BACKGROUND:

Summary

The California Governor's Office of Emergency Services (CalOES) has awarded the County an additional \$193,268 to continue the Law Enforcement Specialized Units in Calendar Year 2014.

The grant project cycle runs from January 1, 2012 through December 31, 2014. This current grant funding period is from January 1, 2014 through December 31, 2014. A non-competitive reapplication for continuation of funding was submitted for this third and final year of the project.

Grant funds will continue to be used for the Law Enforcement Specialized Units Program to provide a comprehensive and collaborative response to calls of domestic violence, in the southwest area of the County of Riverside.

The grant funds 75% of total project costs. The remaining 25% of total project costs (\$64,423) is met through an in-kind match, which is in the Sheriff's Department's budget. Budget adjustments needed for this fiscal year total to \$96,634.

Alternatives to Domestic Violence (ADV), a non-governmental, non-profit organization, is the task force's core collaborative partner in the project. The Board should note that, as a grant project partner, Alternatives to Domestic Violence will be utilized as a sole source contractor.

County Counsel has approved the documents as to form.

Impact on Citizens and Businesses

The grant funds 75% of total project cost and provides resources in the County to educate, prevent and intervene and treat victims of domestic violence. Alternatives to Domestic Violence, a non-governmental, non-profit organization will provide consultation, outreach and resource materials to domestic violence victims.
