

**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

203 B

FROM: TLMA - Planning Department

SUBMITTAL DATE:
June 24, 2013

SUBJECT: CHANGE OF ZONE NO. 7793 and PLOT PLAN NO. 25248 (Family Dollar) –
Adopt Negative Declaration – Applicant: Boos Development West, LLC (Kristi Kandel) –
Fifth/Third Supervisory District – Location: northwest corner of Ritter Avenue and Highway 74 –
REQUEST: The Change of Zone is being proposed for the subject property from Rural
Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General
Plan designation of Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor
Area Ratio). Additionally, the plot plan proposes an 8,239 square foot stand alone retail store
(Family Dollar) on approximately 1.5 acres with 42 parking spaces.

RECOMMENDED MOTION:

ADOPTION of a **NEGATIVE DECLARATION** for **ENVIRONMENTAL ASSESSMENT NO. 42556**, based on the findings incorporated in the initial study and the conclusion that the project will not have a significant effect on the environment; and,

APPROVAL of **CHANGE OF ZONE NO 7793**, amended the zoning classification for the subject property from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S), in accordance with Exhibit #3, and based upon the findings and conclusions incorporated in the staff report, pending final adoption of the zoning ordinance by the Board of Supervisors; and,

APPROVAL of **PLOT PLAN NO. 25248**, subject to the attached conditions of approval, and based upon the findings and conclusions incorporated in the staff report.

The Honorable Board of Supervisors

Re: CHANGE OF ZONE NO. 7793 and PLOT PLAN NO. 25248 (Family Dollar)

Page 2 of 2

BACKGROUND:

The project was approved at the Planning Commission's Hearing on June 19, 2013. A memorandum was written on June 17, 2013 to add additional findings. The Planning Commission also added a condition to enhance the west elevation to provide roof line relief similar to east elevation (60.Planning.3).

Subject: Change of zone No. 7793 and plot No. 25248. Third/Fifth Supervisorial District
Location: Northwest corner of Ritter Avenue and Highway 74.
Applicant: - Boos Development West. LLC

Respected Sir,

With reference to above subject, this will be put before Honorable Board for approval; my concern and representation are as under:

Family dollar is a General Merchandise retail discount superstore and has approx 7000 stores in the US. There are 4-5 similar stores in Riverside County, and one of them is less than around 5 miles of this plot area.

The same company is very keen to acquire market share of the local family run small business. There is no need for such a big facility in this rural area where the population is very small and where there are enough retail stores which serve the community since many years. No more stores are absorbed by the community.

The Scenic Highway Commercial zone does not permit such a big franchise/corporate commercial retail facility. It cannot be permitted among the residential houses. There is no other huge development permitted before among this area. All the current businesses among this area are small business and are according to rules and regulation. All current businesses are not more than 3000 sq. ft and smaller height. Any future development should be in similar nature so that the symmetry can prevail. It is necessary to preserve the rural image of the Homeland area. Also, to control the scale of development, the county should restrict the area, size and height of the building to ensure that new development is of scale appropriate to a community and they are as such perfectly legal. If this project is approved, it amounts to against the intent and purpose of CPS zone. This project is not necessary for the development of the area, but the community requires police station, fire station, health care clinics, veterinary clinic, rehab centers, day care centers, library, job training centers for poor, small parks and other rural community development facility. Allowing these facilities will lead to proper development of the community and the county can achieve their vision. County cannot achieve their vision by permitting such a big store in the area.

Such a big facility in the rural Homeland area will create significant effect on noise, environment, traffic, and nuisance in the area. The ratio of traffic accidents will increase due to the commercial activity in the residential zone. Criminal activity had occurred in this area before, and this project will increase the rate of such activities. The proposed project will adversely affect matters regarding security, police protection, and crime prevention. This will also create significant effect on traffic congestion and noise nuisance because the residential use will likely create more traffic and noise than commercial use. There are more than 5-7 deaths due to accidents around this proposed plan area. Thus, this project poses the threat to the health and safety of the neighborhood. Most of the customers for this facility would be pedestrian as the local business in this area serves the local community within walking distance. Many accidents and death had occurred in this area before and this facility is such a big facility that it will significantly affect the traffic pattern and increase risk for the pedestrians. The present project should not be approved by ignoring the provision of environment acts and Nepa Acts.

The subject plots are part of the land for which development permission for making construction of single family houses were already granted by county and certain plots already used for construct houses by their respective owners. The present owner also purchased the plot to make houses. So, on the basis of the said housing development other business owners purchase their business around the surrounding area. After that at the instance of the applicant, the county cannot change their planning of the said developed area because their action is amounts to impairment of property right of existing other property owner and business owners which are protected by the 14th amendment of the federal government. So, the existing general plan and its provisions of the general code and government code and its requirements are not satisfied and became unconstitutional.

If the project is approved, it will not protect the interest of parties who are holding their own property near the subject property. It will discriminate the other near by property owners. Thus, it will be unfair and against the laws of constitution and this action will be against the public welfare of the community. There are no unusual special circumstances and need exist to build the big Retail store in this rural town. There is no inordinate economic burden or hardship caused to applicants if they are not allowed to open their facility. There are enough retail businesses providing similar services in Homeland community since more than 20 years in the subject area that may be enough for satisfying the needs of the society. Thus, if the permission is not granted to the applicants, there will be no irreparable loss to them. However, if subject application is granted, it will cause irreparable loss to the local businesses and the health of the residents of the area (due to significant effect on environment) which cannot be compensated in terms of money.

As the county had earlier approved the development plan for construction of residential houses on the said land, it became the specific plan for that particular land. This plan was then implemented for the residential purpose and thus it became absolute for the said land. So, no zone change should be approved for commercial purpose. This plan will

make the new owner free from the restrictions attached to the R.R. Plot land when it was acquired. Thus, according to location policy, no zone change should be approved for commercial purpose.

The county should provide a detail economy impact report before approving this project. As, if this project is approved it will shut down many small retail businesses and cause economic loss. This will adversely affect the economy. Also, this project will not benefit the county in any manner but will damage the economy of near by businesses.

On record, there is no detail environmental Impact Report, traffic generation report, trip generation report, economic impact report, reports on long term benefit and cost, and market analysis report. There is no credible evidentiary support for their decision and order in the present case. Thus all these reports should be obtained before approving this project. Moreover, California government code 65906 should be considered before making any decisions regarding this project. The detail comparative study should be provided for the project area with adjacent properties.

We OPPOSE the subject zone change and project plan AND it should not be approved as it is not in the interest of the public at large.

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

16-3

10:30 a.m. being the time set for public hearing on the recommendation from Transportation & Land Management Agency/Planning regarding Public Hearing on Change of Zone No. 7793 / Plot Plan No. 25248 – Boos Development West, LLC – Family Dollar – 5th/3rd District. Recommend Adoption of Mitigated Negative Declaration for Environmental Assessment No. 42556; Approval of Change of Zone No. 7793 to change the zone from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General Plan designation of Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio); and Approval of Plot Plan No. 25248, which proposes an 8,239 square foot stand-alone retail store (Family Dollar) on approximately 1.5 acres with 42 parking spaces, the Chairman called the matter for hearing.

Dave Mares, Principal Planner, Planning Department, presented the matter.

The following people spoke on the matter:

Bennie Lunstrum
Linda Kosvic
Bharat K. Patel

On motion of Supervisor Stone, seconded by Supervisor Ashley and duly carried by unanimous vote, IT WAS ORDERED that the above matter is continued to Tuesday, September 10, 2013 at 10:30 a.m.

I hereby certify that the foregoing is a full true, and correct copy of an order made and entered on July 30, 2013 of Supervisors Minutes.

WITNESS my hand and the seal of the Board of Supervisors
Dated: July 30, 2013
Kecia Harper-Ihem, Clerk of the Board of Supervisors, in
and for the County of Riverside, State of California.

Subject: Change of zone No. 7793 and plot No. 25248. Third/Fifth Supervisorial District
Location: Northwest corner of Ritter Avenue and Highway 74.
Applicant: - Boos Development West. LLC

Respected Sir,

With reference to above subject, which will be put before Honorable Board for approval, my concern and representation are as under:

Homeland rural area community along side highway 74 has a land area of about 3.30 square mile and its population density is approx 1812 people per sq miles with total population of 5000 which is below California average. There are seven or eight cities within 1.7 miles to 2.7 miles area. All the small retail businesses are along the side of highway 74. Retail store include liquor store, Valero gas station and A.P. Market convenience store within 4 to 5 block of proposed project area. Moreover, there are other 5 or 10 convenience stores within 3 to 4 miles.

Within 7 miles area of Homeland rural area lies:

- 1) 2 Arco gas stations convenience store hwy 74/hwy 79/ and hwy 74/ Meniffee rd.
- 2) 1 Shell gas station convenience store Warren/ hwy 74
- 3) 2 liquor store with convenience store in Romoland/ hwy 74
- 4) Winchester Market and 2 other liquor convenience store between hwy 74/ Simpson rd on hwy 79
- 5) Family Dollar store at hwy 74 / Florida ave and
- 6) Winco grocery store
- 6) Target
- 7) 99 cents only
- 8) Walmart, Dollar tree store, gas station, Walgreen store at Stetson/ Sanderson ave.
- 9) Lows, Home depot
- 10) Arco gas station at Acacia/ Sandeson Jn.
- 11) 7/11 store and Valero gas station at hwy 74/ Sanderson
- 12) Vons hwy 74/ Sanderson and Stater bros. and liquor store, Rite Aid and more
- 13) Winco on Ethnic rd.

There is no special circumstances or need exist for zone change and proposed project. It is also important to note that the applicant is currently residing in northern California. Application for a zone change to built a 8239 sq. ft .commercial retail facility, a multi billion dollar company (Family Dollar), having already 7000 retail stores in USA and one of which is about 4 to 5 miles away from the subject plot in homeland rural area without any specific needs or special circumstances. The owner has also not shown any extraordinary or exceptional circumstances for change of zone on such type of major variance. Thereby, asking special favoritism and privilege.

The project data do not satisfy the government code sec.65906
(<http://codes.lp.findlaw.com/cacode/GOV/1/7/d1/4/3/s65906>,
<http://www.leginfo.ca.gov/cgi-bin/displaycode?section=gov&group=65001-66000&file=65900-65909.5>, <http://ceres.ca.gov/planning/var/variance.htm>)

If this project is approved, provision of the county zone regulations become unconstitutional as deprivation of the equal liberty of the small businesses of the area and residents of area that it is protected by Fifth Amendment.

This site is a visual prominent area as well as sensitive natural area. The plots are situated in rural residential zone of Homeland. The present area is a heart resident area of homeland. From the resident houses of homeland, residents enjoy the scenic view of the eastern, western, northern, and southern mountains of the area. There are four or more convenience grocery stores in homeland area and they are all 2-5 blocks away from the proposed project area. So it can be said that there is a grocery store near every street of homeland. And their sizes are 2000-3000 sq. ft which was allowed by the authorities at the relevant time. They are serving the area for about 10-15 years and have satisfied the needs of the local people of homeland. All the businesses are family owned.

The homeland rural area cannot absorb a store of 8239 sq. ft without severe revenue loss to the existing businesses. The planning commission should recognize that homeland's local community can absorb only so much new retail without causing existing businesses to close. The action of the planning commission would harm neighborhood convenience stores and also restrict the fare competition. They should prohibit stores over a certain size, which help to sustain the vitality of small pedestrian oriented business district. The county should or stop allowing big companies to use their size and power to game the market and undermine their local competitors. It has also restricted the fare competition between small business and big giant commercial company, so it is not a fare and bonafide competition. The proposal project would harm neighborhood convenience stores and close by grocery stores.

As the small business shut down due to this proposed project, local residents are left with fewer choices and less competition. The neighborhood will then depend only on a single big store for certain goods. Evidence suggests that these retailers many raise prices once they attain a dominant market position. The larger the store the larger the geographic region from which it pulls customers and the higher the traffic counts. 8239 sq ft. big store typically generates more car trips then a 25 family resident houses on Ritter street at present. So, big stores undermine vibrant local economies. This big store will drain revenue from locally owned businesses. Big store monopoly undercuts independence and tourism suffers if region loses its character. Higher demands of town

services can raise taxes. Big store attracts others so it damages the village rural look of homeland.

The proposed project size should be similar size to the size of existing retail grocery stores of the homeland rural area in nearby neighborhood. The county should conduct a commercial market analysis for the homeland area to identify commercial opportunity and needs before any approval of such a present big project. This is not a routine case of zone change and there are no special circumstances and special needs of the community. The one family dollar-a big company want to capture the market share of the stores and thereby want to increase their store numbers in USA. Moreover, the primary aim of antitrust policy was to maintain a large number of mostly small businesses and limit concentration of big market power.

The proposed project should not be approved as the C-P-S zone does not approve the construction of such a big commercial store using 8239 sq ft. Family Dollar store is not included in C-P-S zone approved retail business. It is not a CONVENIENT STORE. So, such commercial activity should not be permitted in a heart of rural resident area of Homeland in pretext of rural C-P-S zone. The Family Dollar store is totally commercial store which doesn't fall under the definition of convenient store. This kind of big Retail Store which comes under commercial activity had never been approved as a Convenient Store in rural resident area in Riverside County. Counting Family Dollar as a convenient store for C-P-S zone is against the rules and regulation of law and thereby giving special privilege to open such a big store for a big company.

Also, in San Francisco, the authority allows only certain size of store for proper development of the area and its economy and sets large caps in other area of city. We should also adopt store size caps to keep big size store retailers away from building in unincorporated area beyond city boundaries. (Formula Business Restriction – San Francisco, CA <http://www.ilsr.org/rule/formula-business-restrictions/2321-2/>). There should be cap code commission, a regional body composed of representative of each of the towns and villages of the county. The commission should have authority to review and reject large development project that could significantly impact the local economy or environment including any commercial building over 4000 to 5000 sq. ft.

Local residents are never told about all significant long term impacts of proposed project. The proposed project will also change the distinct hilly rural village character. The proposed development will become the largest businesses facility in homeland, village residential area in size of building. Such big construction will significantly increase noise pollution etc. in the rural area. The proposed establishment will be 8239 sq. ft approx. three times more in size of the next largest business and 8 times larger than the average business and it will seriously diminish the local family run businesses. The county should protect the rural village homeland area from the development that would diminish the environmental and village heritage value for the homeland area. The proposed big project of a big commercial store will cause or contribute to air pollution which may reasonably be anticipated to endanger public health and welfare of homeland rural village. It will definitely impact on visual scenic views of the mountains on northern, southern, eastern & western side of the residential area. It will also decrease the value of the nearby residential property and small rural businesses and its private special treasured view. Small size caps help to maintain the vitality of small scale pedestrian oriented business district which in turn nurture local business development. They also

prevent the many negative impacts of big development such as increased traffic congestion, noise pollution, air pollution, etc. During last few years, there were many case of traffic accident causing many deaths.

All in one, this project should not be approved considering the C-P-S zoning of the area where big Commercial retail business is not allowed. Also, considering the size of the town and needs, and effect on other small business, this project should not be allowed.

The Planners Training Series: The Variance
(<http://ceres.ca.gov/planning/var/variance.htm>)

According to 426 U.S. 668, *City of Eastlake et al, Petitioners, v. Forest City Enterprises, Inc*

#39 "Zoning decisions may be either administrative or legislative depending upon the nature of the act. But, whatever their nature or the importance of their categorization for other purposes, zoning decisions which deal with an amendment of the code or reclassification of land thereunder must be arrived at fairly. The process by which they are made, subsequent to the adoption of a comprehensive plan and a zoning code, is basically adjudicatory."

(<https://bulk.resource.org/courts.gov/c/US/426/426.US.668.74-1563.html>)

#40 "Generally, when a municipal legislative body enacts a comprehensive plan and zoning code it acts in a policy making capacity. But in amending a zoning code, or reclassifying land thereunder, the same body, in effect, makes an adjudication between the rights sought by the proponents and those claimed by the opponents of the zoning change. The parties whose interests are affected are readily identifiable. Although important questions of public policy may permeate a zoning amendment, the decision has a far greater impact on one group of citizens than on the public generally." *Fleming v. City of Tacoma*, 81 Wash.2d 292, 298-299, 502 P.2d 327, 331 (1972) (citations omitted).

(<https://bulk.resource.org/courts.gov/c/US/426/426.US.668.74-1563.html>)

#45 "Due process of law requires that procedures for the exercise of municipal power be structured such that fundamental choices among competing municipal policies are resolved by a responsible organ of government. It also requires that a municipality protect individuals against the arbitrary exercise of municipal power, by assuring that fundamental policy choices underlying the exercise of that power are articulated by some responsible organ of municipal government. *McGautha v. California* (1971), 402 U.S. 183, 256, 270, 91 S.Ct. 1454, 28 L.Ed.2d 711. (<https://bulk.resource.org/courts.gov/c/US/426/426.US.668.74-1563.html>)

The proposed development will become the largest businesses facility in homeland, village residential area in size of building. Such big construction will significantly increase noise pollution etc. in the rural area. The proposed establishment will be 8239 sq. ft approx. three times more in size of the next largest business and 8 times larger than the average business and it will seriously diminish the local family run businesses. The county should protect the rural village homeland area from the development that would diminish the environmental and village heritage value for the homeland area. The proposed big project of a big commercial store will cause or contribute to air pollution which may reasonably be anticipated to endanger public health and welfare of homeland rural village. It will definitely impact on visual scenic views of the mountains on northern, southern, eastern & western side of the residential area. It will also decrease the value of the nearby residential property and small rural businesses and its private special treasured view. Small size caps help to maintain the vitality of small scale pedestrian oriented business district which in turn nurture local business development. They also

prevent the many negative impacts of big development such as increased traffic congestion, noise pollution, air pollution, etc. During last few years, there were many case of traffic accident causing many deaths.

All in one, this project should not be approved considering the C-P-S zoning of the area where big Commercial retail business is not allowed. Also, considering the size of the town and needs, and effect on other small business, this project should not be allowed.

The Planners Training Series: The Variance
(<http://ceres.ca.gov/planning/var/variance.htm>)

According to 426 U.S. 668, *City of Eastlake et al, Petitioners, v. Forest City Enterprises, Inc*

#39 "Zoning decisions may be either administrative or legislative depending upon the nature of the act. But, whatever their nature or the importance of their categorization for other purposes, zoning decisions which deal with an amendment of the code or reclassification of land thereunder must be arrived at fairly. The process by which they are made, subsequent to the adoption of a comprehensive plan and a zoning code, is basically adjudicatory."

(<https://bulk.resource.org/courts.gov/c/US/426/426.US.668.74-1563.html>)

#40 "Generally, when a municipal legislative body enacts a comprehensive plan and zoning code it acts in a policy making capacity. But in amending a zoning code, or reclassifying land thereunder, the same body, in effect, makes an adjudication between the rights sought by the proponents and those claimed by the opponents of the zoning change. The parties whose interests are affected are readily identifiable. Although important questions of public policy may permeate a zoning amendment, the decision has a far greater impact on one group of citizens than on the public generally." *Fleming v. City of Tacoma*, 81 Wash.2d 292, 298-299, 502 P.2d 327, 331 (1972) (citations omitted).

(<https://bulk.resource.org/courts.gov/c/US/426/426.US.668.74-1563.html>)

#45 "Due process of law requires that procedures for the exercise of municipal power be structured such that fundamental choices among competing municipal policies are resolved by a responsible organ of government. It also requires that a municipality protect individuals against the arbitrary exercise of municipal power, by assuring that fundamental policy choices underlying the exercise of that power are articulated by some responsible organ of municipal government. *McGautha v. California* (1971), 402 U.S. 183, 256, 270, 91 S.Ct. 1454, 28 L.Ed.2d 711. (<https://bulk.resource.org/courts.gov/c/US/426/426.US.668.74-1563.html>)

I give my 3 minutes to: _____

BOARD RULES

Requests to Address Board on "Agenda" Items:

You may request to be heard on a published agenda item. Requests to be heard must be submitted to the Clerk of the Board before the scheduled meeting time.

Requests to Address Board on items that are "NOT" on the Agenda:

Notwithstanding any other provisions of these rules, member of the public shall have the right to address the Board during the mid-morning "Oral Communications" segment of the published agenda. Said purpose for address must pertain to issues which are under the direct jurisdiction of the Board of Supervisors. YOUR TIME WILL BE LIMITED TO THREE (3) MINUTES.

Power Point Presentations/Printed Material:

Speakers who intend to conduct a formalized Power Point presentation or provide printed material must notify the Clerk of the Board's Office by 12 noon on the Monday preceding the Tuesday Board meeting, insuring that the Clerk's Office has sufficient copies of all printed materials and at least one (1) copy of the Power Point CD. Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please insure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo.

Individual Speaker Limits:

Individual speakers are limited to a maximum of three (3) minutes. Please step up to the podium when the Chairman calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. ***Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.***

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the front bottom of the form.

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman may result in removal from the Board Chambers by Sheriff Deputies.

"Planning Our Future... Preserving Our Past"

**NOTICE OF PUBLIC HEARING
and
INTENT TO ADOPT A NEGATIVE DECLARATION**

A PUBLIC HEARING has been scheduled, pursuant to Riverside County Land Use Ordinance No. 348, before the **RIVERSIDE COUNTY PLANNING COMMISSION** to consider the project shown below:

CHANGE OF ZONE NO. 7793 AND PLOT PLAN NO. 25248 – Intent to Adopt a Negative Declaration – Applicant: Boos Development West, LLC – Third/Fifth Supervisorial District - Location: northwest corner of Ritter Avenue and Highway 74 – **REQUEST:** The plot plan proposes an 8,239 square foot stand alone retail store (Family Dollar) on approximately 1.5 acres with 42 parking spaces at the. Additionally a change of zone is also being proposed for the subject property from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General Plan designation of Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio). (Legislative)

TIME OF HEARING: **9:00 am** or as soon as possible thereafter
June 19, 2013
RIVERSIDE COUNTY ADMINISTRATIVE CENTER
BOARD CHAMBERS, 1ST FLOOR
4080 LEMON STREET
RIVERSIDE, CA 92501

For further information regarding this project, please contact Project Planner, H. P. Kang, at 951-955-1888 or email hpkang@rctlma.org or go to the County Planning Department's Planning Commission agenda web page at http://www.rctlma.org/planning/content/hearings/pc/current_pc.html.

The Riverside County Planning Department has determined that the above project will not have a significant effect on the environment and has recommended adoption of a negative declaration. The Planning Commission will consider the proposed project and the proposed negative declaration, at the public hearing. The case file for the proposed project and the proposed negative declaration may be viewed Monday through Thursday, 8:30 a.m. to 5:00 p.m., at the County of Riverside Planning Department, 4080 Lemon Street, 12th Floor, Riverside, CA 92501. For further information or an appointment, contact the project planner.

Any person wishing to comment on a proposed project may do so, in writing, between the date of this notice and the public hearing or appear and be heard at the time and place noted above. All comments received prior to the public hearing will be submitted to the Planning Commission, and the Planning Commission will consider such comments, in addition to any oral testimony, before making a decision on the proposed project.

If you challenge this project in court, you may be limited to raising only those issues you or someone else raised at the public hearing, described in this notice, or in written correspondence delivered to the Planning Commission at, or prior to, the public hearing. Be advised that, as a result of public hearings and comment, the Planning Commission may amend, in whole or in part, the proposed project. Accordingly, the designations, development standards, design or improvements, or any properties or lands, within the boundaries of the proposed project, may be changed in a way other than specifically proposed.

Please send all written correspondence to:

P.O. Box 1409, Riverside, CA 92502-1409

RIVERSIDE COUNTY
PLANNING DEPARTMENT

**PLANNING COMMISSION
MINUTE ORDER
DATE: JUNE 19, 2013**

I. AGENDA ITEM 3.4: CHANGE OF ZONE NO. 7793 AND PLOT PLAN NO. 25248

Intent to Adopt a Negative Declaration – Applicant: Boos Development West. LLC – Third/Fifth Supervisorial District - Location: Northwest corner of Ritter Avenue and Highway 74. (Legislative)

II. PROJECT DESCRIPTION:

The change of zone is also being proposed for the subject property from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General Plan designation of Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio). The plot plan proposes an 8,239 square foot stand alone retail store (Family Dollar) on approximately 1.5 acres with 42 parking spaces.

III. MEETING SUMMARY:

The following staff presented the subject proposal:

Project Planner: H. P. Kang at (951) 955-1888 or email hpkang@rctlma.org.

Spoke in favor of the proposed project:

Scott Mommer, 4694 W. Jacquelyn, Fresno CA 93722 (559) 978-1000 smommer@larsanderson.com

Spoke in opposition to the proposed project:

Shivani B. Patel, 3431 W. Thornton Ave., Hemet CA 92545 (951) 893-7199 shivani5654@gmail.com

Bharat K. Patel, 31770 Hwy 74, Homeland CA 92548 (951) 926-5757 bkpatel@gmail.com

No one spoke in a neutral position.

IV. CONTROVERSIAL ISSUES:

None

V. PLANNING COMMISSION ACTION:

Motion by Commissioner Zuppardo, 2nd by Commissioner Sloman

A vote of 5-0

ADOPTED NEGATIVE DECLARATION for ENVIRONMENTAL ASSESSMENT NO. 42556; and,

TENTATIVELY APPROVED CHANGE OF ZONE NO 7793; and,

APPROVED PLOT PLAN NO. 25248 WITH MODIFICATIONS.

CD The entire discussion of this agenda item can be found on CD. For a copy of the CD, please contact Mary Stark, TLMA Commission Secretary, at (951) 955-7436 or email at mcstark@rctlma.org.

Agenda Item No.:**Area Plan:** Harvest Valley/Winchester**Zoning Area:** Homeland Area**Supervisory District:** Third/Fifth**Project Planner:** H. P. Kang**Planning Commission Hearing:** June 19, 2013**CHANGE OF ZONE NO.** 7793**PLOT PLAN NO.** 25248**Environmental Assessment No.** 42556**Applicant:** Boos Development West, LLC**Engineer/Representative:** Kristi Kandel

COUNTY OF RIVERSIDE PLANNING DEPARTMENT STAFF REPORT

PROJECT DESCRIPTION AND LOCATION:

The plot plan proposes an 8,239 square foot stand alone retail store (Family Dollar) on approximately 1.5 acres with 42 parking spaces. Additionally a change of zone is also being proposed for the subject property from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General Plan designation of Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio).

The project is located at the northwest corner of Ritter Avenue and Highway 74 in the area of Homeland within the County of Riverside.

ADDITIONAL INFORMATION:

On May 9, 2013, Winchester/Homeland Municipal Advisory Council (MAC) reviewed the proposed project and found no objections for the proposal and recommended approval of the project as submitted.

SUMMARY OF FINDINGS:

- | | |
|---------------------------------------|---|
| 1. Existing General Plan Land Use: | Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio) |
| 2. Surrounding General Plan Land Use: | Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio) to the south, east, and west, Community Development: Medium Density Residential (CD:MDR) (2-5 Dwelling Unit Per Acre) to the north. |
| 3. Proposed Zoning: | Scenic Highway Commercial (C-P-S) |
| 4. Existing Zoning: | Rural Residential (R-R) |
| 5. Surrounding Zoning: | Rural Residential (R-R) to the north and west
Rural Residential (R-R) and Scenic Highway Commercial (C-P-S) to the east and south |
| 6. Existing Land Use: | Vacant |
| 7. Surrounding Land Use: | Commercial development to the south; and Vacant and Single Family Residences to the north; and Vacant lot to the west; and Vacant and a post office to the east. |
| 8. Project Data: | Total Acreage: 1.49 acres
Project Size: 8,239 Square Feet |

D.M.

9. Environmental Concerns:

See Attached Environmental Assessment

RECOMMENDATIONS:

ADOPTION of a **NEGATIVE DECLARATION** for **ENVIRONMENTAL ASSESSMENT NO. 42556**, based on the findings incorporated in the initial study and the conclusion that the project will not have a significant effect on the environment; and,

TENTATIVE APPROVAL of **CHANGE OF ZONE NO 7793**, amended the zoning classification for the subject property from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S), in accordance with Exhibit #3, and based upon the findings and conclusions incorporated in the staff report, pending final adoption of the zoning ordinance by the Board of Supervisors; and,

APPROVAL of **PLOT PLAN NO. 25248**, subject to the attached conditions of approval, and based upon the findings and conclusions incorporated in the staff report.

FINDINGS: The following findings are in addition to those incorporated in the summary of findings and in the attached environmental assessment, which is incorporated herein by reference.

1. The project site is designated Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio) on the Harvest Valley/Winchester Area Plan which allows for commercial retail development.
2. The Commercial Retail land use designation allows for the development of commercial retail uses at a neighborhood, community and regional level, as well as for professional office and tourist-oriented commercial uses.
3. The proposed zoning for the project site is Scenic Highway Commercial (C-P-S).
4. The Scenic Highway Commercial zone permits a wide variety of commercial retail uses, as well as an array of professional office uses.
5. Although "Retail Store" is not specifically listed in the C-P-S zone, the proposed use is substantially the same in character and intensity as those listed uses in the C-P-S zone requiring a plot plan per Section 9.50.e (e.g., clothing store, candy store, drug store, Household goods sales, stationary store, convenience store). The operation of the Family Dollar is similar in hours of operation (8am to 10 pm), the number of trips generated (42 peak hour trips), and noise level of commercial nature.
6. Based upon the Planning Department's Land Use Designation-Zoning Consistency Matrix, the change of zone's proposed Scenic Highway Commercial classification is identified as being highly consistent with the Commercial Retail (CR) (0.20 – 0.35 FAR) Land Use designation.
7. The proposed Change of Zone will make the zoning consistent with the General Plan. Density allocations for the site are established by the General Plan, and the proposed zoning simply implements the General Plan.
8. The proposed commercial use is surrounded by Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio) to the south, east and west; and Community Development: Medium Density Residential (MDR) (2-5 Dwelling Units per Acre) to the north.

9. The proposed commercial retail (Family Dollar) is consistent with the development standards set forth in the Scenic Highway Commercial (C-P-S).
10. The proposed commercial retail use is consistent with the lot size, setbacks, building height, parking, and roof mounted equipment screening standards set forth in the Scenic Highway Commercial (C-P-S) zone.
11. The proposed commercial retail use (as identified in the Section 9.50) is permitted in the Scenic Highway Commercial (C-P-S) zone based on County Ordinance No. 348.
12. The surrounding zoning is Scenic Highway Commercial (C-P-S)/Rural Residential (R-R) to the east and south, and Rural Residential (R-R) to the north and west.
13. The project site is a vacant disturbed parcel adjacent to an existing commercial service and retail stores to the south and single family residential development to the north. There is a post office to the east along with a vacant property. Vacant property is also adjacent to the west side of the proposed project site. proposed on
14. The potential air quality impacts resulting from the proposed project would not exceed emissions projected by the Air Quality element as identified in the Greenhouse Gas Review study dated April 15, 2013. They are below the emissions because the number of trips generated during peak hour and the construction phase falls below the threshold.
15. Based on the size and proposed use, the project will not generate trips above the emissions (e.g., ROC, NO_x, CO, PM₁₀) threshold that was identified in the 2003 General Plan EIR. The proposed project will generate 42 peak hour trips as identified in the Transportation Review Study dated October 24, 2012. The Greenhouse Gas Review Study dated April 15, 2013 lists values far below the values identified in the 2003 EIR threshold.
16. All projects must comply with 2011 Riverside County Congestion Management Program dated December 14, 2011.
17. This project site is not located within a Criteria Area Cell Group. However, the Planning staff has conferred with the Environmental Programs Division staff and determined the project fulfills the requirements of the Western Riverside County Multiple Species Habitat Conservation Plan (WRCMSHCP).
18. Pursuant to Public Resources Code Division 13, Section 21083.3, Subsection 1, the General Plan has been designated to accommodate a specific density of development and an EIR (EIR No. 441) was approved for that planning action. The subject site does not contain any features that would create environmental impacts that would be peculiar to the subject parcels, beyond what was studied in the General Plan EIR.
19. Environmental Assessment No. 42556 concluded that there are no potentially significant impacts from the project proposal.

CONCLUSIONS:

1. The proposed change of zone is in conformance with the Community Development: Commercial Retail (CD:CR), and with all other elements of the Riverside County General Plan.
2. The proposed change of zone is consistent with all applicable provisions of Ordinance No. 348.
3. The proposed project is consistent with the Scenic Highway Commercial (C-P-S) zoning classification of Ordinance No. 348, and with all other applicable provisions of Ordinance No. 348.
4. The public's health, safety, and general welfare are protected through project design.
5. The proposed change of zone and project is clearly compatible with the present and future logical development of the area.
6. The proposed change of zone and project was evaluated in Environmental Assessment No. 42556 and found to have less than significant impact with mitigation measures incorporated and General Plan in EIR No. 441 evaluated the commercial density and use for this site.
7. The proposed project will not have a significant effect on the environment.
8. The proposed change of zone and project will not preclude reserve design for the Western Riverside County Multiple Species Habitat Conservation Plan (WRCMSHCP).

INFORMATIONAL ITEMS:

1. As of this writing, one request for hearing was received.
2. The project site is not located within:
 - a. A County Service Area;
 - b. A City Sphere of Influence;
 - c. A Specific Plan;
 - d. An Agricultural Preserve;
 - e. A Subsidence Area;
 - f. A Fault Zone; or,
 - g. An Airport Influence Area.
3. The project site is located within:
 - a. A Liquefaction area;
 - b. A Flood Zone;
 - c. A High Fire Area;
 - d. The Western TUMF (Transportation Uniform Mitigation Fee Ord. 824);
 - e. The DIF (Development Impact Fee Area Ord. 659) San Jacinto Valley;
 - f. The Stephens Kangaroo Rat Fee Area; and,
 - g. The Boundaries of the Romoland & Perris Union High School District.
4. The subject site is currently designated as Assessor's Parcel Numbers 457-171-020, 457-171-024, and 457-171-025.

I. PROJECT INFORMATION

A. Project Description: The plot plan proposes an 8,239 square foot stand alone retail store (Family Dollar) on approximately 1.5 acres with 42 parking spaces. Additionally a change of zone is also being proposed for the subject property from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General Plan designation of Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio).

B. Type of Project: Site Specific ☒; Countywide ☐; Community ☐; Policy ☐.

C. Total Project Area: 1.49 acre parcel

Residential Acres:	Lots:	Units:	Projected No. of Residents:
Commercial Acres:	Lots:	Sq. Ft. of Bldg. Area:	Est. No. of Employees:
Industrial Acres:	Lots:	Sq. Ft. of Bldg. Area:	Est. No. of Employees:
Other: 900 square foot lease area			

D. Assessor's Parcel No(s): 457-171-020, 457-171-024, and 457-171-025

E. Street References: At the northwest corner of Ritter Avenue and Highway 74 in the community of Homeland within the County of Riverside.

F. Section, Township & Range Description or reference/attach a Legal Description: Township 5 South, Range 2 West, Section 8

G. Brief description of the existing environmental setting of the project site and its surroundings: The project site is located in the community of Homeland, located along State Highway 74 and west of the City of Hemet. This area has historically included larger lot rural community and scattered agricultural uses. The site currently contains no structures and is unimproved vacant land. The site is surrounded by single family residential to the north, commercial development to the east, west and south.

II. APPLICABLE GENERAL PLAN AND ZONING REGULATIONS

A. General Plan Elements/Policies:

- 1. Land Use:** The proposed project meets the requirements for the Community Development: Commercial Retail (CD: CR) (0.20-0.35 Floor Area Ratio) land use designation. The

proposed project meets the Highway 79 Policy Area requirements of the General Plan and all applicable land use policies.

2. **Circulation:** Adequate circulation facilities exist and are proposed to serve the proposed project. The proposed project meets with all other applicable circulation policies of the General Plan.
3. **Multipurpose Open Space:** No natural open space land was required to be preserved within the boundaries of this project. The proposed project meets with all other applicable Multipurpose Open Space element policies.
4. **Safety:** The proposed project is located within a high fire hazard area and a subsidence susceptible area. The proposed project is not located within any other special hazard zone (including FEMA flood zone, fault zone, dam inundation zone, area with high liquefaction potential, etc.). The proposed project has allowed for sufficient provision of emergency response services to the project through the project design and payment of development impact fees. The proposed project meets with all other applicable Safety element policies.
5. **Noise:** Sufficient mitigation against any foreseeable noise sources in the area have been provided for in the design of the project. The project meets all other applicable Noise Element Policies.
6. **Housing:** The proposed project meets with all applicable Housing element policies.
7. **Air Quality:** The proposed project has been conditioned to control any fugitive dust during grading and construction activities. The proposed project meets all other applicable Air Quality element policies.

B. General Plan Area Plan(s): Harvest Valley/Winchester Area Plan

C. Foundation Component(s): Community Development (CD)

D. Land Use Designation(s): Commercial Retail (CD: CR) (0.20-0.35 Floor Area Ratio)

E. Overlay(s), if any: Not Applicable

F. Policy Area(s), if any: Highway 79 Policy Area

G. Adjacent and Surrounding Area Plan(s), Foundation Component(s), Land Use Designation(s), and Overlay(s) and Policy Area(s), if any: The project site is surrounded by properties which are designated Community Development: Commercial Retail (CD:CR) to the south, east, and west, Community Development: Medium Density Residential (CD:MDR) to the north.

H. Adopted Specific Plan Information

1. **Name and Number of Specific Plan, if any:** Not Applicable

2. **Specific Plan Planning Area, and Policies, if any:** Not Applicable

I. Existing Zoning: Rural Residential (R-R)

J. Proposed Zoning, if any: Scenic Highway Commercial (C-P-S)

K. Adjacent and Surrounding Zoning: The project site is surrounded by mixture of Rural Residential (R-R) and Scenic Highway Commercial (C-P-S) along Highway 74 but not contiguous. The general vicinity of the project site is zoned Rural Residential (R-R) as it moves away from Highway 74.

III. ENVIRONMENTAL FACTORS POTENTIALLY AFFECTED

The environmental factors checked below (x) would be potentially affected by this project, involving at least one impact that is a "Potentially Significant Impact" or "Less than Significant with Mitigation Incorporated" as indicated by the checklist on the following pages.

- | | | |
|---|--|---|

IV. DETERMINATION

On the basis of this initial evaluation:

A PREVIOUS ENVIRONMENTAL IMPACT REPORT/NEGATIVE DECLARATION WAS NOT PREPARED

☒ I find that the proposed project **COULD NOT** have a significant effect on the environment, and a **NEGATIVE DECLARATION** will be prepared.

☐ I find that although the proposed project could have a significant effect on the environment, there will not be a significant effect in this case because revisions in the project, described in this document, have been made or agreed to by the project proponent. **A MITIGATED NEGATIVE DECLARATION** will be prepared.

☐ I find that the proposed project **MAY** have a significant effect on the environment, and an **ENVIRONMENTAL IMPACT REPORT** is required.

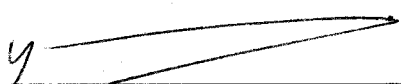

A PREVIOUS ENVIRONMENTAL IMPACT REPORT/NEGATIVE DECLARATION WAS PREPARED

☐ I find that although the proposed project could have a significant effect on the environment, **NO NEW ENVIRONMENTAL DOCUMENTATION IS REQUIRED** because (a) all potentially significant effects of the proposed project have been adequately analyzed in an earlier EIR or Negative Declaration pursuant to applicable legal standards, (b) all potentially significant effects of the proposed project have been avoided or mitigated pursuant to that earlier EIR or Negative Declaration, (c) the proposed project will not result in any new significant environmental effects not identified in the earlier EIR or Negative Declaration, (d) the proposed project will not substantially increase the severity of the environmental effects identified in the earlier EIR or Negative Declaration, (e) no considerably different mitigation measures have been identified and (f) no mitigation measures found infeasible have become feasible.

☐ I find that although all potentially significant effects have been adequately analyzed in an earlier EIR or Negative Declaration pursuant to applicable legal standards, some changes or additions are necessary but none of the conditions described in California Code of Regulations, Section 15162 exist. An **ADDENDUM** to a previously-certified EIR or Negative Declaration has been prepared and will be considered by the approving body or bodies.

☐ I find that at least one of the conditions described in California Code of Regulations, Section 15162 exist, but I further find that only minor additions or changes are necessary to make the previous EIR adequately apply to the project in the changed situation; therefore a **SUPPLEMENT TO THE ENVIRONMENTAL IMPACT REPORT** is required that need only contain the information necessary to make the previous EIR adequate for the project as revised.

☐ I find that at least one of the following conditions described in California Code of Regulations, Section 15162, exist and a **SUBSEQUENT ENVIRONMENTAL IMPACT REPORT** is required: (1) Substantial changes are proposed in the project which will require major revisions of the previous EIR or negative declaration due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; (2) Substantial changes have occurred with respect to the circumstances under which the project is undertaken which will require major revisions of the previous EIR or negative declaration due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; or (3) New information of substantial importance, which was not known and could not have been known with the exercise of reasonable diligence at the time the previous EIR was certified as complete or the negative declaration was adopted, shows any the following: (A) The project will have one or more significant effects not discussed in the previous EIR or negative declaration; (B) Significant effects previously examined will be substantially more severe than shown in the previous EIR or negative declaration; (C) Mitigation measures or alternatives previously found not to be feasible would in fact be feasible, and would substantially reduce one or more significant effects of the project, but the project proponents decline to adopt the mitigation measures or alternatives; or, (D) Mitigation measures or alternatives which are considerably different from those analyzed in the previous EIR or negative declaration would substantially reduce one or more significant effects of the project on the environment, but the project proponents decline to adopt the mitigation measures or alternatives.

V. ENVIRONMENTAL ISSUES ASSESSMENT

In accordance with the California Environmental Quality Act (CEQA) (Public Resources Code Section 21000-21178.1), this Initial Study has been prepared to analyze the proposed project to determine any potential significant impacts upon the environment that would result from construction and implementation of the project. In accordance with California Code of Regulations, Section 15063, this Initial Study is a preliminary analysis prepared by the Lead Agency, the County of Riverside, in consultation with other jurisdictional agencies, to determine whether a Negative Declaration, Mitigated Negative Declaration, or an Environmental Impact Report is required for the proposed project. The purpose of this Initial Study is to inform the decision-makers, affected agencies, and the public of potential environmental impacts associated with the implementation of the proposed project.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
AESTHETICS Would the project				
1. Scenic Resources				
a) Have a substantial effect upon a scenic highway corridor within which it is located?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b) Substantially damage scenic resources, including, but not limited to, trees, rock outcroppings and unique or landmark features; obstruct any prominent scenic vista or view open to the public; or result in the creation of an aesthetically offensive site open to public view?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Source: Riverside County General Plan Figure C-9 "Scenic Highways"

Findings of Fact:

a) The project site is located on the northerly side of SH-74 which is designated by the General Plan as a State Eligible Scenic Highway. Through this area of the corridor, the scenic resources would include the view of the hills to the north and south of the highway. The proposed Family Dollar building would be subject to the latest adopted building code and through design the visual impact is minimal in preserving and protecting the scenic highway corridor. The project is setback approximately 80 feet from the new right-of-way and provides ample landscaping that will minimize the impact to the scenic highway corridor. Additionally, the maximum height of the building is proposed at 31 vertical feet and minimum of 21 feet.

The change of zone is also being proposed from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General Plan designation of Community Development: Commercial Retail (CD:CR). The change of zone will not substantially affect the scenic highway corridor.

b) The proposed project will not substantially damage scenic resources, including, but not limited to, trees, rock outcroppings and unique or landmark features, open to the public, as these features do not exist on the project site. Additionally, the project will not result in the creation of an aesthetically offensive site open to public view.

Mitigation: No mitigation measures are required.

Monitoring: No mitigation measures are required.

2. Mt. Palomar Observatory

a) Interfere with the nighttime use of the Mt. Palomar Observatory, as protected through Riverside County Ordinance No. 655?

☐☐☒☐

Source: GIS database, Ord. No. 655 (Regulating Light Pollution)

Findings of Fact:

a) According to the GENERAL PLAN, the project site is located 30.28 miles away from the Mt. Palomar Observatory; which is within the designated 45-mile (ZONE B) Special Lighting Area that surrounds the Mt. Palomar Observatory. Ordinance No. 655 contains approved materials and methods of installation, definition, general requirements, requirements for lamp source and shielding, prohibition and exceptions. With incorporation of project lighting requirements of the Riverside County Ordinance No. 655 into the proposed project, this impact will be reduced to a less than significant impact. (COA 10.PLANNING.31) This is a standard condition of approval and therefore is not considered mitigation pursuant to CEQA.

Mitigation: No mitigation measures are required.

Monitoring: No mitigation measures are required.

3. Other Lighting Issues

a) Create a new source of substantial light or glare which would adversely affect day or nighttime views in the area?

☐☐☒☐

b) Expose residential property to unacceptable light levels?

☐☐☒☐

Source: On-site Inspection, Project Application Description

Findings of Fact:

a-b) The project will not create a new source of substantial light or glare which would adversely affect day or nighttime views in the area, or expose residential property to unacceptable levels of light or glare. Adjacent residential properties will not be exposed to unacceptable light levels. Any lighting on site is required to be shielded and directed away from any residential properties. Light created from potential increased traffic to the site may increase as well as interior lighting associated with the proposed retail use. This lighting will be shielded from the neighboring residential properties per building code and Mt. Palomar Observatory Ordinance No. 655. The ordinance contains approved materials and methods of installation, definition, general requirements, requirements for lamp source and shielding, prohibition and exceptions. With incorporation of the standard conditions of approval for project lighting requirements of the Riverside County Ordinance No. 655 into the proposed project, this impact will be reduced to a less than significant impact. (COA 10.PLANNING.3 and 10.PLANNING.42) and is therefore not considered mitigation pursuant to CEQA.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
AGRICULTURE & FOREST RESOURCES Would the project				
4. Agriculture	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
a) Convert Prime Farmland, Unique Farmland, or Farmland of Statewide Importance (Farmland) as shown on the maps prepared pursuant to the Farmland Mapping and Monitoring Program of the California Resources Agency, to non-agricultural use?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b) Conflict with existing agricultural zoning, agricultural use or with land subject to a Williamson Act contract or land within a Riverside County Agricultural Preserve?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c) Cause development of non-agricultural uses within 300 feet of agriculturally zoned property (Ordinance No. 625 "Right-to-Farm")?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d) Involve other changes in the existing environment which, due to their location or nature, could result in conversion of Farmland, to non-agricultural use?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Source: GIS database, and Project Application Materials.

Findings of Fact:

a) According to GIS database, the project is located in an area designated as "Urban Built Up Land". Therefore, the project will not convert a Prime Farmland, Unique Farmland, or Farmland of Statewide Importance to non-agricultural use. Additionally, the change of zone from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General Plan designation of Community Development: Commercial Retail (CD:CR) will not convert Prime Farmland, Unique Farmland, or Farmland of Statewide Importance (Farmland). The project will have no significant impact.

b) According to GIS database, the project is not located within an Agriculture Preserve or under a Williamson Act contract; therefore, no impact will occur as a result of the proposed project.

c) The project site is not surrounded by agriculturally zoned land (A-1, A-2, A-P, A-D & C/V) and changing the zone from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) will not cause development of non-agricultural uses within 300 feet of agriculturally zoned property. Therefore, the project site, the project will not cause development of a non-agricultural use within 300 feet of agriculturally zoned property.

d) The project will not involve other changes in the existing environment which, due to their location or nature, could result in conversion of Farmland, to non-agricultural use.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
5. Forest	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
a) Conflict with existing zoning for, or cause rezoning of, forest land (as defined in Public Resources Code section 12220(g)), timberland (as defined by Public Resources Code section 4526), or timberland zoned Timberland Production (as defined by Govt. Code section 51104(g))?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b) Result in the loss of forest land or conversion of forest land to non-forest use?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c) Involve other changes in the existing environment which, due to their location or nature, could result in conversion of forest land to non-forest use?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Source: Riverside County General Plan Figure OS-3 "Parks, Forests and Recreation Areas," and Project Application Materials.

Findings of Fact:

a) The project is not located within the boundaries of a forest land (as defined in Public Resources Code section 12220(g)), timberland (as defined by Public Resources Code section 4526), or timberland zoned Timberland Production (as defined by Govt. Code section 51104(g)). Therefore, the proposed project will not impact land designated as forest land, timberland, or timberland zoned Timberland Production.

b) The project is not located within forest land and will not result in the loss of forest land or conversion of forest land to non-forest use; therefore, no impact will occur as a result of the proposed project.

c) The project will not involve other changes in the existing environment which, due to their location or nature, could result in conversion of forest land to non-forest use.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

AIR QUALITY Would the project

6. Air Quality Impacts

a) Conflict with or obstruct implementation of the applicable air quality plan?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b) Violate any air quality standard or contribute substantially to an existing or projected air quality violation?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
c) Result in a cumulatively considerable net increase of any criteria pollutant for which the project region is non-attainment under an applicable federal or state ambient air quality standard (including releasing emissions which exceed quantitative thresholds for ozone precursors)?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
d) Expose sensitive receptors which are located within 1 mile of the project site to project substantial point source emissions?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
e) Involve the construction of a sensitive receptor located within one mile of an existing substantial point source emitter?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
f) Create objectionable odors affecting a substantial number of people?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Source: SCAQMD CEQA Air Quality Handbook and Greenhouse Gas Review Study dated April 15, 2013

Findings of Fact: CEQA Guidelines indicate that a project will significantly impact air quality if the project violates any ambient air quality standard, contributes substantially to an existing air quality violation, or exposes sensitive receptors to substantial pollutant concentrations.

a) The project site is located in the South Coast Air Basin (SCAB). The South Coast Air Quality Management District (SCAQMD) adopted its most recent Air Quality Management Plan (AQMP) for the SCAB on August 1, 2003. The AQMP is a plan for the regional improvement of air quality. As part of adoption of the County's General Plan in 2003, the General Plan's EIR (No. 441, SCH No. 2002051143) analyzed the General Plan growth projections for consistency with the AQMP and concluded that the General Plan is consistent with the SCAQMD's AQMP. The project is consistent with the County General Plan and would therefore be consistent with the SCAQMD's AQMP.

b-c) The South Coast Air Basin (SCAB) is in a non-attainment status for federal ozone standards, federal carbon monoxide standards, and state and federal particulate matter standards. Any development in the SCAB, including the proposed Project, would cumulatively contribute to these pollutant violations.

The project is consistent with the General Plan and the Harvest Valley/Winchester Area Plan land use designations. The General Plan (2003) is a policy document that reflects the County's vision for the future of Riverside County. The General Plan is organized into eight separate elements, including an Air Quality Element. The purpose of the Air Quality Element is to protect County residents from the harmful effects of poor air quality. The Air Quality Element identifies goals, policies, and programs that are meant to balance actions regarding land use, circulation, and other issues with their potential effects on air quality. The Air Quality Element, in conjunction with local and regional air quality planning efforts, addresses ambient air quality standards set forth by the Federal Environmental Protection Agency (EPA) and the California Air Resources Board (CARB). Potential air quality impacts resulting from the proposed project would not exceed emissions projected by the Air Quality Element as identified in the Greenhouse Gas Review Study dated April 15, 2013. The County is charged with implementing the policies in the General Plan Air Quality Element, which are focused on reducing concentrations of criteria pollutants, reducing negative impacts to sensitive receptors, reducing mobile and stationary pollutant sources, increasing energy conservation and efficiency, improving the jobs to housing balance, and facilitating multi-jurisdictional coordination for the improvement of air quality.

Implementation of the project would not impact air quality beyond the levels documented in EIR No. 441 prepared for the General Plan. The project would impact air quality in the short-term during construction and in the long-term through operation. In accordance with standard county requirements, dust control measures and maintenance of construction equipment shall be utilized on the property to limit the amount of particulate matter generated. These are standard requirements and are not considered mitigation pursuant to CEQA.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

The proposed project would primarily impact air quality through increased automotive emissions. Projects of this type do not generate enough traffic and associated air pollutants to violate clean air standards or contribute enough air pollutants to be considered a cumulatively considerable significant impact. Therefore, the impacts to air quality are considered less than significant.

d) A sensitive receptor is a person in the population who is particularly susceptible to health effects due to exposure to an air contaminant than is the population at large. Sensitive receptors (and the facilities that house them) in proximity to localized CO sources, toxic air contaminants or odors are of particular concern. High levels of CO are associated with major traffic sources, such as freeways and major intersections, and toxic air contaminants are normally associated with manufacturing and commercial operations. Land uses considered to be sensitive receptors include long-term health care facilities, rehabilitation centers, convalescent centers, retirement homes, residences, schools, playgrounds, child care centers, and athletic facilities. Surrounding land uses include residential, which is considered a sensitive receptor, however, the project is not expected to generate substantial point source emissions. The project will not include manufacturing uses or generate significant odors.

e) Surrounding land uses do not include significant localized CO sources, toxic air contaminants, or odors. An 8,239 square foot retail building is not considered a substantial point source emitter or a sensitive receptor.

f) The project will not create objectionable odors affecting a substantial number of people.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

BIOLOGICAL RESOURCES Would the project

7. Wildlife & Vegetation

a) Conflict with the provisions of an adopted Habitat Conservation Plan, Natural Conservation Community Plan, or other approved local, regional, or state conservation plan?

☐ ☐ ☒ ☐

b) Have a substantial adverse effect, either directly or through habitat modifications, on any endangered, or threatened species, as listed in Title 14 of the California Code of Regulations (Sections 670.2 or 670.5) or in Title 50, Code of Federal Regulations (Sections 17.11 or 17.12)?

☐ ☐ ☒ ☐

c) Have a substantial adverse effect, either directly or through habitat modifications, on any species identified as a candidate, sensitive, or special status species in local or regional plans, policies, or regulations, or by the California Department of Fish and Game or U. S. Wildlife Service?

☐ ☐ ☒ ☐

d) Interfere substantially with the movement of any native resident or migratory fish or wildlife species or with established native resident or migratory wildlife corridors, or impede the use of native wildlife nursery sites?

☐ ☐ ☐ ☒

e) Have a substantial adverse effect on any riparian habitat or other sensitive natural community identified in

☐ ☐ ☐ ☒

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
local or regional plans, policies, regulations or by the California Department of Fish and Game or U. S. Fish and Wildlife Service?				
f) Have a substantial adverse effect on federally protected wetlands as defined by Section 404 of the Clean Water Act (including, but not limited to, marsh, vernal pool, coastal, etc.) through direct removal, filling, hydrological interruption, or other means?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
g) Conflict with any local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Source: GIS database, WRCMSHCP

Findings of Fact:

a) The project site does not conflict with the provisions of an adopted Habitat Conservation Plan, Natural Conservation Community Plan, or other approved local, regional, or state conservation plan. The project site is a vacant parcel in an urbanized area. The area shows signs of periodic disturbance of weed abatement through the process of disking. The proposal will disturb approximately 1.5 acres for the construction of the retail building and associated parking areas. Based on periodical disturbance, the site is not anticipated to have biological impacts. Therefore, project will have less than significant impact.

b-c) The proposal will disturb approximately 1.5 acres for the construction of the retail building and associated parking areas. Based on periodical disturbance, the site is not anticipated to have habitat modifications, on any endangered, or threatened species, as listed in Title 14 of the California Code of Regulations (Sections 670.2 or 670.5) or in Title 50, Code of Federal Regulations (Sections 17.11 or 17.12). The project will have a less than significant impact.

d) The project will not result in the adverse impacts on MSHCP-listed plant or animal species. Natural watercourses are not present on the site. U.S. Army Corps of Engineers and CDFG jurisdictional waters of the US wetlands and streambeds are not present. The project will not interfere substantially with the movement of any native resident or migratory fish or wildlife species or with established native resident migratory wildlife corridors, or impede the use of native wildlife nursery sites. Therefore, there is no significant impact.

e-f) The project site does not contain riverine/riparian areas or vernal pools. Therefore, there is no significant impact.

g) The proposed project will not conflict with any local policies or ordinances protecting biological resources, such as a tree preservation policy or ordinance. Therefore, there is no significant impact.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--	--------------------------------------	--	---------------------------------------	--------------

CULTURAL RESOURCES Would the project

8. Historic Resources

a) Alter or destroy an historic site?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b) Cause a substantial adverse change in the significance of a historical resource as defined in California Code of Regulations, Section 15064.5?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Source: On-site Inspection, Project Application Materials

Findings of Fact:

a-b) The proposed site has been previously disturbed for weed abatement by disking. The project does not propose to alter or destroy a historic site or cause a substantial adverse change in the significance of a historical resource as defined in California Code of Regulations, Section 15064.5. The project will have no significant impact.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

9. Archaeological Resources

a) Alter or destroy an archaeological site.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b) Cause a substantial adverse change in the significance of an archaeological resource pursuant to California Code of Regulations, Section 15064.5?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
c) Disturb any human remains, including those interred outside of formal cemeteries?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
d) Restrict existing religious or sacred uses within the potential impact area?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Source: Project Application Materials

Findings of Fact:

a-b) Site disturbance has already occurred from weed abatement by disking. The project is not anticipated to alter or destroy an archaeological site. If, however, during ground disturbing activities, unique cultural resources are discovered, all ground disturbances shall halt until a meeting is held between the developer, archaeologist, and Native American representative to discuss the significance of the find. Therefore, the project will not alter or destroy an archaeological site or cause a substantive adverse change in the significance of an archaeological resource.

c) There may be a possibility that ground disturbing activities will expose human remains. The project is subject to State Health and Safety Code Section 7050.5 if human remains are discovered during ground disturbing activities. This is a standard condition and not considered mitigation for CEQA purposes. Therefore, the impact is considered less than significant.

d) The project will not restrict existing religious or sacred uses within the potential impact area. Therefore, there is no impact.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--	--------------------------------------	--	---------------------------------------	--------------

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required

10. Paleontological Resources

a) Directly or indirectly destroy a unique paleontological resource, or site, or unique geologic feature?

☐ ☐ ☒ ☐

Source: GIS database

Findings of Fact:

a) According to GIS database, this site has been mapped as having a high potential for paleontological resources. There may be a possibility that ground disturbing activities will expose fossil specimens. Therefore, a Paleontological Monitoring Report shall be submitted to the County Geologist for site grading operation. This is a standard condition and not considered mitigation for CEQA purposes. Therefore, the impact is considered less than significant.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required

GEOLOGY AND SOILS Would the project

11. Alquist-Priolo Earthquake Fault Zone or County Fault Hazard Zones

☐ ☐ ☒ ☐

a) Expose people or structures to potential substantial adverse effects, including the risk of loss, injury, or death?

b) Be subject to rupture of a known earthquake fault, as delineated on the most recent Alquist-Priolo Earthquake Fault Zoning Map issued by the State Geologist for the area or based on other substantial evidence of a known fault?

☐ ☐ ☒ ☐

Source: Riverside County General Plan Figure S-2 "Earthquake Fault Study Zones," GIS database

Findings of Fact:

a-b) No active faults are known to traverse the subject site. The project site does not lie within a State of California Earthquake Fault Hazard Zone (formerly called an Alquist-Priolo Special Studies Zone). Additionally, the project is subject to the California Building Code (CBC) requirements pertaining to commercial development and thereby mitigating any potential impact to less than significant. As CBC requirements are applicable to all commercial development they are not considered mitigation for CEQA implementation purposes. Therefore, the impact is considered less than significant.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--	--------------------------------------	--	---------------------------------------	--------------

12. Liquefaction Potential Zone

a) Be subject to seismic-related ground failure, including liquefaction?

☐
☐
☐
☒

Source: Riverside County General Plan Figure S-3 "Generalized Liquefaction", GIS Database

Findings of Fact:

a) The project is located within an area of low potential for liquefaction. Liquefaction on the site is unlikely due to the shallow bedrock, high to very high density of the soil, and lack of groundwater in the surrounding area. Adherence to the California Building Code (CBC) will mitigate any potential liquefaction that exists on the site to less than significant. As CBC requirements are applicable to all commercial development they are not considered mitigation for CEQA implementation purposes.

Mitigation: No mitigation measures required.

Monitoring: No monitoring measures are required.

13. Ground-shaking Zone

Be subject to strong seismic ground shaking?

☐
☐
☒
☐

Source: Riverside County General Plan Figure S-4 "Earthquake-Induced Slope Instability Map," and Figures S-13 through S-21 (showing General Ground Shaking Risk)

Findings of Fact:

There are no known active or potentially active faults that traverse the site and the site is not located within an Alquist-Priolo Earthquake Fault Zone. The principal seismic hazard that could affect the site is ground shaking resulting from an earthquake occurring along several major active or potentially active faults in southern California. The project is located within a very high ground shaking risk area. California Building Code (CBC) requirements pertaining to commercial development will mitigate the potential impact to less than significant. As CBC requirements are applicable to all commercial development they are not considered mitigation for CEQA implementation purposes.

Mitigation: No mitigation measures are required.

Monitoring: No mitigation measures are required.

14. Landslide Risk

a) Be located on a geologic unit or soil that is unstable, or that would become unstable as a result of the project, and potentially result in on- or off-site landslide, lateral spreading, collapse, or rockfall hazards?

☐
☐
☒
☐

Source: Riverside County General Plan Figure S-5 "Regions Underlain by Steep Slope"

Findings of Fact:

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

a) The project site is located on generally flat land with minimal possibilities of resulting in on- or off-site landslide, lateral spreading, collapse, or rock fall hazards. In addition, no further information is provided to suggest that the project would be located on unstable soil. The project will have less than significant impact.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

15. Ground Subsidence

a) Be located on a geologic unit or soil that is unstable, or that would become unstable as a result of the project, and potentially result in ground subsidence?

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

Source: GIS database, Riverside County General Plan Figure S-7 "Documented Subsidence Areas" and Geotechnical Investigation performed by Southern California Soil & testing, Inc. out of San Diego California (Dated: August 21, 2012).

Findings of Fact:

a) According to GIS database, the project site is located in an area with potential subsidence, and the Geotechnical Investigation performed by Southern California Soil & testing, Inc. out of San Diego California indicated that the area subject to potentially compressible alluvial material within four (4) feet of the existing grade. The report also suggests that the existing grade should be excavated and recommends that the material can be placed as compacted fill. This process will minimize the potential for subsidence. Additionally, the grading and foundation recommendations may need to be updated once final grading and foundation plans are developed. Adherence to the California Building Code (CBC) will mitigate any subsidence potential that exists on the site to less than significant. As CBC requirements are applicable to all commercial development they are not considered mitigation for CEQA implementation purposes.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

16. Other Geologic Hazards

a) Be subject to geologic hazards, such as seiche, mudflow, or volcanic hazard?

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

Source: Project Application Materials

a) The project site is not located near any large bodies of water or in a known volcanic area; therefore, the project site is not subject to geologic hazards, such as seiche, mudflow, or volcanic hazard.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
17. Slopes				
a) Change topography or ground surface relief features?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b) Create cut or fill slopes greater than 2:1 or higher than 10 feet?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c) Result in grading that affects or negates subsurface sewage disposal systems?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Source: Project Application Materials, Building and Safety – Grading Review

Findings of Fact:

a) The project site is generally flat land with no slope present on the site. The proposed commercial retail facility will not change topography or ground surface relief features. Therefore, the project will not have an impact.

b) The project will not cut or fill slopes greater than 2:1 or create a slope higher than 10 feet.

c) The project will not result in grading that affects or negates subsurface sewage disposal systems.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

18. Soils				
a) Result in substantial soil erosion or the loss of topsoil?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b) Be located on expansive soil, as defined in Section 1802.3.2 of the California Building Code (2007), creating substantial risks to life or property?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
c) Have soils incapable of adequately supporting use of septic tanks or alternative waste water disposal systems where sewers are not available for the disposal of waste water?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Source: General Plan figure S-6 "Engineering Geologic Materials Map", Project Application Materials, Building and Safety Grading review

a) The development of the site could result in the loss of topsoil from grading activities, but not in a manner that would result in significant amounts of soil erosion. Implementation of Best Management Practices (BMPs) would reduce the impact to below a level of significance. Impacts would be less than significant.

b) The project may be located on expansive soil; however, California Building Code (CBC) requirements pertaining to commercial development will mitigate the potential impact to less than

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

significant. As CBC requirements are applicable to all development, they are not considered mitigation for CEQA implementation purposes.

c) The project is for the installation of an unmanned wireless communication facility and will not require the use of sewers or septic tanks. The project will have no significant impact.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

19. Erosion

a) Change deposition, siltation, or erosion that may modify the channel of a river or stream or the bed of a lake?

☐ ☐ ☐ ☒

b) Result in any increase in water erosion either on or off site?

☐ ☐ ☒ ☐

Source: Flood Control District review, Project Application Materials

Findings of Fact:

a) The proposed project is not located in the vicinity of a stream or lake, will not change deposition, siltation, or erosion that may modify the channel of a river, stream, or the bed of a lake. The project will have no significant impact.

b) The proposed project is not likely to increase in water erosion either on or off site; therefore, the project will have less than significant impact.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

20. Wind Erosion and Blowsand from project either on or off site.

☐ ☐ ☒ ☐

a) Be impacted by or result in an increase in wind erosion and blowsand, either on or off site?

Source: Riverside County General Plan Figure S-8 "Wind Erosion Susceptibility Map," Ord. 460, Sec. 14.2 & Ord. 484

Findings of Fact:

a) The site is located in an area of Moderate Wind Erodibility rating. The General Plan, Safety Element Policy for Wind Erosion requires buildings and structures to be designed to resist wind loads which are covered by the California Building Code. With such compliance, the project will not result in an increase in wind erosion and blowsand, either on or off site. The project will have less than significant impact.

Mitigation: No mitigation measures are required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

Monitoring: No monitoring measures are required.

GREENHOUSE GAS EMISSIONS Would the project

21. Greenhouse Gas Emissions

a) Generate greenhouse gas emissions, either directly or indirectly, that may have a significant impact on the environment?

☐ ☐ ☒ ☐

b) Conflict with an applicable plan, policy or regulation adopted for the purpose of reducing the emissions of greenhouse gases?

☐ ☐ ☒ ☐

Source: Project application materials, Air Study Dated April 15, 2013.

Findings of Fact:

a) The project is a construction of 8,239 square foot commercial retail building with a change of zone from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General Plan designation of Community Development: Commercial Retail (CD:CR). Based on the air Study submitted by the applicant dated April 15, 2013, the proposed project does not exceed the threshold set by South Coast Air Basin (SCAB) and Southeast Desert Air Basin (SEDAB). The construction activities will involve heavy duty equipment and labor. However, the construction of this size (under 10,000 square foot) will not have a significant impact on the air quality of the area. Therefore, greenhouse gas emissions generated during construction phase are minimal. In addition, the powering of the commercial retail store will not require an extensive amount of electricity. Therefore, project is not anticipated to generate greenhouse gas emissions, either directly or indirectly, that may have a significant impact on the environment.

b) The project will not conflict with an applicable plan, policy or regulation adopted for the purpose of reducing the emissions of greenhouse gases. The project will have less than significant impact.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

HAZARDS AND HAZARDOUS MATERIALS Would the project

22. Hazards and Hazardous Materials

a) Create a significant hazard to the public or the environment through the routine transport, use, or disposal of hazardous materials?

☐ ☐ ☐ ☒

b) Create a significant hazard to the public or the environment through reasonably foreseeable upset and accident conditions involving the release of hazardous materials into the environment?

☐ ☐ ☐ ☒

c) Impair implementation of or physically interfere with an adopted emergency response plan or an emergency evacuation plan?

☐ ☐ ☐ ☒

d) Emit hazardous emissions or handle hazardous or acutely hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school?

☐ ☐ ☐ ☒

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
e) Be located on a site which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and, as a result, would it create a significant hazard to the public or the environment?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Source: Project Application Materials

Findings of Fact:

- a) The project will not create a significant hazard to the public or the environment through the routine transport, use, or disposal of hazardous materials.
- b) The project will not create a significant hazard to the public or the environment through reasonably foreseeable upset and accident conditions involving the release of hazardous materials into the environment.
- c) The project will not impair implementation of or physically interfere with an adopted emergency response plan or an emergency evacuation plan.
- d) The project site is not located within one-quarter mile of an existing school. The proposed change of zone and construction of retail commercial facility does not emit and/or handle hazardous or acutely hazardous materials, substances, or waste. Therefore, there is no impact.
- e) The project is not located on a site which is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and, as a result, would it create a significant hazard to the public or the environment.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

23. Airports	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
a) Result in an inconsistency with an Airport Master Plan?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b) Require review by the Airport Land Use Commission?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c) For a project located within an airport land use plan or, where such a plan has not been adopted, within two miles of a public airport or public use airport, would the project result in a safety hazard for people residing or working in the project area?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
d) For a project within the vicinity of a private airstrip, or heliport, would the project result in a safety hazard for people residing or working in the project area?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Source: Riverside County General Plan Figure S-19 "Airport Locations," GIS database

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

a) The project site is not located within the vicinity of any public or private airport; therefore, the project will not result in an inconsistency with an Airport Master Plan. The closest airport is Hemet-Ryan Airport which is located approximately 5 miles west of the project site.

b) The project site is not located within the vicinity of any public or private airport; therefore will not require review by the Airport Land Use Commission.

c) The project is not located within an airport land use plan and would not result in a safety hazard for people residing or working in the project area. The closest airport is Hemet-Ryan Airport which is located approximately 5 miles west of the project site.

d) The project is not within the vicinity of a private airstrip, or heliport and would not result in a safety hazard for people residing or working in the project area. The closest airport is Hemet-Ryan Airport which is located approximately 5 miles west of the project site.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

24. Hazardous Fire Area

a) Expose people or structures to a significant risk of loss, injury or death involving wildland fires, including where wildlands are adjacent to urbanized areas or where residences are intermixed with wildlands?

☐ ☐ ☒ ☐

Source: Riverside County General Plan Figure S-11 "Wildfire Susceptibility," GIS database

Findings of Fact:

a) The project is located in a high fire hazard area. The project shall adhere to all Fire Department requirements for projects located within high fire hazard areas. This is a standard condition of approval and is not considered mitigation under CEQA.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

HYDROLOGY AND WATER QUALITY Would the project

25. Water Quality Impacts

a) Substantially alter the existing drainage pattern of the site or area, including the alteration of the course of a stream or river, in a manner that would result in substantial erosion or siltation on- or off-site?

☐ ☐ ☒ ☐

b) Violate any water quality standards or waste discharge requirements?

☐ ☐ ☒ ☐

c) Substantially deplete groundwater supplies or interfere substantially with groundwater recharge such that

☐ ☐ ☒ ☐

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
there would be a net deficit in aquifer volume or a lowering of the local groundwater table level (e.g., the production rate of pre-existing nearby wells would drop to a level which would not support existing land uses or planned uses for which permits have been granted)?				
d) Create or contribute runoff water that would exceed the capacity of existing or planned stormwater drainage systems or provide substantial additional sources of polluted runoff?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
e) Place housing within a 100-year flood hazard area, as mapped on a federal Flood Hazard Boundary or Flood Insurance Rate Map or other flood hazard delineation map?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
f) Place within a 100-year flood hazard area structures which would impede or redirect flood flows?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
g) Otherwise substantially degrade water quality?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
h) Include new or retrofitted stormwater Treatment Control Best Management Practices (BMPs) (e.g. water quality treatment basins, constructed treatment wetlands), the operation of which could result in significant environmental effects (e.g. increased vectors or odors)?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Source: Riverside County Flood Control District Flood Hazard Report/Condition.

Findings of Fact:

a)-b) The proposed project will develop approximately 1.5 acre of land area from vacant undeveloped to 8,239 square foot commercial retail building with 42 parking spaces. Through this process, the site will alter the drainage from its current natural flow to Highway 74. By altering the flow, the project will have to meet the latest Water Quality Management Plan (WQMP) standards and Best Management Practices (BMP) standards. With such regulations in place, it will not violate any water quality standards or waste discharge requirements.

The project will incorporate a detention/retention basin to capture and treat the water before it leave the site onto a public maintained system. Additionally, the site does not contain nor alter the course a stream or river in a manner that would result in substantial erosion or siltation on- or off-site. Therefore, there is less than significant impact anticipated.

c) The project will not substantially deplete groundwater supplies or interfere substantially with groundwater recharge such that there would be a net deficit in aquifer volume or a lowering of the local groundwater table level (e.g., the production rate of pre-existing nearby wells would drop to a level which would not support existing land uses or planned uses for which permits have been granted). Therefore, the impact is considered less than significant.

d) Due to the amount of impervious surfaces within the project site, this proposal will not increase flow rates on downstream property owners. Therefore, no new flood control facilities or water quality mitigation will be required. Therefore, the impact is considered less than significant.

e) The project site is not located within a 100 year flood zone. And no housing is proposed with this project. Therefore, the project shall not place housing within a 100-year flood hazard area, as

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

mapped on a federal Flood Hazard Boundary or Flood Insurance Rate Map or other flood hazard delineation map.

f) The project site is not located within a 100 year flood zone. Therefore, the project will not place structures within a 100-year flood hazard area which would impede or redirect flood flows.

g-h) The project will not substantially degrade water quality or include new or retrofitted stormwater Treatment Control Best Management Practices (BMPs) (e.g. water quality treatment basins, constructed treatment wetlands), the operation of which could result in significant environmental effects (e.g. increased vectors and odors). Therefore, there is no impact.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

26. Floodplains

Degree of Suitability in 100-Year Floodplains. As indicated below, the appropriate Degree of Suitability has been checked.

NA - Not Applicable ☒

U - Generally Unsuitable ☐

R - Restricted ☐

a) Substantially alter the existing drainage pattern of the site or area, including through the alteration of the course of a stream or river, or substantially increase the rate or amount of surface runoff in a manner that would result in flooding on- or off-site?

☐
☐
☒
☐

b) Changes in absorption rates or the rate and amount of surface runoff?

☐
☐
☒
☐

c) Expose people or structures to a significant risk of loss, injury or death involving flooding, including flooding as a result of the failure of a levee or dam (Dam Inundation Area)?

☐
☐
☒
☐

d) Changes in the amount of surface water in any water body?

☐
☐
☒
☐

Source: Riverside County General Plan Figure S-9 "100- and 500-Year Flood Hazard Zones," Figure S-10 "Dam Failure Inundation Zone," GIS database, FEMA Issued Flood Map

Findings of Fact:

a) Because of the small size and limited development of the project site, the project will not substantially alter the existing drainage pattern of the site or area, including through the alteration of the course of a stream or river, or substantially increase the rate or amount of surface runoff in a manner that would result in flooding on- or off-site. Additionally, the property is located in Zone X, and it is determined to be outside the 0.2% annual chance floodplain [FEMA Flood Insurance Rate Map (FIRM) with effective date of August 28, 2008, Map No. 06065C2080G, Panel 2080 of 3805]. Therefore, the project will have less than significant impact.

b) Because of the small size and limited development of the project site, the project will not result in changes in absorption rates or the rate and amount of surface runoff within a floodplain. Therefore, the project will have less than significant impact.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

c) The project will not expose people or structures to a significant risk of loss, injury or death involving flooding, including flooding as a result of the failure of a levee or dam. Therefore, the project will have less than significant impact.

d) Because of the small size and limited development of the project site, the project will not cause changes in the amount of surface water in any water body. Therefore, the project will have less than significant impact.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

LAND USE/PLANNING Would the project

27. Land Use

a) Result in a substantial alteration of the present or planned land use of an area?

☐ ☐ ☒ ☐

b) Affect land use within a city sphere of influence and/or within adjacent city or county boundaries?

☐ ☐ ☐ ☒

Source: General Plan, GIS database, Project Application Materials (City of Hemet General Plan Map)

Findings of Fact:

a) The proposed use is in compliance with the current land use of Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio) in the Harvest Valley/Winchester Area Plan. The project will have a less than significant impact as it likely will not result in the substantial alteration of the present or planned land use of an area.

b) The project is not adjacent to a city boundary and not in a sphere of influence. Therefore, the project will not have significant impact.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

28. Planning

a) Be consistent with the site's existing or proposed zoning?

☐ ☐ ☒ ☐

b) Be compatible with existing surrounding zoning?

☐ ☐ ☒ ☐

c) Be compatible with existing and planned surrounding land uses?

☐ ☐ ☒ ☐

d) Be consistent with the land use designations and policies of the Comprehensive General Plan (including those of any applicable Specific Plan)?

☐ ☐ ☒ ☐

e) Disrupt or divide the physical arrangement of an established community (including a low-income or minority

☐ ☐ ☒ ☐

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

community)?

Source: Riverside County General Plan Land Use Element, Staff review, GIS database

Findings of Fact:

a-b) With the approval of the Change of Zone application request from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General Plan designation of Community Development: Commercial Retail (CD:CR), the project will be consistent with the site's zoning for the proposed commercial retail development. The project site is surrounded by properties which are zoned Rural Residential (R-R) with sporadic Scenic Highway Commercial (C-P-S) zoning along Highway 74. The General Plan designation for all properties along Highway 74 is Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio). It is the future plan for this area along Highway 74 to be developed as commercial retail developments. Therefore, the project will have no significant impact.

c) The proposed commercial development will be consistent with existing commercial developments along Highway 74 including but not limited to tire shop, bar and grill, convenient market, barber, automobile repair, driving school, and post office. As a result, the project will be compatible with existing surrounding zoning and with existing and planned surrounding land uses. Impacts are less than significant.

d-e) The project is consistent with the land use designations and policies of the General Plan. In addition, the project will not disrupt or divide the physical arrangement of an established community. The project will have no significant impact.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required

MINERAL RESOURCES Would the project

29. Mineral Resources

a) Result in the loss of availability of a known mineral resource that would be of value to the region or the residents of the State?

☐ ☐ ☐ ☒

b) Result in the loss of availability of a locally-important mineral resource recovery site delineated on a local general plan, specific plan or other land use plan?

☐ ☐ ☐ ☒

c) Be an incompatible land use located adjacent to a State classified or designated area or existing surface mine?

☐ ☐ ☐ ☒

d) Expose people or property to hazards from proposed, existing or abandoned quarries or mines?

☐ ☐ ☐ ☒

Source: Riverside County General Plan Figure OS-5 "Mineral Resources Area"

a) The project site is within MRZ-3, which is defined as areas where the available geologic information indicates that mineral deposits are likely to exist; however, the significance of the deposit is undetermined. The General Plan identifies policies that encourage protection for existing mining

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

operations and for appropriate management of mineral extraction. A significant impact that would constitute a loss of availability of a known mineral resource would include unmanaged extraction or encroach on existing extraction. No existing or abandoned quarries or mines exist in the area surrounding the project site. The project does not propose any mineral extraction on the project site. Any mineral resources on the project site will be unavailable for the life of the project; however, the project will not result in the permanent loss of significant mineral resources.

b) The project will not result in the loss of availability of a known mineral resource in an area classified or designated by the State that would be of value to the region or the residents of the State. The project will not result in the loss of availability of a locally important mineral resource recovery site delineated on a local general plan, specific plan or other land use plan.

c) The project will not be an incompatible land use located adjacent to a State classified or designated area or existing surface mine.

d) The project will not expose people or property to hazards from proposed, existing or abandoned quarries or mines.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

NOISE Would the project result in

Definitions for Noise Acceptability Ratings

Where indicated below, the appropriate Noise Acceptability Rating(s) has been checked.

NA - Not Applicable A - Generally Acceptable B - Conditionally Acceptable
C - Generally Unacceptable D - Land Use Discouraged

30. Airport Noise

a) For a project located within an airport land use plan or, where such a plan has not been adopted, within two miles of a public airport or public use airport would the project expose people residing or working in the project area to excessive noise levels?

NA ☒ A ☐ B ☐ C ☐ D ☐

b) For a project within the vicinity of a private airstrip, would the project expose people residing or working in the project area to excessive noise levels?

NA ☒ A ☐ B ☐ C ☐ D ☐

Source: Riverside County General Plan Figure S-19 "Airport Locations," County of Riverside Airport Facilities Map

Findings of Fact:

a) The project site is not located within an airport land use plan or within two miles of a public airport or public use airport that would expose people residing on the project site to excessive noise levels. The closest airport (Hemet Ryan Airport) is located approximately 5 miles east from the project site. Therefore, there is no impact anticipated.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

b) The project is not located within the vicinity of a private airstrip and would not expose people residing on the project site to excessive noise levels. The closest airport (Hemet Ryan Airport) is located approximately 5 miles east from the project site. Therefore, there is no impact anticipated.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

31. Railroad Noise

NA ☒ A ☐ B ☐ C ☐ D ☐ ☐ ☐ ☐ ☒

Source: Riverside County General Plan Figure C-1 "Circulation Plan", GIS database, On-site Inspection

Findings of Fact: The project site is not located adjacent to a rail line. The project has no significant impact.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

32. Highway Noise

NA ☒ A ☐ B ☐ C ☐ D ☐ ☐ ☐ ☐ ☒

Source: On-site Inspection, Project Application Materials

Findings of Fact: The project site is located adjacent to a highway. The closest highway is Highway 74 which fronts the project site. The next closest freeway is 215 Freeways is approximately 4.5 miles west from the project site.

The project prepared a noise study of the site. The existing noise on the project site and surrounding areas is primarily created by the amount of traffic on adjacent SH-74 as well as truck circulation, unloading, and rooftop mechanical equipment operations. The analysis concluded that the noise level would be within the County of Riverside Noise Element standards. In addition, the noise generated by Highway 74 is predicted to be within acceptable limits for commercial uses within the proposed commercial retail use. The acoustic study recommended mitigation that can be incorporated on the site to further limit the amount of noise created by the project on the surrounding neighborhood.

Therefore, the unmanned wireless communication facility will not be affected by the highway noise from the identified highways and does not create a noise sensitive use with occasional site visits for maintenance. There will be no significant impact.

Mitigation: Rooftop mechanical equipment shall be shielded from view of the nearest noise sensitive receivers by intervening rooftop parapets. Also, the heavy truck deliveries to the project shall be limited to daytime (7 AM – 10 PM) hours.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--	--------------------------------------	--	---------------------------------------	--------------

Monitoring: The conditions of approval will be monitored by the Planning Department, Department of Building and Safety Permit Review Process, the Department of Public Health – Industrial Hygiene Division, and the Riverside County Sherriff.

33. Other Noise

NA <input checked="" type="checkbox"/>	A <input type="checkbox"/>	B <input type="checkbox"/>	C <input type="checkbox"/>	D <input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--	----------------------------	----------------------------	----------------------------	----------------------------	--------------------------	--------------------------	--------------------------	-------------------------------------

Source: Project Application Materials, GIS database

Findings of Fact: No additional noise sources have been identified near the project site that would contribute a significant amount of noise to the project. There will be no significant impact.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

34. Noise Effects on or by the Project

a) A substantial permanent increase in ambient noise levels in the project vicinity above levels existing without the project?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b) A substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels existing without the project?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
c) Exposure of persons to or generation of noise levels in excess of standards established in the local general plan or noise ordinance, or applicable standards of other agencies?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
d) Exposure of persons to or generation of excessive ground-borne vibration or ground-borne noise levels?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Source: Riverside County General Plan, Table N-1 ("Land Use Compatibility for Community Noise Exposure"); Project Application Materials

Findings of Fact:

a) Although the project will increase the ambient noise level in the immediate vicinity during construction, and the general ambient noise level will increase after project completion, the impacts are not considered significant within the commercial zoning areas.

b) All noise generated during project construction and the operation of the site must comply with the County's noise standards, which restricts construction (short-term) and operational (long-term) noise levels. These may include but are not limited to hours of construction, hours of operation, hours of delivery, use of noise reducing equipments (e.g.: mufflers and engine shrouds), orientation of the main entrance, wing-walls around equipments, setbacks, and berms. The operation of the store will occur all within the enclosed structure and will not have excess noise beyond the normal vehicular noise added by the Family Dollar patrons. Therefore, the project will have a less than significant impact with mitigation measures in place as identified in Chapter 7 Noise Element – Building Design

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

of the County of Riverside General Plan. These are standard conditions of approval and therefore is not considered mitigation pursuant to CEQA.

c-d) The project would not expose persons to or generation of noise levels in excess of standards established in the local General Plan or noise ordinance, or applicable standards of other agencies or expose persons to or generation of excessive ground-borne vibration or ground-borne noise levels. The project will have a less than significant impact.

Mitigation: No mitigation measures are required.

Monitoring: No mitigation measures are required.

POPULATION AND HOUSING Would the project

35. Housing

a) Displace substantial numbers of existing housing, necessitating the construction of replacement housing elsewhere?

☐ ☐ ☐ ☒

b) Create a demand for additional housing, particularly housing affordable to households earning 80% or less of the County's median income?

☐ ☐ ☐ ☒

c) Displace substantial numbers of people, necessitating the construction of replacement housing elsewhere?

☐ ☐ ☐ ☒

d) Affect a County Redevelopment Project Area?

☐ ☐ ☐ ☒

e) Cumulatively exceed official regional or local population projections?

☐ ☐ ☐ ☒

f) Induce substantial population growth in an area, either directly (for example, by proposing new homes and businesses) or indirectly (for example, through extension of roads or other infrastructure)?

☐ ☐ ☒ ☐

Source: Project Application Materials, GIS database, Riverside County General Plan Housing Element

Findings of Fact:

a) The project is a request to change the zone to be consistent with the General Plan designations and construction of a commercial retail stand alone store. The project will be constructed on a vacant lot and will not displace any existing homes to necessitate any replacement housing elsewhere. Therefore, the project will have no significant impact.

b) The project will not create a demand for additional housing, particularly housing affordable to households earning 80% or less of the County's median income. The project will have no significant impact.

c) The project will not displace any number of people, necessitating the construction of replacement housing elsewhere. The project will have no significant impact.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

d) The project is located within a Redevelopment Area. However, the State of California (Governor Brown) has dissolved the Redevelopment Agencies of all funding and responsibility. Therefore, the County of Riverside has no mechanism to provide any assistance for funding for the projects that are within the redevelopment areas. As a result, the project will not affect a County Redevelopment Project Area. The project will have no significant impact.

e) The project will not cumulatively exceed official regional or local population projections. The project will have no significant impact.

f) The project could potentially encourage additional residential development in the area since there will be commercial retail service, but the development would have to be consistent with the land uses designated by the General Plan. The project will have less than significant impact.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

PUBLIC SERVICES Would the project result in substantial adverse physical impacts associated with the provision of new or physically altered government facilities or the need for new or physically altered governmental facilities, the construction of which could cause significant environmental impacts, in order to maintain acceptable service ratios, response times or other performance objectives for any of the public services:

36. Fire Services

<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	-------------------------------------	--------------------------

Source: Riverside County General Plan Safety Element

The proposed project will have an incremental impact on the demand for fire services. Prior to the issuance of a certificate of occupancy, the applicant shall comply with the provisions of Ordinance No. 659, which require payment of the appropriate fees set forth in the Ordinance. Ordinance 659 sets forth policies, regulations, and fees related to the funding and construction of facilities necessary to address direct and cumulative environmental effects generated by new development. With compliance to Ordinance No. 659, impact to fire services will be less than significant.

Additionally, the project will not result in substantial adverse physical impacts associated with the provision of new or physically altered government facilities or the need for new or physically altered governmental facilities. Any construction of new facilities required by the cumulative effects will have to meet all applicable environmental standards.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

37. Sheriff Services

<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	-------------------------------------	--------------------------

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

The proposed project will have an incremental impact on the demand for sheriff services. Prior to the issuance of a certificate of occupancy, the applicant shall comply with the provisions of Ordinance No. 659, which require payment of the appropriate fees set forth in the Ordinance. Ordinance 659 sets forth policies, regulations, and fees related to the funding and construction of facilities necessary to address direct and cumulative environmental effects generated by new development. With compliance to Ordinance No. 659 and the mitigation measures, impact to sheriff services will be less than significant.

Additionally, the project will not result in substantial adverse physical impacts associated with the provision of new or physically altered government facilities or the need for new or physically altered governmental facilities. Any construction of new facilities required by the cumulative effects will have to meet all applicable environmental standards.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

38. Schools

<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	-------------------------------------	--------------------------

Source: Romoland & Perris Union High School District, GIS database

Findings of Fact: The project will not physically alter existing facilities or result in the construction of new or physically altered facilities. The proposed project is located within the Romoland Union School District and the Perris Union High School District. Any construction of new facilities required by the cumulative effects of this project and surrounding projects would have to meet all applicable environmental standards. This project has been conditioned to comply with School Mitigation Impact fees in order to mitigate the potential effects to school services. This is a standard condition of approval and pursuant to CEQA is not considered mitigation.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

39. Libraries

<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	-------------------------------------	--------------------------

Source: Riverside County General Plan

The proposed project will have an incremental impact on the demand for library services. Prior to the issuance of a certificate of occupancy, the applicant shall comply with the provisions of Ordinance No. 659, which require payment of the appropriate fees set forth in the Ordinance. Ordinance 659 sets forth policies, regulations, and fees related to the funding and construction of facilities necessary to address direct and cumulative environmental effects generated by new development. With compliance to Ordinance No. 659, impact to library services will be less than significant.

Additionally, the project will not result in substantial adverse physical impacts associated with the provision of new or physically altered government facilities or the need for new or physically altered governmental facilities. Any construction of new facilities required by the cumulative effects will have to meet all applicable environmental standards.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

40. Health Services

<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	-------------------------------------	--------------------------

Source: Riverside County General Plan

The use of the proposed lease area would not cause an impact on health services. The site is located within the service parameters of County health centers. The project will not physically alter existing facilities or result in the construction of new or physically altered facilities. The project will have no impact. Any construction of new facilities required by the cumulative effects of this project and surrounding projects would have to meet all applicable environmental standards.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

RECREATION

41. Parks and Recreation

a) Would the project include recreational facilities or require the construction or expansion of recreational facilities which might have an adverse physical effect on the environment?

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

b) Would the project include the use of existing neighborhood or regional parks or other recreational facilities such that substantial physical deterioration of the facility would occur or be accelerated?

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

c) Is the project located within a Community Service Area (CSA) or recreation and park district with a Community Parks and Recreation Plan (Quimby fees)?

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

Source: GIS database, Ord. No. 659 (Establishing Development Impact Fees), Parks & Open Space Department Review

a) The plot plan proposes an 8,239 square foot stand alone retail store (Family Dollar) on approximately 1.5 acre land with 42 parking spaces at the northwest corner of Ritter Avenue and Highway 74 in the area of Homeland within the County of Riverside. Additionally a change of zone is also being proposed from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General Plan designation of Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio). The project would not include recreational facilities or require the construction or expansion of recreational facilities which might have an adverse physical effect on the environment. The project will have no significant impact.

b) The project would not include the use of existing neighborhood or regional parks or other recreation facilities such that substantial physical deterioration of the facility would occur or be accelerated. The project will have no significant impact.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

c) The project is located within a County Service Area No. 80 (Street Lighting District). The project will have no significant impact on recreation and park district with a Community Parks and Recreation Plan.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

42. Recreational Trails

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

Source: Riverside County General Plan

Findings of Fact: The project (a request to change the zoning and construction of commercial retail store) does not create a need or impact a recreational trail in the vicinity of the project. The project will have no significant impact.

Mitigation: No mitigation measures are required.

Monitoring: No mitigation measures are required.

TRANSPORTATION/TRAFFIC Would the project

43. Circulation

<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	-------------------------------------	--------------------------

a) Conflict with an applicable plan, ordinance or policy establishing a measure of effectiveness for the performance of the circulation system, taking into account all modes of transportation, including mass transit and non-motorized travel and relevant components of the circulation system, including but not limited to intersections, streets, highways and freeways, pedestrian and bicycle paths, and mass transit?

b) Conflict with an applicable congestion management program, including, but not limited to level of service standards and travel demand measures, or other standards established by the county congestion management agency for designated roads or highways?

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

c) Result in a change in air traffic patterns, including either an increase in traffic levels or a change in location that results in substantial safety risks?

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

d) Alter waterborne, rail or air traffic?

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

e) Substantially increase hazards due to a design feature (e.g., sharp curves or dangerous intersections) or incompatible uses (e.g. farm equipment)?

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

f) Cause an effect upon, or a need for new or altered maintenance of roads?

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

g) Cause an effect upon circulation during the project's construction?

<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	-------------------------------------	--------------------------

h) Result in inadequate emergency access or access to

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
nearby uses?				
i) Conflict with adopted policies, plans or programs regarding public transit, bikeways or pedestrian facilities, or otherwise substantially decrease the performance or safety of such facilities?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Source: Riverside County General Plan

Findings of Fact:

a) The project will generate minimal traffic to the area and regional transportation system. The project will not conflict with an applicable plan, ordinance or policy establishing a measure of effectiveness for the performance of the circulation system. The impact is less than significant.

b) The project will not conflict with an applicable congestion management program, including, but not limited to level of service standards and travel demand measures, or other standards established by the county congestion management agency for designated roads or highways. The project will have no impact.

c-d) The project does not propose any design issues that would cause a change in air traffic patterns, alter waterborne, or rail and air traffic. The project will have no impact.

e-f) The project will not substantially increase hazards due to a design feature or cause an effect upon a need for new or altered maintenance of roads. The project will have no impact.

g) The project site will cause an effect upon circulation during the project's construction; however, impacts are considered less than significant.

h) The project will not cause inadequate emergency access or access to nearby uses. The project will have no impact.

i) The project site will not conflict with adopted policies, plans or programs regarding public transit, bikeways or pedestrian facilities, or otherwise substantially decrease the performance or safety of such facilities. The project will have no impact.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

44. Bike Trails	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
------------------------	--------------------------	--------------------------	--------------------------	-------------------------------------

Source: Riverside County General Plan

Findings of Fact: The project incorporates bike racks to encourage non-motorized vehicle access to the site. The number of bike racks incorporated is three (3) and will not impact a bike trail in the vicinity of the project. The project will have no significant impact.

Mitigation: No mitigation measures are required.

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

Monitoring: No monitoring measures are required.

UTILITY AND SERVICE SYSTEMS Would the project

45. Water

a) Require or result in the construction of new water treatment facilities or expansion of existing facilities, the construction of which would cause significant environmental effects?

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

b) Have sufficient water supplies available to serve the project from existing entitlements and resources, or are new or expanded entitlements needed?

<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	-------------------------------------	--------------------------

Source: Department of Environmental Health Review

Findings of Fact:

a-b) The project is currently served by Eastern Municipal Water District (EMWD). The project will not physically alter existing facilities or result in the construction of new or physically altered facilities. Any construction of new facilities required by the cumulative effects of this project and surrounding projects would have to meet all applicable environmental standards.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

46. Sewer

a) Require or result in the construction of new wastewater treatment facilities, including septic systems, or expansion of existing facilities, the construction of which would cause significant environmental effects?

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

b) Result in a determination by the wastewater treatment provider that serves or may service the project that it has adequate capacity to serve the project's projected demand in addition to the provider's existing commitments?

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

Source: Department of Environmental Health Review

Findings of Fact:

a-b) The proposed project is located within the Eastern Municipal Water District (EMWD) sewer services area. The project will not physically alter existing facilities or result in the construction of new or physically altered facilities. Any construction of new facilities required by the cumulative effects of this project and surrounding projects would have to meet all applicable environmental standards.

Mitigation: No mitigation measures are required.

	Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--	--------------------------------------	--	---------------------------------------	--------------

Monitoring: No monitoring measures are required.

47. Solid Waste

a) Is the project served by a landfill with sufficient permitted capacity to accommodate the project's solid waste disposal needs?

☐ ☐ ☐ ☒

b) Does the project comply with federal, state, and local statutes and regulations related to solid wastes including the CIWMP (County Integrated Waste Management Plan)?

☐ ☐ ☐ ☒

Source: Riverside County General Plan, Riverside County Waste Management District correspondence

Findings of Fact:

a-b) According to the Riverside County Waste Management Department, the proposed project has the potential to impact landfill capacity from the generation of solid waste during construction. The project will not physically alter existing facilities or result in the construction of new or physically altered facilities. Any construction of new facilities required by the cumulative effects of this project and surrounding projects would have to meet all applicable environmental standards.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

48. Utilities

Would the project impact the following facilities requiring or resulting in the construction of new facilities or the expansion of existing facilities; the construction of which could cause significant environmental effects?

a) Electricity?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b) Natural gas?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
c) Communications systems?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
d) Storm water drainage?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
e) Street lighting?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
f) Maintenance of public facilities, including roads?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
g) Other governmental services?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Source: Riverside County General Plan

Findings of Fact:

a-g) Implementation of the project will result in an incremental system capacity demand for energy systems, communication systems, storm water drainage systems, street lighting systems, maintenance of public facilities, including roads and potentially other governmental services. Each of the utility systems, including collection of solid waste, is available at the project site and lines will have to be extended onto the site, which will already be disturbed by grading and other construction

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

activities. These impacts are considered less than significant based on the availability of existing public facilities that support local systems. The project will not conflict with adopted energy conservation plans.

Compliance with the requirements of Southern California Edison, Southern California Gas, Verizon, Riverside County Flood Control and Riverside County Transportation Department will ensure that potential impacts to utility systems are reduced to a less than significant level. Note street lighting must conform with the Palomar lighting standards (see discussion under Aesthetics). Based on data available at this time, no offsite utility improvements will be required to support this project, other than improvement of local roadways within their existing rights-of-way.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

49. Energy Conservation

a) Would the project conflict with any adopted energy conservation plans?

<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	-------------------------------------	--------------------------

Source: Riverside County General Plan, Project Application Materials

a-b) The proposed project will not conflict with any adopted energy conservation plans. The project will have no significant impact.

Mitigation: No mitigation measures are required.

Monitoring: No monitoring measures are required.

MANDATORY FINDINGS OF SIGNIFICANCE

50. Does the project have the potential to substantially degrade the quality of the environment, substantially reduce the habitat of a fish or wildlife species, cause a fish or wildlife population to drop below self-sustaining levels, threaten to eliminate a plant or animal community, reduce the number or restrict the range of a rare or endangered plant or animal, or eliminate important examples of the major periods of California history or prehistory?

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

Source: Staff review, Project Application Materials

Findings of Fact: Implementation of the proposed project would not substantially degrade the quality of the environment, substantially reduce the habitat of fish or wildlife species, cause a fish or wildlife populations to drop below self-sustaining levels, threaten to eliminate a plant or animal community, or reduce the number or restrict the range of a rare or endangered plant or animal, or eliminate important examples of the major periods of California history or prehistory.

51. Does the project have impacts which are individually

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
--------------------------	--------------------------	--------------------------	-------------------------------------

Potentially Significant Impact	Less than Significant with Mitigation Incorporated	Less Than Significant Impact	No Impact
--------------------------------------	--	---------------------------------------	--------------

limited, but cumulatively considerable? ("Cumulatively considerable" means that the incremental effects of a project are considerable when viewed in connection with the effects of past projects, other current projects and probable future projects)?

Source: Staff review, Project Application Materials

Findings of Fact: The project does not have impacts which are individually limited, but cumulatively considerable.

52. Does the project have environmental effects that will cause substantial adverse effects on human beings, either directly or indirectly?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
---	--------------------------	--------------------------	--------------------------	-------------------------------------

Source: Staff review, project application

Findings of Fact: The proposed project would not result in environmental effects which would cause substantial adverse effects on human beings, either directly or indirectly.

VI. EARLIER ANALYSES

Earlier analyses may be used where, pursuant to the tiering, program EIR, or other CEQA process, an effect has been adequately analyzed in an earlier EIR or negative declaration as per California Code of Regulations, Section 15063 (c) (3) (D). In this case, a brief discussion should identify the following:

Earlier Analyses Used, if any: Not applicable

Location Where Earlier Analyses, if used, are available for review: Not applicable

PLAN:TRANSMITTED Case #: PP25248

Parcel: 457-171-025

10. GENERAL CONDITIONS

EVERY DEPARTMENT

10. EVERY. 1

USE - PROJECT DESCRIPTION

RECOMMND

The use hereby permitted is for the plot plan of 8,239 square foot stand alone retail store (Family Dollar) on approximately 1.5 acre land with 42 parking spaces at the northwest corner of Ritter Avenue and Highway 74 in the area of Homeland within the County of Riverside. Additionally a change of zone is also being proposed from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General Plan designation of Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio).

10. EVERY. 2

USE - HOLD HARMLESS

RECOMMND

The applicant/permittee or any successor-in-interest shall defend, indemnify, and hold harmless the County of Riverside or its agents, officers, and employees (COUNTY) from the following:

(a) any claim, action, or proceeding against the COUNTY to attack, set aside, void, or annul an approval of the COUNTY, its advisory agencies, appeal boards, or legislative body concerning the PLOT PLAN; and,

(b) any claim, action or proceeding against the COUNTY to attack, set aside, void or annul any other decision made by the COUNTY concerning the PLOT PLAN, including, but not limited to, decisions made in response to California Public Records Act requests.

The COUNTY shall promptly notify the applicant/permittee of any such claim, action, or proceeding and shall cooperate fully in the defense. If the COUNTY fails to promptly notify the applicant/permittee of any such claim, action, or proceeding or fails to cooperate fully in the defense, the applicant/permittee shall not, thereafter, be responsible to defend, indemnify or hold harmless the COUNTY.

The obligations imposed by this condition include, but are not limited to, the following: the applicant/permittee shall pay all legal services expenses the COUNTY incurs in connection with any such claim, action or proceeding, whether it incurs such expenses directly, whether it is ordered by a court to pay such expenses, or whether it

RECOMMND

incurs such expenses by providing legal services through its Office of County Counsel.

10. EVERY. 3 USE - DEFINITIONS

RECOMMND

The words identified in the following list that appear in all capitals in the attached conditions of Plot Plan No. 25248 shall be henceforth defined as follows:

APPROVED EXHIBIT A = Plot Plan No. 25248, Exhibit A, Amended No. 1, dated 04/17/13.

10. EVERY. 4 USE - 90 DAYS TO PROTEST

RECOMMND

The project developer has 90 days from the date of approval of these conditions to protest, in accordance with the procedures set forth in Government Code Section 66020, the imposition of any and all fees, dedications, reservations and/or other exactions imposed on this project as a result of this approval or conditional approval of this project.

BS GRADE DEPARTMENT

10.BS GRADE. 1 USE - GENERAL INTRODUCTION

RECOMMND

Improvements such as grading, filling, over excavation and recompaction, and base or paving which require a grading permit are subject to the included Building and Safety Department Grading Division conditions of approval.

10.BS GRADE. 3 USE - OBEY ALL GDG REGS

RECOMMND

All grading shall conform to the California Building Code, Ordinance 457, and all other relevant laws, rules, and regulations governing grading in Riverside County and prior to commencing any grading which includes 50 or more cubic yards, the applicant shall obtain a grading permit from the Building and Safety Department.

10.BS GRADE. 4 USE - DISTURBS NEED G/PMT

RECOMMND

Ordinance 457 requires a grading permit prior to clearing, grubbing, or any top soil disturbances related to construction grading.

PLAN:TRANSMITTED Case #: PP25248

Parcel: 457-171-025

10. GENERAL CONDITIONS

10.BS GRADE. 6

USE - NPDES INSPECTIONS

RECOMMND

Construction activities including clearing, stockpiling, grading or excavation of land which disturbs less than 1 acre and requires a grading permit or construction Building permit shall provide for effective control of erosion, sediment and all other pollutants year-round. The permit holder shall be responsible for the installation and monitoring of effective erosion and sediment controls. Such controls will be evaluated by the Department of Building and Safety periodically and prior to permit Final to verify compliance with industry recognized erosion control measures.

Construction activities including but not limited to clearing, stockpiling, grading or excavation of land, which disturbs 1 acre or more or on-sites which are part of a larger common plan of development which disturbs less than 1 acre are required to obtain coverage under the construction general permit with the State Water Resources Control Board. You are required to provide proof of WDID# and keep a current copy of the storm water pollution prevention plan (SWPPP) on the construction site and shall be made available to the Department of Building and Safety upon request.

Year-round, Best Management Practices (BMP's) shall be maintained and be in place for all areas that have been graded or disturbed and for all material, equipment and/or operations that need protection. Stabilized Construction Entrances and project perimeter linear barriers are required year round. Removal BMP's (those BMP's which must be temporarily removed during construction activities) shall be in place at the end of each working day.

Monitoring for erosion and sediment control is required and shall be performed by the QSD or QSP as required by the Construction General Permit. Stormwater samples are required for all discharge locations and projects may not exceed limits set forth by the Construction General Permit Numeric Action Levels and/or Numeric Effluent Levels. A Rain Event Action Plan is required when there is a 50% or greater forecast of rain within the 48 hours, by the National Weather Service or whenever rain is imminent. The QSD or QSP must print and save records of the precipitation forecast for the project location area from (<http://www.srh.noaa.gov/forecast>) and must accompany monitoring reports and sampling test data. A Rain gauge is

10. GENERAL CONDITIONS

10.BS GRADE. 6 USE - NPDES INSPECTIONS (cont.) RECOMMND

required on site. The Department of Building and Safety will conduct periodic NPDES inspections of the site throughout the recognized storm season to verify compliance with the Construction General Permit and Stormwater ordinances and regulations.

10.BS GRADE. 7 USE - EROSION CNTRL PROTECT RECOMMND

Graded but undeveloped land shall provide, in addition to erosion control planting, any drainage facility deemed necessary to control or prevent erosion. Additional erosion protection may be required during the rainy season from October 1, to May 31.

10.BS GRADE. 8 USE - DUST CONTROL RECOMMND

All necessary measures to control dust shall be implemented by the developer during grading. A PM10 plan may be required at the time a grading permit is issued.

10.BS GRADE. 9 USE - 2:1 MAX SLOPE RATIO RECOMMND

Graded slopes shall be limited to a maximum steepness ratio of 2:1 (horizontal to vertical) unless otherwise approved.

10.BS GRADE. 11 USE - MINIMUM DRNAGE GRADE RECOMMND

Minimum drainage grade shall be 1% except on portland cement concrete where .35% shall be the minimum.

10.BS GRADE. 12 USE - DRAINAGE & TERRACING RECOMMND

Provide drainage facilities and terracing in conformance with the California Building Code's chapter on "EXCAVATION & GRADING".

10.BS GRADE. 13 USE - SLOPE SETBACKS RECOMMND

Observe slope setbacks from buildings & property lines per the California Building Code as amended by Ordinance 457.

10.BS GRADE. 18 USE - OFFST. PAVED PKG RECOMMND

All offstreet parking areas which are conditioned to be paved shall conform to Ordinance 457 base and paving design and inspection requirements.

PLAN:TRANSMITTED Case #: PP25248

Parcel: 457-171-025

10. GENERAL CONDITIONS

10.BS GRADE. 20 USE - RETAINING WALLS

RECOMMND

Lots which propose retaining walls will require separate permits. They shall be obtained prior to the issuance of any other building permits - unless otherwise approved by the Building and Safety Director. The walls shall be designed by a Registered Civil Engineer - unless they conform to the County Standard Retaining Wall designs shown on the Building and Safety Department form 284-197.

10.BS GRADE. 23 USE - MANUFACTURED SLOPES

RECOMMND

Plant and irrigate all manufactured slopes equal to or greater than 3 feet in vertical height with drought tolerant grass or ground cover; slopes 15 feet or greater in vertical height shall also be planted with drought tolerant shrubs or trees in accordance with the requirements of Ordinance 457.

10.BS GRADE. 24 USE - FINISH GRADE

RECOMMND

Finish grade shall be sloped to provide proper drainage away from all exterior foundation walls in accordance with the California Building Code and Ordinance 457.

BS PLNCK DEPARTMENT

10.BS PLNCK. 1 USE - BUILD & SAFETY PLNCK

RECOMMND

Per section 105.1 (2010 California Building Code, CBC): Where any owner or authorized agent intends to construct, enlarge, alter, repair, move, demolish or change the occupancy of a building or structure, or to erect, install, enlarge, alter, repair, remove, convert, or replace any electrical, gas, mechanical, or plumbing system, the regulation of which is governed by this code, or to cause any such work to be done, shall first make application to the building official and obtain the required permit. The applicant shall obtain the required building permit(s) from the building department prior to any construction or placement of any building, structure or equipment on the property. The applicant shall obtain an approved final building inspection and certificate of occupancy from the building department prior to any use or occupancy of the building, or structure.

PLOT PLAN:TRANSMITTED Case #: PP25248

Parcel: 457-171-025

10. GENERAL CONDITIONS

10.BS PLNCK. 1 USE - BUILD & SAFETY PLNCK (cont.)

RECOMMND

At no time shall the approval of the planning case exhibit allow for the construction or use of any building or structure.

In non- residential applications, separate building permits may include a permit for the structure (Shell building), tenant improvements, accessory structures and/or equipment, which may include trash enclosures, light standards, block walls/fencing etcà

The applicant shall obtain the required building permit(s) from the building department prior to any construction on the property. All building plans and supporting documentation shall comply with current adopted California Building Codes, Riverside County Ordinances, and California Title 25 regulations in effect at the time of building plan submittal and fee payment to the Building Department. All Building Department plan submittal and fee requirements shall apply.

Included within the building plan submittal to the building department, the applicant shall provide a site plan to reflect all required accessible path of travel details. The revised site plan shall include the following information for the required continuous paved accessible path of travel:

1. Connection to the public R.O.W.
2. Connection to areas of public accommodation
3. Connection to accessible designed trash enclosures.
4. Connection to accessible parking loading/unloading areas.

The details shall include:

- 1.Accessible path construction type (Concrete or asphalt)
- 2.Path width.
- 3.Path slope%, cross slope%.
- 4.Ramp and curb cut-out locations.
- 5.Level landing areas at all entrance and egress points.

E HEALTH DEPARTMENT

10.E HEALTH. 1 EMWD WATER AND SEWER SERVICE

RECOMMND

Plot Plan#25248 is proposing to obtain potable water and sanitary sewer service from Eastern Municipal Water District (EMWD). It is the responsibility of this facility

T PLAN:TRANSMITTED Case #: PP25248

Parcel: 457-171-025

10. GENERAL CONDITIONS

10.E HEALTH. 1 EMWD WATER AND SEWER SERVICE (cont.) RECOMMND

to ensure that all requirements to obtain water and sewer service are met with EMWD as well as all other applicable agencies. Please note that if a grease interceptor is required, the size and specifications of the grease interceptor shall be determined by EMWD.

10.E HEALTH. 2 INDUSTRIAL HYGIENE-NOISE STUDY RECOMMND

Noise Consultant: Bollard Acoustical Consultants
3551 Bankhead Road
Loomis, CA 95650

Noise Study: "Environmental Noise Assessment, Family Dollar Store, Homeland, California (Riverside County)" dated September 26, 2012 BAC Job#2012-054

Based on the County of Riverside, Industrial Hygiene Program's review of the aforementioned Noise Study, Plot Plan 25248 shall comply with the recommendations set forth under the Industrial Hygiene Program's response letter dated April 3, 2013 c/o Steve Hinde, REHS CIH (RivCo Industrial Hygienist).

For further information, please contact the Industrial Hygiene Program at (951) 955-8980.

10.E HEALTH. 3 ENV CLEANUP PROGRAM - COMMENTS RECOMMND

Based on the information provided and with the provision that the information was accurate and representative of site conditions, Riverside County Department of Environmental Health, Environmental Cleanup Program (RCDEH-ECP) concludes no further environmental assessment is required for this project. As with any real property, if previously unidentified contamination is discovered at the site, assessment, investigation, and/or cleanup may be required.

FIRE DEPARTMENT

10.FIRE. 1 USE-#50-BLUE DOT REFLECTOR RECOMMND

Blue retroreflective pavement markers shall be mounted on private street, public streets and driveways to indicate location of fire hydrants. Prior to installation, placement

of markers must be approved by the Riverside County Fire Department.

10.FIRE. 2 USE-#23-MIN REQ FIRE FLOW

RECOMMND

Minimum required fire flow shall be 1500 GPM for a 2 hour duration at 20 PSI residual operating pressure, which must be available before any combustible material is placed on the job site.

10.FIRE. 3 USE-#20-SUPER FIRE HYDRANT

RECOMMND

Super fire hydrants) (6"x4"x 2-2 1/2") shall be located at less than 25 feet or more than 250 feet from any portion of the building as measured along approved vehicular travel ways.

FLOOD RI DEPARTMENT

10.FLOOD RI. 1 USE FLOOD HAZARD REPORT

RECOMMND

Plot Plan 25248 is a proposed for 8,239 square feet Family Dollar Retail Store with 50 parking spaces. The 1.49 acre property is located in the Homeland Community, within a rural residential area north of Highway 74, east of Homeland Avenue and west of Ritter Avenue.

The site is located within an X-unshaded zone floodplain limits as delineated on Map No. 06065C2080G of the Flood Insurance Rate Maps issued in conjunction with the National Flood Insurance Program administered by the Federal Emergency Management Agency (FEMA). The site is subject to sheet flow flooding. The building shall be floodproofed by elevating the finished floor a minimum of 18-inches about the highest adjacent ground. Development of the site shall not block or divert offsite flows.

This development will have an impact on water quality therefore a preliminary Water Quality Management Plan (WQMP) will be required. In addition to mitigating for water quality impacts, this development shall be required to mitigate for increased runoff. A preliminary WQMP was submitted to the District on February 11, 2013. The developer is proposing an extended detention basin and a bio swale to mitigate for water quality. It appears that half the site drains to the basin which ultimately

T PLAN:TRANSMITTED Case #: PP25248

Parcel: 457-171-025

10. GENERAL CONDITIONS

10.FLOOD RI. 1 USE FLOOD HAZARD REPORT (cont.)

RECOMMND

overflows onto shrubs and mulch along the western boundary.

This proposed basin will mitigate for increased run off as well as water quality. The bio swale is proposed along the southern boundary that mitigates the remaining site for water quality. Conceptually this is acceptable to the District but in final plan check the developer will need more information and a detailed design for the bio swale as an infiltration trench in order to fulfill the increased runoff obligation of the remaining site.

The site is located within the Line A sub-watershed of the Homeland/Romoland Area Drainage Plans (ADP) for which drainage fees have been established by the Board of Supervisors. Applicable ADP fee will be due (in accordance with the Rules and Regulations for Administration of Area Drainage Plans) prior to permits for this project. Although the current fees for this ADP is \$12,636 per acre, the fees due will be based on the fees in effect at the time of payment. The fees are payable to the Flood Control District by cashier's check or money order only. The District will not accept personal or company checks.

10.FLOOD RI. 3 USE ELEVATE FINISH FLOOR

RECOMMND

The finished floor of new structures shall be elevated 18 inches above the highest adjacent ground. Any mobile home/premanufactured building shall be placed on a permanent foundation.

10.FLOOD RI. 5 USE SUBMIT FINAL WQMP >PRELIM

RECOMMND

In compliance with Santa Ana Region and San Diego Region Regional Water Quality Control Board Orders, and Beginning January 1, 2005, projects submitted within the western region of the unincorporated area of Riverside County for discretionary approval will be required to comply with the Water Quality Management Plan for Urban Runoff (WQMP). The WQMP addresses post-development water quality impacts from new development and redevelopment projects. The WQMP requirements will vary depending on the project's geographic location (Santa Ana, Santa Margarita or Whitewater River watersheds). The WQMP provides detailed guidelines and templates to assist the developer in completing the necessary studies. These documents are available on-line at: www.rcflood.org/NPDES under Programs and Services, Stormwater Quality.

PLOT PLAN:TRANSMITTED Case #: PP25248

Parcel: 457-171-025

10. GENERAL CONDITIONS

10.FLOOD RI. 5

USE SUBMIT FINAL WQMP >PRELIM (cont.)

RECOMMND

To comply with the WQMP a developer must submit a "Project Specific" WQMP. This report is intended to a) identify potential post-project pollutants and hydrologic impacts associated with the development; b) identify proposed mitigation measures (BMPs) for identified impacts including site design, source control and treatment control post-development BMPs; and c) identify sustainable funding and maintenance mechanisms for the aforementioned BMPs. A template for this report is included as 'exhibit A' in the WQMP. A final Project Specific WQMP must be approved by the District prior to issuance of building or grading permits.

Projects requiring Project Specific WQMPs are required to submit a PRELIMINARY Project Specific WQMP along with the land-use application package. The format of the PRELIMINARY report shall mimic the format/template of the final report but can be less detailed. For example, points a, b & c above must be covered, rough calculations supporting sizing must be included, and footprint/locations for the BMPs must be identified on the tentative exhibit. Detailed drawings will not be required. This preliminary project specific WQMP must be approved by the District prior to issuance of recommended conditions of approval.

The developer has submitted a report that minimally meets the criteria for a preliminary project specific WQMP. The report will need significant revisions to meet the requirements of a final project specific WQMP. Also, it should be noted that if 401 certification is necessary for the project, the Water Quality Control Board may require additional water quality measures.

10.FLOOD RI. 6

USE WQMP ESTABL MAINT ENTITY

RECOMMND

This project proposes BMP facilities that will require maintenance by public agency or commercial property owner association. To ensure that the public is not unduly burdened with future costs, prior to final approval or recordation of this case, the District will require an acceptable financial mechanism be implemented to provide for maintenance of treatment control BMPs in perpetuity. This may consist of a mechanism to assess individual benefiting property owners, or other means approved by the District. The site's treatment control BMPs must be shown

10.FLOOD RI. 6

USE WQMP ESTABL MAINT ENTITY (cont.)

RECOMMND

on the project's improvement plans - either the street plans, grading plans, or landscaping plans. The type of improvement plans that will show the BMPs will depend on the selected maintenance entity.

PLANNING DEPARTMENT

10.PLANNING. 1

USE - INADVERTANT ARCHAEO FIND

RECOMMND

The developer/permit holder or any successor in interest shall comply with the following for the life of this permit:

If during ground disturbance activities, cultural resources* are discovered that were not assessed by the archaeological report(s) and/or environmental assessment conducted prior to project approval, the following procedures shall be followed:

1.All ground disturbance activities within 100 feet of the discovered cultural resource shall be halted until a meeting is convened between the developer, the project archaeologist**, the Native American tribal representative (or other appropriate ethnic/cultural group representative), and the County Archaeologist to discuss the significance of the find.

2.At the meeting, the significance of the discoveries shall be discussed and after consultation with the Native American tribal (or other appropriate ethnic/cultural group representative) and the archaeologist, a decision is made, with the concurrence of the County Archaeologist, as to the appropriate mitigation (documentation, recovery, avoidance, etc) for the cultural resource.

3.Further ground disturbance shall not resume within the area of the discovery until an agreement has been reached by all parties as to the appropriate mitigation measures.

* A cultural resources site is defined, for this condition, as being three or more artifacts in close association with each other, but may include fewer artifacts if the area of the find is determined to be of significance due to its sacred or cultural importance.

** If not already employed by the project developer, a

RECOMMND

County approved archaeologist shall be employed by the project developer to assess the value/importance of the cultural resource.

10.PLANNING. 2 USE - IF HUMAN REMAINS FOUND

RECOMMND

The developer/permit holder or any successor in interest shall comply with the following codes for the life of this project:

Pursuant to State Health and Safety Code Section 7050.5, if human remains are encountered, no further disturbance shall occur until the County Coroner has made the necessary findings as to origin. Further, pursuant to Public Resources Code Section 5097.98 (b), remains shall be left in place and free from disturbance until a final decision as to the treatment and their disposition has been made. If the Riverside County Coroner determines the remains to be Native American, the Native American Heritage Commission shall be contacted within the period specified by law. Subsequently, the Native American heritage Commission shall identify the "Most Likely Descendant". The Most Likely Descendant shall then make recommendations and engage in consultation with the property owner and the County Archaeologist concerning the treatment of the remains as provided in Public Resources Code Section 5097.98. Human remains from other ethnic/cultural groups with recognized historical associations to the project area shall also be subject to consultation between appropriate representatives from that group and the County Archaeologist.

10.PLANNING. 3 USE - GEO02317

RECOMMND

County Geologic Report (GEO) No. 2317, submitted for this project (PP25248) was prepared by Southern California Soil & Testing, Inc. and is entitled: "Geotechnical Investigation, Family dollar - Homeland, Highway 74 and Ritter Avenue, Homeland, California", dated September 7, 2012. In addition, Southern California Soil & Testing, Inc. prepared "Response to County Comments, Family Dollar - Homeland, Highway 74 and Ritter Avenue, Homeland, California", dated April 11, 2013. This document is herein incorporated as a part of GEO02317.

GEO02317 concluded:

T PLAN:TRANSMITTED Case #: PP25248

Parcel: 457-171-025

10. GENERAL CONDITIONS

10.PLANNING. 3

USE - GEO02317 (cont.)

RECOMMND

- 1.No active or potential faults are present at the subject site.
- 2.The site is not susceptible to surface rupture.
- 3.The potential for liquefaction and associated adverse effects of within the site is low.
- 4.The potential for areal subsidence or ground fissure is deemed low.
- 5.The potential for gross, deep-seated slope failure to affect the site is negligible.
- 6.The potential for seiche to affect the site is negligible.
- 7.Soil below this site is not expected to be susceptible to hydro-consolidation.

GEO02317 recommended:

- 1.Site preparation should begin with the removal of existing improvements, debris, vegetation and deleterious matter.
- 2.The existing alluvium within 4 feet of the planned final grade elevation and 3 feet below the planned bottom of footing elevation should be excavated.
- 3.The exiting fill, if any, should be excavated in its entirety.

GEO No. 2317 satisfies the requirement for a fault study for Planning/CEQA purposes. GEO No. 2317 is hereby accepted for Planning purposes. Engineering and other Uniform Building Code parameters were not included as a part of this review or approval. This approval is not intended and should not be misconstrued as approval for grading permit. Engineering and other building code parameters should be reviewed and additional comments and/or conditions may be imposed by Building & Safety upon application for grading and/or building permits.

PLOT PLAN:TRANSMITTED Case #: PP25248

Parcel: 457-171-025

10. GENERAL CONDITIONS

10.PLANNING. 4 USE - COMPLY WITH ORD./CODES

RECOMMND

The development of these premises shall comply with the standards of Ordinance No. 348 and all other applicable Riverside County ordinances and State and Federal codes.

The development of the premises shall conform substantially with that as shown on APPROVED EXHIBIT A, unless otherwise amended by these conditions of approval.

10.PLANNING. 5 USE - FEES FOR REVIEW

RECOMMND

Any subsequent submittals required by these conditions of approval, including but not limited to grading plan, building plan or mitigation monitoring review, shall be reviewed on an hourly basis (research fee), or other such review fee as may be in effect at the time of submittal, as required by Ordinance No. 671. Each submittal shall be accompanied with a letter clearly indicating which condition or conditions the submittal is intended to comply with.

10.PLANNING. 6 USE - LIGHTING HOODED/DIRECTED

RECOMMND

Any outside lighting shall be hooded and directed so as not to shine directly upon adjoining property or public rights-of-way.

10.PLANNING. 7 USE - COLORS & MATERIALS

RECOMMND

Building colors and materials shall be in substantial conformance with those shown on APPROVED EXHIBIT A.

10.PLANNING. 9 USE - HOURS OF OPERATION

RECOMMND

Use of the facilities approved under this plot plan shall be limited to the hours of 8:00 a.m. to 10:00 p.m., Sunday through Saturday (7-days a week) in order to reduce conflict with adjacent residential zones and/or land uses.

10.PLANNING. 10 USE - BASIS FOR PARKING

RECOMMND

Parking for this project was determined primarily on the basis of County Ordinance No. 348, Section 18.12. a.(2).b), and a total of 42 parking spaces are required. The applicant is providing 42 regular and 2 handicap spaces for a total of 44 parking spaces for the project.

T PLAN:TRANSMITTED Case #: PP25248

Parcel: 457-171-025

10. GENERAL CONDITIONS

10.PLANNING. 11 USE - LIMIT ON SIGNAGE

RECOMMND

Signage for this project shall be limited to the two (2) wall-mounted signs and one (1) logo as shown on APPROVED EXHIBIT A. Any additional signage shall be approved by the Planning Department pursuant to the requirements of Section 18.30 (Planning Department review only) of Ordinance No. 348.

10.PLANNING. 12 USE - NO OUTDOOR ADVERTISING

RECOMMND

No outdoor advertising display, sign or billboard (not including on-site advertising or directional signs) shall be constructed or maintained within the property subject to this approval.

10.PLANNING. 18 USE - RECLAIMED WATER

RECOMMND

The permit holder shall connect to a reclaimed water supply for landscape watering purposes when secondary or reclaimed water is made available to the site.

10.PLANNING. 19 USE - NO SECOND FLOOR

RECOMMND

No tenant improvement permit, or any other building permit, shall be granted for any second story, second floor, mezzanine, or interior balcony unless a plot plan, conditional use permit, public use permit, substantial conformance or a revised permit is approved by the Planning Department pursuant to Section 18.12 of Ordinance No. 348 in order to assure adequate parking remains within the property. Only a one story building was approved as part of this permit and reviewed for parking standards.

10.PLANNING. 22 USE - EXTERIOR NOISE LEVELS

RECOMMND

Exterior noise levels produced by any use allowed under this permit, including, but not limited to, any outdoor public address system, shall not exceed 45 db(A), 10-minute LEQ, between the hours of 10:00 p.m. to 7:00 a.m., and 65 db(A), 10-minute LEQ, at all other times as measured at any residential, hospital, school, library, nursing home or other similar noise sensitive land use. In the event noise exceeds this standard, the permittee or the permittee's successor-in-interest shall take the necessary steps to remedy the situation, which may include discontinued operation of the facilities. The permit holder shall comply with the applicable standards of

RECOMMND

Ordinance No. 847.

10.PLANNING. 23 USE - NOISE MONITORING REPORTS

RECOMMND

The permit holder may be required to submit periodic noise monitoring reports as determined by the Department of Building and Safety as part of a code enforcement action. Upon written notice from the Department of Building and Safety requiring such a report, the permittee or the permittee's successor-in-interest shall prepare and submit an approved report within thirty (30) calendar days to the Department of Building and Safety, unless more time is allowed through written agreement by the Department of Building and Safety. The noise monitoring report shall be approved by the Office of Industrial Hygiene of the Health Service Agency (the permittee or the permittee's successor-in-interest shall be required to place on deposit sufficient funds to cover the costs of this approval prior to commencing the required report).

10.PLANNING. 25 USE - CAUSES FOR REVOCATION

RECOMMND

In the event the use hereby permitted under this permit,
a) is found to be in violation of the terms and conditions of this permit,
b) is found to have been obtained by fraud or perjured testimony, or
c) is found to be detrimental to the public health, safety or general welfare, or is a public nuisance, this permit shall be subject to the revocation procedures.

10.PLANNING. 26 USE - CEASED OPERATIONS

RECOMMND

In the event the use hereby permitted ceases operation for a period of one (1) year or more, this approval shall become null and void.

10.PLANNING. 27 USE - IND OCCUPANT CHANGE

RECOMMND

Prior to initial occupancy, upon tenant/occupant change, or upon change in industrial use, the permit holder shall provide a letter from the Planning Department to Building & Safety verifying no need for further environmental, hazardous materials or air quality review as a result of the change.

10.PLANNING. 30 USE - MT PALOMAR LIGHTING AREA

RECOMMND

Within the Mt. Palomar Special Lighting Area, as defined in Ordinance No. 655, low pressure sodium vapor lighting or overhead high pressure sodium vapor lighting with shields or cutoff luminaires, shall be utilized.

10.PLANNING. 35 USE - BUSINESS LICENSING

RECOMMND

Every person conducting a business within the unincorporated area of Riverside County, as defined in Riverside County Ordinance No. 857, shall obtain a business license. For more information regarding business registration, contact the Business Registration and License Program Office of the Building and Safety Department at www.rctlma.org.buslic.

10.PLANNING. 36 USE - LC LANDSCAPE REQUIREMENT

RECOMMND

The developer/ permit holder shall:

1)Ensure all landscape and irrigation plans are in conformance with the APPROVED EXHIBITS;

2)Ensure all landscaping is provided with California Friendly landscaping and a weather based irrigation controller(s) as defined by County Ordinance No. 859;

3)Ensure that irrigation plans which may use reclaimed water conform with the requirements of the local water purveyor; and,

4)Be responsible for maintenance, viability and upkeep of all slopes, landscaped areas, and irrigation systems until the successful completion of the twelve (12) month inspection or those operations become the responsibility of the individual property owner(s), a property owner's association, or any other successor-in-interest, whichever occurs later.

To ensure ongoing maintenance, the developer/ permit holder or any successor in interest shall:

1)Connect to a reclaimed water supply for landscape irrigation purposes when reclaimed water is made available.

2)Ensure that landscaping, irrigation and maintenance

3)Ensure that all landscaping is healthy, free of weeds,
disease and pests.

TRANS DEPARTMENT

10.TRANS. 1 USE - STD INTRO (ORD 461) RECOMMND

With respect to the conditions of approval for the
referenced tentative exhibit, the landowner shall provide
all street improvements, street improvement plans and/or
road dedications set forth herein in accordance with
Riverside County Road Improvement Standards (Ordinance
461). It is understood that the exhibit correctly shows
acceptable centerline elevations, all existing easements,
traveled ways, and drainage courses with appropriate Q's,
and that their omission or unacceptability may require the
exhibit to be resubmitted for further consideration. This
ordinance and all conditions of approval are essential
parts and a requirement occurring in ONE is as binding as
though occurring in all. All questions regarding the true
meaning of the conditions shall be referred to the
Transportation Department.

10.TRANS. 2 USE - COUNTY WEB SITE RECOMMND

Additional information, standards, ordinances, policies,
and design guidelines can be obtained from the
Transportation Department Web site:
<http://rctlma.org/trans/>. If you have questions, please
call the Plan Check Section at (951) 955-6527.

10.TRANS. 3 USE-CREDIT/REIMBURSEMENT 4 IMP RECOMMND

In order to receive any fee credit or reimbursement for
improvements, the project proponent shall contact the
Transportation Department and enter into an agreement for
fee credit or reimbursement prior to advertising. All work
shall be preapproved by and shall comply with the
requirements of the Transportation Department and the
public contracts code in order to be eligible for fee
credit or reimbursement.

To enter into an agreement, please contact our Funding

10.TRANS. 4 USE - TUMF CREDIT AGREEMENT

RECOMMND

If the applicant/developer is constructing a "TUMF" facility as a condition of approval for this project and will be seeking "TUMF" credits and/or reimbursements for the "TUMF" improvements built with this project, the applicant shall enter into a "TUMF Improvement and Credit Agreement" with the Transportation Department prior to the first building permit issuance as directed by the Director of Transportation Please contact (951) 955-6800 for additional information.

20. PRIOR TO A CERTAIN DATE

PLANNING DEPARTMENT

20.PLANNING. 1 USE - EXPIRATION DATE-PP

RECOMMND

This approval shall be used within two (2) years of approval date; otherwise, it shall become null and void and of no effect whatsoever. By use is meant the beginning of substantial construction contemplated by this approval within a two (2) year period which is thereafter diligently pursued to completion or of the actual occupancy of existing buildings or land under the terms of the authorized use.

Prior to the expiration of the two year period, the permittee may request a one (1) year extension of time request in which to use this plot plan. A maximum of three one-year extension of time requests shall be permitted. Should the time period established by any of the extension of time requests lapse, or should all three one-year extensions be obtained and no substantial construction or use of this plot plan be initiated within five (5) years of the effective date of the issuance of this plot plan, this plot plan shall become null and void.

20.PLANNING. 3 USE - REVIEW OPERATION HOURS

RECOMMND

One year after issuance of occupancy permit the Planning Director and the Director of Building and Safety shall review this permit to consider the hours of operation. If significant complaints have been received regarding noise and nuisance, the hours of operation of the Family Dollar operation may be further restricted.

60. PRIOR TO GRADING PRMT ISSUANCE

BS GRADE DEPARTMENT

60.BS GRADE. 1 USE - NPDES/SWPPP

RECOMMND

Prior to issuance of any grading or construction permits - whichever comes first - the applicant shall provide the Building and Safety Department evidence of compliance with the following: "Effective March 10, 2003 owner operators of grading or construction projects are required to comply with the N.P.D.E.S. (National Pollutant Discharge Elimination System) requirement to obtain a construction permit from the State Water Resource Control Board (SWRCB). The permit requirement applies to grading and construction sites of "ONE" acre or larger. The owner operator can comply by submitting a "Notice of Intent" (NOI), develop and implement a STORM WATER POLLUTION PREVENTION PLAN (SWPPP) and a monitoring program and reporting plan for the construction site. For additional information and to obtain a copy of the NPDES State Construction Permit contact the SWRCB at www.swrcb.ca.gov.

Additionally, at the time the county adopts, as part of any ordinance, regulations specific to the N.P.D.E.S., this project (or subdivision) shall comply with them.

60.BS GRADE. 2 USE - GRADING SECURITY

RECOMMND

Grading in excess of 199 cubic yards will require a performance security to be posted with the Building and Safety Department.

60.BS GRADE. 3 USE - IMPORT / EXPORT

RECOMMND

In instances where a grading plan involves import or export, prior to obtaining a grading permit, the applicant shall have obtained approval for the import/export location from the Building and Safety Department.

PLAN:TRANSMITTED Case #: PP25248

Parcel: 457-171-025

60. PRIOR TO GRADING PRMT ISSUANCE

60.BS GRADE. 3 USE - IMPORT / EXPORT (cont.)

RECOMMND

A separate stockpile permit is required for the import site. It shall be authorized in conjunction with an approved construction project and shall comply with the requirements of Ordinance 457.

If an Environmental Assessment, prior to issuing a grading permit, did not previously approve either location, a Grading Environmental Assessment shall be submitted to the Planning Director for review and comment and to the Building and Safety Department Director for approval.

Additionally, if the movement of import / export occurs using county roads, review and approval of the haul routes by the Transportation Department may be required.

60.BS GRADE. 4 USE - GEOTECH/SOILS RPTS

RECOMMND

Geotechnical soils reports, required in order to obtain a grading permit, shall be submitted to the Building and Safety Department for review and approval prior to issuance of a grading permit. All grading shall be in conformance with the recommendations of the geotechnical/soils reports as approved by Riverside County.* *The geotechnical/soils, compaction and inspection reports will be reviewed in accordance with the RIVERSIDE COUNTY GEOTECHNICAL GUIDELINES FOR REVIEW OF GEOTECHNICAL AND GEOLOGIC REPORTS.

60.BS GRADE. 6 USE - DRAINAGE DESIGN Q100

RECOMMND

All drainage facilities shall be designed in accordance with the Riverside County Flood Control & Water District's or Coachella Valley Water District's conditions of approval regarding this application. If not specifically addressed in their conditions, drainage shall be designed to accommodate 100 year storm flows.

60.BS GRADE. 8 USE - NOTARIZED OFFSITE LTR

RECOMMND

A notarized letter of permission from the affected property owners or easement holders shall be provided in instances where off site grading is proposed as part of the grading plan.

60.BS GRADE. 11 USE - APPROVED WQMP

RECOMMND

Prior to the issuance of a grading permit, the owner / applicant shall submit to the Building & Safety Department Engineering Division evidence that the project - specific Water Quality Management Plan (WQMP) has been approved by the Riverside County Flood Control District and that all approved water quality treatment control BMPs have been included on the grading plan.

60.BS GRADE. 12 USE - PRE-CONSTRUCTION MTG

RECOMMND

Upon receiving grading plan approval and prior to the issuance of a grading permit, the applicant is required to schedule a pre-construction meeting with the Building and Safety Department Environmental Compliance Division.

60.BS GRADE. 13 USE- BMP CONST NPDES PERMIT

RECOMMND

Prior to the issuance of a grading permit, the owner / applicant shall obtain a BMP (Best Management Practices) Permit for the monitoring of the erosion and sediment control BMPs for the site. The Department of Building and Safety will conduct NPDES (National Pollutant Discharge Elimination System) inspections of the site based on Risk Level to verify compliance with the Construction General Permit, Stormwater ordinances and regulations until completion of the construction activities, permanent stabilization of the site and permit final.

FLOOD RI DEPARTMENT

60.FLOOD RI. 2 USE SUBMIT PLANS MINOR REVIEW

RECOMMND

The scope of the District review will be limited to verification that this proposal has met its obligation under the County's municipal stormwater permit. A copy of the BMP improvement plans along with any necessary documentation shall be submitted to the Districts Plan Check Section for review. A copy of the improvement and grading plans shall be included for reference. The plans must receive the District's approval prior to issuance of permits. All submittals shall be date stamped by the engineer and include a completed Flood Control Deposit Based Fee Worksheet and the appropriate plan check fee deposit.

T PLAN:TRANSMITTED Case #: PP25248

Parcel: 457-171-025

60. PRIOR TO GRADING PRMT ISSUANCE

60.FLOOD RI. 3 USE SUBMIT FINAL WQMP

RECOMMND

A copy of the project specific WQMP shall be submitted to the District for review and approval.

60.FLOOD RI. 4 USE HOMELAND/ROMOLAND ADP

RECOMMND

The County Board of Supervisors has adopted the Homeland/Romoland Area Drainage Plan (ADP) for the purpose of collecting drainage fees. This project may require earlier construction of downstream ADP facilities. To mitigate this effect, the District recommends that this project be required to pay a flood mitigation fee. The mitigation fee should be based upon the fee structures set for land divisions having comparable anticipated impermeable surface areas.

PP 25248 is located within the limits of Line A sub-watershed of the Homeland/Romoland Area Drainage Plan for which drainage fees have been adopted to help mitigate the impacts of this development. The mitigation charge for this proposal shall equal the prevailing Area Drainage Plan fee rate multiplied by the area of the new development. This new development has a total of 1.13 acres subject to the fee. The charge is payable to the Flood Control District by cashier's check or money order only, and shall be paid after final approval of the staff report/conditions of approval by the Board of Supervisors and prior to issuance of permits.

PLANNING DEPARTMENT

60.PLANNING. 1 USE - PALEO PRIMP & MONITOR

RECOMMND

This site is mapped in the County's General Plan as having a High potential for paleontological resources (fossils). Proposed project site grading/earthmoving activities could potentially impact this resource. HENCE:

PRIOR TO ISSUANCE OF GRADING PERMITS:

1.The applicant shall retain a qualified paleontologist approved by the County of Riverside to create and implement a project-specific plan for monitoring site grading/earthmoving activities (project paleontologist).

2.The project paleontologist retained shall review the approved development plan and grading plan and shall

RECOMMND

conduct any pre-construction work necessary to render appropriate monitoring and mitigation requirements as appropriate. These requirements shall be documented by the project paleontologist in a Paleontological Resource Impact Mitigation Program (PRIMP). This PRIMP shall be submitted to the County Geologist for review and approval prior to issuance of a Grading Permit.

Information to be contained in the PRIMP, at a minimum and in addition to other industry standards and Society of Vertebrate Paleontology standards, are as follows:

- 1.Description of the proposed site and planned grading operations.
- 2.Description of the level of monitoring required for all earth-moving activities in the project area.
- 3.Identification and qualifications of the qualified paleontological monitor to be employed for grading operations monitoring.
- 4.Identification of personnel with authority and responsibility to temporarily halt or divert grading equipment to allow for recovery of large specimens.
- 5.Direction for any fossil discoveries to be immediately reported to the property owner who in turn will immediately notify the County Geologist of the discovery.
- 6.Means and methods to be employed by the paleontological monitor to quickly salvage fossils as they are unearthed to avoid construction delays.
- 7.Sampling of sediments that are likely to contain the remains of small fossil invertebrates and vertebrates.
- 8.Procedures and protocol for collecting and processing of samples and specimens.
- 9.Fossil identification and curation procedures to be employed.
- 10.Identification of the permanent repository to receive any recovered fossil material. *Pursuant the County of Riverside "SABER Policy", paleontological fossils found in

T PLAN:TRANSMITTED Case #: PP25248

60.PLANNING. 1 USE - PALEO PRIMP & MONITOR (cont.) (cont.) RECOMMND

the County of Riverside should, by preference, be directed to the Western Science Center in the City of Hemet. A written agreement between the property owner/developer and the repository must be in place prior to site grading.

11.All pertinent exhibits, maps and references.

12.Procedures for reporting of findings.

13.Identification and acknowledgement of the developer for the content of the PRIMP as well as acceptance of financial responsibility for monitoring, reporting and curation fees.

The property owner and/or applicant on whose land the paleontological fossils are discovered shall provide appropriate funding for monitoring, reporting, delivery and curating the fossils at the institution where the fossils will be placed, and will provide confirmation to the County that such funding has been paid to the institution.

All reports shall be signed by the project paleontologist and all other professionals responsible for the report's content (eg. Professional Geologist), as appropriate. Two wet-signed original copies of the report(s) shall be submitted to the office of the County Geologist along with a copy of this condition and the grading plan for appropriate case processing and tracking. These documents should not be submitted to the project Planner, the Plan Check staff, the Land Use Counter or any other County office. In addition, the applicant shall submit proof of hiring (i.e. copy of executed contract, retainer agreement, etc.) a project paleontologist for the in-grading implementation of the PRIMP.

60.PLANNING. 2 USE - PLNTLOGST RETAINED (1) RECOMMND

Prior to issuance of grading permits, a qualified paleontologist shall be retained by the developer for consultation and comment on the proposed grading with respect to potential paleontological impacts. Should the paleontologist find the potential is high for impact to significant resources, a pre-grade meeting between the paleontologist and the excavation and grading contractor shall be arranged. When necessary, the paleontologist or representative shall have the authority to temporarily divert, redirect, or halt grading activity to allow recovery of fossils. The developer shall submit the name,

Parcel: 457-171-025

60. PRIOR TO GRADING PRMT ISSUANCE

60.PLANNING. 2 USE - PLNTLOGST RETAINED (1) (cont.) RECOMMND

telephone number and address of the retained paleontologist to the Planning Department.

The paleontologist shall submit in writing to the Planning Department the results of the initial consultation and the details of the fossil recovery plan if recovery was deemed necessary. The written results shall be submitted prior to issuance of grading permit.

60.PLANNING. 3 USE - ARCH ENHANCEMENT RECOMMND

Prior to the issuance of any grading permits, the applicant shall submit a revised west elevation providing roof line relief similar to east elevation (Added by PC on 6/19/13).

60.PLANNING. 4 USE - PARCEL MERGR REQD (1) RECOMMND

Prior to the issuance of a grading permit, a Certificate of Parcel Merger shall be reviewed and aproved by the Planning Department. The Parcel Merger shall merge Assessor Parcel Nos. 457-171-020, 457-171-024 and 457-171-025. The proposed parcel shall comply with the development standards of the Scenic Highway Commercial (C-P-S) zone.

60.PLANNING. 8 USE - SKR FEE CONDITION RECOMMND

Prior to the issuance of a grading permit, the applicant shall comply with the provisions of Riverside County Ordinance No. 663, which generally requires the payment of the appropriate fee set forth in that ordinance. The amount of the fee required to be paid may vary depending upon a variety of factors, including the type of development application submitted and the applicability of any fee reduction or exemption provisions contained in Riverside County Ordinance No. 663. Said fee shall be calculated on the approved development project which is anticipated to be 1.49 acres (gross) in accordance with APPROVED EXHIBIT NO. A. If the development is subsequently revised, this acreage amount may be modified in order to reflect the revised development project acreage amount. In the event Riverside County Ordinance No. 663 is rescinded, this condition will no longer be applicable. However, should Riverside County Ordinance No. 663 be rescinded and superseded by a subsequent mitigation fee ordinance, payment of the appropriate fee set forth in that ordinance

shall be required.

60.PLANNING. 10 USE - REQD APPLICATIONS (1)

RECOMMND

No grading permits shall be issued until Change of Zone No. 7793 have been approved and adopted by the Board of Supervisors and have been made effective. This permit shall conform with the development standards of the zone ultimately applied to the property.

60.PLANNING. 11 USE - FEE STATUS

RECOMMND

Prior to the issuance of grading permits for Plot Plan No. 25248, the Planning Department shall determine the status of the deposit based fees. If the fees are in a negative status, the permit holder shall pay the outstanding balance.

TRANS DEPARTMENT

60.TRANS. 1 USE-CREDIT/REIMBURSEMENT 4 IMP

RECOMMND

In order to receive any fee credit or reimbursement for improvements, the project proponent shall contact the Transportation Department and enter into an agreement for fee credit or reimbursement prior to advertising. All work shall be preapproved by and shall comply with the requirements of the Transportation Department and the public contracts code in order to be eligible for fee credit or reimbursement.

To enter into an agreement, please contact our Funding Programs group at (951) 955-1667.

For more information regarding the public work bidding requirements please visit the following link:
http://www.rctlma.org/trans/rbbd_contractbidding.html.

60.TRANS. 2 USE-SBMT/APPVD GRADG PLAN/TRAN

for incorporation into their Regional Locality Inventories."

80. PRIOR TO BLDG PRMT ISSUANCE

B&S DEPARTMENT

80.B&S. 1 BP - BUILD & SAFETY PLNCK

RECOMMND

The applicant shall obtain the required building permit(s) from the Building Department for any proposed building, structure, equipment or utility prior to construction or installation on the property.

This shall include but not be limited to building permits for the building, trash enclosure(s), light standards, and block walls.

All building plans and supporting documentation shall comply with current adopted California Building Codes, Riverside County Ordinances, and California Title 25 regulations in effect at the time of building plan submittal and fee payment to the Building Department. All Building Department plan submittal and fee requirements shall apply.

BS GRADE DEPARTMENT

80.BS GRADE. 1 USE - NO B/PMT W/O G/PMT

RECOMMND

Prior to the issuance of any building permit, the property owner shall obtain a grading permit and/or approval to construct from the Building and Safety Department.

80.BS GRADE. 2 USE - ROUGH GRADE APPROVAL

RECOMMND

Prior to the issuance of any building permit, the applicant shall obtain rough grade approval and/or approval to construct from the Building and Safety Department. The Building and Safety Department must approve the completed grading of your project before a building permit can be issued. Rough Grade approval can be accomplished by complying with the following:

1.Submitting a "Wet Signed" copy of the Soils Compaction Report containing substantiating data from the Soils Engineer (registered geologist or certified geologist,

civil engineer or geotechnical engineer as appropriate) for his/her certification of the project.

2.Submitting a "Wet Signed" copy of the Rough Grade certification from a Registered Civil Engineer certifying that the grading was completed in conformance with the approved grading plan.

3.Requesting a Rough Grade Inspection and obtaining rough grade approval from a Riverside County inspector.

4.Rough Grade Only Permits: In addition to obtaining all required inspections and approval of all final reports, all sites permitted for rough grade only shall provide 100 percent vegetative coverage to stabilize the site prior to receiving a rough grade permit final.

Prior to release for building permit, the applicant shall have met all rough grade requirements to obtain Building and Safety Department clearance.

E HEALTH DEPARTMENT

80.E HEALTH. 1 USE - FOOD PLANS REQD

RECOMMND

A total of 3 complete set of plans for each food establishment are needed including a fixture schedule, a finish schedule, and a plumbing schedule in order to ensure compliance with current State and Local regulations.

FIRE DEPARTMENT

80.FIRE. 1 USE-#17A-BLDG PLAN CHECK \$

RECOMMND

Building Plan check deposit base fee of \$1,056.00, shall be paid in a check or money order to the Riverside County Fire Department after plans have been approved by our office.

80.FIRE. 2 USE-#4-WATER PLANS

RECOMMND

The applicant or developer shall separately submit two copies of the water system plans to the Fire Department for review and approval. Calculated velocities shall not exceed 10 feet per second. Plans shall conform to the fire hydrant types, location and spacing, and the system shall meet the fire flow requirements.

T PLAN:TRANSMITTED Case #: PP25248

80.FIRE. 2 USE-#4-WATER PLANS (cont.)

RECOMMND

Plans shall be signed and approved by a registered civil engineer and the local water company with the following certification: "I certify that the design of the water system is in accordance with the requirements prescribed by the Riverside County Fire Department."

FLOOD RI DEPARTMENT

80.FLOOD RI. 2 USE SUBMIT PLANS MINOR REVIEW

RECOMMND

The scope of the District review will be limited to verification that this proposal has met its obligation under the County's municipal stormwater permit. A copy of the BMP improvement plans along with any necessary documentation shall be submitted to the Districts Plan Check Section for review. A copy of the improvement and grading plans shall be included for reference. The plans must receive the District's approval prior to issuance of permits. All submittals shall be date stamped by the engineer and include a completed Flood Control Deposit Based Fee Worksheet and the appropriate plan check fee deposit.

80.FLOOD RI. 3 USE SUBMIT FINAL WQMP

RECOMMND

A copy of the project specific WQMP shall be submitted to the District for review and approval.

80.FLOOD RI. 4 USE HOMELAND/ROMOLAND ADP

RECOMMND

The County Board of Supervisors has adopted the Homeland/Romoland Area Drainage Plan (ADP) for the purpose of collecting drainage fees. This project may require earlier construction of downstream ADP facilities. to mitigate this effect, the District recommends that this project be required to pay a flood mitigation fee. The mitigation fee should be based upon the fee structures set for land divisions having comparable anticipated impermeable surface areas.

PP 25248 is located within the limits of Line A sub-watershed of the Homeland/Romoland Area Drainage Plan for which drainage fees have been adopted to help mitigate the impacts of this development. The mitigation charge for this proposal shall equal the prevailing Area Drainage Plan fee rate multiplied by the area of the new

development. This new development has a total of 1.13 acres subject to the fee. The charge is payable to the Flood Control District by cashier's check or money order only, and shall be paid after final approval of the staff report/conditions of approval by the Board of Supervisors and prior to issuance of permits.

PLANNING DEPARTMENT

80.PLANNING. 3 USE - CONFORM TO ELEVATIONS RECOMMND

Elevations of all buildings and structures submitted for building plan check approval shall be in substantial conformance with the elevations shown on APPROVED EXHIBIT A.

80.PLANNING. 4 USE - CONFORM TO FLOOR PLANS RECOMMND

Floor plans shall be in substantial conformance with that shown on APPROVED EXHIBIT A.

80.PLANNING. 9 USE - FENCING PLAN REQUIRED RECOMMND

A fencing plan shall be submitted showing all fence locations and typical views of all types of fences or walls proposed. This plan shall require anti-graffiti coatings on fences and walls, where applicable.

80.PLANNING. 11 USE - PLANS SHOWING BIKE RACKS RECOMMND

Bike rack spaces or bike lockers shall be shown on the project's parking and landscaping plan submitted to the Planning Department for approval.

80.PLANNING. 16 USE - WASTE MGMT. CLEARANCE RECOMMND

A clearance letter from Riverside County Waste Management District shall be provided to the Riverside County Planning Department verifying compliance with the conditions contained in their letter, summarized as follows:

The developer shall provide adequate areas for collecting and loading recyclable materials such as paper products, glass and green waste in commercial, industrial, public facilities and residential development projects.

80. PRIOR TO BLDG PRMT ISSUANCE

80.PLANNING. 17 USE - SCHOOL MITIGATION

RECOMMND

Impacts to the Romoland & Perris School District shall be mitigated in accordance with California State law.

80.PLANNING. 18 USE - LIGHTING PLANS

RECOMMND

All parking lot lights and other outdoor lighting shall be shown on electrical plans submitted to the Department of Building and Safety for plan check approval and shall comply with the requirements of Riverside County Ordinance No. 655 nd the Riverside County Comprehensive General Plan.

80.PLANNING. 19 USE - LC LANDSCAPE PLOT PLAN

RECOMMND

Prior to issuance of building permits, the developer/permit holder shall file a Landscaping Minor Plot Plan Application to the Riverside County Planning Department for review and approval along with the current fee. The landscaping plans shall be in conformance with the APPROVED EXHIBITS; in compliance with Ordinance No. 348, Section 18.12; Ordinance No. 859; and, be prepared consistent with the County of Riverside Guide to California Friendly Landscaping.

At minimum, plans shall include the following components:

- 1)Landscape and irrigation working drawings "stamped" by a California certified landscape architect;
- 2)Weather based controllers and necessary components to eliminate water waste;
- 3)A copy of the "stamped" approved grading plans; and,
- 4)Emphasis on native and drought tolerant species.

When applicable, plans shall include the following components:

- 1)Identification of all common/open space areas;
- 2)Natural open space areas and those regulated/conserved by the prevailing MSHCP;
- 3)Shading plans for projects that include parking lots/areas;
- 4)The use of canopy trees (24" box or greater) within the parking areas;

80.PLANNING. 19

USE - LC LANDSCAPE PLOT PLAN (cont.)

RECOMMND

5)Landscaping plans for slopes exceeding 3 feet in height;

6)Landscaping and irrigation plans associated with entry monuments. All monument locations and dimensions shall be provided on the plan; and/or,

7)If this is a phased development, then a copy of the approved phasing plan shall be submitted for reference.

NOTE:

1)Landscaping plans for areas within the road right-of-way shall be submitted for review and approval by the Transportation Department only. The Planning Department shall not approve landscape plans within the Road Right-of-Way.

)When the Landscaping Plot Plan is located within a special district such as Valley-Wide Recreation and Park District, Jurupa Community Services District, Coachella Valley Water District, a County Service Area (CSA) or other maintenance district, the developer/permit holder shall submit plans for review to the appropriate special district for simultaneous review. The permit holder shall show evidence to the Planning Department that the subject District has approved said plans.

As part of the plan check review process and request for condition clearance, the developer/permit holder shall show proof of the approved landscaping plot plan by providing the Plot Plan number. The planning department shall verify the landscape route is approved and the Plot Plan is in TENTAPPR status. Upon verification of compliance with this condition and the APPROVED EXHIBITS, the Planning Department shall clear this condition.

80.PLANNING. 20

USE - LC LANDSCAPE SECURITIES

RECOMMND

Prior to the issuance of building permits, the developer/permit holder shall submit an estimate to replace plantings, irrigation systems, ornamental landscape elements, walls and/or fences, in amounts to be approved by the Riverside County Planning Department, Landscape Division. Once the Planning Department has approved the estimate, the developer/permit holder shall submit the estimate to the Riverside County Department of Building and Safety who will then provide the developer/permit holder

RECOMMND

with the requisite forms. The required forms shall be completed and submitted to Building and Safety for processing and review in conjunction with County Counsel. Upon determination of compliance, the Department of Building and Safety shall clear this condition.

NOTE:

A cash security shall be required when the estimated cost is \$2,500.00 or less. It is highly encouraged to allow adequate time to ensure that securities are in place. The performance security shall be released following a successful completion of the One Year Post-Establishment Inspection, and the inspection report confirms that the planting and irrigation components are thriving and in good working order consistent with the approved landscaping plans.

TRANS DEPARTMENT

80.TRANS. 1

USE - CALTRANS ENCRCHMNT PRMT

RECOMMND

Prior to issuance of a building permit or any use allowed by this permit, and prior to doing any work within the State highway right-of-way, clearance and/or an encroachment permit must be obtained by the applicant from the District 08 Office of the State Department of Transportation in San Bernardino.

80.TRANS. 2

USE - R-O-W DEDICATION 1

RECOMMND

Sufficient public street right-of-way along SH-74 shall be conveyed for public use to provide for a 92 foot half-width right-of-way per County Standard No. 87, Ordinance 461.

80.TRANS. 3

USE - CORNER CUT-BACK I

RECOMMND

All corner cutbacks shall be applied per Standard 805, Ordinance 461.

80.TRANS. 4

USE - ANNEX L&LMD/OTHER DIST

RECOMMND

Prior to the issuance of a building permit, the project proponent shall comply with County requirements within public road rights-of-way, in accordance with Ordinance 461. Assurance of maintenance is required by filing an application for annexation to Landscaping and Lighting

USE - ANNEX L&LMD/OTHER DIST (cont.)

RECOMMND

Maintenance District No. 89-1-Consolidated by contacting the Transportation Department at (951)955-6767, and/or any other maintenance district approved by the Transportation Department or by processing and filing a 'Landscape Maintenance Agreement' through the Transportation Department Plan Check Division. Said annexation should include the following:

- (1) Landscaping along Ritter Avenue and SH-74.
- (2) Streetlights.
- (3) Street sweeping.

For street lighting, the project proponent shall contact the Transportation Department L&LMD 89-1-C Administrator and submit the following:

- (1) Completed Transportation Department application.
- (2) Appropriate fees for annexation.
- (3) Two (2) sets of street lighting plans approved by Transportation Department.
- (4) "Streetlight Authorization" form from SCE, IID or other electric provider.

80.TRANS. 5

USE - LIGHTING PLAN

RECOMMND

A separate streetlight plan is required for this project. Street lighting shall be designed in accordance with County Ordinance 460 and Streetlight Specification Chart found in Specification Section 22 of Ordinance 461. For projects within SCE boundaries use County of Riverside Ordinance 461, Standard No. 1000 or No. 1001.

NOTE: For streetlight along SH-74, submit streetlight plan to the County.

80.TRANS. 6

USE - LANDSCAPING

RECOMMND

Landscaping within public road right-of-way shall comply with Transportation Department standards, Ordinance 461, Comprehensive Landscaping Guidelines & Standards, and Ordinance 859 and shall require approval by the

Transportation Department.

Landscaping plans shall be designed within Ritter Avenue and SH-74 and submitted to the Transportation Department. Landscaping plans shall be submitted on standard County plan sheet format (24" x 36"). Landscaping plans shall be submitted with the street improvement plans.

NOTE: For landscaping improvement along SH-74, submit the landscaping plan to the County.

80.TRANS. 7 USE - TUMF CREDIT AGREEMENT

RECOMMND

If the applicant/developer is constructing a "TUMF" facility as a condition of approval for this project and will be seeking "TUMF" credits and/or reimbursements for the "TUMF" improvements built with this project, the applicant shall enter into a "TUMF Improvement and Credit Agreement" with the Transportation Department prior to the first building permit issuance as directed by the Director of Transportation. Please contact (951) 955-6800 for additional information.

80.TRANS. 8 USE - UTILITY PLAN

RECOMMND

Electrical power, telephone, communication, street lighting, and cable television lines shall be designed to be placed underground in accordance with Ordinance 460 and 461, or as approved by the Transportation Department. The applicant is responsible for coordinating the work with the serving utility company. This also applies to existing overhead lines which are 33.6 kilovolts or below along the project frontage and between the nearest poles offsite in each direction of the project site. A disposition note describing the above shall be reflected on design improvement plans whenever those plans are required. A written proof for initiating the design and/or application of the relocation issued by the utility company shall be submitted to the Transportation Department for verification purposes.

80.TRANS. 9 MAP - RIV. TRANSIT AUTHORITY

RECOMMND

The land divider shall comply with the Riverside Transit Authority recommendations as outlined in their letter dated May 30, 2013.

RECOMMND

The project proponent shall provide an ADA-compliant bus stop along its frontage of SR-74.

90. PRIOR TO BLDG FINAL INSPECTION

BS GRADE DEPARTMENT

90.BS GRADE. 1 USE - WQMP BMP INSPECTION

RECOMMND

Prior to final building inspection, the applicant shall obtain inspection of all treatment control BMPs and/or clearance from the Building and Safety Department. All structural BMPs described in the project - specific WQMP and indicated on the approved grading plan shall be constructed and installed in conformance with the approved plans and specifications. The Building and Safety Department must inspect and approve the completed WQMP treatment control BMPs for your project before a building final can be obtained.

90.BS GRADE. 2 USE - WQMP BMP CERT REQ'D

RECOMMND

Prior to final building inspection, the applicant/owner shall submit a "Wet Signed" copy of the Water Quality Management Plan (WQMP) Certification from a Registered Civil Engineer certifying that the project - specific WQMP treatment control BMPs have been installed in accordance with the approved WQMP.

90.BS GRADE. 3 USE - BMP GPS COORDINATES

RECOMMND

Prior to final building inspection, the applicant/owner shall provide the Department of Building Safety with GPS coordinates for the location of the project - specific WQMP treatment control BMPs.

90.BS GRADE. 4 USE - BMP REGISTRATION

RECOMMND

Prior to final building inspection, the applicant/owner shall register the project - specific WQMP treatment control BMPs with the Department of Building Safety Business Registration Division. Any person or entity that owns or operates a commercial and/or industrial facility shall register such facility for annual inspections.

90.BS GRADE. 5 USE - REQ'D GRADING INSP'S

RECOMMND

The developer / applicant shall be responsible for obtaining the following inspections required by Ordinance 457.

1. Sub-grade inspection prior to base placement.
2. Base inspection prior to paving.
3. Precise grade inspection of entire permit area.
 - a. Inspection of Final Paving
 - b. Precise Grade Inspection
 - c. Inspection of completed onsite storm drain facilities
 - d. Inspection of the WQMP treatment control BMPs

90.BS GRADE. 6 USE - PRECISE GRDG APPROVAL

RECOMMND

Prior to final building inspection, the applicant shall obtain precise grade approval and/or clearance from the Building and Safety Department. The Building and Safety Department must approve the precise grading of your project before a building final can be obtained. Precise Grade approval can be accomplished by complying with the following:

1. Requesting and obtaining approval of all required grading inspections.
2. Submitting a "Wet Signed" copy of the Soils Compaction Report from the Soils Engineer (registered geologist or certified geologist, civil engineer or geotechnical engineer as appropriate) for the sub-grade and base of all paved areas.
3. Submitting a "Wet Signed" copy of the Sub-grade (rough) Certification from a Registered Civil Engineer certifying that the sub-grade was completed in conformance with the approved grading plan.
4. Submitting a "Wet Signed" copy of the Precise (Final) Grade Certification for the entire site from a Registered Civil Engineer certifying that the precise grading was completed in conformance with the approved grading plan.
5. Submitting a "Wet Signed" copy of the Certification certifying the installation of any onsite storm drain

systems not inspected by Riverside County Flood Control District or the Riverside County Transportation Department.

6.Submitting a "Wet Signed" copy of the Water Quality Management Plan (WQMP) Certification from a Registered Civil Engineer certifying that the Water Quality Management Plan treatment control BMPs have been installed in accordance with the approved WQMP.

Prior to release for building final, the applicant shall have met all precise grade requirements to obtain Building and Safety Department clearance.

FIRE DEPARTMENT

90.FIRE. 1

USE-#45-FIRE LANES

RECOMMND

The applicant shall prepare and submit to the Fire Department for approval, a site plan designating required fire lanes with appropriate lane painting and/or signs.

90.FIRE. 2

USE-#12A-SPRINKLER SYSTEM

RECOMMND

Install a complete fire sprinkler system per NFPA 13 2010 edition in all buildings requiring a fire flow of 1500 GPM or greater. Sprinkler system(s) with pipe sizes in excess of 4" in diameter will require the project structural engineer to certify (wet signature) the stability of the building system for seismic and gravity loads to support the sprinkler system. All fire sprinkler risers shall be protected from any physical damage. The post indicator valve and fire department connection shall be located to the front, within 50 feet of a hydrant, and a minimum of 25 feet from the building(s). A statement that the building(s) will be automatically fire sprinkled must be included on the title page of the building plans.

Applicant or developer shall be responsible to install a U.L. Central Station Monitored Fire Alarm System. Monitoring system shall monitor the fire sprinkler system(s) water flow, P.I.V.'s and all control valves. Plans must be submitted to the Fire Department for approval prior to installation. Contact fire department for guideline handout

90.FIRE. 3 USE-#27-EXTINGUISHERS

RECOMMND

Install portable fire extinguishers with a minimum rating of 2A-10BC and signage. Fire Extinguishers located in public areas shall be in recessed cabinets mounted 48" (inches) to center above floor level with maximum 4" projection from the wall. Contact Fire Department for proper placement of equipment prior to installation.

FLOOD RI DEPARTMENT

90.FLOOD RI. 2 USE BMP - EDUCATION

RECOMMND

The developer shall distribute environmental awareness education materials on general good housekeeping practices that contribute to protection of stormwater quality to all initial users. The developer may obtain NPDES Public Educational Program materials from the District's NPDES Section by either the District's website www.floodcontrol.co.riverside.ca.us, e-mail fcnpdes@co.riverside.ca.us, or the toll free number 1-800-506-2555. Please provide Project number, number of units and location of development. Note that there is a five-day minimum processing period requested for all orders.

The developer must provide to the District's PLAN CHECK Department a notarized affidavit stating that the distribution of educational materials to the tenants is assured prior to the issuance of occupancy permits.

If conditioned for a Water Quality Management Report (WQMP), a copy of the notarized affidavit must be placed in the report. The District MUST also receive the original notarized affidavit with the plan check submittal, by mail or in person in order to clear the appropriate condition. Placing a copy of the affidavit in the WQMP without submitting the original will not guarantee clearance of the condition.

90.FLOOD RI. 3 USE IMPLEMENT WQMP

RECOMMND

All structural BMPs described in the project-specific WQMP shall be constructed and installed in conformance with approved plans and specifications. It shall be demonstrated that the applicant is prepared to implement all non-structural BMPs described in the approved project specific WQMP and that copies of the approved

90.FLOOD RI. 3 USE IMPLEMENT WQMP (cont.)

RECOMMND

project-specific WQMP are available for the future owners/occupants. The District will not release occupancy permits for any portion of the project exceeding 80% of the project area prior to the completion of these tasks.

90.FLOOD RI. 4 USE BMP MAINTENANCE & INSPECT

RECOMMND

The BMP maintenance plan shall contain provisions for all treatment controlled BMPs to be inspected, and if required, cleaned no later than October 15 each year. Required documentation shall identify the entity that will inspect and maintain all structural BMPs within the project boundaries. A copy of all necessary documentation shall be submitted to the District for review and approval prior to the issuance of occupancy permits.

PLANNING DEPARTMENT

90.PLANNING. 2 USE - COMPLY W/ ACOUSTIC STUDY

RECOM

The permit holder shall construct and design the project in compliance with the recommendations of an approved acoustical study, as reviewed and, as the case may be, modified by the eparment of Enviornmental Health, Office of Industrial Hygiene and approved by the Planning Department.

The permit holder may be requried to submit to the Planning Department a written certification from a state licensed professional that the project was constructed in compliance with the recommendations of the approved acoustical study.

The Planning Department may require further inspection by county staff to assure project compliance with this condition of approval.

90.PLANNING. 3 USE - PARKING PAVING MATERIAL

RECOMMND

A minimum of 44 parking spaces shall be provided as shown on the APPROVED EXHIBIT A, unless otherwise approved by the Planning Department. The parking area shall be surfaced with asphaltic concrete or concrete to current standards as approved by the Department of Building and Safety.

90. PRIOR TO BLDG FINAL INSPECTION

90.PLANNING. 4

USE - ACCESSIBLE PARKING

RECOMMND

A minimum of two (2) accessible parking spaces for persons with disabilities shall be provided as shown on APPROVED EXHIBIT A. Each parking space reserved for persons with disabilities shall be identified by a permanently affixed reflectorized sign constructed of porcelain on steel, beaded text or equal, displaying the International Symbol of Accessibility. The sign shall not be smaller than 70 square inches in area and shall be centered at the interior end of the parking space at a minimum height of 80 inches from the bottom of the sign to the parking space finished grade, or centered at a minimum height of 36 inches from the parking space finished grade, ground, or sidewalk. A sign shall also be posted in a conspicuous place, at each entrance to the off-street parking facility, not less than 17 inches by 22 inches, clearly and conspicuously stating the following:

"Unauthorized vehicles not displaying distinguishing placards or license plates issued for physically handicapped persons may be towed away at owner's expense. Towed vehicles may be reclaimed at ____ or by telephoning ____."

In addition to the above requirements, the surface of each parking space shall have a surface identification sign duplicating the symbol of accessibility in blue paint of at least 3 square feet in size.

90.PLANNING. 6

USE - LOADING SPACES

RECOMMND

A minimum of one (1) loading space shall be provided in accordance with Section 18.12.a.(2)f(3).b. of Ordinance 348, and as shown on APPROVED EXHIBIT A. The loading spaces shall be surfaced with six (6) inches of concrete over a suitable base and shall not be less than 10 feet wide by 35 feet long, with 14 feet vertical clearance.

90.PLANNING. 11

USE - UTILITIES UNDERGROUND

RECOMMND

In accordance with General Plan Policy LU 13.5 all new or relocated electric and communication distribution lines shall be installed underground. If the permittee provides to the Department of Building and Safety and the Planning Department a definitive statement from the utility provider refusing to allow underground installation of the utilities they provide, this condition shall be null and

RECOMMND

void with respect to that utility.

90.PLANNING. 15 USE - TRASH ENCLOSURES

RECOMMND

One (1) trash enclosure which is adequate to enclose a minimum of two (2) bins shall be located as shown on the APPROVED EXHIBIT A, and shall be constructed prior to the issuance of occupancy permits. The enclosure shall be a minimum of six (6) feet in height and shall be made with masonry block and a solid gate which screens the bins from external view. Additional enclosed area for collection of recyclable materials shall be located within, near or adjacent to each trash and rubbish disposal area. The recycling collection area shall be a minimum of fifty percent (50%) of the area provided for the trash/rubbish enclosure(s) or as approved by the Riverside County Waste Management Department. All recycling bins shall be labeled with the universal recycling symbol and with signage indicating to the users the type of material to be deposited in each bin.

90.PLANNING. 19 USE - WALL & FENCE LOCATIONS

RECOMMND

Wall and/or fence locations shall be in conformance with the approved fencing plan.

90.PLANNING. 23 USE - SKR FEE CONDITION

RECOMMND

Prior to the issuance of a certificate of occupancy, or upon building permit final inspection, whichever comes first, the applicant shall comply with the provisions of Riverside County Ordinance No. 663, which generally requires the payment of the appropriate fee set forth in that ordinance.

The amount of the fee required to be paid may vary, depending upon a variety of factors, including the type of development application submitted and the applicability of any fee reduction or exemption provisions contained in Riverside County Ordinance No. 663. Said fee shall be calculated on the approved development project which is anticipated to be 1.49 acres (gross) in accordance with APPROVED EXHIBIT A. If the development is subsequently revised, this acreage amount may be modified in order to reflect the revised development project acreage amount. In the event Riverside County Ordinance No. 663 is rescinded,

RECOMMND

this condition will no longer be applicable. However, should Riverside County Ordinance No. 663 be rescinded and superseded by a subsequent mitigation fee ordinance, payment of the appropriate fee set forth in that ordinance shall be required.

90.PLANNING. 27 USE - ORD 810 O S FEE

RECOMMND

Prior to the issuance of a certificate of occupancy, or upon building permit final inspection prior to use or occupancy for cases without final inspection or certificate of occupancy (such as an SMP), whichever comes first, the applicant shall comply with the provisions of Riverside County Ordinance No. 810, which requires the payment of the appropriate fee set forth in the Ordinance. The amount of the fee will be based on the "Project Area" as defined in the Ordinance and the aforementioned Condition of Approval. The Project Area for Plot Plan No. 25248 is calculated to be 1.49 net acres. In the event Riverside County Ordinance No. 810 is rescinded, this condition will no longer be applicable. However, should Riverside County Ordinance No. 810 be rescinded and superseded by a subsequent mitigation fee ordinance, payment of the appropriate fee set forth in that ordinance shall be required.

90.PLANNING. 28 USE - ORD NO. 659 (DIF)

RECOMMND

Prior to the issuance of either a certificate of occupancy or prior to building permit final inspection, the applicant shall comply with the provisions of Riverside County Ordinance No. 659, which requires the payment of the appropriate fee set forth in the Ordinance. Riverside County Ordinance No. 659 has been established to set forth policies, regulations and fees related to the funding and installation of facilities and the acquisition of open space and habitat necessary to address the direct and cumulative environmental effects generated by new development project described and defined in this Ordinance, and it establishes the authorized uses of the fees collected.

The amount of the fee for commercial or industrial development shall be calculated on the basis of the "Project Area," as defined in the Ordinance, which shall mean the net area, measured in acres, from the adjacent road right-of-way to the limits of the project

development. The Project Area for Plot Plan No. 25248 has been calculated to be 1.49 net acres.

In the event Riverside County Ordinance No. 659 is rescinded, this condition will no longer be applicable. However, should Riverside County Ordinance No. 659 be rescinded and superseded by a subsequent mitigation fee ordinance, payment of the appropriate fee set forth in that ordinance shall be required.

90.PLANNING. 29 USE - LC LNDSCP INSPECT DEPOST

RECOMMND

Prior to building permit final inspection, the developer/permit holder shall file an Inspection Request Form and deposit sufficient funds to cover the costs of Installation, Six Month Establishment, and One Year Post-Establishment inspections. In the event that an open landscape case is not available, then the applicant shall open a FEE ONLY case to conduct inspections. The deposit required for landscape inspections shall be determined by the Riverside County Landscape Division. The Planning Department shall clear this condition upon determination of compliance.

90.PLANNING. 30 USE - LC COMPLY W/ LNDSCP/ IRR

RECOMMND

The developer/permit holder shall coordinate with their designated landscape representative and the Riverside County Planning Department's landscape inspector to ensure all landscape planting and irrigation systems have been installed in accordance with APPROVED EXHIBITS, landscaping, irrigation, and shading plans. The Planning Department will ensure that all landscaping is healthy, free of weeds, disease and pests; and, irrigation systems are properly constructed and determined to be in good working order. The developer/permit holder's designated landscape representative and the Riverside County Planning Department's landscape inspector shall determine compliance with this condition and execute a Landscape Certificate of Completion. Upon determination of compliance, the Planning Department shall clear this condition.

90. PRIOR TO BLDG FINAL INSPECTION

TRANS DEPARTMENT

90.TRANS. 1 USE - SIGNING & STRIPING

RECOMMND

A signing and striping plan is required for this project. The project proponent shall be responsible for any additional paving and/or striping removal caused by the striping plan or as approved by the Director of Transportation.

NOTE: Signing and striping plan along SH-74 right-of-way shall be submitted to Caltrans.

90.TRANS. 2 USE - WRCOG TUMF

RECOMMND

Prior to the issuance of an occupancy permit, the project proponent shall pay the Transportation Uniform Mitigation Fee (TUMF) in accordance with the fee schedule in effect at the time of issuance, pursuant to Ordinance No. 824.

90.TRANS. 3 USE STREETLIGHT AUTHORIZATION

RECOMMND

Prior to OCCUPANCY, the project proponent shall submit to Transportation Department Permits the following:

1. "Streetlight Authorization" form approved by L&LMD No. 89-1-C Administrator.
2. Letter establishing interim energy account from SCE, IID or other electric provider.

90.TRANS. 4 USE - STREETLIGHTS INSTALL

RECOMMND

Install streetlights along the streets associated with development in accordance with the approved street lighting plan and standards of County Ordinances 460 and 461.

Streetlight annexation into L&LMD or similar mechanism as approved by the Transportation Department shall be completed.

It shall be the responsibility of the developer to ensure that streetlights are energized along the streets associated with this development where the developer is seeking Building Final Inspection (Occupancy).

90. PRIOR TO BLDG FINAL INSPECTION

90.TRANS. 5

USE - EXISTING MAINTAINED

RECOMMND

SH-74 along project boundary is a paved Caltrans maintained road designated as an EXPRESSWAY and shall be improved with 8" concrete curb and gutter located 67 feet from centerline to curb line, 8" curbed landscape median and match up asphalt concrete paving; reconstruction; or resurfacing of existing paving as determined by Caltrans with the 92 foot half-width dedicated right-of-way in accordance with County Standard No. 87.

- NOTE:
1. An 8' sidewalk shall be constructed 9' from curb line to the right-of-way line within the 25' parkway.
 2. Submit improvement plan to Caltrans.
 3. Per this project's design, the driveway will be located entirely on the project proponent's property. However, if the adjacent property to the west develops, the driveway shall be relocated and centered on the property line between the two properties. Both properties shall share this future driveway. This note serves as a notice to the project proponent that the proposed driveway on SR-74 is considered interim to the future shared driveway described above.

90.TRANS. 6

USE - PART-WIDTH

RECOMMND

Ritter Avenue along project boundary is a paved County maintained road designated as a LOCAL ROAD and shall be improved with 32' part-width AC pavement (20' on project side and 12' on opposite side of centerline), 6" concrete curb and gutter; and match up asphalt concrete paving; reconstruction; or resurfacing of existing paving as determined by the Transportation Department within the 60 foot full-width dedicated right-of-way in accordance with County Standard No. 105, Section "C".

- NOTE:
1. A 5' sidewalk shall be constructed adjacent to the right-of-way line within the 10' parkway.
 2. A driveway shall be constructed per County Standard No. 207A, Ordinance 461.

T PLAN:TRANSMITTED Case #: PP25248

Parcel: 457-171-025

90. PRIOR TO BLDG FINAL INSPECTION

90.TRANS. 7

USE - UTILITY INSTALL

RECOMMND

Electrical power, telephone, communication, street lighting, and cable television lines shall be placed underground in accordance with Ordinance 460 and 461, or as approved by the Transportation Department. This also applies to existing overhead lines which are 33.6 kilovolts or below along the project frontage and between the nearest poles offsite in each direction of the project site.

A certificate should be obtained from the pertinent utility company and submitted to the Department of Transportation as proof of completion.

90.TRANS. 8

USE - ANNEX L&LMD/OTHER DIST

RECOMMND

Prior to issuance of an occupancy permit, the project proponent shall complete annexation to Landscaping and Lighting Maintenance District No. 89-1-Consolidated, and/or any other maintenance district approved by the Transportation Department or by processing and filing a 'Landscape Maintenance Agreement' through the Transportation Department Plan Check Division for continuous maintenance within public road rights-of-way, in accordance with Ordinance 461, Comprehensive Landscaping Guidelines & Standards, and Ordinance 859. Said annexation should include the following:

- (1) Landscaping along Ritter Avenue and SH-74.
- (2) Streetlights.
- (3) Street sweeping.

90.TRANS. 9

USE - IMP PLANS

RECOMMND

Improvement plans for the required improvements must be prepared and shall be based upon a design profile extending a minimum of 300 feet beyond the limit of construction at a grade and alignment as approved by the Riverside County Transportation Department.

NOTE: 1) Before you prepare the street improvement plan(s), please review the Street Improvement Plan Policies and Guidelines from the Transportation Department Web site: www.rctlma.org/trans/land_dev_plan_check_guidelines.html.

90.TRANS. 9 USE - IMP PLANS (cont.)

RECOMMND

- 2) For SH-74 improvements, please submit to Caltrans.

90.TRANS. 10 USE - LANDSCAPING COMM/IND

RECOMMND

Landscaping within public road right-of-way shall comply with Transportation Department standards and Ordinance 461 and shall require approval by the Transportation Department. Landscaping shall be improved within Ritter Avenue and SH-74.

Assurance of continuous maintenance is required by processing and filing a 'Landscape Maintenance Agreement' through the Transportation Department Plan Check Division; or if desired the developer may file an application for annexation into Landscaping and Lighting Maintenance District No. 89-1-Consolidated by contacting the Transportation Department at (951) 955-6767.

90.TRANS. 11 USE - CONSTRUCT RAMP

RECOMMND

Ramps shall be constructed at 4-way intersections and "T" intersections per Standard No. 403, sheets 1 through 7 of Ordinance 461.

90.TRANS. 12 USE - R-O-W DEDICATION 1

RECOMMND

Sufficient public street right-of-way along SH-74 shall be conveyed for public use to provide for a 92 foot half-width right-of-way per County Standard No. 87, Ordinance 461.

90.TRANS. 13 USE - LANDSCAPING

RECOMMND

The project proponent shall comply in accordance with landscaping requirements within public road rights-of-way, (or within easements adjacent to the public rights-of-way), in accordance with Ordinance 461, Comprehensive Landscaping Guidelines & Standards, and Ordinance 859.

Landscaping will be improved within Ritter Avenue and SH-74.

Carolyn Syms Luna
Director

RIVERSIDE COUNTY PLANNING DEPARTMENT

Memorandum

DATE: June 17, 2013
TO: Planning Commission
FROM: H. P. Kang, Project Planner
RE: Item No. 3.4 – Change of Zone No. 7793 and Plot Plan No 25248 (Family Dollar)

This memorandum is prepared to add information to or revise information contained in the previously prepared Staff Report:

1. Additional Findings:

- a. Although "Retail Store" is not specifically listed in the C-P-S zone, the proposed use is substantially the same in character and intensity as those listed uses in the C-P-S zone requiring a plot plan per Section 9.50.e (e.g., clothing store, candy store, drug store, Household goods sales, stationary store, convenience store). The operation of the Family Dollar is similar in hours of operation (8am to 10 pm), the number of trips generated (42 peak hour trips), and noise level of commercial nature.
- b. The potential air quality impacts resulting from the proposed project would not exceed emissions projected by the Air Quality element as identified in the Greenhouse Gas Review study dated April 15, 2013. They are below the emissions because the number of trips generated during peak hour and the construction phase falls below the threshold.
- c. Based on the size and proposed use, the project will not generate trips above the emissions (e.g., ROC, NO_x, CO, PM₁₀) threshold that was identified in the 2003 General Plan EIR. The proposed project will generate 42 peak hour trips as identified in the Transportation Review Study dated October 24, 2012. The Greenhouse Gas Review Study dated April 15, 2013 lists values far below the values identified in the 2003 EIR threshold.
- d. All projects must comply with 2011 Riverside County Congestion Management Program dated December 14, 2011.

2. Attachment: Two (2) correspondences were received in opposition to the project and they are as follows:

Ms. Virginia Shay – 25891 Ritter Avenue (traffic, economic impact, and safety)

Hari Om Shiv, Inc. (Mr. Bharat Natel) – 31770 Highway 74 "A. P. Market" (economic impact, and safety)

Riverside County Planning Department

Attention: H P. Kang

P.O. Box 1409

Riverside, CA 92502

RECEIVED
JUN 17 2013

ADMINISTRATION
RIVERSIDE COUNTY
OF ANIMATED DOCUMENTS

We are hereby stating our objection to this proposal in its entirety. We are a residence that is adjoining this property at 25891 Ritter Avenue, lived here since 1965, do not want another commercial residence bordering my property. The commercial site next to me has in the past created more problems than any other residence in recent years.

Requested actions:

Delay in decision until all of Homeland is mailed this information as well as all the planning documents and studies involved, or a town meeting where all concerns can be voiced, not in Riverside where many cannot travel.

Require a traffic impact statement

Require a Highway Patrol and Sheriff's Office impact statement since that is our source of protection

Require they consider other sites not bordered on three sides by residential, other sites that are available do not impinge on individual residential space as this plan. They have a store five miles away, require justification of one the close.

Require an impact statement of how the current business, many in the same business will be affected, this is a very small community it cannot support another store of this genre, if this comes, others will go out of business, so how does this business assist the community?

Require justification of 42 parking sites, only one spot in all of Homeland has that much parking, and it is an entertainment venue, only open periodically. A site this large is relying on drive through traffic in order to survive. Flow through traffic is traveling at 50 mph, this site is right after the Post Office, which is the most used site in Homeland, and one with the most fatalities anywhere around, a report must address these issues.

Requirement of a signal light if this project is approved, require more proper signage for Ritter, which is one of the most difficult streets to find and enter already.

Require a 24-hour security guard, with walled fences and cameras where it abuts all residential property in Homeland if it is approved. All crime will radiate from too much empty parking and no one to monitor the situation after the store is closed. Require all store lights to have no impact where it borders residential space.

ADMINISTRATION
RIVERSIDE COUNTY
PLANNING DEPARTMENT

Subject: Change of zone No.7793 and plot No. 25248. Third/Fifth Supervisorial District
Location: Northwest corner of Ritter Avenue and Highway 74. Applicant:- Boos
Development West. LLC

Respected Sir,

With reference to above subject, we propose our objection and our concerns
hereunder as well as others which may be raised by us in future.

We have a retail family business nearby the subject plot area within 700 feet
vicinity. There are other 4 or more retail facilities within half mile or 2 mile area. These
businesses are breadwinner for the small family business owners.

Here in present case, subject land owner accepted the zoning code of the area
without raising any objection against the R.R. zoning of the said land. And there after,
they obtain permission for constructing family residences by dividing the said land into
different plots. According to this permission, they constructed family housing and sold
some plots for residential use and thereby take advantage of the said zoning. Developers

failed to complete or satisfy the terms and conditions of the original permit granted for construction of a family house and few plots were left open and thus fail to comply with the permission granted for constructing the R.R. residence. Now after many years passed, the developer firm asked for the change of zone in respect of few i.e. 4 or 5 plots of the said R. R Plots land and applied for the zone change permission to construct subject project. Therefore, the applicant's application is barred by law of limitation, law of waiver, law of acquiescence, delay and latches.

The change of zoning should not be allowed for satisfying the needs and personal desires of the subject land owner. Originally, the owner of the plot had purchased the said plot area after proper verification of the zoning situation. Applicants failed to show the urgent needs or circumstances for changing the zoning. There is no inordinate economic burden or hardship caused to applicants due to present zoning regulations if they are not allowed to open their facility. They have enough facilities within 5-10 mile radius. Moreover, they might have enough financial capacity to buy the land in the commercial zoning area. There are enough retail business facilities providing similar service here and after to the community since more than 20 years in the subject area that may be enough for satisfying the needs of the society. Thus, if the permission is not granted to the applicants, there will be no irreparable loss to them. However, if subject application is granted, it will cause irreparable loss to the local businesses and the residents of the area. It will affect the economic growth of the area and will impair the desirability of investment or occupation in the vicinity due to the fact that there are many existing small retail businesses and residential uses.

It will create significant effect on noise, environment, traffic, and nuisance in the area. The ratio of traffic accidents will increase due to the commercial activity in the residential zone. Criminal activity had occurred in this area before, and this change of zoning will increase the rate of such activities. The proposed project will adversely affect matters regarding security, police protection, and crime prevention. This will also create significant effect on traffic congestion and noise nuisance because the residential use will likely create more traffic and noise than commercial use. Thus, change of zoning poses the threat to the health and safety of the neighborhood.

Also, if the subject application is granted, major disturbance will be caused to the calculation of zoning which will decrease the availability of the residential plots. This will disturb the ratio of housing calculation in the zone of which zoning was enacted.

Before processing the subject application, planning department should obtain the consent of the people who are to be most affected by the modification sought by the applicant. Specific affected residents and owner of the small businesses around the vicinity had not been notified about the agenda of the meeting. Local council had not approached the local community (within 1 mile of the proposed project) who are affected with this change and proper opportunity was not given to those who are affected.

Under the foresaid circumstance, the subject application is not tenable in law and unsafe for local community in terms of safety (criminal activities), traffic, and noise nuisance. The planning department has not acted as per the rules, regulation, and law of the county, state and federal. It is also against the principle of natural justice, equity, and good conscience. The department should act fairly, impartially, and in bonafied manner.

It is not a special case. It is not rarest and rare case. General code and zone code was created as a vision of the Riverside County and should be treated as the constitution of the Riverside County. Without any special circumstances, needs, or emergencies, zoning should not be changed. Thus, special privilege should not be given to the applicants for their reasons that do not justify a changing in zoning.

Under the circumstance, no project should be allowed to construct and no zoning change should be granted in the interest of justice and in the interest of the affected people by the alleged act.

31190 HWY 74
Homeland, Ca, 92548

Riverside County Administrative Center
Board Chambers, 1st Floor
4080 Lemon Street
Riverside, Ca 92501

Dear Sir or Madam,

I own a Liquor store in homeland and I am concerned about the new Dollar Store project. There are 7 stores within 3 miles which include 3 gas stations and 4 convenience stores. Hence, there is no need for another retail store at this location. If this project does go through it will increase the traffic in this area which has already been a problem with 10 people dying in the last 9 years by accidents. Furthermore, this retail store will be bad of all businesses in this area. It can actually cause some store to be completely out of business to the point where they might close down. These businesses have been serving the homeland community for many years and it would be unfair to them.

Thanks for your time.

Sincerely,
Surjit Buttar

RECEIVED
JAN 09 2013
ADMINISTRATION
RIVERSIDE COUNTY
PLANNING DEPARTMENT

Family Dollar SR-74 and Ritter Avenue Intersection

Mr. Kang,

We have completed our review for the above project located on 1.49 acres inside an 8,320 square feet building on the northwest corner of Highway-74 and Ritter Avenue in the Community of Homeland.

As the owner and operator of the State Highway System (SHS), it is our responsibility to coordinate and consult with local jurisdictions when proposed development may impact our facilities. As the responsible agency under the California Environmental Quality Act (CEQA), it is also our responsibility to make recommendations to offset associated impacts with the proposed project. Although the project is under the jurisdiction of the County of Riverside due to the Project's potential impact to State facilities it is also subject to the policies and regulations that govern the SHS.

We recommend the following to be provided:

Traffic Study

- Why does the project provide for four lanes in the westbound direction? If it is the County requirement, please provide the striping detail.
- The raised curb at the left turn pocket to Ritter Avenue will be constructed by Caltrans project (Raised median project). This project needs to provide setback for right of way for raised median in the future.

ADA

- A 5ft left shoulder shall be provided per Caltrans HDM, topic 302.1.
- Please specify what type of 4" concrete median curb is proposed.
- Per HDM 105.5, dual curb ramps should be provided.

Mr. Kang

Page 2

We appreciate the opportunity to offer comments concerning this project. If you have any questions regarding this letter, please contact Talvin Dennis at (909) 383-6908 or myself at (909) 383-4557 for assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel Kopulsky", with a stylized flourish at the end.

P. O. Box No. 1409
Riverside, CA 92502-1409

RE: **Plot Plan (PP) No. 25248**

Proposal: The PP proposes to develop a 8,239 square foot retail store

APNs: 457-171-020;-024;-025

Dear Mr. Kang:

The Riverside County Waste Management Department (Department) has reviewed the proposed project located north of Highway 74, south of Ritter Street, and east of Homeland Avenue, in the Harvest Valley/Winchester Area Plan. In order to mitigate the project's potential solid waste impacts and to help the County's efforts to comply with State law in diverting solid waste from landfill disposal, the Department is recommending that the following conditions be made a part of any Conditions of Approval for the project:

1. **Prior to issuance of a building permit**, the applicant shall submit three (3) copies of a Recyclables Collection and Loading Area plot plan to the Riverside County Waste Management Department for review and approval. The plot plan shall conform to ***Design Guidelines for Recyclables Collection and Loading Areas***, provided by the Waste Management Department, and shall show the location of and access to the collection area for recyclable materials, along with its dimensions and construction detail, including elevation/façade, construction materials and signage. The plot plan shall clearly indicate how the trash and recycling enclosures shall be accessed by the hauler.
2. **Prior to final building inspection**, the applicant shall construct the recyclables collection and loading area in compliance with the Recyclables Collection and Loading Area plot plan, as approved and stamped by the Riverside County Waste Management Department.
3. **Prior to issuance of a building permit**, A Waste Recycling Plan (WRP) shall be submitted to the Riverside County Waste Management Department for approval. At a minimum, the WRP must identify the materials (i.e., concrete, asphalt, wood, etc.) that will be generated by demolition, construction and development, the projected amounts, the measures/methods that will be taken to recycle, reuse, and/or reduce the amount of materials, the facilities and/or haulers that will be utilized, and the targeted recycling or reduction rate. During project construction, the project site shall have, at a minimum, two (2) bins: one for waste disposal and the other for the recycling of Construction and Demolition (C&D) materials. Additional bins are encouraged to be used for further source separation of C&D recyclable materials. Accurate record keeping (receipts) for recycling of C&D recyclable materials and solid waste disposal must be kept. Arrangements can be made through the franchise hauler.

4. **Prior to issuance of an occupancy permit**, evidence (i.e., receipts or other type of verification) to demonstrate project compliance with the approved WRP shall be presented by the project proponent to the Planning Division of the Riverside County Waste Management Department in order to clear the project for occupancy permits. Receipts must clearly identify the amount of waste disposed and Construction and Demolition (C&D) materials recycled.
5. Hazardous materials are not accepted at Riverside County landfills. In compliance with federal, state, and local regulations and ordinances, any hazardous waste generated in association with the project shall be disposed of at a permitted Hazardous Waste disposal facility. Hazardous waste materials include, but are not limited to, paint, batteries, oil, asbestos, and solvents. For further information regarding the determination, transport, and disposal of hazardous waste, please contact the Riverside County Department of Environmental Health, Environmental Protection and Oversight Division, at 1.888.722.4234.
6. Use mulch and/or compost in the development and maintenance of landscaped areas within the project boundaries. Recycle green waste through either onsite composting of grass, i.e., leaving the grass clippings on the lawn, or sending separated green waste to a composting facility.
7. Consider xeriscaping and using drought tolerant/low maintenance vegetation in all landscaped areas of the project.

Thank you for the opportunity to review this proposal. If you have any questions, please call me at (951) 486-3200.

Sincerely,

Ryan Ross
Principal Planner

Riverside County
Planning Department
County Administrative Center
Riverside, California

DEC 12 2012

Attention: H. P. Kang

Ladies and Gentlemen:

Re: Change of Zone 7793
Area: Homeland/Romoland

We have reviewed this case and have the following comments:

The proposed zoning is consistent with existing flood hazards. Some flood control facilities or floodproofing may be required to fully develop to the implied density.

Questions concerning this matter may be referred to Shaheen Mooman of this office at 951.955.1318.

Very truly yours,

HENRY OLIVO
Engineering Project Manager

Operational Statement
Family Dollar
Ritter & HWY 74, Homeland, CA

Boos Development West, LLC. is working with Family Dollar to build an 8320 square foot retail store in Riverside County. Family Dollar provides their customers with a mix of quality name brand products from consumable products such as household paper products and expanded food assortment, to treasures for every home and even quality apparel for men, woman and children. They also offer a mix of seasonal products, greeting cards, & gift-wrap, with an emphasis on convenience to the customer.

The Family Dollar facilities are designed to provide a safe environment for patrons and employees. To that end, the following design elements are incorporated into the security plan: Adequate lighting levels both on the interior and exterior of the store, employee supervision of the facility, closed circuit video monitoring system, with camera located strategically throughout the property, and careful window sign and landscaping placement to avoid obstruction of visibility into and out of the facility.

Family Dollar is expanding to the California market & this location will be one of the first ground up stores constructed in Riverside County. Family Dollar will receive regular weekly deliveries, typically loading and unloading from a WB-67 type delivery truck. There will be one weekly delivery to the store during normal operating hours. The standard hours of operation are Monday through Sunday 8am – 10pm. Each Family Dollar store employs one manager, 1-2 assistant managers, & 5-7 additional employees depending on location.

No hazardous material or waste will be produced during the construction of this project or during the normal operation of the Family Dollar store.

Boos Development West, LLC believes that a new retailer such as Family Dollar would be a welcome use to this area of the County. Should staff have any questions or concerns regarding this application, please do not hesitate to contact Kristi Kandel (714-316-8678) at any time.

Sincerely,

Kristi L Kandel

APPLICATION FOR CHANGE OF ZONE

CHECK ONE AS APPROPRIATE:

☒ **Standard Change of Zone**

There are three different situations where a Planning Review Only Change of Zone will be accepted:

- ☐ **Type 1:** Used to legally define the boundaries of one or more Planning Areas within a Specific Plan.
- ☐ **Type 2:** Used to establish or change a SP zoning ordinance text within a Specific Plan.
- ☐ **Type 3:** Used when a Change of Zone application was conditioned for in a prior application.

INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED.

APPLICATION FOR CHANGE OF ZONE

If the property is owned by more than one person, attach a separate page that reference the application case number and lists the names, mailing addresses, and phone numbers of all persons having an interest in the real property or properties involved in this application.

The Planning Department will primarily direct communications regarding this application to the person identified above as the Applicant. The Applicant may be the property owner, representative, or other assigned agent.

AUTHORIZATION FOR CONCURRENT FEE TRANSFER

The signature below authorizes the Planning Department and TLMA to expedite the refund and billing process by transferring monies among concurrent applications to cover processing costs as necessary. Fees collected in excess of the actual cost of providing specific services will be refunded. If additional funds are needed to complete the processing of your application, you will be billed, and processing of the application will cease until the outstanding balance is paid and sufficient funds are available to continue the processing of the application. The applicant understands the deposit fee process as described above, and that there will be NO refund of fees which have been expended as part of the application review or other related activities or services, even if the application is withdrawn or the application is ultimately denied.

Boos Development West, LLC (Kristi Kandel)

Project Applicant

701 N. Parkcenter Drive, Suite 110, Santa Ana, CA 92705

Address

The project is located at the northwest corner of Ritter Avenue and Highway 74 in the community of Homeland.

Project Location

The plot plan proposes an 8,239 square foot stand alone retail store (Family Dollar) on approximately 1.5 acres with 42 parking spaces. Additionally a change of zone is also being proposed for the subject property from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General Plan designation of Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio).

Project Description

This is to advise that the Riverside County Board of Supervisors, as the lead agency, has approved the above-referenced project on _____ and has made the following determinations regarding that project:

1. The project WILL NOT have a significant effect on the environment.
2. A Negative Declaration was prepared for the project pursuant to the provisions of the California Environmental Quality Act (\$2,156.25 + \$50.00).
3. Mitigation measures WERE NOT made a condition of the approval of the project.
4. A Mitigation Monitoring and Reporting Plan/Program WAS NOT adopted.
5. A statement of Overriding Considerations WAS NOT adopted for the project.

This is to certify that the Mitigated Negative Declaration, with comments, responses, and record of project approval is available to the general public at: Riverside County Planning Department, 4080 Lemon Street, 12th Floor, Riverside, CA 92501.

NOTICE OF PUBLIC HEARING BEFORE THE BOARD OF SUPERVISORS OF RIVERSIDE COUNTY ON A CHANGE OF ZONE AND PLOT PLAN, THIRD AND FIFTH SUPERVISORIAL DISTRICT, AND NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

NOTICE IS HEREBY GIVEN that a public hearing at which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on **Tuesday, July 30, 2013 at 10:30 A.M.** or as soon as possible thereafter, to consider the application submitted by Boos Development West, LLC (Kristi Kandel) on **Change of Zone No. 7793**, which proposes to change the zone from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General Plan designation of Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio), or such other zones as the Board may find appropriate; and, **Plot Plan No. 25248**, which proposes an 8,239 square foot stand alone retail store (Family Dollar) on approximately 1.5 acres with 42 parking spaces ("the project"). The project is located northwest corner of Ritter Avenue and Highway 74, Third and Fifth Supervisorial District.

The Planning Commission recommended that the Board of Supervisors approve the project and adopt the Mitigated Negative Declaration for **Environmental Assessment No. 42556**.

The project case file may be viewed from the date of this notice until the public hearing, Monday through Thursday, from 7:30 a.m. to 5:30 p.m. at the Clerk of the Board of Supervisors at 4080 Lemon Street, 1st Floor, Riverside, California 92501, and at the Riverside County Planning Department at 4080 Lemon Street, 12th Floor, Riverside, California 92501.

FOR FURTHER INFORMATION REGARDING THIS PROJECT, PLEASE CONTACT H.P. KANG, PROJECT PLANNER, AT (951) 955-1888 OR EMAIL hpkang@rctlma.org.

Any person wishing to testify in support of or in opposition to the project may do so in writing between the date of this notice and the public hearing, or may appear and be heard at the time and place noted above. All written comments received prior to the public hearing will be submitted to the Board of Supervisors and the Board of Supervisors will consider such comments, in addition to any oral testimony, before making a decision on the project.

If you challenge the above item in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence to the Planning Commission or Board of Supervisors at, or prior to, the public hearing. Be advised that as a result of the public hearing and the consideration of all public comment, written and oral, the Board of Supervisors may amend, in whole or in part, the project and/or the related environmental document. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the project, may be changed in a way other than specifically proposed.

Please send all written correspondence to: Clerk of the Board, 4080 Lemon Street, 1st Floor, Post Office Box 1147, Riverside, CA 92502-1147

PROPERTY OWNERS CERTIFICATION FORM

I, VINNIE NGUYEN, certify that on 4/24/2013.

The attached property owners list was prepared by Riverside County GIS.

APN (s) or case numbers C207793/PP25248 For

Company or Individual's Name Planning Department.

Distance buffered 600'.

Pursuant to application requirements furnished by the Riverside County Planning Department, Said list is a complete and true compilation of the owners of the subject property and all other property owners within 600 feet of the property involved, or if that area yields less than 25 different owners, all property owners within a notification area expanded to yield a minimum of 25 different owners, to a maximum notification area of 2,400 feet from the project boundaries, based upon the latest equalized assessment rolls. If the project is a subdivision with identified off-site access/improvements, said list includes a complete and true compilation of the names and mailing addresses of the owners of all property that is adjacent to the proposed off-site improvement/alignment.

I further certify that the information filed is true and correct to the best of my knowledge. I understand that incorrect or incomplete information may be grounds for rejection or denial of the application.

NOTICE OF PUBLIC HEARING BEFORE THE BOARD OF SUPERVISORS OF RIVERSIDE COUNTY ON A CHANGE OF ZONE AND PLOT PLAN, THIRD AND FIFTH SUPERVISORIAL DISTRICT, AND NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

NOTICE IS HEREBY GIVEN that a public hearing at which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on **Tuesday, July 30, 2013 at 10:30 A.M.** or as soon as possible thereafter, to consider the application submitted by Boos Development West, LLC (Kristi Kandel) on **Change of Zone No. 7793**, which proposes to change the zone from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General Plan designation of Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio), or such other zones as the Board may find appropriate; and, **Plot Plan No. 25248**, which proposes an 8,239 square foot stand alone retail store (Family Dollar) on approximately 1.5 acres with 42 parking spaces ("the project"). The project is located northwest corner of Ritter Avenue and Highway 74, Third and Fifth Supervisorial District.

The Planning Commission recommended that the Board of Supervisors approve the project and adopt the Mitigated Negative Declaration for **Environmental Assessment No. 42556**.

The project case file may be viewed from the date of this notice until the public hearing, Monday through Thursday, from 7:30 a.m. to 5:30 p.m. at the Clerk of the Board of Supervisors at 4080 Lemon Street, 1st Floor, Riverside, California 92501, and at the Riverside County Planning Department at 4080 Lemon Street, 12th Floor, Riverside, California 92501.

FOR FURTHER INFORMATION REGARDING THIS PROJECT, PLEASE CONTACT H.P. KANG, PROJECT PLANNER, AT (951) 955-1888 OR EMAIL hpkang@rctlma.org.

Any person wishing to testify in support of or in opposition to the project may do so in writing between the date of this notice and the public hearing, or may appear and be heard at the time and place noted above. All written comments received prior to the public hearing will be submitted to the Board of Supervisors and the Board of Supervisors will consider such comments, in addition to any oral testimony, before making a decision on the project.

If you challenge the above item in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence to the Planning Commission or Board of Supervisors at, or prior to, the public hearing. Be advised that as a result of the public hearing and the consideration of all public comment, written and oral, the Board of Supervisors may amend, in whole or in part, the project and/or the related environmental document. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the project, may be changed in a way other than specifically proposed.

Please send all written correspondence to: Clerk of the Board, 4080 Lemon Street, 1st Floor, Post Office Box 1147, Riverside, CA 92502-1147

NOTICE OF PUBLIC HEARING BEFORE THE BOARD OF SUPERVISORS OF RIVERSIDE COUNTY ON A CHANGE OF ZONE AND PLOT PLAN, THIRD AND FIFTH SUPERVISORIAL DISTRICT, AND NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

NOTICE IS HEREBY GIVEN that a public hearing at which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on **Tuesday, July 30, 2013 at 10:30 A.M.** or as soon as possible thereafter, to consider the application submitted by Boos Development West, LLC (Kristi Kandel) on **Change of Zone No. 7793**, which proposes to change the zone from Rural Residential (R-R) to Scenic Highway Commercial (C-P-S) to be consistent with existing General Plan designation of Community Development: Commercial Retail (CD:CR) (0.2 to 0.35 Floor Area Ratio), or such other zones as the Board may find appropriate; and, **Plot Plan No. 25248**, which proposes an 8,239 square foot stand alone retail store (Family Dollar) on approximately 1.5 acres with 42 parking spaces ("the project"). The project is located northwest corner of Ritter Avenue and Highway 74, Third and Fifth Supervisorial District.

The Planning Commission recommended that the Board of Supervisors approve the project and adopt the Mitigated Negative Declaration for **Environmental Assessment No. 42556**.

The project case file may be viewed from the date of this notice until the public hearing, Monday through Thursday, from 7:30 a.m. to 5:30 p.m. at the Clerk of the Board of Supervisors at 4080 Lemon Street, 1st Floor, Riverside, California 92501, and at the Riverside County Planning Department at 4080 Lemon Street, 12th Floor, Riverside, California 92501.

FOR FURTHER INFORMATION REGARDING THIS PROJECT, PLEASE CONTACT H.P. KANG, PROJECT PLANNER, AT (951) 955-1888 OR EMAIL hpkang@rctlma.org.

Any person wishing to testify in support of or in opposition to the project may do so in writing between the date of this notice and the public hearing, or may appear and be heard at the time and place noted above. All written comments received prior to the public hearing will be submitted to the Board of Supervisors and the Board of Supervisors will consider such comments, in addition to any oral testimony, before making a decision on the project.

If you challenge the above item in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence to the Planning Commission or Board of Supervisors at, or prior to, the public hearing. Be advised that as a result of the public hearing and the consideration of all public comment, written and oral, the Board of Supervisors may amend, in whole or in part, the project and/or the related environmental document. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the project, may be changed in a way other than specifically proposed.

Please send all written correspondence to: Clerk of the Board, 4080 Lemon Street, 1st Floor, Post Office Box 1147, Riverside, CA 92502-1147
