FORM 11

BACKGROUND: Properties for which taxes are not paid are sold to collect back taxes. After the property has been tax-defaulted for a period of five or more years from the original tax-default year, it becomes subject to the Tax Collector's "Notice of Power to Sell Tax Defaulted Property," which is then recorded.

If the property is not subsequently redeemed by the payment of all amounts due, it is offered for sale by the Tax Collector. This action will set in motion the Tax Collector's August sale.

SUMMARY OF THE August 15, 2013 through August 20, 2013 Internet Sale conducted via Internet through Bid4Assets, Inc.

The Tax Collector proposes to offer a maximum of two hundred fourteen (214) "fee parcels":

- a) One hundred fifty-five (155) fee parcels will be offered for the first time at the minimum bid of full redemption, plus cost of sale.
- b) Fifty-nine (59) fee parcels will be offered for a minimum bid of the cost of sale. These parcels have been previously offered.

As indicated in Exhibit "A", the aggregate minimum bid for all parcels is \$2,782,997.00

If the one hundred fifty five (155) fee parcels do not receive a bid, the Treasurer-Tax Collector will reoffer some at the same sale, these properties beginning August 16, 2013 at 9:00 a.m. for the following reduced amounts.

- a) Eighty-nine (89) fee parcels will be offered for a minimum bid of cost of sale.
- b) Nineteen (19) fee parcels will be offered for a minimum bid of 50% of taxes only, plus cost of sale.
- c) Forty-seven (47) fee parcels will be offered for a minimum bid of 100% of taxes only, plus cost of sale.

In general, the financial impact of tax sales can be summarized as follows:

Sales at, or above, the amount of taxes owed have no direct negative impact on the County's budget

For this sale, if all parcels being reoffered for sale were to sell for only the minimum bid, the maximum tax loss would be \$983,902.45. Taking into account the Teeter formula, which shares this loss with other taxing entities, the maximum loss to the Tax Loss Reserve Fund would be \$541,736.69. **Accordingly, there should be no direct impact on the County General Fund because reserves exceeding that amount have been set aside.**

**BOARD OF SUPERVISORS
FORM 11
Page 3**

More likely than not, there will be minimal impact upon the Tax Loss Reserve Fund itself. Based upon recent experience, this sale will not realize the maximum loss for three reasons: (i) properties are inevitably pulled from the sale due to bankruptcy or taxpayer redemptions; (ii) some parcels will sell for more than the minimum bid and (iii) other parcels are likely to receive no bids.
