Mr. Robert Mabee

Dear Mr. Mabee:

Reference is made to your letters, dated June 7, 1996 and May 22, 1996, and letter dated June 10, 1996 received from Congressman Ken Calvert's office, and our previous letters sent to you dated June 6, 1996 and May 7, 1996 concerning the work done by Riverside County Flood Control and Water Conservation District (RCFCWCD) in the Bautista Creek Channel and an unnamed tributary, Riverside County, CA. In your latest letter, you ask three questions.

The first question is did the Corps at any time authorize or approve of the permanent fill in the public road, and by what authority? Our answer is no, we did not authorize or approve of the permanent fill in the public road as we had no authority over the permanent fill. The second question is did the Nationwide 26a permit authorize the permanent fill in the public road? The answer is no, the Nationwide 26a permit did not authorize permanent fill in the public road as the fill was outside Corps jurisdiction. The third question, is the Corps aware of any other permits that would authorize the permanent fill in the public road? The answer is no, the Corps is not aware of any other permits that would authorize the permanent fill in the public road.

We hope this letter further answers your questions and if you have any questions, please contact Robert R. Smith Jr. of my staff at (213) 452-3419. Please refer to this letter and 96-00213-RRS in your reply.

Sincerely,

Michael R. Robinson
