1 LEASE
2 COUNTY OF RIVERSIDE

4 **1. Parties.**

5 **1.1** This Lease ("Lease") is made by and between the **COUNTY OF**
6 **RIVERSIDE**, a political subdivision hereinafter referred to as "County" and **Malki**
7 **Living Trust**, hereinafter referred to as "Lessor." County and Lessor are hereinafter
8 collectively referred to as the "Parties" or individually as a "Party."

9 **2. Premises.**

10 **2.1 Letting.** Lessor hereby leases to County, and County hereby
11 leases from Lessor, the Premises, for the term, at the rental, and upon all terms,
12 covenants and conditions set forth in this Lease.

13 **2.2 Defined.** The Premises shall consist of that certain portion of the
14 Project, as defined herein, including all improvements therein or to be provided by
15 Lessor under the terms of this Lease, and commonly known as Expressway Center, 85
16 Expressway, Suites 1-3, located in the City of Perris, County of Riverside, State of
17 California, also identified as Assessor Parcel Number 303-100-022-3 and generally
18 described as office space consisting of approximately 4,000 square feet with 72
19 unreserved parking spaces and 6 reserved parking spaces, all as shown on the site
20 plan attached as Exhibit "A." It is understood that the Premises include all
21 appurtenances and easements thereto and the non-exclusive right of ingress and
22 egress at all times to and from the public streets and highways for County, its
23 employees and invitees. The Premises, the building, the Common Areas, the land upon
24 which they are located, along with all other buildings and improvements thereon, are
25 herein collectively referred to as the "Project."

26 **2.3 Common Areas Defined.** The term "Common Areas" is defined
27 as all areas and facilities outside the Premises and within the exterior boundary line of
28 the Project and interior utility raceways and installations within the Premises that are

1 provided by and designated by the Lessor from time to time for the general non-
2 exclusive use of Lessor, County, and other tenants of the Project and their respective
3 employees, suppliers, shippers, customers, contractors, and invitees, including but not
4 limited to common restrooms, parking areas, loading and unloading zones, trash areas,
5 roadways, walkways, driveways, and landscaped areas.

6 **2.4 County's Rights-Common Areas.** Lessor grants to County, for
7 the benefit of the County and its employees, suppliers, shippers, customers,
8 contractors, and invitees, during the term of this Lease, the non-exclusive right to use,
9 in common with others entitled to such use, the Common Areas as same may from
10 time to time exist. Lessor shall have the right to promulgate rules and regulations for
11 the management, safety, care, and cleanliness of the Common Areas provided,
12 however, that said rules and regulations shall be subject to the approval of County.
13 County's prior approval shall be required for any changes to the Common Areas which
14 adversely affect County's use and occupancy of the Premises, the parking, or
15 accessibility of the Premises.

16 **2.5 Preparation of Premises/Acceptance.** The rights and obligations
17 of the Parties regarding the construction of the Premises before the commencement of
18 the Lease Term are stated in the attached Leasehold Improvement Agreement, Exhibit
19 "B." If this Lease conflicts with the Leasehold Improvement Agreement, the Leasehold
20 Improvement Agreement shall prevail.

21 **2.6 Condition of Premises.** Lessor shall deliver the Premises to
22 County in a fully clean and safe condition, free of hazards and debris, entirely permitted
23 and inspected by local authorities, on the Commencement Date, and Lessor warrants
24 for the term of this Lease, that all systems and equipment, including, but not limited to,
25 electrical, plumbing, fire sprinkler, fire suppression system, fire/life/safety system,
26 elevators, security systems, lighting, heating, ventilating and air conditioning systems
27 ("HVAC,") loading doors, if any, that serve the Premises and all other such elements in
28 the Premises (herein defined as the "Base Building Systems,") other than those

1 installed or constructed by County, shall be in safe, hazard free, good operating
2 condition, and, the roof, bearing walls and foundation of the Premises shall be free of
3 material defect.

4 **3. Use.**

5 **3.1** County shall use and occupy the Premises for the purpose of
6 providing office space for use by the Riverside County Department of Mental Health,
7 but the Premises may be used for any official business of County government or any
8 other legal use which is reasonably comparable thereto. Nothing contained in this
9 Lease shall be construed to require County to occupy the Premises continuously.

10 **4. Term.**

11 **4.1 Commencement.** This Lease shall be effective upon the date of
12 its full execution by the parties hereto. The Term of this Lease shall be for a period of
13 60 months ("Original Term") commencing (Commencement Date) on the earlier of (a)
14 the date County staff occupies the Premises, or (b) the date on which County accepts
15 the Premises for occupancy, which shall occur only after Lessor delivers to County a
16 copy of the Certificate of Occupancy executed by the appropriate governing authority, if
17 applicable, and provided that County, in its' sole discretion, is satisfied that all
18 leasehold improvements have been completed in accordance with Exhibit "B" and
19 Exhibit "F," excepting minor punch list items. The Original Term shall expire at
20 midnight on the last day of the sixty (60) month term ("Expiration Date").

21 **4.2 Confirmation of Lease Information.** At such time as the
22 Commencement Date of this Lease has been determined, either Party may deliver to
23 the other Party a notice in the form set forth in the attached Exhibit "D," which the
24 receiving Party shall execute, after making any corrections necessary to conform the
25 information to the provisions of this Lease, and return to the forwarding Party within
26 thirty (30) days after receipt. Either Party will use reasonable efforts to deliver the
27 notice to the other Party within thirty (30) days after the Lease Commencement Date.
28

1 Anything to the contrary notwithstanding, failure to forward or execute said notice shall
2 not invalidate or nullify the provisions of this Lease.

3 **4.3 Delay in Delivery of Premises.** If the Original Term of this Lease
4 has not commenced by 90 days from County's execution of this Lease, and the
5 obtaining of a city construction permit by Landlord, County may, at its sole option,
6 either: (a) deduct from any rents that may become due hereunder the sum of \$200.00
7 for each day the Premises are not substantially complete and available for occupancy
8 as per paragraph 2.6, after said date, as liquidated damages for failure to provide
9 occupancy in a timely manner as prescribed hereunder. Lessor and County agree that
10 such damages are to be one of the mutually exclusive remedies, as prescribed in this
11 Section 4, for such failure, in that at the time of entering into this Lease it would be
12 impractical and extremely difficult to fix the actual damages that would flow from
13 Lessor's failure to provide occupancy in a timely manner, including, but not limited to,
14 the difference in money between the total sum to be paid by County to another party for
15 rent to Lease such party's real property, if the rental hereunder is less than the rental to
16 be paid such other party; or if the Original Term of this Lease has not commenced by
17 90 days from County's execution of this Lease, or (b) cancel this Lease, and Lessor
18 hereby waives any and all rights that it may have against County for any costs,
19 expenses and/or charges that Lessor may have incurred as a result of preparing the
20 Premises for occupancy.

21 **4.4 Holding Over.** Any holding over by County after the expiration of
22 said term or any extension thereof shall be deemed a month to month tenancy upon
23 the same terms and conditions of this Lease.

24 **5. Rent.** The anniversary dates shall be deemed to fall on the first day of
25 the first full month of each lease year following commencement of the Lease term.

26 **5.1 Rent.** County shall pay the sum of \$6,000 per month to Lessor as
27 rent for the Leased Premises, payable, in advance, on the first day of the month or as
28 soon thereafter as a warrant can be issued in the normal course of County's business;

1 provided, however, in the event rent for any period during the term hereof which is for
2 less than one (1) full calendar month said rent shall be pro-rated based upon the actual
3 number of days of said month.

4 **5.2 Percentage Increase.** Notwithstanding the provisions of Section
5 5.1 herein, the monthly rent shall be increased on each anniversary of this Lease by an
6 amount equal to three (3%) percent of such monthly rental.

7 **5.3 Tenant Improvement Reimbursement.** Notwithstanding the
8 provisions of Section 5.1 and 5.2 above, County shall pay to Lessor a one-time
9 payment not to exceed \$273,438.00 (includes 10% contingency) upon completion and
10 acceptance of the improvements by County as provided in Exhibit "B," Section 8 of this
11 Lease. Upon completion of the work, County shall pay to Lessor the amount set forth
12 herein above within 45 days of presentation of an invoice by Lessor as reimbursement
13 for the actual costs of improvements made by Lessor.

14 **6. Options.**

15 **6.1 Option to Extend Term.** Lessor grants to County two (2)
16 option(s) to extend the Lease term ("Extension Option(s)"). Each Extension Option
17 shall be for a period of one (1) year ("Extended Term,") subject to the conditions
18 described in this Section 6.1.

19 **6.1.1 Exercise of Option.** The Extension Option(s) shall be
20 exercised by County delivering to Lessor written notice thereof no later than sixty (60)
21 days prior to the expiration of the Original Term or any extension thereof.

22 **6.1.2 Option Rent.** The rent payable by County during any
23 Extended Term shall be three (3%) percent.

24 **6.1.3** All terms and conditions of this Lease with exception of
25 Rent and Lease Term shall remain in full force and effect during the Extended Term.

26 **6.2 Right of First Refusal to Lease Additional Space.** Lessor
27 hereby grants to County a right of first refusal to lease the other premises in the
28 building containing the leased Premises ("Adjacent Premises,") in the event Lessor

1 received a bona fide offer from a third party to lease any portion of the Adjacent
2 Premises, which offer is acceptable to Lessor. Lessor shall promptly notify County in
3 writing of the offer, including the square footage of the portion of the Adjacent Premises
4 proposed to be let and other terms and conditions of the offer. County shall have thirty
5 (30) days within which to notify Lessor in writing whether County agrees to lease the
6 portion of the Adjacent Premises under such offer upon the terms and conditions set
7 forth in such offer. In the event County fails to give written notice of its election to lease
8 the proposed additional space, Lessor shall be free to accept the bona fide offer and
9 lease the Adjacent Premises to the third party. If the third party fails to lease such
10 portion of the Adjacent Premises and the Adjacent Premises (or remaining portion of
11 the Adjacent Premises) remains available; County shall have the same right of first
12 refusal granted herein with regard to any future offer to lease such portion of the
13 Adjacent Premises.

14 **6.3 Right of First Refusal to Extend Lease Term.** At such time as
15 the Original Term and/or Extended Terms have expired, in further consideration of the
16 Rent, Covenants, and Conditions to be paid, performed, and observed by County,
17 Lessor hereby grants to County a right of first refusal to extend the Lease of the
18 Premises. In the event Lessor receives a bona fide offer from a third party to lease the

5 mobile equipment are used on the Project, Lessor shall maintain auto liability insurance
6 for all owned, non-owned or hired automobiles in an amount not less than \$1,000,000
7 per occurrence combined single limit. Policy shall name the County of Riverside, its
8 Special Districts, Agencies, Districts, and Departments, their respective Directors,
9 Officers, Board of Supervisors, elected and appointed officials, employees, agents,
10 independent contractors or representatives as Additional Insured.

11 **12.3.1.4 Property (Physical Damage).**

12 (a) All-Risk real property insurance coverage,
13 including earthquake and flood, if applicable, for the full replacement cost value of
14 buildings, structures, fixtures, all improvements therein, and building systems on the
15 Project as the same exists at each early anniversary of the term. Policy shall include
16 Business Interruption, Extra Expense, and Expediting Expense coverage as well as
17 coverage for off-premises power failure. Policy shall name the County as an additional
18 insured, as it relates to public liability insurance only.

19 (b) Boiler and Machinery insurance providing
20 coverage for at least, but not limited to, all high voltage electrical and rotating
21 mechanical equipment on a full replacement cost value basis, only if such equipment
22 exists within the Project. Policy shall name the County as a Loss Payee as their
23 interests may appear.

24 (c) During such time, prior to the commencement
25 of this Lease while Lessor is preparing the Premises in accordance with Exhibit "B,"
26 Lessor shall keep or require its Contractor to keep in full force and effect, a policy of
27 Course of Construction Insurance covering loss or damage to the Premises for the full
28 replacement value of such work. The Named Insured shall include the Lessor, County

1 and Contractor as their interests appear. Lessor or their Contractor shall be
2 responsible for any deductible payments that result from a loss at the Premises under
3 this coverage. If, at the time of any loss to the property described on Exhibit "B," it is
4 determined that the insurance has not been carried or the insurance does not cover the
5 loss of property being installed, the Lessor shall be responsible to pay the loss without
6 contribution from the County.

7 **12.3.1.5 General Insurance Provisions – All Lines.**

8 (a) Any insurance carrier providing Lessor's
9 insurance coverage hereunder shall be admitted to the State of California and have an
10 A.M. BEST rating of not less than an A:VIII (A:8) unless such requirements are waived,
11 in writing, by the County Risk Manager. If the County's Risk Manager waives a
12 requirement for a particular insurer such waiver is only valid for that specific insurer
13 and only for one policy term.

14 (b) The Lessor or Lessor's insurance carrier(s)
15 must declare its insurance deductibles or self-insured retentions. If such deductibles or
16 self-insured retentions exceed \$500,000.00 per occurrence such deductibles and/or
17 retentions shall have the prior written consent of the County Risk Manager before the
18 commencement of the Lease term. Upon notification of deductibles or self insured
19 retentions which are deemed unacceptable to the County, at the election of the
20 County's Risk Manager, Lessor's carriers shall either: 1) reduce or eliminate such
21 deductibles or self-insured retentions as respects this Agreement with the County, or 2)
22 procure a bond which guarantees payment of losses and related investigations, claims
23 administration, defense costs and expenses.

24 (c) At the inception of this Lease and annually at
25 the Lessor's insurance policy renewal date(s), the Lessor shall cause their insurance
26 carrier(s) to furnish the County of Riverside with 1) a properly executed original
27 Certificate(s) of Insurance and certified original copies of Endorsements effecting
28 coverage as required herein; or, 2) if requested to do so orally or in writing by the

1 County Risk Manager, provide original Certified copies of policies including all
2 Endorsements and all attachments thereto, showing such insurance is in full force and
3 effect. Further, said Certificate(s) and policies of insurance shall contain the covenant
4 of the insurance carrier(s) shall provide no less than thirty (30) days written notice be
5 given to the County of Riverside prior to any material modification or cancellation of
6 such insurance. In the event of a material modification or cancellation of coverage, this
7 Lease shall terminate forthwith, unless the County of Riverside receives, prior to such
8 effective date, another properly executed original Certificate of Insurance and original
9 copies of endorsements or certified original policies, including all endorsements and
10 attachments thereto evidencing coverage and the insurance required herein is in full
11 force and effect. Individual(s) authorized by the insurance carrier to do so on its behalf
12 shall sign the original endorsements for each policy and the Certificate of Insurance.
13 The Lease term shall not commence until the County of Riverside has been furnished
14 original Certificates(s) of Insurance and certified original copies of endorsements or
15 policies of insurance including all endorsements and any and all other attachments as
16 required in this Section.

17 (d) It is understood and agreed by the parties
18 hereto and the Lessor's insurance company(s) that the Certificate(s) of Insurance and
19 policies shall so covenant and shall be construed as primary insurance, and the
20 County's insurance and/or deductibles and/or self-insured retentions or self-insured
21 programs shall not be construed as contributory.

22 **12.3.2 County's Insurance:** County maintains funded programs
23 of Self-Insurance. County shall provide to Lessor a Certificate of Self-Insurance
24 evidencing the County's Self-Insurance for the following coverage, if so requested by
25 Lessor:

- | | | |
|----|---------------------------------------|----------------------------|
| 26 | 12.3.2.1 Workers' Compensation | \$1,000,000 per occurrence |
| 27 | 12.3.2.2 Commercial General Liability | \$1,000,000 per occurrence |
| 28 | 12.3.2.3 Automobile Liability | \$1,000,000 per occurrence |

1 **13. Damage and Destruction.**

2 **13.1 Repair of Damage.** County agrees to notify Lessor in writing
3 promptly of any damage to the Premises resulting from fire, earthquake, or any other
4 identifiable event of a sudden, unexpected, or unusual nature ("Casualty"). If the
5 Premises, whether covered by insurance or not, are damaged by a Casualty, or the
6 Casualty results in the Premises not being provided with Base Building Systems or
7 parking facilities, and if neither Lessor nor County has elected to terminate this Lease
8 under this Section 13, Lessor shall promptly and diligently restore Premises, the
9 County Improvements originally constructed by Lessor, Base Building Systems, and
10 County's parking facilities to substantially the same condition as existed before the
11 Casualty, subject to modifications required by building codes and other laws. If County
12 requests that Lessor make any modifications to the County Improvements in
13 connection with the rebuilding, Lessor may condition its consent to those modifications
14 on: (a) confirmation by Lessor's contractor that the modifications shall not increase the
15 time needed to complete the County Improvements; or (b) an agreement by County
16 that the additional construction period shall not extend the rent abatement period.

17 **13.2 Repair Period Notice.** Lessor shall, within thirty (30) days after
18 the date of the Casualty, provide written notice to County indicating the anticipated
19 period for repairing the Casualty ("Repair Period Notice"). The Repair Period Notice
20 shall be accompanied by a certified statement executed by the Contractor retained by
21 Lessor to complete the repairs or, if Lessor has not retained a Contractor, a licensed
22 Contractor not affiliated with Lessor, certifying the Contractor's opinion about the
23 anticipated period for repairing the Casualty. The Repair Period Notice shall also state,
24 if applicable, Lessor's election either to repair or to terminate the Lease under Section
25 13.3.

26 **13.3 Lessor's Option to Terminate or Repair.** Lessor may elect
27 either to terminate this Lease or to effectuate repairs if: (a) the Repair Period Notice
28 estimates that the period for repairing the Casualty exceeds one hundred and twenty

1 (120) days from the date of the Casualty; or (b) the estimated repair cost of the
2 Premises, even though covered by insurance, exceeds fifty percent (50%) of the full
3 replacement cost.

4 **13.4 County's Option to Terminate.** If (a) the Repair Period Notice
5 provided by Lessor indicates that the anticipated period for repairing the Casualty
6 exceeds one hundred and twenty (120) days, or (b) notwithstanding the above, in the
7 event of a substantial or total casualty to the Premises or improvements, County may
8 by written notice to Lessor within thirty (30) days after such damage or destruction of its
9 intention to terminate this Lease, elect to terminate this Lease by providing written
10 notice (County's Termination Notice) to Lessor within thirty (30) days after receiving the
11 Repair Period Notice. If County does not elect to terminate within said thirty (30) day
12 period, County shall be considered to have waived its' option to terminate.

13 **13.5 Rent Abatement Due to Casualty.** Lessor and County agree that
14 County's Rent shall be fully abated during the period beginning on the later of: (a) the
15 date of the Casualty; or (b) the date on which County ceases to occupy the Premises
16 and ending on the date of Substantial Completion of Lessor's restoration obligations as
17 provided in this Section 13 ("Abatement Period"). If, however, County is able to occupy
18 and does occupy a portion of the Premises, Rent shall be abated during the Abatement
19 Period only for the portion of the Premises not occupied by County.

20 **13.6 Damage Near End of Term.** Despite any other provision of this
21 Section 13, if the Premises are destroyed or damaged by a Casualty during the last
22 eighteen (18) months of the original Lease Term, Lessor and County shall each have
23 the option to terminate this Lease by giving written notice to the other of the exercise of
24 that option within thirty (30) days after that damage or destruction, provided, however,
25 County may negate Lessor's election to terminate under this Section 13.6 by electing,
26 within ten (10) days after receipt of Lessor's termination notice, to exercise any
27 unexercised option to extend this Lease. If County negates Lessor's election, this
28 Lease shall continue in effect unless Lessor has the right to, and elects to, terminate

1 this Lease under Section 13.3.

2 **13.7 Effective Date of Termination; Rent Apportionment.** If Lessor
3 or County elects to terminate this Lease under this Section 13 in connection with a
4 Casualty, this termination shall be effective thirty (30) days after delivery of notice of
5 such election. County shall pay Rent, properly apportioned up to the date of the
6 Casualty. After the effective date of the termination, Lessor and County shall be
7 discharged of all future obligations under this Lease, except for those provisions that,
8 by their terms, survive the expiration or earlier termination of the Lease.

9 **13.8 Waiver of Statutory Provisions.** The provisions of this Lease,
10 including those in this Section 13, constitute an express agreement between Lessor
11 and County that applies in the event of any Casualty to the Premises. Lessor and
12 County, therefore, fully waive the provisions of any statute or regulation, for any rights
13 or obligations concerning a Casualty including California Civil Code Sections 1932(2)
14 and 1933(4).

15 **13.9 Release on Termination.** In the event of any termination of this
16 Lease in accordance with Section 13, the Parties shall be released there from without
17 further obligation to the other Party, except as may otherwise be specifically set forth in
18 this Lease and items that have accrued and are unpaid.

19 **14. Eminent Domain.**

20 **14.1 Total Condemnation.** If all of the Premises are condemned by
21 eminent domain, inversely condemned, or sold in lieu of condemnation for any public or
22 quasi-public use or purpose, this Lease will terminate as of the date of title vesting in
23 that proceeding and the Rent will be abated from the date of termination.

24 **14.2 Partial Condemnation.** If any portion of the Premises is
25 condemned by eminent domain, inversely condemned, or sold in lieu of condemnation
26 for any public or quasi-public use or purpose and the partial condemnation renders the
27 Premises unusable for County's business, this Lease will terminate as of the date of
28 title vesting or order of immediate possession in that proceeding and the Rent will be

1 abated to the date of termination. If the partial condemnation does not render the
2 Premises unusable for the business of County and less than a substantial portion of the
3 Premises is condemned, Lessor must promptly restore the Premises to the extent of
4 any condemnation proceeds recovered by Lessor, excluding the portion lost in the
5 condemnation, and this Lease will continue in full force, except that after the date of the
6 title vesting, the Rent will be adjusted, as reasonably determined by Lessor and
7 County.

8 **14.3 Award.** If the Premises are wholly or partially condemned, Lessor
9 will be entitled to the entire award paid for the condemnation, and County waives any
10 claim to any part of the award from Lessor or the condemning authority. County,
11 however, will have the right to recover from the condemning authority any
12 compensation that may be separately awarded to County in connection with costs in
13 removing County's merchandise, furniture, fixtures, leasehold improvements, and
14 equipment to a new location.

15 **14.4 Temporary Condemnation.** In the event of a temporary
16 condemnation, this Lease will remain in effect, County will continue to pay Rent, and
17 County will receive any award made for the condemnation. If a temporary
18 condemnation remains in effect at the expiration or earlier termination of this Lease,
19 County will pay Lessor the reasonable cost of performing any obligations required of
20 County with respect to the surrender of the Premises. If a temporary condemnation is
21 for a period that extends beyond the Term, this Lease will terminate as of the date of
22 occupancy by the condemning authority and any award will be distributed in
23 accordance with Section 14.3.

24 **15. Estoppel Certificates.**

25 **15.1** Within twenty (20) business days after receipt of a written request
26 by either party, the other party shall execute and deliver to the requesting party an
27 Estoppel Certificate, in the form of the attached Exhibit "G," indicating in the certificate
28 any exceptions to the statements in the certificate that may exist at that time.

1 **16. Subordination, Non-Disturbance, and Attornment.**

2 **16.1 Subordination, Non-Disturbance, and Attornment Agreement.**

3 To carry out the purposes of Section 16.2 and Section 16.3, the Parties agree to
4 execute a Subordination, Non-Disturbance and Attornment Agreement in the form set
5 forth in the attached Exhibit "H."

6 **16.2 Subordination.** County agrees that within forty-five (45) business
7 days after Lessor's written request, it shall execute the agreement referred to in
8 Section 16.1 that Lessor reasonably considers necessary to evidence or confirm the
9 subordination or inferiority of this Lease to the lien of any mortgage, deed of trust or
10 other encumbrance of the Premises or any renewal, extension, modification,
11 replacement thereof, provided however, that such Subordination Agreement shall be
12 strictly limited to matters contained in the Agreement referred to in Section 16.1 and no
13 such Subordination Agreement shall materially increase any of County's obligations or
14 materially decrease any of County's rights under this Lease, nor shall the possession of
15 County be disturbed, by reason of any foreclosure, sale or other action under any such
16 trust deed, mortgage or other encumbrance.

17 **16.3 Attornment.** If Lessor's interest in the Premises passes to a
18 successor, and provided County has received the Non-Disturbance agreement referred
19 to in Section 16.1, County shall, within forty-five (45) business days after Lessor's
20 transferee's request, execute the agreement referred to in Section 16.1, thereby
21 agreeing to attorn and to recognize the transferee as the Lessor under this Lease;
22 provided the transfer of Lessor's interest in the Premises was by sale, lease,
23 foreclosure, deed in lieu of foreclosure, exercise of any remedy provided in any
24 encumbrance or operation of law.

25 **17. Breach by Lessor.**

26 **17.1 Lessor's Default.** Except as provided to the contrary in this
27 Lease, Lessor's failure to perform any of its obligations under this Lease shall
28 constitute a default by Lessor under the Lease if the failure continues for thirty (30)

1 days after written notice of the failure from County to Lessor. If the required
2 performance cannot be completed within thirty (30) days, Lessor's failure to perform
3 shall constitute a default under the Lease unless Lessor undertakes to cure the failure
4 within thirty (30) days and diligently and continuously attempts to complete this cure as
5 soon as reasonably possible.

6 **17.2 County's Right to Cure Lessor's Default and Deduct Cost.**

7 Except as provided to the contrary in this Lease, if County provides notice to Lessor of
8 Lessor's failure to perform any of its obligations under this Lease and Lessor fails to
9 provide such action as required by the terms of this Lease within the period specified,
10 County may take the required action if: (a) County delivers to Lessor an additional
11 written notice advising Lessor that County intends to take the required action if Lessor
12 does not begin the required action within ten (10) days after the written notice; and (b)
13 Lessor fails to begin the required action within this ten (10) day period.

14 **17.3 Rent Setoff.** If, within thirty (30) days after receipt of County's
15 written demand for payment of County's costs incurred in taking such action on
16 Lessor's behalf, Lessor has not paid the invoice or delivered to County a detailed
17 written objection to it, County may deduct from Rent payable by County under this
18 Lease the amount set forth in the invoice, including transaction costs and attorneys'
19 fees, plus interest at the then legal rate of interest from the date these costs are
20 incurred until the date of County's Rent setoff.

21 **18. Lessor's Representations and Warranties.** Lessor represents and
22 warrants to County that:

23 **18.1 Title.** County's Leasehold interest in the Premises is free and
24 clear of restrictions which would restrict County's rights under this Lease.

25 **18.2 Certificate of Authority.** Lessor covenants that it is a duly
26 constituted under the laws of the state of its organization, and that the person(s) who is
27 acting as its signatory in this Lease is duly authorized and empowered to act for and on
28 behalf of the Lessor. Lessor shall furnish County prior to the execution hereof with

1 evidence of the authority of the signatory to bind the entity or trust as contemplated
2 herein.

3 **18.3 No Litigation.** There are no judicial, quasi-judicial, administrative
4 or other orders, injunctions, moratoria or pending proceedings against Lessor or the
5 Premises which preclude or interfere with, or would preclude or interfere with, the
6 construction contemplated herein or the occupancy and use of the Premises by County
7 for the purposes herein contemplated.

8 **18.4 Easements.** Lessor shall not (a) subdivide, parcel or otherwise
9 divide the Premises, (b) create, modify or terminate any ingress or egress to or from
10 the premises, or (c) create any easements in the Premises, without County's prior
11 written approval.

12 **19. Miscellaneous.**

13 **19.1 Quiet Enjoyment.** Lessor covenants that County shall at all times
14 during the term of this Lease peaceably and quietly have, hold and enjoy the use of the
15 Premises so long as County shall fully and faithfully perform the terms and conditions
16 that it is required to do under this Lease. If the Premises are part of a building shared
17 with other tenants of Lessor, during County's tenancy, Lessor may make or permit
18 other tenants to make alterations, renovations and improvements to those portions of
19 the building not occupied by County. Lessor covenants for itself and anyone deriving
20 title from or holding title under Lessor that County's access, ingress, loading and
21 unloading and sufficient parking for County's business shall not unreasonably be
22 obstructed nor shall the daily business of County be disrupted as a result of such
23 alterations, renovations and improvements.

24 **19.2 Non-Waiver.** No waiver of any provision of this Lease shall be
25 implied by any failure of either party to enforce any remedy for the violation of that
26 provision, even if that violation continues or is repeated. Any waiver by a party of any
27 provision of this Lease must be in writing. Such written waiver shall affect only the
28 provision specified and only for the time and in the manner stated in the writing.

1 **19.3 Binding on Successors.** The terms and conditions herein
2 contained shall apply to and bind the heirs, successors in interest, executors,
3 administrators, representatives and assigns of all the Parties hereto.

4 **19.4 Severability.** The invalidity of any provision in this Lease as
5 determined by a court of competent jurisdiction shall in no way affect the validity of any
6 other provision hereof.

7 **19.5 Venue.** Any action at law or in equity brought by either of the
8 Parties hereto for the purpose of enforcing a right or rights provided for by this Lease
9 shall be tried in a court of competent jurisdiction in the County of Riverside, State of
10 California, and the Parties hereto waive all provisions of law providing for a change of
11 venue in such proceedings to any other county.

12 **19.6 Attorneys' Fees.** In the event of any litigation or arbitration
13 between Lessor and County to enforce any of the provisions of this Lease or any right
14 of either party hereto, the unsuccessful party to such litigation or arbitration agrees to
15 pay to the successful party all costs and expenses, including reasonable attorneys'
16 fees, incurred therein by the successful party, all of which shall be included in and as a
17 part of the judgment rendered in such litigation or arbitration.

18 **19.7 County's Representative.** County hereby appoints the
19 Assistant County Executive Officer/EDA as its authorized representative to administer
20 this Lease.

21 **19.8 Agent for Service of Process.** It is expressly understood and
22 agreed that in the event Lessor is not a resident of the State of California or it is an
23 association or partnership without a member or partner resident of the State of
24 California, or it is a foreign corporation, then in any such event, Lessor shall file with
25 County's Assistant County Executive Officer/EDA, upon its execution hereof, a
26 designation of a natural person residing in the State of California, giving his or her
27 name, residence and business addresses, as its agent for the purpose of service of
28 process in any court action arising out of or based upon this Lease, and the delivery to

1 such agent of a copy of any process in any such action shall constitute valid service
2 upon Lessor. It is further expressly understood and agreed that if for any reason
3 service of such process upon such agent is not feasible, then in such event, Lessor
4 may be personally served with such process out of this county and that such service
5 shall constitute valid service upon Lessor. It is further expressly understood and
6 agreed that Lessor is amenable to the process so served, submits to the jurisdiction of
7 the court so obtained and waives any and all objections and protests thereto.

8 **19.9 Entire Lease.** This Lease is intended by the Parties hereto as a
9 final expression of their understanding with respect to the subject matter hereof and as
10 a complete and exclusive statement of the terms and conditions thereof and
11 supersedes any and all prior and contemporaneous leases, agreements and
12 understandings, oral or written, in connection therewith. This Lease may be changed
13 or modified only upon the written consent of the Parties hereto.

14 **19.10 Interpretation.** The Parties hereto have negotiated this Lease at
15 arms length and have been advised by their respective attorneys, or if not represented
16 by an attorney, represent that they had an opportunity to be so represented and no
17 provision contained herein shall be construed against County solely because it
18 prepared this Lease in its executed form.

19 **19.11 Time of Essence.** Time is of the essence with respect to the
20 performance of all obligations to be performed or observed by the Parties under this
21 Lease.

22 **19.12 Recording.** Either Lessor or County shall, upon request of the
23 other, execute, acknowledge and deliver to the other a short form memorandum
24 of this Lease for recording purposes. The Party requesting recordation shall be
25 responsible for payment of any fees applicable thereto.

26 **19.13 Consent.** Whenever Lessor's or County's consent is required
27 under any provision of this Lease, it shall not be unreasonably withheld, conditioned or
28 delayed.

1 **19.14 Title.** Lessor covenants that Lessor is well seized of and has
2 good title to the Premises, and Lessor does warrant and will defend the title thereto,
3 and will indemnify County against any damage and expense which County may suffer
4 by reason of any lien, encumbrance, restriction or defect in title or description herein of
5 the Premises. If, at any time, Lessor's title or right to receive Rent and any other sums
6 due hereunder is disputed, County may withhold such sums thereafter accruing until
7 County is furnished satisfactory evidence as to the Party entitled thereto.

8 **19.15 Conveyance by Lessor.** Should Lessor convey the Premises,
9 all rights and obligations inuring to the Lessor by virtue of this Lease shall pass to the
10 grantee named in such conveyance, and the grantor shall be relieved of all obligations
11 or liabilities hereunder, except those theretofore accrued and not discharged.

12 **19.16 Mechanic's Liens.** If any mechanic's or materialmen's lien or
13 liens shall be filed against the Premises for work done or materials furnished to a Party,
14 that Party shall, at its own cost and expense, cause such lien or liens to be discharged
15 within fifteen (15) days after notice thereof by filing or causing to be filed a bond or
16 bonds for that purpose. In the event any notice preliminary to establishing such a lien
17 (such as the California Preliminary 20-Day Notice) is served on Lessor for work done
18 on the Premises, Lessor shall immediately forward a copy of such notice to Lessee.

19 **19.17 Surrender.** County shall, after the last day of the term or any
20 extension thereof or upon any earlier termination of such term, surrender and yield up
21 to Lessor the Premises in good order, condition and state of repair, reasonable wear
22 and tear and damage by fire or other casualty excepted. County may, but shall not be

ASBESTOS

- A. Lessor shall operate and maintain the below described spaces free of hazard from asbestos containing construction materials (ACCM's) as defined in Title 15, Sections 1601 and 2607 of the United States Code. An asbestos hazard will be recognized if an average concentration exceeds 0.01 fibers longer than five microns per cubic centimeter of air measured over an eight hour period as determined by the Transmission Electron Microscopy (TEM) method. TEM testing will be mandatory if samples tested by the Phase Contrast Microscopy (PCM) method indicate .1 or more fibers per cc of air.
1. Space leased to the County and plenums in the same HVAC zone.
 2. Common public areas which County employees or its invitees would normally/reasonably use.
 3. Building maintenance areas, utility spaces, and elevator shafts within or serving areas described in items 1 and 2 above.
- B. In the event construction of the building wherein leased premises are located was completed prior to 1979, the Lessor shall provide the County with certification that the areas referred to above are free of asbestos hazard from ACCM's prior to the execution of this lease. If said premises were constructed after 1979, Lessor shall provide County with a written statement to that effect.
- C. Certification shall be in the form of an ACCM's Survey and Evaluation Report prepared by a qualified Industrial Hygienist who shall be certified by the American Board of Industrial Hygiene (ABIH) or an Environmental Protection Agency (EPA) – Asbestos Hazard Emergency Response Act (AHERA) certified inspector. Said survey shall include those areas listed in paragraph (A). Survey requirements are: visual walk-through inspection and testing of suspected ACCM's. Bulk samples of suspected ACCM's shall be analyzed by a laboratory certified by the Department of Health Services and recognized by the EPA Quality Assurance Program using the polarized light microscopy (PLM) method. If friable asbestos is found or the physical condition of suspected ACCM's indicate possible fiber release, air sampling and testing by the Phase Contrast Microscopy (PCM) method must be performed. If asbestos fiber concentrations of .1 fibers per cc of air or greater are found, further testing by the Transmission Electron Microscopy (TEM) method is mandatory. Said survey and evaluation report shall identify all ACCM's found and recommend abatement procedures. If necessary, the report shall also specify guidelines for the implementation of an operation and maintenance plan inclusive of any required monitoring and testing intervals. The report is subject to review and approval by the County and the Lessor shall agree to all conditions contained therein.

- D. If at any time during the term of this lease, or during any extension or renewal hereof, previously unidentified ACCM's hazard is discovered, or airborne asbestos fibers above the maximum allowable limits are found to be entering the County-leased space from any other area within the building or buildings in which the County-leased space is located, the Lessor shall immediately, at Lessor's sole cost and expense, control such release and perform abatement of all hazardous ACCM's that are determined to be affecting the County-leased space.
- E. Lessor shall perform asbestos notification as required by Chapter 10.4 of the Health and Safety Code and shall guarantee that all abatement work as required under the conditions of this lease is performed by a licensed contractor certified by the Contractors State License Board and registered with the Division of Occupational Safety and Health. The County reserves the right to establish consultant oversight of any asbestos related work program at its expense.
- F. Additionally, Lessor shall be responsible for any and all direct or indirect costs associated with the abatement of the above described ACCM's which include, but is not limited to the actual costs to the Lessor for ACCM's abatement and for all required monitoring reports before, during, and after abatement. In effect, all costs shall be borne by the Lessor that are in any way associated with the abatement of ACCM's from the Lessor's building including clean up of contaminated County-owned equipment, furnishings, and materials. Copies of the air monitoring reports shall be furnished to the County together with certification by an Industrial Hygienist Consultant registered with Cal/OSHA that the area is free of hazard from ACCM's.
- G. If it is determined that for safety reasons its employees should be relocated at any time prior to or during the abatement of ACCM's, the Lessor shall provide comparable accommodating space (at no cost to the County) throughout the abatement process. Said determination shall be made by a qualified representative of Cal/OSHA. The Lessor specifically agrees to pay for all costs associated with this move or reimburse the County, if the County paid for this cost, including all reasonable administrative costs and cost of moving or renting furniture, data processing, and telephone equipment.
- H. In the event, after written notice is provided by the County, the Lessor fails, refuses, or neglects to diligently pursue abatement of above described asbestos hazard from ACCM's, the County may effect such abatement; and, in addition to any other remedies it may have, deduct all reasonable costs of such abatement and all costs associated in any way with the abatement of the above described ACCM's from the rent that may then be or thereafter become due throughout the term of this lease. For this purpose and as a condition of this lease agreement, the Lessor shall obtain an EPA generator number and grant license to the County for its use.

- I. In addition to any other remedies it may have, in the event the Lessor fails to diligently pursue abatement of asbestos hazard from ACCM's, as required under the provisions of this lease, the County may, by notice in writing, terminate this lease. Lessor shall be liable to the County for all expenses, losses, and damages reasonably incurred by the County as a result of such termination; including, but not limited to additional rental necessary to pay for an available similar replacement facility over the period of what would have been the remaining balance of the lease term plus any option periods, costs of any necessary alterations to the replacement facility, administrative costs, and costs of moving furniture, data processing, and telephone equipment.

- J. The Lessor shall indemnify, defend, and hold the County of Riverside, its officers, and employees harmless from and against any and all losses, damages, judgements, expenses (including court costs and reasonable attorney fees), or claims whatsoever, arising out of, or in any way connected with or related to, directly or indirectly, the presence of asbestos hazard from ACCM's within the County-leased space or the building in which the leased premises are located.

This Subordination, Non-disturbance, and Attornment Agreement ("Agreement") is made as of _____ between _____ (Lender), a _____, having its principal place of business at _____, _____, _____ and the County of Riverside (County), by its authorized representative the Assistant County Executive Officer/EDA having its address for notification at 3403 Tenth Street, Suite 500, Riverside, California 92501.

Recitals:

A. Lender has agreed to make a loan to _____, a _____ (Lessor), to be secured by a deed of trust, dated _____, _____, and recorded on _____, _____, as Instrument No. _____, in the Official Records of _____ County, California (together with all amendments, increases, renewals, modifications, consolidations, replacements, substitutions, and extensions, either current or future, referred to hereafter as the "Mortgage") encumbering Lessor's ownership interest in real property located in _____, _____, State of California. The legal description of the encumbered real property (the "Mortgage Premises") is set forth in Exhibit A, attached to this Agreement. The Mortgage, together with the promissory note or notes, the loan agreement(s), and other documents executed in connection with it are hereafter collectively referred to as the "Loan Documents".

B. On _____, _____, County and Lessor entered into a lease for the Mortgage Premises (the Lease). The Lease creates a leasehold estate in favor of County for space (the "Premises") located on the Mortgage Premises.

C. In connection with execution of the Mortgage, Lessor also executed and delivered to Lender an Assignment of Leases, Rents and Profits dated _____, _____, and recorded on _____, _____, as Instrument No. _____, in the Official Records of the County Recorder of _____, California concerning all rents, issues and profits from the Mortgage Premises. This document, together with all amendments, renewals, modifications consolidations, replacements, substitutions and extensions, is hereafter referred to as the "Assignment of Rents."

To confirm their understanding concerning the legal effect of the Mortgage and the Lease, in consideration of the mutual covenants and agreements contained in this Agreement and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

Lender and County, intending to be legally bound, agree and covenant as follows:

1. **Representations and Warranties.** County warrants and represents that the Lease is in full force and effect and that, as of the date of this Agreement and to the best of County's knowledge, there is no default under the Lease by Lessor or County.

2. **County Subordination.**

2.1. Subject to the provisions of Section 3, the Loan Documents shall constitute a lien or charge on the Mortgage Premises that is prior and superior to the Lease, to the leasehold estate created by it, and to all rights and privileges of County under it; by this Agreement, the Lease, the leasehold estate created by it, together with all rights and privileges of County under it, is subordinated, at all times, to the lien or charge of the Loan Documents in favor of Lender.

2.2. By executing this Agreement, County subordinates the Lease and County's interest under it to the lien right and security title, and terms of the Loan Documents, and to all advances or payments made, or to be made, under any Loan Document.

3. **Non-disturbance.**

3.1. Lender consents to the Lease.

3.2. Despite County's subordination under Section 2, County's peaceful and quiet possession of the Premises shall not be disturbed and County's rights and privileges under the Lease, including its right to early termination, its right to extend the term of the Lease, its right of first refusal to lease the property after expiration of the original term and any extensions thereof, shall not be diminished by Lender's exercise of its rights or remedies under the Loan Documents, provided that County has not canceled or terminated the Lease, nor surrendered, or abandoned the Premises.

3.3. If (a) Lender shall acquire title to, and possession of, the Premises on foreclosure in an action in which Lender shall have been required to name County as a party defendant, and (b) County is not in default under the Lease beyond any applicable cure or grace periods, has not canceled or terminated the Lease, nor surrendered, vacated or abandoned the Premises and remains in actual possession of the Premises at the time Lender shall so acquire title to, and possession of, the Premises, Lender and County shall enter into a new lease on the same terms and conditions as were contained in the Lease, except that:

(a) The obligations and liabilities of Lender under a new lease shall be subject to the terms and conditions of this Agreement (including the provisions of Sections 5-7);

(b) Lender shall have no obligations or liabilities to County under any such new lease beyond those of Lessor as were contained in the Lease; and

(c) The expiration date of any new lease shall coincide with the original expiration date of the Lease.

3.4. County shall not be named or joined in any foreclosure, trustee's sale, or other proceeding to enforce the Loan Documents unless such joinder shall be legally required to

perfect the foreclosure, trustee's sale, or other proceeding.

4. **Attornment.**

4.1. If Lender shall succeed to Lessor's interest in the Mortgage Premises by foreclosure of the Mortgage, by deed in lieu of foreclosure, or in any other manner, County shall be bound to Lender under all the terms, covenants and conditions of the Lease for the balance of its term with the same force and effect as if Lender were the Lessor under the Lease. County shall be deemed to have full and complete attornment to, and to have established direct privity between County and:

- (a) Lender when in possession of the Mortgage Premises;
- (b) a receiver appointed in any action or proceeding to foreclose the Mortgage;
- (c) any party acquiring title to the Mortgage Premises; or
- (d) any successor to Lessor.

4.2. County's attornment is self-operating, and it shall continue to be effective without execution of any further instrument by any of the parties to this Agreement or the Lease. Lender agrees to give County written notice if Lender has succeeded to the interest of the Lessor under the Lease. The terms of the Lease are incorporated into this Agreement by reference.

4.3. If the interests of Lessor under the Lease are transferred by foreclosure of the Mortgage, deed in lieu of foreclosure, or otherwise, to a party other than Lender (Transferee), in consideration of, and as condition precedent to, County's agreement to attorn to any such Transferee, Transferee shall be deemed to have assumed all terms, covenants, and conditions of the Lease to be observed or performed by Lessor from the date on which the Transferee succeeds to Lessor's interests under the Lease.

5. **Lender as Lessor.** If Lender shall succeed to the interest of Lessor under the Lease, Lender shall be bound to County under all the terms, covenants and conditions of the Lease, and County shall, from the date of Lender's succession to the Lessor's interest under the Lease, have the same remedies against Lender for breach of the Lease that County would have had under the Lease against Lessor; provided, however, that despite anything to the contrary in this Agreement or the Lease, Lender, as successor to the Lessor's interest, shall be:

(a) liable for any act or omission of the Lessor; provided that the Lender may elect either to perform the pre-existing obligation or to permit the County to perform it and to recover the cost out of Rent;

(b) subject to any offsets or defenses expressly permitted under the Lease, including abatement rights which County might have had against Lessor;

(c) bound by any rent or additional rent that County might have paid for more than one month in advance to Lessor; or

(d) bound by an amendment or modification of the Lease even though

made without Lender's written consent and whether or not the amendment or modification materially adversely affect any right of Lessor under the Lease.

(e) subject to the County 's right to assert continuing claims, such as material interference with the County's use and enjoyment of the premises, against the Lender.

6. **Right To Cure.** County agrees that, before County exercises any of its rights or remedies under the Lease, Lender shall have the right, but not the obligation, to cure the default within the same time given Lessor in the lease to cure the default, plus an additional thirty (30) days or ten (10) days in the case of defaults in the payment of money from Lessor to County. County agrees that the cure period shall be extended by the time necessary for Lender to commence foreclosure proceedings and to obtain possession of the Mortgage Premises, provided that:

(a) Lender shall notify County of Lender's intent to effect its remedy;

(b) Lender initiates immediate steps to foreclose on or to recover possession of the Mortgage Premises;

(c) Lender initiates immediate legal proceedings to appoint a receiver for the Mortgage Premises or to foreclose on or recover possession of the Mortgage Premises within the thirty (30) day period; and

(d) Lender prosecutes such proceedings and remedies with due diligence and continuity to completion.

7. **Assignment of Rents.** If Lessor defaults in its performance of the terms of the Loan Documents, County agrees to recognize the Assignment of Rents made by Lessor to Lender and shall pay to Lender, as assignee, from the time Lender gives County notice that Lessor is in default under the terms of the Loan Documents, the rents under the Lease, but only those rents that are due or that become due under the terms of the Lease after notice by Lender. Payments of rents to Lender by County under the assignment of rents and Lessor's default shall continue until the first of the following occurs:

(a) No further rent is due or payable under the Lease;

(b) Lender gives County notice that the Lessor's default under the Loan Documents has been cured and instructs County that the rents shall thereafter be payable to Lessor;

(c) The lien of the Mortgage has been foreclosed and the purchaser at the foreclosure sale (whether Lender or a Transferee) gives County notice of the foreclosure sale. On giving notice, the purchaser shall succeed to Lessor's interests under the Lease, after which time the rents and other benefits due Lessor under the Lease shall be payable to the purchaser as the owner of the Mortgage Premises.

8. **County's Reliance.** When complying with the provisions of Section 7, County shall be entitled to rely on the notices given by Lender under Section 7, and Lessor agrees to release, relieve, and protect County from and against any and all loss, claim, damage, or liability (including reasonable attorney's fees) arising out of County's compliance with such notice.

County shall be entitled to full credit under the Lease for any rents paid to Lender in accordance with Section 7 to the same extent as if such rents were paid directly to Lessor. Any dispute between Lender (or Lender's Transferee) and Lessor as to the existence of a default by Lessor under the terms of the Mortgage, the extent or nature of such default, or Lender's right to foreclosure of the Mortgage, shall be dealt with and adjusted solely between Lender (or Transferee) and Lessor, and County shall not be made a party to any such dispute (unless required by law).

9. **Lender's Status.** Nothing in this Agreement shall be construed to be an agreement by Lender to perform any covenant of the Lessor under the Lease unless and until it obtains title to the Mortgage Premises by power of sale, judicial foreclosure, or deed in lieu of foreclosure, or obtains possession of the Mortgage Premises under the terms of the Loan Documents.

10. **Cancellation of Lease.** County agrees that it will not cancel, terminate, or surrender the Lease, except at the normal expiration of the Lease term or as provided in the Lease.

11. **Special Covenants.** Despite anything in this Agreement or the Lease to the contrary, if Lender acquires title to the Mortgage Premises, County agrees that: Lender shall have the right at any time in connection with the sale or other transfer of the Mortgage Premises to assign the Lease or Lender's rights under it to any person or entity, and that Lender, its officers, directors, shareholders, agents, and employees shall be released from any further liability under the Lease arising after the date of such transfer, provided that the assignee of Lender's interest assumes Lender's obligations under the Lease, in writing, from the date of such transfer.

12. **Transferee's Liability (Non Recourse).** If a Transferee acquires title to the Mortgage Premises:

(a) County's recourse against Transferee for default under the Lease shall be limited to the Mortgage Premises or any sale, insurance, or condemnation proceeds from the Mortgage Premises;

(b) County shall look exclusively to Transferee's interests described in (a) above for the payment and discharge of any obligations imposed on Transferee under this Agreement or the Lease ; and

(i) Transferee, its officers, directors, shareholders, agents, and employees are released and relieved of any personal liability under the Lease;

(ii) County shall look solely to the interests of Transferee set forth in (a) above, and

(iii) County shall not collect or attempt to collect any judgment out of any other assets, or from any general or limited partners or shareholders of Transferee.

13. **Transferee's Performance Obligations.** Subject to the limitations provided in Sections 11 and 12, if a Transferee acquires title to the Mortgage Premises, the Transferee shall perform and recognize all County improvement allowance provisions, all rent-free and rent rebate provisions, and all options and rights of offer, in addition to Lessor's other obligations under the Lease.

14. **Notice.** All notices required by this Agreement shall be given in writing and shall be deemed to have been duly given for all purposes when:
