BACKGROUND:

The County of Riverside Transportation Department (RCTD) is proposing to widen Fred Waring Drive, between Adams Street and Port Maria Road in the Bermuda Dunes/La Quinta area of eastern Riverside County (Project). The Project includes widening the existing Fred Waring Drive from four to six lanes, installation of a sound wall on the south side of Fred Waring Drive, and construct a parking lane on the north side of Fred Waring Drive to allow for safe ingress/egress from the residential homes.

On January 8, 2013, the Board approved Item 3-34 adopting the Mitigated Negative Declaration for Environmental Assessment No. 42564, approving the Fred Waring Drive Improvement Project, and adopting the Mitigation Monitoring and Reporting Program for the Project.

RCTD has contracted with Overland, Pacific & Cutler (OPC), acquisition consultants, with oversight role by Economic Development Agency/Facilities Management (EDA/FM). OPC has negotiated the acquisition of temporary access rights of a portion of the property with the following owners:

Parcel No.	Assessor's Parcel No. (portion)	Owner	Rental Price and Improvements	Associated Costs*	Subtotal
0689-015A	609-340-002	Espero	\$53,340.38	\$2,500	\$55,840.38
0689-016A	609-340-003	Rowell	\$53,340.38	\$2,500	\$55,840.38
Totals			\$106,680.76	\$5,000	\$111,680.76

*Preliminary Title Report, County Appraisal, Consultant Time, and Staff Time

(Continued)

BACKGROUND: (Continued)

The Form 11 has been reviewed and approved by County Counsel as to legal form.

FINANCIAL DATA:

The following summarizes the funding necessary for the temporary access of portions of Assessor's Parcel Numbers: 609-340-002 and 609-340-003:

Temporary Access (Rental Price)	\$106,680.76
EDA/FM Real Property Staff Time	5,000
Total Estimated Acquisition Costs	\$111,680.76

The remaining costs will be paid directly by the Transportation Department. All costs associated with this property acquisition are fully funded in the Transportation Department's budget for FY 2012/13. Thus, no additional net county cost will be incurred as a result of the transaction.

PROJECT: Fred Waring Drive Improvements
APN: 609-340-002 (PORTION)
PARCEL NO.: 0689-015A

TEMPORARY CONSTRUCTION ACCESS AGREEMENT

This Temporary Construction Access Agreement ("Agreement") is made by and
between the COUNTY OF RIVERSIDE, a political subdivision of the State of California,
("County") and SERGIO E. ESPERO and MARIA R. ESPERO, husband and wife as
joint tenants, ("Grantor"). County and Grantor are sometimes collectively referred to as
"Parties."

1. RIGHTS GRANTED. The right is hereby granted to County to enter upon
and use the land of Grantor in the County of Riverside, State of California, as portion of
Assessor's Parcel Number 609-340-002, highlighted on Attachment "1," attached
hereto ("Property"), and made a part hereof, for temporary access and for all purposes
necessary to facilitate and accomplish the construction of Fred Waring Drive
Improvements Project.

2. AFFECTED PARCEL. The temporary construction access, used during
construction of the Project, referenced as Parcel No. 0689-015A consisting of 2,300
square feet as depicted on Attachment "2," attached hereto, and made a part hereof
("TCA Area").

3. COMPENSATION. County shall pay to the order of Grantor the sum of
Fifty Three Thousand Three Hundred Forty Dollars and Thirty Eight Cents (\$53,340.38)

1 for the right to enter upon and use the TCA Area in accordance with the terms hereof.
2 The improved value is based on the highlighted items shown in attachment "3",
3 (Description of Improvement), attached hereto and is included in the total
4 compensation of this agreement.

5 4. NOTICE TO GRANTOR. County shall provide a 30 day written notice
6 to the Grantor prior to using the rights herein granted. The rights herein granted may
7 be exercised for six (6) months from the 30 day written notice, or until completion of
8 said Project, whichever occurs later.

9 5. EQUIPMENT. It is understood that the County may enter upon the TCA
10 Area where appropriate or designated for the purpose of getting equipment to and from
11 the TCA Area.

14 may be impacted by construction activities. Grantor is responsible for the
15 purchase and installation of Attachment "3" items. Grantor removes the
16 County from the obligation or responsibility for installation or restoration
17 of these items. Grantor will be responsible for the purchase of labor,
18 materials, demolition, engineering, retrofit, and reconstruction of the
19 upper wall to meet County and Project standards, which includes and is
20 not limited to painting, capping, and electrical work. Grantor waives
21 rights to seek additional compensation for landscaping and any other
22 costs associated with this project.

23 b. County's Responsibilities - County or its contractors shall remove or alter
24 some of the landscape, irrigation and hardscape items necessary to
25 complete the public improvement project from the TCA Area. The County
26 or its contractors will match the grade of the parcel to the roadway at the
27 property line, add two courses of additional block wall, reconstruct or
28 retrofit the lower wall to comply with County and Project standards. This

1 will require relocating mailbox and reconstructing entry driveway approach.
2 An exhibit depicting the existing condition of the property with these
3 recommended improvements is attached, Attachment "4". Any privately-
4 owned site improvements currently located within the public right of way
5 will be removed by the contractor without compensation. County will
6 provide vehicle/pedestrian access to the property during construction. If
7 access is blocked for more than one business day or twenty four hours, the
8 owner will be compensated on a daily basis of \$200.00 per day.

9 c.

10 7. DEBRIS REMOVED. At the termination of the period of use of TCA Area
11 by County, but before its relinquishment to Grantor, debris generated by County's use
12 will be removed and the surface will be graded and left in the condition found.

13 8. HOLD HARMLESS. Grantor shall be held harmless from all claims of
14 third persons arising from the County's use of the TCA Area permitted under this
15 Agreement; however, this hold harmless agreement does not extend to any liability
16 arising from or as a consequence of the presence of hazardous waste on the Property.

17 9. OWNERSHIP. Grantor hereby warrants that they are the owners of the
18 Property and that they have the right to grant County permission to enter upon and use
19 the Property.

20 10. ENTIRE AGREEMENT. This Agreement is the result of negotiations
21 between the parties hereto. This Agreement is intended by the parties as a final
22 expression of their understanding with respect to the matters herein and is a complete
23 and exclusive statement of the terms and conditions thereof. This Agreement
24 supersedes any and all other prior agreements or understandings, oral or written, in
25 connection therewith. No provision contained herein shall be construed against the
26 County solely because it provided or prepared this Agreement.

27 11. MODIFICATIONS IN WRITING. This Agreement shall not be changed,
28 modified, or amended except upon the written consent of the parties hereto.

1 12. SUCCESSORS AND ASSIGNS. Grantor, its assigns and successors in
2 interest, shall be bound by all the terms and conditions contained in this Agreement,
3 and all the parties thereto shall be jointly and severally liable thereunder.

4 13. TITLES AND HEADINGS. Titles and headings to articles, paragraphs or
5 subparagraphs herein are for the purpose of convenience and reference only, and shall
6 in no way limit, define or otherwise affect the provisions of this Agreement.

7 16. GOVERNING LAW AND VENUE. Any action at law or in equity brought
