Good morning. Per Kecia, there is some confusion on an RCIT item. She was told by Lisa Boerner in Purchasing that item 3.47 on tomorrow's agenda was item 3.33 on June 25 and that item 3.47 (on tomorrow's agenda) should be deleted. Can someone let me know if this is correct ASAP. We do not delete an item unless we have direction from the department who submitted the item. Thank you.

Form 11: Approve Amendment #1 for software and hardware support and maintenance of the PeopleSoft Financials System with Logicalis Inc.

Date: June 13, 2013

BACKGROUND:

On September 30, 2008 (M.O. 3.59) the Board of Supervisors approved the purchase of a hardware/software maintenance agreement with Logicalis, Inc. for support of the County's IBM system. The agreement was for five years and provides support on the IBM hardware, software, and operating system that runs both PeopleSoft Financials and HRMS.

The service agreement is due to expire and it is recommended that the county renew the agreement on the existing hardware and software. Replacement of the hardware has been delayed to avoid any interruption of the completion of the Financials 9.0 upgrade. RCIT will replace the servers upon completion of the upgrade. A Request for Quote (RFQ) will be conducted with Purchasing to procure new replacement hardware.

The requested approval for extension is for a maximum of 12 months however as soon as the hardware is replaced, the service agreement provisions will allow for a 30 day written cancellation notice which will result in a refund of the unused portion of the total cost, less a 10% pre-payment discount. With the purchase of new hardware via the RFQ award, new hardware/software services will be retained at that time.

Price Reasonableness:

In November 2007, on behalf of OASIS, Purchasing and Fleet Services issued a Request for Quote (RFQ) for IBM hardware and maintenance/support services. The maintenance and support services were included as a portion of the total RFQ with options to renew the service for up to five years.

Two bidders responded to the RFQ: Logicalis Inc., with a total bid of \$4,131,626, and IBM Corporation, with a total bid of \$5,202,813. Following technical and financial evaluations of the responses by Purchasing and OASIS, Logicalis Inc. was selected as lower qualified bidder. For this one-year extension of services, Purchasing negotiated a 12% discount from the original quote.

REVIEW/APPROVAL: Purchasing and County Counsel concur with this request.
