**FORM 11:** Grand Avenue and Blackwell Boulevard, Traffic Signal, Lighting and Intersection Improvements Project, Community of Lakeland Village, 1<sup>st</sup> / 1<sup>st</sup> District [\$659,661, 100% Local Funds]

**DATE:** November 14, 2013

**PAGE:** 2 of 2

**BACKGROUND:**

**Summary**

By Minute Order dated August 20, 2013 (Agenda Item 3-103), the Board of Supervisors authorized the Clerk of the Board to advertise for the construction of Grand Avenue and Blackwell Boulevard Traffic Signal, Lighting, and Intersection Improvements Project in the community of Lakeland Village.

During the advertisement period, two addenda were issued to all registered plan holders as a supplement to the plans and specifications. Bidders are required to acknowledge and take into account all issued addenda on their Contractor's Bid in order to be considered for award. The addenda were issued to clarify and modify the approved contract documents. The addenda are attached and designated as Addendum No. 1 and Addendum No. 2.

Five bids were received on September 11, 2013, ranging from \$659,661 to \$833,883. The basis for the selection of a contractor is the lowest responsive and responsible bid. The lowest and best bid was submitted by Hillcrest Contracting, Inc. of Corona, CA in the amount of \$659,661, which is \$113,145 (20.7%) higher than the Engineer's Estimate.

The Contract includes one base bid schedule and one alternate bid schedule. The alternate bid schedule provides for the contractor to do Elsinore Valley Municipal Water District (EVMWD) construction items. EVMWD concurs with bid prices for the alternate bid schedule as bid by Hillcrest Contracting, Inc. and the costs for the work will be funded by the EVMWD. By Minute Order dated April 9, 2013 (Agenda Item 3-32), the reimbursement Agreement with the EVMWD was executed by the Board of Supervisors.

The construction duration set for this project is for 45 working days.

The contractor is qualified to perform the work as outlined in the bid, has executed the Contract, and has provided bonds and insurance documents, which meet the requirements of the Contract.

Project No. C0-0533

**Impact on Residents and Businesses**

The construction of the traffic signal will improve traffic operations and safety through the intersection. Intersection improvements also include construction of sidewalk, curb ramps to comply with Americans with Disabilities Act (ADA) requirements, and other associated improvements.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

The Contract is recommended to be awarded to Hillcrest Contracting, Inc. for the total amount of \$659,661. Construction is planned to finish in FY 2013/2014.

This project is funded by the Redevelopment Agency, West County DIF Signal Mitigation Fund, and the EVMWD. There are no General Funds used in this project. See Attachment "A."

Annual maintenance cost for the traffic signal is estimated to be \$7,000.
