**FORM 11: Approval of Resolution #2013-242 of the Internal Revenue Service, Department of Treasury Grant**  
**Application for the 2013-2014 Volunteer Tax Assistance Program**

**DATE:** September 16, 2013

**PAGE:** Page 2 of 2

**BACKGROUND:**

**Summary (continued)**

Since 2005, CAP Riverside has coordinated with the IRS to open VITA sites throughout Riverside County. The IRS funding will support CAP Riverside's Earned Income Tax Credit (EITC) Program by providing marketing/outreach materials, training for approximately 175 volunteer tax preparers and administrative support at 18 VITA sites.

**Impact on Citizens and Businesses**

The IRS estimates the 25% of California's eligible EITC funds go unclaimed each year. EITC is recognized nationally as one of the most effective means to move low-income people out of poverty. Since 2005, CAP Riverside's volunteer tax preparers have completed over 17,285 income tax returns, generating over \$23 million in tax refunds for low-income residents of Riverside County.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

No County General Funds will be required. \$65,000 was included in the budget for FY 2013/2014. Upon receipt of the final award amount, CAP Riverside will submit a budget adjustment, if needed.

## Community Action Partnership of Riverside County

### I. PROGRAM PLAN SECTION

#### A. Experience with Low Income and/or Return Preparation

A.1 *Describe your experience working with underserved low-income populations. Include any efforts your organization has taken to provide financial education and asset building to these same populations.*

Community Action Partnership of Riverside County (CAP Riverside) has been Riverside County's official anti-poverty agency since 1979. CAP Riverside's mission statement is, *"The Community Action Partnership of Riverside County, with the community, strives to eliminate poverty by facilitating opportunities towards self-sufficiency through education, wealth-building, advocacy and community engagement."* Its vision is to end poverty in Riverside County. CAP Riverside is a public agency; an independent department of the County of Riverside. The Riverside County Board of Supervisors governs the agency and the Riverside County Community Action Commission provides administration. The Commission is a unique tri-partite board with representatives from the public, private, and low-income sectors. CAP Riverside actively engages in maximum feasible participation - - a forum through which all stakeholders, especially low-income, have a voice in the decision-making process addressing community needs. Low-income residents are elected to the Commission through a public voting process.

CAP Riverside is a member of a national network of 1,100 community action agencies (CAAs) created through the 1964 War on Poverty legislation to end poverty. CAP Riverside embraces the national community action promise that *"Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community, and are dedicated to helping people help themselves*

## **Community Action Partnership of Riverside County**

*and each other.*" In 2005, CAP Riverside received the national Award for Excellence in Community Action - - an award modeled after the famed Malcolm Baldrige award for exceptional practices in a specific industry.

The agency is guided by federal regulations and national standards, policies, and best practices, which help determine local services. CAP Riverside provides direct and delegated services and community referrals to low-income residents, particularly vulnerable populations such as the elderly, the disabled, families with children under 5 years of age, and the working-poor, defined as households with income less than 100% of the federal poverty guideline based upon household size. They have provided these services to low-income residents for thirty-four years. Programs cover asset/wealth-building, on-the-job training, after school mentoring and tutoring, mediation services, free tax preparation, energy services (such as utility payment assistance and home weatherization), disaster preparedness and relief, and food security support. Over 400 public, business, academic, and community and faith-based partners help CAP Riverside in these efforts. CAP Riverside identifies all of its programs and services as either high, medium, or low-impact, recognizing that some programs can move people directly out of poverty, some assist families to move out of the poverty cycle, and some provide safety-net support creating an entry point for low-income residents to become aware of high-impact programs. Low-income residents are engaged in determining programs and services via a bi-annual, countywide community needs assessment. CAP Riverside surveys low-income residents to determine their concerns about poverty in their communities. Community meetings are then convened in each supervisorial district to discuss findings and generated solutions. The top three

## Community Action Partnership of Riverside County

concerns become the program/service focus for the following two years and are added to CAP Riverside's strategic plan.

CAP Riverside administers three programs that are asset/wealth-building and high-impact: Individual Development Account (IDA); Earned Income Tax Credit / Volunteer Income Tax Assistance (EITC/VITA), and Project B.L.I.S.S. (Building Links Impacts Self-sufficiency). These asset/wealth-building programs help low-income families reduce debt, improve credit, establish and maintain budgets, move to safe affordable housing, acquire transportation, acquire assets and investments, and improve education and earning capacity.

IDA, a matched-savings incentive program for working poor families, has been a part of the asset-building arsenal at CAP Riverside since 1999. Working-poor families save for their first home, to purchase or capitalize a small business, or to pursue post-secondary education. Participants complete over forty-five hours in financial education and skill-building / development to acquire their assets. Financial education includes, but is not limited to: budgeting; getting banked; credit repair; investing; and money management. Skill development includes, but is not limited to: first-time homebuyer education, business planning, financial aid for college, etc. The first five-year grant provided twenty-eight savings spaces. CAP Riverside subsequently secured four additional five-year grants resulting in 591 additional savings spaces and the successful administration of over \$1.4 million dollars in federal matched-funds. CAP Riverside's IDA program has a thirty percent graduation rate.

In 2004, CAP Riverside formed and incubated the California statewide Earned Income Tax Credit (EITC) partner network called the "Community Action Sharing Hope" (CASH) Campaign by successfully securing a three-year EITC grant from the U.S. Department of Health

## **Community Action Partnership of Riverside County**

and Human Services. The network grew from six core members to over thirty at the end of the contract term. CAP Riverside supported the network through: oversight of member recruitment, training, and participation; presentation of EITC program development workshops at local, state and national conferences; oversight of the development of network handbooks on EITC program development; bridging EITC programs to other asset-building programs; provision of training and technical assistance to network staff and partners on procedures, policies, and outcome data/collecting and reporting; and development and implementation of a statewide electronic reporting system for member agencies. CAP Riverside, known throughout the nation for its incubation of pilot programs, handed-off the partners network to be managed by the state community action agency trade association, California-Nevada Community Action Partnership (Cal-Neva).

Project B.L.I.S.S. is a program where volunteers work with a family in poverty to create life changes that lead to self-sufficiency. Participants complete a fourteen-week course developed by Dr. Ruby Payne called "Getting Ahead." Participants learn to identify the root causes of poverty and behaviors and thought processes that keep them entrenched in poverty. The families consult with their volunteers (called allies) to map out goals and strategies for moving out of poverty. Most families graduate within two years. The program started with four families and now has 115 families countywide. Project B.L.I.S.S. has a seventy percent graduation rate, with most graduates returning to serve as allies to new families.

CAP Riverside has been extremely successful in cross-enrolling working-poor families in all three programs. This strategy maximizes these families' access to financial self-sufficiency.

## Community Action Partnership of Riverside County

**A.2 Describe your prior experience coordinating and operating an IRS volunteer return preparation program for low-income taxpayers. Tell us the number of years your organization (or sub-recipient organization) has participated in the VITA program.**

CAP Riverside has directly administered Riverside County's VITA program for nine years (2005-2013), which has included: volunteer recruitment, training, deployment, supervision and recognition; return filing and quality control monitoring; and securing cash and non-cash resources and new partners to support yearly VITA program goals. Between 2005 and 2013 over 17,285 returns were filed, of which more than 95% were e-filed. It is projected that in 2014, eighteen (18) sites will provide free tax-preparation services to over 3,500 low-income residents.

In 2008, 2009, 2010, 2011, 2012, and 2013 United Way of the Inland Valleys and Bank of America Foundation presented CAP Riverside with \$14,200, \$12,500, \$10,000, \$10,000, \$10,000, and \$10,000 respectively, to continue outreach efforts to increase the number of eligible taxpayers that learn about and claim the Earned Income Tax Credit (EITC). In 2009, CAP Riverside received a \$1,000 award from the Real Economic Impact (REI) Tour to increase outreach to the disabled community within the City of Riverside. These funds were leveraged with CAP Riverside's VITA Grant awards as a cash match to reach and assist residents in isolated and underserved communities.

**A.3 Provide an itemized list of the following for the three most recent years that your organization has been involved in the volunteer return preparation program. Include the source of your information. Please use the format (available in the VITA Grant 2012 Workbook) shown below. Be sure to only report production for the activities that will be covered by the VITA Grant. For example, adjust production for the overall coalition by**

### **B.2 Describe your volunteer training plan. Plan should include, but is not limited to:**

*Estimate of the total training hours per volunteer; Qualifications of instructors with regards to tax law and/or e-file processes; Method that you will use to train the volunteers, such as Link & Learn Taxes, self-study, or classroom training, and the training materials used whether developed by you or the IRS; and Any unique training curriculum you have developed or identified that is not provided by IRS. It could be training based on position held, such as tax return preparers, site coordinators, electronic return originators, screeners, quality reviewers, IT support or other related to tax return preparation.*

Hours: Each volunteer will receive fifty-one hours total in tax law, tax preparation, confidentiality, customer service, and site training: 1 hour orientation; 24 hours training; 1 hour site training; and 25 hours preparation. This will feature a series of classroom instruction, hands on software as well as a collection of mock scenarios and additional mock returns to be completed before the tax season. CAP Riverside will only deploy certified volunteers to the free tax preparation sites throughout Riverside County. Fifty percent of volunteers will be certified

## Community Action Partnership of Riverside County

as Advanced. These are individuals who have successfully trained and passed an IRS electronic test with a score of 80% or higher.

Instructors' Qualifications: Five volunteer instructors will provide 104 hours of training. All instructors are IRS certified through the Advanced level of tax preparation training and have at least one year of prior tax preparation and training experience, either professionally or as a volunteer. Instructors re-certify each year, receiving up-to-date information on tax laws and e-filing procedures. As an IRS certified trainer, the Program Manager supervises all instructors for consistency, accuracy and quality of instruction. Instructors sign a Memorandum of Participation committing to a minimum number of training hours that they will volunteer. Instructors are recognized with an Appreciation Plaque during the Volunteer Recognition event.

Training Delivery Method: Volunteer training is delivered utilizing an integrated training model which includes process-based classroom instruction, hands-on Tax Wise software training, as well as the IRS Link and Learn website. Classroom and one-on-one training are provided by trained, experienced returning volunteers as well as program staff. The on-line Link and Learn Taxes website provides enhanced tax law training in specific problems/exercises utilizing a variety of adult learning strategies including graphics, real world scenarios, and interview practice. Classroom training includes role-playing and helpful hints. Volunteers, staff and trainers have internet training access via the computer training room located at each training site and at CAP Riverside. Volunteers receive a Volunteer Orientation Packet that includes helpful resources and information such as, the *VITA Ethics and Code of Conduct*, safety, security, privacy/confidentiality issues, and the 2012/2013 training schedule. A Site Binder containing tax information is provided to each site to assist staff and volunteers. It is stored with

## Community Action Partnership of Riverside County

required reference materials and includes copies of *Volunteer Tax Alerts* (see p.29, F.1.4. Availability of Reference Materials.)

CAP Riverside will cross-train all volunteers and require site level volunteers to certify at the Basic or Advanced levels. At minimum, fifty percent of volunteers assigned at each site will be certified at the Advanced level. Cross-training will be completed through a mandatory orientation as well as a hybrid online / classroom Tax Law and Tax Preparation training.

Curricula: Volunteer training curricula has been revised to include additional hands on training, including Tax Wise software, role playing exercises, site specific position training, quality control, site security, and customer privacy. Cultural diversity and the culture of poverty training have been added to the curricula. Outlines describing specific training topics by volunteer position are distributed to volunteers as they register for training. Volunteers are required to certify at the Basic and Advanced levels. Volunteer meetings will be held monthly and a volunteer newsletter will be distributed monthly to keep volunteers abreast of tax law changes, program policy and procedure changes, site performance, and volunteer recognition activities. *Volunteer Tax Alerts* are distributed, within five days of receipt, to site coordinators to share and discuss with site volunteers. The Program Manager and Coordinator make random, unannounced site visits to talk with volunteers to ensure that *Volunteer Tax Alerts* are being properly disseminated and discussed. All training materials and outlines will be maintained for inclusion in the VITA grant year-end program narrative.

### **B.3 Document your strategy for recruiting and retaining volunteers.**

CAP Riverside anticipates operating eighteen (18) VITA tax sites in Riverside County for the 2013 tax season (2014). Sites have been selected based on their proximity to a large number

## Community Action Partnership of Riverside County

of low-income tax filers, willingness to participate as a VITA site, easy access for low-income taxpayers, and performance during previous tax seasons. CAP Riverside anticipates that 175 volunteers are needed for the upcoming 2013 tax season (2014): Banning Senior Center – Banning (10); Blythe (5); Casa Blanca – Riverside (25); Cathedral City Civic Center – Cathedral City (5); Center for Employment Training (CET – Indio/Coachella) (20); Cesar Chavez Center – Riverside (15); Chatigny Senior Center – Beaumont (6); Corona WIC (5); Desert Hot Springs – (5); Glen Avon Library – Jurupa Valley (6); Lake Elsinore (10); Moreno Valley (10); ); Hemet/San Jacinto (10); Perris (15); Riverside City College (RCC) (15); Rubidoux Library – Jurupa Valley (10) and The Empowerment Center – Temecula (5). In-kind value of support is provided in the Matching Funds Summary Chart. A Memorandum of Participation and a commitment letter from each site will be provided per the VITA grant instructions. Volunteers will receive mileage reimbursement as a retention incentive.

Volunteer recruitment, and retention, is a year-round effort with aggressive outreach starting in September (see Media Timeline). Volunteer recruitment flyers will be distributed to: past volunteers; county employees; University of California at Riverside and California Baptist University Accounting Societies; other community college and university departments; site partners; American Association of Retired Persons (AARP); senior centers; churches; Parents and Teachers Associations (PTA) Boards; Head Start Policy Council; libraries; community centers; news media; etc. Each volunteer who expresses interest will receive a follow-up phone call or e-mail from the Program Coordinator and a volunteer recruitment packet within two business days. Approved volunteers will register with and use the Internal Revenue Service Volunteer Portal to: 1) schedule; 2) track training; 3) check site assignments; and 4) track

## **Community Action Partnership of Riverside County**

volunteer hours. The volunteer recruitment packet includes: VITA Volunteer Application (Standards of Conduct); Volunteer Process Frequently Asked Questions Sheet; Site Location Listing; Job Descriptions; Sexual Harassment Information; Code of Conduct; Program Expectations; Suggestion Form; and Time Sheet. Once a Volunteer Application has been received and processed, the prospective volunteer will be interviewed by the Program Manager to determine the level of experience. Once approved, the volunteer will be scheduled for orientation and training appropriate for their volunteer position. Site coordinators, trainers, and mentors for new volunteers will be recruited from returning volunteers.

CAP Riverside has learned from experience that retention of volunteers is a multi-faceted process which includes: providing quality, accessible training; follow-up support and feedback from staff; providing clear, open channels of communication between volunteers and staff; providing volunteers with support resources; keeping volunteers informed of policy/procedural changes; treating volunteers with respect, dignity, and appreciation; praising them for good work; coaching them privately for improvements; and recognizing volunteers' achievements throughout and after their term of service. All volunteers receive a monthly mileage incentive as a means of defraying the cost of commuting to sites throughout Riverside County. Accounting students who are members of the University of California at Riverside's Accounting Society and the California Baptist University Accounting Society receive credit for community service hours, acquire new skills to showcase on their resumes, and receive a Letter of Reference from the Executive Director of CAP Riverside. These incentives encourage repeat participation and word-of-mouth recruitment amongst college students. All volunteers are recognized at an annual recognition ceremony where CAP Riverside board members, partners, elected officials and the

## Community Action Partnership of Riverside County

press participate. Volunteers are further recognized with a prestigious bronze, silver, or gold national President's Volunteer Service Award pin and certificate in accordance to the number of volunteer hours they served. All volunteer names are included in a full-page "Thank You" advertisement published countywide in a major regional newspaper.

### **B.4 *Discuss your publicity plan. Be sure to address:***

*The timeline for marketing your tax preparation program to the underserved community; The messages, methods, materials, and channels (media, posters, web site, etc.) to be used to reach the underserved populations and hard to reach areas you will target; and Any services being provided for special populations, e.g. interpreters for individuals hard of hearing.*

Timeline: Prior to 10/2013: develop outreach strategy and plan; and update CAP Riverside website, outreach flyers, print ads, press releases, and public service announcements (PSAs).

10/2013 – 12/2013: finalize advertising/outreach strategies; disseminate updates for partners' website postings; plan and finalize CAP Mobile unit "special event" calendar for remote and isolated poverty pockets; begin community outreach (radio, local cable television, press releases, flyers, resource/community education bags); finalize kick-off event; advertize in CAP Riverside's quarterly newsletter ActionGram.

1/2014-3/2014: begin kick-off events (refreshments will be served); distribute sandwich-board signs, distribute outreach flyers and resource bags to site partners, other service providers, faith-based organizations, public outlets, and via e-mail to all county employees; issue website updates; follow-up outreach (radio, local access cable television, press releases, flyers, resource/community education bags); open VITA sites; implement special events to remote and

## Community Action Partnership of Riverside County

isolated poverty pockets via CAP Mobile; advertize in CAP Riverside's quarterly newsletter ActionGram.

4/2013-5/2013: follow-up outreach (radio, local television, press releases, flyers, resource/community education bags); close out VITA sites; publish volunteer recognition advertisements; event coverage in CAP Riverside's quarterly newsletter ActionGram. All information is presented in English and Spanish.

Media channels: All publicity is multi-lingual (English/Spanish) and will stipulate that tax assistance is free of charge. Tax preparation messages will be posted countywide. Public Service Announcements on radio and television will include mainstream and public access channel spots. Outreach flyers will be posted on partners' websites and distributed to: tax preparation sites; faith-based organizations; community centers; community social services organizations; libraries; Head Start programs; First 5 Riverside; Riverside County Child Care Consortium (who services over 5,000 child care providers); youth programs such as Boys & Girls Clubs, Youth Opportunity Centers, and YMCA/YWCA's; CAP Riverside programs that annually service over 15,000 customers; Parents and Teachers Associations (PTA's); senior centers; nutrition centers; low-income housing complexes; county offices (unemployment, welfare, food stamps, health clinics, Women and Infants Centers (WIC), etc.). Flyers will be sent via CAP Riverside "poverty pockets" mailing list, which is updated through programs and services involvement, community surveys, focus group meetings, community events, etc. VITA site information will be provided to the County's "2-1-1" information telephone line.

Resource/Community Education Bags: In addition to the various media channels utilized for publicizing free tax preparation, CAP Riverside will prepare resource/community education

## Community Action Partnership of Riverside County

bags to be given out at all outreach events promoting tax preparation services as well as to all taxpayers visiting VITA site locations. Outreach events include, but are not limited to, community resource fairs, energy clinics, program workshops, and partner networking. Resource/community education bags will include information on free tax preparation and the EITC credits, additional CAP Riverside programs (utility assistance, weatherization, cool/warm centers, dispute resolution, and Project B.L.I.S.S.), partner resources, and financial literacy. CAP Riverside will print 20,000 copies (English and Spanish) of a Frequently Asked Questions (FAQ) Sheet to include in each resource/community education bag. The FAQ includes general financial literacy topics such as where to go for help. This financial education piece will be utilized to help create interest in and motivation towards financial health and increased financial skills for Riverside County residents. Resource/financial education bags will also be used as a volunteer recruitment tool, sparking program interest for potential community volunteers.

Special services: All sites will comply with the American Disability Act (ADA) and are located along public bus lines. Recruitment for multi/bi-lingual volunteers will be implemented at California Baptist University (Cal Baptist), the University of California at Riverside (UCR) campus, Mt. San Jacinto College, Riverside City College and the College of the Desert to ensure support for limited-English speaking taxpayers. CAP Riverside maintains a TTY line and will continue to develop a new partnership with the California School for the Deaf to provide interpreter services for the hearing-impaired. Language and hearing-impaired interpreters are assigned to tax preparation appointments when requested. "Special Event" days will be scheduled for the CAP Mobile Unit as appointments are made from special outreach efforts,

## Community Action Partnership of Riverside County

including: targeted mailers; distribution of flyers through local service providers; and via phone and e-mail contact.

**B.5** *Describe your access to technology. Be sure to:*

*Document your organization's current access to resources to e-file returns, including the availability of computers, printers, space, supplies, and the internet; Address whether you are dependent on IRS computer resources or whether you have identified resources in the community; and Estimate the number of IRS computers and printers you or your coalition members anticipate using. If you will not use ITS equipment (computers or printers), please state that no IRS equipment is used.*

Current computer access: All VITA sites have been selected based on their capacity to provide adequate space, secure storage, and availability of computers, printers, photocopiers, and internet access. CAP Riverside currently maintains fifteen desktop computers, forty-five laptops, and twenty printers at its office from prior seasons designated for e-filing tax returns.

The Program Manager's laptop and printer will also serve as loaners to eliminate downtime, if site equipment fails. Each site will have access to storage bins to secure equipment and supplies during tax season. The storage bins will be accessible only to the site coordinators, the Program Manager, and the Program Assistants. Electronic equipment purchased for the VITA program is stored during the off-season at CAP Riverside in a locked, environmentally controlled, asset closet. Access is limited to authorized CAP Riverside staff.

IRS Equipment: It is not anticipated that CAP Riverside will require the use of IRS equipment.

### **C. VITA Target Audience**

## Community Action Partnership of Riverside County

**C.1 Describe your plans to focus on extending services to underserved populations (urban and non-urban) and hard to reach areas. Be sure to:**

***Indicate a primary and secondary focus. Please provide relevant rationale and demographic data, citing source, for your primary and secondary focus. Classify your primary and secondary focus as either low income, elderly, rural, persons with disabilities, limited English proficient, or Native American. You can describe any other subsets of these populations in your narrative. Indicate the number of individuals you propose to reach with your primary and secondary focus on the VITA Grant Workbook.; Discuss the underserved population, underserved geographic area, and/or hard to reach area of your program will target.***

Riverside County is the second largest of a six-county Southland, which includes Riverside, Los Angeles, Orange, Imperial, San Bernardino and San Diego Counties and geographically covers over 7,200 square miles. Approximately one out of every nine (11.51%) families in Riverside County live in poverty; one out of three (29.6%) of these families have children under 18 years of age (U.S. Census Bureau, 2000 Census). Riverside County's rapid growth, coupled with high unemployment (11.5%) and loss of housing, has placed a heavy burden economically, socially, and financially on its residents. Additionally, the number of families living with incomes slightly over the poverty guidelines has increased substantially. These families are identified as "working-poor" – people who are one economic emergency away from needing public assistance. CAP Riverside's primary focus is to provide free tax preparation to low-income and working-poor individuals and families; its secondary focus is to provide free tax preparation services to taxpayers with limited-English proficiency within Riverside County.

**Community Action Partnership of Riverside County**

The current poverty rate in Riverside County is 16.4%; nine cities within Riverside County limits have poverty rates above 16%. These nine cities have been identified as “poverty pockets” – communities in which a majority of residents have incomes at or below the federal low-income poverty guidelines.

**Riverside County Poverty Pockets (over 16.4% poverty)**

<b>City</b>	<b>Percentage of Population Below Poverty Level</b>	<b>District</b>
Coachella	26.3%	4
Desert Hot Springs	25.6%	4
Perris	25.4%	5
Indio	21.0%	4
Hemet	19.4%	3
Cathedral City	18.8%	4
Moreno Valley	18.2%	5
San Jacinto	17.6%	3
Banning	17.4%	5

Permanent VITA sites have been established in the “poverty pocket” communities of Coachella, Desert Hot Springs, Perris, Indio, Cathedral City, Moreno Valley, San Jacinto, and Banning. Communities identified as “poverty pockets” without partnerships sufficient to support a permanent site, such as Hemet, are supported by pre-scheduled VITA special event days.

## Community Action Partnership of Riverside County

CAP Riverside plans to reach approximately 3,545 families with tax services during the 2013 tax season (2014). IRS-sponsored VITA sites are positioned to outreach in all underserved areas and/or isolated communities within Riverside County, such as rural and remote desert communities with limited transportation. Evening and weekend VITA sites hours are provided to support the various work and family schedules of working-poor taxpayers and their families. CAP Riverside's secondary focus is taxpayers with limited English proficiency. Of Riverside County's 1,991,378 individuals age 5 and over, 39.9% speak a language other than English in their home, and 330,990 (16.3%) speak English "less than very well" (U.S. Census Bureau, 2010 American Community Survey 5-Year Estimates). Riverside County has experienced an increased need for services to be offered in a bi-lingual format and CAP Riverside will continue to make necessary program adjustments to meet these needs. CAP Riverside provides bi-lingual outreach (flyers, posters, Public Service Announcements, press releases, etc.) throughout Riverside County, as well as bi-lingual translators at all VITA locations. The primary language need in Riverside County is bi-lingual Spanish-English; however, members of CAP Riverside's VITA volunteer base speak several different languages, including Chinese, Korean, Vietnamese, Tagalog, and Arabic, further increasing the agency's capacity to serve all taxpayers visiting VITA locations.

Included within the primary and secondary target audiences are those low-income taxpayers who have limited access to services, such as the disabled, seniors, and tribal members. CAP Riverside has been extremely successful over the past three years outreaching to Riverside County's disabled residents through special events at community centers that serve the disabled community. CAP Riverside has recently developed an extensive community referral program

## **Community Action Partnership of Riverside County**

with the Riverside County Office on Aging to increase outreach to seniors about available tax preparation services. A partnership was formed with the American Association of Retired Persons (AARP) in Riverside County to provide VITA site information for the Tax Care for the Elderly (TCE) services provided by AARP. CAP Riverside is also collaborating with the Foundation for Economic Stability (FES) to provide volunteer recruitment and training to expand outreach and direct services to the senior and disabled population within poverty pockets in Eastern Riverside County. CAP Riverside continues to develop relationships with local tribes to provide free tax preparation services to low-income tribal members and hotel/casino employees located on tribal lands in Riverside County. CAP Riverside will continue to bring services directly to local tribes through special events utilizing the CAP Mobile Unit.

### ***C.2 Provide the following information in an Excel attachment.***

*New sites proposed for 2014. A general location is all that is required (city, state, county).*

*Established sites from 2013*

*Name of site*

*Site Address (city, state, county)*

*Hours of operations*

*Electronic filing identification number (EFIN)*

*Site identification number (SIDN)*

*Computer kiosk services offered*

*Identify the sites that serve rural areas or special needs (LEP, persons with disability, etc.)*

## Community Action Partnership of Riverside County

Attachment identifies all proposed and established sites along with return preparation projections for the 2013 (2014) tax season (see VITA Grant Workbook – VITA Target Audience - Item C.2).

**C.3** *Provide the number of federal tax returns you propose to prepare and e-file and your strategy for achieving this goal. At minimum, three percent growth over the prior year is expected. However, if you have consistently demonstrated a greater percentage of growth year-to-year, your plan should consider your own performance when determining this number.*

CAP Riverside proposes to operate eighteen sites throughout Riverside County; total projected return preparation is 3,545; e-file target is 95% (see VITA Grant Workbook –VITA Target Audience - Items C.1-4 Summary). All sites will use mobile broadband for preparing tax returns and e-filing. This will facilitate timely, accurate, secure tax preparation and reduce the error rate. Updates will automatically be available thereby increasing reliability and accuracy of information transmitted. Mobile broadband will allow transmission at any site. All volunteers will be cross-trained to transmit returns.

The Program Manager and Program Assistants will monitor return production numbers from all sites during the first two weeks of tax season to evaluate whether adequate volunteers are assigned to each site to handle the volume of taxpayers seeking services at each site. Volunteers will be re-assigned, as needed, to ensure that taxpayers are served as quickly and efficiently as possible at each site. Error rates will be analyzed at each site and additional

## Community Action Partnership of Riverside County

training will be provided as determined by continued analysis. Outreach efforts will be adjusted to increase focus on sites with lower production numbers to ensure that goal is achieved. The strategy is to continue streamlining the management process of all sites with an increased focus on return production and quality control. Experienced site coordinators will be present at each site to oversee the flow of operations, increasing return capacity and ensuring quality tax preparation. The volunteer training curriculum was revised in 2012 to include site specific information and the use of Tax Wise software; the training curriculum is reviewed annually to determine efficacy and need for updates/changes. Many of the 2012 (2013) tax season volunteers plan to return, bringing with them a broader knowledge base and prior year experience, resulting in a cadre of volunteers sharing deep knowledge (see VITA Grant Workbook – VITA Target Audience - Items C.1-4 Summary).

### ***C.4 Provide the total number of volunteers you anticipate using in the program.***

Total projected number of volunteers completing training is 175. Experienced, reliable volunteers with low error rates from the previous tax seasons are actively recruited as trainers, site coordinators, and mentors for new volunteers. Many volunteers from 2012 (2013) tax season have expressed interest in returning for the 2013 (2014) season. CAP Riverside's goal is to maintain a volunteer pool that is comprised of 50% or more of returning experienced volunteers. CAP Riverside will continue to recruit accounting student volunteers from the University of California at Riverside and their East County campus, California State University at San Bernardino, and California Baptist University. CAP Riverside is also working to develop a similar partnership to include student volunteers from Riverside City College, Mt. San Jacinto College and College of the Desert. Additional volunteer recruitment is conducted through

## Community Action Partnership of Riverside County

Welfare-to-Work offices throughout Riverside County, with financial partners and job training programs.

### ***C.5 Discuss what you will do to handle overflow and how you will ensure the taxpayer receives service when they request.***

Most CAP Riverside's VITA sites operate on a first come/first served basis, which can potentially create customer overflow. CAP Riverside has taken proactive steps such as increasing tax preparation equipment and volunteers deployed to sites in an effort to minimize this possibility. Volunteers are trained to estimate a site's daily return preparation capacity given the number of volunteers on hand. They are trained to identify which returns are beyond the scope of the VITA program and should be referred to other resources. CAP Riverside's volunteer training format will give tax preparers more practical knowledge of Tax Wise software and relevant site training will increase volunteers' confidence to efficiently carry out their responsibilities. Should a site experience an overflow of taxpayers, the site coordinators will assess available resources and determine a plan of action which could include, but is not limited to: requesting additional volunteers; contacting nearby site coordinators for potential reassignment of volunteers to highly impacted sites; or referring taxpayers to nearby partner AARP sites. While waiting for the next available volunteer tax preparer, taxpayers are engaged by a resource/referral volunteer who is trained to provide financial literacy and additional resource referral information.

CAP Riverside will also operate several appointment-only sites as deemed necessary. Appointment-schedulers will be trained to schedule adequate time for appointments to prevent a backlog of taxpayers. Should a site experience a backlog of taxpayers, the site coordinators will

## Community Action Partnership of Riverside County

assess available resources and determine a plan of action, which could include, but is not limited to requesting additional volunteers and offering a referral to a nearby site or partner AARP site.

**C6. *Identify other service delivery methods, such as mobile; ad-hoc; facilitated self-assistance sites; virtual VITA sites, and tell us why and to what degree you are planning to use this as a service delivery method.***

CAP Riverside has furnished a mobile office in order to provide tax preparation services to underserved populations in remote areas of the county. The CAP Mobile Unit is utilized on an ad-hoc basis, with the schedule being developed in advance to allow for adequate notice to the community, utilizing local partner organizations, print media, local radio and television outlets. On those rare occasions when regular, fixed sites are unavailable, CAP Riverside continues to work with alternative sites to sponsor ad-hoc special events so that the community has sustained access to free tax preparation services. This strategy was implemented in 2008 and continues to be utilized to meet the needs of the remote and underserved communities of Riverside County.

CAP Riverside will use the Facilitated Self Assist (FSA) method at the following sites: Casablanca Library; Perris Southwest Veterans Business Resource Center; Cesar Chavez Center; and Center for Employment Training in Coachella. FSAs will have a dedicated computer, printer, and staff. CAP Riverside successfully completed a pilot run of the FSA option in the 2012 filing season and found it feasible to use in 2013. FSA will support communities with preparing more returns, reduce lines, and increase taxpayer education in regards to understanding their own tax return.

**D. Ability to Partner or Collaborate with Multiple Organizations**

## Community Action Partnership of Riverside County

**D.1 Describe your organization's mission as it relates to low-income individuals and families. In addition, include a full explanation of your agency's relationship with schools, governmental entities, community based non-profits or for-profit organizations.**

The agency mission statement is, "Community Action Partnership of Riverside County, with the community, strives to eliminate poverty by facilitating opportunities towards self-sufficiency through education, wealth building, advocacy, and community organizing," which directly focuses on the goal of serving the poor. CAP Riverside has an extensive network of over 400 partners from the public, private, education, business, financial, health, and community and faith-based sectors. Over 173 partners have a contract, Memorandum of Understanding (MOU) or Participation (MOP) with CAP Riverside to provide services and programs to low-income residents throughout the County. Since CAP Riverside is a county agency it collaborates with many other county agencies to ensure services are accessible to low-income residents, including: Public Health, Mental Health, Department of Public Social Services, Office on Aging, Economic Development Agency, Housing Authority, etc. Support from the County Board of Supervisors is another way that CAP Riverside recruits and maintains its many partnerships. New partnerships are developed through referrals, community events (such as VITA, health fairs, county forums, etc.), task forces, collaboratives, and invitation. CAP Riverside's partners are committed to leveraging and sharing resources for the common cause of helping the poor.

**D.2 Describe the roles and responsibilities of each collaborating organization, to include contributions of each, such as: space provided for site; equipment; training assistance; funding; advertising; publicity; supplies; internet connectivity.**

## Community Action Partnership of Riverside County

Each partnership established through a Memorandum of Understanding (MOU), Memorandum of Participation (MOP), a sub-contract, or other agreement with CAP Riverside, opens channels of communication that enable referrals, outreach, and other support to take place. Site orientation meetings are scheduled before the start of tax season with each site to address questions and concerns. During tax season the Program Manager, Program Coordinator, site coordinators and other staff are available to partners to address arising concerns or questions. Site partners submit monthly evaluations to provide the program with feedback. Evaluations are reviewed by program staff, and if appropriate, action is immediately taken to modify or adjust activities. Partners are kept informed through the volunteer newsletter, website updates and emails from staff.

**D.3 Describe your organization's role if you are a lead organization filing this application on behalf of a coalition; list all coalition partners' names.**

This is not a coalition-based proposal.

**E. Sustainability and Growth Strategy**

**Document your organization's plans for sustaining and growing your program long term. Describe how you will use the grant funds requested to grow and sustain your VITA Program long term. Include your strategy for: Increasing e-file capacity; Securing additional funding sources; Targeting of underserved populations; Recruitment of volunteers; Retention of volunteers; and Expansion of collaborative efforts among community organizations.**

**Increasing e-file capacity:** CAP Riverside proposes to operate eighteen (18) sites throughout Riverside County; all of the 2012 (2013) tax season sites/EFINs will remain active. The strategy is to continue streamlining the management process of all sites and to encourage a

## **Community Action Partnership of Riverside County**

larger role for collaborative partners. CAP Riverside will continue to focus on increasing return production and improved quality control measures. Tax payers are encouraged to e-file and are provided with information on the benefits of e-filing. The percentage of e-filed returns remains in the high 90 percentile of returns. Experienced site coordinators will be present at each site to oversee the flow of operations, increasing return capacity and ensuring quality tax preparation. The volunteer training curriculum was revised in 2009, 2010, and 2012 to include site specific information and the use of Tax Wise software.

**Securing additional funding sources:** CAP Riverside continues to seek cash and non-cash resources to sustain its VITA program through grant applications and leveraged partnerships. CAP Riverside developed a non-profit arm, Foundation for Economic Stability (FES), to seek and leverage private sector funds for support of its programs. CAP Riverside has an excellent network of partners who continue to provide in-kind support of facilities, trainers, outreach, volunteer recruitment, etc.

**Targeting of underserved populations:** CAP Riverside also has expanded the number of Program staff conducting outreach within the primary and secondary target populations to increase community awareness of services provided. Outreach sessions include financial education training and advocacy information concerning the use of refund anticipation loans, check cashers and payday lenders, traditional banking services and asset building programs administered by CAP Riverside. The CAP Mobile Unit is utilized as an information resource center when traveling to remote, rural, isolated and underserved communities, which are generally high poverty pockets.

## Community Action Partnership of Riverside County

***Recruitment of volunteers:*** Volunteer recruitment, and retention, is a year-round effort. The marketing plan and volunteer plan will be reviewed annually to determine what works and does not work. Debriefing sessions will be held with existing volunteers to analyze results of the review. Best practices arising from the review and volunteer debriefing will be incorporated in volunteer recruitment strategies to sustain existing numbers and ensure growth for future tax seasons.

**Retention of volunteers:** Many of the 2012 (2013) tax season volunteers plan to return, bringing with them a broader knowledge base and prior year experience, resulting in a cadre of volunteers sharing deep knowledge. Strategies used to ensure high retention rates of previous year volunteers include recruiting first and second year college students that are likely to return to the program as they work through their remaining years in school; recruiting retired community volunteers that have more open scheduling availability for the program and are likely to return each year; and holding year-end focus groups with volunteers to address any issues and make changes to program procedures that may prevent members of the volunteer base from returning in the future.

**Expansion of collaborative efforts among community organization:** CAP Riverside plans to grow East County by one additional tax center and strengthen established sites to increase returns by fifty percent. This will be accompanied by an aggressive outreach campaign to CAP Riverside's strong network of partners to help grow awareness in East County. In addition to this strategy, CAP Riverside will make an aggressive outreach to engage partners of the countywide VITA Coalition to encourage support, participation, and leveraging of new multi-sector partners.

### F. Quality Control Process

1. *Describe the processes and procedures in place to ensure adherence to each IRS quality site requirements.*

#### 1. Certification of volunteers

- Form 13615, *Volunteer Standards of Conduct Agreement - VITA/TCE Programs* is signed by the volunteer as documentation of completing Standards of Conduct training.
- The original signed Form 13615 is then filed with Program Coordinator.
- A hardcopy of Certification(s), documenting completion of training and certification level(s) is given to Program Coordinator before volunteer can serve at a site. A hardcopy is then filed with Program Coordinator.
- The Program Manager will periodically make random quality control checks of Program Coordinator's files to ensure that each volunteer has a signed Form 13615 and the appropriate Certification(s) [i.e., trainers and site quality reviewers are required to certify to the intermediate level].
- See p.9 Volunteer Hours and p.28 Curricula.
- All volunteers will be cross-trained to interview, conduct intakes, tax preparation, quality review, conducting exit interviews, transmitting returns, and correcting errors.

#### 2. Intake/Interview Process

- A hardcopy Form 13614-C, *Intake/Interview and Quality Review Sheet* is completed for each return and reviewed by the tax preparer with the taxpayer for accuracy.

#### 3. Quality Review Process

## Community Action Partnership of Riverside County

- A return will not be accepted for review without a Form 13614-C.
- The tax preparer submits returns with documentation to Quality Reviewer who reviews 100% of returns for accuracy, errors, and Form 13614-C.
- After quality review, each return is printed and reviewed with the taxpayer for approval and signature before taxpayer leaving the site.

### 4. Reference Materials Availability

- Each site has a tote that contains all reference materials (Publication 4012, *Volunteer Resource Guide*; Publication 17, *Your Federal Income Tax for Individuals*; and Publication 3189, *Volunteer e-file Administrator Guide*)
- Program Coordinator will distribute to site coordinators any *Volunteer Tax Alerts* within 5 days of SPEC issuance. Site coordinators are instructed to review and discuss alerts with volunteers immediately upon receipt. Volunteers should initial and date alert after the site coordinator has reviewed it with them. Site coordinator retains copy of signed alert.
- Program Coordinator and Manager will make random site visits to ensure all totes contain reference materials and timely copies of *Volunteer Tax Alerts* [within 5 days of SPEC issuances]. See p.6 Program Coordinator and p.10 Training Delivery Methods and Curricula.

### 5. Timely Filing of Return

- Paper: taxpayers are given an extra copy of their return and instructions on where to sign and how to file return.
- E-File: returns are transmitted within twelve hours of returns being prepared.

## Community Action Partnership of Riverside County

- Transmissions are checked for acknowledgement within 24 hours. Rejects are addressed for resolution within 48 hours and resolved and retransmitted as quickly as circumstances will allow.
- Program Coordinator works with SPEC Territory Representative to ensure all sites are filing.

### 6. Volunteer Agreement

- Form 13615, *Volunteer Standards of Conduct Agreement - VITA/TCE Programs* is signed by the volunteer as documentation of completing Standards of Conduct training. Program Coordinator dates and signs each Form 13615 upon receipt to verify identity of volunteer and completion of required training.
- The original signed Form 13615 is then filed with Program Coordinator.
- The Program Manager will periodically make random quality control checks of Program Coordinator's files to ensure that each volunteer has a signed Form 13615.

### 7. Civil Rights Notification

- English/Spanish Title VI of the Civil Rights Act of 1964 flyers are posted at and distributed to each VITA site. Program Coordinator and Manager will make routine site visits to ensure appropriate display and availability of flyers.

### 8. Site Identification (SIDN)

- Software at each site is preprogrammed by Program Coordinator to include site specific Site Identification Number (SIDN) on all necessary forms.
- Program Coordinator prints the set up page and review it for accuracy to ensure software has been programmed correctly. Program Coordinator or Manager will periodically randomly print set-up page during site visits.

## Community Action Partnership of Riverside County

### 9. **Electronic Filing Identification (EFIN)**

- Software at each site is preprogrammed by Program Coordinator to include site specific Electronic Filing Identification Number (EFIN).
- Program Coordinator prints the set up page and review it for accuracy to ensure software has been programmed correctly.

### 10. **Security, Privacy and Confidentiality**

- Program Coordinator and Manager will make routine site visits to ensure that computers are separated for privacy, taxpayers are interviewed privately, taxpayer information, documents, copies are secured, shred box is not accessible to public, and that electronic passwords are in place.
- All taxpayer documentation is locked up by site coordinators.
- All computers and software are password protected.
- All unused or extra copies are shredded on-site.
- All volunteers receive specific training on security, privacy and confidentiality.
- Online web access will be secure and encrypted.
- CAP Riverside will return Form 8879 to the tax payer; this form will no longer be kept by CAP Riverside.

*2. In addition to addressing your program's adherence with the quality site requirements provide any additional procedures or processes implemented to ensure quality of return preparation that is not required by IRS. Also, include the results of documented reviews by your program participants, not IRS, and the actions taken or planned to overcome any identified deficiencies.*

## Community Action Partnership of Riverside County

CAP Riverside employs a four-tier approach to ensuring and maximizing VITA program quality control: 1) Volunteer Management; 2) Site Management; 3) Tax Return Quality Control Checks; and 4) Customer Service.

Quality Control will be heavily emphasized in training. Site Operations training has been revised to include a more in-depth, working knowledge of site operations, Tax Wise software and quality assurance procedures. Site operations will be streamlined to include a tax return “cover sheet” for the taxpayers and a return processing summary to be completed by the volunteer preparer for each return. Additional training on software will help to decrease the most common mistakes at the site. The IRS Form 6729 will be referenced for on-site visits throughout the program term.

1) Volunteer Management: Experienced, reliable volunteers with low error rates from the previous tax seasons are actively recruited as trainers, site coordinators, and mentors for new volunteers. Each volunteer receives a clear, detailed, written job description during orientation. CAP Riverside provides over forty-eight hours of tax preparation training to each volunteer through its Community Action Academy. Training includes: IRS-approved tax preparation curriculum; role-playing various scenarios volunteers might experience at a VITA site; changes in tax law for current season; avoiding common errors from previous year; customer service; and specialty workshops for site management, transmitting, and reporting.

2) Site Management: Each site hosts one site coordinators, one assistant site coordinators, tax preparers, screener/interviewers, a quality reviewer, and interpreters (as needed.) VITA program staff conducts weekly and monthly site visits based on sites’ needs and return volumes. Site coordinators provide weekly site reports that include: return volume per site, customer or

## Community Action Partnership of Riverside County

volunteer issues; site operations; site safety - - incident and injury reports; and special issues that require VITA staff's involvement. VITA program staff members also conduct random unannounced site visits to ensure a quality program.

3) Tax Return Quality Control Checks: A site's Quality Reviewer uses a daily report to track the frequency and type of errors generated by tax preparers. Site managers and program staff use these reports to provide immediate feedback to tax preparers on errors and resolution of IRS rejection rates. Each week, program staff will review each site's error and rejection rates to determine if additional group or one-to-one training is necessary. Error rate analysis is also discussed with CAP Riverside's senior management team to develop corrective action plans to ensure rates are kept at an IRS acceptable/reasonable level.

4) Customer Service: Each taxpayer receives an VITA Customer Satisfaction Survey to complete. The survey captures data related to the quality of site services: accessibility (hours and location); convenience of site hours; perceived knowledge of tax preparer; demeanor of site volunteers (courtesy, friendliness, etc.); and overall experience. Taxpayers are encouraged to complete the survey as well as an informational questionnaire that includes demographic questions on household size, income, highest level of education, etc. These documents are used to address taxpayer concerns, with regard to the quality of service received at sites and to paint a picture of the type of client our sites are serving. Comment sections are available for taxpayers to include additional information not listed on the forms. Taxpayer calls into CAP Riverside are documented by the clerical staff. Knowing the flow of calls and the information most often requested helps staff to provide quality service to all taxpayers and volunteers alike. Volunteers will have direct access to the Program Manager and Program Assistants regarding customer

## Community Action Partnership of Riverside County

complaints. Should a volunteer call in regarding a complaint at the sites or an issue, the call is forwarded to the Program Manager and documented in a database containing customer concerns. The Program Assistants and Program Manager review this information daily/weekly as needed to resolve any outstanding issues or to develop training for volunteers or sites. The information is also used during the debrief sessions scheduled for the conclusion of the season to address the need for changes in customer service. The VITA Program and CAP Riverside Planning staff review aggregated results twice a month to determine what, if any, corrective action is required. All VITA Program staff and volunteers receive cultural diversity and the culture of poverty training to facilitate high quality customer service (see p.5 Cultural Competency.)

### G. Program Measures

*The VITA Grant Program objectives are:*

**Extend services:** CAP Riverside will provide tax preparation services during after-hours (e.g., Friday evenings, Saturdays, and Sundays) for the convenience of working tax payers. CAP Riverside also provides year-round tax preparation.

**Increase E-file:** CAP Riverside's goal is to increase the number of tax returns prepared by approximately 7% (3,378) over the total number of returns prepared during the previous year. Tax Wise is the central information resource for this goal. Taxpayer sign in sheets will also indicate type of returns being completed and length of time taxpayers spend at the site. Site coordinators will be asked to complete a daily log of returns at the site, level of difficulty, and number of requests to prepare complex returns at the sites.

Additionally, CAP Riverside's goal is to reduce the number of paper filed tax returns by increasing the number of e-filed tax returns to 95% of the total number of returns prepared. Tax

## **Community Action Partnership of Riverside County**

Wise is a primary indicator for this goal. Preparers will be encouraged to advise taxpayers that all returns are electronically filed unless there are extenuating circumstances for the return to be paper filed, i.e. new Individual Taxpayer Identification Number (ITIN) applications. Taxpayers will also be encouraged to utilize direct deposit services when receiving tax refunds.

***Heighten quality control:*** The volunteer training curricula has been amended to include intensive training on quality control. Each return will receive an on-site quality review prior to filing. The Program Manager and Coordinator will make more random site monitoring visits to ensure security, customer privacy, quality customer service, and quality returns/filings. All volunteers will be cross-trained to interview, conduct intakes, tax preparation, quality review, conducting exit interviews, transmitting returns, and correcting errors.

***Enhance training of volunteers:*** Volunteers will be asked for feedback on enhanced training modules and asked to submit their ideas for improvement. Suggestions will be incorporated in general volunteer training. Customer satisfaction surveys will be reviewed to determine any areas of customer services requiring improvement. Training will be developed to address these areas of concern via classroom, on-site, memorandum, or monthly volunteer newsletter.

***Improve accuracy of returns:*** CAP Riverside's goal is to streamline site operations and improve quality assurance resulting in an overall rejection rate of 8% or less. This includes an 100% quality review of each return prior to filing.

***Explain the process and procedures in place to measure the overall effectiveness of your VITA program and the results achieved.*** CAP Riverside programs, VITA included, start their contract

## Community Action Partnership of Riverside County

year with logic models that identify programmatic outcomes and objectives projections for each program or service. Participants are assessed, at minimum quarterly, throughout the contract term to evaluate the impact of the program on them. These evaluations create benchmarks that show progress toward reaching the program outcomes (end results). Some evaluation tools, such as surveys, questionnaires, etc., are administered at the end of specific events and activities such as training workshops, event fairs, tax preparation, etc.

Program managers are required to submit quarterly Program Progress Reports (PPRs) to CAP Riverside's Planning Division. The Planning Division staff review the PPRs to assess the level of goal accomplishment. The results are reviewed with the Program Manager and senior management. A strategy is developed for improvement, enhancement, or replication of success. Because the tax season is short-term, the PPR for the VITA program is submitted on a monthly basis for timely review.

*Identify your VITA Grant objectives and additional program goals for the award year. Your additional program goals are those that are over and above the VITA Grant objectives, as stated above. Goals should be specific and measurable. Some examples may include goals for an EITC day, a Super Saturday, a customer survey on level of service, a decrease in wait time, or an offering of financial education/asset building programs.*

### **Program goals and Objectives for award year:**

#### ***Improve accuracy of returns:***

1. The overall rejection rate of returns will be 8% or less

## **Community Action Partnership of Riverside County**

CAP Riverside's goal is to streamline site operations and improve quality assurance resulting in an overall rejection rate of 8% or less. There will be 100% quality review of each return prior to filing.

### ***Volunteer retention:***

2. CAP Riverside will retain 50% or more of prior year experienced volunteers.

CAP Riverside maintains past and current year volunteer databases, which will be used to monitor volunteer retention. Volunteers are encouraged to provide regular feedback regarding training, site operations and outreach. Survey responses are aggregated and reviewed by Program staff and the Program Evaluator. Volunteer service hours will be tracked via the Volunteer Hub and recognized at the conclusion of tax season with a full-page "Thank You" advertisement in the local newspaper; circulation was countywide. Service is also recognized at an East County and West County Volunteer Recognition Ceremony, where volunteers are presented with a national President's Volunteer Service Award pin and certificate. Refreshments will be served at both events. The number of awards and their levels are tracked.

### ***Explain how you plan to measure the success of your program goals and the VITA Grant Program objectives including the tools and methodology used.***

CAP Riverside projects that a 85% achievement of the two outcomes identified above will constitute successful accomplishment of the outcome. This is an average percentage used by many public funders. CAP Riverside uses Tax Wise, IRS provided ad hoc reports and Excel spreadsheets to monitor results and to compile weekly reports. The CAP Riverside Planning

## Community Action Partnership of Riverside County

Division and Contracts Division both monitor on a monthly basis the development, analysis, and distribution of scheduled reports. A Report Log is maintained by the Contracts Division to ensure that scheduled reports are distributed by deadline.

- Customer Satisfaction Survey -- measures level of satisfaction regarding service delivery, accessibility and location of services, etc;
- Workshop and training evaluation -- provides feedback on curriculum content, presentation, etc;
- One-to-one feedback and written testimonial from customers -- documented and shared at weekly staff meetings;
- Special events/Focus groups -- e.g. open house, community dialogues, etc. offer opportunities for feedback from a diverse group of stakeholder;
- Customer complaint log -- provides nature of complaint, response time, and resolution; and
- Quality Assurance Review -- conducted by Senior Management and Planning to ensure compliance with established policies, procedures, goals, and outcomes.

***Describe the infrastructure you have in place to capture the data, measure results, and provide reports including the tools and systems used for data analysis.***

Program managers are required to submit quarterly Program Progress Reports (PPRs) to CAP Riverside's Planning Division. Data collected for the VITA reports come from various sources: 1) Volunteer Certification; 2) Site coordinators Weekly Report; 3) Tax Wise Rejection and Production Reports; and 4) Volunteer Post-Season Survey. Volunteer Certification: All volunteers must submit certifications prior to start of service at tax sites (this documents that training and tax competency has been achieved). Site coordinators Weekly Report: Site

## Community Action Partnership of Riverside County

coordinators submit a report each week detailing issues encountered at the sites, materials needed, complex return issues, number of returns completed, and noticeable trends. Tax Wise Rejection and Production Reports: Tax Wise reports are used to capture information regarding reject rates and the number of returns filed. Information is released to site coordinators on a weekly basis. If reject rates are too high or site numbers are too low, a meeting is held with the site coordinators to determine a plan of action and to correct any issues preventing the site from having successful rates. Volunteer Post-Season Survey: Volunteers are encouraged to complete an end of season survey concerning their time in the program. The survey allows volunteers to share their positive experiences, what is working, as well as to alert Program staff to training and processes that could be improved. Program staff, site coordinators and site partners hold debrief meetings at the end of season to discuss what worked, what did not, and changes they would like to see for the upcoming tax year.

The Program Evaluator reviews all reports and meets monthly with Program Staff to assess outcome achievement. The Program Evaluator makes written reports identifying which outcomes are on target and how to strengthen areas that are not meeting goal. CAP Riverside's senior management reviews all program progress reports to ensure contract compliance. These programmatic reports provide a desk audit of activity and are supplemented by semi-annual reviews. Planning Division staff prepare and submit semi-annual and annual reports to the CAP Riverside Executive Director for approval. Approved reports are then submitted to the Commission for review and approval. This data collection and evaluation process provides an opportunity for CAP Riverside to obtain feedback from all agency stakeholders.

III. FINANCIAL OPERATIONS NARRATIVE

A. *State whether you have received federal funding in the last five years? If no, continue to question 2. If yes, answer a. below.*

Yes.

1. *In any of the last five years, did your organization expend \$500,000 in federal funds?*

*If yes, continue to b.*

CAP Riverside has expended more than \$500,000 in federal funds during each of the past five years.

2. *Did you have an A-133 audit conducted?*

An A-133 Single Audit was conducted by an independent audit firm for Fiscal Year Ended June 30, 2012.

3. *What were the results?*

The audit reflected financial compliance, in the following areas: Allowable Costs/Activities Allowed, Cash Management, Davis Bacon, Eligibility, Earmarking, Period of Availability, Procurement, Suspension & Debarment, and Financial Reporting.

There were deviations identified in the programmatic reporting of data collection/input and reporting procedures through the State reporting system. These errors were identified as having occurred during the process of training new staff.

4. *If any unfavorable findings (significant deficiencies), describe the corrective action planned and the status of implementation.*

A policy and procedure policy was implemented to insure a more structured reporting process; a checklist was created and implemented for staff use making it helpful for

- C. *State whether your organization has documented policies and procedures for maintaining good internal controls. An operations manual is a record of the policies and procedures for handling administrative and financial transactions. The manual can be a simple description of how financial functions are handled (e.g. paying bills, depositing cash, and transferring money between funds) and who is responsible for what, ensuring that the project manager and staff have a reasonable plan of action for carrying out each approved activity. A copy of your entire operations and procedures manual is not required to be submitted with your application; however, it may be requested if you are awarded a grant. For the application discuss how your organization:*

1. ***Maintains your policies and procedures for handling administrative and financial transactions consistently and with appropriate separation of duty to prevent misuse.***

As a county agency, CAP Riverside abides by Riverside County's Standard Practice Manual -Procedures. This manual outlines policies including, but not limited to, Internal Controls, Payroll Procedures, Cash Management, Financial Systems, Accounts Receivable/Payable, Asset Management, Purchasing and External Audits. In addition, CAP Riverside maintains the following internal policies; Cash Control Procedures, Cost Allocation Policy for State/Federal Awards, Financial transaction Requests, etc. (see attached 4a - Separation of Duties Matrix).

2. ***Allocates allowable expenses and matching funds between qualifying and non-qualifying activities. Be sure to address separation of funds and activity if your organization receives Tax Counseling for the Elderly and/or Low Income Taxpayer Clinic funds.***

In accordance with accounting standards and requirements of the Office of Management and Budget (OMB) Circulars, CAP Riverside utilizes a cost allocation plan to ensure equitable distribution of expenditures across all Federal/State Grants. Direct expenditures are identified by individual program codes and are tracked accordingly.

3. ***Accounts for in-kind contributions and valuation of contributions; include specific information on accounting for and valuing volunteer services if your organization proposes to use such services as matching funds. Include a sample of the time sheet used for volunteers.***

CAP Riverside utilizes an In-Kind Contribution form to value all program contributions used in the matching funds calculation portion of the grant application. The contribution of tax

preparation space is calculated based upon when room access is provided, using the standard room rental rate as authorized by the Riverside County Auditor Controller's Office. Evening and weekend usage is valued at \$82 per hour; daytime weekday hours are valued at \$53 per hour. Value for volunteer hours served at tax preparation sites is valued according to information listed on the Bureau of Labor Statistics website <http://www.bls.gov/oes/home/htm>. Volunteers are required to record hours served at the tax preparation sites by signing in when they arrive at the site, and signing out prior to leaving the site. Site coordinators provide the Program Administrator with a weekly spreadsheet showing a recap of volunteer hours served at the site.

*4. Funds other supporting organizations if applicable. Will you have sub-grantees? If you have sub-grantees, provide an example of the instrument used to provide funding to sub-grantees (a contract, memorandum of understanding, or other). If an organization chooses to sub-grant part of the funds they have been granted, they are responsible to ensure compliance of all their sub-grantees. It is essential that sub-grantees are aware of the rules and regulations and that there is monitoring in place to ensure compliance. Please discuss your plan for monitoring sub-grantee adherence to the VITA grant agreement and requirements.*

Not applicable.

*D. What is the accounting system used? The accounting system must meet generally accepted accounting principles. Organizations need to ensure that they can track both grant funds and match by budget line item. This might entail amending the chart of accounts to accommodate unique accounts, such as member or volunteer training. The reporting system should fairly and accurately document the spending of grant funds. Confirm that your system meets this expectation.*

As a county agency, CAP Riverside abides by Riverside County's Standard Practice Manual. County departments are required to use the Online Accounting Software Information System (OASIS). The OASIS Financial Management Module contains an account code structure of Fund numbers, Department Identification Numbers, and Revenue and Expense account codes. In addition, CAP Riverside exercises the use of program codes to ensure accountability and transparency of all revenue and expenditures received for each grant.

***E. State whether your organization is applying for a multi-year grant. Refer to the Multi-Year Grant section for eligibility requirements. Only applicants meeting all multi-year eligibility requirements are considered for this opportunity.***

CAP Riverside is applying for multi-year grant consideration in this application.

***F. State whether your organization will use a fiscal agent for managing the funds awarded under this grant. Provide the organization name, address, DUNS number, and Employer Identification Number. Include a contact name for the organization for questions. Their information should not be shown on the SF424. If your organization is awarded a grant, additional information will be requested at the time of award.***

CAP Riverside is the sole applicant for this grant. All program funds will be utilized directly by CAP Riverside to carry out the program.

***G. If your organization uses a post office box for mail delivery, please provide the address here. Remember the address on the SF424 should be your physical address and not a post office box.***

Not applicable.

## CONTENTS OF WORKBOOK

<b>Insert Applicant Name</b> (This will populate to all templates used during application submission)	
<b>DO NOT CONVERT THIS WORKBOOK TO PDF. SUBMIT AS AN EXCEL DOCUMENT.</b>	
This workbook is provided as a convenience to applicants. Its use is preferred but not mandatory. If using a different format for submission of information, be sure to include all fields requested. Failure to include all requested information could result in non-consideration of the application.	
The following templates are included and can be viewed/edited by selecting on the tabs at the bottom of the workbook with the same name as indicated in these instructions.	
<b>GENERAL INFORMATION ABOUT WORKBOOK</b>	
<b>Entry Required</b>	Cells shaded in yellow require an entry when applicable. For example, you should insert your organization name above on row 1, in column B, and your organization name will populate to the other templates used during application submission (Tabs 1 - 6).
<b>Auto-calculation</b>	Cells shaded in green will automatically calculate based on information input in other cells.
<b>Adding or deleting lines</b>	Add or delete lines to fit your specific needs. If adding lines, insert lines before the last line to maintain pre-set print attributes and/or auto-calculation.
<b>TEMPLATES FOR USE DURING APPLICATION SUBMISSION</b>	
<b>1-Return Prep Performance</b>	Complete this tab to record prior return performance information requested in the Program Plan Narrative at A.3.
<b>2-VITA Target Audience Instr.</b>	Review this tab for instructions on completing the VITA Target Audience tab information requested in the Program Plan Narrative.
<b>3-VITA Target Audience</b>	Complete this tab with information requested in the Program Plan Narrative.
<b>4-Budget Detail Explanation</b>	Complete this tab with information requested in the Budget Detail Explanation. Detailed instructions are included in the Publication 4671. Don't struggle with where to put a particular expense or matching fund. Just be consistent with like expenses.
<b>5-Matching Fds Sumry Chart</b>	Complete this tab with information requested in the Financial Plan Information, Matching Funds Summary Chart. Detailed instructions are included in the Publication 4671. Remember this is a dollar-for-dollar matching grant. You must have an equal amount of matching funds for the federal funds requested.
<b>6-Corporate Felony Convictions</b>	This tab is only for applicants that are corporations. <b>If you are not a corporation, please indicate not applicable in question 1.</b> Complete this tab in connection with the Corporate Felony Convictions certification within the Assurances and Certifications section of Publication 4671, VITA Grant Program Overview and Application Instructions. If you are not a corporation or you and your officers and agents acting on your behalf were not convicted under any Federal law within the preceding 24 months, you do not need to complete this tab.
<b>TEMPLATES FOR USE AFTER GRANT AWARD</b>	
<b>7-Subawards \$1,000 or More</b>	Completion of this template is not needed at time of application submission. It may be used to report cash sub-awards of \$1,000 or more, when applicable, after a grant is awarded. Reporting of sub-awards are required under the Terms and Conditions of the grant agreement. <b>Please note that a reimbursement of expenses incurred by other than your organization that you subsequently pay is a sub-award.</b>
<b>8-Related Party Transactions</b>	Completion of this template is not needed at time of application submission. It may be used to report related party transactions, when applicable, after a grant is awarded. Related party transactions are defined in the Terms and Conditions of the grant agreement.

**Program Plan Narrative: Return Preparation Performance (Item I.A.3.)**

Tax Return Year	Total Federal Returns Prepared	% E-filed	Number of Volunteers
2012	3071	98	158
2011	2562	95	166
2010	2569	96	142

Note: This template can be copied and pasted into your narrative or submitted as a separate attachment.

<b>Instructions:</b>	
<b>Tax Return Year</b>	Record the calendar year of the primary returns being filed during the most recent filing season, e.g., Record 2012 for returns prepared January 1, 2013 through April 15, 2013, even if you prepared prior year returns as well.
<b>Total Federal Returns Prepared</b>	This is the actual number of federal returns filed either electronically or through the mail. If your program is open after April, you may include all returns filed at time of application submission. You may also include any returns filed the previous year between July and December; however, you must provide a comment that "XXX returns filed between July and December, are included in this number reported." Returns reported under this filing season should not be included in the previous period.
<b>% E-file</b>	Provide the percent of returns filed electronically as identified in the previous column (electronic returns/total returns).
<b>Number of Volunteers</b>	Provide the number of volunteers that served in your program.

**Note:** If the information populated in the table shows a reduction in service from one year to the subsequent year, please explain in your narrative the reason for the reduction.

## Instructions for Completing VITA TARGET AUDIENCE Template

<b>Program Plan Narrative: VITA TARGET AUDIENCE (Narrative Items I.C. 1-4 and 6)</b>	
<b>C. VITA Target Audience: 1. Focus</b>	In Column E, <i>Proposed</i> , using the drop-down (it will appear when you are in the correct cell), select your <b>primary</b> focus for providing free return preparation service. Follow the same instructions for choosing the <b>secondary</b> focus. Choose only one focus for each category. In Column F, <i>Returns Proposed by Focus</i> , indicate the returns you propose to prepare for this focus.
<b>C. VITA Target Audience: 2. Sites Proposed</b>	In Columns E or F, <i>Proposed</i> , provide the number of existing sites (in operation during 2011) and the number of new sites you are proposing to support with this grant. Entries are split to represent the two service delivery models for VITA -- traditional and facilitated self-assistance. Please report numbers separately if you will be using both models at your sites. Site numbers should not include those supported through the Tax Counseling for the Elderly program. The total will automatically calculate unless the formula is erroneously removed. <b>ONLY INCLUDE THOSE SITES THAT WILL BE COVERED BY THE VITA GRANT.</b> In the comment field, answer the question, "If any of these sites share an EFIN, how many?" for existing and new. The total will automatically calculate unless the formula is erroneously removed.
<b>C. VITA Target Audience: 3. Returns Prepared</b>	In Column E, <i>Proposed</i> , provide the number of returns you project your program will electronically or file via paper submission. One of the goals of this grant is to increase electronic filing. It is an expectation that all returns that can be filed electronically will be filed electronically; however, we recognize that some returns will be filed via paper submission. <b>ONLY INCLUDE PRODUCTION FROM SITES THAT WILL BE COVERED BY THE VITA GRANT.</b>
<b>C. VITA Target Audience: 4. Volunteers</b>	In Column E, <i>Total Proposed</i> , provide the number of volunteers you project will work in your program. <b>ONLY INCLUDE VOLUNTEERS FROM SITES THAT WILL BE COVERED BY THE VITA GRANT.</b>

<b>Program Plan Narrative: Geographic Coverage (Item C.2 Detailed Site Information and C.6 Service Delivery)</b>	
<b>Existing or New</b>	Select from the drop-down (it will appear when you are in the correct cell) either new or existing. An existing site is one that was operational during calendar year 2010.
<b>Name of Site</b>	Self-explanatory
<b>Site Address</b>	Include the city, state, and county for existing sites. Include as much information as you have available on new sites.
<b>Hours of Operation</b>	Indicate hours/days the sites will operate; if unknown, estimate total hours per week.
<b>EFIN</b>	For existing sites, provide the EFIN (Electronic Filing Identification Number) for the site. If a new site, you may want to go ahead and secure an EFIN by filing Form 8633, <i>Application to Participate in IRS e-file Program</i> . Work with the local SPEC territory office to request new EFINs, if you determine that a separate software license is required.
<b>SIDN</b>	For existing sites, provide the SIDN (Site Identification Number) for the site. Site ID numbers begin with "S" followed by eight numbers. For new sites, you may leave this blank. The local SPEC territory office will provide you with the SIDN to include on every return filed at the site. <b>All sites are required to have and use a unique SIDN.</b> Work with the local SPEC territory office to request new SIDNs.
<b>Special focus or needs</b>	Provide information specific to the site's service and why you are targeting the location. Examples might include sign language interpreters or filing with ITINs. This may be left blank if there are no special characteristics beyond those chosen as your primary and secondary focus.
<b>Adding or Deleting Lines</b>	Add or delete lines to fit your specific needs. If adding lines, insert lines before the last line to maintain pre-set print attributes.

#	Number consecutively to assist in identifying the different sources. Record number on any attachments provided with the Name of organization or individual contributing the matching funds. Remember to include matching funds provided by you as the applicant.					
Source Name	Description of the matching funds. Examples include cash, grant, donation or in-kind, etc.					
Type	This would include amounts set aside already to be used as matching funds or your anticipated volunteers. Other examples include a grant already received or cash from the applicant's operating budget to support the program. You must include matching funds supporting documentation for any items listed with amounts shown in the "Amount In-Hand or Committed" column when submitting your application. For volunteers, provide information on the number, hours, and value of volunteers. Also, make sure the documentation contains the necessary components (description of the contribution; dollar value and an explanation as to how the valuation was determined; current date; signature of authorized individual that can make the commitment; and an organization name on letterhead with contact information) to avoid delays in receiving funds if awarded.					
Amount to be Raised	This would include amounts you need to secure for matching funds. Examples might be a grant you've applied for but not received confirmation as to whether it will be awarded; or you're in discussion with other organizations about supporting your program but haven't received a firm commitment. Although a grant can be awarded pending confirmation of matching funds, no funds are released until documentation is provided to the Grant Program Office confirming the commitment.					
Date	A current date for matching funds already in-hand or committed; or for amounts to be raised, the date you anticipate having committed funds.					
Comments	Include a brief description of the matching funds.

This letter certifies that Community Action Partnership of Riverside County (CAP Riverside) will provide volunteers to participate in tax return preparation and quality review. We estimate that 175 certified volunteer tax preparers will volunteer 5,900 hours over the course of the 2013 tax season. These hours are valued at \$23.54 per hour for a total in-kind value of \$138,886. The \$23.54 hourly rate is based on the average hourly earnings for a tax preparer as determined by the Bureau of Labor Statistics.

Please feel free to contact our Planning Division at 951-955-4900, if you need any further clarification.

Thank you,

NEGOTIATION AGREEMENT  
COUNTYWIDE COST ALLOCATION PLAN

County of Riverside  
Riverside, California

Date: May 04, 2012  
Filing Ref: RIV13

Pursuant to federal Office of Management and Budget (OMB) Circular A-87, the State Controller's Office formally approves the Countywide Cost Allocation Plan as described in Section I for use in the 2012-13 fiscal year. This approval is subject to the conditions contained in Section III.

Departmental indirect cost proposals should clearly identify those costs that have been distributed through Sections I and II of this agreement in accordance with the guidelines of the responsible grantor agency for that department. Further, data processing systems may be subject to grantor agency approval prior to the reimbursement of certain costs allocated, billed, or cost applied from the Data Processing Department.

---

**SECTION I: COSTS DISTRIBUTED THROUGH COUNTYWIDE COST ALLOCATIONS**

---

The indirect overhead and support service costs listed in **Summary Schedule** (attached) are formally approved as actual costs for the 2010-11 fiscal year and as estimated costs for the 2012-13 fiscal year on a "fixed with carry-forward" basis. These costs may be included as part of the costs of the county departments indicated effective **July 1, 2012**, for further allocation to federal grants and contracts performed by the respective county departments.

---

**SECTION II: COSTS DISTRIBUTED THROUGH BILLING OR COST TRANSFER MECHANISMS**

---

In addition to Section I, which provides for services furnished but not billed, the services listed above are furnished and billed to state/local departments and agencies.

Direct charges from the above centers should be billed or cost applied in accordance with the procedures established by the county as described in its Countywide Cost Allocation Plan and may be included as part of the costs of the county departments indicated in Section I.

---

**SECTION III: CONDITIONS**

---

**A. LIMITATIONS:** Use of the amounts contained in this Negotiation Agreement are subject to any statutory or administrative limitations and, when ultimately allocated to individual grants or contracts through the indirect cost proposals of each county department, are applicable only to the extent that funds are available. Acceptance of the amounts agreed to herein is predicated on the conditions: (1) that no costs other than those incurred by the county were included for distribution in its Countywide Cost Allocation Plan as finally accepted, and that such costs are legal obligations of the county and allowable under the governing cost principles, (2) that similar types of costs have been accorded consistent accounting treatment, and (3) that the information provided by the county that was used as the basis for acceptance of the amounts agreed to herein is not subsequently found to be materially incomplete or inaccurate.

**B. CHANGES:** Fixed amounts contained in this Negotiation Agreement are based on the organizational structure and the accounting system in effect at the time the proposal was submitted. Significant changes in the organizational structure or changes in the method of accounting for costs that materially affect the amount of reimbursement resulting from use of the amounts in this Negotiation Agreement will require prior approval of the authorized representative of the responsible negotiation agency. Failure to obtain such approval may result in subsequent audit disallowances.

C. **FIXED AMOUNTS:** The fixed amounts contained in Section I of this agreement are based on an estimate of the costs that will be incurred during the period to which the amounts apply. When the actual costs for this period are determined, any differences between the fixed costs used as an estimate and the actual costs will be considered in a subsequent agreement.

D. **BILLED COSTS:** Charges for the services cited in Section II will be billed or cost applied in accordance with the procedures established by the county and recorded on the books of the cost center providing the service. Such charges will be based on the actual allowable costs, as defined by OMB Circular A-87, incurred by the cost center responsible for providing the service. Any differences between the billed allowable costs and the actual allowable costs for a particular accounting period will be considered in a subsequent agreement.

E. **NOTIFICATION TO STATE AND FEDERAL AGENCIES:** Copies of this document will be provided to other state and federal agencies as a means of notifying them of this approval.

F. **SPECIAL REMARKS:** None.
