BACKGROUND:

Summary (continued)

CAPP funding provides childcare services to eligible families meeting criteria as set forth by the California Department of Education in accordance with California Education Code. The Agreement will serve families in need of subsidized childcare, children who are referred to the program as being at risk of abuse, neglect, or exploitation, and other low-income customers who are not served by other subsidy programs to facilitate self-sufficiency and stabilize family units.

The average monthly cost per child is approximately \$528. Approximately 3,791 children were served during fiscal year 2012/13. The increase in funding will allow DPSS to serve approximately 73 additional children for FY 13/14.

The Agreement was approved by the Board of Supervisors on July 30, 2013 (Agenda Item #3.47). Amendment #1 will increase the MRA. There will be no change to the service requirements or minimum days of operation.

Impact on Residents and Businesses

These programs provide much needed assistance to individuals or families who are in need of subsidized childcare, children who are referred to the program as being at-risk of abuse, neglect, or exploitation, and other low-income customers who are not served by other subsidy programs.
