BACKGROUND: Once a trial court finds a defendant mentally incompetent to stand trial and orders the defendant committed to a state mental hospital for care and treatment to restore competence to stand trial, the state mental hospital has 90 days to make a written report to the court concerning the defendant's progress toward recovery of mental competence. The demand for restorative programming and treatment at the state hospital has been increasing over the past decade, which has resulted in many individuals waiting in the county jail for months until a bed is available. This wait creates an extended period of incarceration for the inmate, delay in receiving treatment, and excessive delays in the adjudication of their criminal charges.

In response to this problem, the California Department of State Hospitals (formerly Department of Mental Health) has contracted with Liberty Healthcare Corporation (Liberty) to establish programs in county jails to deliver the same services to the inmate in a county jail as those the inmate would receive in the state mental hospital. This allows the inmate to begin treatment immediately upon receipt of the court ordered paperwork. The elimination of the waiting period will significantly decrease the time an individual remains incarcerated and will expedite the restoration to competency process. Liberty has successfully administered this same program in San Bernardino County, at their sheriff's department's West Valley Detention Center since 2010.

Liberty will provide a team of psychiatric professionals who will offer timely psychiatric forensic evaluations, intensive psychiatric stabilization, and multi-modal restoration to competency services delivered by a team of forensic psychiatrists, clinicians and therapeutic personnel. Each individual will have a conference with the treatment team clinician at least twice weekly and be engaged in a minimum of four hours of group-based psychosocial rehabilitative activities each day across four domains: restoration of competency, mental illness and medication management, mental/social stimulation, and physical/social stimulation.

The Sheriff's Department will allocate 20 beds in the Robert Presley Detention Center's mental health sheltered housing unit for use by Liberty and will assign a correctional deputy to provide security for Liberty's staff. No jail beds will be reserved or left vacant to accommodate this program, and only those inmates already incarcerated by the Riverside County Sheriff's Department will be admitted to the program. Basic health care, including medical care and medications, will be provided through the jail's existing pharmacy, medical records system and medical service delivery system.

The Sheriff's Department has met and conferred with stakeholders from Riverside Superior Court, Riverside County Department of Mental Health, California Department of State Hospitals, District Attorney's Office, the Public Defender's Office, and Liberty Healthcare Corporation. These stakeholders have expressed their support for this program.

Professional Services Agreement with Liberty Healthcare Corporation for the
Provision of Restoration of Competency Treatment

Liberty will reimburse the County a daily rate of \$77.11 per inmate participating in the program, not to exceed \$562,903 per year (20 beds x \$77.11 x 365 days). Liberty will also reimburse the County the actual cost of psychotropic medications prescribed by Liberty physicians, currently estimated at \$30,000 per year. The \$77.11 daily rate is calculated by the State and will not change unless recalculated by the State.

The contract term is effective upon signature of the agreement by both parties and will continue in effect through June 30, 2014, with the option to renew for 5 years, each year in one-year increments by written amendment, unless terminated earlier. The contract can be terminated by either party upon thirty days advance written notice. County Counsel has approved the agreement as to form.

REVIEW AND APPROVAL: Riverside County Purchasing and County Counsel concur with the recommended motions.

The State of California, Department of State Hospitals (hereinafter "CA DSH") is responsible for returning to competency individuals charged with a felony who have been determined to be incompetent to stand trial by the California Superior Courts. CA DSH has insufficient beds within the state hospitals which have resulted in lengthy waiting lists of inmates in Riverside County jails and CA DSH has determined that CONTRACTOR shall assist it in restoring such individuals to competency.

CA DSH has determined that a program to restore individuals to competency using clinical treatment provided by CONTRACTOR, and the facilities, personnel and other goods and services of the COUNTY would reduce the number of County inmates waiting for treatment at a state facility and restore the individuals to competency at a COUNTY jail in a more timely manner.

The COUNTY has agreed to provide the CONTRACTOR access to portions of its Robert Presley Detention Center (hereinafter "Jail"), together with other goods and services, to allow the CONTRACTOR to provide the clinical programming that may restore competency for inmates incarcerated by the Riverside County Sheriff's Department (hereinafter "inmates") found incompetent to stand trial by the Riverside County Superior County.

2.0 Duties Of The County

2.1 To provide twenty (20) beds at the Jail for inmates who are ordered into the treatment program. Whenever possible those beds will be located in the Mental Health Sheltered Housing Unit (Housing Unit 5B), but when necessary due to classification issues, some inmates will require treatment in other units, such as female and protective custody housing units. The COUNTY deputies assigned to the Sheltered Housing area will generally receive enhanced mentally ill offender or crisis intervention training, as provided by the COUNTY.

2.2 To provide one correctional deputy to protect CONTRACTOR staff while delivering competency restoration services in inmate housing units or program rooms according to CONTRACTOR's schedule, this is understood to be approximately forty (40) hours per week except State holidays.

2.3 To provide training for CONTRACTOR staff in all relevant security and jail policies of the Sheriff's Department so that CONTRACTOR staff may function consistently with those policies.

2.4 To provide all necessary transportation for the inmates participating in the restoration program.

2.5 To provide full access to and full utilization by CONTRACTOR Personnel of the Jail's Medical Records System during the term of this Agreement, and for seven (7) years thereafter, as well as access as required by the State of California or any other governmental or judicial entity, to all medical information of all individuals who have participated in the program, to the extent authorized by law.

2.6 To provide a jail staff representative to attend program meetings conducted at the Jail with CONTRACTOR program staff.

2.7 To notify CONTRACTOR in advance of any inspections or review by any appropriate inspecting or reviewing entities.

2.8 To provide CONTRACTOR adequate surroundings to perform contracted services.

2.9 To provide CONTRACTOR with a designated COUNTY contact person and an additional back up person that CONTRACTOR can reach twenty-four (24) hours per day seven (7) days per week for emergencies and other important occurrences or communications. The COUNTY will provide individuals who have the authority to act immediately when safety requires immediate action.

2.10 To comply with all federal and state laws pertaining to the administration of the jails and keeping of inmates. COUNTY shall provide the inmates participating in the restoration program with all items, services, and supplies which are supplied to all inmates at Robert Presley Detention Center of equal security and classification levels. CONTRACTOR will not be charged with, billed for, or otherwise expected to provide inmates with the items the Sheriff is required to provide.

2.11 To provide and dispense psychotropic medications, through existing delivery system, as prescribed by CONTRACTOR personnel.

3.0 Duties Of Contractor

3.1 To provide licensed clinical personnel, who will work approximately forty (40) hours per week during regular business hours, excluding County/State holidays, which will provide restoration to competency services for the inmates placed in the restoration of competency program, consistent with CONTRACTOR's contract with CA-DSH as it relates to said services.

3.2 To adhere to all the rules, policies and regulations of the Jail. COUNTY will provide such policies and regulations upon request to CONTRACTOR after contract is awarded.

3.3 To appoint an individual who will be available twenty-four (24) hours per day, seven (7) days per week, as a liaison to communicate with COUNTY on matters relating to this Agreement.

3.4 To provide treatment services consisting of mental illness management, to prescribe psychotropic medications from the COUNTY formulary, competency restoration, physical stimulation, mental social stimulation, and other components of the treatment program in compliance with applicable state law and regulations.

3.5 To provide quality control indicators from program data, which will be reported to the COUNTY during program meetings with CONTRACTOR program staff.

3.6 To submit significant changes in policies and procedures at program meetings for review by appropriate jail personnel.

3.7 CONTRACTOR's staff that has access to any Sheriff's facility must receive, and maintain, an approved security clearance to be conducted free of charge by the Sheriff's Department.

3.8 Shall comply with applicable state law and the terms of the contract for this program between the CA DSH and CONTRACTOR.

3.9 CONTRACTOR's personnel shall remain in compliance with all applicable state and/or federal licensing requirements applicable to mental health providers and show proof of such licensing compliance to COUNTY upon request.

2. Scope of Use and Disclosure by Contractor of County's PHI and/or ePHI.

- A. Except as otherwise provided in this Addendum, Contractor may use, disclose, or access PHI and/or ePHI as necessary to perform any and all obligations of Contractor under the Underlying Agreement or to perform functions, activities or services for, or on behalf of, County as specified in this Addendum, if such use or disclosure does not violate HIPAA, HITECH, the Privacy Rule and/or Security Rule.
- B. Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or authorized by this Addendum or required by law, in accordance with 45 CFR §164.504(e)(2), Contractor may:

- C. Notwithstanding the foregoing, in any instance where applicable state and/or federal laws and/or regulations are more stringent in their requirements than the provisions of HIPAA, including, but not limited to, prohibiting disclosure of mental health and/or substance abuse records, the applicable state and/or federal laws and/or regulations shall control the disclosure of records.

- A. Implement the administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of ePHI that Contractor creates, receives, maintains, or transmits on behalf of County as required by the Security Rule, including without limitations, each of the requirements of the Security Rule at 45 CFR §§164.308, 164.310, and 164.312;

- A. **Discovery and notification.** Following the discovery of a breach of unsecured PHI, Contractor shall notify County in writing of such breach without unreasonable delay and in no case later than 60 calendar days after discovery of a breach, except as provided in 45 CFR §164.412.
- (1) **Breaches treated as discovered.** A breach is treated as discovered by Contractor as of the first day on which such breach is known to Contractor or, by exercising reasonable diligence, would have been known to Contractor, which includes any person, other than the person committing the breach, who is an employee, officer, or other agent of Contractor (determined in accordance with the federal common law of agency).
- (2) **Content of notification.** The written notification to County relating to breach of unsecured PHI shall include, to the extent possible, the following information if known (or can be reasonably obtained) by Contractor:

- (e) A brief description of what Contractor is doing to investigate the breach, to mitigate harm to individuals, and to protect against any further breaches; and,
- (f) Contact procedures for individuals to ask questions or learn additional information, which shall include a toll-free telephone number, an e-mail address, web site, or postal address.
- B. **Cooperation.** With respect to any breach of unsecured PHI reported by Contractor, Contractor shall cooperate with County and shall provide County with any information requested by County to enable County to fulfill in a timely manner its own reporting and notification obligations, including but not limited to providing notice to individuals, media outlets and the Secretary in accordance with 42 USC §17932 and 45 CFR §§ 164.404, 164.406 and 164.408.
- C. **Breach log.** To the extent breach of unsecured PHI involves less than 500 individuals, Contractor shall maintain a log or other documentation of such breaches and provide such log or other documentation on an annual basis to County not later than fifteen (15) days after the end of each calendar year for submission to the Secretary.
- D. **Delay of notification authorized by law enforcement.** If Contractor delays notification of breach of unsecured PHI pursuant to a law enforcement official's statement that required notification, notice or posting would impede a criminal investigation or cause damage to national security, Contractor shall maintain documentation sufficient to demonstrate its compliance with the requirements of 45 CFR §164.412.
- E. **Payment of costs.** With respect to any breach of unsecured PHI caused solely by the Contractor's failure to comply with one or more of its obligations under this Addendum and/or the provisions of HITECH, HIPAA, the Privacy Rule or the Security Rule, Contractor agrees to pay any and all costs associated with providing all legally required notifications to individuals, media outlets, and the Secretary. This provision shall not be construed to limit or diminish Contractor's obligations to indemnify, defend, and hold harmless County under Section 9 of this Addendum.
- F. **Documentation.** Pursuant to 45 CFR §§ 164.414(b), in the event Contractor's use or disclosure of PHI and/or ePHI violates the Privacy Rule, Contractor shall maintain documentation sufficient to demonstrate that all notifications were made by Contractor as required by 45 CFR Part 164, Subpart D, or that such use or disclosure did not constitute a breach.

9. **Hold Harmless/Indemnification.**

- A. Contractor agrees to indemnify and hold harmless County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Contractor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Addendum, including but not limited to property damage, bodily injury, death, or any other element of any kind or nature whatsoever arising from the performance of Contractor, its officers, agents, employees, subcontractors, agents or representatives from this Addendum. Contractor shall defend, at its sole expense, all costs and fees, including but not limited to attorney fees, cost of investigation, defense and settlements or awards, of County, all Agencies, Districts, Special Districts and Departments of County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents or representatives in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by Contractor, Contractor shall, at their sole cost, have the right to use counsel of their choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Contractor's indemnification to County as set forth herein. Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Addendum shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless County herein from third party claims arising from issues of this Addendum.
- D. In the event there is conflict between this clause and California Civil Code §2782, this clause shall be interpreted to comply with Civil Code §2782. Such interpretation shall not relieve the Contractor from indemnifying County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Addendum, this indemnification shall only apply to the subject issues included within this Addendum.

10. **Term.** This Addendum shall commence upon the Effective Date and shall terminate when all PHI and/or ePHI provided by County to Contractor, or created or received by Contractor on behalf of County, is destroyed or returned to County, or, if it is infeasible to return or destroy PHI and/ePHI, protections are extended to such information, in accordance with section 11.B of this Addendum.

11. **Termination.**

- A. **Termination for Breach of Contract.** A breach of any provision of this Addendum by either party shall constitute a material breach of the Underlying Agreement and will provide grounds for terminating this Addendum and the Underlying Agreement with or without an opportunity to cure the breach, notwithstanding any provision in the Underlying Agreement to the contrary. Either party, upon written notice to the other party describing the breach, may take any of the following actions:

- (1) Terminate the Underlying Agreement and this Addendum, effective immediately, if the other party breaches a material provision of this Addendum.
- (2) Provide the other party with an opportunity to cure the alleged material breach and in the event the other party fails to cure the breach to the satisfaction of the non-breaching party in a timely manner, the non-breaching party has the right to immediately terminate the Underlying Agreement and this Addendum.
- (3) If termination of the Underlying Agreement is not feasible, the non-breaching party may report the problem to the Secretary, and upon the non-breaching party's request, the breaching party at its own expense shall implement a plan to cure the breach and report regularly on its compliance with such plan to the non-breaching party.

B. Effect of Termination.

- (1) Upon termination of this Addendum, for any reason, Contractor shall return or destroy all PHI and/or ePHI received from County, or created or received by the Contractor on behalf of County, and, in the event of destruction, Contractor shall certify such destruction, in writing, to County. This provision shall apply to all PHI and/or ePHI which are in the possession of subcontractors or agents of Contractor. Contractor shall retain no copies of PHI and/or ePHI, except as provided below in paragraph (2) of this section.
- (2) In the event that Contractor determines that returning or destroying the PHI and/or ePHI is not feasible, Contractor shall provide written notification to County of the conditions that make such return or destruction not feasible. Upon determination by Contractor that return or destruction of PHI and/or ePHI is not feasible, Contractor shall extend the protections of this Addendum to such PHI and/or ePHI and limit further uses and disclosures of such PHI and/or ePHI to those purposes which make the return or destruction not feasible, for so long as Contractor maintains such PHI and/or ePHI.

12. General Provisions.

- A. **Retention Period.** Whenever Contractor is required to document or maintain documentation pursuant to the terms of this Addendum, Contractor shall retain such documentation for 6 years from the date of its creation or as otherwise prescribed by law, whichever is later.
- B. **Amendment.** The parties agree to take such action as is necessary to amend this Addendum from time to time as is necessary for County to comply with HITECH, the Privacy Rule, Security Rule, and HIPAA generally.
- C. **Survival.** The obligations of Contractor under Sections 3, 5, 6, 7, 8, 9, 11.B and 12.A of this Addendum shall survive the termination or expiration of this Addendum.
- D. **Regulatory and Statutory References.** A reference in this Addendum to a section in HITECH, HIPAA, the Privacy Rule, and/or Security Rule means the section(s) as in effect or as amended.
- E. **Conflicts.** The provisions of this Addendum shall prevail over any provisions in the Underlying Agreement that conflict or appear inconsistent with any provision in this Addendum.

 - (1) This Addendum shall be construed to be part of the Underlying Agreement as one document. The purpose is to supplement the Underlying Agreement to include the requirements of the Privacy Rule, Security Rule, HIPAA, and HITECH.
