

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Supervisor Kevin Jeffries

SUBMITTAL DATE: April 17, 2013

SUBJECT: Approval of June 25, 2013 Food Truck Festival at the County Administrative Center in Riverside

RECOMMENDED MOTION: That the Board of Supervisors:

- 1) Approve a Food Truck Festival to be held on June 25, 2013 at the County Administrative Center in Riverside;
- 2) Approve the First Supervisorial District Offices to coordinate the festival with the applicable county departments; and,
- 3) Approve the issuance of permitting by the Department of Environmental Health to food truck operators to be held on the administrative center grounds for June 25, 2013.

BACKGROUND:

Food trucks have proven to be very popular options in neighboring counties. They are subject to rigorous permitting standards and offer a variety of culinary selections.

The County of Riverside is home to many food truck manufacturers and operators, yet it may be the only county in the state to prohibit food trucks from conducting business without a special event permit. In an effort to showcase the variety of modern food trucks and stimulate a discussion about the potential for job creation in Riverside County, I am proposing that food trucks be allowed to operate on June 25, 2013 at the County Administrative Center in Riverside.

I further propose that the First District office coordinate the Food Truck Festival and work with the applicable county departments, including Environmental Health and EDA's Real Estate and Parking Divisions, to coordinate the festival. I estimate up to 10 -12 food truck operators will be able to operate on the grounds.

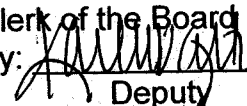

During the day of the festival, parking will still be accessible to members of the public who wish to access the County Administrative Center to conduct county business.
