BACKGROUND:

1. An initial inspection was made on the subject property by Code Enforcement Officer Roy Ryder on June 25, 2012. The Inspection revealed three (3) substandard structures on the subject real property in violation of Riverside County Ordinance No. 457. One of the substandard structures was subsequently removed. The substandard conditions on the 2 remaining structures included, but were not limited to the following: faulty weather protection, general dilapidation or improper maintenance, fire hazard and public and attractive nuisance – abandoned/vacant.
2. The inspection also revealed accumulation of rubbish on the subject property in violation of Riverside County Ordinance No. 541. The accumulation of rubbish consisted of, but was not limited to the following materials: scrap metal, scrap wood, house hold items, trash, furniture, tires, scrap wood structures and windows.

1 I, Brett Pollard declare that the facts set forth below are personally known to me except to the
2 extent that certain information is based on information and belief which I believe to be true, and if called
3 as a witness, I could and would competently testify thereof under oath:

4 1. I am currently employed by the Riverside County Code Enforcement Department as a
5 Code Enforcement Officer. My current official duties as a Code Enforcement Officer include inspecting
6 property for violations and enforcement of the provisions of Riverside County Ordinances.

7 2. I am informed and believe and thereon allege that on June 25, 2012, Officer Ryder
8 conducted an initial inspection of the real property described as 30885 Red Mountain Road, Hemet,
9 Riverside County, California, and further described as Assessor's Parcel Number 569-140-006
10 (hereinafter described as "THE PROPERTY"). A true and correct copy of a Thomas Brothers map page
11 indicating the location of THE PROPERTY is attached hereto and incorporated herein by reference as
12 Exhibit "A."

13 3. A review of County records and documents disclosed that THE PROPERTY is owned by
14 Boyce W. and Sandra G. McPeters (hereinafter referred to as "OWNERS"). A certified copy of the
15 County Equalized Assessment Roll for the 2013-2014 tax year and a copy of the report generated from
16 the County Geographic Information System ("GIS") is attached hereto and incorporated herein by
17 reference as Exhibit "B."

18 4. Based on the Lot Book Report from RZ Title Service dated April 23, 2013 and updated on
19 October 21, 2013, there appear to be no interested parties. True and correct copies of the Lot Book
20 Reports are attached hereto and incorporated herein by reference as Exhibit "C."

1 5. I am informed and believe and thereon allege that on June 25, 2012, Officer Ryder
2 conducted an initial inspection of the open and accessible property. Officer Ryder observed
3 accumulated rubbish on THE PROPERTY including, but not limited to: scrap metal, scrap wood, house
4 hold items, trash, furniture, tires, scrap wood structure, and windows. These conditions cause THE
5 PROPERTY to constitute a public nuisance in violation of Riverside County Ordinance ("RCO") No. 541.
6 Officer Ryder also observed three (3) substandard structures in a state of general dilapidation. The first
7 substandard structure was a mobile home addition which was subsequently removed from THE
8 PROPERTY. The following conditions as described below cause the structures to be substandard and
9 THE PROPERTY to constitute a public nuisance in violation of the provisions set forth in Riverside
10 County Ordinance ("RCO") No. 457.

11 Substandard Structure #2 – Shed:

- 12 1) Faulty weather protection;
- 13 2) General dilapidation or improper maintenance;
- 14 3) Fire Hazard;
- 15 4) Public and attractive nuisance-abandoned/vacant.

16 Substandard Structure #3 – Accessory Structure:

- 17 1) Faulty weather protection;
- 18 2) General dilapidation or improper maintenance;
- 19 3) Fire Hazard;
- 20 4) Public and attractive nuisance-abandoned/vacant.

21 6. On June 25, 2012, a Notice of Violation, Notice of Defects and a "Danger Do Not Enter"
22 sign were posted on THE PROPERTY.

23 7. On June 26, 2012, June 10, 2013, November 5, 2013 and November 7, 2013, a Notice of
24 Violation and Notice of Defects were mailed to OWNERS by first class mail. On June 10, 2013, a Notice
25 of Violation and Notice of Defects were mailed to OWNERS by certified mail with return receipt
26 requested.

27 8. A site plan and photographs depicting the conditions of THE PROPERTY are attached
28 hereto and incorporated herein by reference as Exhibit "D."

 9. True and correct copies of each Notice issued in this matter and other supporting
documentation are attached hereto and incorporated herein by reference as Exhibit "E."

 10. Since the initial inspection, there have been approximately six additional inspections the

1 last being October 30, 2013. All inspections revealed that THE PROPERTY remained and in violation of
2 RCO Nos. 457 and 541.

3 11. I am informed and believe, and based upon said information and belief, allege that
4 OWNERS do not have legal authority or permission to accumulate the above described materials on the
5 property.

6 12. Based upon my experience, knowledge and visual observations, it is my determination
7 that the substandard structures on THE PROPERTY create an extreme health, safety, fire and structural
8 hazard to the neighbors and general public and constitute a public nuisance in violation of the provisions
9 set forth in RCO Nos. 457 and 541.

10 13. A recent inspection showed THE PROPERTY remained in violation of RCO Nos. 457 and
11 541.

12 14. A Notice of Pendency of Administrative Proceedings was recorded in the Office of the
13 County Recorder, County of Riverside, State of California, on January 30, 2013, as Instrument Number
14 2013-0052475, a true and correct copy of which is attached hereto and incorporated herein by reference
15 as Exhibit "F."

16 15. A Notice to Correct County Ordinance Violations and Abate Public Nuisance, providing
17 notification of the Board of Supervisors' hearing was mailed to OWNERS by first class mail and was
18 posted on THE PROPERTY. A true and correct copy of the Notices together with Proofs of Service and
19 the Affidavit of Posting of Notice are attached hereto and incorporated herein as Exhibit "G."

20 16. Significant rehabilitation, removal and/or demolition of the substandard structures and
21 removal and disposal of all structural materials, rubbish and debris are required to abate the public
22 nuisance and bring THE PROPERTY into compliance with RCO No. 457, the Health and Safety, Uniform
23 Housing, Administrative and Abatement of Dangerous Buildings Codes. In addition, the removal and
24 disposal of all accumulated rubbish on THE PROPERTY is required to bring THE PROPERTY into
25 compliance with RCO No. 541 and the Health and Safety Code.

26 17. Accordingly, the following findings and conclusions are recommended:

27 (a) the structures (shed and accessory structure) be condemned as substandard
28 buildings, public and attractive nuisances;

1 (b) the OWNERS, or whoever has possession or control of THE PROPERTY, be
2 required to rehabilitate or demolish said structures, including the removal and disposal of all structural
3 debris and materials, on THE PROPERTY in accordance with the provisions of RCO No. 457;

4 (c) the OWNERS, or whoever has possession or control of THE PROPERTY, be
5 ordered to ascertain the existence or non-existence of asbestos containing materials in said structures by
6 survey and materials sample testing through the Industrial Hygiene Specialist of the County Health
7 Department, Division of Special Services; and, prior to the abatement ordered in subsection (b) above, to
8 secure the removal and disposal of all asbestos containing materials discovered through such survey
9 and testing by contract with a duly certified and licensed contractor for the handling of such materials to
10 avoid citations and/or fines by South Coast Air Quality Management District ("SCAQMD") pursuant to
11 SCAQMD Rule No. 1403;

12 (d) if the substandard structures are not razed, removed and disposed of, or
13 reconstructed in strict accordance with all Riverside County Ordinances, including but not limited to RCO
14 No. 457, within ninety (90) days of the date of the Board's Order to Abate, the substandard structures
15 and contents therein may be abated by representatives of the Riverside County Code Enforcement
16 Department, a contractor or the Sheriff's Department upon receipt of an owner's consent or a Court
17 Order where necessary under applicable law authorizing entry onto THE PROPERTY; and

18 (e) The accumulated rubbish on THE PROPERTY be deemed and declared a public
19 nuisance;

20 (f) THE OWNERS, or whoever has possession of control of THE PROPERTY, be
21 required to remove all rubbish on THE PROPERTY in strict accordance with the provisions of RCO No.
22 541.

1 (g) If the materials are not removed and disposed of in strict accordance with all
2 Riverside County Ordinances, including but not limited to RCO Nos. 457 and 541, within ninety (90) days
3 after the posting and mailing of the Board's Order and Findings, the rubbish may be abated by
4 representatives of the Riverside County Code Enforcement Department, a contractor or the Sheriff
5 Department upon receipt of an owner's consent or a Court Order, where necessary under applicable law,
6 authorizing entry onto THE PROPERTY; and

7 (h) Reasonable costs of abatement, after notice and opportunity for hearing, shall be
8 imposed as a lien on THE PROPERTY, which may be collected as a special assessment against THE
9 PROPERTY pursuant to Government Code Section 25845 and RCO Nos. 457, 541 and 725.
