Any exhibit or schedule attached hereto is incorporated herein by this reference. Any reference to any statute, law, rule, or regulation shall include all amendments, modifications, and supplements thereto or thereof.

2. THE SECURITY.

2.1 Grant of Security Interests and Liens. To secure the prompt payment and performance in full of all Secured Obligations, Trustor irrevocably and unconditionally: (a) GRANTS, CONVEYS, TRANSFERS, HYPOTHECATES, AND ASSIGNS to Trustee in trust WITH POWER OF SALE, for the benefit and security of Beneficiary, all of the Mortgaged Property other than Personal Property; and (b) grants to Beneficiary a continuing security interest in, to, and upon the Personal Property.

2.2 Assignment of Leases and Rents. Trustor hereby assigns to Beneficiary all its right, title and interest in all Leases, present and future, of the Mortgaged Property or any portion thereof and all Rents. This assignment is a present, absolute and complete assignment from Trustor to Beneficiary and is not merely the granting of a security interest. The parties hereto further intend that the Rents (and any payments made in lieu of rents) be hereby absolutely assigned, so that such Rents are no longer the property of Trustor during the term of this Construction Deed of Trust and do not constitute any of the assets of any estate of Trustor as defined by 11 USC §541 of the U.S. Bankruptcy Code and that such Rents will not constitute collateral, cash or otherwise, of Beneficiary. The acceptance of this assignment of Leases by Beneficiary is subject to the following: so long as there shall exist no Event of Default, Trustor shall have a revocable license from Beneficiary to collect, when due, all Rents and to retain and use the same (subject first to payment of any installment then due under the Note and any other payments then due under any of the other Loan Documents). Upon the occurrence of an Event of Default, Trustor's license shall automatically terminate without regard to the adequacy of Beneficiary's other security for the Secured Obligations and without notice to or demand upon Trustor. Beneficiary shall not exercise any of the rights or powers conferred upon it under this Section until an Event of Default shall occur and be continuing, but upon the occurrence and during the continuance of any such Event of Default, Beneficiary shall be entitled to all Rents and other amounts then due under the Leases and thereafter accruing, and this assignment shall constitute a direction to and full authority to the subject lessees and each of them, to pay all such amounts to Beneficiary without proof of the Event of Default relied upon. Said lessees are hereby irrevocably authorized to rely upon and comply with any notice or demand by Beneficiary for the payment to Beneficiary of any rental or other sums which may be or thereafter become due under the Leases, or for the performance of any of said lessee's undertakings under the Leases and shall have no right or duty to inquire as to whether any Event of Default has actually occurred or is continuing.

Notwithstanding anything contained herein to the contrary, in no event shall this assignment be deemed to reduce the Secured Obligations by an amount in excess of the actual amount of cash received by Trustor under the Leases, whether before, during or after the occurrence of an Event of Default, and Trustor acknowledges that in no event shall the Secured Obligations be reduced by the value from time to time of the rents, income and profits of or from the Mortgaged Property. In addition, Beneficiary reserves the right, at any time, whether before or after the occurrence of an Event of Default, to recharacterize this assignment as merely constituting security for the Secured Obligations of Trustor to Beneficiary, which recharacterization shall be made by written notice delivered to Trustor. Trustor's receipt of any rents, issues, and profits pursuant to this assignment after the institution of foreclosure proceedings, either by court action or by the private power of sale contained in any deed of trust now or hereafter securing the Note, shall not cure an Event of Default, or affect such proceedings or sale. THIS ASSIGNMENT SHALL NOT CONSTITUTE OR EVIDENCE ANY PAYMENT WHATSOEVER ON ACCOUNT OF THE SECURED OBLIGATIONS, AND THE SECURED OBLIGATIONS SHALL BE REDUCED BY AMOUNTS IN THE COLLECTION ACCOUNT ONLY IF AND TO THE EXTENT THAT SUCH AMOUNTS ARE ACTUALLY PAID TO BENEFICIARY AND APPLIED BY BENEFICIARY IN REDUCTION OF THE UNPAID PRINCIPAL BALANCE OF THE SECURED OBLIGATIONS.

This Construction Deed of Trust constitutes and evidences the irrevocable consent of Trustor to the entry upon and taking possession of the Mortgaged Property by Beneficiary pursuant to the foregoing assignment, whether or not sale or foreclosure proceedings have been instituted. The assignment of Rents included in Section 2.2 shall continue in effect until the Secured Obligations have been indefeasibly repaid in full. Neither the exercise of any rights under this Section 2.2 by Beneficiary nor the application of any Rents to the Secured Obligations shall cure or waive any Default or notice of Default hereunder or invalidate any act done pursuant hereto.

2.3 Construction Deed of Trust as Financing Statement. This Construction Deed of Trust, among other things, constitutes a financing statement under the provisions of the UCC. This Construction Deed of Trust may be filed as a financing statement in such office or offices as financing statements are or shall be permitted to be filed and the filing of this Construction Deed of Trust or a copy hereof shall constitute the filing of a financing statement under the terms, conditions and provisions of the UCC. The execution or filing hereof does not imply that any item of Personal Property is or will become a Fixture. As a fixture filing, this Construction Deed of Trust is intended to protect the parties hereto from unwarranted assertions by third Persons.

2.4 Further Security. Trustor hereby assigns to Beneficiary, as further security for the indebtedness secured hereby, Trustor's interest in all agreements, contracts (including contracts for the lease or sale of the Property or any portion thereof), licenses and permits affecting the Property and any and all of Trustor's bank accounts, if any, currently held or deposited or deposited in the future with Beneficiary including, but not limited to, savings accounts, checking accounts, certificates of deposit, and money market accounts. Such assignment shall not be construed as consent by Beneficiary to any agreement, contract, license, or permit so assigned, or to impose upon Beneficiary any obligations with respect thereto. Trustor shall not cancel or amend any of the agreements, contracts, licenses and permits hereby assigned (nor permit any of the same to terminate if they are necessary or desirable for the operation of the Property or are

additionally bargained for security between Beneficiary and Trustor), without first obtaining, on each occasion, the written approval of Beneficiary, which approval shall not be unreasonably withheld or delayed. This Section 2.4 shall not be applicable to any agreement, contract, license or permit that terminates if it is assigned without the consent of any party thereto (other than Trustor) or issuer thereof, unless such consent has been obtained or this assignment is ratified by such party or issuer; nor shall this paragraph be construed as a present assignment of a contract, license or permit that Trustor is required by law to hold in order to operate the Mortgaged Property for the purposes intended.

2.5 Security Agreement. This instrument is also a security agreement under the UCC for any of the Mortgaged Property which, under applicable law, may be subject to a security interest under the UCC, whether acquired now or in the future, and all products and cash and non-cash proceeds thereof (collectively, "UCC Collateral"), and Trustor hereby grants to Beneficiary a security interest in the UCC Collateral to secure payment of the Secured Obligations and to secure the due, prompt and complete observance and performance of each and every obligation and agreement of Trustor contained herein and/or in any of the other Loan Documents. Trustor shall execute and deliver to Beneficiary, upon Beneficiary's request, financing statements, continuation statements, renewals and amendments, in such form as Beneficiary may require to perfect or continue the perfection of this security interest and will pay the cost of filing the same in all public offices wherever filing is deemed by Beneficiary to be necessary or desirable. Trustor shall pay all filing costs and all costs and expenses of any record searches for financing statements that Beneficiary may require. Without the prior written consent of Beneficiary, Trustor shall not create or permit to exist any other lien or security interest in any of the UCC Collateral. If an Event of Default has occurred and is continuing, Beneficiary shall have the remedies of a secured party under the UCC, in addition to all remedies provided by this Construction Deed of Trust or existing under applicable law. In exercising any remedies, Beneficiary may exercise its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability of Beneficiary's other remedies.

3. REPRESENTATIONS AND WARRANTIES OF TRUSTOR.

Trustor represents and warrants as follows (which representations and warranties shall be true, correct, and complete at all times):

3.1 Existence and Power. Trustor, if other than natural persons: (a) is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization; (b) has all powers and all necessary governmental licenses, authorizations, consents, and approvals required to carry on its business as now conducted, except if the failure to comply with any of the foregoing could not, in the aggregate, reasonably be expected to result in a Material Adverse Change; (c) is duly licensed, registered or qualified to do business in each jurisdiction where licensing is required by the nature of Trustor's business, or the character and location of their property, business, or customers, except if the failure so to be licensed, registered or qualified to do business could not, in the aggregate, reasonably be expected to result in a Material Adverse Change; and (d) is licensed, registered or qualified to do business in the state where the Property is located.

3.2 No Contravention; No Default. The execution, delivery, and performance by Trustor of this Construction Deed of Trust do not and will not: (a) conflict with or result in any breach or contravention of, or the creation of any Lien under, any contractual obligation to which Trustor is a party or any order, injunction, writ, or decree of any governmental authority to which Trustor or its properties are subject; or (b) violate any law, rule, or regulation of any governmental authority.

To the best of Trustor's knowledge, (a) there is no Hazardous Substances at, on or in the Property, or within any Improvement on the Property, or immediate or adjoining properties (which such immediate or adjoining properties contribute to or have contributed to environmental risks at, on or in the Property), nor have any Hazardous Substances been discharged from the Property or penetrated any surface or subsurface rivers or streams crossing or adjoining the Property or the aquifer underlying the Property; (b) Trustor has not received any notice of non-compliance or alleged non-compliance with respect to Hazardous Substances from any authority having jurisdiction over the Property; (c) to the best of Trustor's knowledge, the Property under its ownership and previous ownership was not used as a dump site or storage facility for Hazardous Substances; (d) except as otherwise disclosed in writing to Beneficiary prior to the date hereof, the Mortgaged Property has not been designated as Border Zone Property under the provisions of California Health and Safety Code Section 25220 et seq. or any regulation adopted in accordance therewith; and (e) there has been no occurrence or condition on any real property adjoining or in the vicinity of the Mortgaged Property that is reasonably likely to cause the Property or any part thereof to be designated as Border Zone Property.

3.5 Condition and Operation of the Mortgaged Property. Trustor shall do all reasonable things necessary to the satisfaction of Beneficiary, based on the character and nature of use of the Mortgaged Property, to: (a) keep the Mortgaged Property (including all landscaping) in good condition and repair and to prevent any waste and deterioration thereof; (b) operate the Mortgaged Property in a first class manner for the purpose for which it is constructed; (c) keep all Improvements free of termites, dry rot, wood borers and all similar destructive pests; (d) prevent any change to, or in the use of, the Mortgaged Property which will in any way increase the risk of fire or other hazard arising from the use thereof; and (e) prevent, except with Beneficiary's prior written consent, any material changes in the nature of the occupancy or use of the whole or any part of the Mortgaged Property, from such nature for which the Mortgaged Property or such part is intended on the date hereof.

4. COVENANTS OF TRUSTOR.

4.1 Title to Property and Chattels. Trustor shall at all times possess good and marketable title to and an indefeasible fee estate in the Property, free and clear of all Liens other than Permitted Liens. Trustor shall at all times hold good and marketable title to the Personal Property, free and clear of all Liens other than Permitted Liens.

4.2 Preservation of Existence. Trustor shall do all things necessary to preserve and keep in full force and effect its existence, franchises, rights, and privileges as a business under the laws of the state of its formation.

4.3 Further Assurances. Trustor shall, at its sole cost and expense, perform, execute, acknowledge, or deliver all acts, deeds, conveyances, deeds of trust, assignments, notices of assignments, transfers, and assurances as Trustee or Beneficiary may from time to time reasonably require for purposes of better assuring, conveying, assigning, pledging, mortgaging, warranting, or confirming unto Trustee all or any portion of the Mortgaged Property, the property and rights conveyed or assigned hereunder or which Trustor must hereafter convey or assign to Trustee, or for carrying out the intention or facilitating the performance of the terms of this Construction Deed of Trust.

4.4 Taxes, Assessments, and Insurance. Subject to applicable law or to a written waiver by Beneficiary, Trustor shall pay to Beneficiary, on the day monthly payments are due under the Note, until the Note is paid in full, an amount equal to one-twelfth (1/12) of:

(a) yearly real estate taxes, assessments or other governmental charges that may be assessed, levied, imposed or attain priority under this Construction Deed of Trust; and

(b) yearly insurance premiums.

4.5 Escrow Waiver. Should Beneficiary waive Trustor's obligation to pay taxes, assessments, and insurance pursuant to Section 4.4 and Trustor thereafter defaults in the payment of any such taxes, assessments, other governmental charges or insurance or in making necessary repairs to the Property, Beneficiary may pay such taxes, assessments, other governmental charges or insurance and make such repairs, and the monies so paid by it shall be a further lien on the Property, payable forthwith, with interest at the rate of two percent (2.0%) greater than the Applicable Interest Rate (as such term is defined in the Note). Beneficiary may make advances pursuant to this Section 4.5 or pursuant to Section 4.16, without curing Trustor's Default and without waiving Beneficiary's right of foreclosure or any other right or remedy of Beneficiary under this Construction Deed of Trust. Beneficiary's right to make advances pursuant to this Section 4.5 shall be at its option, and not obligatory. Beneficiary shall not be liable in any case for failure to exercise such right or for failure to continue exercising such right once having exercised it. In the event of Beneficiary's waiver of Trustor's obligations under Section 4.4, Trustor's failure to pay taxes, assessments and/or other governmental charges assessed against the Property, or any installment thereof, or any insurance premium upon policies covering the Property or any part thereof, shall constitute waste (although the meaning of the term waste shall not necessarily be limited to such nonpayment) and shall entitle Beneficiary to all remedies provided for herein.

4.6 Mechanic's Liens. Trustor shall pay when the same shall become due all lawful claims and demands of mechanics, materialmen, laborers, and others, which, if unpaid, might result in, or permit the creation of, a Lien on the Mortgaged Property or any portion thereof. Notwithstanding the foregoing, Trustor shall have the right to provide a bond in an amount required by the California Civil Code to release any mechanic's lien of record in the event Trustor disputes amount of such lien.

4.7 Insurance.

(a) Insurance Policies and Premiums. Trustor shall obtain and maintain: (i) insurance of the type necessary to insure the Improvements and Chattels, for the lesser of (1) the full replacement cost thereof, or (2) the unpaid principal balance of the Construction Loan, against any loss by fire, lightning, windstorm, hail, explosion (subject to certain exceptions), aircraft, smoke damage, vehicle damage, and other risks from time to time included under "extended coverage" policies, but in any event in amounts sufficient to prevent Trustor from becoming a co-insurer under such policies; (ii) combined single limit bodily injury and property damage insurance against any loss, liability, or damage on, about or relating to the Property, in an amount reasonably acceptable to Beneficiary; (iii) flood insurance in an amount satisfactory to Beneficiary if the Property is located in a designated flood hazard area; (iv) all insurance required by the Construction Loan Agreement; and (v) such other reasonable insurance as Beneficiary may require, including, but not limited to, insurance coverage for rental and/or business interruption in an amount sufficient to cover the gross rental from the Property for a period of at least six (6) months after Trustor has executed its initial lease of the Property. Such insurance shall be in form, content, and written by an insurer satisfactory to Beneficiary, shall with respect to hazard insurance and such other insurance as Beneficiary shall specify, name as the loss payee thereunder Trustor and Beneficiary, as their interests may appear, and shall contain a California Form 438 BFU (NS) Mortgagee endorsement or its local equivalent. All required policies will provide for at least thirty (30) days' written notice to Beneficiary prior to the effective date of any cancellation or material amendment, which term shall include any reduction in the scope or limits of coverage and written notice to Beneficiary no later than ten (10) days following Trustor's failure to pay a premium that is due and payable. Trustor shall furnish to Beneficiary the original of each required insurance policy, or a certified copy thereof together with a certificate of insurance setting forth the coverage, the limits of liability, the carrier, the policy number and the expiration date. As security for the Secured Obligations, Trustor hereby assigns to Beneficiary all required insurance policies, together with all proceeds thereof, rights thereto and all unearned premiums returnable upon cancellation. Trustor shall give Beneficiary prompt notice of any loss covered by such insurance and Beneficiary shall have the right to join Trustor in adjusting any loss. Any monies received as payment for any loss under any such insurance shall be paid over to Beneficiary to be applied at the option of Beneficiary either to the prepayment of the Secured Obligations, without premium, in such order as Beneficiary may elect, or shall be disbursed to Trustor under staged payment terms reasonably satisfactory to Beneficiary for application to the cost of repairs, replacements, or restorations (collectively, "Restorations") of any Improvement or Chattel damaged or destroyed, provided that if, at the time such monies are received by Beneficiary there shall not then exist an Event of Default, such monies shall, upon the written request of Trustor, be disbursed to Trustor under staged payment terms reasonably satisfactory to Beneficiary for application to the cost of Restorations of any Improvement or Chattel damaged or destroyed. All Restorations shall be

effected with reasonable promptness and shall be of a value at least equal to the value (prior to such damage or destruction) of the Improvement or Chattel damaged or destroyed. Upon the occurrence and during the continuation of an Event of Default, all prepaid premiums or portions thereof allocable to the Mortgaged Property shall be the sole and absolute property of Beneficiary to be applied by Beneficiary to the payment of the Secured Obligations in such order as Beneficiary shall elect.

(b) Separate Insurance. Trustor shall not take out separate insurance concurrent in form or contributing in the event of loss with that required to be maintained under this Section 4.7, unless Beneficiary is included thereon as a named insured with loss payable to Beneficiary under a standard California 438 BFU (NS) Mortgagee endorsement, or its local equivalent. Trustor shall immediately notify Beneficiary whenever any such separate insurance is taken out, specifying the insurer thereunder and full particulars as to the policy or policies evidencing the same.

4.8 Further Encumbrances. Trustor shall not, except in accordance with the Construction Loan Commitment further encumber any interest in or all or any portion of the Mortgaged Property. ANY LIEN, OR OTHER ENCUMBRANCE MADE IN CONTRAVENTION OF THIS SECTION SHALL BE AN EVENT OF DEFAULT. Notwithstanding the foregoing, Beneficiary may, in its reasonable discretion, consent to any such prohibited transaction; provided that Beneficiary's consent may be made subject to a condition or conditions, including an increase in the interest rate applicable to all or any portion of the Secured Obligations, a modification of any other terms respecting the Secured Obligations, or the payment of a fee.

4.9 Compliance with Laws. Trustor shall cause the Mortgaged Property to comply with all applicable laws, restrictive covenants, zoning and subdivision ordinances and building codes, regulations, rules, requirements, directions, orders, and notices of violations issued by any governmental agency relating to or affecting the Property or the business or activity being conducted thereon, whether by Trustor or by any occupant thereof.

4.10 Repairs and Replacements. Trustor shall at all times maintain the Improvements and the Chattels in good order and condition and shall promptly make all repairs, renewals, replacements, additions, and improvements in connection therewith that are necessary or desirable to such end. No Improvements shall be removed, demolished, or materially altered, nor shall any Chattels be removed from the Property; provided that, if an Event of Default has not occurred, Trustor may make appropriate replacements of Chattels, free of all Liens (other than Permitted Liens), so long as such replacements are immediately made and are of a value at least equal to the value of the Chattels removed.

4.11 Condemnation Proceedings; Awards. Trustor shall immediately notify Beneficiary of any proceeding involving the condemnation or taking by eminent domain of all or any portion of the Mortgaged Property. Trustee and Beneficiary, or any designee or representative thereof, may participate in any such proceeding and Trustor shall deliver to Beneficiary all instruments requested by it to permit any such participation. Beneficiary shall be under no obligation to question the amount of any award and may accept the same in the amount paid but shall have no right to bind Trustor or to make settlement of Trustor's claim, except to

the extent of the interest of Trustee and Beneficiary. The proceeds of any award received, after reimbursement of any expenses incurred by Beneficiary or Trustee in connection with such proceedings, shall, at Beneficiary's sole option, be applied to the repayment of the Secured Obligations in such order as Beneficiary may in its sole discretion elect (regardless of interest payable on the award by the condemning authority) or to the cost of restoration of the Improvement or the Chattel so taken on such terms as shall be satisfactory to Beneficiary.

4.12 Leases and Rents. Trustor shall not execute a Lease or an assignment of Leases or Rents or any portion thereof except with the express prior written consent of the Beneficiary, which consent may be withheld in the sole and absolute discretion of the Beneficiary. Moreover, Trustor shall not in any other manner impair, in the reasonable opinion of Beneficiary, the value of all or any substantial portion of the Mortgaged Property or the security of the Trustee or Beneficiary for the payment of the Secured Obligations.

4.13 Use of Beneficiary's Name. Trustor shall not use Beneficiary's name or the name of any Person controlling, controlled by, or under common control with Beneficiary in connection with any of Trustor's activities, except as such use may be required by applicable law or regulation of any governmental authority.

4.14 Post-Default Obligation for Rent. Upon the occurrence and during the continuation of any Event of Default, but subject to the exercise by Trustee or Beneficiary of either's right to exclude Trustor from all or any part of the Property, Trustor shall, in the event that Trustor in fact occupies the Property, pay the fair and reasonable rental value for the use and occupancy of the Mortgaged Property for such period and, upon default of any such payment, shall vacate and surrender possession of the Property to Trustee or Beneficiary or to any duly appointed receiver, if any, and may be evicted by any summary action or proceeding for the recovery or possession of the Property for non-payment of rent, however designated.

4.15 Environmental Matters.

(a) Hazardous Substances. Trustor shall not permit the Property to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, produce, or process Hazardous Substances, except in compliance with all applicable Environmental Laws. In addition, Trustor shall require and use its best efforts to ensure compliance by all operators and occupants of the Property with all applicable Environmental Laws. If Trustor tenders a deed in lieu of foreclosure to Beneficiary, Trustor shall deliver the Property to Beneficiary (or its designee) free of all Hazardous Substances. Notwithstanding anything to the contrary contained in Sections 4.15 or 4.17 of this Construction Deed of Trust, Trustor's failure to comply with any of the provisions contained in Sections 4.15 or 4.17 of this Construction Deed of Trust shall not constitute an Event of Default if such failure results solely from facts and circumstances that were disclosed in writing and in all material respects to Beneficiary prior to the execution and delivery of this Construction Deed of Trust.

(b) Hazardous Substance Investigations; Environmental Site Assessments and Environmental Audit Reports. Trustor shall, upon the reasonable request of Beneficiary, conduct and complete all reasonably appropriate investigations, studies, samplings and testings relative to Hazardous Substances at or affecting the Mortgaged Property. Trustor shall, promptly upon the

request of Beneficiary, provide Beneficiary, at Trustor's sole cost and expense, with an environmental site assessment or environmental audit report, or an update of such assessment or report, by an environmental engineering firm acceptable to Beneficiary. Such assessment, report, or update shall be in form, scope and content satisfactory to Beneficiary and shall address such issues as Beneficiary may require.

(c) Remediation. Notwithstanding the obligation of Trustor to indemnify Beneficiary pursuant to this Construction Deed of Trust or otherwise, Trustor shall, upon demand of Beneficiary, and at Trustor's sole cost and expense, promptly take all actions to effect a Remediation of all Hazardous Substances at or related to the Mortgaged Property if Remediation is required by applicable Environmental Laws or is reasonably necessary to mitigate a violation of any Environmental Law or to allow full economic use of the Mortgaged Property or if Beneficiary believes that the environmental condition will impact the value of the Mortgaged Property. Trustor shall proceed continuously and diligently with such Remediation. All Remediation shall be performed: (i) by one or more contractors selected by Trustor and approved in advance and in writing by Beneficiary; (ii) in a good, safe and workmanlike manner in such a fashion so as to minimize any impact on the business conducted at the Mortgaged Property; and (iii) in accordance with all applicable Environmental Laws. Trustor shall pay all fees, costs, and expenses in connection with such Remediation and neither Trustee nor Beneficiary shall have any liability therefor. Trustor shall promptly provide Beneficiary with copies of testing results and reports that are generated in connection with any Remediation. Within ten (10) days of demand therefor, Trustor shall provide Beneficiary with a bond, letter of credit, or similar financial assurance evidencing that sufficient funds are available to Trustor to perform any Remediation obligations required by this Section 4.15(c).

(d) Nature of Obligations. The obligations of Trustor and the rights of Beneficiary under this Section 4.15 are in addition to and not in substitution of the obligations of Trustor and rights of Beneficiary under all applicable Environmental Laws. The obligations of Trustor and the rights of Beneficiary under this Section 4.15 and under all applicable Environmental Laws, notwithstanding anything contained herein or in any other document or agreement which may be construed to the contrary: (i) shall not be subject to any anti-deficiency laws or protections; and (ii) shall not be discharged, impaired, or affected in any way by, and shall survive, a foreclosure or trustee's sale, judicial sale or deed, or other transaction in lieu of such sale hereunder.

(e) Sole Reliance. Notwithstanding anything to the contrary contained herein, the provisions of this Section 4.15 are solely for the benefit of Beneficiary and the other Indemnified Person (as defined in Section 9.9(c)), and no other Person is entitled to rely on the same.

(f) Covenants. Trustor agrees that it shall (i) not cause or permit any Hazardous Substances to exist at, on or in the Property or within any improvement on the Property or discharge from the Property; (ii) comply and cause the Property to comply with all Environmental Laws; (iii) promptly pay any claim and remove any charge or lien upon the Property due to an Environmental Activity or Condition; (iv) not cause or permit any Hazardous Substances to exist on or discharge from any property owned or used by Trustor that would result in any charge or lien upon the Property; (v) notify Beneficiary of any Environmental

Activity or Condition within ten (10) days after Trustor first has knowledge of such Environmental Activity or Condition; and (vi) cause or permit no change to be made in the general use of the Property without Beneficiary's prior written consent.

4.16 Waste. Trustor will abstain from and will not suffer the commission of waste on the Property and will keep the buildings, improvements, fixtures, and equipment, now or hereafter thereon, in good repair and will make replacements thereto as and when the same become necessary. Trustor will comply with all laws, ordinances, regulations, and orders of all public authorities having jurisdiction over the Property relating to the use, occupancy, and maintenance thereof. Nothing herein shall be deemed to prohibit Trustor from reasonably contesting the enforceability or applicability of any law, ordinance, regulation, or order; provided, however, that Beneficiary, in its sole discretion, may require that Trustor comply with any such law, ordinance, regulation, or order during the pendency of any such contest and all appeals there from. In the event the Property or any part thereof, in the sole judgment of Beneficiary, requires inspection, repair, care, or attention of any kind or nature not theretofore provided by Trustor, Beneficiary may (without being obligated to do so) enter or cause entry to be made upon the Property and inspect, repair, and/or maintain the same as Beneficiary may deem reasonably necessary or advisable, and may (without being obligated to do so) make such expenditures and outlays of money as Beneficiary may deem appropriate for the preservation of the Property. All expenditures and outlays of money made by Beneficiary, pursuant hereto, shall be secured hereby, shall be payable forthwith, and shall bear interest at the default rate provided in the Note. Subject to the rights of tenants under existing Leases, Beneficiary shall have the right at any time, and from time to time, to enter the Property for the purpose of inspecting the same. Trustor will not permit the Property, or any portion thereof, to be used for any unlawful purpose. No building or other improvement on any part of the Property shall be removed, demolished, or materially altered without the prior written consent of Beneficiary, except that Trustor shall have the right, without such consent to remove and dispose or, free from the lien of this Construction Deed of Trust, such personalty and equipment as from time to time may become worn out or obsolete, provided that (a) simultaneously with or prior to such removal, any such equipment shall be replaced with other new equipment of like kind and quality, free from any security interest, lien, or encumbrance, and by such removal and replacement Trustor shall be deemed to have subjected the replacement equipment to the lien of this Construction Deed of Trust; and (b) any net cash proceeds received from such disposition shall be promptly paid over to Beneficiary to be applied to the last installment(s) due on the Note, without any charge for prepayment.

4.17 Compliance with Federal Law. Trustor will comply with and to the extent required by law, keep the Mortgaged Property in compliance with the Fair Housing Amendments Act of 1988, the Americans with Disabilities Act of 1990, and any other Federal, State, or local statute, law, ordinance, code, rule, regulation, order, or decree regulating, relating to, or imposing liability or standards of conduct relating to barrier-free access or access of the handicapped or disabled to the Mortgaged Property (collectively, "Access Laws"). The Trustor hereby indemnifies the Beneficiary and agrees to hold the Beneficiary harmless from and against all losses, liabilities, damages, injuries, costs, expenses, and claims of any and every kind whatsoever paid, incurred or suffered by, or asserted against, the Beneficiary for violations or alleged violation of the Access Laws relating to the Mortgaged Property.

4.18 Financial Statements. Trustor shall submit to Beneficiary, annually by April 30th of each year, a financial statement of the Trustor showing the financial condition of Trustor. Further, Trustor shall submit to Beneficiary, annual financial statements and rent rolls, both of which are to be certified by Trustor, showing the financial condition and detailed record of income and expenses of the Mortgaged Property within one hundred twenty (120) days after the end of each fiscal year of the Trustor. All financial statements and other information provided by Trustor hereunder shall be in a form that is acceptable to Beneficiary and all costs of providing the same shall be borne entirely by Trustor.

5. CONVEYANCE.

5.1 Conveyance. Trustor acknowledges that Beneficiary has examined and relied on the creditworthiness and experience of Trustor in agreeing to make the Construction Loan secured hereby. Trustor agrees that Trustor shall not, without the prior written consent of Beneficiary, which may be given or withheld in Beneficiary's sole and absolute discretion, do or permit any of the following (hereinafter any of the following is sometimes referred to as a "Transfer"): sell, convey, mortgage, grant, bargain, encumber, assign, hypothecate or otherwise transfer the Property or any part thereof or interest therein (legal or equitable) or permit the Property or any part thereof to be sold, conveyed, mortgaged, granted, bargained, encumbered, assigned, or otherwise transferred and that if Trustor does so without the prior written consent of Beneficiary, Beneficiary may, in its sole discretion declare the entire indebtedness secured by the Deed of Trust immediately due and payable regardless of the date of maturity.

Brudvik ceases to be the Manager of the Trustor, or (vii) any other circumstances where the effect is that more than forty-nine percent (49%) of the ownership or beneficial interest in Trustor becomes vested in persons or entities not having an ownership interest in Trustor as of the date of this Construction Deed of Trust excluding, however a transfer by devise or succession to the heirs, devisees, or legatees of those having a present ownership interest in Trustor or a transfer in trust for benefit of such heirs. ANY TRANSFER MADE IN CONTRAVENTION OF THIS ARTICLE 5 SHALL BE AN EVENT OF DEFAULT.

5.2 Permitted Sales and Partial Reconveyance. Notwithstanding any other provision of this Construction Deed of Trust to the contrary, Trustor shall have the right to sell, convey or otherwise transfer individual single family homes (each a "Residence") (of the five (5) such single family homes contemplated by the Construction Loan Documents) to third parties and Beneficiary will cause the lien created by this Deed of Trust to be released as to each particular Residence, provided that the principal outstanding balance of the Construction Loan must be paid down by an amount equal to Five Hundred Seventy-Two Thousand Dollars and No Cents (\$572,00.00) per Residence to be released. In the event that the actual loan amount or cost

budget increases from the amounts set forth in this Section (which shall only occur with the prior written consent of the Beneficiary as such consent may be granted or withheld in the Beneficiary's sole and absolute discretion), the release price for the individual Residences shall increase proportionately. If the actual loan amount or cost budget decreases, there shall be no decrease in the amounts set forth in this Section.

(K) shall have the exclusive right to adjust all losses payable under any insurance policies maintained pursuant to this Construction Deed of Trust without any liability to Trustor whatsoever in respect of such adjustments.

(b) Additional Rights and Remedies. Without limiting the generality of the provisions contained in Section 6.2(a), upon the occurrence and during the continuation of an Event of Default and in accordance with the provisions of the Note, Beneficiary shall have all of the following rights and remedies:

(i) Power of Sale.

(A) Beneficiary may declare all Secured Obligations immediately due and payable by delivery to Trustee of a written declaration of default and demand for sale and written notice of default and of election to cause the Mortgaged Property to be sold. After the lapse of such time as may then be required by law following notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell the Mortgaged Property at the time and place fixed by Trustee in such notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. If the Mortgaged Property consists of several known lots or parcels, Beneficiary may designate the order in which such parcels shall be sold or offered for sale. Any Person, including Trustor, Trustee, or Beneficiary, may purchase at such sale. Trustee may postpone sale of all or any portion of the Mortgaged Property by public announcement at such time and place of sale and, from time to time thereafter, may postpone such sale by public announcement at the time fixed by the preceding postponement.

(B) Trustee, after making such sale, and upon receipt of the purchase price, shall make, execute, and deliver to the purchaser(s) its deed(s) conveying the Mortgaged Property so sold, but without any covenant or warranty, express or implied, and without any representation, express or implied, as to the existence, or lack thereof, of Hazardous Substances on the Mortgaged Property, and shall apply the proceeds of sale thereof to the payment of: FIRST, the costs, fees and expenses of such sale, together with the reasonable expenses of this trust, including Trustee's fees and the cost of obtaining evidence of title in connection with sale; SECOND, all moneys paid, advanced, or expended by Beneficiary under the terms hereof, not then repaid, together with interest thereon as herein provided; THIRD, the amount of the principal and interest comprising the Secured Obligations then remaining unpaid; and LAST, any proceeds remaining from such sale to the person or persons legally entitled thereto, upon satisfactory proof of such right.

(C) Upon a sale of all or any portion of the Mortgaged Property and the execution of a deed or deeds therefor under this Construction Deed of Trust, the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof and of the fact that such sale was regularly and validly made in accordance with all requirements of the laws of the State of California and of this Construction Deed of Trust. Any such deed(s), with such recitals therein, shall be effectual and conclusive against Trustor and all other Persons and the receipt for the purchase money recited or contained in any deed executed to any such purchaser

shall be sufficient discharge to such purchaser from all obligations to see to the proper application of the purchase money according to the terms hereof.

(D) Trustor absolutely, unconditionally, knowingly, and expressly waives any right to require any sale of the Mortgaged Property made hereunder to be made in parcels and any right to select any parcels to be so sold.

(ii) Judicial Foreclosure. Beneficiary may commence an appropriate action or proceeding in any court of competent jurisdiction to foreclose the lien of this Construction Deed of Trust as a mortgage or to enforce specifically any of the covenants and agreements contained in the Construction Deed of Trust or in any other Loan Document.

(iii) Appointment of Receiver. Upon the occurrence and during the continuation of an Event of Default or upon the commencement of any proceedings to foreclose or enforce this Construction Deed of Trust, to enforce the specific performance hereof or to enforce any right of Trustee or Beneficiary hereunder, Beneficiary shall be entitled, as a matter of right, if it so elects, without the giving of notice to any other Person and without regard to the adequacy or inadequacy of any security for the Secured Obligations, either before or after declaring all sums evidenced by any of the Construction Loan Documents to be due and payable, to the appointment of a receiver or receivers with respect to the Mortgaged Property.

(iv) Environmental Actions.

(A) Upon written notice, and without releasing Trustor from any obligation hereunder, Beneficiary may perform such acts and things as Beneficiary deems necessary or desirable to inspect, investigate, assess, and protect the Lien hereof and Beneficiary's rights hereunder, including any of its other rights: (1) to obtain a court order to enforce Beneficiary's right to enter and inspect the Mortgaged Property under California Civil Code Section 2929.5, as to which the decision of Beneficiary as to whether there exists a release or threatened release of a Hazardous Substances onto the Mortgaged Property shall be deemed reasonable and conclusive as between the parties hereto; and (2) to have a receiver appointed under Section 564 of the California Code of Civil Procedure to enforce Beneficiary's right to enter and inspect the Mortgaged Property for Hazardous Substances. All costs and expenses incurred by Beneficiary with respect to the audits, tests, inspections, and examinations, which Beneficiary or its agents or employees may conduct, including the fees of the engineers, laboratories, contractors, consultants, and attorneys, shall be paid by Trustor. All costs and expenses incurred by Trustee and Beneficiary pursuant to this subparagraph (including court costs, consultant fees, and attorney fees, whether incurred in litigation or not and whether before or after judgment) shall bear interest at the Default Rate set forth in the Construction Loan Documents from the date they are incurred until such sums have been paid.

(B) Beneficiary may seek a judgment that Trustor has breached one or more of their covenants, representations, or warranties with respect to the environmental matters set forth in Sections 3.4 or 4.15 by commencing and maintaining an action or actions in any court of competent jurisdiction for breach of contract pursuant to Section 736 of the California Code of Civil Procedure, if applicable, whether commenced prior to or after foreclosure of the Mortgaged Property, and to seek the recovery of all costs, damages, expenses,

fees, penalties, fines, judgments, indemnification payments to third parties, and other out-of-pocket costs or expenses actually incurred or advanced by Beneficiary relating to the cleanup, remediation, or other response action required by any notice or order of any Governmental Authority having jurisdiction to enforce any Environmental Law, but regardless of any such notice or order if Trustor's compliance therewith was required without any notice or order to Trustor (collectively, the "Environmental Costs"), it being conclusively presumed between Beneficiary and Trustor that all such Environmental Costs were incurred or advanced by Beneficiary in good faith. All Environmental Costs (including court costs, consultant fees and attorneys' fees, including fees incurred pursuant to 11 U.S.C., whether incurred in litigation or not and whether before or after judgment) shall bear interest at the default rate specified in the Note from the date of expenditure until such sums have been paid.

(C) Beneficiary may waive its Lien against the Mortgaged Property or any portion thereof if such property is found to be environmentally impaired in accordance with California Code of Civil Procedure Section 726.5 and may exercise all rights and remedies of an unsecured creditor against Trustor and all of Trustor's assets and property for the recovery of any deficiency and Environmental Costs, including seeking an attachment order under Section 483.010 of the California Code of Civil Procedure. As between Beneficiary and Trustor, for the purposes of California Code of Civil Procedure Section 726.5, Trustor shall have the burden of proving that Trustor or any related party (or any affiliate or agent of Trustor or any related party) was not in any way negligent in permitting the release or threatened release of the Hazardous Substances.

(D) Nothing contained herein shall be construed to limit any rights that Beneficiary has under this Construction Deed of Trust, at law, or in equity.

(v) UCC Rights and Remedies. Beneficiary shall have all of the rights and remedies of a secured party under the UCC. Should Beneficiary elect to cause the sale of the Mortgaged Property as provided above, all personal and other property subject to the UCC may be sold in any manner permitted under the UCC or other applicable law, including, without limitation, in a unified sale by Trustee with the Real Property subject to this Construction Deed of Trust as provided by the UCC.

7. ADDITIONAL RIGHTS AND BENEFITS OF TRUSTEE AND BENEFICIARY.

7.1 Covenants Run With the Land. All of the grants, covenants, obligations, provisions, and conditions of Trustor contained herein shall run with the Land.

7.2 Right of Inspection. Beneficiary and Trustee shall at all reasonable times have access to and the right to inspect the Property or the Chattels.

7.3 No Merger. There shall be no merger of the interest or estate created by this Construction Deed of Trust with any other interest or estate in the Mortgaged Property at any time held by or for the benefit of Beneficiary in any capacity without the prior written consent of Beneficiary.

7.4 Remedial Action by Beneficiary. If Trustor fails to comply with its Remediation obligations hereunder or with the requirements of any applicable Environmental Law,

Beneficiary may, but shall not have the obligation to, give such notices or cause such work to be performed at the Mortgaged Property or take any other actions as Beneficiary shall deem necessary or advisable to cause such compliance or effect such Remediation. Any amounts paid as a result thereof, together with interest thereon at the default interest rate specified in the Note from the date of payment by Beneficiary, shall be immediately due and payable by Trustor to Beneficiary. Until the same has been paid, such amounts shall automatically be added to and become part of the Secured Obligations and shall have the benefit of the Lien created hereby.

7.5 Performance of Obligations by Beneficiary. If Trustor does not timely perform any of their obligations contained herein, Beneficiary may, but shall not have the obligation to, perform such obligations. All obligations of Trustor so performed by Beneficiary shall be at Trustor's expense and the amount of such expenses shall automatically be added to the Secured Obligations and shall have the benefit of the Lien created hereby.

7.6 Certain Actions by Trustee. Trustee may, without liability therefore and without notice, so long as the Lien hereof shall exist, upon the written request of Beneficiary and presentation of this Construction Deed of Trust and the instruments evidencing the Secured Obligations for endorsement, consent to the making of any map or plat of the Land, join in granting any easement thereon or in creating any covenants restricting use or occupancy thereof, reconvey, without warranty, any part of the Mortgaged Property, or join in any extension agreement or in any agreement subordinating the Lien hereof.

7.7 Substitution of Trustee. Beneficiary may from time to time, without notice to Trustor or to Trustee, and with or without cause and with or without the resignation of the Trustee substitute a successor or successors to the trustee named herein or acting hereunder to execute this trust. Upon such appointment and without conveyance to the successor trustee, the latter shall be vested with all title, powers and duties conferred upon the trustee herein named or acting hereunder. Each such appointment and substitution shall be made by written document executed by Beneficiary, containing reference to this Construction Deed of Trust and its place of record, which when duly filed for record in the proper office, shall be conclusive proof of proper appointment of the successor trustee. The procedure herein provided for substitution of the trustee named herein shall be conclusive of all other provisions for substitution, statutory or otherwise.

7.8 Multiple Properties as Security. If, in addition to the execution of this Construction Deed of Trust, Trustor has executed and delivered as security for the Secured Obligations a mortgage or deed of trust on parcels of property outside the boundaries of this county and/or a mortgage or deed of trust on parcels of property, or any bank accounts or deposits, as security for any other indebtedness to Beneficiary for which Trustor has, prior to, simultaneously or hereafter, pledged to Beneficiary as security for an indebtedness other than the indebtedness evidenced by this Construction Deed of Trust, Trustor agrees that the occurrence of an Event of Default shall be an event of default under each of such mortgages and deeds of trust, permitting Beneficiary to proceed against any or all of the property comprising the Mortgaged Property or against any other security for the Secured Obligations or against any other security for indebtedness of Trustor to Beneficiary other than that evidenced by this Construction Deed of Trust in such order as Beneficiary, in its sole and absolute discretion, may determine. Trustor hereby waives the benefit of any statute or decision relating to the marshalling of assets that is

contrary to the foregoing. Beneficiary shall not be compelled to release or be prevented from foreclosing this instrument or any other instrument securing the Secured Obligations unless all Secured Obligations shall have been indefeasibly repaid in full and Beneficiary shall not be required to accept any part or parts of any property securing the Secured Obligations as distinguished from the entire whole thereof, as payment of or upon the Secured Obligations to the extent of the value of such part or parts, and shall not be compelled to accept or allow any apportionment of the Secured Obligations to or among any separate parts of such property.

8. CERTAIN ACKNOWLEDGEMENTS AND AGREEMENTS OF TRUSTOR.

8.1 Beneficiary as Trustor's Attorney-in-Fact. Trustor irrevocably appoints Beneficiary as Trustor's attorney-in-fact, with full authority, at Beneficiary's discretion, but only following the occurrence and during the continuation of a Default, to take any action and to execute any instrument which Beneficiary may, in accordance with the provisions of the Construction Loan Documents or this Construction Deed of Trust, require as necessary or advisable to accomplish the purposes of this Construction Deed of Trust.

8.2 First Lien. Trustor warrants that this Construction Deed of Trust is a valid first lien upon Trustor's interest in the Mortgaged Property and agree that they shall maintain same as such and further discharge (or, (a) in the case of any construction lien, bond over after judgment, prior to any foreclosure sale, pending any appeal; or (b) in the case of any tax assessments, after any appeal or contest of such assessment or tax has been concluded and in any event prior to sale due to any delinquency) any lien or encumbrance which purports to take priority over the lien of this Construction Deed of Trust other than permitted encumbrances. In addition, Trustor will not, without the prior written consent of Beneficiary, mortgage or pledge the Mortgaged Property or any part thereof as security for any other loans obtained by Trustor or grant any lien or encumbrance other than the leasehold interests in the ordinary course of business and purchase money security interests for fixtures against the Mortgaged Property which is subordinate to the lien of this Construction Deed of Trust. If any such mortgage or pledge is entered into without the prior written consent of the Beneficiary, the entire indebtedness secured hereby, may, at the option of Beneficiary, be declared immediately due and payable without notice, unless otherwise provided herein. Failure by Beneficiary to grant such consent shall not be deemed unreasonable in the event that:

(a) The total amount of the indebtedness and/or obligations secured by liens and/or encumbrance subordinate to the Construction Deed of Trust (including the amount secured by the lien or encumbrance for which such consent is sought) equals or exceeds the then remaining unpaid indebtedness due under the Note;

(b) The total indebtedness or obligations secured by liens and/or encumbrances against said Property (including the amount secured by the lien or encumbrance for which such consent is sought) exceeds the then existing market value of said Property, as determined by Beneficiary; or

(c) In the estimation of Beneficiary, in its reasonable judgment, the annual payments due in connection with the lien or encumbrance for which consent is sought, together

with all other annual disbursements relative to said Property, exceed the annual receipts derived therefrom.

Subject to the foregoing, Trustor also shall pay any and all other obligations, liabilities or debts which become liens, security interest, or encumbrances upon or charges against the Mortgaged Property for any repairs or improvements that are now or may hereafter be made thereon, and shall not, without Beneficiary's prior written consent, permit any lien, security interest, encumbrance or charge of any kind to accrue and remain outstanding against the Mortgaged Property or any part thereof, or any improvements thereon, irrespective of whether such lien, security interest, encumbrance or charge is junior to the lien, security interest, encumbrance or charge of this Construction Deed of Trust. Notwithstanding the foregoing, if any personal property by way of additions, replacements or substitutions is hereafter purchased and installed, affixed or placed by Trustor on the Mortgaged Property under a security agreement the lien or title of which is superior to the lien created by this Construction Deed of Trust, all the right, title and interest of Trustor in and to any and all such personal property, together with the benefit of any deposits or payments made thereon by Trustor, shall nevertheless be and are hereby assigned to Beneficiary and are covered by the lien of this Construction Deed of Trust.

9. GENERAL PROVISIONS.

9.1 Absolute Nature of Rights and Obligations. All rights of Beneficiary and all obligations of Trustor hereunder shall be absolute and unconditional irrespective of: (a) any lack of validity or enforceability of any of the Secured Obligations or any other agreement or instrument relating thereto, including the Construction Loan Documents; (b) any change in the time, manner, or place of payment of, or in any other term of, any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from any of the Construction Loan Documents; (c) any exchange or release of, or the non-perfection of any security interest in, any other collateral, or any release, amendment, or waiver of, or consent to a departure from, any guaranty of all or any of the Secured Obligations; or (d) any other circumstances that might otherwise constitute a defense available to, or a discharge of, Trustor or any other third party pledgor or guarantor.

9.2 Termination of Construction Deed of Trust. Upon (a) the indefeasible payment in full of all of the Secured Obligations and the full and final termination of any commitment to extend financial accommodations under the Construction Loan Documents or (b) a sale of the Mortgaged Property and full payment of all of Trustor's financial obligations under the Construction Loan Documents, the obligations of Trustor arising hereunder shall automatically terminate. Upon any such termination, Beneficiary shall, at Trustor's expense, execute and deliver to Trustor such documents as Trustor shall reasonably request to evidence such termination.

9.3 Notices. All notices, demands, requests, and other communications required to be given to either party hereunder shall be in writing and shall be deemed given upon the first to occur of: (a) deposit thereof in a receptacle under the control of the United States Postal Service; (b) transmittal by electronic means to a receiver under the control of the party to whom notice is being given; or (c) actual receipt by the party to whom notice is being given, or an employee or agent thereof. For purposes hereof, the addresses of the parties are as set forth below or as may

otherwise be specified from time to time in a writing sent by one party to the other in accordance with the provisions of this subsection:

9.4 Request for Notice. Trustor specifically requests that a copy of any notice of default and a copy of any notice of sale under this Construction Deed of Trust be mailed to Trustor at the address for Trustor specified in Section 9.3.

9.5 Amendments, Waivers, and Consents. No amendment or waiver of any provision of this Construction Deed of Trust or consent to any departure by Trustor from the terms hereof, shall in any event be effective unless the same shall be in writing and signed by the parties hereto. Any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

9.6 No Waiver: Cumulative Nature of Remedies. No failure or delay on the part of Beneficiary in exercising any of its rights and remedies under this Construction Deed of Trust, any of the Construction Loan Documents, or otherwise with respect to any of the Secured Obligations shall operate as a waiver thereof; nor shall any single or partial exercise of any right under this Construction Deed of Trust, the Construction Loan Documents, or otherwise with respect to the Secured Obligations preclude any other or further exercise thereof or the exercise of any other right or remedies. The rights and remedies provided in this Construction Deed of Trust and otherwise with respect to the Secured Obligations are cumulative and not exclusive of any rights and remedies provided by law.

9.7 Guarantors Obligation. Trustor hereby irrevocably authorizes Beneficiary to apply any and all amounts received by Beneficiary in repayment of amounts due under the Construction Loan Documents first to amounts that are not guaranteed pursuant to the terms of any guaranty. Trustor hereby waives any and all rights it has or may have under Section 2822 of the California Civil Code which provides that if a guarantor is "liable upon only a portion of any obligation and the principal provides partial satisfaction of the obligation, the principal may designate the portion of the obligation that is to be satisfied."

9.8 Obligations at Trustor's Expense. All obligations of Trustor arising hereunder shall be performed by Trustor at Trustor's sole cost and expense.

9.9 Expenses; Documentary Taxes; Indemnification.

(a) Expenses. Trustor shall pay all reasonable out-of-pocket expenses of Trustee and Beneficiary, including fees and disbursements of counsel (including allocated costs for in-house legal services) in connection with the negotiation, preparation, and administration of this Construction Deed of Trust, any waiver, forbearance, or consent hereunder, any amendment hereof or any Default or alleged Default hereunder, any collection or other enforcement proceedings resulting from or arising in connection with any Event of Default, any refinancing or restructuring of the Secured Obligations in the nature of a "workout" (including in any proceeding under the Bankruptcy Code (or under any other similar law)), or any appellate proceeding involving this Construction Deed of Trust.

(b) Documentary Taxes. Trustor shall indemnify Trustee and Beneficiary against any transfer taxes, documentary taxes, assessments, or charges made by any governmental authority by reason of the execution and delivery of this Construction Deed of Trust or any other document executed in connection herewith.

(c) Indemnity. Trustor shall pay, defend, indemnify, and hold Beneficiary and its officers, directors, employees, counsel, agents, and attorneys-in-fact (each, an "Indemnified Person") harmless from and against all liabilities, obligations, losses (including any loss or impairment of the Secured Obligations), damages, penalties, actions, judgments, suits, costs, charges, expenses or disbursements (including attorneys' fees, costs, and expenses, including allocated costs for in-house legal services) of any kind or nature whatsoever with respect to: (i) any investigative, administrative, or judicial proceeding (including pre-trial discovery and any proceeding under the Bankruptcy Code (or under any similar law) and any appellate proceeding, whether or not such Indemnified Person shall be designated a party thereto, related to this Construction Deed of Trust or the transactions contemplated hereby which may be incurred by such Indemnified Person directly or indirectly; or (ii) the use, generation, manufacture, production, storage, release, threatened release, discharge, disposal or presence on, under or about Trustor's operations or property or property leased by Trustor of any Hazardous Substances; provided that no Indemnified Person shall have the right to be indemnified hereunder for its own gross negligence or willful misconduct. The obligations in this Section 9.9 shall survive the payment in full of all Secured Obligations and the termination of the Construction Loan Documents. At the election of any Indemnified Person, Trustor shall defend such Indemnified Person using legal counsel satisfactory to such Indemnified Person in such Person's sole discretion, at the sole cost and expense of Trustor. All amounts owing under this Section 9.9 shall be paid within thirty (30) calendar days after demand. Trustor's indemnification obligations contained herein shall not be limited in any manner by Trustor's date of acquisition or time of ownership of the Mortgaged Property or by the value of the Mortgaged Property. The obligations of Trustor and the rights of Beneficiary under this Section 9.9(c) are (A) in addition to and not in substitution of the obligations of Trustor and rights of Beneficiary under all applicable Environmental Laws, and (B) notwithstanding anything contained herein or in any other document or agreement which may be construed to the contrary: (i) shall not be subject to any anti-deficiency laws or protections; and (ii) shall not be discharged, impaired, or affected in any way by, and shall survive, a foreclosure or trustee's sale, judicial sale or deed, or other transaction in lieu of such sale hereunder.

9.10 Successors and Assigns. This Construction Deed of Trust shall: (a) be binding upon Trustor and its successors and assigns (as permitted by the Construction Loan Documents); (b) inure to the benefit of Beneficiary and its successors and assigns; and (c) inure to the benefit of Trustee and its successors. Without limiting the generality of the foregoing and subject to the provisions of the Construction Loan Documents, Beneficiary may assign or otherwise transfer all or any part of the Secured Obligations owed to it to any other Person.

9.11 Headings. Section and subsection headings in this Construction Deed of Trust are included herein for convenience of reference only and shall not constitute a part of this Construction Deed of Trust or be given any substantive effect.

9.12 Ambiguities. Neither this Construction Deed of Trust nor any uncertainty or ambiguity herein shall be construed or resolved using any presumption against either Trustor or Beneficiary, whether under any rule of construction or otherwise. On the contrary, this Construction Deed of Trust has been reviewed by each of Trustor and Beneficiary and their respective counsel. In case of any ambiguity or uncertainty, this Construction Deed of Trust shall be construed and interpreted according to the ordinary meaning of the words used to accomplish fairly the purposes and intentions of all parties hereto.

9.13 Severability. In case any provision in or obligation under this Construction Deed of Trust shall be invalid, illegal, or unenforceable in any jurisdiction, the validity, legality, and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. In addition, all agreements and covenants herein shall be given independent effect such that, if a particular action or condition is prohibited by the terms of any such agreement or covenant, the fact that such action or condition would be permitted by another agreement or covenant shall not be construed as allowing such action to be taken or condition to exist.

9.14 Counterparts. This Construction Deed of Trust may be executed in any number of identical counterparts, any set of which signed by all the parties hereto shall be deemed to constitute a complete, executed original for all purposes.

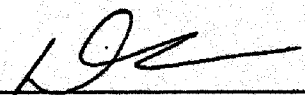

9.15 GOVERNING LAW. THIS CONSTRUCTION DEED OF TRUST, AND THE CONSTRUCTION, INTERPRETATION, AND ENFORCEMENT HEREOF, AND THE RIGHTS OF TRUSTOR, TRUSTEE, AND BENEFICIARY HERETO AND HEREUNDER SHALL BE DETERMINED UNDER, GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF CALIFORNIA.

This Construction Deed of Trust is effective as of the date first written above.

NOTICE OF DEFAULT AND ELECTION TO SELL UNDER DEED OF TRUST
IMPORTANT NOTICE

C
051

IF YOUR PROPERTY IS IN FORECLOSURE BECAUSE YOU ARE BEHIND IN YOUR PAYMENTS, IT MAY BE SOLD WITHOUT ANY COURT ACTION, and you may have the legal right to bring your account in good standing by paying all of your past due payments plus permitted costs and expenses within the time permitted by law for reinstatement of your account, which is normally five business days prior to the date set for the sale of your property. No sale date may be set until three months from the date this notice of default may be recorded (which date of recordation appears on this notice).

This amount is \$1,768,799.50 as of July 2, 2009, and will increase until your account becomes current.

While your property is in foreclosure, you still must pay other obligations (such as insurance and taxes) required by your note and deed of trust or mortgage. If you fail to make future payments on the loan, pay taxes on the property, provide insurance on the property, or pay other obligations as required in the note and deed of trust or mortgage, the beneficiary or mortgagee may insist that you do so in order to reinstate your account in good standing. In addition, the beneficiary or mortgagee may require as a condition to reinstatement that you provide reliable written evidence that you paid all senior liens, property taxes, and hazard insurance premiums.

Upon your written request, the beneficiary or mortgagee will give you a written itemization of the entire amount you must pay. You may not have to pay the entire unpaid portion of your account, even though full payment was demanded, but you must pay all amounts in default at the time payment is made. However, you and your beneficiary or mortgagee may mutually agree in writing prior to the time the notice of sale is posted (which may not be earlier than the end of the three-month period stated above) to, among other things, (1) provide additional time in which to cure the default by transfer of the property or otherwise; or (2) establish a schedule of payments in order to cure your default; or both (1) and (2).

Following the expiration of the time period referred to in the first paragraph of this notice, unless the obligation being foreclosed upon or a separate written agreement between you and your creditor permits a longer period, you have only the legal right to stop the sale of your property by paying the entire amount demanded by your creditor.

To find out the amount you must pay, or to arrange for payment to stop the foreclosure, or if your property is in foreclosure for any other reason, contact:

**Starr Finley LLP
c/o Fidelity National Title Company
135 Main St. Ste.1900
San Francisco, CA 94105
Phone: 415-247-2450
TS# 09-00537-4C**

If you have any questions, you should contact a lawyer or the governmental agency which may have insured your loan. Notwithstanding the fact that your property is in foreclosure, you may offer your property for sale, provided the sale is concluded prior to the conclusion of the foreclosure.

REMEMBER, YOU MAY LOSE LEGAL RIGHTS IF YOU DO NOT TAKE PROMPT ACTION.
