**BACKGROUND:**

The Department of Public Social Services (DPSS) has been in need of larger office space to implement the full complement of services provided by the Self Sufficiency Division and to accommodate increased caseloads in the Desert Hot Springs region. During the past five years, space searches for existing buildings have not adequately met the requirements of property type, size, and location suitable to lease.

As a result, in April, 2011, the Real Estate Division issued another Request for Proposal for a build to suit opportunity which has resulted in the attached lease for approval. It includes beneficial provisions of property location, developer capability, as well as negotiated terms for an operating lease.

After completion of this long-term effort, with expected occupancy in May, 2014, DPSS will have one full-service facility providing all temporary assistance programs, including CalWORKS, Food Stamps, and Medi-Cal, as well as Welfare-to-Work (GAIN) services to facilitate individuals and families to become self-sufficient.

Location:	65753 Pierson Boulevard Desert Hot Springs, CA
Lessor:	Pierson Professional Plaza, LP 5305 E. Second Street, Suite 204 Long Beach, CA 90803
Size:	38,000 square feet.
Term:	Ten years.
Rent:	\$82,460.00 per month.
Rental Adjustment:	Commencing year four, 2% annually.
Options to Extend:	Two, five-year options.
Options to Terminate:	After the fifth year for reduced funding with 150 days' notice.
Utilities:	All interior utilities, including electricity, water, and gas, will be placed on account directly in County's name for payment.
Custodial:	Included in rent.
Interior/Exterior Maintenance:	Included in rent.
Parking:	Approximately 237 total parking spaces.

Improvements: Not to exceed \$2,500,000.00. County to reimburse Lessor in the three equal payments over three fiscal years. Second and third reimbursements to include 3% interest.

RCIT: \$383,890.00

As the Lead Agency, EDA prepared an Initial Study for the proposed Lease Agreement by and between the County of Riverside (County) and Pierson Professional Plaza, LP (Lessor) (herein referred to as the (Project).

In accordance with the California Environmental Quality Act (CEQA) (Public Resources Code Section 21000-21177) and California Code of Regulations Section 15063, an Initial Study was prepared to analyze the Project to determine if any potential significant impacts upon the environment would result from approval and execution of the Lease.

The results of the analysis demonstrate that the project would not have any significant impacts on the environment. The Initial Study/Negative Declaration (IS/ND) was prepared and circulated for public review and comment from November 26, 2012 to December 25, 2012.

The IS/NC and Notice of Determination are included as Attachment A.

The attached lease has been reviewed and approved by County Counsel as to legal form.

**FINANCIAL DATA:**

All associated costs for this lease will be fully funded through the DPSS budget. DPSS will budget for these costs in FY 2014/15. The EDA will budget for the related transactional costs with the property owner in FY 2014/15. While EDA will front the costs for this lease with the property owner, DPSS will reimburse EDA for all associated costs.

**DETERMINATION:** (To be completed by the Lead Agency)

On the basis of this initial evaluation:

- I find that the project **COULD NOT** have a significant effect on the environment, and a **NEGATIVE DECLARATION** will be prepared.
- I find that although the project could have a significant effect on the environment, **Nothing Further is Required** because all potentially significant effect(s) (a) have been adequately analyzed in an earlier EIR or Mitigated Negative Declaration pursuant to applicable legal standards and (b) have been avoided or mitigated pursuant to that earlier EIR or Mitigated Negative Declaration, including revisions or mitigation measures that are imposed upon the proposed project.
- I find that the project **MAY** have a significant effect on the environment, and an **ENVIRONMENTAL IMPACT REPORT** is required.
- I find that the project **MAY** have a "potentially significant impact" or "potentially significant unless mitigated" impact on the environment, but at least one effect 1) has been adequately analyzed in an earlier document pursuant to applicable legal standards, and 2) has been addressed by mitigation measures based on the earlier analysis as described on attached sheets. An **ENVIRONMENTAL IMPACT REPORT** is required, but it must analyze only the effects that remain to be addressed.
- I find that although the project could have a significant effect on the environment, because all potentially significant effects (a) have been analyzed adequately in an earlier EIR or **NEGATIVE DECLARATION** pursuant to applicable standards, and (b) have been avoided or mitigated pursuant to that earlier EIR or **NEGATIVE DECLARATION**, including revisions or mitigation measures that are imposed upon the project, nothing further is required.

## **EVALUATION OF ENVIRONMENTAL IMPACTS:**

- 1) A brief explanation is required for all answers except "No Impact" answers that are adequately supported by the information sources a lead agency cites in the parentheses following each question. A "No Impact" answer is adequately supported if the referenced information sources show that the impact simply does not apply to projects like the one involved (e.g., the project falls outside a fault rupture zone). A "No Impact" answer should be explained where it is based on project-specific factors as well as general standards (e.g., the project will not expose sensitive receptors to pollutants, based on a project-specific screening analysis).
- 2) All answers must take account of the whole action involved, including off-site as well as on-site, cumulative as well as project-level, indirect as well as direct, and construction as well as operational impacts.
- 3) Once the lead agency has determined that a particular physical impact may occur, then the checklist answers must indicate whether the impact is potentially significant, less than significant with mitigation, or less than significant. "Potentially Significant Impact" is appropriate if there is substantial evidence that an effect may be significant. If there are one or more "Potentially Significant Impact" entries when the determination is made, an EIR is required.
- 4) "Negative Declaration: Less Than Significant With Mitigation Incorporated" applies where the incorporation of mitigation measures has reduced an effect from "Potentially Significant Impact" to a "Less Than Significant Impact." The lead agency must describe the mitigation measures, and briefly explain how they reduce the effect to a less than significant level (mitigation measures from Section XVII, "Earlier Analyses," may be cross-referenced).
- 5) Earlier analyses may be used where, pursuant to the tiering, program EIR, or other CEQA process, an effect has been adequately analyzed in an earlier EIR or negative declaration. Section 15063(c)(3)(D). In this case, a brief discussion should identify the following:
  - a) Earlier Analysis Used. Identify and state where they are available for review.
  - b) Impacts Adequately Addressed. Identify which effects from the above checklist were within the scope of and adequately analyzed in an earlier document pursuant to applicable legal standards, and state whether such effects were addressed by mitigation measures based on the earlier analysis.
  - c) Mitigation Measures. For effects that are "Less than Significant with Mitigation Measures Incorporated," describe the mitigation measures, which were incorporated or refined from the earlier document and the extent to which they address site-specific conditions for the project.
- 6) Lead agencies are encouraged to incorporate into the checklist references to information sources for potential impacts (e.g., general plans, zoning ordinances). Reference to a previously prepared or outside document should, where appropriate, include a reference to the page or pages where the statement is substantiated.
- 7) Supporting Information Sources: A source list should be attached, and other sources used or individuals contacted should be cited in the discussion.
- 8) This is only a suggested form, and lead agencies are free to use different formats; however, lead agencies should normally address the questions from this checklist that are relevant to a project's environmental effects in whatever format is selected.
- 9) The explanation of each issue should identify:
  - a) the significance criteria or threshold, if any, used to evaluate each question; and
  - b) the mitigation measure identified, if any, to reduce the impact to less than significance

**Findings of Fact:**

Initial Study RIVCO/CEQA 2012-05 was prepared pursuant to CEQA Guidelines Section 15063 to allow the public and agencies to review and comment on the proposed discretionary action of the Build to Suit Lease between the County of Riverside and Pierson Professional Plaza, LP, ("Lessor"). Pursuant to CEQA Guidelines Section 15378 the discretionary action requires full CEQA review and disclosure to the public. There will be no physical change to the environment, individually or cumulatively, that will cause a significant effect on the environment associated with the approval of the Lease. The Lease is solely a binding agreement between the County and Lessor. The Lessor is responsible to comply and provide a full CEQA review once the actual project location and construction parameters are established. The Lessor will be responsible to submit the necessary CEQA documentation to the lead agency overseeing the approval process.

Mitigation: None.

Monitoring: None.

Pursuant to CEQA Guidelines Section 15378 the discretionary action requires full CEQA review and disclosure to the public. There will be no physical change to the environment, individually or cumulatively, that will cause a significant effect on the environment associated with the approval of the Lease. The Lease is solely a binding agreement between the County and Lessor. **Findings of Fact:**

Initial Study RIVCO/CEQA 2012-05 was prepared pursuant to CEQA Guidelines Section 15063 to allow the public and agencies to review and comment on the proposed discretionary action of the Build to Suit Lease between the County of Riverside and Pierson Professional Plaza, LP, ("Lessor"). Pursuant to CEQA Guidelines Section 15378 the discretionary action requires full CEQA review and disclosure to the public. There will be no physical change to the environment, individually or cumulatively, that will cause a significant effect on the environment associated with the approval of the Lease. The Lease is solely a binding agreement between the County and Lessor. The Lessor is responsible to comply and provide a full CEQA review once the actual project location and construction parameters are established. The Lessor will be responsible to submit the necessary CEQA documentation to the lead agency overseeing the approval process.

1 LEASE

2 COUNTY OF RIVERSIDE

3 65753 Pierson Boulevard, Desert Hot Springs, CA

4  
5 **1. Parties.**

6 **1.1** This Lease ("Lease") is made by and between the **COUNTY OF**  
7 **RIVERSIDE**, a political subdivision of the State of California, hereinafter referred to as  
8 "County" and **PIERSON PROFESSIONAL PLAZA, LP**, hereinafter referred to as  
9 "Lessor." County and Lessor are hereinafter collectively referred to as the "Parties" or  
10 individually as a "Party."

11 **2. Premises.**

12 **2.1 Letting.** Lessor hereby leases to County, and County hereby  
13 leases from Lessor, the Premises, for the term, at the rental, and upon all terms,  
14 covenants and conditions set forth in this Lease.

15 **2.2 Defined.** The Premises shall consist of that certain real property,  
16 including all improvements therein or to be provided by Lessor under the terms of this  
17 Lease, and commonly known as 65753 Pierson Boulevard located in the City of Desert  
18 Hot Springs, County of Riverside, State of California, also identified as Assessor Parcel  
19 Number 663-290-003-5 and generally described as a free standing building consisting  
20 of approximately 38,000 square feet with approximately 237 parking spaces allocated  
21 as 114 unreserved and 123 secured, all as shown on the site plan attached as Exhibit  
22 "A." It is understood that the Premises include all appurtenances and easements  
23 thereto and the non-exclusive right of ingress and egress at all times to and from the  
24 public streets and highways for County, its employees and invitees.

25 **2.3 Preparation of Premises/Acceptance.** The rights and  
26 obligations of the Parties regarding the construction of the Premises before the  
27 commencement of the Lease Term are stated in the attached Leasehold Improvement  
28 Agreement, Exhibit "B." If this Lease conflicts with the Leasehold Improvement

1 Agreement, the Leasehold Improvement Agreement shall prevail.

2           **2.4 Condition of Premises.** Lessor shall deliver the Premises to  
3 County in a fully clean and safe condition, free of hazards and debris, entirely permitted  
4 and inspected by local authorities, on the Commencement Date, and Lessor warrants  
5 for the term of this Lease, that all systems and equipment, including, but not limited to,  
6 electrical, plumbing, fire sprinkler, fire suppression system, fire/life/safety system,  
7 elevators, security systems, lighting, heating, ventilating and air conditioning systems  
8 (“HVAC”), loading doors, if any, that serve the Premises and all other such elements in  
9 the Premises (herein defined as the “Base Building Systems”), other than those  
10 installed or constructed by County, shall be in safe, hazard free, good operating  
11 condition, and, the roof, bearing walls and foundation of the Premises shall be free of  
12 material defect.

13           **3. Use.**

14           **3.1** County shall use and occupy the Premises for the purpose of  
15 providing office space for use by the Department of Public Social Services, but the  
16 Premises may be used for any official business of County government or any other  
17 legal use which is reasonably comparable thereto. Nothing contained in this Lease  
18 shall be construed to require County to occupy the Premises continuously.

19           **4. Term.**

20           **4.1 Commencement.** This Lease shall be effective upon the date of  
21 its full execution by the Parties hereto. The Term of this Lease shall be for a period of  
22 ten (10) years (“Original Term”) commencing no earlier than July 1, 2014, and no later  
23 than May 1, 2015, on the earlier of (a) the date County staff occupies the Premises, or  
24 (b) the date on which County accepts the Premises for occupancy, which shall occur  
25 only after Lessor delivers to County a copy of the Certificate of Occupancy executed by  
26 the appropriate governing authority, if applicable, and provided that County, in its’ sole  
27 discretion, is satisfied that all leasehold improvements have been completed in  
28 accordance with Exhibit “B” and Exhibit “F,” excepting minor punch list items,

1 ("Commencement Date"). The Original Term shall expire at midnight on the last day of  
2 the one hundred twentieth month ("Expiration Date").

3 **4.2 Confirmation of Lease Information.** At such time as the  
4 Commencement Date of this Lease has been determined, either Party may deliver to  
5 the other Party a notice in the form set forth in the attached Exhibit "D," which the  
6 receiving Party shall execute, after making any corrections necessary to conform the  
7 information to the provisions of this Lease, and return to the forwarding Party within  
8 thirty (30) days after receipt. Either Party will use reasonable efforts to deliver the  
9 notice to the other Party within thirty (30) days after the Lease Commencement Date.  
10 Anything to the contrary notwithstanding, failure to forward or execute said notice shall  
11 not invalidate or nullify the provisions of this Lease.

12 **4.3 Delay in Delivery of Premises.** If the Original Term of this  
13 Lease has not commenced no earlier than July 1, 2014, and no later than May 1, 2015,  
14 County may, at its sole option, either: (a) deduct from any rents that may become due  
15 hereunder the sum of \$2,508.00 for each day the Premises are not substantially  
16 complete and available for occupancy as per paragraph 2.4, after said date, as  
17 liquidated damages for failure to provide occupancy in a timely manner as prescribed  
18 hereunder. Lessor and County agree that such damages are to be one of the mutually  
19 exclusive remedies, as prescribed in this Section 4, for such failure, in that at the time  
20 of entering into this Lease it would be impractical and extremely difficult to fix the actual  
21 damages that would flow from Lessor's failure to provide occupancy in a timely  
22 manner, including, but not limited to, the difference in money between the total sum to  
23 be paid by County to another party for rent to Lease such party's real property, if the  
24 rental hereunder is less than the rental to be paid such other party; or if the Original  
25 Term of this Lease has not commenced by May 1, 2015, or (b) cancel this Lease, and  
26 Lessor hereby waives any and all rights that it may have against County for any costs,  
27 expenses and/or charges that Lessor may have incurred as a result of preparing the  
28 Premises for occupancy.

1           **4.4 Holding Over.** Any holding over by County after the expiration  
2 of said term or any extension thereof shall be deemed a month to month tenancy upon  
3 the same terms and conditions of this Lease.

4           **5. Rent.** The anniversary dates shall be deemed to fall on the first day of  
5 the first full month of each lease year following commencement of the Lease term.

6           **5.1 Rent.** County shall pay the sum of \$82,460.00 per month to  
7 Lessor as rent for the Leased Premises, payable, in advance, on the first day of the  
8 month or as soon thereafter as a warrant can be issued in the normal course of  
9 County's business; provided, however, in the event rent for any period during the term  
10 hereof which is for less than one (1) full calendar month said rent shall be pro-rated  
11 based upon the actual number of days of said month.

12           **5.2 Percentage Increase.** Notwithstanding the provisions of Section  
13 5.1 herein, the monthly rent shall be increased annually commencing on the fourth  
14 anniversary of this Lease and by an amount equal to two percent (2%) of such monthly  
15 rental.

16           **5.3 Tenant Improvement Reimbursement.** Notwithstanding the  
17 provisions of Section 5.1 and 5.2 above, County shall reimburse Lessor upon  
18 completion and acceptance of the improvements by County as provided in Exhibit "B",  
19 Sections 8 and 9 of this Lease.

20           **6. Options.**

21           **6.1 Option to Extend Term.** Lessor grants to County two option(s)  
22 to extend the Lease term ("Extension Option(s)"). Each Extension Option shall be for a  
23 period of five (5) years ("Extended Term"), subject to the conditions described in this  
24 Section 6.1.

25           **6.1.1 Exercise of Option.** The Extension Option(s) shall be  
26 exercised by County delivering to Lessor written notice thereof no later than one  
27 hundred fifty (150 ) days prior to the expiration of the Original Term or any extension  
28 thereof.

1                   **6.1.2 Option Rent.** The rent payable by County during any  
2 Extended Term shall be increased two (2%) on each anniversary..

3                   **6.1.3** All terms and conditions of this Lease with exception of  
4 Rent and Lease Term shall remain in full force and effect during the Extended Term.

5                   **6.2 Right of First Refusal to Extend Lease Term.** At such time as  
6 the Original Term and/or Extended Terms have expired, in further consideration of the  
7 Rent, Covenants, and Conditions to be paid, performed, and observed by County,  
8 Lessor hereby grants to County a right of first refusal to extend the Lease of the  
9 Premises. In the event Lessor receives a bona fide offer from a third party to lease the  
10 Premises, which offer is acceptable to Lessor, Lessor shall promptly notify County in  
11 writing of the offer, including the amount of rent offered and other terms and conditions  
12 of the offer. County shall have thirty (30) business days within which to notify Lessor in  
13 writing whether County agrees to extend the Lease of the Premises on the same terms  
14 and conditions as the third party offer. In the event County elects to extend the Lease  
15 of the Premises, the Lease shall be subject to the same terms and conditions as the  
16 third party offer, including, but not limited to, amount of rent, term, and commencement  
17 date. In the event County fails to give written notice of its election to extend the Lease  
18 of the Premises, Lessor shall be free to accept the bona fide offer and lease the  
19 Premises to the third party. If the third party fails to lease the Premises and the  
20 Premises remains available, County shall have the same right of first refusal granted  
21 herein with respect to a bona fide offer to lease the Premises by a subsequent third  
22 party offerer.

23                   **6.3 County's Right to Early Termination.** The Parties hereto  
24 recognize and understand that the rental consideration hereunder originates from  
25 County, State and/or Federal sources, and therefore commencing after the fifth  
26 anniversary, County shall have the right to terminate this Lease (a) if such funding is  
27 reduced or otherwise becomes unavailable, based on County's annual fiscal budget, or  
28

1 (b) if any law, rule or regulation precludes, prohibits or materially adversely impairs  
2 County's ability to use the Premises for the use permitted herein.

3 **6.3.1 Notice.** County shall provide Lessor with written notification  
4 of its election to terminate this Lease at least one hundred fifty (150 ) days prior to the  
5 date of termination. County's notice shall state the reason for its termination of this  
6 Lease. County's obligation to pay Rent shall continue through the termination date.

7 **6.3.2 Satisfaction.** In the event County terminates this Lease for  
8 the reasons provided in Section 6.3(a) or 6.3(b) herein, and said termination occurs  
9 during the Original Term, County agrees to pay Lessor as full satisfaction the balance  
10 of all payments which would otherwise be due monthly for improvements under the  
11 Leasehold Improvement Agreement.

## 12 **7. Compliance.**

13 **7.1 Compliance.** Lessor warrants that the Premises and  
14 improvements on the Premises shall comply with all applicable State and Federal laws,  
15 covenants or restrictions of record, building codes, regulations and ordinances  
16 ("Applicable Requirements") in effect on the Commencement Date of this Lease,  
17 regardless of the use to which County will put the Premises. If the Premises do not  
18 comply with said warranty, Lessor shall, promptly after receipt of written notice from  
19 County or any governmental agency having jurisdiction over such matters setting forth  
20 the nature and extent of such non-compliance, rectify the same at Lessor's expense. If  
21 the Applicable Requirements are hereinafter changed so as to require during the term  
22 of this Lease, unless same is the result of the use to which County puts the Premises,  
23 the construction of an addition to or an alteration of the Premises, the remediation of  
24 any Hazardous Substance as hereinafter defined, or the reinforcement or other  
25 physical modification of the Premises, Lessor shall, promptly after receipt of written  
26 notice from County or any governmental agency having jurisdiction over such matters  
27 setting forth the nature and extent of such non-compliance, rectify the same at Lessor's  
28 expense.

1           **7.2 Americans With Disabilities.** Lessor warrants and represents  
2 the Premises shall be readily accessible to and usable by individuals with disabilities in  
3 compliance with Title III of the Americans with Disabilities Act of 1990 and California  
4 Title 24, as amended from time to time and regulations issued pursuant thereto and in  
5 effect from time to time. Any cost incurred to cause the Premises to comply with said  
6 Act shall be borne by Lessor.

7           **7.3 Asbestos and Lead Based Paint.** Lessor warrants and  
8 represents the Premises shall be constructed, operated and maintained free of hazard  
9 from asbestos and lead based paint, as more fully set forth in the attached Exhibit "C".

10           **7.4 Hazardous Substance.** It is the intent of the Parties to construe  
11 the term "Hazardous Substances" in its broadest sense. Hazardous Substance shall  
12 be defined as any product, substance, or waste whose presence, use, manufacture,  
13 disposal, transportation, or release, either by itself or in combination with other  
14 materials, is either: (a) potentially injurious to the public health, safety or welfare, the  
15 environment or the Premises; (b) regulated or monitored by any governmental  
16 authority; or (c) a basis for potential liability of County to any governmental agency or  
17 third party under any applicable statute or common law theory.

18           Lessor acknowledges that County's use may from time to time require the  
19 presence of Hazardous Substances at the Premises. County agrees that all such  
20 Hazardous Substances located in, at, or on the Premises shall be used, stored,  
21 handled, treated, transported, and disposed of in compliance with all applicable laws.

22           Lessor warrants and represents to County that Lessor has not used, discharged,  
23 dumped, spilled or stored any Hazardous Substances on or about the Premises,  
24 whether accidentally or intentionally, legally or illegally, and has received no notice of  
25 such occurrence and has no knowledge that any such condition exists at the Premises.  
26 If any claim is ever made against County relating to Hazardous Substances present at  
27 or around the Premises, whether or not such substances are present as of the date  
28 hereof, or any such Hazardous Substances are hereafter discovered at the Premises

1 (unless introduced by County, its agents or employees), all costs of removal incurred  
2 by, all liability imposed upon, or damages suffered by County because of the same  
3 shall be borne by Lessor, and Lessor hereby indemnifies and agrees to be responsible  
4 for and defend and hold County harmless from and against all such costs, losses,  
5 liabilities and damages, including, without limitation, all third-party claims (including  
6 sums paid in settlement thereof, with or without legal proceedings) for personal injury  
7 or property damage and other claims, actions, administrative proceedings, judgments,  
8 compensatory and punitive damages, lost profits, penalties, fines, costs, losses,  
9 attorneys' fees and expenses (through all levels of proceedings), consultants or experts  
10 fees and costs incurred in enforcing this indemnity. The representation, warranty and  
11 indemnity of Lessor described in this Paragraph shall survive the termination or  
12 expiration of this Lease.

13           **7.5 Sick Building Syndrome.** Lessor warrants and represents the  
14 Premises shall be constructed, operated and maintained free of certain hazards,  
15 including, but not limited to: spores, fungus, molds, bacteria, chemicals or fumes or  
16 other causes of any hazardous micro-environments, sometimes known as "Sick  
17 Building Syndrome," emanating from or within the Premises that may potentially cause  
18 discomfort, bodily injury, sickness or death. Should it be determined that remediation is  
19 necessary based on a report by a trained investigator, Lessor will promptly contract  
20 with a qualified and experienced company to safely remove the micro-environments  
21 using remediation guidelines recommended or required by the appropriate  
22 governmental agency. Any cost incurred to cause the Premises to be free of such  
23 hazard shall be borne by Lessor.

24           **7.6 Waste Water.** Lessor shall be responsible for compliance with  
25 all Federal, state or local laws, regulations or permits pertaining to storm water  
26 pollution, prevention plans ("SWPP") and all National Pollution Discharge Elimination  
27 System ("NPDES") laws or regulations adopted or to be adopted by the United States  
28 Environmental Protection Agency. Parking lot sweeping shall be done as required by

1 NPDES rules or as needed, at least two times per year, once prior to the rainy season.

2 **8. Custodial Services.**

3 **8.1 Custodial Services.** Lessor shall provide, or cause to be  
4 provided, and pay for all custodial services in connection with the Leased Premises  
5 and such services shall be provided as set forth in the attached Exhibit "E." The  
6 provider of such custodial services will perform background checks through LiveScan  
7 or in the manner specified by County, of qualified permanent and temporary employees  
8 to determine their suitability for employment. The provider will be bonded in the sum of  
9 \$10,000.00, and proof of such insurance, as supplied by the Lessor, shall be furnished  
10 prior to occupancy of Premises by County. In addition to bonding as required herein,  
11 Lessor shall also receive proof of statutory workers' compensation insurance,  
12 commercial general liability and vehicle liability insurance from the provider of any  
13 custodial functions performed at the Premises location.

14 **8.2 County's Right to Provide Custodial Service and Deduct**

21 **13. Damage and Destruction.**

22 **13.1 Repair of Damage.** County agrees to notify Lessor in writing  
23 promptly of any damage to the Premises resulting from fire, earthquake, or any other  
24 identifiable event of a sudden, unexpected, or unusual nature ("Casualty"). If the  
25 Premises, whether covered by insurance or not, are damaged by a Casualty, or the  
26 Casualty results in the Premises not being provided with Base Building Systems or  
27 parking facilities, and if neither Lessor nor County has elected to terminate this Lease  
28 under this Section 13, Lessor shall promptly and diligently restore the Premises, the

1 County Improvements originally constructed by Lessor, Base Building Systems, and  
2 County's parking facilities to substantially the same condition as existed before the  
3 Casualty, subject to modifications required by building codes and other laws. If County  
4 requests that Lessor make any modifications to the County Improvements in  
5 connection with the rebuilding, Lessor may condition its consent to those modifications  
6 on: (a) confirmation by Lessor's contractor that the modifications shall not increase the  
7 time needed to complete the County Improvements; or (b) an agreement by County  
8 that the additional construction period shall not extend the rent abatement period.

9 **13.2 Repair Period Notice.** Lessor shall, within thirty (30) days after  
10 the date of the Casualty, provide written notice to County indicating the anticipated  
11 period for repairing the Casualty ("Repair Period Notice"). The Repair Period Notice  
12 shall be accompanied by a certified statement executed by the Contractor retained by  
13 Lessor to complete the repairs or, if Lessor has not retained a Contractor, a licensed  
14 Contractor not affiliated with Lessor, certifying the Contractor's opinion about the  
15 anticipated period for repairing the Casualty. The Repair Period Notice shall also state,  
16 if applicable, Lessor's election either to repair or to terminate the Lease under Section  
17 13.3.

18 **13.3 Lessor's Option to Terminate or Repair.** Lessor may elect  
19 either to terminate this Lease or to effectuate repairs if: (a) the Repair Period Notice  
20 estimates that the period for repairing the Casualty exceeds ninety (90) days from the  
21 date of the Casualty; or (b) the estimated repair cost of the Premises, even though  
22 covered by insurance, exceeds fifty percent (50%) of the full replacement cost.

23 **13.4 County's Option to Terminate.** If (a) the Repair Period Notice  
24 provided by Lessor indicates that the anticipated period for repairing the Casualty  
25 exceeds ninety (90) days, or (b) notwithstanding the above, in the event of a  
26 substantial or total casualty to the Premises or improvements, County may by written  
27 notice to Lessor within thirty (30) days after such damage or destruction of its intention  
28 to terminate this Lease, elect to terminate this Lease by providing written notice

1 (County's Termination Notice) to Lessor within thirty (30) days after receiving the  
2 Repair Period Notice. If County does not elect to terminate within said thirty (30) day  
3 period, County shall be considered to have waived its option to terminate.

4 **13.5 Rent Abatement Due to Casualty.** Lessor and County agree  
5 that County's Rent shall be fully abated during the period beginning on the later of: (a)  
6 the date of the Casualty; or (b) the date on which County ceases to occupy the  
7 Premises and ending on the date of Substantial Completion of Lessor's restoration  
8 obligations as provided in this Section 13 ("Abatement Period"). If, however, County is  
9 able to occupy and does occupy a portion of the Premises, Rent shall be abated during  
10 the Abatement Period only for the portion of the Premises not occupied by County.

11 **13.6 Damage Near End of Term.** Despite any other provision of this  
12 Section 13, if the Premises are destroyed or damaged by a Casualty during the last  
13 eighteen (18) months of the Original Lease Term, Lessor and County shall each have  
14 the option to terminate this Lease by giving written notice to the other of the exercise of  
15 that option within thirty (30) days after that damage or destruction, provided, however,  
16 County may negate Lessor's election to terminate under this Section 13.6 by electing,  
17 within ten (10) days after receipt of Lessor's termination notice, to exercise any  
18 unexercised option to extend this Lease. If County negates Lessor's election, this  
19 Lease shall continue in effect unless Lessor has the right to, and elects to, terminate  
20 this Lease under Section 13.3.

21 **13.7 Effective Date of Termination; Rent Apportionment.** If Lessor  
22 or County elects to terminate this Lease under this Section 13 in connection with a  
23 Casualty, this termination shall be effective thirty (30) days after delivery of notice of  
24 such election. County shall pay Rent, properly apportioned up to the date of the  
25 Casualty. After the effective date of the termination, Lessor and County shall be  
26 discharged of all future obligations under this Lease, except for those provisions that,  
27 by their terms, survive the expiration or earlier termination of the Lease.

1           **13.8 Waiver of Statutory Provisions.** The provisions of this Lease,  
2 including those in this Section 13, constitute an express agreement between Lessor  
3 and County that applies in the event of any Casualty to the Premises. Lessor and  
4 County, therefore, fully waive the provisions of any statute or regulation, for any rights  
5 or obligations concerning a Casualty including California Civil Code Sections 1932(2)  
6 and 1933(4).

7           **13.9 Release on Termination.** In the event of any termination of this  
8 Lease in accordance with Section 13, the Parties shall be released therefrom without  
9 further obligation to the other Party, except as may otherwise be specifically set forth in  
10 this Lease and except as to items that have accrued and are unpaid.

11           **14. Eminent Domain.**

12           **14.1 Total Condemnation.** If all of the Premises are condemned by  
13 eminent domain, inversely condemned, or sold in lieu of condemnation for any public or  
14 quasi-public use or purpose, this Lease will terminate as of the date of title vesting in  
15 that proceeding and the Rent will be abated from the date of termination.

16           **14.2 Partial Condemnation.** If any portion of the Premises is  
17 condemned by eminent domain, inversely condemned, or sold in lieu of condemnation  
18 for any public or quasi-public use or purpose and the partial condemnation renders the  
19 Premises unusable for County's business, this Lease will terminate as of the date of  
20 title vesting or order of immediate possession in that proceeding and the Rent will be  
21 abated to the date of termination. If the partial condemnation does not render the  
22 Premises unusable for the business of County and less than a substantial portion of  
23 the Premises is condemned, Lessor must promptly restore the Premises to the extent  
24 of any condemnation proceeds recovered by Lessor, excluding the portion lost in the  
25 condemnation, and this Lease will continue in full force, except that after the date of the  
26 title vesting, the Rent will be adjusted, as reasonably determined by Lessor and  
27 County.

1           **14.3 Award.** If the Premises are wholly or partially condemned,  
2 Lessor will be entitled to the entire award paid for the condemnation, and County  
3 waives any claim to any part of the award from Lessor or the condemning authority.  
4 County, however, will have the right to recover from the condemning authority any  
5 compensation that may be separately awarded to County in connection with costs in  
6 removing County's merchandise, furniture, fixtures, leasehold improvements, and  
7 equipment to a new location.

8           **14.4 Temporary Condemnation.** In the event of a temporary condemnation,  
9 this Lease will remain in effect, County will continue to pay Rent, and County will  
10 receive any award made for the condemnation. If a temporary condemnation remains  
11 in effect at the expiration or earlier termination of this Lease, County will pay Lessor the  
12 reasonable cost of performing any obligations required of County with respect to the  
13 surrender of the Premises. If a temporary condemnation is for a period that extends  
14 beyond the Term, this Lease will terminate as of the date of occupancy by the  
15 condemning authority and any award will be distributed in accordance with Section  
16 14.3.

17           **15. Estoppel Certificates.**

18           **15.1** Within twenty (20) business days after receipt of a written  
19 request by either party, the other party shall execute and deliver to the requesting party  
20 an Estoppel Certificate, in the form of the attached Exhibit "G," indicating in the  
21 certificate any exceptions to the statements in the certificate that may exist at that time.

22           **16. Subordination, Non-Disturbance, and Attornment.**

23           **16.1 Subordination, Non-Disturbance, and Attornment**  
24 **Agreement.** To carry out the purposes of Section 16.2 and Section 16.3, the Parties  
25 agree to execute a Subordination, Non-Disturbance and Attornment Agreement in the  
26 form set forth in the attached Exhibit "H".

27           **16.2 Subordination.** County agrees that within forty-five (45)  
28 business days after Lessor's written request, it shall execute the agreement referred to

1 in Section 16.1 that Lessor reasonably considers necessary to evidence or confirm the  
2 subordination or inferiority of this Lease to the lien of any mortgage, deed of trust or  
3 other encumbrance of the Premises or any renewal, extension, modification,  
4 replacement thereof, provided however, that such Subordination Agreement shall be  
5 strictly limited to matters contained in the Agreement referred to in Section 16.1 and no  
6 such Subordination Agreement shall materially increase any of County's obligations or  
7 materially decrease any of County's rights under this Lease, nor shall the possession  
8 of County be disturbed, by reason of any foreclosure, sale or other action under any  
9 such trust deed, mortgage or other encumbrance.

10           **16.3 Attornment.** If Lessor's interest in the Premises passes to a  
11 successor, and provided County has received the Non-Disturbance agreement referred  
12 to in Section 16.1, County shall, within forty-five (45) business days after Lessor's  
13 transferee's request, execute the agreement referred to in Section 16.1, thereby  
14 agreeing to attorn and to recognize the transferee as the Lessor under this Lease;  
15 provided the transfer of Lessor's interest in the Premises was by sale, lease,  
16 foreclosure, deed in lieu of foreclosure, or exercise of any remedy provided in any  
17 encumbrance or operation of law.

18           **17. Breach by Lessor.**

19           **17.1 Lessor's Default.** Except as provided to the contrary in this  
20 Lease, Lessor's failure to perform any of its obligations under this Lease shall  
21 constitute a default by Lessor under the Lease if the failure continues for thirty (30)  
22 days after written notice of the failure from County to Lessor. If the required  
23 performance cannot be completed within thirty (30) days, Lessor's failure to perform  
24 shall constitute a default under the Lease unless Lessor undertakes to cure the failure  
25 within thirty (30) days and diligently and continuously attempts to complete this cure as  
26 soon as reasonably possible.

27           **17.2 County's Right to Cure Lessor's Default and Deduct Cost.**

28 Except as provided to the contrary in this Lease, if County provides notice to Lessor of

1 Lessor's failure to perform any of its obligations under this Lease and Lessor fails to  
2 provide such action as required by the terms of this Lease within the period specified,  
3 County may take the required action if: (a) County delivers to Lessor an additional  
4 written notice advising Lessor that County intends to take the required action if Lessor  
5 does not begin the required action within ten (10) days after the written notice; and (b)  
6 Lessor fails to begin the required action within this ten (10) day period.

7           **17.3 Rent Setoff.** If, within thirty (30) days after receipt of County's  
8 written demand for payment of County's costs incurred in taking such action on  
9 Lessor's behalf, Lessor has not paid the invoice or delivered to County a detailed  
10 written objection to it, County may deduct from Rent payable by County under this  
11 Lease the amount set forth in the invoice, including transaction costs and attorneys'  
12 fees, plus interest at the then legal rate of interest from the date these costs are  
13 incurred until the date of County's Rent setoff.

14           **18. Lessor's Representations and Warranties.** Lessor represents and  
15 warrants to County that:

16           **18.1 Title.** County's Leasehold interest in the Premises is free and  
17 clear of restrictions which would restrict County's rights under this Lease.

18           **18.2 Certificate of Authority.** Lessor covenants that it is a duly  
19 constituted under the laws of the state of its organization, and that the person(s) who is  
20 acting as its signatory in this Lease is duly authorized and empowered to act for and on  
21 behalf of the Lessor. Lessor shall furnish County prior to the execution hereof with  
22 evidence of the authority of the signatory to bind the entity or trust as contemplated  
23 herein.

24           **18.3 No Litigation.** There are no judicial, quasi-judicial, administrative  
25 or other orders, injunctions, moratoria or pending proceedings against Lessor or the  
26 Premises which preclude or interfere with, or would preclude or interfere with, the  
27 construction contemplated herein or the occupancy and use of the Premises by County  
28 for the purposes herein contemplated.

1           **18.4 Easements.** Lessor shall not (a) subdivide, parcel or otherwise  
2 divide the Premises, (b) create, modify or terminate any ingress or egress to or from  
3 the premises, or (c) create any easements in the Premises, without County's prior  
4 written approval.

5           **19. Miscellaneous.**

6           **19.1 Quiet Enjoyment.** Lessor covenants that County shall at all times  
7 during the term of this Lease peaceably and quietly have, hold and enjoy the use of the  
8 Leased Premises so long as County shall fully and faithfully perform the terms and  
9 conditions that it is required to do under this Lease. If the Premises are part of a  
10 building shared with other tenants of Lessor, during County's tenancy, Lessor may  
11 make or permit other tenants to make alterations, renovations and improvements to  
12 those portions of the building not occupied by County. Lessor covenants for itself and  
13 anyone deriving title from or holding title under Lessor that County's access, ingress,  
14 loading and unloading and sufficient parking for County's business shall not  
15 unreasonably be obstructed nor shall the daily business of County be disrupted as a  
16 result of such alterations, renovations and improvements.

17           **19.2 Non-Waiver.** No waiver of any provision of this Lease shall be  
18 implied by any failure of either party to enforce any remedy for the violation of that  
19 provision, even if that violation continues or is repeated. Any waiver by a party of any  
20 provision of this Lease must be in writing. Such written waiver shall affect only the  
21 provision specified and only for the time and in the manner stated in the writing.

22           **19.3 Binding on Successors.** The terms and conditions herein  
23 contained shall apply to and bind the heirs, successors in interest, executors,  
24 administrators, representatives and assigns of all the Parties hereto.

25           **19.4 Severability.** The invalidity of any provision in this Lease as  
26 determined by a court of competent jurisdiction shall in no way affect the validity of any  
27 other provision hereof.

1           **19.5 Venue.** Any action at law or in equity brought by either of the  
2 Parties hereto for the purpose of enforcing a right or rights provided for by this Lease  
3 shall be tried in a court of competent jurisdiction in the County of Riverside, State of  
4 California, and the Parties hereto waive all provisions of law providing for a change of  
5 venue in such proceedings to any other county.

6           **19.6 Attorneys' Fees.** In the event of any litigation or arbitration  
7 between Lessor and County to enforce any of the provisions of this Lease or any right  
8 of either party hereto, the unsuccessful party to such litigation or arbitration agrees to  
9 pay to the successful party all costs and expenses, including reasonable attorneys'  
10 fees, incurred therein by the successful party, all of which shall be included in and as a  
11 part of the judgment rendered in such litigation or arbitration.

12           **19.7 County's Representative.** County hereby appoints the Assistant  
13 County Executive Officer/EDA as its authorized representative to administer this  
14 Lease.

15           **19.8 Agent for Service of Process.** It is expressly understood and  
16 agreed that in the event Lessor is not a resident of the State of California or it is an  
17 association or partnership without a member or partner resident of the State of  
18 California, or it is a foreign corporation, then in any such event, Lessor shall file with  
19 County's Assistant County Executive Officer/EDA, upon its execution hereof, a  
20 designation of a natural person residing in the State of California, giving his or her  
21 name, residence and business addresses, as its agent for the purpose of service of  
22 process in any court action arising out of or based upon this Lease, and the delivery to  
23 such agent of a copy of any process in any such action shall constitute valid service  
24 upon Lessor. It is further expressly understood and agreed that if for any reason  
25 service of such process upon such agent is not feasible, then in such event, Lessor  
26 may be personally served with such process out of this county and that such service  
27 shall constitute valid service upon Lessor. It is further expressly understood and  
28

1 agreed that Lessor is amenable to the process so served, submits to the jurisdiction of  
2 the court so obtained and waives any and all objections and protests thereto.

3 **19.9 Entire Lease.** This Lease is intended by the Parties hereto as a  
4 final expression of their understanding with respect to the subject matter hereof and as  
5 a complete and exclusive statement of the terms and conditions thereof and  
6 supersedes any and all prior and contemporaneous leases, agreements and  
7 understandings, oral or written, in connection therewith. This Lease may be changed  
8 or modified only upon the written consent of the Parties hereto.

9 **19.10 Interpretation.** The Parties hereto have negotiated this Lease at  
10 arms length and have been advised by their respective attorneys, or if not represented  
11 by an attorney, represent that they had an opportunity to be so represented and no  
12 provision contained herein shall be construed against County solely because it  
13 prepared this Lease in its executed form.

14 **19.11 Time of Essence.** Time is of the essence with respect to the  
15 performance of all obligations to be performed or observed by the Parties under this  
16 Lease.

17 **19.12 Recording.** Either Lessor or County shall, upon request of the  
18 other, execute, acknowledge and deliver to the other a short form memorandum of this  
19 Lease for recording purposes. The Party requesting recordation shall be responsible  
20 for payment of any fees applicable thereto.

21 **19.13 Consent.** Whenever Lessor's or County's consent is required  
22 under any provision of this Lease, it shall not be unreasonably withheld, conditioned or  
23 delayed.

24 **19.14 Title.** Lessor covenants that Lessor is well seized of and has good  
25 title to the Premises, and Lessor does warrant and will defend the title thereto, and will  
26 indemnify County against any damage and expense which County may suffer by  
27 reason of any lien, encumbrance, restriction or defect in title or description herein of the  
28 Premises. If, at any time, Lessor's title or right to receive Rent and any other sums due

1 hereunder is disputed, County may withhold such sums thereafter accruing until  
2 County is furnished satisfactory evidence as to the Party entitled thereto.

3 **19.15 Conveyance by Lessor.** Should Lessor convey the Premises, all  
4 rights and obligations inuring to the Lessor by virtue of this Lease shall pass to the  
5 grantee named in such conveyance, and the grantor shall be relieved of all obligations  
6 or liabilities hereunder, except those theretofore accrued and not discharged.

7 **19.16 Mechanic's Liens.** If any mechanic's or materialmen's lien or  
8 liens shall be filed against the Premises for work done or materials furnished to a Party,  
9 that Party shall, at its own cost and expense, cause such lien or liens to be  
10 discharged within fifteen (15) days after notice thereof by filing or causing to be filed a  
11 bond or bonds for that purpose. In the event any notice preliminary to establishing  
12 such a lien (such as the California Preliminary 20-Day Notice) is served on Lessor for  
13 work done on the Premises, Lessor shall immediately forward a copy of such notice to  
14 Lessee.

15 **19.17 Surrender.** County shall, after the last day of the term or any  
16 extension thereof or upon any earlier termination of such term, surrender and yield up  
17 to Lessor the Premises in good order, condition and state of repair, reasonable wear  
18 and tear and damage by fire or other casualty excepted. County may, but shall not be  
19 required to: (a) patch or paint any walls/surfaces; (b) remove any leasehold  
20 improvements constructed or installed prior to or during the term of this Lease or any  
21 extension thereof; or (c) remove any fixtures or equipment installed prior to or during  
22 the term of this Lease or any extension thereof.

23 **19.18 Notice.** Except as expressly provided elsewhere in this Lease,  
24 all notices and other communication required under this Lease shall be in writing and  
25 delivered by: (a) Certified Mail, postage prepaid, return receipt requested, in the United  
26 States mail; or (b) via an overnight courier that provides written evidence of delivery  
27 and addressed to the Party hereto to whom the same is directed at the addresses set  
28

1 forth in Section 19.18 herein. Either Party hereto may from time to time change its  
2 mailing address by written notice to the other Party.

**LEASEHOLD IMPROVEMENT AGREEMENT**  
65753 Pierson Boulevard, Desert Hot Springs, CA

This Leasehold Improvement Agreement shall set forth the terms and conditions relating to the construction of the County improvements in the Premises. This Leasehold Improvement Agreement is essentially organized chronologically and addresses the issues of the construction of the Premises, in sequence, as such issues will arise during the actual construction of the Premises. All references in this Leasehold Improvement Agreement to Paragraphs or Sections of the "Lease" shall mean the relevant portion of that certain Office Lease to which this Leasehold Improvement Agreement is attached as Exhibit "B" and of which this Leasehold Improvement Agreement forms a part, and all references in the Lease to Sections of "Leasehold Improvement Agreement" shall mean the relevant portion of this Leasehold Improvement Agreement and all references in this Leasehold Improvement Agreement to Sections of this Leasehold Improvement Agreement shall mean the relevant portion of this Leasehold Improvement Agreement.

**SECTION 1 - LESSOR'S INITIAL CONSTRUCTION OF PREMISES**

1.1 Lessor will cause the construction of, at its sole cost and expense, or has acquired or constructed, that certain free standing building described in Section 2 of the Lease, hereinafter referred to as the "Base Building."

**SECTION 2 - CONSTRUCTION DRAWINGS FOR THE PREMISES**

2.1 Lessor shall, at its sole cost and expense, and subject to reimbursement as hereinafter set forth, construct the improvements in the Premises (the "Leasehold Improvements") pursuant to those certain blueprints, floor and space plans, specification and finalize construction prices, collectively, the approved "Working drawings" prepared by Lessor's architect. Lessor shall make no changes or modifications to the Approved Working Drawings without the prior written consent of County, which consent may be withheld if such change or modification would directly or indirectly delay the "Substantial Completion," as that term is defined in Section 7.1 of this Leasehold Improvement Agreement, of the Premises or increase the cost of designing or constructing the Leasehold Improvements. Any changes or modifications approved by the County shall be at Lessor's sole cost and expense.

**SECTION 3 - CONSTRUCTION DRAWINGS**

3.1 Selection of Architect/Construction Drawings. Lessor shall retain an architect or space planner (the "Architect") to prepare the Construction Drawings. Lessor shall retain the engineering consultants (the "Engineers") to prepare all plans and engineering working drawings relating to the structural, mechanical, electrical, plumbing, HVAC, life safety, and sprinkler work of the Leasehold Improvements. The plans and drawings to be prepared by Architect and the Engineers hereunder shall be known collectively as the "Construction Drawings." All Construction Drawings shall comply with the drawing format and specifications as determined by Lessor, and shall be subject to County's approval, which shall not be unreasonably withheld or delayed. Lessor and

Architect shall verify, in the field, the dimensions and conditions as shown on the relevant portions of the Base Building Plans, and Lessor and Architect shall be solely responsible for the same, and County shall have no responsibility in connection therewith. County's review of the Construction Drawings as set forth in this Section 3, shall be for its sole purpose and shall not imply County's review of the same, or obligate Lessor to review the same, for quality, design, Code compliance or other like matters. Accordingly, notwithstanding that any Construction Drawings are reviewed by County or its agents and consultants, and notwithstanding any advice or assistance which may be rendered to Lessor by County or County's agents or consultants, County shall have no liability whatsoever in connection therewith and shall not be responsible for any omissions or errors contained in the Construction Drawings, and Lessor's waiver and indemnity set forth in this Lease shall specifically apply to the Construction Drawings.

**3.2 Final Space Plan.** Prior to execution of the Lease by County, Lessor and the Architect shall prepare the final space plan for Leasehold Improvements in the Premises (collectively, the "Final Space Plan"), which Final Space Plan shall include a layout and designation of all offices, rooms and other partitioning, their intended use, and equipment to be contained therein, and shall deliver the Final Space Plan County for County's approval.

Lessor hereby agrees that neither County nor County's agents or consultants shall be responsible for obtaining any building permit or certificate of occupancy for the Premises and that the obtaining of the same shall be Lessor's responsibility; provided however that County shall, in any event, cooperate with Lessor in executing permit applications and performing other ministerial acts reasonably necessary to enable Lessor to obtain any such permit or certificate of occupancy. No changes, modifications or alterations in the Approved Working Drawings may be made without the prior written consent of County, provided that County may withhold its consent, in its sole discretion, to any change in the Approved Working Drawings if such change would directly or indirectly delay the "Substantial Completion" of the Premises as that term is defined in Section 7 of this Leasehold Improvement Agreement.

**3.5** County shall use its best, good faith, efforts and all due diligence to cooperate with the Architect, the Engineers, and Lessor to complete all phases of the Construction Drawings and the permitting process and to receive the permits, and

Architect shall then prepare the necessary plan of such material or construction change and submit to General Contractor for pricing. General Contractor shall prepare change order with price to complete the change order. County shall be responsible for the total cost of all approved change orders and shall pay to Lessor the total amount of all approved change orders as defined in Section 9 herein.

#### **SECTION 5 - LESSOR COVENANTS**

5.1 Lessor recognizes, understands and covenants that any and all improvements shall be undertaken according to Exhibit "F", General Construction Specifications for Leased Facilities, attached thereto and made a part of the Lease.

turned on. Within ten (10) days thereafter, County shall schedule and conduct a "job walk" with Lessor for the purpose of accepting the Premises for occupancy. County shall accept the Premises if the improvements are Substantially Complete and the Premises are available for useful occupancy, as hereinafter defined. County reserves the right to determine if the Premises are Substantially Complete and available for useful occupancy.

## **SECTION 7 - COMPLETION OF THE COUNTY IMPROVEMENTS; LEASE COMMENCEMENT DATE**

7.1 For purposes of this Lease, "Substantial Completion" of the Premises shall occur upon the completion of construction of the Leasehold Improvements in the Premises pursuant to the Approved Working Drawings, and final approval by the local jurisdiction, with the exception of any punch list items and any County fixtures, workstations not subject to electrical inspection, built-in furniture, or equipment to be installed by County. Provided however, that such punch list items do not preclude the useful occupancy of the Premises. Useful occupancy herein defined as the Premises being safe, free of hazard, free of any risk to the safety of County employees and available for the use set forth in the Lease.

In no event shall Lessor be reimbursed an amount in excess of actual costs pursuant to Section 8.2 nor in excess of the total amount set forth in Section 8.1, whichever is less. Reimbursement shall be made in the following manner:

EXHIBIT B

## ASBESTOS

- A. Lessor shall operate and maintain the below described spaces free of hazard from asbestos containing construction materials (ACCM's) as defined in Title 15, Sections 1601 and 2607 of the United States Code. An asbestos hazard will be recognized if an average concentration exceeds 0.01 fibers longer than five microns per cubic centimeter of air measured over an eight hour period as determined by the Transmission Electron Microscopy (TEM) method. TEM testing will be mandatory if samples tested by the Phase Contrast Microscopy (PCM) method indicate .1 or more fibers per cc of air.
1. Space leased to the County and plenums in the same HVAC zone.
  2. Common public areas which County employees or its invitees would normally/reasonably use.
  3. Building maintenance areas, utility spaces, and elevator shafts within or serving areas described in items 1 and 2 above.
- B. In the event construction of the building wherein leased premises are located was completed prior to 1979, the Lessor shall provide the County with certification that the areas referred to above are free of asbestos hazard from ACCM's prior to the execution of this lease. If said premises were constructed after 1979, Lessor shall provide County with a written statement to that effect.
- C. Certification shall be in the form of an ACCM's Survey and Evaluation Report prepared by a qualified Industrial Hygienist who shall be certified by the American Board of Industrial Hygiene (ABIH) or an Environmental Protection Agency (EPA) – Asbestos Hazard Emergency Response Act (AHERA) certified inspector. Said survey shall include those areas listed in paragraph (A). Survey requirements are: visual walk-through inspection and testing of suspected ACCM's. Bulk samples of suspected ACCM's shall be analyzed by a laboratory certified by the Department of Health Services and recognized by the EPA Quality Assurance Program using the polarized light microscopy (PLM) method. If friable asbestos is found or the physical condition of suspected ACCM's indicate possible fiber release, air sampling and testing by the Phase Contrast Microscopy (PCM) method must be performed. If asbestos fiber concentrations of .1 fibers per cc of air or greater are found, further testing by the Transmission Electron Microscopy (TEM) method is mandatory. Said survey and evaluation report shall identify all ACCM's found and recommend abatement procedures. If necessary, the report shall also specify guidelines for the implementation of an operation and maintenance plan inclusive of any required monitoring and testing intervals. The report is subject to review and approval by the County and the Lessor shall agree to all conditions contained therein.

- D. If at any time during the term of this lease, or during any extension or renewal hereof, previously unidentified ACCM's hazard is discovered, or airborne asbestos fibers above the maximum allowable limits are found to be entering the County-leased space from any other area within the building or buildings in which the County-leased space is located, the Lessor shall immediately, at Lessor's sole cost and expense, control such release and perform abatement of all hazardous ACCM's that are determined to be affecting the County-leased space.
- E. Lessor shall perform asbestos notification as required by Chapter 10.4 of the Health and Safety Code and shall guarantee that all abatement work as required under the conditions of this lease is performed by a licensed contractor certified by the Contractors State License Board and registered with the Division of Occupational Safety and Health. The County reserves the right to establish consultant oversight of any asbestos related work program at its expense.
- F. Additionally, Lessor shall be responsible for any and all direct or indirect costs associated with the abatement of the above described ACCM's which include, but is not limited to the actual costs to the Lessor for ACCM's abatement and for all required monitoring reports before, during, and after abatement. In effect, all costs shall be borne by the Lessor that are in any way associated with the abatement of ACCM's from the Lessor's building including clean up of contaminated County-owned equipment, furnishings, and materials. Copies of the air monitoring reports shall be furnished to the County together with certification by an Industrial Hygienist Consultant registered with Cal/OSHA that the area is free of hazard from ACCM's.
- G. If it is determined that for safety reasons its employees should be relocated at any time prior to or during the abatement of ACCM's, the Lessor shall provide comparable accommodating space (at no cost to the County) throughout the abatement process. Said determination shall be made by a qualified representative of Cal/OSHA. The Lessor specifically agrees to pay for all costs associated with this move or reimburse the County, if the County paid for this cost, including all reasonable administrative costs and cost of moving or renting furniture, data processing, and telephone equipment.
- H. In the event, after written notice is provided by the County, the Lessor fails, refuses, or neglects to diligently pursue abatement of above described asbestos hazard from ACCM's, the County may effect such abatement; and, in addition to any other remedies it may have, deduct all reasonable costs of such abatement and all costs associated in any way with the abatement of the above described ACCM's from the rent that may then be or thereafter become due throughout the term of this lease. For this purpose and as a condition of this lease agreement, the Lessor shall obtain an EPA generator number and grant license to the County for its use.

- I. In addition to any other remedies it may have, in the event the Lessor fails to diligently pursue abatement of asbestos hazard from ACCM's, as required under the provisions of this lease, the County may, by notice in writing, terminate this lease. Lessor shall be liable to the County for all expenses, losses, and damages reasonably incurred by the County as a result of such termination; including, but not limited to additional rental necessary to pay for an available similar replacement facility over the period of what would have been the remaining balance of the lease term plus any option periods, costs of any necessary alterations to the replacement facility, administrative costs, and costs of moving furniture, data processing, and telephone equipment.
  
- J. The Lessor shall indemnify, defend, and hold the County of Riverside, its officers, and employees harmless from and against any and all losses, damages, judgements, expenses (including court costs and reasonable attorney fees), or claims whatsoever, arising out of, or in any way connected with or related to, directly or indirectly, the presence of asbestos hazard from ACCM's within the County-leased space or the building in which the leased premises are located.

### SUBORDINATION, NON-DISTURBANCE, AND ATTORNMENT AGREEMENT

This Subordination, Non-disturbance, and Attornment Agreement ("Agreement") is made as of \_\_\_\_\_ between \_\_\_\_\_ (Lender), a \_\_\_\_\_, having its principal place of business at \_\_\_\_\_ and the County of Riverside (County), by its authorized representative the Assistant County Executive Officer/EDA having its address for notification at 3403 Tenth Street, Suite 500, Riverside, California 92501.

#### Recitals:

A. Lender has agreed to make a loan to \_\_\_\_\_, a \_\_\_\_\_ (Lessor), to be secured by a deed of trust, dated \_\_\_\_\_, \_\_\_\_\_, and recorded on \_\_\_\_\_, \_\_\_\_\_, as Instrument No. \_\_\_\_\_, in the Official Records of \_\_\_\_\_ County, California (together with all amendments, increases, renewals, modifications, consolidations, replacements, substitutions, and extensions, either current or future, referred to hereafter as the "Mortgage") encumbering Lessor's ownership interest in real property located in \_\_\_\_\_, \_\_\_\_\_, State of California. The legal description of the encumbered real property (the "Mortgage Premises") is set forth in Exhibit A, attached to this Agreement. The Mortgage, together with the promissory note or notes, the loan agreement(s), and other documents executed in connection with it are hereafter collectively referred to as the "Loan Documents".

B. On \_\_\_\_\_, \_\_\_\_\_, County and Lessor entered into a lease for the Mortgage Premises (the Lease). The Lease creates a leasehold estate in favor of County for space (the "Premises") located on the Mortgage Premises.

C. In connection with execution of the Mortgage, Lessor also executed and delivered to Lender an Assignment of Leases, Rents and Profits dated \_\_\_\_\_, \_\_\_\_\_, and recorded on \_\_\_\_\_, \_\_\_\_\_, as Instrument No. \_\_\_\_\_, in the Official Records of the County Recorder of \_\_\_\_\_, California concerning all rents, issues and profits from the Mortgage Premises. This document, together with all amendments, renewals, modifications consolidations, replacements, substitutions and extensions, is hereafter referred to as the "Assignment of Rents."

To confirm their understanding concerning the legal effect of the Mortgage and the Lease, in consideration of the mutual covenants and agreements contained in this Agreement and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

Lender and County, intending to be legally bound, agree and covenant as follows:

1. **Representations and Warranties.** County warrants and represents that the Lease is in full force and effect and that, as of the date of this Agreement and to the best of County's knowledge, there is no default under the Lease by Lessor or County.

2. **County Subordination.**

2.1. Subject to the provisions of Section 3, the Loan Documents shall constitute a lien or charge on the Mortgage Premises that is prior and superior to the Lease, to the leasehold estate created by it, and to all rights and privileges of County under it; by this Agreement, the Lease, the leasehold estate created by it, together with all rights and privileges of County under it, is subordinated, at all times, to the lien or charge of the Loan Documents in favor of Lender.

2.2. By executing this Agreement, County subordinates the Lease and County's interest under it to the lien right and security title, and terms of the Loan Documents, and to all advances or payments made, or to be made, under any Loan Document.

3. **Non-disturbance.**

3.1. Lender consents to the Lease.

3.2. Despite County's subordination under Section 2, County's peaceful and quiet possession of the Premises shall not be disturbed and County's rights and privileges under the Lease, including its right to early termination, its right to extend the term of the Lease, its right of first refusal to lease the property after expiration of the original term and any extensions thereof, shall not be diminished by Lender's exercise of its rights or remedies under the Loan Documents, provided that County has not canceled or terminated the Lease, nor surrendered, or abandoned the Premises.

3.3. If (a) Lender shall acquire title to, and possession of, the Premises on foreclosure in an action in which Lender shall have been required to name County as a party defendant, and (b) County is not in default under the Lease beyond any applicable cure or grace periods, has not canceled or terminated the Lease, nor surrendered, vacated or abandoned the Premises and remains in actual possession of the Premises at the time Lender shall so acquire title to, and possession of, the Premises, Lender and County shall enter into a new lease on the same terms and conditions as were contained in the Lease, except that:

(a) The obligations and liabilities of Lender under a new lease shall be subject to the terms and conditions of this Agreement (including the provisions of Sections 5-7);

(b) Lender shall have no obligations or liabilities to County under any such new lease beyond those of Lessor as were contained in the Lease; and

(c) The expiration date of any new lease shall coincide with the original expiration date of the Lease.

3.4. County shall not be named or joined in any foreclosure, trustee's sale, or other proceeding to enforce the Loan Documents unless such joinder shall be legally required to

perfect the foreclosure, trustee's sale, or other proceeding.

4. **Attornment.**

4.1. If Lender shall succeed to Lessor's interest in the Mortgage Premises by foreclosure of the Mortgage, by deed in lieu of foreclosure, or in any other manner, County shall be bound to Lender under all the terms, covenants and conditions of the Lease for the balance of its term with the same force and effect as if Lender were the Lessor under the Lease. County shall be deemed to have full and complete attornment to, and to have established direct privity between County and:

- (a) Lender when in possession of the Mortgage Premises;
- (b) a receiver appointed in any action or proceeding to foreclose the Mortgage;
- (c) any party acquiring title to the Mortgage Premises; or
- (d) any successor to Lessor.

4.2. County's attornment is self-operating, and it shall continue to be effective without execution of any further instrument by any of the parties to this Agreement or the Lease. Lender agrees to give County written notice if Lender has succeeded to the interest of the Lessor under the Lease. The terms of the Lease are incorporated into this Agreement by reference.

4.3. If the interests of Lessor under the Lease are transferred by foreclosure of the Mortgage, deed in lieu of foreclosure, or otherwise, to a party other than Lender (Transferee), in consideration of, and as condition precedent to, County's agreement to attorn to any such Transferee, Transferee shall be deemed to have assumed all terms, covenants, and conditions of the Lease to be observed or performed by Lessor from the date on which the Transferee succeeds to Lessor's interests under the Lease.

5. **Lender as Lessor.** If Lender shall succeed to the interest of Lessor under the Lease, Lender shall be bound to County under all the terms, covenants and conditions of the Lease, and County shall, from the date of Lender's succession to the Lessor's interest under the Lease, have the same remedies against Lender for breach of the Lease that County would have had under the Lease against Lessor; provided, however, that despite anything to the contrary in this Agreement or the Lease, Lender, as successor to the Lessor's interest, shall be:

- (a) liable for any act or omission of the Lessor; provided that the Lender may elect either to perform the pre-existing obligation or to permit the County to perform it and to recover the cost out of Rent;
- (b) subject to any offsets or defenses expressly permitted under the Lease, including abatement rights which County might have had against Lessor;
- (c) bound by any rent or additional rent that County might have paid for more than one month in advance to Lessor; or
- (d) bound by an amendment or modification of the Lease even though

made without Lender's written consent and whether or not the amendment or modification materially adversely affect any right of Lessor under the Lease.

(e) subject to the County's right to assert continuing claims, such as material interference with the County's use and enjoyment of the premises, against the Lender.

6. **Right To Cure.** County agrees that, before County exercises any of its rights or remedies under the Lease, Lender shall have the right, but not the obligation, to cure the default within the same time given Lessor in the lease to cure the default, plus an additional thirty (30) days or ten (10) days in the case of defaults in the payment of money from Lessor to County. County agrees that the cure period shall be extended by the time necessary for Lender to commence foreclosure proceedings and to obtain possession of the Mortgage Premises, provided that:

(a) Lender shall notify County of Lender's intent to effect its remedy;

(b) Lender initiates immediate steps to foreclose on or to recover possession of the Mortgage Premises;

(c) Lender initiates immediate legal proceedings to appoint a receiver for the Mortgage Premises or to foreclose on or recover possession of the Mortgage Premises within the thirty (30) day period; and

(d) Lender prosecutes such proceedings and remedies with due diligence and continuity to completion.

7. **Assignment of Rents.** If Lessor defaults in its performance of the terms of the Loan Documents, County agrees to recognize the Assignment of Rents made by Lessor to Lender and shall pay to Lender, as assignee, from the time Lender gives County notice that Lessor is in default under the terms of the Loan Documents, the rents under the Lease, but only those rents that are due or that become due under the terms of the Lease after notice by Lender. Payments of rents to Lender by County under the assignment of rents and Lessor's default shall continue until the first of the following occurs:

(a) No further rent is due or payable under the Lease;

(b) Lender gives County notice that the Lessor's default under the Loan Documents has been cured and instructs County that the rents shall thereafter be payable to Lessor;

(c) The lien of the Mortgage has been foreclosed and the purchaser at the foreclosure sale (whether Lender or a Transferee) gives County notice of the foreclosure sale. On giving notice, the purchaser shall succeed to Lessor's interests under the Lease, after which time the rents and other benefits due Lessor under the Lease shall be payable to the purchaser as the owner of the Mortgage Premises.

8. **County's Reliance.** When complying with the provisions of Section 7, County shall be entitled to rely on the notices given by Lender under Section 7, and Lessor agrees to release, relieve, and protect County from and against any and all loss, claim, damage, or liability (including reasonable attorney's fees) arising out of County's compliance with such notice.

County shall be entitled to full credit under the Lease for any rents paid to Lender in accordance with Section 7 to the same extent as if such rents were paid directly to Lessor. Any dispute between Lender (or Lender's Transferee) and Lessor as to the existence of a default by Lessor under the terms of the Mortgage, the extent or nature of such default, or Lender's right to foreclosure of the Mortgage, shall be dealt with and adjusted solely between Lender (or Transferee) and Lessor, and County shall not be made a party to any such dispute (unless required by law).

9. **Lender's Status.** Nothing in this Agreement shall be construed to be an agreement by Lender to perform any covenant of the Lessor under the Lease unless and until it obtains title to the Mortgage Premises by power of sale, judicial foreclosure, or deed in lieu of foreclosure, or obtains possession of the Mortgage Premises under the terms of the Loan Documents.

10. **Cancellation of Lease.** County agrees that it will not cancel, terminate, or surrender the Lease, except at the normal expiration of the Lease term or as provided in the Lease.

11. **Special Covenants.** Despite anything in this Agreement or the Lease to the contrary, if Lender acquires title to the Mortgage Premises, County agrees that: Lender shall have the right at any time in connection with the sale or other transfer of the Mortgage Premises to assign the Lease or Lender's rights under it to any person or entity, and that Lender, its officers, directors, shareholders, agents, and employees shall be released from any further liability under the Lease arising after the date of such transfer, provided that the assignee of Lender's interest assumes Lender's obligations under the Lease, in writing, from the date of such transfer.

12. **Transferee's Liability (Non Recourse).** If a Transferee acquires title to the Mortgage Premises:

(a) County's recourse against Transferee for default under the Lease shall be limited to the Mortgage Premises or any sale, insurance, or condemnation proceeds from the Mortgage Premises;

(b) County shall look exclusively to Transferee's interests described in (a) above for the payment and discharge of any obligations imposed on Transferee under this Agreement or the Lease ; and

- (i) Transferee, its officers, directors, shareholders, agents, and employees are released and relieved of any personal liability under the Lease;
- (ii) County shall look solely to the interests of Transferee set forth in (a) above, and
- (iii) County shall not collect or attempt to collect any judgment out of any other assets, or from any general or limited partners or shareholders of Transferee.

13. **Transferee's Performance Obligations.** Subject to the limitations provided in Sections 11 and 12, if a Transferee acquires title to the Mortgage Premises, the Transferee shall perform and recognize all County improvement allowance provisions, all rent-free and rent rebate provisions, and all options and rights of offer, in addition to Lessor's other obligations under the Lease.

14. **Notice.** All notices required by this Agreement shall be given in writing and shall be deemed to have been duly given for all purposes when:

(a) deposited in the United States mail (by registered or certified mail, return receipt requested, postage prepaid); or

(b) deposited with a nationally recognized overnight delivery service such as Federal Express or Airborne.
