BACKGROUND (continued):

recorded Notice of Completion for each project. The City of Norco has commenced construction of the Eastvale MDP Line E-3 project in conjunction with Hamner Avenue street improvements. Although construction of the storm drain is substantially complete, the street improvements will not be completed for several more weeks. Hence, the City cannot furnish a copy of the recorded Notice of Completion at this time.

Approval of the payment advance in the amount of \$320,000 (80% of the engineer's estimate) will allow the City to move forward at this time with construction of other drainage facilities included in the Cooperative Funding Agreement.

FINANCIAL:

Sufficient funding is available in the District's Zone 2 budget for FY 2012-13.
