BACKGROUND:

Summary (continued)

City put out a bid for animal shelter services to begin April 1, 2014 and the County won the bid. On March 19, 2014 City Council elected 5-0 to begin sheltering City animals at the newly opened County Shelter, an \$18 million dollar state-of-the-art animal shelter intended to serve the entire central portions of the County of Riverside, which was completed in the early fall of 2010. Due to several financial reasons, County did not open the Shelter until the fall of 2013. The County is delighted to begin services with the City and anticipates additional municipal partnerships in the near future.

Impact on Citizens and Businesses

Sheltering City animals at the Shelter will give more adoption choices for the citizens and businesses to choose from, as well as a greater opportunity for city animal rescue groups to assist in placing city animals in forever homes.
