Project Location

The Specific Plan Amendment proposes to increase residential acreage from 98.4 acres to 135.5 acres, increase the total number of residential units from 295 to 345, increase the average residential lot size from approximately 10,237 square feet to approximately 12,976 square feet, increase the development intensity from 0.9 to 1.0 dwelling units per acres (du/ac), eliminate the 119.1-acre golf course and 3.5-acre golf course clubhouse land uses from the Land Use Plan, increase the area reserved for open space from 85.2 acres to 162.4 acres, increase the acreage designated for public parks from three parks on 2.5 acres to eight parks on 7.0 acres, provide approximately 6.6 miles of pedestrian trails and modify the internal circulation system to accommodate the modified land use plan. The Change of Zone proposes to modify the Specific Plan Zoning Ordinance for SP325A1 and formalize all of the planning area boundaries within the Specific Plan. The Tentative Map proposes a Schedule A subdivision that would subdivide 333.7 acre property into a 343 single-family residential lots, 8 park lots, 3 water quality detention basin lots, and 43 open space lots

Project Description
This is to advise that the Riverside County Board of Supervisors, as the lead agency, has approved the above-referencød project on _____, and has made the following determinations regarding that project:

1. The project WILL have a significant effect on the environment.
2. An Addendum to EIR 433 was prepared for the project pursuant to the provisions of the California Environmental Quality Act (\$50.00).
3. Mitigation measures WERE made a condition of the approval of the project.
4. A Mitigation Monitoring and Reporting Plan/Program WAS adopted.
5. A statement of Overriding Considerations WAS adopted for the project.

This is to certify that the earlier EIR, with comments, responses, and record of project approval is available to the general public at: Riverside County Planning Department, 4080 Lemon Street, 12th Floor, Riverside, CA 92501.

NOTICE IS HEREBY GIVEN that a public hearing at which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on **Tuesday, September 24, 2013 at 10:30 A.M.** or as soon as possible thereafter, to consider the application submitted by CV Communities, LLC – T&B Planning, on **Specific Plan No. 325 Amendment No. 1**, which proposes to increase residential acreage from 98.4 acres to 135.5 acres, increase the total number of residential units from 295 to 345, increase the average residential lot size from approximately 10,237 square feet to approximately 12,976 square feet, increase the development intensity from 0.9 to 1.0 dwelling units per acre (du/ac), eliminate the 119.1-acre golf course and 3.5-acre golf course clubhouse land uses from the Land Use Plan, increase the area reserved for open space from 85.2 acres to 162.4 acres, increase the acreage designated for public parks from three parks on 2.5 acres to eight parks on 7.0 acres, provide approximately 6.6 miles of pedestrian trails and modify the internal circulation system to accommodate the modified land use plan; **Change of Zone No. 7779**, which proposes to modify the adopted Specific Plan Zoning Ordinance for SP 325 and formalize all of the planning area boundaries within the Specific Plan, or such other zones as the Board may find appropriate; and, **Tentative Tract Map No. 36390 (Fast Track No. 2013-05), Schedule A**, which proposes to subdivide 333.7 acres into 343 single-family residential lots, 8 park lots, 3 water quality detention basin lots, and 43 open space lots (“the project”). The project is located southerly of Van Buren Boulevard and easterly of McAllister Street in the Lake Mathews Zoning District – Lake Mathews / Woodcrest Area Plan, First Supervisorial District.

The Planning Department recommended that the Board of Supervisors approve the project, and consider Addendum No. 1 to **Environmental Impact Report No. 433**.

The project case file may be viewed from the date of this notice until the public hearing, Monday through Friday, from 8:00 a.m. to 5:00 p.m. at the Clerk of the Board of Supervisors, 1st Floor, and at the Riverside County Planning Department, 12th Floor, at 4080 Lemon Street, Riverside, California 92501.

FOR FURTHER INFORMATION REGARDING THIS PROJECT, PLEASE CONTACT MATT STRAITE PROJECT PLANNER, AT (951) 955-8631 OR EMAIL mstraite@rctlma.org.

Any person wishing to testify in support of or in opposition to the project may do so in writing between the date of this notice and the public hearing, or may appear and be heard at the time and place noted above. All written comments received prior to the public hearing will be submitted to the Board of Supervisors and the Board of Supervisors will consider such comments, in addition to any oral testimony, before making a decision on the project.

If you challenge the above item in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence to the Planning Commission or Board of Supervisors at, or prior to, the public hearing. Be advised that as a result of the public hearing and the consideration of all public comment, written and oral, the Board of Supervisors may amend, in whole or in part, the project and/or the related environmental document. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the project, may be changed in a way other than specifically proposed.

Please send all written correspondence to Riverside County Clerk of the Board at 4080 Lemon Street, 1st Floor, P.O. Box 1147, Riverside, CA 92502-1147.

I, Stella Spadafora, certify that on
(Print Name)

7/08/2013 the attached property owners list
(Date)

was prepared by County of Riverside / GIS
(Print Company or Individual's Name)

Distance Buffered: 600 Feet

Pursuant to application requirements furnished by the Riverside County Planning Department; Said list is a complete and true compilation of the owners of the subject property and all other property owners within 300 feet of the property involved, or if that area yields less than 25 different owners, all property owners within a notification area expanded to yield a minimum of 25 different owners, to a maximum notification area of 2,400 feet from the project boundaries, based upon the latest equalized assessment rolls. If the project is a subdivision with identified off-site access/improvements, said list includes a complete and true compilation of the names and mailing addresses of the owners of all property that is adjacent to the proposed off-site improvement/alignment.

I further certify that the information filed is true and correct to the best of my knowledge. I understand that incorrect or incomplete information may be grounds for rejection or denial of the application.

Memorandum

DATE: September 24, 2013
TO: Board of Supervisors
FROM: Matt Straite, Project Planner
RE: **Agenda Item 16-1/16-2 proposed revisions to the project**

Offsite Fuel Modification

The staff report for the project indicated that there were off site fuel modification areas that would require an easement. The applicant has removed these from the map and located all fuel modification areas on site, thus no longer needing any offsite areas. The condition of approval, 50.Planning.34 requiring such easements has been removed.

Emergency access to neighboring community

As outlined in the staff report, a condition of approval was added to the project to require the applicant to provide a design for emergency access to the neighboring community to the west. The applicant has provided a potential design which is attached to this memo for your review.

Additional Conditions of Approval

An additional condition of approval was added to the project after the form 11 was printed. The condition is not a CEQA mitigation. The new condition reads:

20.PLANNING.4

AMD PER CONDITIONS MAP

Within 10 days of approval by the Board of Supervisors ten (10) copies of an Amended Per Final Conditions map shall be submitted to and approved by the County Planning Department. A lock shall take effect at the end of the 10 days on the TENTATIVE MAP and on any implementing permits and shall not be removed unless and until the Amended Per Final Conditions map has been approved by the County Planning Department. The Amended Per Final Conditions map shall be in substantial conformance with the TENTATIVE MAP and be consistent with Exhibit A included in the memorandum to the Board of Supervisors dated September 24, 2013.

*This condition was added at the Board hearing

Item 16-1

In addition 7 conditions of approval were added regarding treatment of cultural areas. These include the requirement for a preservation plan and avoidance of certain cultural sites. These have been attached to this memo for your consideration.

Final Change of Zone Map

The Change of Zone serves two roles, it revises the Zoning Ordinance Text for the Specific Plan, it also formalizes the boundaries for the Planning Areas within the Specific Plan. Some versions of the Form 11 did not include a copy of the Final Change of Zone Map. Another copy has been attached to this memo for your review and consideration.

General Conditions

INFORMATIONAL:

County Archaeological Report (PDA) No. 04809, submitted for this project (TR36390, SP00325A1) was prepared by Brian F. Smith by Brian F. Smith and Associates and is entitled: "A Phase I and Phase II Cultural Resource Study for the Citrus Heights/Fairway Drive Project" dated July 23, 2013. This report includes all the previous studies completed for the project, (PDAs 4801, 4802, 4800, 4787).

PDA04809 concluded that none of the sites or artifacts are significant pursuant to CEQA criteria. Hence, it has been determined that this Project does not present a significant effect on the environment relative to cultural resources. No site-specific mitigation measures are required, however a cultural resources monitoring program will be required for the project for which an Archaeologist and Native American Monitor will monitor grading activities in the project area.

Prior to Grading Permit Issuance:

Archaeological Monitor Required

The applicant/developer shall retain and enter into a monitoring service contract with a County approved Archaeologist for professional services relative to review of grading plans, preparation of a monitoring plan for all areas of disturbance that may impact previously undisturbed deposits (if any), and monitoring of site grading for areas of previously undisturbed deposits. The Archaeologist is required to attend a pre-grade meeting and is required to conduct a cultural/historical sensitivity training for the construction staff at this meeting.

The applicant/developer shall submit a fully executed copy of the contract for archaeological monitoring services to the County Archaeologist to ensure compliance with this condition of approval. Upon verification, the Planning Department shall clear this condition.

Note: The project Archaeologist is responsible for implementing standard professional practices for cultural

resources archaeology. The project Archaeologist shall coordinate with the County, applicant/developer and any required tribal or other special interest group monitor throughout the process as appropriate. All documentation regarding the arrangements for the disposition and curation and/or repatriation of cultural resources shall be provided to the County for review and approval prior to issuance of the grading permit.

PRIOR TO GRADING PERMIT FINAL

Archaeological Monitoring/Phase IV Report

The developer/permit holder shall prompt the Project Archaeologist to submit one (1) wet-signed paper copy and (1) CD of a Phase IV Cultural Resources Monitoring Report that complies with the Riverside County Planning Department's requirements for such reports for all ground disturbing activities associated with this grading permit. The report shall follow the County of Riverside Planning Department Cultural Resources (Archaeological) Investigations Standard Scopes of Work posted on the TLMA website. The report shall also include evidence of the required cultural/historical sensitivity training for the construction staff held during the required pre-grade meeting. The County Archaeologist shall review the report to determine adequate compliance with the approved conditions of approval. Upon determining the report is adequate, the County Archaeologist shall clear this condition.

The developer/permit applicant shall submit a fully executed copy of the contract to the County Archaeologist to ensure compliance with this condition of approval. Upon verification, the Archaeologist shall clear this condition.

NOTE:

- 1)The Cultural Resources Professional is responsible for implementing standard professional practices for cultural resources. The Professional shall coordinate with the County, developer/permit applicant and Native American Monitors throughout the process.
- 2)Native American monitoring does not replace any required Cultural Resources monitoring, but rather serves as a supplement for coordination and advisory purposes for all groups' interests only.
- 3)The developer/permit applicant shall not be required to

further pursue any agreement for Native American monitoring of this project if, after 60 days from the initial attempt to secure an agreement, the developer/permit applicant, through demonstrable good faith effort, has been unable to secure said agreement from the Tribe. A good faith effort shall consist of no less than 3 written attempts from the developer/permit applicant to the tribe to secure the required special interest monitoring agreement and appropriate e-mail and telephone contact attempts. Documentation of the effort made to secure the agreement shall be submitted to the County Archaeologist for review and consideration.

4) Should repatriation be preferred, it shall not occur until after the Phase IV monitoring report has been submitted to the Riverside County Archaeologist. Should curation be preferred, the developer/permit applicant is responsible for all costs.

Planning. Five Archaeo sites to be avoided by construction PRIOR TO THE ISSUANCE OF A GRADING PERMIT:

Due to a coordinated effort/series of communications between the County, the applicant, the Pechanga Band of Luiseno Indians, and the archaeological consultant, it has been determined that four prehistoric sites CA-RIV-3082, -6650, -3853, and -6651 and one historic-period archaeological site (CA-RIV-11,302) are to be located in open space conservation easement areas and can, hence, be avoided from being directly impacted by project grading. The sites shall be protected by orange fencing and signage and monitors on-site will ensure the sites are avoided and maintain fencing integrity.

70. Planning. Phase IV Monitoring Report PRIOR TO GRADING PERMIT FINAL (ARCHAEOLOGICAL MONITORING/PHASE IV REPORT SUBMITTAL):

The developer/holder shall prompt the Project Archaeologist to submit one (1) wet-signed paper copy and (1) CD of a Phase IV Cultural Resources Monitoring Report that complies with the Riverside County Planning Department's requirements for such reports for all ground disturbing activities associated with this grading permit. The report shall follow the County of Riverside Planning Department Cultural Resources (Archaeological) Investigations Standard Scopes of Work posted on the TLMA website. 30.PLANNING. 48 SP - PRESERVATION PLAN DRAFT

Prior to the approval of any implementing project within the SPECIFIC PLAN (i.e.: tract map, parcel map, use permit, plot plan, etc.), the following condition shall be placed on the implementing project:

Preservation Plan

Prior to Issuance of Grading Permits:

The Project Developer and the Tribe shall prepare a Preservation Plan for the long term care and maintenance of the cultural features preserved at this site. The plan shall indicate, at a minimum, the specific areas to be included in and excluded from long term maintenance, the methods of preservation to be employed (fencing, capping, vegetative deterrence, etc.), the entity responsible for the long term maintenance, the funding source, and the monitoring/maintenance schedule parameters.

30.PLANNING. 49 SP - ARCHAEO AVOIDANCE #1 DRAFT

Prior to the approval of any implementing project within the SPECIFIC PLAN (i.e.: tract map, parcel map, use permit, plot plan, etc.), the following condition shall be placed on the implementing project:

Archaeo Site Avoidance #1

Sites CA-RIV-3082, CA-RIV-6650 and CA-RIV-6651 shall be avoided and preserved by Project design. No impacts to these resources, including, but not limited to, grading, capping, staging, trenching, paving, flood control measures or biological restoration shall occur at these sites during development of this Project.

on the implementing project:

Archaeo Site Avoidance #2
Site CA-RIV-3853 shall be avoided and preserved by Project design. Because of its proximity to the proposed grading line, the Project Archaeologist, Project Supervisor and Tribal Monitor shall fence off CA-RIV-3853, with sufficient buffer area to protect this site from grading impacts, prior to any earthmoving activities in this area. The fencing shall be checked on a weekly basis throughout the grading process to ensure that the site is appropriately protected. The fencing shall be removed once all earthmoving is complete for this area. CA-RIV-3853 shall be addressed in the Preservation Plan (see condition 3.PLANNING.48.

Prior to the approval of any implementing project within the SPECIFIC PLAN (i.e.: tract map, parcel map, use permit, plot plan, etc.), the following condition shall be placed on the implementing project:

Archaeo Site Avoidance #3
Site CA-RIV-2570 shall be avoided and preserved by Project design. Because of its proximity to the proposed grading line, the Project Archaeologist, Project Supervisor and Tribal Monitor shall fence off CA-RIV-2570, with sufficient buffer area to protect this site from grading impacts, prior to any earthmoving activities in this area. The fencing shall be checked on a weekly basis throughout the grading process to ensure that the site is appropriately protected. The fencing shall be removed once all earthmoving is complete for this area. CA-RIV-2570 shall be addressed in the Preservation Plan (see condition 30.PLANNING.48.

through Project redesign. Hence, at least 30 days prior to any ground disturbance in these areas, the Project Supervisor, Project Archaeologist and the Tribe shall determine the feasibility of relocating the milling features to an area where they can be preserved undisturbed in the open space in perpetuity. The Tribe shall work in concert with the Project Archaeologist and the Project Supervisor to identify the features to be relocated prior to any disturbance or grading within 100 feet of the archaeological site area, and relocate the features to a location chosen in coordination with the Tribe and on which the parties reasonable believe, with adequate measures, will be preserved and remain undisturbed in the future. Before construction activities are allowed to start, any visible artifacts shall be recovered and the features recorded using professional archaeological methods. The current Department of Parks and Recreation forms for the sites shall be updated. Specifically:

- 1.The forms should include records of any artifacts associated with those sites;
- 2.The forms should state which features were relocated (if any), which were destroyed, capped, collected (i.e. the ultimate status of the features);
- 3.The forms should indicated how the features were relocated or destroyed;
- 4.The forms should include updated maps indicating to where the features were moved (as appropriate).

REASONS WHY WE WANT TO KEEP THE ORIGINAL PLANS WITH THE GOLF COURSE AND COUNTRY CLUB:

- 1) Many of us were told prior to the home purchase that plans for a golf course were in place. These plans were also recorded in the Riverside County Planning Department. This was a very strong buying point of why we bought here and we were under the assumption the golf course and country club would be built.
- 2) On the street of Seven Hills Dr. we currently have views of the rolling hills and putting in a golf course would aesthetically be very pleasing. Golf courses have lush landscaping with manicured lawns that look beautiful. According to the original plans most of us on Seven Hills would have views of the 8-11th golf club holes along with the .6 acre park. These views would also be seen on parts of other streets like Fourwinds, Meadowlands, Dove Canyon, Moonridge, and some other streets.
- 3) Based on recent market analysis, comparables with golf course views have resale values much higher than standard home sites. Some studies have shown to be as much as 40% higher (done by Longitudes Group LLC, a golf market researcher).
- 4) It would be environmentally sensitive with the open space and maintaining a sensitive approach to design relative to sensitive biological resources, existing topography, and additional environmental conditions.

So to summarize why we want to keep the original plans with the golf course is because we were informed it would be built and under conditions that were comparable to our community. It would conform to the Canyon Ridge community in regards to lot sizes. Many of us would have views of the golf course and that makes it very desirable. This would also increase our property values. Also it would be sensitive to the existing landscape and topography while preserving the natural environment.

(date)

The new proposed plans are to build smaller lot sizes around some of Canyon Ridge's homes than the original plans. Areas affected by this are along Seven Hills Dr. and the West side of Canyon Ridge's streets. These are not comparable lot sizes to ours in Canyon Ridge in those areas and feel they should keep the original plans to have similar lot sizes to ours. The Canyon Ridge Estates Community has custom homes and semi-custom tract homes with most with lot sizes starting at 15,000 square feet and many larger than 20,000 square feet. Homes built in front or the side of our community that do not conform to our lot sizes diminishes our property values.

With the new proposed plans there will be a 6 foot block wall approximately 2 feet from some of our properties/fence lines. (All along Seven Hills Dr. and down the West side of Canyon Ridge). This is too close to our properties. We moved up here to be in a rural area that is not very populated. We also moved here to have the great views of the rolling hills. Our properties are a half acre or larger on Seven Hills and we enjoy the space we have. We recommend moving the block wall to at least 30 feet off our fence line. We also recommend that any view lots that we have in Canyon Ridge currently, shall have no 2 story homes built directly in front of us and build only single story homes. This will help preserve our beautiful views that we all desired when we bought our homes.

We also reject the additional 48 homes being built due to environmental reasons, congestion, and any overflow into any surrounding communities. These 48 homes equates to an additional 16% of homes being built from the original plans of 295 homes and increases the residential acreage to 37.1 acres. Additional homes will bring more traffic, noise, pollution, and possible vandalism and crime. The new community will have foot access to ours through the "emergency" crash gates. We would like to keep as much of the existing landscape as possible for preservation.

The new proposed plans claims the area for open space will be gained in the amount of 77.2 acres, however they want to remove 119.1 acres from the golf course. These acres in actuality should also be considered open space which means a net loss of open space of 41.9 acres from the original plans.

Please take these considerations seriously as they do affect many people in the Canyon Ridge Community. We do want to preserve as much of the land as economical feasible and understand business decisions to build. We would like for people to understand that we bought in this area for certain reasons and for some specifically for the views and the much talked about upcoming golf course. We also do not agree with putting block walls 2 feet from our fence lines. Thank you for your time,

Canyon Ridge Community

Members of the Board....

My name is Tom McGowan and today I am representing the board of directors and the 58 home and lot owners of the Rancho California Home Owners association located in the northeast residential district of wine country. Our interest in this proposal is, as it has been for the past four years, balanced treatment for the current and future homeowners in wine country particularly with regards to traffic and public safety and noise that disturbs or could disturb the quiet enjoyment of our rural lifestyle.

Our HOA supports this plan with some objections and reservations and I will address these concerns by pointing to the Final Staff Recommendations Attachment A.

Our members strongly urge that commercial winery activity be confined to the winery district and that

the residential districts be substantially residential. Public safety is a key concern in areas where roads are narrow and often unpaved. The addition of large amounts of traffic moving from tasting room to tasting room is just not conducive to these residential areas. We have no objection to production wineries that have no tasting rooms in the residential district but have enormous concerns for the proposed 5 acre commercial wineries with tasting rooms being located there. A significant number of the lots are 5 acre lots. Kapalua Way, as an example is a narrow ¼ mile cul-de-sac with six 5 acre lots. Please tell us that it is not possible to have 6 wineries with tasting rooms on this street, is it? As to public safety, the absolute gridlock on Mesa road during the 2003 wildfire with homeowners attempting to get back to their properties and horse trailers trying to leave is an example of our concern. We also would recommend that the acreage for a commercial winery in any district be returned to the original 10 acres and that Table N referencing 10

small wineries with tasting rooms in the Residential District be changed to “without tasting rooms.”

There appears to be lack of balance relative to land use that is of concern to residents. The acres for commercial activity use is decreasing while the acres for residential living has increased to 20 acre minimums. We urge that residential minimums be returned to 5 acres to achieve the balance for all stakeholders and further that existing lots of 15 acres or less be allowed to subdivide to 5 acre minimums without the 75% planting requirement.

Finally, as to outdoor amplified music, our residents believe that the proposed “case by case” standard is arbitrary and allows for too much subjective judgment both now and in the future. We urge that the standard be that all amplified music must be contained inside a permanent structure. We would not be opposed to special event licenses being granted on a limited basis to wineries such as Wilson Creek, South Coast or Thornton who have

conducted acoustical studies and who are in agreement with good neighbor policies. The topography of wine country must be taken into consideration as must the resident's right to quiet enjoyment with regard to noise.

We appreciate the opportunity to participate and wish to thank the task force, staff, and County for initiating this endeavor. Thank you

NOTICE OF PUBLIC HEARING BEFORE THE BOARD OF SUPERVISORS OF RIVERSIDE COUNTY ON A SPECIFIC PLAN AMENDMENT, CHANGE OF ZONE, FAST TRACK TENTATIVE TRACT MAP IN THE SUPERVISORIAL DISTRICT AND NOTICE OF INTENT TO CERTIFY AN ADDENDUM TO AN ENVIRONMENTAL IMPACT REPORT

NOTICE IS HEREBY GIVEN that a public hearing at which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on **Tuesday, September 24, 2013 at 10:30 A.M.** or as soon as possible thereafter, to consider the application submitted by CV Communities, LLC - T&B Planning, on **Specific Plan No. 325 Amendment No. 1**, which proposes to increase residential acreage from 98.4 acres to 135.5 acres, increase the total number of residential units from 295 to 345, increase the average residential lot size from approximately 10,237 square feet to approximately 12,976 square feet, increase the development intensity from 0.9 to 1.0 dwelling units per acre (du/ac), eliminate the 119.1-acre golf course and 3.5-acre golf course clubhouse land uses from the Land Use Plan, increase the area reserved for open space from 85.2 acres to 162.4 acres, increase the acreage designated for public parks from three parks on 2.5 acres to eight parks on 7.0 acres, provide approximately 6.6 miles of pedestrian trails and modify the internal circulation system to accommodate the modified land use plan; **Change of Zone No. 7779**, which proposes to modify the adopted Specific Plan Zoning Ordinance for SP 325 and formalize all of the planning area boundaries within the Specific Plan, or such other zones as the Board may find appropriate; and **Tentative Tract Map No. 36390 (Fast Track No. 2013-05), Schedule A**, which proposes to subdivide 333.7 acres into 343 single-family residential lots, 8 park lots, 3 water quality detention basin lots, and 43 open space lots ("the project"). The project is located southerly of Van Buren Boulevard and easterly of McAllister Street in the Lake Mathews Zoning District - Lake Mathews / Woodcrest Area Plan, First Supervisorial District. The Planning Department recommended that the Board of Supervisors approve the project, and consider Addendum No. 1 to Environmental Impact Report No. 433.

The project case file may be viewed from the date of this notice until the public hearing, Monday through Friday, from 8:00 a.m. to 5:00 p.m. at the Clerk of the Board of Supervisors, 1ST Floor, and at the Riverside County Planning Department, 12th Floor, at 4080 Lemon Street, Riverside, California 92501.

FOR FURTHER INFORMATION REGARDING THIS PROJECT, PLEASE CONTACT MATT STRAITE, PROJECT PLANNER, AT (951) 955-8631 OR EMAIL mstrait@rctima.org.

Any person wishing to testify in support of or in opposition to the project may do so in writing between the date of this notice and the public hearing, or may appear and be heard at the time and place noted above. All written comments received prior to the public hearing will be submitted to the Board of Supervisors and the Board of Supervisors will consider such comments in detail.

such comments, in addition to any oral testimony, before making a decision on the project.

If you challenge the above item in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence to the Planning Commission or Board of Supervisors at, or prior to, the public hearing. Be advised that as a result of the public hearing and the consideration of all public comment, written and oral, the Board of Supervisors may amend, in whole or in part, the project and/or the related environmental document. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the project, may be changed in a way other than specifically proposed. Please send all written correspondence to Riverside County Clerk of the Board at 4080 Lemon Street, 1st Floor, P.O. Box 1147, Riverside, CA 92502-1147.

NOTICE OF PUBLIC HEARING BEFORE THE BOARD OF SUPERVISORS OF RIVERSIDE COUNTY ON A SPECIFIC PLAN AMENDMENT, CHANGE OF ZONE, FAST TRACK TENTATIVE TRACT MAP IN THE FIRST SUPERVISORIAL DISTRICT AND NOTICE OF INTENT TO CERTIFY AN ADDENDUM TO AN ENVIRONMENTAL IMPACT REPORT

NOTICE IS HEREBY GIVEN that a public hearing at which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on **Tuesday, September 24, 2013 at 10:30 A.M.** or as soon as possible thereafter, to consider the application submitted by CV Communities, LLC – T&B Planning, on **Specific Plan No. 325 Amendment No. 1**, which proposes to increase residential acreage from 98.4 acres to 135.5 acres, increase the total number of residential units from 295 to 345, increase the average residential lot size from approximately 10,237 square feet to approximately 12,976 square feet, increase the development intensity from 0.9 to 1.0 dwelling units per acre (du/ac), eliminate the 119.1-acre golf course and 3.5-acre golf course clubhouse land uses from the Land Use Plan, increase the area reserved for open space from 85.2 acres to 162.4 acres, increase the acreage designated for public parks from three parks on 2.5 acres to eight parks on 7.0 acres, provide approximately 6.6 miles of pedestrian trails and modify the internal circulation system to accommodate the modified land use plan; **Change of Zone No. 7779**, which proposes to modify the adopted Specific Plan Zoning Ordinance for SP 325 and formalize all of the planning area boundaries within the Specific Plan, or such other zones as the Board may find appropriate; and, **Tentative Tract Map No. 36390 (Fast Track No. 2013-05), Schedule A**, which proposes to subdivide 333.7 acres into 343 single-family residential lots, 8 park lots, 3 water quality detention basin lots, and 43 open space lots (“the project”). The project is located southerly of Van Buren Boulevard and easterly of McAllister Street in the Lake Mathews Zoning District – Lake Mathews / Woodcrest Area Plan, First Supervisorial District.

The Planning Department recommended that the Board of Supervisors approve the project, and consider Addendum No. 1 to **Environmental Impact Report No. 433**.

The project case file may be viewed from the date of this notice until the public hearing, Monday through Friday, from 8:00 a.m. to 5:00 p.m. at the Clerk of the Board of Supervisors, 1ST Floor, and at the Riverside County Planning Department, 12th Floor, at 4080 Lemon Street, Riverside, California 92501.

FOR FURTHER INFORMATION REGARDING THIS PROJECT, PLEASE CONTACT MATT STRAITE PROJECT PLANNER, AT (951) 955-8631 OR EMAIL mstraite@rctlma.org.

Any person wishing to testify in support of or in opposition to the project may do so in writing between the date of this notice and the public hearing, or may appear and be heard at the time and place noted above. All written comments received prior to the public hearing will be submitted to the Board of Supervisors and the Board of Supervisors will consider such comments, in addition to any oral testimony, before making a decision on the project.

If you challenge the above item in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence to the Planning Commission or Board of Supervisors at, or prior to, the public hearing. Be advised that as a result of the public hearing and the consideration of all public comment, written and oral, the Board of Supervisors may amend, in whole or in part, the project and/or the related environmental document. Accordingly, the designations, development standards, design or improvements, or any properties or lands within the boundaries of the project, may be changed in a way other than specifically proposed.

Please send all written correspondence to Riverside County Clerk of the Board at 4080 Lemon Street, 1st Floor, P.O. Box 1147, Riverside, CA 92502-1147.

BOARD RULES

Requests to Address Board on "Agenda" Items:

You may request to be heard on a published agenda item. Requests to be heard must be submitted to the Clerk of the Board before the scheduled meeting time.

Requests to Address Board on items that are "NOT" on the Agenda:

Notwithstanding any other provisions of these rules, member of the public shall have the right to address the Board during the mid-morning "Oral Communications" segment of the published agenda. Said purpose for address must pertain to issues which are under the direct jurisdiction of the Board of Supervisors. YOUR TIME WILL BE LIMITED TO THREE (3) MINUTES.

Power Point Presentations/Printed Material:

Speakers who intend to conduct a formalized Power Point presentation or provide printed material must notify the Clerk of the Board's Office by 12 noon on the Monday preceding the Tuesday Board meeting, insuring that the Clerk's Office has sufficient copies of all printed materials and at least one (1) copy of the Power Point CD. Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please insure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo.

Individual Speaker Limits:

Individual speakers are limited to a maximum of three (3) minutes. Please step up to the podium when the Chairman calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. **Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.**

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the front bottom of the form.

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman may result in removal from the Board Chambers by Sheriff Deputies.

Individual speakers are limited to a maximum of three (3) minutes. Please step up to the podium when the Chairman calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. **Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.**

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the front bottom of the form.

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman may result in removal from the Board Chambers by Sheriff Deputies.
