**FORM 11: Approval of First Amendment to and Partial Assignment of The French Valley Creek Improvement and Disbursement Agreement. 3<sup>rd</sup>/3<sup>rd</sup> [\$350,000]**

**DATE:** March 4, 2014

**PAGE:** 2 of 2

**BACKGROUND:**

**Summary (Continued)**

On January 31, 2012 the County and Bellacap, LLC entered into the French Valley Creek Improvement and Disbursement Agreement. This agreement set forth the responsibilities of Bellacap, LLC to construct certain road and flood control improvements associated with Tracts 29114 and 32049. These improvements were also, in whole or in part, obligations of an adjacent tract owned by Ryland Homes, and the subject of a subdivision improvement agreement and bond security provided by a bonding company.

The Transportation Department worked with the parties (Bellacap, Ryland, and the bonding company) to accomplish the construction of the needed work through a combination of work done by Bellacap and funding contributed by Ryland and the bonding company, including a funding deposit for a project that the County will construct as such time as it is needed in the future, the Skyview Bridge over the flood control channel east of Winchester Road.

The time frame to implement the original agreement between the parties was extended through a Letter of Understanding entered into on June 13, 2013 between Bellacap, LLC. and TLMA, while final negotiations were being conducted with the bonding company. On November 5, 2013 the County entered into an agreement with the bonding company for them to provide \$2 Million in funding towards the future construction of the Skyview Bridge and the associated channel erosion protection measures.

This First Amendment accomplishes two goals: 1) Transfers a portion of the obligations under the original agreement from Bellacap, LLC. to Meritage Homes, which has purchased a portion of the Bellacap, LLC. Development; and 2) Provides a mechanism for the County to exercise its rights under the original agreement to cause Bellacap, LLC. to complete construction of the channel improvements on the western bank of the channel, upstream of Tract 29114. This will provide rock slope protection to protect against erosion of the adjacent property, which the County has transferred to the Boys and Girls Club, and will facilitate the future construction of the Skyview Bridge. The County's funding contribution towards these improvements is provided from the settlement proceeds from the bonding company.

**Impact on Citizens and Businesses**

This amendment will facilitate the future construction of an adjacent Boys and Girls Club facility and the Skyview Bridge, and protect the western bank of French Valley Creek from further erosion.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

The County's funding contribution towards these improvements is provided from the settlement proceeds from the bonding company.

**Contract History and Price Reasonableness**

Transportation Department staff has reviewed and concurs with the \$350,000 costs as being reasonable for the rock slope projection costs. The County would incur additional costs to bid, award, and administer the contract on our own, rather than having the Developer build the improvements. Postponing the construction of these improvements until the bridge is built in the future could very likely increase the cost as further erosion would occur resulting in an increase in construction costs.

**FIRST AMENDMENT TO  
AND PARTIAL ASSIGNMENT OF FRENCH VALLEY CREEK  
IMPROVEMENT AND DISBURSEMENT AGREEMENT**

This FIRST AMENDMENT TO FRENCH VALLEY CREEK IMPROVEMENT AND DISBURSEMENT AGREEMENT (this "First Amendment") is made to be effective as of March 11, 2014 (the "Effective Date") between the COUNTY OF RIVERSIDE, a political subdivision of the State of California ("County"), BELLACAP, LLC, a California limited liability company ("Bellacap") and MERITAGE HOMES OF CALIFORNIA, INC., a California corporation ("Meritage") which Meritage has joined in the execution of this First Amendment in order to acknowledge and consent to the assumption of certain obligations as more fully set forth herein. 4. Partial Assumption: Upon the Meritage Closing, Meritage accepts and assumes the Assumed Obligations. Such work shall be completed on or before July 1, 2014. Except as assigned and accepted, Meritage assumes no further obligations. The County and Bellacap mutually acknowledge and agree that Meritage is not assuming and shall in no way be held responsible for, nor held liable for, any obligations of Bellacap set forth in the Improvement Agreement and Letter of Understanding, except for the Assumed Obligations.

5. County Consent: Pursuant to Section 8 of the Improvement Agreement, the County hereby consents to the assignment of the Assumed Obligations to Meritage. **RE: Letter of Understanding Regarding Implementation of the French Valley Creek Improvement and Disbursement Agreement between Bellacap, LLC and County of Riverside Agreement.**

Mr. Rivani,

I am following up on our recent communications to memorialize our implementation of the subject agreement approved on January 31, 2012. The County still has an interest in having Bellacap complete the construction of the Boys and Girls Club levee, should our funding materialize. This letter shall serve to memorialize what has transpired to date and how the parties would move forward to accomplish that goal.

1. It appears that Bellacap has satisfied the requirement under Section 2.k. (Contribution), to pay within 45 days of approval, the first installment of \$100,000 to the County, as evidenced by the attached check.
2. Bellacap has substantially completed the Bella Sol Slope Protection in accordance with Sec. 3.a. which entitles them to a \$160,000 refund from the County.
3. Bellacap has not paid the second installment of \$100,000 required by Sec.2.k., which was due within 9 months of the agreement or on or about November 1, 2012.
4. County did not notify Bellacap to begin construction of the Boys and Girls Club Levee (BGC Levee) within the six months of the effective date (on or about August 2012) or within 30 days of receiving notice from Bellacap that the work was proceeding on the Bella Sol portion of the levee as required under Sec. 3.e.. However, County is still interested in having Bella Sol complete this work, subject to receipt of funding from the other parties.

Therefore I am proposing the following under the authority delegated to the Director of Transportation under Section 26 to implement the terms of the agreement:

- A. County and Bellacap will agree to extend the time frame of the second \$100,000 payment due County under Sec.2.k. until January 31, 2014.
- B. County and Bellacap will agree to extend the notice period under which County can cause Bellacap to construct the BGC Levee until December 31, 2013, replacing the noticing requirements of Sec. 3.e. 1,2 and 3.
- C. Should County not provide notice to Bellacap by December 31, 2013 of our intent to have Bellacap construct the BGC Levee as stated in B. above, Bellacap shall remit remaining payment due County as stated in A. above.
