Once the transfer is complete, these fire engines will be listed on the City of Moreno Valley's Cooperative Agreement as part of Exhibit "C" and the city will be responsible for the annual cost of the Fire Engine Use service of \$19,200 per engine. Re: Letter of Intent - Fire Engine Lease Agreement

Dear Chief Hawkins:

The City of Moreno Valley has carefully considered entering the four City-owned Smeal Fire Engines into Riverside County Fire Department's Fire Engine Lease Agreement. It is our intent, effective July 1, 2013, to transfer the title of the following four fire engines to the Riverside County Fire Department:

Engine	City Asset #	Year	Make	VIN	License Plate
E48	400181	2004	Smeal	4S7CT2D944C045471	1084166
E6	400045	2007	Smeal	4S7CT20967C056305	1306099
E91	400048	2007	Smeal	4S7CT2D967C055424	1306101

We are requesting that the County Fire Department provide an amendment to the Cooperative Agreement for Fire Protection, Fire Prevention, Rescue, and Medical Emergency Services listing these four vehicles in Exhibit C, the Fire Engine Lease Agreement. The City understands that under the Fire Engine Lease Agreement that the County will be responsible for the maintenance, repair, and replacement of these fire engines. It is our intent to place this item on the City Council Agenda for adoption on June 25, 2013.

If you have any questions, please contact Abdul Ahmad, Division Chief at (951) 486-6783.

Sincerely,

Michelle Dawson
