## Purpose

This Program Memo (PM) transmits to participating Area Agencies on Aging (AAA) the contract, budget display, budget form (CDA 229FA), budget narrative template, budget narrative instructions, and work plan template for contract activities funded under the California Department of Aging's (CDA) federal Financial Alignment (FA) grant. Participating AAAs will use FA grant funds to provide Health Insurance Counseling and Advocacy Program (HICAP) outreach, education, and counseling to individuals eligible for both Medicare and Medi-Cal (dual eligible beneficiaries) about their options and choices under California's three-year Cal MediConnect demonstration.

## Background

The Cal MediConnect demonstration is a joint effort between California's Medi-Cal program and the federal Medicare program. The goal is to promote coordinated delivery of medical, behavioral health, long-term institutional and home- and community-based services through a single organized system to older adults and people with disabilities who are dually eligible for both Medi-Cal and Medicare. Cal MediConnect is part of the larger Coordinated Care Initiative (CCI) authorized pursuant to SB 1008 (Chapter 33, Statutes of 2012) and SB 1036 (Chapter 45, Statutes of 2012). The Centers for Medicare & Medicaid Services (CMS) awarded CDA a \$1,000,000 FA grant to support local HICAPs in providing outreach, education, and counseling to dual eligible beneficiaries in the eight Cal MediConnect demonstration counties to help them understand their Cal MediConnect coverage options.

*Continued on next page*

**Allocation Methodology**

CDA will allocate the \$1,000,000 in FA grant funds for FA contract activities to the nine participating AAAs providing HICAP services in the eight Cal MediConnect demonstration counties. CDA will distribute these funds as follows:

1. Fifty percent of the FA grant funds (\$500,000) will be allocated in State Fiscal Year (SFY) 2013-2014; fifty percent of the FA grant funds (\$500,000) will be allocated in SFY 2014-2015.
2. Thirty-three percent of the \$1,000,000 in FA grant funds will be distributed among the nine AAAs to ensure an identical baseline allocation for FA contract activities in each of the eight Cal MediConnect demonstration counties.
3. Sixty-seven percent of the FA grant funds will be allocated to the nine AAAs based on each demonstration county's proportional share of the total Cal MediConnect-Eligible population.

**Work Plan Instructions**

AAAs must submit to CDA detailed work plans describing FA contract activities. Work plans must:

- Outline performance goals, measurable outcomes, major objectives, key tasks and personnel, and time frames, including start and end dates.
- Ensure coordination with the State's enrollment broker and entities involved in beneficiary appeal processes.

**Contract Administration Limitation**

AAAs may use a maximum of ten percent of FA Contract funding for program administration. The attached Budget Display indicates each AAA's maximum allowable dollar amount for administration.

**Expenditure Guidelines**

The FA Contract is a three-year contract. SFY 2013-2014 FA Grant funds that remain unspent as of June 30, 2014, will be available for carryover into SFY 2014-2015. FA Contract funds that remain unspent as of June 30, 2015, will be available for carryover into SFY 2015-2016.

AAAs are strongly encouraged to expedite distribution of funds to their HICAPs or HICAP contractors to ensure adequate funding is available for initial project expenditures.
