0439]. Through this hotline, the public can anonymously report any suspected participant/owner/employee fraud. The fraud hotline number is available through the internet web site as a telephone option when calling the office and Housing Authority newsletters.

K. Requests for Information from Files

The HA will make records available to individuals and organizations with legitimate purposes. In order not to cause a financial burden on the HA, charges for this information will be 25 cents per page for photocopies, and \$30 per hour for staff time in locating and gathering information. If the file is stored in archives, an additional \$50 fee will be charged to request it from storage.

L. Code of Conduct

All employees are expected to abide by the Code of Conduct for the HA, which is included as Exhibit M of this document.

Public Law 104-199 § 3(a) appears intentionally broad and prohibits the recognition of same-sex marriage for any federal program, even if state law recognizes such union. DOMA provides for no exceptions.

Accordingly, same sex marriage couples cannot be regarded as "spouses" under any housing program under the United States Housing Act of 1937.
