Key actions to be conducted under this cooperative agreement include:

SECTION 1: PERSONNEL ACTIVITIES

- a. Quarantine Enforcement
 - i. Federal Domestic Quarantine 7 CFR 301.92
- b. Eradication
- c. Trace-Forward/Trace-Back Investigations
- d. Data Entry/Sample Submission
 - i. PDR
 - ii. List of Regulations Establishments

SECTION 2: NON-PERSONNEL

- a. Supplies/Equipment
- b. Vehicle/Mileage

SECTION 3: REPORTING/INVOICING

- b. Invoicing Reimbursement

SECTION 1: PERSONNEL ACTIVITIES

a. Quarantine Enforcement

The Contractor agrees to perform regulatory enforcement activities in support of the federal *Phytophthora ramorum* regulation (7 Code of Federal Regulations, Section 301.92).

i. Federal Domestic Quarantine 7 CFR 301.92

For each county, reimbursable activities for work associated with the enforcement of Federal Domestic Quarantine 7 CFR 301.92 will include, as appropriate, the activities described below when the regulated articles will be shipped interstate:

1) Nurseries Containing Host and/or Associated Host Material:

- Annual inspection of host and associated host plants including collection, processing and submission of at least 40 symptomatic or asymptomatic samples
- Issuance of compliance agreement and compliance monitoring

b. Eradication

All detections of *Phytophthora ramorum* in production/wholesale nurseries must be eradicated following the USDA Confirmed Nursery Protocol:

http://www.aphis.usda.gov/plant_health/plant_pest_info/pram/protocols.shtml#diag. Positive retail nurseries must be eradicated following the USDA Retail Confirmed Nursery Protocol:

http://www.aphis.usda.gov/plant_health/plant_pest_info/pram/protocols.shtml#diag. Eradication activities include issuing hold notices, destruction, delimitation/follow-up inspection and sampling, sanitation procedures, and trace-forward and trace-back record auditing.

c. Trace-Forward/Trace-Back Investigation

When *Phytophthora ramorum* is detected in a nursery, county agricultural commissioners will conduct Trace-Forward/Trace-Back investigations at locations in their county that have either supplied (trace-back) or received (trace-forward) plants from the positive nursery. Trace-back activities include inspection of source nurseries for symptomatic plants, collection and submission of samples, and any other regulatory activities such as issuing hold notices and submitting inspection results. Trace-forward procedures at *Phytophthora ramorum*-positive nurseries are outlined in the USDA Trace-Forward Protocol:

(http://www.aphis.usda.gov/plant_health/plant_pest_info/pram/protocols.shtml#diag)

d. Data Entry/Sample Submission

The County is responsible for ensuring the following data sets are accurately completed in a timely manner:

i. **Pest and Damage Record (PDR)**

County will send all samples to the CDFA Plant Pest Diagnostics Center (PPDC) for identification. The County will complete an electronic copy of CDFA's PDR on CDFA's Plant Division Extranet site, <http://phpps.cdfa.ca.gov/user/firmLogon2.asp>. A hard copy of the PDR must accompany the samples to the PPDC.

"SOD-Sudden Oak Death" must be selected as the <Program> for each PDR submitted to the PPDC for this program.

ii. **List of Regulated Establishments**

County will maintain and update the lists of regulated establishments.

Note: **Substantiation of Personnel Costs**

Substantiation of employee hours charged to a federal program must be kept on file, and such substantiation must meet 2 Code of Federal Regulations 225, Appendix B, Section 8 (Compensation for Personnel Services). For employees that perform work on more than one program (i.e. a federally-

funded program and a non-federally funded program), the USDA/APHIS recommends that substantiation records meet the following standards:

- Reimbursable time must reflect the actual time (calculated after-the-fact) spent working on a federally-funded program (not an estimate).
- Total time worked each day must be accounted for.
- Daily records must be kept that document all the programs (federally-funded and other) worked on by each employee.
- The percent of time charged for each employee to the cooperative agreement must match the actual time the employee worked on that program.
- Documentation must be signed by the employee at the end of the pay period.

Note that 2 CFR 225, Appendix B also provides other means of substantiating personnel costs for employees who work on only one federally-funded program. Please review the federal regulation to ensure that your county's method of personnel cost substantiation meets the federal standards listed in the regulation.

Personnel salary costs shall be properly tracked or allocated in accordance with the Office of Management and Budget (OMB) requirements and Federal cost principles (OMB Circular A-102, Uniform Administrative Requirements). Ensure that personnel costs can be traced back to original documents detailing the account to which personnel hours are billed.

SECTION 2: NON-PERSONNEL

a. Supplies/Equipment

Supplies: Supplies are considered articles having a useful life of less than one year. Only supplies directly related to administering and conducting quarantine and regulatory enforcement activities associated with the *Phytophthora ramorum* Program will be reimbursed. Examples of supplies include materials from a general supply or stockroom, fabricated parts, paper, stationery, general office goods, ink and toner cartridges and organization tools.

Equipment: Equipment is considered articles having a useful life of more than one year and a cost equal to or more than \$100. Only equipment directly related to administering and conducting quarantine and regulatory enforcement activities associated with the *Phytophthora ramorum* Program will be reimbursed. Articles with a unit cost of \$5,000 or more must have prior approval for reimbursement. Examples of equipment include microscopes, spectrometers, office equipment, office furnishings, modular offices, telephone networks, information technology equipment and systems, air conditioning equipment, reproduction and printing equipment and motor vehicles.

All records substantiating that the supplies and equipment are used for the *Phytophthora ramorum* Program must be maintained by the county.

b. Vehicle/Mileage

Mileage rate used on invoice should be the same as contained in the work plan. If the federal rate goes up during the agreement period, counties may submit invoices for the higher, current federal rate.

Substantiation of Vehicle Mileage Costs

Counties must maintain a single vehicle log per vehicle, and all mileage should be recorded daily with an indication of which program the vehicle was used for and the name of the driver. Vehicle logs may be maintained on a monthly basis.

SECTION 3: REPORTING/INVOICING REIMBURSEMENT:

a. Monthly Activity Report

b. Invoicing/Reimbursement

The county shall submit monthly an itemized invoice using the provided template (**Appendix A**), on county letterhead and submit to the CDFA no later than 30 days after the end of the coinciding reporting period.

i. Allowable Costs

All invoiced expenses must fall within the parameters of this "Scope of Work" and must be directly related to administering and conducting the *Phytophthora ramorum* Program.

ii. Monthly Activity Report Required for Reimbursement

Invoices will not be submitted for reimbursement until submission of the "Online Monthly Activity Report" for the invoicing period has been entered by the county and verified by CDFA (see section a. Monthly Activity Report above). Hours on the monthly activity report must match the personnel hours invoiced on corresponding monthly invoice.

iii. Hourly Rate(s) on Invoices

Invoices should reflect the actual hourly rates (salary and benefits) per individual or classification that worked on the program.

iv. Personnel on Invoice Must Match Work Plan

Invoices must reflect work performed by individuals or classifications listed on the work plan. Invoices containing charges for non-listed personnel or classifications will be accepted as long as the total for the charge does not exceed 10% of the total agreement.

v. Documentation

Documentation (including receipts for purchases) applicable to reimbursement for expenses does not need to be submitted to CDFA but must be retained by the county and shall be made available for audit purposes.

vi. Submission of Monthly Invoice

The invoice must be clearly marked "Final Invoice" thus indicating that all payment obligations of the State under this Agreement have ceased and that no further payments are due or outstanding.

2. Budget Contingency Clause

If funding for any fiscal year is reduced or deleted for purposes of this program, the State will have the option to either cancel this Agreement with no liability occurring to the State, or offer to amend the Agreement to reflect the reduced amount.

3. **Indemnification**

The Recipient agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by Recipient in the performance of this Agreement.

The Recipient agrees to be as fully responsible to the State for the acts and omissions of its contractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Recipient. The Recipient's obligation to pay its contractors is an independent obligation from the State's obligation to make payments to the Recipient. As a result, the State will have no obligation to pay or to enforce the payment of any moneys to any contractor.

6. **Independent Recipient/Contractor**

The Recipient, and the agents and employees of Recipient, in the performance of this Agreement, will act in an independent capacity and not as officers or employees or agents of the State.

7. **Non-Discrimination Clause**

During the performance of this Agreement, Recipient and its contractors will not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, sexual orientation, race, color, ancestry, religious creed, national origin, physical disability, mental disability, medical condition, age, marital status, and denial of family care leave.

The Recipients and contractors will insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Recipient and contractors will comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12990 (a-f) et seq.) and the applicable regulations promulgated there under (California Code of Regulations, Title 2, Section 7285 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. The Recipient will include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this Agreement.

8. Governing Law

This Agreement is governed by and will be interpreted in accordance with all applicable Federal and State laws.

9. Unenforceable Provision

In the event that any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and will not be affected thereby.

10. Excise Tax

The State of California is exempt from Federal excise taxes and no payment will be made for any taxes levied on employees' wages. The State will pay for any applicable State of California or local sales or use taxes on the services rendered or equipment or parts supplied pursuant to this Agreement. California may pay any applicable sales and use tax imposed by another State.

11. Right to Terminate

CDFA reserves the right to terminate this Agreement subject to thirty (30) days written notice to the Recipient. The Recipient may submit a written request to terminate this Agreement only if CDFA substantially fails to perform its responsibilities as provided herein. However, the Agreement can be immediately terminated for cause.

12. Termination for Cause

The State may terminate this Agreement and be relieved of any payments should the Recipient fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination the State may proceed with the work in any manner deemed necessary by the State. All costs to the State will be deducted from any sum due the Recipient under this Agreement and the balance, if any, will be paid to the Recipient upon completion of the work.

13. Reporting Requirements

The Recipient agrees to complete all reporting requirements listed in Exhibit A, Scope of Work.

14. Publicity and Acknowledgement

The Recipient agrees that it will acknowledge CDFA's support whenever projects funded, in whole or in part, by this Agreement are publicized in any news media, brochures, or other type of promotional material.

15. Amendments

Changes to Exhibit A, Scope of Work, Exhibit B, Budget, or the Agreement term, must be requested in writing to the CDFA Agreement Manager via letter, fax or email no later than thirty (30) days prior to the requested implementation date. CDFA Agreement Manager will respond in writing via letter, fax or email as to whether the proposed changes are accepted. If approved by CDFA, the agreed upon changes will be made and become part of this Agreement.
