Family Caregivers cannot receive FCSP-funded respite and supplemental services specified in paragraph 7 of this section unless the Care Receiver meets the more restrictive eligibility criteria specified in Title III, Part E, Section 373 (c) (1) (B) of the OAA and the definition of "frail" in OAA Section 102 (26), which requires that the Care Receiver is unable to perform at least two activities of daily living (ADLs) [i.e., human assistance is needed for eating, toileting, continence, transferring in/out of bed or chair, bathing, dressing] or requires substantial supervision due to a cognitive or other mental impairment.

In accordance with Title III, Part E, Section 373(e) (1), the Department has established for the five support service categories additional service standards that must be met. These standards are documented in the FCSP Service Matrix, which the Department publishes periodically, as necessary.

The following apply to the Respite service category above:

- a. “Respite Care” is the provision of temporary, substitute supports or living arrangements for care receivers and may be provided (1) in the home (and include the provision of personal, homemaker, and chore services to the care receiver), (2) by attendance of the care receiver at day care or other non-residential day center or program (including recreational outings for children), and (3) by attendance of the care receiver in a facility for an overnight stay on an occasional or emergency basis (such as a nursing home for older adults or summer camp for grandchildren).

 - (1) Assisting a care receiver, unless there is an identified caregiver need that is met through assistance to the care receiver;
 - (2) Providing ongoing assistance to a care receiver living alone;
 - (3) Same level of service provided to all caregivers, rather than assistance based on caregiver level of need and priority; and

4. The County reserves the right to refuse payment to the Contractor or disallow costs for any expenditure, as determined by the County to be: out of compliance with this Agreement, unrelated or inappropriate to contract activities, when adequate supporting documentation is not presented, or where prior approval was required but was either not requested or not granted.

"Other Clusters" are as defined by the OMB in the Compliance Supplement or as designated by a State for federal awards the State provides to its subrecipients that meet the definition of cluster of programs. When designating an "other cluster," a State shall identify the federal awards included in the cluster and advise the subrecipients of compliance requirements applicable to the cluster, consistent with §400 (d) (1) and §.400 (d) (2), respectively. A cluster of programs shall be considered as one program for determining major programs, as described in §.520, and, with the exception of R&D as described in §.200(c), whether a program-specific audit may be elected. (Federal Office of Management and Budget, (OMB) Circular, A-133, Audits of States, Local Governments, and Non-Profit Organizations).

 4. When alternative procedures are used, the Office on Aging shall perform financial management system testing per existing federal requirements (45 CFR, Subpart C, Part 92.20 and 45 CFR, Part 74.21) which state in part that financial reporting must be accurate, current, and complete; and, accounting records must adequately identify the source and application of funds and must be supported by source documentation. ICLS captures this information on the New Senior Intake Form and ensure client confidentiality as required by the attorney-client privilege.

III. STAFFING PLAN

Attach to this Scope of Work, an organization chart and job descriptions for key paid and volunteer staff. This scope describes how non-English speaking clients will be served and what training will be available to staff.

Direct Services: Managing Attorney, Staff Attorney I and II, Paralegal I, II and III, and support

services provided by Legal Secretary I and II.

Administration: Executive Director, Deputy Director, Senior Administrative Assistant/Grants Assistant, Senior Administrative Assistant/Human Resources Manager, Controller, Full-Charge Bookkeeper, and Technology Manager. The following Staffing Plan includes direct and in-kind support:

SENIORS LEGAL COMPONENT STAFFING PLAN			
Riverside Office	FTE	Indio Office	FTE
Managing Attorney - Supervision	.02	Managing Attorney - Supervision	.02
Staff Attorney	.05	Staff Attorney	.05
Paralegal	.10	Paralegal	.08
Paralegal	.50	Paralegal	.40

All paralegals perform legal work under attorney supervision. The Executive Director was instrumental in expanding the Seniors Legal Component at ICLS over the past 34 years, which included seven years managing the ICLS Riverside Branch Office and 30 years as the Executive Director. The Indio managing attorney has been practicing law and supervising personnel for approximately 8 years.

HOW NON-ENGLISH SPEAKING CLIENTS ARE SERVED

ICLS has the existing capacity to serve diverse and under served populations. ICLS can immediately serve the Spanish speaking population because the program has existing staff that are fluent in Spanish. The Coachella Valley has a high monolingual Spanish speaking population. Both Indio Title III B funded paralegals are fluent in Spanish and the support staff all also bilingual Spanish speakers and interpret for the monolingual English speaking attorneys. In Riverside County, ICLS has the language capacity in-house to serve clients who speak Spanish, Chinese and Mandarin as well as several Indian dialects in Riverside County.

ICLS legal staff conduct client intake at the Center for Deafness in the Inland Empire (CODIE) in Riverside. ICLS has a Contract for Professional Services with Life Signs to provide deaf interpreters. ICLS also contracts with the Asian American Resource Center in San Bernardino for language interpreters including Asian and other languages and also has a contract with Language Line Services which can immediately provide interpreters by phone.

TRAINING OF LEGAL STAFF

ICLS's Elder Law Team consists of all program advocates who devote significant resources to providing legal services to the elderly. The team has quarterly training meetings for all program seniors' advocates. The in-house workshops feature guest speakers from the seniors' provider community as well as presentations by ICLS advocates and 'round table' discussions on emerging legal issues. Staff persons attend local training offered by the county bar association and training events sponsored by other legal service organizations. ICLS is accredited by the State Bar of California as a Mandatory Continuing Legal Education (MCLE) provider. Legal staff is also given opportunities to attend (including on-line training) State Bar sponsored Continuing Education of the Bar (CEB) seminars throughout the year. Some of these training events are seminars and others are offered on-line. Brochures advertising the available programs are mailed directly by the Bar to program offices and circulated among the staff. Training opportunities are also made available at weekly office case acceptance meetings and through use of on-line Lexus Nexus library services. ICLS's has a limited print law library with specific resource and reference materials.

B. ICLS'S WRITTEN PROGRAM POLICIES AND PROCEDURES

1. **Establishing Case Priorities, Concentrating On Issues That Affect Members Of the Target Group**

Annual Review and Periodic Priority Setting: The ICLS Board of Directors reviews program priorities annually. The Program also conduct periodic assessments of the legal needs of clients, including senior citizens, soliciting input from all segments of the client community, including actual and potential clients who have been surveyed at places such as discount supermarkets and government offices. Input is also sought from the senior citizen provider community.

a. **Targeted Groups/Types of Problems:** Priority in service is given to seniors who are in the greatest social and economic need and whose quality of life is being affected by the unresolved legal problem. Services are targeted to older persons who are frail, disabled, minority, aged 60 or older, on a fixed income, which are victims or isolated without a social or familial support system.

b. **Case Selection:** Applicant's cases are screened to identify seniors who are in the greatest social or economic need to receive priority in service from ICLS. Seniors who are not in great social or economic need are referred to the Riverside County Bar Association Lawyer Referral Service (LRS). In accepted cases, legal services provided include Counsel and Advice (includes telephone advice) as well as Limited Actions (e.g. negotiations with third parties or document preparation).

Most cases are resolved with advice or limited actions and do not require direct representation in court. Criteria used to determine whether direct representation should be provided include legal merit, availability of resources, the potential adverse consequences for the senior (loss of income, home, custody in guardianship proceedings, etc.), whether the other side is represented, as well as the demonstrated ability of the senior to proceed self-represented.

When resources are available that will better serve the clients' needs because of the expertise needed, the senior will be given a specific referral. ICLS is now providing legal services to veterans, referring some as appropriate to the Veterans

Administration. Other cases are required to be declined as fee-generating, that is, cases for which a private attorney accepting the case, may obtain a fee, such as Workers Compensation, Personal Injury or Social Security Disability cases. Seniors with fee-generating cases are referred to the local bar association Lawyer Referral Services as well as to the yellow pages directory.

INSTITUTIONALIZED SENIORS

Priority is given to seniors facing nursing home placement unless they can secure or maintain benefits or services, e.g., Medi-Cal and private insurance share of cost, spend-down of personal property that is above the Medi-Cal resource limit (to establish eligibility), when there is a need to determine the allowable community spouse income under the spousal impoverishment laws, asset transfers, treatment of income and resources for institutionalized persons, advance health care directives, petitions for court orders authorizing transactions involving community property as well as issues arising under the Medicare Catastrophic Coverage Act pertaining to allowable income and assets of the at-home spouse. In LSP Conservatorships, the senior is entitled to appointed counsel. The Court appoints the Public Defender.

TYPE OF CASES WITHIN PRIORITIES; LIMITATIONS NOTED

Following is a list of the types of cases *eligible* for legal assistance.¹ The *level of services provided* will vary depending on whether the senior is in greatest social or economic need, case facts, legal merit as well as the availability of other resources. ***Limited resources preclude extensive case services.*** A case beyond the resources of the Title III B grant may be handled under the program's other grants.

- **Income/Nutrition Benefits:** Food Stamps, SSI/SSP, General Relief, Pensions and Railroad Retirement Benefits², Social Security³, Unemployment Compensation, California Assistance and Veteran Benefits.
- **Health/Long-Term Care Matters:** Olmstead Implementation, Facility Closures/Evictions⁴, COBRA and other Insurance Issues⁵, Discrimination⁶, Long-Term Care Facility Issues (quality of care, resident rights, contract

Such assistance may include referrals, counsel and advice, limited actions, transactional services, direct representation before administrative agencies by paralegals under the supervision of an attorney, or in court by licensed attorneys as well as appropriate referrals for pro

bono assistance and to other agencies. Legal assistance may be delivered in person, by telephone, via a video-conferencing system, in person at a branch office or at designated outreach senior or other community facilities.

All seniors aged 60 or older are eligible for legal assistance under the Older Americans Act. The targeted population is seniors in the greatest economic or social need who meet these criteria:

- Living at or below the poverty level;

- Institutionalized or homebound;
- In need of securing an alternative to Institutionalization;
- 75 years of age or older;
- A member of a racial or ethnic group
- Impaired, frail or disabled

3. GOALS AND OBJECTIVES

- **Program Mission:** INLAND COUNTIES LEGAL SERVICES PURSUES JUSTICE AND EQUALITY FOR LOW INCOME PEOPLE THROUGH COUNSEL, ADVICE, ADVOCACY AND COMMUNITY EDUCATION, TREATING ALL WITH DIGNITY AND RESPECT.
- Provide Legal Assistance in the priority areas to 156 eligible older persons, targeting 75% to seniors in the greatest social and economic need and 25% to New Minorities.

- Publicize free legal services to other providers' senior services providers to reach low-income minority seniors.
- Collaborate with other service providers to make effective referrals.

4. MONITORING AND SUPERVISING CLIENT CASES

- Managing Attorneys supervise the legal work performed by attorneys and paralegals, conduct weekly case acceptance meetings and individual case file reviews. Attorneys make case acceptance decisions. All paralegal work is supervised by a licensed attorney.
- Written job performance evaluations are conducted of all staff. Evaluations are done during probation, annually or as needed. ICLS=s Case Management

System provides for easy access to case file and status information.

5. **SHARING SUBSTANTIVE OR PROCEDURAL EXPERTISE**

- Teamwork and communication among advocates is fostered at ICLS. ICLS's Elder Law Team meets quarterly for training and information sharing. The Team is co-facilitated by Victorville managing attorney Jorge Barrales and paralegal Barbara Seifritz, who are both experienced elder law advocates.
- ICLS maintains records of training events attended by Title III B funded staff. These records are available upon request.
- ICLS has a Supportive Services Agreement with Western Center on Law & Poverty. ICLS advocates may call Center staff to consult on client cases. The Center has special expertise in health and welfare issues. Additionally, ICLS advocates call the National Senior Citizens Law Center as needed.

6. **RECORD KEEPING, HANDLING CLIENT FUNDS, AND INFORMING CLIENTS ABOUT THEIR CASES**

- **Record Keeping:**
 - a) ICLS maintains confidential client files and has a computerized case management system that provides for easy retrieval of client files.
 - b) All applicants complete an Application for Services or a database Application is completed when assistance is by phone. An applicant will be assisted with completing the application when needed. All applications are screened for conflicts of interest, client eligibility, case type, and possible referral. All offices maintain an intranet calendar for appointments and appearances.
 - c) Information from the Application for Services and the Senior Intake form is entered into ICLS's Case Management System which has been customized to capture specific information required by the Title III B Contract and to generate a finished quarterly CDA 1022 Report with appropriate backup information.
 - d) ICLS's Timekeeping Policy requires daily time entry by all staff. Time is documented contemporaneously with the activity or by the end of the day. The system provides for allocation of time to fund source and identifies the type of activity undertaken.
 - e) The ICLS Personnel Manual provides rules for documentation of travel

and training expenses.

▪ **HANDLING CLIENT FUNDS**

- a) ICLS has a Client Trust Account maintained in the ICLS Accounting Department by a full charge bookkeeper under the supervision of the Controller. The Controller reconciles the account monthly and the Executive Director verifies the reconciliation. It is subject to the annual audit.
- b) Client trust funds accepted at other offices are required to be deposited within three business days and the documentation faxed to the ICLS Executive Office Accounting Department, with copies kept in the client file.
- c) ICLS attorneys are bound by State Bar ethical rules to safeguard any client funds received and are subject to discipline for violation of the requirements.

▪ **KEEPING CLIENTS INFORMED ABOUT THEIR CASES**

The ICLS Board of Directors has adopted the American Bar Association's Standards for the Provision of Civil Legal Aid, revised and adopted in August, 2006, as program guidelines. The ABA Standards have guidance on Standards of Practice for client cases, requiring regular contact with clients and documentation of all case activity on a case log and procedures file maintenance.

C. MEMORANDUM OF UNDERSTANDING WITH OMBUDSMAN PROGRAM

ICLS has a Memorandum of Understanding (MOU) with the Long Term Care Ombudsman Program of Riverside County that is effective until June 30, 2014. Per the MOU, ICLS gives priority to senior citizens referred by the Ombudsman Program and works with the Ombudsman Program whenever needed to achieve the client's objectives as authorized by the client. ICLS will renew the MOU.

D. ASSURE THAT STAFF ARE NOT PRACTICING LAW OUTSIDE THIS PROJECT

ICLS attorneys are not permitted to have a law practice outside their employment with ICLS, except to complete and close down their private practice cases, if any, when hired at ICLS. Program staff is required to obtain written permission to engage in outside employment; ICLS does not permit staff paralegals to have outside legal employment.

ICLS has a Board adopted policy on the *OUTSIDE PRACTICE OF LAW FOR ICLS Attorneys*.

These policies implement a federal regulation as required by the Legal Services Corporation:

45 CFR 1604 - OUTSIDE PRACTICE OF LAW applies to all attorneys employed full time¹¹ in legal assistance activities that are supported in major part with LSC funds and prohibits the outside practice of law, which is defined as the provision of legal assistance to a client who is not entitled to receive assistance from the LSC-funded program, but does not include, among other activities, teaching, consulting, or performing evaluation. The federal regulation restricts the outside practice of law by an attorney if the program director determines that such practice is inconsistent with the attorney's full time responsibilities.

ICLS's Personnel Policy on Outside Employment permits outside employment only under limited circumstances, such as performing legal work for a relative or close friend without compensation so long as program resources are not used to do the work and there is no interference with the attorney's professional responsibilities to program clients.

E. WRITTEN POLICIES AND PROCEDURES ENSURING CERTAIN ACTIVITIES ARE RESTRICTED:

1. ACCEPTANCE OF FEE-GENERATING CASES, FEE AWARD, AND REIMBURSEMENTS FOR EXPENSES

In accordance with ICLS policy, fee-generating cases are referred to the private bar and authorization to represent clients in fee-generating cases is restricted.

2. LEGISLATIVE AND ADMINISTRATIVE LOBBYING, PUBLIC DEMONSTRATIONS, PICKETING, AND BOYCOTTING BY LEGAL SERVICES STAFF

Title III-B funds are not used for such purposes. ICLS is prohibited by 45 CFR 1612 from lobbying except when applying for grant funds and commenting on public rulemaking upon the unsolicited request of a legislator so long as federal LSC funds are not used.

3. CASES INVOLVING ANY CONFLICT OF INTEREST

Under State Bar rules, attorneys are required to decline any case where a conflict of interest exists. At time of application for services, the applicant provides the names of opposing parties in the case. The intake eligibility screener checks the Case Management System database for potential conflicts of interests and brings this to the attention of the staff attorney.

Where a *legal* conflict of interest does not exist, a *potential* conflict may exist because the applicant has a relationship with an ICLS employee, the managing attorney will consult with executive director and the applicant, if otherwise eligible, may be assisted

¹¹ 30 hours a week under ICLS Personnel Policies

by legal staff at another branch office.

ICLS refers conflict of interest cases to the Riverside County Bar Association's Public Service Law Corporation or the Inland Empire Latino Lawyer's Association. ICLS provides federal funding to these volunteer attorney programs under a subgrant agreement approved the ICLS Board of Directors and the Legal Services Corporation.

V. PLAN OF ACTION

Briefly answer the following questions about the program/services to be provided under this Contract. If you use additional pages, please repeat the question(s) with your answers.

A. Describe the day-to-day activities you will undertake to provide each Unit of Service, including the procedure for processing client complaints and for scheduling community presentations on legal issues impacting seniors.

1. CLIENT INTAKE PROCEDURES

▪ Intake Scheduling Process

ICLS's client intake system is designed to target resources to seniors who are in the greatest social and economic need, to focus resources on legal problems that have the most serious impact on the quality of life for seniors and to maximize use of limited resources for Seniors Legal Services. The Riverside and Indio Offices each have a dedicated analog telephone line for seniors which answered by a staff person.

- a) Applicants may call ICLS directly and are screened by telephone to determine client eligibility, obtaining information to determine if the senior is within the target group of persons who are in the greatest social or economic need. ICLS gives providers of services to seniors, including senior centers, a tri-fold one page brochure with ICLS's toll free line as well as the seniors' telephone numbers for the Riverside and Indio Offices. The seniors' line is by a staff person, and not by voice mail.
- b) Calls for telephone client eligibility screening are received at the Riverside and Indio Offices. Due to limited resources, and depending on the nature of the legal problem, and the social and economic need, the senior may be given legal advice by phone, an appropriate referral or an appointment at the office or at a senior citizen center.

Inland Counties Legal Services
Riverside County Title III-B
Attachment A: Scope of Services
July 1, 2013 – June 30, 2014

In Indio, calls are received daily; in Riverside due to the volume of calls, calls are accepted on Tuesdays and Thursdays from 9:00 a.m. to Noon. When an eligible seniors calls (age 60 or older), an ICLS legal secretary obtains (1) the applicant's name as well as the name of any adverse party and checks the database for potential conflicts of interest¹² and (2) the type of legal problem for which assistance is sought; if the type of case is not within priorities, then the senior is informed that ICLS is declining assistance and referred to the local Lawyers Referral Services as well as the Court Self-Help Center and self-help website. If not screened out for conflicts or type of problem, the applicant's personal information is input into the ICLS case management system and information concerning the applicant's problem is entered into the database.

In Riverside, the call is referred to the Title III –B funded paralegal for a call back. In Indio, due to limited resources, phone advice services are generally not provided but are available for seniors with extenuating circumstances. Indio has more non-English and well as Limited English Speaking seniors. In Indio, seniors are seen at the office or on outreach at a senior center. In Riverside, the senior is informed to expect a call back within the same week.^{13*}

- c) The ICLS advocate interviews the senior by telephone and provides a range of services, including:
1. Appropriate Information or Referral. Referrals are made to the statewide seniors' legal advice only hot line, the Ombudsman program, HICAP, etc.
 2. Legal advice;
 3. Limited Actions which include legal advice as well as either document preparation, or negotiations with a third party in efforts to resolve the legal problem; or
- d) The legal advocate schedules an appointment at the senior center nearest the client's home, or an office appointment, when, in the judgment of the advocate, the senior's case presents compelling facts and circumstances that require extended services, defined as more than legal advice or brief services.

¹² Any potential conflict of interest will be brought to the attention of the "Attorney of the Day" for review and a decision.

¹³ If the seniors' telephone cannot accept blocked calls, the senior will be given a time to call back that day or the next day.

- e) The advice, referral or appointment is noted in the case management system. As appropriate, ICLS sends the senior written information in a letter, brochures or other handouts. When brief advice or consultation has been given by phone, ICLS sends the client information on how to make a donation by mail. Both offices mail the Client Satisfaction Survey monthly to all clients who received services during the month.
 - f) ICLS is selective in scheduling outreach or office appointments, giving *priority to seniors who are in the greatest social or economic need* as well as to those seniors whose legal problem is having a substantial impact on the quality of their life, e.g. landlord/tenant issues¹⁴, health or medical insurance problems, grandparent custody cases, SSI overpayments which are threatening to or are actually reducing the seniors' income, etc.
- **Intake Delivery System:** Legal services are subject to ICLS's standard law office practices and procedures.
- a) **Client Eligibility:** To qualify for Title III-B funded legal assistance, the applicant must be 60 years or older and sign a brief statement attesting to U.S. citizenship. Non-citizens must show documentation verifying legal status, i.e. legal permanent residency (“green card”), refugee or asylum status, etc.
 - b) **Initial Contact:** At the initial contact, usually by telephone, a brief verbal screening is conducted to determine whether the caller may be qualified for legal assistance and, if so, whether the caller has the type of civil case that ICLS is permitted to accept for service.
 - c) **In-Person Intake:** Senior Centers and Branch Offices: Appointments are scheduled at designated senior centers as well as at branch offices. The applicant completes, or is assisted to complete, an Application for Legal Services when the initial appointment is at a branch office or at a senior citizen center. When the first contact is by telephone, an ICLS secretary obtains the information to complete the database Application which is then reviewed by the advocate.
 - d) **Senior Citizen Center Appointments:** ICLS agrees to provide outreach legal services to the senior citizen centers as per the Schedule on ATTACHMENT A. Other senior citizen centers will be encouraged to make an office and telephone available for seniors to

¹⁴ ICLS assists and represents both tenants as well as landlords on a first come first served basis. When the rental income is a substantial part of the seniors' subsistence income, ICLS may accept the case. Eviction cases receive priority.

call ICLS for advice by phone.

- e) **Telephone Intake:** Brief advice and consultation is provided by phone to eligible clients in Riverside but resources preclude this in Indio. ICLS maintains “senior telephone lines” answered by a person and not by voice mail.

Toll Free Riverside Line: (888) 245-4257

Toll Free Indio Line: (800) 226-4257
Indio Seniors Line: (760) 347-5303

Calls are returned within the same week. When legal documents need to be prepared, the paralegal obtains the necessary information and sends the client a letter and a retainer agreement, confirming the legal work to be done and requests the applicant to sign and return the Retainer Agreement. The legal work is done when the Retainer Agreement is returned and signed by an ICLS attorney. Where the legal work to be done involves the execution of a document such as a Will or a Power of Attorney, ICLS mails a draft of the document to the client for review, calls the client to finalize the document, and arranges for the execution of the document in person at the office, the Center, or if necessary, at the senior’s home.¹⁵

- f) **Outreach to Homebound or Institutionalized Seniors:** As determined by ICLS and depending on staff resources, ICLS will make a home visit to the frail elderly. These appointments are scheduled only after telephone screening to verify the necessity.

2. ATTORNEY SUPERVISION, APPROVAL OF ADVICE AND REVIEW OF DOCUMENTS

All client cases are handled under attorney supervision. An attorney reviews all client cases handled by paralegals. The attorney reviews the advice given as well as any documents prepared, indicating the review in the client file. The legal documents prepared by paralegals are reviewed before they are provided to the client. The paralegal then has a follow up appointment with the client to deliver the document. Clients acknowledge receipt of all simple wills.

The managing attorney reviews all client cases before they are closed at ICLS. Court or administrative agency hearing cases are entered into the case management system

¹⁵ In cases where the senior is homebound, ICLS will travel to the seniors’ home.

to ensure that deadlines and appearances are met. All client contacts are noted in the case management system record. The supervising attorney reviews cases periodically and as needed. The managing attorney approves all case closures, verifying that all work is completed and that a final communication has been made to the client.

3. CLIENT COMPLAINT PROCEDURES

ICLS has a Board-adopted Client Grievance Policy and Procedure. The complainant is initially directed to the case handler to attempt to resolve the matter. Unresolved complaints are then referred to the Managing Attorney. Clients who remain dissatisfied may then meet or confer with the Deputy Director and further appeal with the Executive Director. Persons whose cases were declined and did not become clients may confer with a member of the Board Grievance Committee. Persons whose cases were accepted but who have concerns about the quality or manner of legal services provided may further appeal to the Board Grievance Committee. The policy provides the grievant with contact information for ICLS funders, including the Riverside County Office on Aging. At the time of initial intake, all applicants are provided a one page “How to Make A Complaint” information sheet which summarizes the policy and procedures and includes funder contact information. The information is available in English and Spanish. The Complaint Procedure is also posted in the lobby.

B. HOURS/DAYS OF OPERATION FOR EACH UNIT OF SERVICE

The offices open at 8:30 a.m. and close at 5:00 p.m. Legal Services are provided at the Riverside and Indio Branch Offices Monday through Friday during working hours by appointment, however, the ICLS attorney of the day will screen applicants with emergencies such the last day to file court in an eviction case, or a plea for help from an abused senior. As previously stated; calls are handled as they come in or returned within the week. Applicants may be seen as walk-ins when there are extenuating circumstances.

2. Community Education/Advocacy

ICLS has a tradition of providing community education/advocacy presentations to community groups or at community fairs. Presentations are made at senior centers as well as at private senior housing facilities. ICLS advocates also staff tables/booths at community fairs and provide informational handouts on elder law and availability of legal services. ICLS has designated Special Events Coordinator to facilitate the involvement of program advocates at these events.

C. Describe the Service Areas your program will serve:

See the attached Outreach Schedule.

D. Describe how you will find and serve, or involve, members of target population groups

ICLS will do outreach intake at senior centers as per the attached schedule. Minority, low-income, and physically challenged persons are identified at the time of the interview and that information is recorded. Visits to homebound, hospitalized or institutionalized seniors are made as necessary subject to the availability of staff resources. Services will be advertised in senior newspapers, senior center bulletins, and at centers. We encourage referrals from other organizations and government entities serving members of the target groups.

E. Describe how you will coordinate your program with other senior services providers in your community, i.e. transportation, housing, health providers, churches, civic groups; how you will develop private attorney involvement, both pro bono and reduced fee, etc.

1. COORDINATION WITH OTHER PROVIDERS OF SERVICES TO SENIORS

ICLS has long-standing relationships with other provider agencies, including the Riverside County Office on Aging, the Ombudsman Program, Adult Protective Services, Health Insurance Counseling and Advocacy Program, Alternative to Domestic Violence, and Catholic Charities among others. ICLS is an active participant with the Curtailing Abuse Related to Seniors (C.A.R.E.). ICLS will disseminate its *Legal Guide for Seniors* to other organizations involved in the senior services network, such as churches, the Housing Authority and the Community Services in local communities.

ICLS participates in the network of legal services to seniors within California and nationally, including the National Senior Citizens Law Center, the California Center for Long Term Care and California Advocates for Nursing Home Reform, whose staff has expertise in elder law. ICLS's Elder Law Team of lawyers and paralegals, meets quarterly and serve as an in-house network support system.

2. PRIVATE ATTORNEY INVOLVEMENT

ICLS has a Private Attorney Involvement Program, supported with LSC federal funds through subgrant agreements with non-profit organizations to operate legal clinics with volunteer attorneys. The programs accept referrals of low-income clients.

- Public Service Law Corporation of the Riverside County Bar Association
- Inland Empire Latino Lawyers Association Legal Aid Clinic (IELLA)

Both programs have volunteer attorneys who staff evening housing and family law clinics in Riverside and Indio. PSLC also has volunteer attorneys who accept cases for direct representation. IELLA has an evening legal clinic on Wednesdays in Riverside and has Spanish speaking volunteer attorneys, provide counsel and advice, and brief services to clients.

F. Include other pertinent/unique information about your program

1. **Long Term Provider of Legal Services to seniors under Title III-B.** ICLS has been a provider of Title III-B legal services to seniors for more than 38 years in Riverside County. ICLS has also been the provider of Title III-B funded legal services to seniors in San Bernardino County since 1983.
2. **Substantial In-Kind Support Provided:** ICLS provides substantial in kind support to the Title III-B seniors legal services program from other grant revenues, including funds awarded by the Legal Services Corporation (LSC), the state of California and as well as IOLTA fund awarded by the State Bar of California Legal Services Trust Fund Program.
3. **Resource Materials Purchased with non-Title III-B Funds for Title III-B funded legal services:** As resources permit, ICLS purchases and distributes legal information materials from the State Bar of California as well as other publishers of elder law information. ICLS publishes its *Legal Guide for Seniors* for dissemination at senior community fairs and individually at branch offices or senior centers.
4. **ICLS's Website has information:** ICLS has information on its seniors program on its website at www.inlandlegal.org with pertinent links to other sources.
