FORM 11: Resolution No. 2013-109, Notice of Intention to Adopt a Resolution of Necessity Regarding the Ellis Avenue Sidewalk Project – Good Hope, District 5/1, [\$90,043]
DATE: October 9, 2013

BACKGROUND:

Summary

The Riverside County Transportation Department (RCTD) is proposing to construct a sidewalk project on the south side of Ellis Avenue, between Cowie Avenue and Marshall Street near the Good Hope Elementary School in the Good Hope area (Project).

The Notice of Exemption was filed and posted on December 5, 2011. RCTD staff conducted a review of the Project and it is exempt for the provisions of the California Environmental Quality Act (CEQA) pursuant to the CEQA Guidelines Sections 15301 and 15061(b)(3).

The county is authorized to acquire property by eminent domain pursuant to various statutes including Government Code, §25350.5.

This resolution has been reviewed and approved by County Counsel as to legal form.

Impact on Citizens and Businesses

Installation of the proposed sidewalk will reduce the potential for vehicle and pedestrian conflicts, thus improving public safety in the area.

The Economic Development Agency/Facilities Management (EDA/FM) has presented written offers to the property owners as required by Government Code Section 7267.2. The offer amounts presented are consistent with current property values in the Good Hope area for the various property types (and are based upon a fair market value appraisal report). EDA/FM has also offered to pay the reasonable costs, not-to-exceed \$5,000, for an independent appraisal obtained by the property owners (as required by Code of Civil Procedures Section 1263.025).

There are eight properties that are part of the Project. Settlement has not been reached with the following property owners, although negotiations are still in process for the necessary right-of-way.

342-020-007	Celestine Remson, as to an undivided one-third interest, Mary Pultz, as to an undivided one-third interest and Cassielean Higgins, as to an undivided one-third interest

On March 12, 2013, the Board approved Item 3-22 and a portion of the Property is currently in escrow. However, this property has been included anticipating any unforeseen delays in closing the escrow.
