**RECOMMENDED MOTION (continued):**

3. If the owners or whoever has possession or control of the real property do not take the above described action within ninety (90) days of the date of the Board's Order to Abate, that representatives of the Code Enforcement Department, Sheriff's Department, and/or a contractor, upon consent of the owner or receipt of a Court Order authorizing entry onto the real property, when necessary under applicable law, may abate the accumulation of rubbish by removing and disposing of the same from the real property.

4. The reasonable costs of abatement, after notice and an opportunity for hearing, shall be imposed as a lien on the real property, which may be collected as a special assessment against the real property pursuant to Government Code Section 25845 and Riverside County Ordinance No. 725.

5. 2. There have been approximately 7 subsequent follow up inspections, with the last inspection being November 5, 2013, which revealed that the property continues to be in violation of Riverside County Ordinance No. 541.

3. Staff and the Code Enforcement Department have complied with the notice requirements set forth in the appropriate laws of this jurisdiction pertaining to the administrative abatement proceedings for the removal of accumulated rubbish.
