BACKGROUND (continued):

The National Pollutant Discharge Elimination System (NPDES) Permits for Riverside County require Riverside County's municipal stormwater permittees (District, County of Riverside, Coachella Valley Water District, and the incorporated Cities) to respond to emergency spills in the County of Riverside.

In compliance with the NPDES Permits, the District has chosen to continue to help financially support the Hazardous Materials Emergency Response Team for its emergency response services. Therefore, the District will contribute a lump sum amount of one million eight hundred twenty-five thousand dollars (\$1,825,000) to the Riverside County Fire Department to help support its Hazardous Materials Emergency Response Team for Fiscal Years 2012/13, 2013/14, 2014/15, 2015/16 and 2016/17.

County Counsel has approved this Agreement as to legal form. A companion item appears on the County of Riverside's agenda this same date.

FINANCIAL:

The financial contribution to help support Hazardous Materials Emergency Response Team for Fiscal Years 2012/13 through 2016/17 will be paid in a lump sum payment of one million eight hundred twenty-five thousand dollars (\$1,825,000) in Fiscal Year 2012/2013. No additional contribution will be made in Fiscal Years 2013/14 through 2016/17.

MULTI-YEAR AGREEMENT

For Hazardous Materials Emergency Response Team Services
FY 2012/13 to FY 2016/17

The Riverside County Flood Control and Water Conservation District,
hereinafter called "DISTRICT", and the County of Riverside, hereinafter called "COUNTY",
hereby agree as follows concerning COUNTY'S Hazardous Materials Emergency Response
Team:

RECITALS

A. Congress in 1987 added Section 402(p) to the Federal Clean Water Act
(CWA) {33 U.S.C. §1342(p)}; and

B. Section 402(p) requires certain municipalities to obtain a National
Pollutant Discharge Elimination System (NPDES) Permit to discharge stormwater from
Municipal Separate Storm Sewer Systems (MS4s) into waters of the United States; and

C. Pursuant to 33 U.S.C. §1342(p) (2) (C), (D) and (E), DISTRICT,
COUNTY, the Coachella Valley Water District (CVWD) and certain incorporated Cities within
Riverside County have obtained NPDES Permits for municipal stormwater discharges; and

D. Section 402(p) further requires the United States Environmental Protection
Agency (USEPA) to promulgate regulations requiring NPDES Permit applications; and

E. USEPA promulgated such regulations and adopted them in November
1990; and

F. USEPA has delegated its authority to the California State Water Resources
Control Board (SWRCB) to administer the NPDES Permit process within the State of
California; and

G. SWRCB has in turn delegated its NPDES permitting authority to the
Regional Water Quality Control Boards (RWQCBs) to administer the NPDES Permit process

within the boundaries of their respective regions; and

H. DISTRICT and CVWD are authorized to provide for the control of flood and stormwater within their respective jurisdictions of the County of Riverside and are empowered to investigate, examine, measure, analyze, study and inspect matters pertaining to flood and stormwaters; and

I. DISTRICT, COUNTY, CVWD and certain incorporated Cities within Riverside County have obtained NPDES Permits from the respective RWQCBs in order to comply with Section 402(p); and

J. The NPDES Permits require the municipal permittees to develop comprehensive stormwater discharge management programs to improve water quality and to respond to emergency incidents to control the discharge of pollutants to the waters of the United States in the County of Riverside; and

K. COUNTY, through the Riverside County Fire Department, staffs and maintains a Hazardous Materials Emergency Response Team, hereinafter called "TEAM"; and

L. In accordance with certain responsibilities described in the NPDES Permits and the NPDES Stormwater Discharge Permit Implementation Agreements for the Santa Ana Region (Santa Ana Drainage Area) dated November 30, 2010; San Diego Region (Santa Margarita Drainage Area) dated December 6, 2011; and Colorado River Basin Region (Whitewater Drainage Area) dated March 18, 2008, DISTRICT wishes to contribute a lump sum amount of not to exceed one million eight hundred twenty-five thousand dollars (\$1,825,000), hereinafter called "CONTRIBUTION", to help support TEAM'S existence and its current activity status for Fiscal Years 2012/13 through 2016/17 as set forth herein.

NOW, THEREFORE, the parties hereto do mutually agree as follows:

- 1. DISTRICT CONTRIBUTION – Within sixty (60) days after execution of

1 this Agreement, DISTRICT shall pay COUNTY for CONTRIBUTION to help support
2 TEAM'S existence and its current activity status for Fiscal Years 2012/13 through 2016/17 as
3 set forth herein.

4 2. ANNUAL PROGRAM REVIEW – During January of each year,
5 DISTRICT and COUNTY representatives shall meet and review program status, scope, costs,
6 priorities, and projected activities for TEAM.

7 3. USE OF CONTRIBUTION – COUNTY shall use CONTRIBUTION only
8 for salaries, equipment and maintenance of TEAM.
9

10 4. INDEMNITY AND HOLD HARMLESS – COUNTY shall indemnify and
11 hold DISTRICT, its officers, employees and agents free and harmless from all claims, actions,
12 damages and liabilities of whatsoever kind and nature arising from death, personal injury,
13 property damage or other cause asserted or based upon any act or omission of TEAM relating
14 to or in any way connected with the accomplishment of the work or performance of services of
15 TEAM. As part hereto of the foregoing indemnity, COUNTY agrees to protect and to defend
16 at its own expense, including attorneys' fees, DISTRICT, its officers, agents and employees
17 from any and all legal action based upon any negligent acts or omissions, as stated hereinabove,
18 by any person or persons.
19

20 5. REPORTS AND INFORMATION – COUNTY shall submit to DISTRICT
21 on or before August 15th a report summarizing the activities, responses, and cases handled or
22 performed by TEAM between July 1st and June 30th of the previous Fiscal Year. The report
23 shall consist of a narrative describing TEAM, its operations and any major spills, and a
24 categorization of TEAM'S responses showing the following: responses inside and outside
25 DISTRICT'S jurisdiction, traffic related responses, industrial related responses, drug
26 enforcement responses, and other response categories. The report shall also include a
27
28

description of current TEAM operating expenses and revenue sources (budget).

1
2 6. TEAM OPERATIONS – This Agreement does not give DISTRICT any
3 authority to dictate the day to day activities of TEAM, or grant DISTRICT any authority over
4 any TEAM personnel other than that stated in this paragraph. TEAM shall, at DISTRICT'S
5 request, provide timely response to emergency incidents where a hazardous material is entering
6 or has a reasonable potential to enter a DISTRICT owned storm drain facility, provided that
7 TEAM is not already committed to another incident. TEAM shall respond to emergency
8 incidents irrespective of the local jurisdiction (City or County) in which said DISTRICT
9 facilities are located.
10

11 7. TERM OF AGREEMENT – This Agreement shall commence on the date
12 of execution thereof and shall continue in effect until June 30, 2017.

13 8. TERMINATION OF AGREEMENT – Either party may terminate the
14 provisions of this Agreement subject to six (6) month's written notice thereof.

15 9. NOTICES – Any and all notices sent or required to be sent to the parties of
16 this Agreement will be mailed by first class mail, postage prepaid, to the following addresses:
