SUBJECT: APPROVE THE PURCHASE OF A FIVE-PASSENGER PRISONER TRANSPORT VAN (WHEELCHAIR) FOR THE SHERIFF'S DEPARTMENT VIA THE COMPETITIVE BIDDING PROCESS, WITH ONLY ONE RESPONSIVE/RESPONSIBLE BID RECEIVED ; All Districts [\$45,608.51]

RECOMMENDED MOTION: That the Board of Supervisors:

1. Approve the purchase of one (1) five passenger prisoner transport van (wheelchair) to McPeek's Dodge of Anaheim in the total amount of \$45,608.51, and;
2. Authorize the Purchasing Agent, in accordance with Ordinance No. 459.4, to sign the purchase order.

BACKGROUND:

Summary

As a result of AB-109, the Sheriff's Department has experienced a significant increase in the housing of inmates with significant health problems. A number of these inmates are confined or rely on wheelchairs for mobility and frequently require medical attention outside of the facility or transportation to various courts from jails equipped to house these particular inmates. In an effort to maximize resources and reduce overall transportation costs, the converted American's with Disability Act (ADA) wheelchair van has been identified as the most effective means of transporting a very limited number of inmates while satisfying ADA requirements.

Contract History and Price Reasonableness

The RFQ closed on September 18, 2013 with a single response received. . A survey of local Dodge dealers revealed that although they could provide the basic van, they do not provide the complete conversion van as specified in the RFQ. The bid was reviewed by Purchasing and the Sheriff's Department based on overall cost, ability to provide a vehicle in accordance to the specifications dictated, and was determined to be responsive and responsible. Purchasing and the Sheriff's Department recommend the award be given to McPeek's Dodge of Anaheim in the amount of \$45,608.51.
