The Human Resources Director and County Counsel shall determine which classes of positions are exempt from the FLSA.

5. Employees in the following classifications in the Transportation Department who are required to work extra shifts and/or hours beyond their regular shift pattern due to an emergency situation as declared by emergency personnel (911 dispatchers) or their supervisors, shall be paid at one and one half (1 ½) their regular rate of pay for such time worked, whether or not such work would qualify as overtime pursuant to the provisions of the FLSA:

- D. Departmental Records Each Department Head shall keep complete and detailed records as to the attendance and pay status of each employee. This shall include actual hours of overtime work for each employee in each work week, with justification in each case, and shall also include compensatory time off. The daily record for an employee in a normal paid working status may be kept on a negative basis, that is, with no entry except for overtime, compensatory time off, sick leave, vacation, leave of absence and like items.

The initial record, any secondary records, such as a summary of the work week or of the pay period, or other compilation from the initial record, and the departmental copy of the attendance report for each pay period together with any subsequent correcting reports, shall be preserved and retained in a condition to be audited for the three (3) most recent full fiscal years, and thereafter until any official inquiry concerning the same has been finally concluded.

Accumulated overtime credit after forty (40) hours may at the election of the employee, be accumulated as overtime credit as provided herein, or the employee may elect to be paid such overtime. Accumulated overtime credit of one hundred (120) hours or less may be taken in compensatory time off, subject to management approval, and this method of reducing accumulated overtime credit is encouraged. With approval of the County Executive Officer, accumulated overtime credit of one hundred twenty (120) hours or less may be paid for. Paid overtime credit shall be at the hourly rate currently applicable to the employee. Upon termination, accumulated overtime credit shall be paid for.  2. Prior to the expiration of any prescribed pay period in which any such overtime has been worked, the Department Head, or a designee, may require the employee to utilize such earned compensatory time off benefits in increments of one (1) or more shifts. No such action may be taken by the Department Head unless the employee has been so notified prior to the termination of the previous working shift.
 3. At the expiration of each prescribed pay period, any such compensatory time off benefits that have not been utilized shall be accumulated in his/her compensatory time off benefits up to a maximum of one hundred twenty (120) hours. The accumulated compensatory time off benefits set forth in this subsection may only be utilized by mutual agreement of the employee and the Department Head or a designee.

benefits up to a maximum of one hundred twenty (120) hours. The accumulated compensatory time off benefits set forth in this subsection may only be utilized by mutual agreement of the employee and the Department Head or a designee.

- G. Fringe Benefits not Affected by Overtime Overtime work shall not be a basis for increasing vacation or sick leave benefits, nor shall it be a basis of advancing completion of the required period for probation or salary step advance. Where overtime results from necessary irregular work schedules, it may be included in computing the minimum time for salary step advance which would otherwise be delayed beyond the normal period.
- H. Declared Natural Disaster In the event and during the period of a man-made or natural disaster affecting any portion of the County of Riverside, and notwithstanding any other provision of this MOU, the following provisions shall apply:
1. Any Officer, in order to perform the work of the department or a civil defense function, may employ emergency employees without reference to the salary or classification plans at rates which appear to be prevailing for the type of work to be performed at the time of their employment.

"Emergency Services" shall be such services as the Board of Supervisors finds to constitute such, at the time it authorized the payment thereof.

Section 3. Premium Pay

- A. Notwithstanding any prior work practice to the contrary, said compensation shall cease when said employee reports to work.

Any Nursing Assistant working for the Riverside County Regional Medical Center or Mental Health Inpatient Treatment Facility shall be entitled to a minimum credit of two (2) hours work. ARTICLE V PAY PRACTICES

Section 1. Step Advance

A. SALARY STEPS

1. Effective June 28, 2012 and continuing to June 30, 2014, all LIUNA represented employees shall have their step (merit) increases, restored in one (1) step increments on their anniversary dates.
2. Effective July 1, 2014, and continuing to June 30, 2016, all LIUNA represented employees shall receive step (merit) increases in increments of three (3) steps on their anniversary dates. Any employee, who has an anniversary date adjusted beyond June 30, 2016 due to a paid medical leave, or an approved leave of absence, shall receive their merit increase for that year in an increment of three (3) steps.
3. It is understood that beginning July 1, 2016 and continuing thereafter, LIUNA represented employees shall receive their step (merit) increases in two (2) step increments on their anniversary dates.

- B. The compensation of every person employed in a regular position on a step basis shall be considered for increase upon their anniversary date, except as herein otherwise provided.

- C. Employees appointed on or after January 9, 1992:

The first anniversary date as a result of an original appointment shall be the first day of the pay period following the completion of one (1) year (approximately 2080 hours) in a paid status in the position not including overtime.

The first anniversary date as a result of promotion or reclassification which involved

a salary increase shall be the first day of the pay period following the completion of six (6) months (approximately 1040 hours) in a paid status in the position not including overtime.

Re-employment at a rate other than that of the first step of the salary plan/grade shall be considered an original appointment for purpose of fixing the anniversary date.

The second anniversary date shall be the first day of the pay period following the completion of an additional one (1) year (approximately 2080 hours) in a paid status, not including overtime, and subsequent anniversary dates shall occur at like intervals.

D. Employees appointed to the classification of Eligibility Technician I/II:

1. Any Eligibility Technician I/II appointed on or after June 29, 2000, who successfully completes his/her Induction training shall receive a two (2) step (approximately five and a half percent (5.5%)) salary increase. Such salary increase, for anniversary date purposes, shall be administered as if it were a promotion. As a result, the employee's first anniversary date which involves a salary increase shall be the first day of the pay period following the completion of six (6) months (approximately 1040 hours) in a paid status, not including overtime, from the date of the two (2) step salary increase described herein.

2. The second anniversary date shall be the first day of the pay period following the completion of an additional one (1) year (approximately 2080 hours) in a paid status, not including overtime, and subsequent anniversary dates shall occur at like intervals.

E. The provisions of this section shall be subject to other specific provisions of this MOU concerning change of anniversary dates.

F. Two (2) pay periods before the anniversary date of each employee holding a regular position on a step basis, except as to an employee compensated at the rate of the highest step, the Human Resources Director shall inform the Department Head in writing on an appropriate form that the employee will be eligible for salary increase.

Prior to the anniversary date the Department Head, after review with the employee involved, shall inform the Human Resources Director in writing on the appropriate form whether or not the increase is allowed. If the increase is disallowed, the form shall contain the signature of the employee acknowledging notice of the disallowance and the reasons therefore. The Department Head may disallow a step increase only after the performance evaluation is reviewed and approved by the Human Resource Director or a designee. The Human Resources Director shall promptly act on each increase allowed and the employee shall be paid at the increased rate from the anniversary date. If, through error, the anniversary date of an employee is overlooked or a notice herein required is delayed or omitted, a resulting failure to increase the compensation may be cured by then taking the

action hereinabove required, provided the same is completed within the next two (2) pay periods after said action should have been taken, and the employee shall be paid at the increased rate from the anniversary date. If the Department Head disallows such increase, they shall review the matter at least quarterly, and may allow the increase effective on the first day of any pay period after that in which the increase could have been allowed. The responsibility for submitting a written allowance of increase, after disallowance, shall be with the Department Head. The anniversary date shall be postponed until an increase is allowed. Such salary increases shall be given only on the affirmative decision of the Department Head, which shall be made only on the basis of continued satisfactory performance in the position.

- G. Except as set out herein, every anniversary salary increase shall be to the rate of the second next higher step, except when there are less than two (2) steps remaining, it shall be to the last step.

Section 2. New Employees

- A. The Department Head with the prior approval of the Human Resources Director and the County Executive Officer may appoint a new employee in a specified class to any step within the salary plan/grade if the employee has: (1) qualifications substantially greater than the minimum for the class; and (2) experience, which if it had been obtained in the position applied for, would have made the employee eligible for the advanced step proposed. When the Human Resources Director and the County Executive Officer authorize a position to be filled at such step higher than the first step of the salary plan/grade, the Human Resources Director and the County Executive Officer may also advance all incumbents of positions in the same class earning less than the step so authorized to the same or one of said higher steps, fixing the minimum initial salary on such advanced step. The anniversary date shall be the first day of the pay period which is not less than twelve (12) months (approximately 2080 hours) in a paid status thereafter, not including overtime. When such an incumbent employee is already on that step, their anniversary date shall not change.
- B. Notwithstanding the provisions of (A) and (B) above, there shall be up to an additional four (4) steps (approximately eleven percent (11%)) which shall be reserved for those classifications designated as "difficult to recruit." Advancements to any of these steps shall not be automatic. They shall, instead, be granted based upon a determination by the Human Resources Director, subject to approval by the County Executive Officer, that a serious recruiting or retention problem exists for a classification(s), or that the increases granted to subordinate "difficult to recruit" classifications has created serious compaction problems, and that a percentage increase up to and including four (4) steps (approximately eleven percent (11%)) would assist the County in recruiting and retaining employees in that classification(s). Upon such determination and approval, any increase granted pursuant to these provisions shall be implemented as follows:
 - 1. Upon prior authorization of the Human Resources Director, the initial salary placement for newly hired employees may be at any step on the salary

plan/grade for his/her classification up to and including a step on the salary plan/grade established pursuant to Section 2(C) above.

2. In the event the salary granted to a newly hired employee pursuant to Sub-Section (C)(1) above exceeds that for any present permanent, regular full-time or regular part-time employee who is being compensated at the top of the salary plan/grade for that classification(s), such employee(s) shall be placed on the same salary plan/grade and step as that granted to the new employee.
3. All other regular full-time and regular part-time employees assigned to the affected classification(s), who have completed less than one (1) year of service at the top, or at any other step, of the salary plan/grade for that classification, may, upon a review of their qualifications and approval by the Human Resources Director, have their salary adjusted to an amount no less than the lowest salary received by a similarly qualified employee hired as the result of an open recruitment to fill a vacancy in that classification.

Notwithstanding, the paragraph above, if an employee newly hired into a "difficult to recruit" classification has less experience in the work of the classification and/or education/training applicable to the work of the classification than an incumbent employee in the same classification, the incumbent employees' wage will immediately be increased to the level of the newly hired employee.

4. Subsequent merit increases for employees not compensated at the top of the salary plan/grade(s) for the classifications affected by the provisions of this subsection may be granted pursuant to the standard procedures for step advances as set forth in the applicable MOU. Employees may receive annual reviews as set forth in such MOU, but merit increases cannot be given beyond the top step as set forth in this MOU.

In the event the Human Resources Director determines the circumstances that created the recruiting or retention problems for any or all classifications no longer exist, he shall advise the County Executive Officer of his findings. If the County Executive Officer concurs, he shall declare the provisions described above inoperative for such classification(s). At that time, the salary for any employee compensated at a rate above that to which he or she would otherwise have been entitled shall be frozen and shall not be increased until the regular salary for the classification exceeds the rate established pursuant to the provisions described above.

Section 3. Re-employment

- A. Upon recommendation of the employing Officer and approval of the Human Resources Director, a former regular employee may be re-employed in the same class of position which they previously occupied, at the same step of the salary plan/grade as the step applicable at the time of their termination, provided they were terminated in good standing.

- B. Re-employment after military service shall conform to the requirements of the Military and Veterans Code, but in other respects shall be in accordance with this MOU.
- C. Whenever a former regular employee is or has been re-employed within twelve (12) months after termination they may, on recommendation of the employing Officer and with the approval of the Human Resources Director and the County Executive Officer, be allowed accrued sick leave and accrued time toward earned vacation, not exceeding the amount thereof which was lost at the time of termination, and their anniversary date for step advance may be expressly fixed, subject to other provisions of this MOU relating to delay and disallowance thereof, by allowing credit for all or a portion of the applicable period of service prior to said termination. A former employee who is re-employed within the twelve (12) month period set forth in this Section and did not withdraw his or her initial retirement contributions at the time of his/her termination, shall not be required to make an additional initial retirement contribution.
- D. Re-employment of Retired Persons. An employee who is retired under the State Employees Retirement Act and who is receiving retirement benefits shall not be employed or re-employed in any position for compensation without the prior written approval of the Human Resources Director. Consistent with the requirements of the State Employees Retirement Act for discontinuance of retirement benefits, the retiree may be employed or re-employed.

The Human Resources Director may allow the employment or re-employment for up to one hundred and twenty (120) working days or nine hundred and sixty (960) hours in any calendar year, without loss of benefits, as specified in Section 21153 of the Government Code. That section permits the temporary employment only during an emergency to prevent stoppage of public business, or because the restored employee has skills needed in performing specialized work of limited duration. During the employment or re-employment the retiree is to be paid at a rate not less than the minimum, nor more than that paid other employees performing comparable duties. Conditions and limitations on service retirement are specified in Section 7522.56 of the Government Code, and applies to any person who is receiving a pension benefit from a public retirement system and shall supersede any other provision in conflict with this Government Code Section.

When a retiree under the State Employees Retirement Act is employed or re-employed, his/her retirement status must be specified in the documentation of appointment to a permanent or temporary position.

Section 4. Promotion. On promotion, the salary shall be at a rate on the new salary plan/grade which is approximately five and a half percent (5.5%) higher, or immediately greater than five and a half percent (5.5%) higher, than that paid on the grade for the former position where the new grade is able to accommodate the increase. The effective date of all promotions shall coincide with the first working day of a pay period. Approximately five and a half percent (5.5%) shall mean within ten cents (0.10¢) of five and a half percent (5.5%). The anniversary date shall be determined as if the date of promotion

were the date of employment.

Section 5. Transfer. On transfer, the salary shall be the same as that paid previously. The anniversary date shall not change.

Section 6. Demotion

- A. On demotion, the salary shall be at the rate of the same step on the new salary plan/grade as was applicable to the previous salary plan/grade. The anniversary date shall not change. The effective date of all demotions shall coincide with the first working day of a pay period.
- B. Permanent employees who, within one (1) year (approximately 2080 hours) following a promotion, voluntarily demote to their previously held classification may return to the step of the previously held classification from which they promoted. Demotion under this section shall be with the mutual agreement of the employee and involved Department Head(s) and an opening must exist. The anniversary date shall not change.

Section 7. Reclassification

- A. The salary of an incumbent of a position reclassified to a class on the same salary plan/grade shall not change. The anniversary date shall not change.
- B. The salary of an incumbent of a position reclassified to a class on a higher salary plan/grade shall be at the rate which is two (2) steps higher, or immediately greater than two (2) steps higher, than that paid on the salary plan/grade of the former position, where the new salary plan/grade is able to accommodate the increase.

The anniversary date shall be determined in accordance with subsection of this Article, except that the first anniversary date shall be the first day of the pay period following the completion of six (6) months (approximately 1040 hours) in a paid status, not including overtime, in the new classification. Thereafter, anniversary dates shall be on the first day of the pay period following each additional one (1) year (approximately 2080 hours) in a paid status.

- C. The salary of an incumbent of a position reclassified to a class on a lower salary plan/grade shall not change unless such salary would exceed the maximum of the new salary plan/grade, in which event it shall be reduced to the maximum. The anniversary date shall not change.
- D. The effective date of a reclassification shall coincide with the first working day of a pay period.

Section 8. Temporary Promotion A regular employee may be promoted on a temporary basis to fill a vacant position as a result of a leave of absence of the incumbent of that position, or pending appointment of another person to that position. Such promotion is designated "temporary promotion". The salary of an employee temporarily promoted shall be determined as if the temporary promotion were an original appointment to the position.

When the absence ceases or the vacancy is filled, the employee shall return to their regular position, and their salary and anniversary date shall be redetermined as if the temporary promotion had not occurred. Any step increases which would have been due in their regular position shall be allowed.

Section 9. Conformance to Plan

No regular employee shall be assigned to exercise the powers or perform the duties of any classification other than their own classification for an accumulated period of four hundred and eighty (480) hours or more during the life of this MOU. Such accumulated hours of such assignment(s) shall be credited toward qualifying experience for possible promotion only when such assignments have been authorized or verified by the Department Head or designee in writing.

A. Procedure.

1. When, in the opinion of a Department Head, it is necessary for an employee to assume the duties and responsibilities of a higher level position on an on-going basis, the employee shall be advised, in writing, of the date on which such duties shall begin.
2. Within ten (10) working days of the completion of the four hundred and eighty (480) hours described in (A) above, the Department Head or designee shall meet with the employee to inform him/her whether they will continue to perform the higher level duties or resume the duties of their regular position. In the event the employee resumes their regular duties, no further action is required. In the event the employee is directed to continue performing the higher level duties, one of the following shall occur:
 - a. If the employee is performing the duties of an existing higher level vacant position, the Department shall immediately request that Human Resources conduct an examination to fill the vacancy. The employee, if qualified, shall be promoted and receive a salary adjustment pursuant to applicable provisions of this MOU. If the employee is not qualified for the position, or a more qualified employee is selected for appointment to the position, the employee shall be returned to his/her former position and be compensated for any hours worked at the higher level beyond the four hundred and eighty (480) hours referenced above, and the time of his/her return to the former assignment.
 - b. If the employee is performing the duties of a position for which there is no existing classification, the Department shall request an expedited reclassification study by the Human Resources Department. If, upon completion of the study, Human Resources determines that the duties and responsibilities of the position warrant a reclassification, the position shall be reclassified appropriately and the employee, if qualified, shall be appointed pursuant to applicable provisions of this MOU. If it is determined that the employee is not qualified, or a more

qualified employee is selected for appointment to the position, the employee shall be returned to his/her former position and be compensated at a rate 5.5% above their current rate of pay or the bottom step of the new classification, whichever is greater, for any hours worked at the higher level beyond the four hundred and eighty (480) hours referenced above, and the time of his/her return to the former assignment.

Section 10. Board Policy C-26: LIUNA agrees that the County may apply Board Policy C-26, Hiring/Retention Bonus, to any classification as deemed necessary by the County.

If the return involves a change in classification, the salary step shall be the same step which the employee held immediately prior to the promotion, lateral transfer or demotion, and the employee's anniversary date will be re-determined based on the number of hours of service the employee had in step at the time of promotion, transfer or demotion. Computation of the probationary period in a paid status does not include overtime, standby, on-call or military leave of absence.

- F. Employment of Relatives. Except as otherwise provided herein, no person shall be denied the opportunity for employment or continued employment because such person is related to any person presently employed by the County of Riverside; provided, however, in no instance, shall a County officer or employee execute direct supervision over or initiate or participate in decisions (including but not limited to initial employment, retention, promotion or work assignments) specifically pertaining to another County employee who is related within the first degree of consanguinity whether by blood or marriage, domestic partner (registered with the Secretary of State and providing a Declaration of Domestic Partnership), or child of a domestic partner. Section 1. Sick Leave

- A. Accrual. Sick Leave for all employees covered under the provisions of this agreement shall accrue at the rate of .05 times the number of hours worked (not to exceed eighty (80) hours worked) during the biweekly pay period.

1. A regular part-time employee shall accrue sick leave in the same manner as a full-time employee.
2. Sick leave shall accrue at all times when the employee is in a paid status.
3. Accrued sick leave of any person whose employment is permanently terminated shall automatically be canceled. However, any employee whose employment is terminated while they are on sick leave shall continue to be compensated for the duration of their illness to the extent of their accrued sick leave, but after such termination shall derive no other benefits under this MOU which result from being in a paid status. Unless the employee shall have retired, payment for sick leave continuing after termination shall be conditioned upon prior receipt of a physician's certificate or other adequate written proof of illness, and in the event of any doubt as to future duration of the illness may be paid on biweekly increments as used. If an employee receives a layoff notice, payment for sick leave shall continue conditioned upon receipt of a physician's certificate or other adequate written proof of illness given to the County prior to payment, and payment shall not continue beyond the exhaustion of accrued sick leave.
4. Sick leave may be used for absence reasonably required by complications of pregnancy, continuing through delivery and reasonable period of recovery therefrom, to be determined in accordance with a written report or reports of the employee's personal physician, specifying the expected date of delivery and the date that the employee should cease work. In the event the Department Head believes there are unusual circumstances, or that the full performance of the employee's work without undue hazard is such as to require a longer period of absence, and on the Department Head's written request to the Human Resources Director, the determination of the period shall be subject to review and change by a physician employed or provided by the County, including a medical examination of the employee if required by such physician. The cost of this examination shall be paid by the County. In no event shall an employee return to work after pregnancy prior to a date to be fixed by her physician in a signed statement that she is physically able to perform the duties of her position.

B. Proof of Illness

1. When in the judgment of the Department Head good reason exists for believing an employee may be abusing sick leave the employee shall be placed on notice in writing. The employee shall also be placed on a medical certification program and be allowed paid sick leave by producing a certificate of a physician, dentist, or other legally authorized person to provide health care services on the same level as a physician or proof satisfactory to the Department Head. Such certificate shall include a written statement signed by a physician, dentist, or other legally authorized person to provide health care services on the same level as a physician, stating the day(s) of the illness/injury and that the illness/injury prevents the employee

from being able to work. Employees on a medical certification program shall have their sick leave usage reviewed at least annually. If the review shows substantial improvement they shall be removed from the category of having to provide the certificate for each absence.

- a. Every regular employee shall be able to use accrued vacation, compensatory time, or holiday time when sick leave has been exhausted due to extended illness or injury unless they are on a medical certification program in accordance with B.1 of this section.
 - b. An employee off work or contemplating to be off work due to illness or injury for an extended period of two (2) weeks or more shall provide a comprehensive health statement as to length of absence from the employee's health care provider stating any duties an employee cannot perform and any restrictions or light duty requirements.
- C. Reason for Usage. Use of accrued sick leave shall be allowed for the purpose of preventative medical, dental care, and care of the family. Family, for this purpose, is defined to mean the employee's spouse, child, parent, brother, or sister (including step-relatives of the same categories), domestic partner (registered with the Secretary of State and providing a Declaration of Domestic Partnership), and child of a domestic partner. Family shall also include grandparents and/or grandchildren if the employee is the primary care giver for such.
- D. Payout for Sick Leave. Upon death of an employee or officer, and subject to the provisions of any applicable agreement between the employing agency and the Public Employee's Retirement System, unused accumulated sick leave shall be paid for at the rate of fifty percent (50%) of the current salary value thereof for each such person who has had five full years of service in a payroll status provided, however, that the total payment shall not exceed a sum equal to nine hundred and sixty (960) hours of full pay. Unused accumulated sick leave shall be paid for at the rate of one hundred percent (100%) of the current salary value thereof for each such person who has had fifteen or more years of service in a payroll status provided, however, that the total payment shall not exceed a sum equal to nine hundred and sixty (960) hours of full pay. Payment resulting from death shall be made to the persons entitled to otherwise, in accordance with the Probate Code.

Pre-Retirement Cash Out of Accumulated Sick Leave. In contemplation of service retirement or disability retirement of an employee or officer the following pre-retirement cash out option is available:

- A. Effective Date. The pre-retirement cash out option is effective for employee retirement (as defined by the agreement between County of Riverside and CALPERS) that occurs on or after December 7, 2006.
- B. Eligibility. Employees are eligible for the pre-retirement cash out option if they have five or more years of County of Riverside service, and who at the time of their election are employed in a County bargaining unit whose agreement provides for the pre-retirement cash out option.

- C. Election. Qualifying employees have a **one-time election** to cash out a portion of their accrued sick leave balances, up to the limits explained below. Such an election must be made no later than six (6) months prior to retirement (as defined by the agreement between County of Riverside and CALPERS). Notwithstanding the above, such an election may be made within six (6) months prior to retirement if the retirement occurs prior to May 9, 2007.
- D. Sick Leave Cash Out. Sick Leave balances may only be cashed out in the event of the participant's planned retirement **and** if the participant executes a valid election as described at (c) above.
1. For employees retiring with at least five (5) but less than fifteen (15) years of service, at the employee's election, unused accumulated sick leave shall be paid at the rate of fifty percent (50%) of the employee's current salary value. The total payment shall not exceed a sum equal to 960 hours of full pay.
 2. For employees retiring with fifteen (15) or more years of service, at the employee's election, unused accumulated sick leave shall be paid at the rate of one hundred percent (100%) of the employee's current salary value. The total payment shall not exceed a sum equal to nine hundred and sixty (960) hours of full pay.
- E. Refund Requirement. Employees who elect a pre-retirement cash-out of accumulated sick leave under this option, but who do not subsequently retire (as defined by the agreement between County of Riverside and CALPERS) shall repay to the County of Riverside any amount of cashed-out sick-leave. If such payment is not made in a lump sum within two weeks of when the repayment becomes due then it is agreed that the remaining amount due shall be made by way of payroll deduction. Such employees are permitted to again make a valid cash-out election no later than six (6) months prior to retirement.
- F. Forfeiture. Unused accumulated sick leave balances are forfeited in the event a participant terminates employment for any reason other than retirement.
- G. Reduction. The value of the participant's unused sick leave will be reduced by the balance of any amount owed by the participant to the County of Riverside.

Section 2. Bereavement Leave. The County agrees to allow up to five (5) working days of leave, three (3) of which will be paid and the additional two (2) days to be deducted from the employees' sick leave. Eligible employees must be in an active payroll status and be compelled to be absent from duty by reason of the death, or critical illness where death appears imminent, of the employee's father, father-in-law, mother, mother-in-law, brother, sister, spouse, child, grandparent, grandchild, or step relations of the same categories, domestic partner (registered with the Secretary of State and providing a Declaration of Domestic Partnership), child of a domestic partner. The County has the right to require proper documentation in support of the requested leave.

Under extenuating circumstances, and with the prior approval of the department,

employees shall be permitted to take up to five (5) additional working days of leave, provided the employee has sufficient vacation time, compensatory time off, or compensatory holiday time off to cover the absence.

Section 3. Fitness for Duty. A Department Head, when in their judgment good cause exists, may request from the Human Resources Director that an employee be ordered off work until such time as the employee is able to present the Department Head with a certificate, from a physician approved by the County, stating the employee is able to return to work without impairing the health of the public, the employee's health, or the health of the other employees in the department.

The cost of the physician's visit and services will be at County expense, and the employee shall continue to be on paid Administrative Leave until such time as a physician's report is received and the employee is officially notified of the County's determination of his/her status.

Section 4. Agency/Department-Leave of Absence/Official Leave of Absence. An Agency/Department leave of absence or an Official leave of absence without pay may be granted for the following reasons:

1. Illness or disability when sick leave has been exhausted
2. Pregnancy
3. To take a course of study which will increase the employee's usefulness on return to the County
4. Personal reasons acceptable to the authority whose approval is required

A. Agency/department leave of absence: Agency/Department leave of absence up to four hundred and eighty (480) hours (twelve (12) weeks) in any one (1) calendar year period may be granted to any employee by the Agency/Department Head. Such leave shall be reported as leave of absence via the Agency/Department's payroll. The Agency/Department Head may require the leave of absence to be for a specified period of time and appropriate conditions may be imposed, such as providing sufficient medical documentation or other evidence substantiating the leave as required by the Agency/Department Head.

An employee on leave of absence for illness or disability reasons will be required to present a return-to-work statement from the attending health care provider releasing the employee to full duty, prior to being allowed to return to work. Any release to less than full duty will be allowed only as accommodation as required under the Americans with Disabilities Act, or a County designed temporary modified duty and/or return to work program.

B. Official leave of absence: A regular employee may request an Official leave of absence exceeding four hundred and eighty (480) hours, but not exceeding one (1) year (2080 hours). Official leave of absence may be granted upon written request by or on behalf of the employee, specifying the period and the reason, upon the written

recommendation of the Department Head and with the written approval of the Human Resources Director. Application must be made on a form supplied by the Human Resources Department in advance of the effective date of the leave, unless circumstances make such advance request impossible. If the Human Resources Director disapproves the request, it shall be so endorsed and returned to the Agency/Department Head, who may present it to the Board of Supervisors. The Board's action shall be final. Any official leave of absence granted shall be for a specified period and appropriate conditions may be imposed such as the employee providing sufficient medical documentation or other evidence documenting the leave as required by the Human Resources Director or a designee.

Such leave may be extended upon further written request containing justification therefore, such request for extension is to be processed in the same manner as the original request. In the case of a request for an extension due to illness or disability, updated information of the same kind submitted for the original request will be required.

Nothing herein shall prevent the earlier return to duty by the employee, except the Agency/Department Head may require two weeks advance notice of the employee's intention to return.

An employee on leave of absence for illness or disability reasons will be required to present a return-to-work statement from the attending health care provider releasing the employee to full duty, prior to being allowed to return to work. Any release to less than full duty will be allowed only as accommodation as required under the Americans with Disabilities Act, or a County designed temporary modified duty and/or return to work program.

The Human Resources Director shall be promptly notified of the return of any employee from an official leave of absence. The Board of Supervisors shall have the right to cancel or revoke a leave of absence previously granted.

Any employee who shall be called as a witness arising out of and in the course of County employment, shall be deemed to be on duty and there shall be no loss of salary, but any witness fees received shall be paid into the County Treasury, together with any mileage allowed if County transportation is used. Any employee designated non-exempt from Fair Labor Standards Act (FLSA) absent as a witness in a private matter shall not be entitled to be paid during such absence.

Section 7. Air Pollution Emergency. An employee unable to work on a regularly scheduled work day due to an air pollution emergency shall be granted a leave of absence without pay for the period of the emergency unless the employee chooses to use accumulated overtime credit, sick leave credit, vacation credit or holiday leave credit for the

period of time off work due to the emergency.

Section 8. Abandonment/Automatic Resignation

- A. Absence without leave of any employee, whether voluntary or involuntary, for five (5) consecutive working days is an automatic resignation from County service, providing the employee upon written Agency/Department notification does not respond to the Agency/Department and/or does not provide a satisfactory explanation for the absence; and the failure to obtain an approved leave. The notification to the employee must be in writing prior to the department finalizing the resignation and must contain an opportunity within three (3) working days of service for the employee to respond. A second notice, after the time to respond has passed or after the employee has given an unsatisfactory explanation, must be sent to the employee stating the effective date of the abandonment/automatic resignation. Notices may be personally served or served by first class mail (return receipt requested) to the last known address of record of the employee and are complete upon mailing or hand delivery.
- B. An employee may, within ten (10) calendar days of service of the second letter from the department, request in writing reinstatement from the County Human Resources Director. The Human Resources Director will notify the employee in writing within ten (10) calendar days of receipt whether the request for reinstatement has been approved. If denied by the Human Resources Director, the employee may, within ten (10) calendar days, appeal the decision.
1. Appeals shall be heard by a neutral third party. The neutral third party shall make a determination on a reinstatement based upon whether the employee makes a satisfactory explanation for the absence and/or the failure to obtain an approved leave of absence, and whether the employee is ready, able, and willing to resume the duties of the position. The neutral third party decision may be verbal or in writing. The decision of the neutral third party shall be binding on both parties.
 2. Only the employee and one (1) non-attorney representative and the Department Head or a designee and the Human Resources Director or a non-attorney designee shall take part in the presentation of any appeal, unless the employee is an attorney who is self represented. Nothing herein shall prevent an attorney testifying to facts of which the attorney has personal knowledge and that which the attorney may be competent to testify.
 3. The appeal hearing and disposition of the appeal shall be informal, the object being to settle the appeal promptly by the parties. The parties shall have the right to offer evidence by witnesses at the hearing subject to the discretion of the impartial party. The conciliator or mutually agreed upon impartial party may consult with witnesses informally and otherwise investigate the controversy.
 4. The judgment of the conciliator shall be binding on both parties neither of which shall have the right of further appeal.

5. The judgment of the conciliator shall be rendered within five (5) working days of submission of the controversy to them. Provided, however, the parties may mutually agree to extend the time in which the judgment may be rendered.
6. The conciliator's authority shall be limited to deciding the issues submitted by the parties. The conciliator shall have no jurisdiction or authority to add to, delete from, or modify any written provisions of any MOU.
7. All costs for the service of the conciliator, if any, including but not limited to, per diem expenses, travel and subsistence expenses, a transcript, and the cost of the hearing room will be borne equally by the County and the employee.

Section 9. Reporting Requirements. In the absence of a more stringent department policy, an employee reporting off work at the beginning of a shift for any reason shall call the employee's supervisor or designee within one (1) hour before or after the employee's scheduled starting time.

All employees covered under the terms of this MOU may accumulate accrued vacation for not more than a maximum of four hundred and eighty (480) hours.

Upon the written request of a Department Head showing reasonable necessity and good cause, submitted prior to the accumulation of the maximum vacation entitlement, the Board of Supervisors may by order temporarily enlarge for a specific employee the maximum accumulation, by extending the period of additional vacation accrual for not more than three months, unless a different period shall be specified in the order.

- B. Any person who separates employment from the County shall be entitled to pay for all earned vacation as determined under the provisions of this MOU. For the purpose of this paragraph, vacation shall be deemed earned to the date of separation. While such terminal vacation pay shall be chargeable to the salary appropriation of the department, the position shall be deemed vacant and may be filled provided funds are available therefore. If sufficient funds are available, terminal vacation pay may be paid in full in advance at the time of separation; otherwise, all or part thereof may be paid at the same time as if it were regular compensation and the employee had not been terminated.

Such an election must be made no later than six (6) months prior to retirement (as defined by the agreement between County of Riverside and CALPERS). Notwithstanding the above, such an election may be made within six (6) months prior to retirement if the retirement occurs prior to May 9, 2007.

- I. Any arbitration expense incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or canceling party.

ARTICLE XIV ANTI-STRIKE CLAUSE

It is hereby agreed that the Union (LIUNA) shall not take part in, nor call, sanction, foster, nor support any strike, work stoppage, slow-down, sick-in, nor interference with the County's operation during the term of this MOU.

Should a strike, sick-in, picketing, boycott or any other interruption of work occur, the County shall notify the Union (LIUNA) of the existence of such activity and the Union will take all reasonable steps to terminate such activity and induce the employees to return to work.

ARTICLE XV ON-THE-JOB INJURY OR ILLNESS

An employee who suffers an injury or illness which entitled him to benefits under the Workers' Compensation Law, and for which they actually receive or obtain medical treatment, shall be entitled to full compensation for the first twenty one (21) calendar days during which they are necessarily absent from duty as the result of such injury or illness, without deduction on account of accrued sick leave or other accrued salary credits. If such absence continues thereafter, they shall be paid as salary the difference between the temporary disability payments due them under the Workers' Compensation Law and the regular compensation, to the extent of the value of accrued sick leave, including, for this purpose, the values, successively, of the accrued compensatory time off for overtime and accrued vacation credit. During a period of temporary disability and in the proportion that the employee is paid for the difference between the temporary disability payments and the regular compensation, they shall continue to accrue sick leave and vacation benefits at the regular rate.

The right is reserved to make later adjustments as between salary and disability benefits to conform to the Workers' Compensation Law, or to conform to later development of facts, including the right to recover any overpayment directly or from future earnings. In the event of substantial doubt whether temporary disability payments are payable under the Workers' Compensation Law for the disability, or doubt as to the extent thereof, payment on account of sick leave shall be withheld, except to the extent authorized by this section, until the

issue is determined either by assumption of liability by the compensation insurance carrier or by adjudication of liability. In the event of substantial doubt whether the disability is compensable pursuant to Section 4850 of the Labor Code, payment of salary shall be withheld, except as to so much thereof as shall be equal to the value of accrued sick leave, vacation and compensatory time off for overtime, until the issue shall be adjudicated.

Non-Work Related Disability

Effective January 1, 2007, the County shall pay sixty percent (60%) of the employee's salary through its Short Term Disability program with a cap of two thousand dollars (\$2000) per month (maximum benefit/month) or maximum weekly benefit of four hundred and sixty one dollars and fifty four cents (\$461.54). The maximum period payable is fifty two (52) weeks with medical approval. Short-term Disability benefits are calculated and payable on a weekly basis.

ARTICLE XVI LAYOFF AND REINSTATEMENT

Section 1. Seniority

- A. Definition of Seniority. Seniority shall be defined as the length of an employee's continuous service with the County, in a regular position, and is based on most recent date of hire.
- B. Definition of Department. Department, for the purposes of this Procedure, shall be defined as an agency, department, or district of the County which is set out in County Ordinance No. 440.
- C. Whenever more than one employee in a department has the same most recent date of hire, seniority shall be determined in the following order: Hours of County service from the most recent date of hire, seniority in classification, and seniority in the department or agency.
- D. Except as otherwise provided in this Procedure, an employee shall lose seniority upon resignation, retirement, termination, or removal from all departmental reinstatement lists. Seniority shall continue to accrue while an employee is on the layoff list.

Section 2. Reduction in Force

- A. When it becomes necessary to reduce the work force in a department, the Department Head shall designate the job classification(s) to be affected, and the number of employees to be eliminated within the department. No regular employee shall be laid off in any job classification if there are temporary employees or seasonal employees in an active status in the same job classification within the department. It is not the intention of the County to use per diem employees for a replacement of regular laid off employees.

- B. Any reduction in the number of regular employees holding a job classification designated by a Department Head for layoff shall be made in the following order of employment status:
1. Temporary promotion employees (return to former class);
 2. Probationary new employees;
 3. Probationary transfer employees, probationary promotional employees, and regular employees.
- C. Layoffs of employees within each classification shall be based primarily on date of hire, with the least senior employees being laid off first. An employee may be laid off out of seniority when a less senior employee possesses essential skills necessary to the operation of the department, subject to the approval of the Human Resources Director. Employees laid off out of seniority shall be given written notice of this action.
- D. After consultation with the Human Resources Director or a designee, the Department Head shall give notice to each regular employee affected by a reduction in force and to the recognized employee organization that represents the affected employee's representation unit, at least fourteen (14) days prior to the effective date of the action. The List given to the employee organization shall include a seniority list of the affected classes showing previously held positions. A list containing the names of the employees to be laid off shall at the same time be given to the Human Resources Director. The recognized employee organization shall be in receipt of the layoff notice twenty four (24) hours prior to the time affected employees are notified. The official notice of layoff shall be given only by the employing department. The notice shall include:
1. The reason for layoff;
 2. The effective date of the action;
 3. If laid off out of seniority.
- E. If an employee who has received official notice of layoff has previously held regular status in another job classification within the department, and was not removed therefrom for disciplinary reasons, such employee shall, upon request, be given a transfer or demotion within the department to such other classification in lieu of layoff unless such action cannot be accomplished without authorization of another position or displacement of an employee with greater seniority. The affected employee must request such transfer or demotion within seven (7) days of written notification of layoff by personal delivery or mailing of a certified letter.

Regular employees who elect to demote under this provision shall be placed on the step nearest their present salary within the salary plan/grade of the class to which they are demoting provided such step shall not exceed present salary.

- F. The effected employee organization will be provided a copy of the final layoff list.

Section 3. Reassignment

- A. An employee not expected to be laid off may in lieu of reassignment elect to be laid off and be placed on the Departmental Reinstatement List if both of the following conditions exist:
1. The employee is being reassigned to a position previously occupied by an employee who was laid off within twenty (20) working days of the effective date of the reassignment; and
 2. If the new work location is more than forty (40) miles from the employee's current work location or the employee's home, whichever is closer.
- B. An employee who chooses to be laid off and have their name placed on the Departmental Reinstatement List under this section shall notify the department in writing of the decision at least three (3) working days prior to the effective date of reassignment. Such layoff shall be on the same date as the reassignment would have been effective.

Section 4. Employment Counseling and Referral Prior to the effective date of layoff, every employee given notice of layoff for a period of time longer than one (1) pay period may schedule an employment counseling session with the Human Resources Department for assistance in determining other employment opportunities within the County for which the employee may qualify.

- A. Only employees who have either been given layoff notices or are currently on a reinstatement list shall be referred first to any department requesting a recruitment for classifications from which the employees were laid off.
- B. Employees who meet the minimum qualifications and have either been laid off or have been given layoff notices shall be referred first to departments requesting recruitments for all other classifications within LIUNA bargaining units.
- C. Departments are required to notify Human Resources in writing why these candidates are unacceptable before outside candidates will be referred.

Section 5. Departmental Reinstatement List

- A. The name of every regular employee who is laid off for longer than one (1) pay period due to a reduction in force, or who is laid off in lieu of reassignment under subsection (c) above, shall be placed on Departmental Reinstatement Lists for all classifications within the department for which he/she previously held status, provided the department is allocated any positions of such classification. The provisions of this Section do not apply to any classification from which the employee was demoted as a result of disciplinary action.

- B. Any vacancy to be filled within a department shall be offered first, in order of greatest seniority, to individuals named on the Departmental Reinstatement List for the classification of the position to be filled.
- C. An employee's name shall be removed from Departmental Reinstatement Lists, for specific classifications, for any of the following reasons:
 - 1. The expiration of two (2) years from the date of placement on the list.
 - 2. Failure to report to work within seven (7) days of mailing of a certified letter containing a notice of reinstatement to a position which is less than forty (40) miles from the last work location or the employee's home, whichever is closer.
 - 3. Failure to respond within seven (7) days of mailing of a certified letter regarding availability for employment. It shall be the responsibility of the employee to notify their Department Head, in writing, of the employee's current mailing address.
 - 4. Request in writing to be removed from the list.
- D. Status on Reinstatement. Reinstatement is defined as recall by the same department, from a departmental reinstatement list, into a regular position. Upon reinstatement, the employee shall be entitled to:
 - 1. Restoration of all sick leave credited to the employee's account on the date of layoff.
 - 2. Continuation of seniority.
 - 3. Credit for all service prior to layoff for the purpose of determining the rate of accrual of vacation leave.
 - 4. Placement on the salary plan/grade at a step which is nearest former or current pay rate, whichever is higher, with the employee's hours in a step being the same number of hours which the employee had at the time of layoff.

Section 6. Reemployment

Status on Reemployment. Reemployment is defined as being employed by the same or other department into a regular position, only while on the reinstatement list, other than that from which the employee had reinstatement rights to. If reemployed while the employee's name is current on any reinstatement list, the employee shall be entitled to:

- A. Restoration of all sick leave credited to the employee's account on the date of layoff.
- B. Continuation of seniority shall be credited to the employee upon successful completion of the applicable probationary period.

- C. Credit for all service prior to layoff for the purpose of determining the rate of accrual of vacation leave.

Section 7. Temporary Recall. Departments may elect to recall laid off employees in order of seniority from the reinstatement list, for a temporary period of not less than thirty (30) days and not to exceed four hundred and eighty (480) full-time hours within a six (6) month period. Acceptance of temporary recall is at the discretion of the employee and will not affect the employee's status on the reinstatement list. Should the temporary recall extend beyond four hundred and eighty (480) full-time hours, a permanent recall shall be effectuated, if sufficient work remains. The recalled employee shall be eligible for benefits under Section 5.D. (4) of this Article.

The Human Resources Department will provide to LIUNA each quarter a list of employees by Department, classification, and date of hire.

Section 8. Re-Employment from Lay-Off. Vacant regular positions in LIUNA represented classifications that a Department elects to fill shall be offered first to LIUNA represented persons, by seniority, who have been noticed of or permanently laid-off from another LIUNA represented classification for a period not exceeding two (2) years from the date of their initial lay-off provided that such person has the ability, qualifications, experience, availability and satisfactory work performance to fulfill the requirements of the position. If the Department Head or designate does not select a candidate that has been laid off from a LIUNA classification, upon request, they shall provide justification, in writing, to the Human Resources Department as to the reasons for that decision. It is understood and agreed that the matter of determining the ability, qualifications, experience, availability and satisfactory work performance shall be made by the Department Head or designate responsible for the hiring decision and that a Human Resource Department official may also perform such an assessment. It is further understood that any assessment of an individual's ability, qualifications, experience, availability and satisfactory work performance will be measured against the posting requirements for the position. The County agrees to maintain a seniority list of laid-off LIUNA members who are entitled to be considered for re-employment under this provision. LIUNA members must make themselves available within seven (7) calendar days following the date they are notified.

ARTICLE XVII
VOLUNTARY TIME-BANK

Section 1. Any department considering establishing a Time-Bank for its eligible employees shall follow the guidelines below:

- A. Definition of eligible employees.

Only employees in budgeted ("Regular") positions within the Inspection and Technical; Trades, Crafts and Labor; and Supporting Services Units are eligible to participate in the Riverside County Voluntary Time-bank Policy.

- B. Definition of catastrophic illness or injury.

Catastrophic illness or injury is a severe illness or injury which is expected to incapacitate the employee for an extended period of time and which creates a financial hardship because the employee has exhausted all accumulated leave. Catastrophic illness or injury is further defined as a debilitating illness or injury of an immediate family member (i.e., the spouse, son, daughter, step-son, step-daughter, foster-son, foster-daughter, parents, grandparents, brother or sister of the employee or any other person living in the immediate household of the employee) that results in the employee being required to take time off from work for an extended period to care for the family member creating a financial hardship because the employee has exhausted all accumulated leave.

C. Conditions and procedures under which a Time-Bank for catastrophic illness/injury may be established.

1. Only the Department Head, upon concurrence from the Human Resources Director, may request establishment of a Time-Bank for an employee within the department who is suffering a financial hardship due to a catastrophic illness or injury.
2. When the Department Head has determined that an employee would benefit from the establishment of a Time-Bank, the Department Head will contact the employee to determine if the employee desires to participate in a Time-Bank program. If the employee desires to participate in the Time-Bank program, the Department Head will contact the Human Resources Department and recommend the establishment of the program.
3. The Time-Bank will be established on behalf of an individual employee. The bank will accept donations of leave from one or more donors.
4. The Time-Bank will be operated by the Human Resources Department. The Department Head will take actions to help ensure that individual employee decisions to donate or not donate to a Time-Bank are kept confidential and that employees are not pressured to participate.
5. On establishing a Time-Bank program, the Human Resources Department should ensure that only credits that are necessary are donated. All donations are not retrievable.

D. Conditions under which leave credits may be donated to a Time-Bank.

1. Any employee may donate vacation, holiday accrual, or administrative leave. Sick leave and compensatory time may be not donated.
2. Donations of vacation, holiday accrual, or administrative leave must be in increments of eight (8) hours or more and drawn from one bank only.
3. The donation of leave hours is irreversible. Should the person receiving the donation not use all donated leave for the catastrophic illness/injury, any balance will remain with that person or will be converted to cash upon that

person's separation.

4. An employee may not donate leave hours which would reduce their accrued leave balances of vacation, holiday accrual, compensatory time, sick leave, or administrative leave to less than one hundred and sixty eight (168) hours.
5. Donated leave shall be changed to its cash value and then credited to the recipient in equivalent hours at the recipient's base hourly rate of vacation or administrative leave.
6. Employees will use a provided form to submit donations directly to the Human Resources Department. Adjustment to donors and recipient's paid leave balances will be made.

E. Conditions under which leave credits in a Time-Bank may be used.

1. Only the employee for which the Time-Bank has been established may receive leave credits from the Time-Bank. Such leave credits shall be added to the employee's vacation balance.
2. The affected employees will provide verification of their (or immediate family member's) illness or injury on an Attending Physician's Statement to Support Leave or Return from Leave while using time donated under this program.
3. The use of donated credits may be for a maximum of twelve (12) continuous months for any one catastrophic illness.

F. Steps to be taken by the department to establish a Time-Bank program.

A Department Head who decides that the department will participate in a Time-Bank program will arrange with the Human Resources Department for the establishment of the Time-Bank for the individual. The procedure to be followed must include:

1. Receipt of written approval from the employee to announce the need for a Time-Bank transfer.
2. Notify the Human Resources Department of the need for the program and coordinate the program's establishment.
3. Require that employee donations be made directly to the Human Resources Department to ensure that employee's decision to donate or not donate is kept confidential.
4. Immediately investigate any allegations of pressure or coercion in the solicitation of donations for the Time-Bank and take appropriate action.

G. The Human Resources Department will:

1. Control the Time-Bank program.

2. Receive from the employee benefiting from the Time-Bank proof of eligibility and a signed agreement allowing publication of the employee's situation.
3. The employee benefiting from the Time-Bank and the Human Resources Department will agree on the content of the publicity.
4. Publicize the establishment of the Time-Bank program. The notice will inform all employees of:
 - a. The establishment of the voluntary program.
 - b. Their opportunity to donate.
 - c. How donations are submitted.
5. Notify the Department Head immediately if the program cannot be established and the reason(s).
6. Immediately investigate any allegations of pressure or coercion in the solicitation of donations for the Time-Bank and take appropriate action.

Section 2. It is agreed that the use of the holiday bank for donation of time shall be applicable to this MOU subject to reopener should it be determined by the County that such use is abused or it is an administrative problem.

ARTICLE XVIII

- B. If the Accident Review Committee determines that the accident is non-preventable or operational, no appearance will be granted to an employee to appear before the committee.
- C. If the Accident Review Committee determines an accident is preventable, an employee may request an appeal to the determination and appear before the committee to present their evidence and give testimony.
- D. Appeal of Accident Review Committee Determination.
 1. A notice of determination is sent to the employee by certified mail return receipt requested to their last known address if the accident is determined to be preventable. The notice of determination will include an employee's right

to appeal the committee's finding. The notice requirements shall be deemed completed upon the Accident Review Committee's mailing of the notice of determination to the employee.

2. The employee shall submit a written request for review within ten (10) working days following the date of the receipt.
 3. An employee is entitled to representation during the presentation of this appeal.
 4. The Accident Review Committee shall review the evidence and testimony presented by the employee(s) and/or their representative and make its final determination. The final copy of the Accident Review Committee's determination will be sent to the employee's department and their representative or the employee.
 5. If there is no appeal made within the stipulated time limits, the final copy of the Accident Review Committee's determination will be sent to the employee's department and the employee.
- E. The County will release the employee from work with pay for the actual time needed for their presentation. An employee is not entitled to preparation time or mileage paid by the County. In cases where the employee is in an outlying area, a presentation may be made by a telephone conference call with the Accident Review Committee at the employee's option.
- F. Employee is entitled to any information that the County uses upon which it bases its initial determination.

ARTICLE XIX
ALCOHOL AND DRUG ABUSE POLICY*

*This Policy is included for reference.

- I. PURPOSE. It is the intention of this policy to eliminate substance abuse and its effects in the workplace. While the County of Riverside has no intention of intruding into the private lives of its employees, involvement with drugs and alcohol off the job can take its toll on job performance and employee safety. Our concern is that employees are in a condition to perform their duties safely and efficiently, in the interests of their fellow workers and the public as well as themselves. The presence of drugs and alcohol on the job, and the influence of these substances on employees during working hours, are inconsistent with this objective.

Employees who think they may have an alcohol or drug usage problem are urged to voluntarily seek confidential assistance from their personal physician or the Employee Assistance Program Counselor. While County will be supportive of those who seek help voluntarily, County will be equally firm in identifying and disciplining those who continue to be substance abusers and do not seek help.

Supervisors will be trained to recognize abusers and become involved in this control process. Alcohol or drug abuse will not be tolerated, and disciplinary action, up to and including termination, will be used as necessary to achieve this goal.

The County will act to eliminate any substance abuse (alcohol, illegal drugs, prescription drugs or any other substance which could impair an employee's ability to safely and effectively perform the functions of the particular job) which increases the potential for accidents, absenteeism, substandard performance, poor employee morale or damage to the County's reputation. All persons covered by this policy should be aware that violations of the policy may result in discipline, up to and including termination, or in not being hired.

In recognition of the public service responsibilities entrusted to the employees of the County, and that drug and alcohol usage can hinder a person's ability to perform duties safely and effectively, the following policy against drug and alcohol abuse is hereby adopted by the County.

- II. POLICY. It is County policy that employees shall not be under the influence of alcohol or drugs while on duty or on a standby or an on-call status; or consume alcohol or illicit drugs while on County property or at work locations or while on duty; or possess controlled substances or prescription drugs without a prescription while on duty. Employees shall not: manufacture, sell, provide, distribute, or dispense prescription drugs or controlled substances to any other employee or to any person while on duty unless authorized by law; or sell, provide, distribute, or dispense alcohol to any other employee while such employee is on duty.

While use of medically prescribed medications and drugs is not per se a violation of this policy, failure by the employee to notify the supervisor, before beginning work, when taking medications or drugs which could foreseeably interfere with the safe and effective performance of duties or operation of County equipment can result in discipline, up to and including termination. In the event there is a question regarding an employee's ability to safely and effectively perform assigned duties while using such medications or drugs, clearance from a qualified physician may be required.

The County reserves the right to search, without employee consent, all areas and property in which the County maintains control or joint control with the employee, except the lockers of public safety officers, or other space for storage that may be assigned to public safety officers. No employee public safety officer(s) shall have their locker, or other space for storage that may be assigned to them searched except in their presence, or with their consent, or unless a valid search warrant has been obtained or where they have been notified that a search will be conducted. This section shall apply only to lockers or other space for storage that are owned or leased by the County. The County may notify the appropriate law enforcement agency that an

employee may have illegal drugs their possession or in an area not jointly or fully controlled by the County.

Employees reasonably believed to be under the influence of alcohol or drugs shall be prevented from engaging in further work and may be detained for a reasonable time until they can be safely transported from the work site.

The County is committed to providing reasonable accommodation to those employees whose drug or alcohol problem classifies them as people with disabilities under federal and/or state law.

The County has established a voluntary Employee Assistance Services (EAS) to assist those employees who voluntarily seek help for alcohol or drug problems. Employees should contact their supervisors or the EAP Counselor for additional information. Contacting an EAS Counselor or their supervisor in and of itself shall not be a basis for discipline.

Any employee directed by the County to go through a treatment program will have that program fully funded by the County. If the employee chooses to go through a treatment program other than that recommended by the County, the employee shall be responsible for paying for the program's funding. All of the short-term disability money owed the employee will be given to the employee and not used for the treatment program.

III. APPLICATION. This policy applies to all employees of and to all applicants for positions with the County. This policy applies to alcohol and to all substances, drugs, or medications, legal or illegal, which could impair an employee's ability to effectively and safely perform the functions of the job.

IV. EMPLOYEE RESPONSIBILITIES AND AS A CONDITION OF EMPLOYMENT

An employee must:

- A. Not report to work or be on a standby or an on-call status while their ability to perform job duties is impaired due to on or off duty alcohol or drug use;
- B. Not possess or use controlled substances (illegal drugs or prescription drugs without a prescription) at any time, or use alcohol at any time while on County property or while on duty;
- C. Not directly or through a third party manufacture, sell, distribute, dispense or provide controlled substances to any person, including any employee, at any time; or manufacture, sell distribute, dispense or provide alcohol to any employee while either or both are on duty;
- D. Notify the supervisor, before beginning work, when taking any medications or drugs, prescription or non-prescription, which may

interfere with the safe and effective performance of duties or operation of County equipment; and

- E. Notify the supervisor of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction.

V. MANAGEMENT RESPONSIBILITIES AND GUIDELINES

- A. Managers and supervisors are responsible for reasonable enforcement of this policy.
- B. No persons shall physically search the person of employees, or shall they search the personal possession of employees without the freely given consent of, and in the presence of, the employee.
- C. Managers and supervisors shall notify their Department Head or designee when they have reasonable cause to believe that an employee may have a drug or alcohol problem and may need to be tested, or suspicion to believe that an employee may have illegal drugs in their possession or in an area not jointly or fully controlled by the County. If the Department Head or designee concurs that there is reasonable suspicion of illegal drug possession, the Department Head shall notify the appropriate law enforcement agency. For reasonable cause, management may condition further employment on successful passage of a drug or alcohol test.

EAS CONFIDENTIALITY: LIUNA and the County shall meet and work together in an effort to establish appropriate confidentiality standards for employees who voluntarily seek EAS assistance.

ARTICLE XX

- A. Contributions: The County shall contribute twenty five dollars (\$25.00) per month on behalf of each eligible retiree and such retiree's dependents enrolled in one (1) of Riverside County employee medical plans, toward the payment of premiums for health insurance.
- B. Plan Selection Requirement. Employees whose last hire date is on or after November 13, 2003 will be required to select a medical plan as part of their Flexible Benefit election each year, and will not have the option of waiving all medical coverage.
- C. Waiving Medical Coverage. Employees whose most recent hire date is prior to November 13, 2003 will have the option of waiving medical coverage if they provide proof of coverage under another group medical plan.

Employees electing not to take medical insurance coverage must provide evidence of medical plan coverage from their spouse or other sources and sign a statement that they are enrolled and covered under another medical plan. Evidence is defined as a dated certificate of coverage, plan enrollment card, policy, etc. Notice of waiver form showing other medical coverage shall be received by the Human Resources Department within sixty (60) days from date of hire, and annually during Open Enrollment.

While qualifying employees may waive medical coverage, one of the flexible benefit options must be taken (medical, dental, or Flexible Spending Account) to receive cash back.

- D. Employees who fail to timely elect medical coverage will be placed in the lowest-priced employee-only PPO medical plan available.
- E. Cash Back. If monies remain after deduction of elected benefits, said monies may be taken in cash back to the aggregate total of options selected and cash.

If monies remain after waiver of health insurance and deduction of other elected benefits, said monies may be taken in cash back.

- F. Flex for Part-Time Employees. Part-time regular employees hired after January 11, 1990, or current employees who become part-time regular employees are eligible for the Flexible Benefit, on the following basis:

Employees working twenty (20) to twenty nine (29) hours per week, fifty percent (50%) of the applicable County of Riverside Flexible Benefits Program contribution for full-time regular employees per month per employee.

Employees working thirty (30) to thirty nine (39) hours per week, seventy five

percent (75%) of the applicable County of Riverside Flexible Benefits Program contribution for full-time regular employees per month per employee.

Employees with family coverage: Monthly premium reduced by \$100.00

Employees with two-party coverage: Monthly premium reduced by \$25.00

This subsidy will remain in place for the duration of the MOU.

See Article XXVIII, for increases in Flexible Benefits.

ARTICLE XXII
AGENCY SHOP

Subject to the provisions set forth below, the County shall deduct and remit the LIUNA bi-weekly service fees or dues, as appropriate, for fee payers/members of LIUNA.

Current employees in the unit who are now LIUNA members shall remain LIUNA members for the period of this MOU. For employees who are hired on or after the effective date of this amendment, and are in a job classification within a representation unit of LIUNA covered by this MOU, the County, in conformance with the provisions of Government Code Section 3508.5(b), shall deduct the payment of service fees to LIUNA from the employees' biweekly paychecks. Furthermore, employees hired on or before July 2, 1986, shall, effective January 1, 2003, become a member of LIUNA or, pursuant to the provisions of Government Code Section 3508.5(b) the County shall automatically deduct the payment of service fees to LIUNA from the employees from the employee's biweekly paycheck

Dues withheld by the County shall be transmitted to the LIUNA Officer designated in writing by LIUNA as the person authorized to receive such funds, at the address specified.

The parties agree that the obligations herein are a condition of continued employment for all unit members. The parties further agree that the failure of any unit member to remain a member in good standing of LIUNA or pay the equivalent of LIUNA dues during the term of this MOU shall constitute, generally, just and reasonable cause for termination. The County shall not be obligated to put into effect any new, changed or discontinued

deduction until the pay period commencing fifteen (15) work days or more after such submission.

No unit member shall be required to join LIUNA or to make an agency fee payment if the unit member is an actual verified member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting employee organizations; this exemption shall not be granted unless and until such unit member has verified the specific circumstances. Such employee must, instead, arrange with LIUNA to satisfy their obligation by donating the equivalent amount to a non-labor, non-religion charitable fund, tax exempt under Section 501(c)(3) of the Internal Revenue Code (IRC), chosen by the employee.

Whenever a unit member shall be delinquent in the payment of dues or fees, LIUNA shall give the unit member written notice thereof and fifteen (15) days to cure the delinquency; a copy of said notice shall be forwarded to the Employee Relations Director. In the event the unit member fails to cure said delinquency, LIUNA shall request, in writing, that the County initiate termination proceedings. The termination proceedings shall be governed by applicable State laws.

The County shall not deduct monies specifically earmarked for a Political Action Committee or other political activities unless such deduction is affirmatively, separately and specifically authorized in writing by the unit member.

LIUNA shall keep an adequate itemized record of its financial transactions and shall make available annually to the County and, upon request to the employees who are members within sixty (60) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its President and Treasurer or corresponding principle officer, or by a Certified Public Accountant. A copy of financial reports required under the Labor-Management Disclosure Act of 1959 or Government Code Section 3546.5 shall satisfy this requirement.

This organizational security arrangement shall be null and void if rescinded by a vote of employees affected in the unit pursuant to Government Code Section 3502.5(b).
