**BACKGROUND:**

**Summary (continued)**

It should be noted that the Transportation Department contracts out the vast majority of our construction work to private contractors (over 90% last year). Certain projects that are less complex and of a maintenance nature can be more efficiently and quickly accomplished using our day labor crews due to the time and cost savings realized through not having to generate engineered plans and contract specifications, surveying, and inspection costs.

The following roads will be paved:

<u>Name</u>	<u>From</u>	<u>To</u>
22nd Avenue	Rannells Boulevard	Keim Boulevard
Chuckwalla Valley Road	6.7 miles west of Ford Dry Lake	4.7 miles west of Ford Dry Lake
De Frain Boulevard	18 <sup>th</sup> Avenue	Seeley Avenue
Midland Road	1.2 miles northwest of Williams Avenue	2.4 miles northwest of Williams Avenue

Assembly Bill 720 (AB720) sets forth modified requirements by which new road construction and road reconstruction can be performed by employees of a public agency. Under AB720, an agency may elect to utilize public employees to perform force account work, provided this work does not exceed 30% of the total value of all work performed by force account other than maintenance, as reported in the State Controller's Streets and Roads Annual Report as of January 1 of each year. The intent to use this authority must be declared prior to commencing the work.

The proposed projects with their associated construction budgets are listed in Attachment A-1. The total cost of the work is \$1,142,000.

**Impact on Residents and Businesses**

The proposed projects will reduce dust and improve access to local residents.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

Chuckwalla Valley Road paving will be funded by District IV Funds in the amount of \$557,000. De Frain Boulevard and Midland Road paving will be funded by Gas Tax Funds in the amount of \$404,000. 22<sup>nd</sup> Avenue paving will be funded by \$181,000 of Prop 1B Funds.
