SUBJECT: First Amendment to National Pollutant Discharge Elimination System
Urban Runoff Discharge Implementation Agreement for Santa Ana
Region (Santa Ana Drainage Area)
Districts 1,2,3,5

DATE: August 28, 2013
Page 2

BACKGROUND: (continued)

The MS4 Permit requires the Permittees (Riverside County Flood Control and Water Conservation District, the County of Riverside, and the Cities of Beaumont, Calimesa, Canyon Lake, Corona, Eastvale, Hemet, Lake Elsinore, Menifee, Moreno Valley, Murrieta, Norco, Perris, Riverside, San Jacinto, and Wildomar) to annually review their Implementation Agreement (Agreement) and determine the need for any revisions. Since the recently adopted MS4 Permit amendment added the Cities of Jurupa Valley and Eastvale as Permittees, designated the San Diego Regional Board as the regulating authority for the Cities of Murrieta and Wildomar, and designated the Santa Ana Regional Board as the regulating authority for the entire City of Menifee for matters pertaining to MS4 permitting, the Implementation Agreement for the Santa Ana Drainage Area needs to be amended to reflect the recently updated Santa Ana Region MS4 Permit.

A companion item appears on the District's agenda this same date.

FINANCIAL:

The approval of this Amendment will not result in any additional cost to the County from the execution of the original Agreement.
