NOTICE TO CONTRACTORS

Riverside County Flood Control and Water Conservation District hereinafter called "District", invites sealed proposals for construction of:

Romoland MDP Line A, Stage 3

Project No. 4-0-00310-03

located in the cities of Perris and Menifee

Riverside County, California

Specifications and Contract Documents may be examined at the District's office at 1995 Market Street, Riverside, California, and may be obtained upon payment to District of **\$60.00** per set, received at the District's office and **\$65.00** per set if mailed. The Specifications and Contract Documents are also offered on CD-ROM for \$10.00 received at the District's office and \$15.00 if mailed. No refund.

Each proposal must be accompanied by a certified or cashier's check or bid bond equal to ten percent (10%) of the amount bid, payable to the Riverside County Flood Control and Water Conservation District as a guarantee that the Contractor will, if awarded the contract, execute a satisfactory contract and furnish the required bonds and proof of insurance.

Proposals must be in accordance with the instructions and filed with District by **2:00 p.m. on Thursday, December 5, 2013** at the District office at the above address which time and place are fixed for the public opening of bids.

General prevailing rate per diem wages and general prevailing rate of per diem wages for holiday and overtime work, including employer payments for health and welfare, pension, vacation, apprentices and similar purposes for each craft, classification or type of workman needed for execution of contracts under the jurisdiction of District have been obtained by the Board of Supervisors of the District from the

Director of Industrial Relations of the State of California for the area where the work is to be done. The said determinations are on file in the principal office of the District, and will be made available to any interested person upon request.

Contractors submitting proposals for this project shall have an "A" Contractors license from the State of California in order to be considered eligible for the contract award.

ROMOLAND MDP LINE A, STAGE 3 PROJECT NO. 4-0-00310

Romoland Line A Stage 3 is a flood control channel beginning near the San Jacinto River within the City of Perris and extending to just upstream of I-215 with a total length of about 11,000 ft. The project traverses the cities of Perris and Menifee and consists of new road crossings and mostly interim unlined open channel. 4-cell Reinforced Concrete Boxes (RCB) crossings at Murrieta Road, Ethanac Road, Barnett Road and Encanto Road with 100-year ultimate conveyance capacity will be constructed as part of this interim channel project. The construction of this reach of Line A, will provide Storm Water outlets for adjacent developments and will also provide immediate flooding relief for the area east of the freeway especially for the area adjacent to Encanto Road.
