RECOMMENDED MOTION: (Continued)

- 4. Authorize the Assistant County Executive Officer/EDA or his designee to execute any other documents and administer all actions necessary to complete this transaction; and
- 5. Authorize and allocate the sum of \$69,078 for a temporary construction easement for Parcel 22774-2, within a portion of Assessor's Parcel Number 340-020-042 and \$18,000 to pay all related transaction costs.

BACKGROUND:

Summary

Interstate 215 is a major interstate goods-movement corridor which links San Bernardino and Riverside Counties with San Diego. It is a primary link between major economic centers and geographic regions. The area of southwestern Riverside County has grown significantly over the past ten years and is experiencing continued population and employment growth, particularly extensive residential and commercial development along Newport Road near the I-215. The current diamond interchange configuration is limiting in its capacity as compared to a partial cloverleaf configuration. A traffic analysis was performed to quantify the existing and future traffic operational characteristics of the existing interchange and the associated transportation system and the resultant congestion delay anticipated at the interchange.

The Riverside County Transportation Department (RCTD) and the City of Menifee propose to improve the Interstate 215/Newport Road interchange. The existing ramps would be reconstructed in a modified partial cloverleaf configuration, connecting with the widening cross section of Newport Road and adding northbound and southbound loop on-ramps (Project).

The Initial Study and Mitigation Negative Declaration was approved on November 8, 2012, and Project Report was approved on November 15, 2012.

Menifee Lakes Plaza, LLC, a California limited liability company/Laguna Beach Properties, LLC, a California limited liability company, as tenants in common, (MLP/LBP) have agreed to dedicated the right of way from the portion of the property needed for the proposed Project. MLP/LBP will execute a Grant Deed in favor of the State of California referenced as Parcel 22774-1 and an Easement Deed in favor of the City of Menifee referenced as Parcel 0682-001A, both from a portion of Assessor's Parcel Number 340-020-042. The Economic Development Agency/Facilities Management (EDA/FM) has negotiated the temporary rights from MLP/LBP in the amount of \$69,078. MLP/LBP will execute a Temporary Construction Easement Deed in favor of the County of Riverside referenced as Parcel 22774-2, from a portion of Assessor's Parcel Number 340-020-042. There are related costs of \$18,000 associated with this transaction.

Impact on Residents and Businesses

The Project is needed in order to reduce congestion, improve traffic flow and improve public safety by improving the current traffic operations at the interchange.

TEMPORARY CONSTRUCTION EASEMENT

FOR GOOD AND VALUABLE CONSIDERATION, receipt and adequacy of which are hereby acknowledged,

MENIFEE LAKES PLAZA, LLC, a California limited liability company and LAGUNA BEACH PROPERTIES, LLC, a California limited liability company, as tenants in common ("Grantor").

Grant(s) to the COUNTY OF RIVERSIDE, a political subdivision of the State of California ("County"), a temporary non-exclusive easement to facilitate and accomplish the construction of Newport Road/Interstate 215 Interchange Project ("Project") as well as to install three (3) drainage inlets, in, on, and along the real property situated in the City of Menifee, County of Riverside, State of California, identified as portions of Assessor's Parcel Number 340-020-042, referenced as Parcel No. 22774-2 and described on Attachment "1," attached hereto and made a part hereof.

Other terms of the Temporary Construction Easement (hereinafter, the "Easement"):

- 1. <u>AFFECTED PARCEL</u>: The temporary construction easement area (TCE Area), used during construction of the Project, referenced as Parcel 22774-2, consisting of approximately 0.793 acres or 34,539 square feet as more fully described on Attachment "1."
- 2. <u>COMPENSATION</u>: Currently herewith, County shall pay to the order of Grantor the sum of Sixty-Nine Thousand Seventy-Eight Dollars (\$69,078) for the right to enter upon and use the TCE Area in accordance with the terms hereof.
- 3. <u>NOTICE TO GRANTOR</u>: County shall provide a thirty (30) day written notice to Grantor prior to using the rights herein granted. The rights herein granted may be exercised for twenty-four (24) months from the thirty (30)-day written notice, or until completion of said Project, whichever occurs later, but in no event later than January 1, 2016. At the expiration of the Temporary Construction Easement term, if requested by Grantor, County shall quitclaim its rights hereunder to Grantor or Grantor's successor.
- 4. <u>DRAINAGE INLETS</u>: County shall install three (3) drainage inlets as shown on Attachment "2," attached hereto and made a part hereof. Grantor, for itself and its successors and assigns, hereby warrants that they will be responsible for the future maintenance of the three drainage inlets upon proper completion by the County.
- 5. <u>EQUIPMENT</u>: It is understood that the County may enter upon the TCE Area where appropriate or designated for the purpose of getting equipment to and from the TCE Area. County agrees not to damage the TCE Area or any other property of Grantor. If County so damages any such property, County will promptly repair and/or restore such property to its prior condition in the process of performing such activities.
- 6. <u>DEBRIS REMOVED</u>: At the termination of the period of use of TCE Area by County, but before its relinquishment to Grantor, debris generated by County's use will be removed and the surface will be graded.
- 7. <u>HOLD HARMLESS</u>: Grantor shall be defended and held harmless from all claims of third persons and costs associated therewith arising from the County's use of the TCE area permitted under this Easement; however, this hold harmless agreement does not extend to any liability arising from or as a consequence of the presence of hazardous waste on the property, unless caused by the County, its contractors, agents or employees.
- 8. <u>PERFORMANCE OF WORK</u>: The County shall be deemed to have commenced construction of the Project upon the commencement of any portion of the construction of the Newport Road/Interstate 215 Interchange Project and/or drainage inlets. Once commenced, the County shall, and Grantor, its successors or assigns to the extent that Grantor or its successors or assigns are engaged in any construction

activity on their property, shall use their best efforts to cooperate with one another in their construction activities to minimize interference with each other's work. In the event of any unavoidable conflict, however, the County's work hereunder shall have priority. The County shall be deemed to have completed the Project upon substantial completion, except for minor punchlist items.

- 9. <u>PERMITS</u>: The County agrees, solely as to matters within its control, that the grant of this Easement shall not prohibit or limit Grantor's ability to develop its property.
- 10. <u>OWNERSHIP</u>: Grantor hereby warrants that they are the owners of the property and that they have the right to grant County permission to enter upon and use the property.
- 11. <u>ENTIRE AGREEMENT</u>: This Easement is the result of negotiations between the parties hereto. This Easement is intended by the parties as a final expression of their understanding with respect to the matters herein and is a complete and exclusive statement of the terms and conditions hereof. This Easement supersedes any and all other prior agreements or understandings, oral or written, in connection therewith. No provision contained herein shall be construed against the County solely because it provided or prepared this Easement.
- 12. <u>MODIFICATIONS IN WRITING:</u> This Easement shall not be changed, modified, or amended except upon the written consent of the parties hereto.
- 13. <u>SUCCESSORS AND ASSIGNS</u>: Grantor and the County and their respective assigns and successors in interest, shall be bound by all the terms and conditions contained in this Easement, and all the parties thereto shall be jointly and severally liable thereunder.
- 14. <u>TITLES AND HEADINGS:</u> Titles and headings to articles, paragraphs, or subparagraphs herein are for the purpose of convenience and reference only, and shall in no way limit, define or otherwise affect the provisions of this Easement.
- 15. <u>GOVERNING LAW AND VENUE</u>: Any action at law or in equity brought by either of the Parties hereto for the purpose of enforcing a right or rights providing for by this Easement shall be tried in a court of competent jurisdiction in the County of Riverside, State of California, and the parties hereby waive all provisions of law providing for a change of venue in such proceedings to any other county.
