4. Authorize and allocate the sum of \$41,368 for temporary construction access, within a portion of Assessor's Parcel Number 364-010-005, as well as \$13,600 to pay all related transaction costs.

BACKGROUND:

Summary

Interstate 215 is a major interstate goods-movement corridor which links San Bernardino and Riverside Counties with San Diego. It is a primary link between major economic centers and geographic regions. This area of southwestern Riverside County has grown significantly over the past ten years and is experiencing continued population and employment growth, particularly extensive residential and commercial development along Newport Road near the I-215. The current diamond interchange configuration is limiting in its capacity as compared to a partial cloverleaf configuration. A traffic analysis was performed to quantify the existing and future traffic operational characteristics of the existing interchange and the associated transportation system and the resultant congestion delay anticipated at the interchange.

The Riverside County Transportation Department (RCTD) and the City of Menifee propose to improve the Interstate 215/Newport Road interchange. The existing ramps would be reconstructed in a modified partial cloverleaf configuration, connecting with the widened cross section of Newport Road and adding northbound and southbound loop on-ramps (Project).

The Initial Study and Mitigation Negative Declaration was approved on November 8, 2012, and Project Report was approved on November 15, 2012.

The Economic Development Agency/Facilities Management (EDA/FM) has negotiated the temporary rights of a portion of Assessor's Parcel Number 364-010-005 from Tesoro South Coast Company for the price of \$41,368. There are related costs of \$13,600 associated with this transaction.

This Form 11 has been reviewed and approved by County Counsel as to legal form.

Impact on Residents and Businesses

The Project is needed in order to reduce congestion, improve traffic flow and improve public safety by improving the current traffic operations at the interchange.

Temporary Construction Access Agreement (4)

COUNTY OF RIVERSIDE, a political subdivision of the State of California ("County"),
and
TESORO SOUTH COAST COMPANY, LLC, a Delaware limited liability company,
("Grantor")

PROJECT: NEWPORT ROAD/INTERSTATE 215
INTERCHANGE PROJECT
PARCEL(S): 22771-1
APN: 364-010-005 (PORTION)

TEMPORARY CONSTRUCTION ACCESS AGREEMENT

This Temporary Construction Access Agreement ("Agreement") is made by and
between the COUNTY OF RIVERSIDE, a political subdivision of the State of California,
("Grantee" or "County") and TESORO SOUTH COAST COMPANY, LLC, a Delaware
limited liability company ("Grantor"). Grantee and Grantor are sometimes collectively
referred to as "Parties."

RECITALS

A. Whereas, Grantee desires to acquire the TCA (as defined below) as part
of its work on the Newport Road / I-215 Interchange Project (the "Project").

B. Whereas, Grantor is willing to grant the TCA to Grantee upon the terms
and conditions set forth herein.

TERMS & CONDITIONS

1. Rights Granted. Grantor agrees to grant to Grantee, for the Term (as
defined below), a license for Temporary Construction Access ("TCA") in and to the
surface of a 2,019 square foot portion of land area ("TCA Area") that is a portion of the
real property commonly known as 30107 Antelope Road, Menifee, California having an
Assessor's Parcel Number ("APN") of 364-010-005, which TCA Area is depicted as
Parcel 22771-1 on Attachment "1," which are attached hereto and made a part hereof,

1 upon the terms and conditions herein set forth. For purposes of this Agreement, the
2 term "Grantor's Service Station Property" means the real property commonly known as
3 30107 Antelope Road, Menifee, California with an APN of 364-010-005, of which the
4 TCA Area is only a portion thereof.

5 2. Consideration. As compensation for the TCA, Grantee shall pay Grantor
6 the sum of \$41,368.00 (the "Compensation"). This includes compensation for the TCA
7 being granted pursuant to this Agreement, and landscaping listed in Attachment "2"
8 located within the TCA Area. The Compensation shall be paid by Grantee to Grantor
9 within forty-five (45) days of full execution of this Agreement, via a check made payable
10 to "Tesoro South Coast Company, LLC" and delivered to Grantor at the address shown
11 below.

12 3. Term of TCA. The term of the TCA shall be for a period of twenty four
13 (24) months, commencing upon the date the County first provides Grantor (at the
14 address shown below) with thirty (30) day advanced written notice that it intends to
15 access the TCA Area pursuant to this Agreement, and expiring twenty-four (24) months
16 thereafter (the "Term"). However, in no event shall the Term extend beyond December
17 31, 2016. At Grantor's request, Grantee shall confirm, in writing, the dates of the
18 commencement and expiration of the Term.

19 4. Purpose of TCA. It is understood that the County and its contractors,
20 subcontractors and agents may, subject to all other provisions of this Agreement, enter
21 upon the TCA Area for the purpose of getting construction materials, vehicles, or
22 equipment to and from the TCA Area; possible limited storage of such equipment, as
23 reasonably necessary; removal of certain identified landscaping and irrigation,
24 identified as Items 1-5 in Attachment 2; and other construction-related purposes as
25 may be reasonably necessary to complete the Project. County agrees it and its
26 contractors, subcontractors and agents will not damage the TCA Area in the process of
27 using the TCA granted herein. Neither Grantee nor its contractors, subcontractors or
28 agents will park any vehicles, or store or place any materials or equipment on, or

1 otherwise use, any portion of the Grantor's Service Station Property not within the TCA
2 Area, and will not damage any buildings, structures, improvements, surfaces, paving,
3 equipment or vehicles located or situated on any portion of the Grantor's Service
4 Station Property not within the TCA Area. Furthermore, for purposes of clarity, it is the
5 Grantor's and Grantee's understanding that the quarter-circle stucco wall (at the
6 southwest corner of intersection of Newport Road and Antelope Road), the trash
7 enclosure and the air/water unit are all outside the TCA Area, and accordingly the
8 Grantee shall not damage or destroy the same; however, to the extent the same are
9 actually within the TCA Area, in whole or in part, Grantee further agrees to protect in
10 place and not damage or destroy the same, notwithstanding any other provision of this
11 Agreement.

12 5. Utility Disruption. Neither Grantee nor its contractors, subcontractors or
13 agents shall cause any disruption or interruption to or of any public utilities being
14 provided to any portion of the Grantor's Service Station Property unless (i) Grantee
15 obtains the written permission of the applicable utility company(ies) for the same, in
16 which case any such disruption or interruption shall be for the shortest duration of time
17 reasonably feasible, and (ii) Grantee provides Grantor with reasonable advance notice
18 of the disruption or interruption.

19 6. Parking & Storage. Grantee will not allow any vehicles, equipment or
20 materials to be parked, stored or placed overnight in the TCA Area, nor will the
21 Grantee allow any vehicles, equipment or materials to be parked, stored or placed in
22 the TCA Area during the day unless reasonably necessary for ongoing construction
23 activities.

24 7. Security. Grantor shall have no responsibility for maintaining or providing
25 security for any vehicles, equipment or materials of the Grantee and/or its contractors,
26 subcontractors or agents.

27 ///

28 ///

1 8. Utility Location. Grantor shall not have any responsibility for locating any
2 underground utilities that may be situated or located on, at, under or near the TCA
3 Area.

4 9. Landscaping. Grantee hereby represents to Grantor that Grantor shall
5 not be required to obtain permits to replace any affected landscaping in the TCA Area.
6 Grantor acknowledges if landscaping is altered in the TCA Area (rather than simply
7 replaced in kind in the TCA Area), permits may be required by the City of Menifee.

8 10. Removal or Disposal; Coordination with Grantor Diligence. The right to
9 enter upon and use TCA Area includes the right to remove and dispose of Items 1-5
10 listed in Attachment "2." Payment to the Grantor for Items 1-5 listed in Attachment "2"
11 are included in the Compensation portion of this Agreement. Grantee shall coordinate,
12 in advance, all activities on the TCA Area with Grantor's Project Engineer or other
13 designated representative(s) of Grantor. Furthermore, and so as to minimize the
14 impacts of any construction activities by Grantee or its contractors, subcontractors or
15 agents upon ongoing business operations at Grantor's Service Station Property,
16 Grantee agrees that any particular work or activities on or at the TCA Area shall be
17 completed promptly upon initiation, although different kinds of activities constituting the
18 work on or at the TCA Area may be completed in discrete phases over the Term of the
19 TCA Area. Thus, for example, once the Grantee initiates the removal of the
20 landscaping in the TCA Area, it shall promptly complete all of the same.

21 11. County to Protect In Place. County agrees to protect in place, and to not
22 damage or destroy, Items 6-9 listed in Attachment "2". Grantor and its tenants and
23 contractors shall have the right at all times during the Term to enter upon the TCA Area
24 to the extent reasonably necessary to use, maintain and repair any signs and light
25 poles within the TCA Area (including but not limited to changing the prices on the
26 pricing signs).

27 12. Additional Duties and Obligations of Grantee and Its Contractors,
28 Subcontractors and Agents. All activities by Grantee and its contractors,

1 subcontractors and agents on the TCA Area shall conform to all applicable laws and
2 regulations relating to the same, and shall be done in a good and workmanlike manner.

3 In addition, and without limiting any other provision of this Agreement:

4 i. Grantee and its contractors, subcontractors and agents will only
5 conduct activities on the TCA Area that are reasonably necessary to carry out the
6 Project, and shall not install, place or make any improvements or structures upon,
7 under or to the TCA Area.

8 ii. The Grantee shall, at its sole cost and expense, ensure that there
9 is conforming, matching surface material (e.g., either concrete or asphalt) at any
10 location where the Grantor's Service Station Property meets any portion of the Project.

11 iii. Without limiting Grantee's other obligations as set forth in this
12 Agreement, prior to expiration of the Term of the TCA, Grantee shall, at its sole cost
13 and expense, repair any damage to the TCA Area and restore the TCA Area to at least
14 the same condition existing prior to Grantee first accessing the same, except Grantee
15 need not replace any landscaping in the TCA Area.

16 iv. In connection with any work on the Project, including any activities
17 on or at the TCA Area, Grantee shall ensure that all driveways which provide
18 ingress/egress to Grantor's Service Station Property via Newport Road and Antelope
19 Road as of the date of this Agreement shall remain at least partially open and
20 accessible at all times sufficient to allow for vehicular traffic, tanker fuel truck deliveries,
21 vendor deliveries, and drive-thru patronage for the Del Taco restaurant at all times.

22 v. No gasoline pricing signs, light poles, or signs identifying the Del
23 Taco restaurant within the TCA Area shall be moved, damaged, altered, covered,
24 hidden or destroyed. Grantor and its tenants and agents shall have access at all times
25 to all pricing signs so as to post fuel price changes.

26 13. Grantor's Use of Contractors. Grantor shall retain the contractor(s) for any
27 replacement and/or re-installment of Items 1-5 listed in Attachment "2", if required, and
28 Grantor shall directly compensate each contractor for all costs, fees, and/or expenses

1 incurred in conducting such work. The County is not responsible for any payment to
2 the selected contractor(s) for such work.

3 14. Indemnity. Grantee agrees to indemnify, defend and hold harmless
4 Grantor and its tenants at Grantor's Service Station Property from and against all and
5 all claims, causes of action, actions, demands, damages, liabilities, fees, liens, costs,
6 expenses, judgments, order and penalties arising from or based upon the County's (or
7 its contractors', subcontractors' or agents') use of the TCA Area; however, this
8 indemnification does not extend to any liability that may inadvertently be extended to
9 the County arising from or as a consequence of the presence of hazardous substances
10 on the TCA Area not caused by the County or its contractors or subcontractors.

11 15. Ownership. Grantor hereby warrants that it is the fee owner of the
12 Grantor's Service Station Property and that it has the right to grant County permission
13 to enter upon and use the TCA Area as described herein.

14 16. Notices. Any notice which either Party is required to give to the other
15 Party pursuant to this Agreement shall be in writing and given by mailing the same by
16 certified mail, return receipt requested, postage prepaid, or sent via overnight service
17 using a reputable overnight courier, to the other Party at the address(es) shown below
18 or at such other place(s) as may be designated by the Parties from time to time in
19 writing, and any notice so mailed shall be deemed received (and hence notice received
20 on such day) on the third business day after mailing via certified mail or the next
21 business day after delivery using a reputable overnight courier.

1 26. Grantor's Disclaimer. Grantee is being granted the TCA in the TCA Area
2 "AS IS" with all faults and defects in the same. Grantor hereby specifically disclaims
3 any representation or warranty, oral or written, including, but not limited to those
4 concerning the nature and condition of the TCA Area and the suitability of the TCA Area
5 for any and all activities and uses which Grantee may conduct thereon. Except as
6 otherwise expressly specified herein, GRANTOR MAKES NO WARRANTY OR
7 REPRESENTATION, EXPRESS OR IMPLIED, OR ARISING BY OPERATION OF
8 LAW, INCLUDING, BUT IN NO WAY LIMITED TO, ANY WARRANTY OF QUANTITY,
9 QUALITY, CONDITION, HABITABILITY, MERCHANTABILITY, SUITABILITY OR
10 FITNESS FOR A PARTICULAR PURPOSE, OF THE TCA AREA. GRANTEE
11 ACKNOWLEDGES THAT GRANTEE IS TEMPORARILY ACQUIRING THE TCA

15 GRANTEE ACKNOWLEDGES THAT GRANTOR HAS MADE NO AGREEMENT TO
16 ALTER, REPAIR OR IMPROVE THE TCA AREA.

17 27. Quitclaim Deed. This Agreement shall not be recorded by the Grantor or
18 Grantee without the consent of the other party. In the event Grantee records this
19 Agreement, Grantee shall, if so requested by Grantor, upon the expiration of the Term
