Subject: Road closing at Gernert/Poarch/Watkins
Attachments: RCTC Protest; CRANOR RCTC ADDENDUM; Cranor Protest closing Gernert-Poarch

Dear Supervisor Ashley,

I live at 20682 Hilltop Drive, Riverside 92507 and am directly affected by the proposal to close Gernert Road/Poarch Road empties onto Watkins Drive. I belatedly learned of the intentional to close this entrance just last week. I now have a copy Submittal to the Board of Supervisors for the meeting of August 20. This will substantially and adversely impact about 10 as well the members of the general public that utilize Gernert Road as a bypass to the freeway when it is backed up or we are late to work.

The Submittal asserts that there were no objections to this closing ["RCTC did not receive public comments opposing the closure of the Poarch Road Crossing in their EIR." (p. 2)] This is simply false. I have attached to this email two letters Edda Rosso of RCTC protesting this action. The first letter was sent January 10, 2011, and the second January 11, 2011.

There are several problems with the process. First, to my knowledge we never received a public notice that this would but had to glean it from newspaper stories. Second, apparently my letters never received attention that in fact the crossing would substantially adversely affect the residents of the Box Springs Mountain area serving Gernert/Poarch/Hilltop. Third, the fact that the Submission says no one opposed it supports the previous point.

Fourth, I understand from Paul Russell that in fact there will be road gates at the crossing to control traffic when trains arrive at that point, but **THEY WILL BE LOCKED**. More than 2 years ago I proposed that there should be gates at that point with short, slow-moving metrolink trains using the tracks and probably occasionally the slow-moving freight trains that should be to control traffic without undue risks to cars that happen to be stopped on the Watkins side of the gates when down. If you plan to put in the gates in any case, it seems to be the height of foolishness to lock them when they open to protect cars from trains when they were in the crossing.

Beyond this as I pointed out more than two years ago there are substantial adverse impacts on the residents of Poarch/Hilltop say nothing about other users of the road from Crowley Lane, Moreno Valley, and beyond.

Just for the residents of Poarch/Hilltop here are some of the adverse effects, updated from two years ago:

"Because of the closing of the Poarch/Watkins crossing those of us who live on Poarch or Hilltop would have to drive nearly (6) additional miles per round trip from our homes. It appears from the internet literature that 'city' planners assume that a family home makes between 9.5 and 13 trips per day. As many trips as 9.5 would result in our driving an extra 57 miles per day, while 13 trips per day would result in an extra 78 miles of driving per day. Over the course of a year this translates to 20,805 miles per year (9.5*365) up to 28,370 miles per year. Over a ten-year period the extra driving would amount to 208,050 up to 283,700 miles during that time. This would wear out several cars just from the EXTRA DRIVING. This, of course, takes into account the additional wear and tear of driving on the rough Gernert road." In addition to these factors in the approximate cost of the extra driving, using IRS numbers for the per-mile total costs of driving a car (\$0.50 per mile) this would amount to the following: For one year this would amount to \$11,754.82 up to \$16,029.05 for our family. Over a ten-year period these totals become \$117,548.20 up to \$160,290.50. If, over time, the full costs of driving increase to \$0.60 per mile because of inflation and costs of gasoline, these numbers become \$12,843 (20,805*.60) up to \$17,044 (28370*.6) in a given year. THIS IS JUST THE AMOUNT FOR EXTRA DRIVING NECESSITATED BY HAVING A CROSSING GATE AT POARCH/WATKINS THAT CAN BE DROPPED WHEN THE TRAIN IS APPROACHING.

9.3

If there are as your submission indicates 10 families affected by closing the crossing, the costs to individual home owners quite substantial: 10 families times the costs of one family become \$117,548.2 up to \$160,290.50 PER YEAR for all 4. Over a 10-year period the total costs are 10 times higher for those families—more than \$1 million dollars.

None of this accounts for the extra wear and tear on our cars by having to drive the extra 6 miles per round trip mainly on unimproved and rough Gernert Road. Gernert also periodically washes out during times of heavy rains.

I have had to write this letter in a rush because I am on a panel being reviewed for a jury in Riverside Superior Court. My schedule this may also prevent me from attending your meeting tomorrow, but if at all possible I will try to attend.

Please consider the substantial adverse effects on local residents and other public users of Gernert/Poarch/Hilltop and do not delay the grade crossing at Gernert/Poarch-Watkins.

Sincerely yours,

Carl F. Cranor

Subject: FW: Closure of Gernert Road/Poarch Road at grade crossing

Good Morning Juan,

Here is an email I received yesterday in response to the posting we made on Poarch Road. This is the only response I have received directly since the posting. Please let me know if you have any questions.

Thank you,

Greg

Subject: Closure of Gernert Road/Poarch Road at grade crossing

September 9, 2013

County Board of Supervisors
County of Riverside Transportation Department

Dear Mr. Gregory Ehe,

We are writing in response to the County of Riverside Transportation Department's notification of the closure of Gernert/Poarch Road at the grade crossing adjacent Watkins Drive due to the Perris Valley Rail project. We as homeowners, that have driven this road for over 30 years will be directly impacted and harmed by this action.

There are many adverse consequences that will accrue, which include but not limited to:

- Fire Department response time

- Our ability to evacuate fast and safely in the event of a fire (high fire danger area)
- Law Enforcement capability and response time due to locked gates
- Ambulance and Emergency Medical Response
(life threatening- no keys, not knowing there is a new locked gate)
- Postal delivery, UPS, FedEx, DHL and others carriers
- Waste Management (trash pick up cost)
- Decrease in property value due to limited access (only from Moreno Valley)
- Homeowners Fire Insurance, due to the lack of access for emergency response.
- The added time and cost to drive extra miles per day to work, school, shop for food and conduct normal daily life.

There exists the technology and the County of Riverside Transportation Department has qualified engineers that could design and install a traffic signal at the intersection of Poarch Road/Watkins Drive /State Route 60 Freeway westbound on-ramp that could control the traffic flow which would mitigate the need for the closure of the grade crossing.

It is stated that the reason for the closure is for “public safety”, which seems in direct conflict with our safety and the ability to use the access road to our homes which we have done for more than 30 years.

Respectively,

Robin and Alan Ablott
10870 Pettegrew Road

Ablottthunder@aol.com

Petition to the Riverside County Board of Supervisors:

Against Closing Poarch/Gernert Road at Watkins

The 270+ people who have signed the petition will be harmed in various ways by Riverside County's closing of Poarch/Gernert Road where it currently intersects Watkins Drive. There are obvious alternatives to the permanent closing of this entrance onto Watkins Drive, including no changes or the installation of a railroad-crossing gate or the installation of flashing lights on each side of the railroad track at this location. We understand that this will be done for all other crossings of the Perris Valley Metro Link extension. We are concerned you do not understand the full consequences of the proposal.

HARM TO RESIDENTS.

We have already been harmed because we had no or poor notice of this permanent closing of access to our properties; this hampers our ability to respond: Some of us are learning for the first time that the Watkins entrance to Poarch/Gernert Road will be closed permanently except for emergency vehicles. Until this last week we never received a public notice that this would occur. A few had heard of this earlier from employees in the Riverside County Planning or Transportation Departments, or from news stories. For an action of this magnitude on residents this is unfair. Is it in violation of legal procedures?

We will be harmed in many other ways if this entrance to Gernert Road/Poarch Road is approved:

- The Poarch/Gernert access has been a publicly used road since the mid-1940s. Most of us purchased in the Box Springs Mountains area because it was easily accessible to Riverside, but quiet.
- Presently to go from one side of the railroad tracks to Watkins heading westbound we have to drive **65 feet**. If this is closed, we will have drive **three (3) extra miles** on every one-way trip to reach the same point.
- Residents of Poarch Road/Hilltop Drive will have to drive six (6) additional miles per round trip from our homes. City planners assume that all the drivers in a **single family home average 9.5 to 13 round trips per day**. Nine and one-half round trips per day would require a household to drive 57 (6*9.5) **extra miles per day**; 13 trips would require driving an **extra 78 (6*13) miles per day**. Pettigrew households will have about **4 extra round-trip miles per outing**.
- This is **20,805 EXTRA miles per year (9.5*6*365) up to 28,370 EXTRA miles per year (13*6*365)**. For the 10 families on Poarch/Hilltop the **extra driving** would amount to 208,050 up to 283,700 miles—**equaling the distance to the moon**. This constitutes EXTRA DRIVING to reach our destinations. For the 10 families that access Watkins and the freeway off Poarch/Gernert **ten-year's extra driving** will range from 2,080,500 up to 2,837,000 miles. Pettigrew residents heading westbound would have about 2/3 the extra driving.
- Using IRS numbers for the per-mile **total costs** of driving a car (\$0.565/mile) **FOR ONE FAMILY this would amount to \$11,754.82 up to \$16,029.05 per year. FOR 10 FAMILIES this would amount to \$117,548.20 up to \$160,290.50 per year. Over a 10-year period the total costs for 10 families would range from \$1,175,482 up to \$1,602,905**. Pettigrew residents heading westbound would have about 2/3 the extra driving costs.
- Warrantees or leases on new vehicles will expire much quicker because of extra driving.

Submitted by Carl Cramer

9/10/13 Item 9-3
(date)

- If the full costs of driving a car **increase to \$0.60 per mile** because of inflation, these numbers become **\$12,843** (20,805*\$0.60) to **\$17,044** (28,370*\$0.60) **per family per year** (2/3 this amount for Pettigrew households). **They become 100 times greater for 10 families over 10 years.**
- These are the total costs just for **EXTRA DRIVING NECESSITATED** by the proposed action by the Riverside County Supervisors closing the Poarch/Gernert access to Watkins Drive.
- Residents on Pettigrew or in west Moreno Valley will not be able to shorten trips or skirt clogged freeways early in the morning by crossing to Watkins off Gernert. This is the reason many of those residents signed the petition. Gernert is a very “slippery” road because of gravel and has quite a dangerous corner, both inviting accidents.
- **Cars will deteriorate faster because of trips on the rough Gernert road (about 2 miles each round trip) that is sometimes closed because of rain washouts. Even if Gernert were paved from Moreno Valley to the gate at Watkins (which would ease some of the burden), this does not avoid the costs of EXTRA driving.**
- While there are some provisions for emergency vehicles, this does little to mitigate problems for residents. Some live with heart conditions that may need emergency help; if delayed, this could be fatal. Some must go to hospitals frequently and must not miss appointments, but having to use the less predicable freeway (with no alternatives via Watkins to Blaine or Iowa) will face difficulties. Some have disabled adult children that may need more ready or quicker access. Some may have fragile health because of recent heart surgery.
- **Homes will be vastly more isolated.** We understand that fire departments ordinarily require more than one access to properties in order to have escape routes. Because homeowners will be more isolated, this exacerbates fire problems, despite emergency access. Residents are now on ½ to one-mile cul-de-sacs; these will become 3 ½ to 4-mile cul-de-sacs. We currently have two access points to this housing area. If Gernert is closed, the entire housing area will dependent upon one exit/entry via Box Springs (which is often clogged). Box Springs Road empties on the freeway that is frequently clogged in the mornings.
- **Property values are likely to drop,** imposing hidden costs and harms on residents.
- FedEx, UPS, the Post Office, newspapers, trash pickup, and other delivery services **will have to travel 6 miles further each round trip** or may simply stop serving residents. Many of us receive frequent FedEx and UPS deliveries.

RECOMMENDED ALTERNATIVE: We understand that there will be railroad-crossing gates at the Poarch/Gernert access to Watkins Drive crossing that could control traffic when trains appear, but we have been told **THEY WILL BE LOCKED**. An obvious alternative is to keep these gates operational for all residents, closing them only when Metro Link or freight trains are using the tracks.

Metro Link trains will be very short and having movable crossing gates be down for only short periods of time—perhaps 30 seconds per train passage—will not likely pose safety problems. This will not be a high-speed track with long trains like the tracks that that cross Magnolia, Iowa and Chicago over which long, fast freight trains currently cross streets. Nonetheless, at the Magnolia, Iowa and Chicago crossings there are only crossing gates that down when trains are passing and then raised to permit traffic to proceed.

We think such a solution is quite adequate for the Poarch/Watkins crossing.

Crystal: We certainly are in support of the petition to prevent the road closure and will sign the petition. Having a disabled son like Cameron has made it necessary through the years to have emergency vehicles come to our house and we do not like the idea of a locked gate they can get through because of keys being lost or wrong key picked up. We are wondering if there is a legal grounds we could go through where an stop order could be obtained while a ruling is being made.

We would be willing to pitch in on legal costs if other neighbors will also. One of us at least wii attend the meeting on Sept. 10. Dennis & Kathy Coleman 20510 Hill Top Dr.

Subject: Gernert Closure

Hello Neighbors,

Last week we all received the formal notice of intent to close Gernert Road, with Sep 10 meeting designated to hear discussion of that action. This would be disastrous for all of us, and we intend to inform the Board of how we will all be harmed by closing our road.

We have prepared a petition to protest the closure. Please let me know if and when you are able to sign it. We'll have to present the petition formally at the Board meeting on Sep 10.

I have attached a flyer which our neighbors Del Scott and Hyung Park will hand deliver to everyone who uses Gernert Road. They will also canvass the area for neighbors willing to sign the petition.

Carl thinks it will be ok if you send him an email stating your support of the petition, we can attach it to the physical petition when it is presented to the Board.

And, please try to attend the meeting on Sept 10 - it is really important!!

Re: Road Closing Email
September 3, 2013 7:04 PM

I heard there was a petition circulating to protest the closing of the Gernert road/Watkins railway crossing and would like to add my name to the petition as well as submit this letter to whomever is making decisions about the issue in question. Thank you.

To whom it may concern,

My name is Taylor Cranor and I am a resident of Hill Top Drive. Closing the train tracks crossing to Watkins from Gernert would be an unnecessary imposition on my daily life. Not only would I put superfluous wear and tear on my car by driving extra miles on dirt roads several times a day but I would also give up a large amount of time due to the added distance it would add to my normal routes around town and the horrible traffic on the 215 North that constantly comes to halt right by what would become my nearest freeway onramp. Furthermore, Gernert Road is an unsafe road, with a corner that renders drivers in either direction completely blind and giving me serious concern many life-threatening accidents could occur with increased traffic on the road. I hope you take into account the issues your plan imposes on the residents of the Box Springs area when making your decision. Thank you.

Sincerely,
Taylor Cranor

Subject: Road closing at Gernert/Poarch/Watkins
Attachments: RCTC Protest; CRANOR RCTC ADDENDUM; Cranor Protest closing Gernert-Poarch

Dear Supervisor Ashley,

I live at 20682 Hilltop Drive, Riverside 92507 and am directly affected by the proposal to close Gernert Road/Poarch Road it empties onto Watkins Drive. I belatedly learned of the intentional to close this entrance just last week. I now have a copy Submittal to the Board of Supervisors for the meeting of August 20. This will substantially and adversely impact about 10 as well the members of the general public that utilize Gernert Road as a bypass to the freeway when it is backed up or we are late to work.

The Submittal asserts that there were no objections to this closing ["RCTC did not receive public comments opposing the closure of the Poarch Road Crossing in their EIR." (p. 2)] This is simply false. I have attached to this email two letters Edda Rosso of RCTC protesting this action. The first letter was sent January 10, 2011, and the second January 11, 2011.

There are several problems with the process. First, to my knowledge we never received a public notice that this would but had to glean it from newspaper stories. Second, apparently my letters never received attention that in fact the crossing would substantially adversely affect the residents of the Box Springs Mountain area serving Gernert/Poarch/Hilltop. Third, the fact that the Submission says no one opposed it supports the previous point.

Fourth, I understand from Paul Russell that in fact there will be road gates at the crossing to control traffic when trains are tracks at that point, but **THEY WILL BE LOCKED**. More than 2 years ago I proposed that there should be gates at that point with short, slow-moving metrolink trains using the tracks and probably occasionally the slow-moving freight trains that should be to control traffic without undue risks to cars that happen to be stopped on the Watkins side of the gates when down. If you plan to put in the gates in any case, it seems to be the height of foolishness to lock them when they open protect cars from trains when they were in the crossing.

Beyond this as I pointed out more than two years ago there are substantial adverse impacts on the residents of Poarch/Hilltop say nothing about other users of the road from Crowley Lane, Moreno Valley, and beyond.

Just for the residents of Poarch/Hilltop here are some of the adverse effects, updated from two years ago:

"Because of the closing of the Poarch/Watkins crossing those of us who live on Poarch or Hilltop would have to drive an additional (6) miles per round trip from our homes. It appears from the internet literature that 'city' planners assume that **family home makes between 9.5 and 13 trips per day**. As many trips as 9.5 would result in our driving an extra 57 miles per day, while 13 trips per day would result in an extra 78 miles of driving per day. **Over the course of a year this translates 20,805 miles per year (9.5*365) up to 28,370 miles per year. Over a ten-year period the extra driving would amount 208,050 up to 283,700 miles during that time. This would wear out several cars just from the EXTRA DRIVING. This, of course, takes into account the additional wear and tear of driving on the rough Gernert road.**" In addition factors in the approximate cost of the extra driving, using IRS numbers for the per-mile total costs of driving a car (\$0.50) this would amount to the following: **For one year this would amount to \$11,754.82 up to \$16,029.05 for our family. Over a ten-year period these totals become \$117,548.20 up to \$160,290.50. If, over time, the full costs of driving increase to \$0.60 per mile because of inflation and costs of gasoline, these numbers become \$12,843 (20,805*.60) \$17,044 (28370*.60) in a given year. THIS IS JUST THE AMOUNT FOR EXTRA DRIVING NECESSITATED BY HAVING A CROSSING GATE AT POARCH/WATKINDS THAT CAN BE DROPPED WHEN THE TRAIN APPROACHING.**

09.10.13
9-3

If there are as your submission indicates 10 families affected by closing the crossing, the costs to individual home owners quite substantial: 10 families times the costs of one family become \$117,548.2 up to \$160,290.50 PER YEAR for all . Over a 10-year period the total costs are 10 times higher for those families—more than \$1 million dollars.

None of this accounts for the extra wear and tear on our cars by having to drive the extra 6 miles per round trip mainly unimproved and rough Gernert Road. Gernert also periodically washes out during times of heavy rains.

I have had to write this letter in a rush because I am on a panel being reviewed for a jury in Riverside Superior Court. This may also prevent me from attending your meeting tomorrow, but if at all possible I will try to attend.

Please consider the substantial adverse effects on local residents and other public users of Gernert/Poarch/Hilltop and do r the grade crossing at Gernert/Poarch-Watkins.

Sincerely yours,

Good Morning Juan,

Here is an email I received yesterday in response to the posting we made on Poarch Road. This is the only response I have received directly since the posting. Please let me know if you have any questions.

Thank you,

Greg

Subject: Closure of Gernert Road/Poarch Road at grade crossing

September 9, 2013

County Board of Supervisors
County of Riverside Transportation Department

Dear Mr. Gregory Ehe,

We are writing in response to the County of Riverside Transportation Department's notification of the closure of Gernert/Poarch Road at the grade crossing adjacent Watkins Drive due to the Perris Valley Rail project. We as homeowners, that have driven this road for over 30 years will be directly impacted and harmed by this action.

There are many adverse consequences that will accrue, which include but not limited to:

- Fire Department response time

- Our ability to evacuate fast and safely in the event of a fire (high fire danger area)
- Law Enforcement capability and response time due to locked gates
- Ambulance and Emergency Medical Response
(life threatening- no keys, not knowing there is a new locked gate)
- Postal delivery, UPS, FedEx, DHL and others carriers
- Waste Management (trash pick up cost)
- Decrease in property value due to limited access (only from Moreno Valley)
- Homeowners Fire Insurance, due to the lack of access for emergency response.
- The added time and cost to drive extra miles per day to work, school, shop for food and conduct normal daily life.

There exists the technology and the County of Riverside Transportation Department has qualified engineers that could design and install a traffic signal at the intersection of Poarch Road/Watkins Drive /State Route 60 Freeway westbound on-ramp that could control the traffic flow which would mitigate the need for the closure of the grade crossing.

It is stated that the reason for the closure is for "public safety", which seems in direct conflict with our safety and the ability to use the access road to our homes which we have done for more than 30 years.

Respectively,

Robin and Alan Ablott
10870 Pettegrew Road
Riverside, CA 92507

TO THE SUPERVISOR BOARD CHAMBER....

A few years ago we were in the real estate market looking for a house! Our number one priority was finding a house with easy access to the freeway because my father suffers from heart complications.. !! When we got the news that the road that we have been using for many years was going to be permanently close"" it was heartbreaking ,, you have no idea of the impact this would bring upon us and our neighbors !! (Please we ask all of you to put your selves in our shoes for a minute and see how devastating this would be for our community" the number one reason we bought this house (EASY ACCESS TO THE FREEWAY) will be taken away if the Board of Supervisors decide to permanently close the Watkins Drive road !!! We are asking the board members to reconsider this matter and please DO NOT CLOSE the Walkins Drive road exit -- Early this year my father had an open heart surgery at Loma Linda Hospital ,, he's delicate and closure of this road will definitely be a never ending nightmare to all of us !!!)

Thank you for your time... from the BLANDON LAM FAMILY AT 20400 poarch rd riverside ca 92507

**Riverside County Board of Supervisors
Request to Speak**

Submit request to Clerk of Board (right of podium),
Speakers are entitled to three (3) minutes, subject
to Board Rules listed on the reverse side of this form.

SPEAKER'S NAME: Stan Futch

Address: 21195 Panunuri Pl.
(only if follow-up mail response requested)

City: Morano Valley **Zip:** 92557

Phone #: 951-788-4530

Date: Sept. 10, 2013 **Agenda #** 9-3

PLEASE STATE YOUR POSITION BELOW:

Position on "Regular" (non-appealed) Agenda Item:

Support Oppose Neutral

Note: If you are here for an agenda item that is filed
for "Appeal", please state separately your position on
the appeal below:

Support Oppose Neutral

I give my 3 minutes to: _____

BOARD RULES

Requests to Address Board on "Agenda" Items:

You may request to be heard on a published agenda item. Requests to be heard must be submitted to the Clerk of the Board before the scheduled meeting time.

Requests to Address Board on items that are "NOT" on the Agenda:

Notwithstanding any other provisions of these rules, member of the public shall have the right to address the Board during the mid-morning "Oral Communications" segment of the published agenda. Said purpose for address must pertain to issues which are under the direct jurisdiction of the Board of Supervisors. YOUR TIME WILL BE LIMITED TO THREE (3) MINUTES.

Power Point Presentations/Printed Material:

Speakers who intend to conduct a formalized Power Point presentation or provide printed material must notify the Clerk of the Board's Office by 12 noon on the Monday preceding the Tuesday Board meeting, insuring that the Clerk's Office has sufficient copies of all printed materials and at least one (1) copy of the Power Point CD. Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please insure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo.

Individual Speaker Limits:

Individual speakers are limited to a maximum of three (3) minutes. Please step up to the podium when the Chairman calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. **Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.**

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the front bottom of the form.

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman may result in removal from the Board Chambers by Sheriff Deputies.

BOARD RULES

Requests to Address Board on "Agenda" Items:

You may request to be heard on a published agenda item. Requests to be heard must be submitted to the Clerk of the Board before the scheduled meeting time.

Requests to Address Board on items that are "NOT" on the Agenda:

Notwithstanding any other provisions of these rules, member of the public shall have the right to address the Board during the mid-morning "Oral Communications" segment of the published agenda. Said purpose for address must pertain to issues which are under the direct jurisdiction of the Board of Supervisors. YOUR TIME WILL BE LIMITED TO THREE (3) MINUTES.

Power Point Presentations/Printed Material:

Speakers who intend to conduct a formalized Power Point presentation or provide printed material must notify the Clerk of the Board's Office by 12 noon on the Monday preceding the Tuesday Board meeting, insuring that the Clerk's Office has sufficient copies of all printed materials and at least one (1) copy of the Power Point CD. Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please insure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo.

Individual Speaker Limits:

Individual speakers are limited to a maximum of three (3) minutes. Please step up to the podium when the Chairman calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. **Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.**

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the front bottom of the form.

BOARD RULES

Requests to Address Board on "Agenda" Items:

You may request to be heard on a published agenda item. Requests to be heard must be submitted to the Clerk of the Board before the scheduled meeting time.

Requests to Address Board on items that are "NOT" on the Agenda:

Notwithstanding any other provisions of these rules, member of the public shall have the right to address the Board during the mid-morning "Oral Communications" segment of the published agenda. Said purpose for address must pertain to issues which are under the direct jurisdiction of the Board of Supervisors. YOUR TIME WILL BE LIMITED TO THREE (3) MINUTES.

Power Point Presentations/Printed Material:

Speakers who intend to conduct a formalized Power Point presentation or provide printed material must notify the Clerk of the Board's Office by 12 noon on the Monday preceding the Tuesday Board meeting, insuring that the Clerk's Office has sufficient copies of all printed materials and at least one (1) copy of the Power Point CD. Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please insure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo.

Individual Speaker Limits:

Individual speakers are limited to a maximum of three (3) minutes. Please step up to the podium when the Chairman calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. **Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.**

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the front bottom of the form.

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman may result in removal from the Board Chambers by Sheriff Deputies.

NOTICE OF PUBLIC HEARING BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF RIVERSIDE

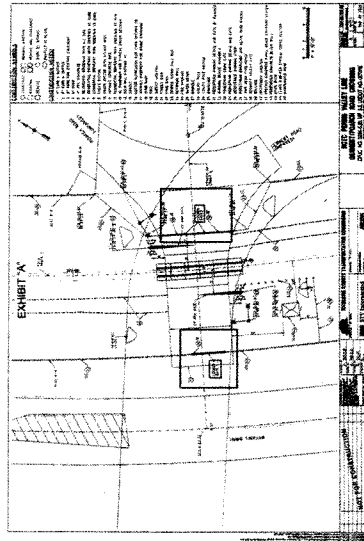

NOTICE IS HEREBY GIVEN that a public hearing of which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor, County Administrative Center, Board of Supervisors Chambers, 4080 Lemon Street, Riverside, on Tuesday, September 10, 2013 at 9:30 a.m. to consider the following:

RESOLUTION NO. 2013-079

NOTICE OF INTENTION FOR THE CLOSURE OF GERNERT ROAD/POARCH ROAD AT THE AT-GRADE CROSSING OF THE PERRIS VALLEY RAIL LINE TO NON-EMERGENCY TRAFFIC IN THE BOX SPRINGS MOUNTAIN AREA.

(Fifth Supervisorial District)

BE IT RESOLVED, DETERMINED AND ORDERED by the Board of Supervisors of the County of Riverside, State of California, in regular session assembled on August 20, 2013, pursuant to Section 942.5 (a) of the Streets and Highways Code, that it is the intention of this Board to close for the protection of the public, described as follows:
Gernert Road/Poarch Road at the at-grade crossing of the Perris Valley Rail Line adjacent to Watkins Drive.

BE IT FURTHER RESOLVED that a public hearing on this Resolution will be held on September 10, 2013, at 9:30 a.m. in the meeting room of the Board of Supervisors, County Administrative Center, Riverside, California, at which time and place the Board will hear and consider the proposal to close Gernert Road/Poarch Road at the at-grade crossing of the Perris Valley Rail Line adjacent to Watkins Drive, and any comments thereto.

BE IT FURTHER RESOLVED, DETERMINED AND ORDERED that the Clerk of the Board is directed to cause this Resolution to be published pursuant to Section 8322(a) and the Transportation Director shall cause notice of hearing to be posted pursuant to Section 8323 of the Streets and Highways Code.

ROLL CALL:

AYES: Jeffries, Tavaglione, Stone, Benoit, and Ashley
NAYS: None
ABSENT: None

The foregoing is certified to be a true copy of a resolution duly adopted by said Board of Supervisors on August 20, 2013.

Kecia Harper-Ihem, Clerk of said Board

By: Cecilia Gil, Board Assistant

Any person affected by the above matter(s) may submit written comments to the Clerk of the Board before the public hearing or may appear and be heard in support of or opposition to the project at the time of the hearing. If you challenge the above item(s) in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence, to the Board of Supervisors at, or prior to, the public hearing.

Please send all written correspondence to: Clerk of the Board, 4080 Lemon Street, 1st Floor, Post Office Box 1147, Riverside, CA 92502-1147

Dated: August 26, 2013
