H. Dept. of Pediatrics – Request to Discontinue PALS Certification – See attachment

A request for approval was submitted to discontinue PALS certification for Pediatric Generalist and Specialist due to in house coverage, PALS is within scope of practice. This fulfills community standard of practice. Pediatric Privilege forms will no longer reflect PALS as a requirement.

June 27, 2013

Daniel Kim, MD
Internal Medicine Chairman, RCRMC

Dear Dr. Kim,

I would like to request that the Credentialing Committee discontinue the PALS certification requirement for Loma Linda Pediatric Generalists and Specialists contracted with RCRMC. In the two plus years that the Loma Linda Physicians Pediatric Group has been at RCRMC, I have yet to be informed of any physicians needing to run codes. Loma Linda does not require our physicians to obtain PALS certification.

Sincerely,
