In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

23.12 This Agreement, including any attachments or exhibits, constitutes the entire Agreement of the parties with respect to its subject matter and supersedes all prior and contemporaneous representations, proposals, discussions and communications, whether oral or in writing. This Agreement may be changed or modified only by a written amendment signed by authorized representatives of both parties.

**SCOPE OF SERVICE**

- A. The COUNTY desires a favorable image and considers it to be a major asset of a security service. CONTRACTOR's employee appearance, attitude, courtesy, job knowledge, and training are influential in creating a favorable image.
- B. Should there be a change in the COUNTY's requirements for security services; CONTRACTOR will adjust the number of personnel as required. The COUNTY will provide CONTRACTOR at least a 24-hour written or verbal notice whenever there is to be an increase or decrease in personnel. Any change in personnel shall not affect the quoted hourly rate to be paid for the service provided.
- C. In an effort to be able to respond effectively to any and all situations that may arise, COUNTY staff shall not possess direct supervisory authority over security guards while on duty; all directives will come from the security company. If any direction is given to a guard, it is only to be used to focus the security guard's attention to a particular situation or event and is not intended to replace the CONTRACTOR's employer / employee relationship with each security guard.
- D. Riverside County prohibits arrest by security personnel. Security personnel powers of arrest are no greater than that of a private citizen. The Contractor shall assume full liability for CONTRACTOR's employees in the exercising of any police authority. When necessary, the proper police authority shall be dispatched. Security personnel shall use no force unless absolutely necessary for self-defense. Security personnel shall always be cooperative with authorized emergency personnel, by providing assistance, while not interfering in the performance of emergency personnel's duties.
- E. Security guard shall lawfully prevent unauthorized access and secure areas within the RCIT facilities.

piece of security equipment carried. CONTRACTOR must provide a copy of First Aid/CPR Training card for each security guard that will be assigned to the COUNTY.

## **2. Security Guards**

- A. The security guard on duty at each location will work primarily in the customer lobby and work area, but will also perform external security "perimeter" checks of outside doors and parking areas within the complex at least once every hour.

Why can't this be accomplished by use of video surveillance cameras? Based on the 24/7/365 requirement at all three locations, it is impossible for the vendor to provide the required around-the-clock staffing without incurring a financial loss.

**BACKGROUND:**  
**Summary (continued)**

The unarmed security guard service will enhance security measures and reduce the potential of unauthorized entry, vandalism, and theft at these facilities. Unarmed security is required at these facilities twenty-four hours a day, seven days a week and three hundred sixty-five days a year.

**Impact on Citizens and Businesses**

Security services will help protect important county communication and enterprise systems, and create a safe and secure environment for staff, visitor, clients and business partners. At RC<sup>3</sup> the county is responsible for the safety and security of not only county computing equipment but also equipment of our public and private sector clients. RC<sup>3</sup> clients include higher education, financial institutions, health care providers, natural resource and energy management and technology firms.

**Contract History and Price Reasonableness**

On behalf of RCIT, the Purchasing Department issued a Request for Quote (RFQ) ITARC-242 for Security Guard Services. The RFQ was sent to 97 potential bidders and was advertised on the Public Purchase web site. Twenty-five (25) bids were received in response to the RFQ. The bid responses ranged from an hourly rate of \$10.39 to \$25.35 for unarmed security guard foot patrol. An Extreme Security, Inc. has been deemed the lowest responsive/responsible vendor at \$10.39 per hour, submitting an annual cost that shall not exceed \$254,000. An Extreme Security, Inc. is a local vendor in Riverside County.

This proposal is a low-ball bid - it provides a very high likelihood of failure to fully provide the service required in the Scope of Work.

Time Requirements:  
365 days x 24 hrs./day = 8,760 hours  
# of locations requiring 24/7 = 3  
Hours required for 24/7 @ 3 locations = (8760 x 3) 26,280 hours

Cost:  
Hourly rate = \$10.69/hr.  
Hours required times hourly rate = cost to provide 24/7 @ 3 locations = **\$280,933**

ADDITIONAL HOURS/COST REQUIRED BY CONTRACT:  
Additional hours at Indio location (5 days/wk x 14 hrs/day x 52 wks) = 3,640 hours  
Additional hours at Innovation Center (5 days/wk x 12 hrs/day x 52 wks) = 3,120 hours  
Total Additional hours required = 6,760 additional hours @ 10.69/hr. = **\$72,264** add'l cost

TOTAL COST TO BIDDER TO PROVIDE REQUIRED SERVICES = **\$353,197**  
MAXIMUM ANNUAL PAYMENT TO BIDDER = \$254,000  
Annual LOSS for bidder to enter into contract = **\$100,000/year LOSS**

Why would any business knowingly enter into a contract that has a built-in loss of \$100,000 per year? Such loss does not consider overhead, administration, etc. Actual loss would more likely approach \$150,000 per year. Who monitors to ensure there is 24/7 on-site staffing every day and night and what is the "penalty" for failure to provide the full 24/7/365 coverage?

## RED      FLAGS

Three Key Missing or Unclear Elements  
To Make this Agreement Enforceable

BOS Item 3-11 - Security at IT Facilities

<b><u>A</u></b>	<b><u>AUDIT</u></b>	County must have ability to audit provider's logs showing hours worked by whom and when and show tie into payroll. County must also have ability to conduct unannounced visits to any facility at any time for compliance.
<b><u>B</u></b>	<b><u>BACKGROUND</u></b>	Criminal and DMV background checks <b>MUST</b> be conducted on <b>EVERY</b> employee hired by Contractor and results of checks must be made available to the county whenever anyone is hired. The possibility of having <b>FELONS</b> working to provide <b>SECURITY</b> is an oxymoron. There is far too much at risk to allow <b>FELONS</b> letting their <b>HACKER</b> friends in. <b>STOP</b> them before hiring!
<b><u>C</u></b>	<b><u>CALENDAR</u></b>	There is a county holiday schedule included in the addendum to the contract. It is unclear as to whether the county intends to allow contractor to take those days off. If so, it is the worst idea possible - when there is <b>NO ONE</b> there from the County work-force for a continuous 24-hour period, it is the time when <b>SECURITY</b> is the <b>MOST</b> needed.

This contract is not "responsive" or "responsible" since there is no way any contractor can provide 24/7/365 services for \$250,000 when the labor alone will cost them \$350,000. Adding in admin costs, overhead, profit, etc., this vendor would lose over \$150,000 per year or \$600,000 loss over 4 years.  
This contract is not "responsive" or "responsible" since there is no way any vendor would lose purposely over \$150,000 per year or \$600,000 loss over 4 years.

County beware - this needs to go back to Purchasing and the CEO for a much more thorough analysis of what is realistic. A much more realistic and inexpensive approach is to utilize video surveillance as is used in so many county buildings already. As currently constructed, this encourages cheating by the vendor and an impossible task by the county to enforce the 24/7/365 requirement. Look before you leap!

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman may result in removal from the Board Chambers by Sheriff Deputies.
