Office on Aging
Multipurpose Senior Services Program Contract Agreement (MS-1314-24)
between the California Department of Aging (CDA) and Riverside County Office
on Aging for Fiscal Year 2013-2014, All Districts.
June 20, 2013
Page 2

BACKGROUND: (Continued)

The Office on Aging is a local MSSP site that provides care management services in Riverside County for seniors with physical or cognitive disabilities that put them at risk of nursing home placement. The Office on Aging maintains an annual contract with CDA in order to provide these services.

Many seniors who need substantial care do not know which services they need or how to obtain them; therefore the Office on Aging MSSP Care Managers, who are social workers and community health nurses, assist clients to access services they need in order to remain in their home. Care managers evaluate individual needs, access existing resources, purchase essential supplementary services, provide advocacy and health education, and valuable guidance and support to family members and caregivers.

Funding for the MSSP will come from State and Federal funds in the amount of One Million Sixty-Two Thousand Six-Hundred and Eighty Dollars (\$1,062,680.00).

These funds have been processed through the countywide budgetary process and will be formally approved once the Fiscal Year 2013-2014 budget is adopted by the Board of Supervisors. This Agreement reflects the current contract from CDA.

Staff recommends that the Board of Supervisors approve the Agreement with CDA to implement the MSSP for Fiscal Year 2013-2014.

There is no impact to the County of Riverside general fund and the Office on Aging will not be requesting any additional matching requirements.

The MSSP is a Medi-Cal waiver program authorized pursuant to Section 1915(c) of Title XIX of the Social Security Act. The primary objectives of the Multipurpose Senior Services Program (MSSP) are to:

1. Avoid the premature placement of frail older persons in nursing facilities
2. Foster independent living in their communities

- <http://www.calhr.ca.gov/employees/Pages/travel-out-of-state.aspx>

This is not to be construed as limiting the Contractor from paying any differences in costs, from funds other than those provided by this Department, between the Department of Personnel Administration rates and any rates the Contractor is obligated to pay under other contractual agreements. No travel outside the State of California shall be reimbursed unless prior written authorization is obtained from the State. (CCR, Title 2 Section 599.615 et seq.)

The Contractor agrees to include these requirements in all contracts it enters into with subcontractors/vendors to provide services pursuant to this Agreement.

The Contractor is required to acknowledge the support of CDA in writing, whenever publicizing the work under this Agreement in any media.

- B. The Contractor shall maintain accounting records for funds received under the terms and conditions of this Agreement. These records shall be separate from those for any other funds administered by the Contractor and shall be kept in accordance with Generally Accepted Accounting Principles and Procedures.

- C. Upon termination, cancellation, or expiration of this Agreement or dissolution of the entity, the Contractor, upon written demand, shall immediately return to DHCS any funds provided under this Agreement, which are not payable for goods or services delivered prior to the termination, cancellation, or expiration of this Agreement or the dissolution of the entity.

- D. Interest Earned
 1. The Contractor or subcontractor may keep interest amounts up to \$100 per fiscal year for Local Government Agencies [45CFR 92.21(i)] and \$250 for Non-Profit Organizations [45CFR 92.22(l)] for administrative expenses.
 2. Non-profits shall maintain advances of federal funds in interest bearing accounts, unless (a), (b), or (c) apply.
 - a. The recipients receive less than \$120,000 in federal awards per year.
 - b. The best reasonably available interest bearing account would not be expected to earn interest in excess of \$250 per year on federal cash balances.
 - c. The depository would require an average or minimum balance so high that it would not be feasible within the expected federal and nonfederal cash resources.

ARTICLE III. BUDGET AND BUDGET REVISION

- A. Payment for performance by the Contractor under this contract may be dependent upon the availability of future appropriations by the Legislature or Congress for the purposes of this contract. No legal liability on the part of the State for any payment may arise under this contract until funds are made available and until the Contractor has received notice of funding availability, which will be confirmed in writing.

ARTICLE III. BUDGET AND BUDGET REVISION (Continued)

B. Funding Reduction in Subsequent Fiscal Years

1. If funding for any State fiscal year is reduced or deleted by the Legislature, Congress, or Executive Branch of State Government for the purposes of this program, the State shall have the option to either:
 - a. Terminate the Contract pursuant to Exhibit D, Article XIII, A
 - b. Offer a contract amendment to the Contractor to reflect the reduced funding for this contract
 2. In the event that the State elects to offer an amendment, it shall be mutually understood by both parties that the State reserves the right to determine which contracts, if any, under this program shall be reduced and that some contracts may be reduced by a greater amount than others. The State shall determine, at its sole discretion, the amount that any or all of the contracts shall be reduced for the fiscal year.
- C. The Contractor shall be reimbursed for expenses only as itemized in the approved Site Budget, which is attached and hereby incorporated into this exhibit.
- D. Category amounts stipulated in the Budget, a part of Exhibit B, are the maximum amounts that may be reimbursed by DHCS under this Agreement.
- E. "Line Item Budget," includes the detail of budget line item information filed and recorded with CDA's program contact. Indirect costs shall not exceed 15 percent of direct salaries plus benefits.
- F. The Contractor must obtain prior written approval from CDA to transfer funds between the care management and care management support categories if the amount is greater than 5 percent. This request shall be submitted on a Revised Budget Form. The Contractor must provide justification and supporting documentation for the requested revision.
- G. The contractor must obtain prior written approval from CDA to transfer funds out of the waiver service category.
- H. Budgeting processes and conditions will be subject to instructions that will be issued to the Contractor under separate cover.
