SUMMARY OF PROPOSED ONE YEAR PLAN ACTIVITIES. The County received 121 proposals for the 2014-15 CDBG funding totaling \$5,428,932. The proposed activities included public service, public facility improvements, rehabilitation, interim assistance, and others. Housing assistance proposals include: Emergency Solutions Grant Program requests totaled \$696,718. HOME program proposals include: HOME New Construction (\$624,865); HOME Direct Ownership (\$624,865); HOME/CHDO Set-Aside (\$249,948); and HOME administration (\$166,630). Combined (HOME, CDBG, ESG) general management and administrative activities include oversight of consolidated programs (\$1,720,260).

DISPLACEMENT. Planned activities will be designed to minimize the displacement of persons. The provision of relocation benefits to displaced persons and replacement of low-and moderate-income housing units that are demolished or converted to another use as a result of CDBG funded activities will be consistent with the County's Anti-Displacement and Relocation Assistance Plan and provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970, as amended.

CITIZEN PARTICIPATION AND COMMENTS. The County of Riverside initiated the 2014-2015 CPD Funding cycle in August, 2013, with the publishing of the *Notification of Funding Availability* (NOFA) for the CDBG Program and ESG program. The County initiated the *Citizen Participation Process* in October, 2013, with the notification of residents, Cooperating Cities, non-profit organizations, service providers, public agencies, and other stakeholders, of the 2014-2015 CPD Funding cycle. The Citizen Participation Process consisted of public meetings in unincorporated communities to receive input from residents and others to identify and assess economic, community, housing, and social development needs in the communities.

PARTICIPATING COMMUNITIES. The 2014-2015 One Year Action Plan of the 2014-2019 Consolidated Plan includes the unincorporated areas of the County (including the city of Jurupa Valley) and the following Cooperating Cities: Banning, Beaumont, Blythe, Coachella, Canyon Lake, Desert Hot Springs, Indian Wells, Lake Elsinore, La Quinta, Murrieta, Norco, San Jacinto, and Wildomar.

IMPLEMENTATION. The goals for the 2014-2015 One Year Action Plan of the Consolidated Plan include: creating affordable housing for those of very low, low, and moderate-income; providing home ownership opportunities for first-time buyers; improving conditions of substandard housing and rental housing; addressing farm worker housing needs; ensuring the availability of emergency shelters to address the needs of the homeless; creating housing opportunities for the elderly, especially the frail elderly; creating supportive housing or shelter for persons afflicted with HIV/AIDS; creating rental assistance through subsidy programs; providing short-term shelter for the mentally ill homeless; creating a suitable living environment by improving public facilities and services; and providing economic development opportunities for low- and moderate- income families.

RE: 2014 - 2015 Community Development Block Grant Proposal No.: 17
OPERATION SCHOOL BELL® – Assistance League® of Hemacinto, Hemet, CA

Ms. Valdivia,

Representatives from the Assistance League of Hemacinto will be unable to attend the Board of Supervisors Public Hearing scheduled for March 11, 2014. Please incorporate the following summary of the OPERATION SCHOOL BELL program activity into the record for this meeting:

Project Description: OPERATION SCHOOL BELL

Since 1976, the Assistance League of Hemacinto has provided a much needed and unique community service to the Inland Valley through its OPERATION SCHOOL BELL program. Underprivileged children, who are referred by administrators, health techs, and teachers from elementary schools in the Hemet and San Jacinto Unified School Districts, are invited to participate in the program so that they may receive new school clothing. Appointments are made for the children at the San Jacinto Walmart store in San Jacinto, California. While there, Assistance League members help the children to select \$100 of school appropriate clothing. Parents and guardians are also present to assist with the selections.

OPERATION SCHOOL BELL is our main public service activity. We service twenty-three elementary schools located in the cities of Hemet, and San Jacinto, and the communities of Winchester, Anza, Aguanga, and Idyllwild. The program also helps children in crisis, due to abandonment or disasters, such as house fires. *It is the only service of this kind available in the cities and communities of the children we serve.* As of the end of January 2014 we have clothed over 27,000 children since the chapter was founded in 1976. (Most of them fall into the extremely low – low-income categories.)

During the present school year, 2013- 2014, over 1,204 children have already been served. During the 2014 – 2015 school year the program expects to help approximately 1300 children in need. The \$15,000 the Assistance League seeks from this grant will be applied toward assisting 150 of the disadvantaged children referred to OPERATION SCHOOL BELL. Our chapter is an all-volunteer organization that owns its own building. Therefore, no grant funding will be used to pay salaries, rent, or mortgage payments. All grant monies received will go solely for the purpose of assisting the children referred the program.

Our goal is to enhance the self-esteem of the students we assist and thereby raise their ability to learn in the academic schoolroom. If a child is adequately dressed, so that he may attend school, his chances of completing his schooling are much greater. The chances of being a success, as an adult, most likely develop at this point in his schooling. One of our objectives is to be able to raise enough funds to clothe these needy students, thus giving them an opportunity for a smoother transition into our educational system. We feel that education is one source of solving poverty and crime. In addition, it is important to assist children at a young age so that they are able to concentrate on their studies. Also, we believe, the assistance provided by this program helps to establish positive social values for these disadvantaged children.

The funds provided by Riverside County make a difference in the lives of the students that participate in OPERATION SCHOOL BELL. The Assistance League of Hemacinto thanks the County for once again considering awarding a grant in support of this program.

Sincerely,

A handwritten signature in cursive script that reads 'Nancy Urtado'.

Dear John,
Below is my presentation:

My name is Connie Ggolds and I am the president and co-founder of Desert Best Friend's Closet. We are applying for CDBG funding from Riverside County to support our Interview Attire program.

Our Mission: is to empower low-income Coachella Valley residents to attain employment through education and wardrobe services. We envision a Coachella Valley where ALL residents are economically self-sufficient through employment.

I was going to start by sharing statistics about our clients, but decided to start by sharing two stories about our clients:

1) "I have been in recovery off and on for 6 years. Some days are good, some are not so good. Today was a great day, because I came to Desert Best Friend's Closet! This is the first suit I have ever worn! You made me feel like a man today and that hasn't happened in a long time. Your suit will help me find a job so I can get back on my feet. Thank you!" --Rick F., Indio

2) "Thank you DBFC, especially Ellen and Teresa, for my professional suit! I can't believe my experience. It was so wonderful and I am now ready for my future. You helped me and made me feel comfortable. You were both so sweet and warm. I am a single mother to my 4-year old son and I help support my older, mentally disabled brother and unemployed mother. You have truly helped me and my family prepare me to secure a job!" --Griselda L., Desert Hot Springs

The suit, shirt, belt, bra and shoes that we give our clients are more than just clothes—to our clients they are OPPORTUNITY. And, on behalf of our clients, I ask the County to support our agency so that we may continue to give others the opportunity to secure employment and provide for their families.

IMPACT

42% did not know how to dress professionally BEFORE coming to Desert Best Friend's Closet, but 100% of them did afterwards.

25% did not have appropriate interview attire BEFORE visiting Desert Best Friend's Closet but 100% did afterwards.

ALL clients—100%--reported that they were treated with dignity and respect.

Desert Best Friend's Closet is not open to the public. All of our clients are referred from other agencies—

governmental or nonprofit.

In 2012 – 2013 we served 471 clients:

100% of our clients are low income,

- 86% have income levels classified as “extremely low income”

This means that for a family of four the total family income is less than \$20,100 a year.

- We are a “felony friendly” environment--15% are either on probation or parole
- Currently 2% of our clients are veterans—we are trying to increase that number!
- 10% of our clients are homeless

Desert Best Friend's Closet is the only agency that provides interview appropriate attire to clients in Riverside County's Coachella Valley. Support us so that we may assist our clients attain economic self-sufficiency through employment.

Respectfully submitted,
