FORM 11: EPO First Amendment to the Medical Contractor Agreement with Wade Faerber, DO

DATE: October 17, 2013

PAGE: 2 of 2

BACKGROUND:

Summary

In 1999, the Board of Supervisors established the County's self-funded Exclusive Provider Option (EPO) health plan, Exclusive Care, to provide a value health plan option to the employees of Riverside County and their families. To provide services to its enrolled members, Exclusive Care has contracted with a variety of healthcare providers.

This Provider has completed the Exclusive Care credentialing process which includes all appropriate medical licensure, a current review of the Medical Board of California for actions relating to license or practices of physicians, public records, consumer complaints, business license, and lien verifications. The legal contracting entity has been verified with the W9 and/or the California Business Portal or Business License. This Amendment continues participation in the Exclusive Care Provider Network under the terms similar to other comparable providers under contract.
