BACKGROUND:

Summary

The County of Riverside Transportation Department (RCTD) is proposing to widen Fred Waring Drive, between Adams Street and Port Maria Road in the Bermuda Dunes/La Quinta area of eastern Riverside County (Project).

On January 8, 2013, the Board approved Item 3-34 adopting the Mitigated Negative Declaration for Environmental Assessment No. 42564, approving the Fred Waring Drive Improvement Project, and adopting the Mitigation Monitoring and Reporting Program for the Project.

Impact on Residents and Businesses

The Project includes widening the existing Fred Waring Drive from four to six lanes, installation of a sound wall on the south side of Fred Waring Drive, and construct a parking lane on the north side of Fred Waring Drive to allow for safe ingress/egress from the residential homes.

RCTD has contracted with Overland, Pacific & Cutler (OPC), acquisition consultants, with oversight role by the Economic Development Agency/Facilities Management (EDA/FM). OPC has negotiated the acquisition of the temporary access rights of a portion of the property with the following owner:

Parcel No.	Assessor's Parcel No. (portion)	Owner	Temporary Access	*Associated Costs	Total
0689-004A	609-313-012	Moore	\$5,000	\$2,500	\$7,500

*Preliminary Title Report, County Appraisal, Consultant Time, and Staff Time

The Form 11 has been reviewed and approved by County Counsel as to legal form.
