BACKGROUND:

Summary (Continued)

Please note that with the ratification of this service amendment the Department is neither deleting positions nor adjusting for a revenue loss, as the positions are being redeployed for the same service pursuant to a new two-year service agreement with the Temecula Valley Unified School District. The Sheriff's Department is also recommending Board approval of the school district agreement in a separate item on today's agenda.

Impact on Citizens and Businesses

The Sheriff's contract actions specified here will not have any impact on citizens and businesses since the total number of School Resource Officers purchased for contract service remains unchanged.
