**SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Executive Office

SUBMITTAL DATE:
May 8, 2014

SUBJECT: Fiscal Year 2014-2015 Tax and Revenue Anticipation Notes. [\$512,585 interest]; 100% County General Fund (Vote on Separately)

RECOMMENDED MOTION: That the Board of Supervisors:

1. Approve and adopt Resolution 2014-122 authorizing and approving the borrowing of funds for fiscal year 2014-2015 and the issuance and sale of the Fiscal Year 2014-2015 Tax and Revenue Anticipation Notes.

BACKGROUND:

Summary

The County annually issues Tax and Revenue Anticipation Notes (TRANS) to provide needed cash to cover the projected cash flow deficits of the County General Fund during the fiscal year. The deficit occurs because the timing of tax collections does not match the County's on-going expenditure requirements.

The County staff recommends again issuing the Fiscal Year 2014-2015 TRANS as a standalone issuer without joining the CSAC pool. Also, as a cost saving measure, the County annually evaluates the option of prepaying its pension obligation. Board Policy B-25 (Pension Management Policy) directs the Pension Advisory Review Committee (PARC) to review and make a recommendation regarding the prepayment of the annual CalPERS contribution.

SUBMITTAL TO THE BOARD OF SUPERVISORS, COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

FORM 11: Fiscal Year 2014-2015 Tax and Revenue Anticipation Notes. [\$512,585 interest]; 100% County General Fund

DATE: May 8, 2014

PAGE: 2 of 2

BACKGROUND:

Summary (continued)

PARC recommended the prepayment of the CALPERS contribution for the last 8 years and recommends the prepayment of the FY14-15 payment, approximately \$86 million. The cash flow benefit will continue to be evaluated up to the pricing of the TRANS. If at the time of the pricing, there is insufficient savings, the prepayment will be removed from the TRANS.

The County's issuance cost for the TRANS will not exceed \$1.20/\$1,000 of issuance. It is anticipated that interest rates for the tax-exempt notes will be approximately 0.2% for a 12-month note.

This year's recommendation is to offer a single 12-month note. This will allow for greater investment potential. The need to combine internal borrowing (borrowing from reserves) with external borrowing (TRANS Note) will continue to be evaluated until the day of issuance of the TRANS, and will be dictated by a detailed cost/benefit analysis.

The FY 2014-15 resolution authorizes the issuance of tax and revenue anticipation notes in an amount not-to-exceed \$275,000,000, though the actual amount could be less. The authorization provides the flexibility to issue an additional series of notes in the event the County and State budgets change substantially. The resolution also appoints the law firm of Orrick, Herrington & Sutcliffe as bond counsel to the County.

The Debt Advisory Committee has recommended the FY 2014-15 TRANS for approval.

Impact on Citizens and Businesses

The borrowing will allow the County to run its daily business until tax revenues are received. This allows the County to provide continued services to the citizens and businesses.

2 RESOLUTION NO. 2014-122

3 RESOLUTION AUTHORIZING AND APPROVING THE BORROWING
4 OF FUNDS FOR FISCAL YEAR 2014-2015; THE ISSUANCE AND SALE
5 OF A 2014-2015 TAX AND REVENUE ANTICIPATION NOTE; AND THE
6 EXECUTION AND DELIVERY OF RELATED DOCUMENTS

7 WHEREAS, the County of Riverside (the "County") is authorized by Section
8 53850 to 53858, both inclusive, of the Government Code of the State of California (the "Act")
(being Article 7.6, Chapter 4, Part 1, Division 2, Title 5 of the Government Code) to borrow
9 money by the issuance of temporary notes;

10 WHEREAS, the Board of Supervisors of the County (the "Board") has
11 determined that a sum (the "Principal Amount") not to exceed a maximum principal amount of
12 \$275,000,000, is needed for the requirements of the County, to satisfy obligations of the County,
13 and that it is necessary that said Principal Amount be borrowed for such purpose at this time by
14 the issuance of a note or notes therefore in anticipation of the receipt of taxes, income, revenue,
15 cash receipts and other moneys to be received or accrued by the County for the general fund of
16 the County, and provided for or attributable to its fiscal year ending June 30, 2015 ("Repayment
17 Fiscal Year");

18 WHEREAS, the County hereby determines to borrow, for the purposes set forth
19 above, the Principal Amount by the issuance of the Note, as hereinafter defined;

20 WHEREAS, it appears, and this Board hereby finds and determines, that the
21 Principal Amount, when added to the interest payable thereon, does not exceed eighty-five
22 percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including, but
23 not limited to, revenue from the state and federal governments), cash receipts and other moneys
24 of the County provided for or attributable to the Repayment Fiscal Year, and available for the
25 payment of the principal of the Note and the interest thereon;

26 WHEREAS, no money has heretofore been borrowed by or on behalf of the
27 County through the issuance of tax and revenue anticipation notes or temporary notes in
28 anticipation of the receipt of, or payable from or secured by, taxes, income, revenue, cash receipts
or other moneys for the Repayment Fiscal Year;

WHEREAS, pursuant to Section 53856 of the Act, certain moneys which will be
received or accrued by the County and provided for or attributable to the Repayment Fiscal Year
can be pledged for the payment of the principal of the Note and the interest thereon (as hereinafter
provided);

WHEREAS, The Bank of New York Mellon Trust Company, N.A. has agreed to
act as paying agent (the "Paying Agent") with respect to the Note;

WHEREAS, the Underwriter appointed in Section 21 hereof, intends to submit an
offer to purchase the Note and has submitted a form of Note Purchase Agreement (the "Purchase

1 Agreement”) to the Board;

2 **WHEREAS**, a form of the Preliminary Official Statement describing the Note will
3 be distributed to potential purchasers of the Note by the Underwriter;

4 **WHEREAS**, this Board has been presented with the form of each document
5 hereinafter referred to relating to the Note, and the Board has examined and approved each
6 document and desires to authorize and direct the execution of such documents and the issuance of
7 the Note;

8 **WHEREAS**, the County has determined that it may be desirable to provide for the
9 issuance of an additional parity note (the “Parity Note”) during the Repayment Fiscal Year, the
10 principal and interest on which are secured by Pledged Revenues, hereinafter defined, on a parity
11 with the Note; and

12 **NOW, THEREFORE**, this Board hereby finds, determines, declares and resolves
13 as follows:

14 **Section 1. Recitals.** All the above recitals are true and correct.

15 **Section 2. Authorization of Issuance.** This Board hereby determines to borrow
16 solely for the purpose of anticipating taxes, income, revenue, cash receipts and other moneys to
17 be received or accrued by the County for the general fund of the County and provided for or
18 attributable to the Repayment Fiscal Year, by the issuance of a note or notes, pursuant to the
19 provisions of the Act, designated the County’s “2014 Tax and Revenue Anticipation Note,” with
20 an appropriate series designation if more than one note is issued (collectively, the “Note”), to be
21 issued in the form of a fully registered note or notes, in denominations of \$5,000 or integral
22 multiples thereof, in a combined amount not to exceed the Principal Amount, to be dated the date
23 of delivery to the initial purchaser thereof, to mature on a date or dates, if more than one note is
24 issued, with or without option of prior redemption at the election of the County, not more than 15
25 months thereafter on a date indicated on the face thereof and determined in the Purchase
26 Agreement (each such date, a “Maturity Date”), and to bear interest, payable on its Maturity Date
27 (and if the Maturity Date is more than 12 months from the date of issuance, payable on the
28 interim interest payment date set forth in the Purchase Agreement) and computed upon the basis
of a 360-day year consisting of twelve 30-day months, or a 365- or 366-day year, as the case may
be, and actual days elapsed, at a rate or rates, if more than one Note is issued, not to exceed 12%
per annum as determined in the Purchase Agreement and indicated on the face of the Note (the
“Note Rate”). If the Note is not fully paid at maturity, the unpaid portion thereof shall be deemed
outstanding and shall continue to bear interest thereafter until paid. In each case set forth in the
preceding two sentences, the obligation of the County with respect to such unpaid Note shall not
be a debt or liability of the County prohibited by Article XVI, Section 18 of the California
Constitution, and the County shall not be liable thereon except to the extent of any available
revenues provided for or attributable to the Repayment Fiscal Year, as provided in Section 7
hereof. Both the principal of and interest on the Note shall be payable in lawful money of the
United States of America.

Section 3. Form of Note. The Note shall be issued in fully registered form
without coupons and shall be substantially in the form and substance set forth in Exhibit A, as

1 attached hereto and by reference incorporated herein, the blanks in said form to be filled in with
2 appropriate words and figures as determined at closing.

3 **Section 4. Sale of Note; Purchase Agreement; Continuing Disclosure.** The
4 form of the Purchase Agreement presented to this meeting is hereby approved. The County
5 Executive Officer, or in the absence of such officer, his or her assistant, the County Treasurer-Tax
6 Collector, or in the absence of such officer, his or her assistant, and the Auditor-Controller, or in
7 the absence of such officer, his or her assistant (each a "County Officer") are each hereby
8 individually authorized and directed to execute and deliver such Purchase Agreement in
9 substantially said form, with such changes thereto as such County Officer shall approve, such
approval to be conclusively evidenced by his or her execution and delivery thereof; *provided,*
however, that the interest rate on the Note shall not exceed 12% per annum, and that the
Underwriter's discount on the Note shall not exceed 0.05% of the Principal Amount actually
issued. Delivery of an executed copy of the Purchase Agreement by fax or telecopy shall be
deemed effective upon execution and delivery for all purposes.

10 The form of instrument, entitled "Continuing Disclosure Certificate," to be dated
11 as of its date of execution, in substantially the form presented to this meeting, is hereby approved.
12 Any County Officer is authorized and directed to execute and deliver on behalf of the County an
13 instrument in substantially said form, with such changes therein as such officer executing such
instrument may require or approve, such approval to be conclusively evidenced by the execution
and delivery thereof.

14 **Section 5. Official Statement.** The proposed form of preliminary official
15 statement (the "Preliminary Official Statement") relating to the Note, in substantially the form
16 presented to this meeting, is hereby approved with such changes, additions, completion and
17 corrections as any County Officer may approve, and the Underwriter is hereby authorized and
18 directed to cause to be distributed to prospective bidders the Preliminary Official Statement in
19 connection with the offering and sale of the Note. Such Preliminary Official Statement, together
20 with any supplements thereto, shall be in form "deemed final" by the County for purposes of Rule
21 15c2-12, promulgated by the Securities and Exchange Commission (the "Rule"), unless otherwise
22 exempt, but is subject to revision, amendment and completion in a final official statement (the
23 "Official Statement"). The Official Statement in substantially said form is hereby authorized and
approved, with such changes therein as any County Officer may approve. The County Officer is
hereby authorized and directed, at or after the time of the sale of the Note, for and in the name
and on behalf of the County, to execute a final Official Statement in substantially the form of the
Preliminary Official Statement presented to this meeting, with such additions thereto or changes
therein as the County Officer may approve, such approval to be conclusively evidenced by the
execution and delivery thereof.

24 Any one of the County Officers is hereby authorized and directed to provide the
25 Financial Advisor or the Underwriter with such information relating to the County as they shall
26 reasonably request for inclusion in the Preliminary Official Statement and Official Statement of
27 the County. Upon inclusion of the information relating to the County therein, the Preliminary
28 Official Statement is, except for certain omissions permitted by the Rule, hereby deemed final
within the meaning of the Rule. If, at any time prior to the end of the underwriting period, as
defined in the Rule, any event occurs as a result of which the information contained in the
Preliminary Official Statement might include an untrue statement of a material fact or omit to

1 state any material fact necessary to make the statements therein, in light of the circumstances
2 under which they were made, not misleading, the County shall promptly notify the Underwriter
and the Financial Advisor.

3 **Section 6. Disposition of Proceeds of Note; Investment.** The moneys received
4 from the sale of the Note shall be deposited in the County's "2014 Note Proceeds Account"
5 (herein called the "Proceeds Account") which Proceeds Account is hereby established and
6 maintained with the County Treasurer-Tax Collector. The moneys received from the sale of the
Note deposited in the County's Proceeds Account may be used and expended by the County for
any purpose for which it is authorized to expend funds.

7 All moneys in the Proceeds Account shall be invested in Permitted Investments (as
8 hereinafter defined), and the proceeds of such investments shall be retained in the Proceeds
Account.

9 "Permitted Investments" means any of the following to the extent then permitted

18 proportionate interests in future interest and principal payments on obligations described
above held by a bank or trust company as custodian, under which the owner of the

17 **Section 7. Source of Payment; Parity Note.** The principal amount of the Note,
18 together with the interest thereon, shall be payable from taxes, income, revenue (including, but
19 not limited to, revenue from the state and federal governments), cash receipts and other moneys
20 which are accrued, received or held by the County for the general fund of the County and are
21 provided for or attributable to the Repayment Fiscal Year and which are available for payment of
22 current expenses and other obligations of the County ("Unrestricted Revenues"). As security for
23 the payment of the principal of and interest on the Note, the County hereby pledges all
24 Unrestricted Revenues (the "Pledged Revenues"); and the principal of the Note and the interest
25 thereon shall constitute a first lien and charge thereon and shall be payable from the moneys
26 received by the County from such Pledged Revenues and, to the extent not so paid, shall be paid
27 from any other taxes, income, revenue, cash receipts and other moneys of the County lawfully
28 available therefor (all as provided for in Sections 53856 and 53857 of the Act). Anything herein
to the contrary notwithstanding, Unrestricted Revenues pledged to the payment of the Note as
Pledged Revenues shall not include any amounts heretofore pledged by the County to the
payment of County of Riverside Teeter Plan obligations issued pursuant to Resolution No. 97-
203, as such resolution may be amended and supplemented from time to time. The County may
incur indebtedness secured by a pledge of its Pledged Revenues subordinate to the pledge of
Pledged Revenues hereunder and may issue subordinate tax and revenue anticipation notes.

23 In order to effect the pledge referenced in the preceding paragraph, the County
24 hereby agrees to the establishment and maintenance of a "2014 Note Payment Account" (herein
25 called the "Payment Account") by the Paying Agent as the responsible agent to maintain such an
26 account until the payment of the principal of the Note and the interest thereon, and the County
27 further agrees to cause to be deposited in the Payment Account from amounts received in the
28 months specified in the Purchase Agreement as Repayment Months (each individual month a
"Repayment Month" and collectively "Repayment Months") (and any amounts received
thereafter provided for or attributable to the Repayment Fiscal Year) until the amount on deposit
in the Payment Account, is equal in the respective Repayment Months identified in the Purchase
Agreement to the percentage of the principal and interest due on the Note specified in the

1 Purchase Agreement. Any such deposit may take into consideration anticipated investment
2 earnings on amounts deposited in an Investment Agreement that is a Permitted Investment
through the Maturity Date.

3 Any County Officer is hereby authorized to approve the determination of the
4 Repayment Months and percentages of the principal and interest due on the Note required to be
5 on deposit in the Payment Account in each Repayment Month, all as specified in the Purchase
6 Agreement, by executing and delivering the Purchase Agreement, such execution and delivery to
7 be conclusive evidence of approval by this Board and such County Officer. In the event on the
8 day in each such Repayment Month that a deposit to the Payment Account is required to be made,
9 the County has not received sufficient Unrestricted Revenues to permit the deposit into the
10 Payment Account of the full amount of Pledged Revenues to be deposited in the Payment
11 Account from said Unrestricted Revenues in said month, then the amount of any deficiency shall
12 be satisfied and made up from any other moneys of the County lawfully available for the payment
13 of the principal of the Note and the interest thereon, as and when such other moneys are received
14 or are otherwise legally available.

15 Any moneys placed in the Payment Account shall be for the benefit of the holders
16 of the Note. The moneys in the Payment Account shall be applied only for the purposes for
17 which the Payment Account is created until the principal of the Note and all interest thereon are
18 paid or until provision has been made for such payment.

19 In the event that moneys in the Payment Account are insufficient to pay the
20 principal of and interest on the Note in full when due, such moneys shall be applied in the
21 following priority: first, to pay interest on the Note; and second, to pay principal of the Note.
22 Any moneys remaining in or accruing to the Payment Account after the principal of the Note and
23 the interest thereon have been paid, or provision for such payment has been made, shall be
24 transferred to the general fund of the County.

25 Moneys in the Payment Account shall be invested in Permitted Investments and
26 any such investment shall be for the account and risk of the County. The County shall not be
27 deemed to be relieved of any of its obligations with respect to the Note by reason of such
28 investment of the moneys in its Payment Account.

Anything herein to the contrary notwithstanding, the County may at any time
during the Repayment Fiscal Year issue a Parity Note secured by a first lien and charge on
Pledged Revenues on a parity with the Note; provided that (i) the issuance of any such Parity
Note shall not, in and of itself, reduce or impair the rating on the Note, (ii) the maturity date of
any such Parity Note shall be later than the outstanding Note and (iii) the Note and Parity Note
shall have the same paying agent. In the event that the County issues a Parity Note, the County
shall make appropriate deposits into the Payment Account with respect to such Parity Note, and
in such event, the Payment Account shall also be held for the benefit of the holders of the Parity
Note.

Section 8. Execution of Note. Any one of the County Officers or any other
officer designated by the Board shall be authorized to execute the Note by manual or facsimile
signature, and the Clerk of the Board of the County or any duly appointed deputy or assistant
thereto shall be authorized to countersign the Note by manual or facsimile signature. Said

1 officers of the County are hereby authorized to cause the blank spaces of the Note to be filled in
2 as may be appropriate pursuant to the Purchase Agreement. In case any officer whose signature
3 shall appear on any Note shall cease to be such officer before the delivery of such Note, such
4 signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had
5 remained in office until delivery. The Note need not bear the seal of the County, if any.

6 **Section 9. Use of Depository; Registration, Exchange and Transfer.**

7 (A) The Depository Trust Company, New York, New York ("DTC"), is hereby
8 appointed depository for the Note. DTC shall perform such function pursuant to the Blanket
9 Issuer Letter of Representations on file with DTC (the "Letter of Representation"). The Note
10 shall be initially issued and registered in the name of "Cede & Co.," as nominee of DTC and shall
11 be evidenced by a single Note for each series. Registered ownership of each Note, or any portion
12 thereof, may not thereafter be transferred except as set forth in Section 9(B).

13 (B) The Note shall be initially issued and registered as provided in Section 9(A)
14 hereof. Registered ownership of the Note, or any portions thereof, may not thereafter be
15 transferred except:

16 (i) to any successor of Cede & Co., as nominee of DTC, or its
17 nominee, or of any substitute depository designated pursuant to clause (ii) of this
18 subsection (B) ("Substitute Depository"); provided, that, any successor of Cede &
19 Co., as nominee of DTC or Substitute Depository, shall be qualified under any
20 applicable laws to provide the service proposed to be provided by it;

21 (ii) to any Substitute Depository not objected to by the County
22 Officer, upon (1) the resignation of DTC or its successor (or any Substitute
23 Depository or its successor) from its functions as depository, or (2) a determination
24 by the County Officer to substitute another depository for DTC (or its successor)
25 because DTC (or its successor) is no longer able to carry out its functions as
26 depository; provided, that, any such Substitute Depository shall be qualified under
27 any applicable laws to provide the services proposed to be provided by it; or

28 (iii) to any person as provided below, upon (1) the resignation of
DTC or its successor (or any Substitute Depository or its successor) from its
functions as depository, or (2) a determination by the County Officer to
discontinue using DTC or a depository.

(C) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection
(B) of this Section 9, upon receipt of the outstanding Note of each series by the Paying Agent
(together with a written request of the County Officer to the Paying Agent designating the
Substitute Depository), a single new Note of each series, which the County shall prepare or cause
to be prepared, shall be executed and delivered, authenticated by the Paying Agent, and registered
in the name of any such successor to Cede & Co. or such Substitute Depository, or their
respective nominees, as the case may be, all as specified in the written request of the County
Officer. In the case of any transfer pursuant to clause (iii) of Subsection (B) of this Section 9
upon receipt of the outstanding Note of a series by the Paying Agent (together with a written
request of the County Officer to such Paying Agent), a new Note, which the County shall prepare
or cause to be prepared, shall be executed by the County and authenticated by the Paying Agent

1 and delivered in such denominations and registered in the names of such persons as specified by
2 the County Officer in such written request, subject to the limitations of this Section 9, provided,
that, the Paying Agent shall deliver such new Note as soon as practicable.

3 (D) The County and the Paying Agent shall be entitled to treat the person in
4 whose name any Note is registered as the owner thereof for all purposes of this Resolution and for
5 purposes of payment of principal of and interest on such Note, notwithstanding any notice to the
6 contrary received by the Paying Agent or the County; and the County and the Paying Agent shall
7 not have responsibility for transmitting payments to, communicating with, notifying, or otherwise
8 dealing with any beneficial owners of the Note while DTC or its successor is the registered
owner. Neither the County nor the Paying Agent shall have any responsibility or obligation, legal
9 or otherwise, to any such beneficial owners or to any other party, including DTC or its successor
(or Substitute Depository or its successor), except to the registered owner of any Note, and the
Paying Agent may rely conclusively on its records as to the identity of the owners of the Note.

10 (E) Notwithstanding any other provision of this Resolution and so long as the
11 outstanding Note is registered in the name of Cede & Co. or its registered assigns, the County and
12 the Paying Agent shall cooperate with Cede & Co. or its registered assigns, as sole registered
13 owner, in effecting payment of the principal of and interest on the Note by arranging for payment
14 in such manner that funds for such payments are properly identified and are made available on the
date they are due all in accordance with the Letter of Representations, the provisions of which the
Paying Agent may rely upon to implement the foregoing procedures notwithstanding any
inconsistent provisions herein.

15 (F) In the case of any transfer pursuant to clause (iii) of subsection (B) of this
16 Section, any Note may, in accordance with its terms, be transferred or exchanged for a like
17 aggregate principal amount in authorized denominations, upon the books required to be kept by
18 the Paying Agent pursuant to the provisions hereof, by the person in whose name it is registered,
in person or by his duly authorized attorney, upon surrender of such Note for cancellation, and, in
the case of a transfer, accompanied by delivery of a written instrument of transfer, duly executed
and in form approved by the Paying Agent.

19 Whenever any Note shall be surrendered for transfer or exchange, the County shall
20 execute and the Paying Agent shall authenticate and deliver a new Note of authorized
21 denominations of the same series, for a like aggregate principal amount of the same interest rate.
The Paying Agent shall require the owner requesting such transfer or exchange to pay any tax or
22 other governmental charge required to be paid with respect to such transfer or exchange.

23 (G) The Paying Agent will keep or cause to be kept sufficient books for the
24 registration and transfer of the Note of each series, which shall at all times be open to inspection
25 by the County. Upon presentation for such purpose, the Paying Agent shall, under such
reasonable regulations as it may prescribe, register or transfer or cause to be registered or
transferred, on such books, the Note as hereinbefore provided.

26 (H) If any Note shall become mutilated, the County, at the expense of the owner
27 of such Note, shall execute, and the Paying Agent shall thereupon authenticate and deliver a new
28 Note of like series, tenor, interest rate and number in exchange and substitution for the Note so
mutilated, but only upon surrender to the Paying Agent of the Note so mutilated. Every mutilated

1 Note so surrendered to the Paying Agent shall be cancelled by it and delivered to, or upon the
2 order of, the County. If any Note shall be lost, destroyed or stolen, evidence of such loss,
3 destruction or theft may be submitted to the County and the Paying Agent and, if such evidence
4 be satisfactory to both and indemnity satisfactory to them shall be given, the County, at the
5 expense of the owner, shall execute, and the Paying Agent shall thereupon authenticate, if
6 required, and deliver a new Note of like series, interest rate, tenor and number in lieu of and in
7 substitution for the Note so lost, destroyed or stolen (or if any such Note shall have matured or
8 shall be about to mature, instead of issuing a substitute Note, the Paying Agent may pay the same
9 without surrender thereof). The Paying Agent may require payment by the registered owner of a
10 Note of a sum not exceeding the actual cost of preparing each new Note issued pursuant to this
11 paragraph and of the expenses which may be incurred by the County and the Paying Agent. Any
12 Note issued under these provisions in lieu of any Note alleged to be lost, destroyed or stolen shall
13 constitute an original additional contractual obligation on the part of the County whether or not
14 the Note so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall
15 be entitled to the benefits of this Resolution with the Note of any other series secured by this.

16 The Note of any series surrendered for payment or registration of transfer, if
17 surrendered to any person other than the Paying Agent, shall be delivered to the Paying Agent and
18 shall be promptly cancelled by it. The County may at any time deliver to the Paying Agent for
19 cancellation any Note previously authenticated and delivered hereunder which the County may
20 have acquired in any manner whatsoever, and any Note so delivered shall promptly be cancelled
21 by the Paying Agent. No Note shall be authenticated in lieu of or in exchange for any Note
22 cancelled as provided herein, except as expressly permitted hereunder. The cancelled Note of any
23 series held by the Paying Agent shall be disposed of as directed by the County.

24 **Section 10. Representations and Covenants of the County.** The County makes
25 the following representations and covenants for the benefit of the holder of the Note:

26 (A) The County is duly organized and existing under and by virtue of the laws
27 of the State of California and has all necessary power and authority (i) to adopt this Resolution
28 and perform its obligations thereunder, (ii) to enter into and perform its obligations under the
Purchase Agreement, and (iii) to issue the Note and perform its obligations thereunder.

(B) Upon the issuance of the Note, the County shall have taken all action
required to be taken by it to authorize the issuance and delivery of the Note and the performance
of its obligations thereunder, and the County has full legal right, power and authority to issue and
deliver the Note.

(C) The issuance of the Note, the adoption of the Resolution and the execution
and delivery of the Purchase Agreement, and compliance with the provisions hereof and thereof
will not conflict with or violate any law, administrative regulation, court decree, resolution,
charter, by-laws or other agreement to which the County is subject or by which it is bound.

(D) Except as may be required under blue sky or other securities laws of any
state or Section 3(a)(2) of the Securities Act of 1933, there is no consent, approval, authorization
or other order of, or filing with, or certification by, any regulatory authority having jurisdiction
over the County required for the issuance and sale of the Note or the consummation by the

1 County of the other transactions contemplated by this Resolution, except those the County shall
2 obtain or perform prior to or upon the issuance of the Note.

3 (E) Prior to the issuance of the Note, the County has duly, regularly and
4 properly adopted a preliminary budget for the Repayment Fiscal Year setting forth expected
5 revenues and expenditures and has complied with all statutory and regulatory requirements with
6 respect to the adoption of such budget. The County hereby covenants that it shall (i) duly,
7 regularly and properly prepare and adopt its final budget for the Repayment Fiscal Year,
8 (ii) provide to the Financial Advisor and the Underwriter, promptly upon adoption, copies of such
9 final budget and of any subsequent revisions, modifications or amendments thereto and
10 (iii) comply with all applicable laws pertaining to its budget.

11 (F) The County (i) has not defaulted within the past twenty (20) years, and is
12 not currently in default, on any debt obligation and (ii), to the best knowledge of the County, has
13 never defaulted on any debt obligation.

14 (G) The County's most recent audited financial statements present fairly the
15 financial condition of the County as of the date thereof and the results of operation for the period
16 covered thereby. Except as has been disclosed to the Financial Advisor and the Underwriter and
17 in the Preliminary Official Statement and to be set forth in the final Official Statement, there has
18 been no change in the financial condition of the County since the date of such audited financial
19 statements that will in the reasonable opinion of the County materially impair its ability to
20 perform its obligations under this Resolution and the Note. The County agrees to furnish to the
21 Financial Advisor and the Underwriter promptly, from time to time, such information regarding
22 the operations, financial condition and property of the County as such party may reasonably
23 request.

24 (H) There is no action, suit, proceeding, inquiry or investigation, at law or in
25 equity, before or by any court, arbitrator, governmental or other board, body or official, pending
26 or, to the best knowledge of the County, threatened against or affecting the County questioning
27 the validity of any proceeding taken or to be taken by the County in connection with the Note, the
28 Purchase Agreement or this Resolution, or seeking to prohibit, restrain or enjoin the execution,
delivery or performance by the County of any of the foregoing, or wherein an unfavorable
decision, ruling or finding would have a materially adverse effect on the County's financial
condition or results of operations or on the ability of the County to conduct its activities as
presently conducted or as proposed or contemplated to be conducted, or would materially
adversely affect the validity or enforceability of, or the authority or ability of the County to
perform its obligations under, the Note, the Purchase Agreement or this Resolution.

(I) Upon issuance of the Note and execution of the Purchase Agreement, this
Resolution, the Purchase Agreement and the Note will constitute legal, valid and binding
agreements of the County, enforceable in accordance with their respective terms, except as such
enforceability may be limited by bankruptcy or other laws affecting creditors' rights generally,
the application of equitable principles if equitable remedies are sought, the exercise of judicial
discretion in appropriate cases and the limitations on legal remedies against local agencies, as
applicable, in the State of California.

1 (J) The County and its appropriate officials have duly taken, or will take, all
2 proceedings necessary to be taken by them, if any, for the levy, receipt, collection and
3 enforcement of the Pledged Revenues in accordance with law for carrying out the provisions of
4 this Resolution and the Note.

5 (K) Except for Parity Notes, if any, permitted to be executed and delivered
6 pursuant to Section 7 hereof, the County shall not incur any indebtedness secured by a pledge of
7 its Pledged Revenues unless such pledge is subordinate in all respects to the pledge of Pledged
8 Revenues hereunder.

9 (L) The information contained in the Official Statement (excluding the
10 statements and information under the heading "UNDERWRITING" and under "THE NOTES—
11 Book-Entry Only System"), as of the time of delivery thereof to the Underwriter and at all times
12 subsequent thereto up to and including the closing, will be true, complete, correct and final in all
13 material respects and will not contain any untrue statement of a material fact or omit to state a
14 material fact necessary to make the statements therein, in the light of the circumstances under
15 which they were made, not misleading.

16 (M) The County hereby covenants and agrees that it will comply with and carry
17 out all of the provisions of the Continuing Disclosure Certificate consistent with the requirements
18 of the Rule.

19 **Section 11. Tax Covenants.** The County will not take any action or fail to take
20 any action if such action or failure to take such action would adversely affect the exclusion from
21 gross income of the interest payable on the Note under Section 103 of the Internal Revenue Code
22 of 1986, as amended (the "Code"). Without limiting the generality of the foregoing, the County
23 will not make any use of the proceeds of the Note or any other funds of the County which would
24 cause the Note to be an "arbitrage bond" within the meaning of Section 148 of the Code, a
25 "private activity bond" within the meaning of Section 141(a) of the Code, or an obligation the
26 interest on which is subject to federal income taxation because it is "federally guaranteed" as
27 provided in Section 149(b) of the Code. The County, with respect to the proceeds of the Note,
28 will comply with all requirements of such sections of the Code and all regulations of the United
States Department of the Treasury issued or applicable thereunder to the extent that such
requirements are, at the time, applicable and in effect.

The County hereby covenants that the County will take all legally permissible
steps necessary to ensure that all of the gross proceeds of the Note will be expended no later than
the day that is six months after the date of issuance of the Note so as to satisfy the requirements of
Section 148(f)(4)(B) of the Code.

Notwithstanding any other provision of this Resolution to the contrary, upon the
County's failure to observe, or refusal to comply with, the covenants contained in this Section 11,
no one other than the holders or former holders of the Note, and their legal representatives, shall
be entitled to exercise any right or remedy under this Resolution on the basis of the County's
failure to observe, or refusal to comply with, such covenants.

The covenants contained in this Section 11 shall survive the payment of the Note.

Section 12. Events of Default and Remedies.

1 If any of the following events occur, it is hereby defined as and declared to be and
2 to constitute an "Event of Default":

3 (a) Failure by the County to make or cause to be made the transfers and
4 deposits to the Payment Account, or any other payment required to be paid
5 hereunder, including payment of principal and interest on the Note, on or before
6 the date on which such transfer, deposit or other payment is due and payable;

7 (b) Failure by the County to observe and perform any covenant,
8 condition or agreement (other than failure to make a payment or transfer as
9 provided in subsection (a) of this Section) on its part to be observed or performed
10 under this Resolution, for a period of fifteen (15) days after written notice,
11 specifying such failure and requesting that it be remedied, is given to the County
12 by the holders of not less than 10% in aggregate principal amount of the Note,
13 unless such holders shall agree in writing to an extension of such time prior to its
14 expiration;

15 (c) Any warranty, representation or other statement by or on behalf of
16 the County contained in this Resolution or the Purchase Agreement or in any
17 requisition or any financial report delivered by the County or in any instrument
18 furnished in compliance with or in reference to this Resolution or the Purchase
19 Agreement or in connection with the Note, is false or misleading in any material
20 respect;

21 (d) A petition is filed against the County under any bankruptcy,
22 reorganization, arrangement, insolvency, readjustment of debt, dissolution or
23 liquidation law of any jurisdiction, whether now or hereafter in effect and is not
24 dismissed within 30 days after such filing, but the holders of the Note shall have
25 the right to intervene in the proceedings prior to the expiration of such 30 days to
26 protect their interests;

27 (e) The County files a petition in voluntary bankruptcy or seeking
28 relief under any provision of any bankruptcy, reorganization, arrangement,
insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction,
whether now or hereafter in effect, or consents to the filing of any petition against
it under such law; or

(f) The County admits insolvency or bankruptcy or is generally not
paying its debts as such debts become due, or becomes insolvent or bankrupt or
makes an assignment for the benefit of creditors, or a custodian (including without
limitation a receiver, liquidator or trustee) of the County or any of its property is
appointed by court order or takes possession thereof and such order remains in
effect or such possession continues for more than 30 days, but the holders of the
Note shall have the right to intervene in the proceedings prior to the expiration of
such 30 days to protect their interests;

Whenever any Event of Default referred to in this Section 12 shall have happened
and be continuing, the holders of the Note and any adversely affected former holders of the Note,
and their legal representatives, shall, in addition to any other remedies provided herein, have the

1 right, at their option without any further demand or notice, to take one or any combination of the
2 following remedial steps:

3 (a) Without declaring the Note to be immediately due and payable,
4 require the County to pay to the Paying Agent on behalf of the holders of the Note,
5 an amount equal to the principal of the Note and interest thereon to maturity, plus
6 all other amounts due hereunder, and upon notice to the County the same shall
7 become immediately due and payable by the County without further notice or
8 demand; and

9 (b) Take whatever other action at law or in equity (except for
10 acceleration of payment on the Note) which may appear necessary or desirable to
11 collect the amounts then due and thereafter to become due hereunder or to enforce
12 any other of its rights hereunder.

13 **Section 13. Application of Amounts After Default.** Notwithstanding anything
14 to the contrary contained herein, after a default by the County, all funds and accounts held by the
15 Paying Agent and all payments received by the Paying Agent with respect to the Note after an
16 Event of Default by the County pursuant to Section 12 hereof, and all damages or other payments
17 received by the Paying Agent for the enforcement of any rights and powers of the Paying Agent
18 under Section 12, shall be deposited into the Payment Account and as soon as practicable
19 thereafter applied to the payment of all amounts then due as interest on the Note and any Parity
20 Note, and thereafter to the payment of all amounts due as principal on the Note and any Parity
21 Note, ratably without preference or priority of any kind, according to the amounts due and
22 payable with respect to such Note and Parity Note.

23 **Section 14. Paying Agent.** The Bank of New York Mellon Trust Company, N.A.
24 is hereby appointed as paying agent and registrar for the Note. The County hereby directs and
25 authorizes the payment by the Paying Agent of the interest on and principal of the Note when
26 such become due and payable, from the Payment Account held by the Paying Agent in the name
27 of the County in the manner set forth herein. The County hereby covenants to deposit funds in
28 such account at the time and in the amount specified herein to provide sufficient moneys to pay
the principal of and interest on the Note on the day on which it matures. Payment of the Note
shall be in accordance with the terms of the Note and this Resolution.

29 **Section 15. Approval of Actions.** All actions heretofore taken by the officers
30 and agents of the County or this Board with respect to the sale and issuance of the Note are
31 hereby approved, confirmed and ratified, and the County Officers and agents of the County are
32 hereby authorized and directed, for and in the name and on behalf of the County, to do any and all
33 things and take any and all actions and execute any and all certificates, agreements and other
34 documents which they, or any of them, may deem necessary or advisable in order to consummate
35 the lawful issuance and delivery of the Note in accordance with, and related transactions
36 contemplated by, this Resolution.

37 **Section 16. Proceedings Constitute Contract.** The provisions of the Note and
38 of this Resolution shall constitute a contract between the County and the registered holders of the
Note and such provisions shall be enforceable by mandamus or any other appropriate suit, action
or proceeding at law or in equity in any court of competent jurisdiction, and shall be irrevocable.

1 **Section 17. Limited Liability.** Notwithstanding anything to the contrary
2 contained herein or in the Note or in any other document mentioned herein or related to the Note,
3 the County shall not have any liability hereunder or by reason hereof or in connection with the
4 transactions contemplated hereby except to the extent payable from moneys available therefor as
5 set forth in Section 7 hereof.

6 **Section 18. Amendments.** At any time or from time to time, the County may
7 adopt one or more Supplemental Resolutions without the necessity for consent of the owner of the
8 Note for any one or more of the following purposes:

9 (a) to add to the covenants and agreements of the County in this
10 Resolution, other covenants and agreements to be observed by the County which
11 are not contrary to or inconsistent with this Resolution as theretofore in effect;

12 (b) to add to the limitations and restrictions in this Resolution, other
13 limitations and restrictions to be observed by the County which are not contrary to
14 or inconsistent with this Resolution as theretofore in effect;

15 (c) to confirm, as further assurance, any pledge under, and the
16 subjection to any lien or pledge created or to be created by, this Resolution, of any
17 monies, securities or funds, or to establish any additional funds or accounts to be
18 held under this Resolution;

19 (d) to cure any ambiguity, supply any omission, or cure or correct any
20 defect or inconsistent provision in this Resolution; or

21 (e) to amend or supplement this Resolution in any other respect;

22 provided, however, that any such Supplemental Resolution does not adversely affect the interests
23 of the holders of the Note.

24 Any modifications or amendment of this Resolution and of the rights and
25 obligations of the County and of the holders of the Note may be made by a Supplemental
26 Resolution, with the written consent of the holders of at least a majority in principal amount of
27 the Note outstanding at the time such consent is given; *provided, however,* that if such
28 modification or amendment will, by its terms, not take effect so long as the Note remains
outstanding, the consent of the holders of such Note shall not be required. No such modification
or amendment shall permit a change in the maturity of the Note or a reduction of the principal
amount thereof or an extension of the time of any payment thereon or a reduction of the rate of
interest thereon, or a change in the date or amounts of the pledge set forth in this Resolution,
without the consent of the holders of such Note, or shall reduce the percentage of the Note, the
consent of the holders of which is required to effect any such modification or amendment, or shall
change or modify any of the rights or obligations of the Paying Agent without its written assent
thereto.

Section 19. Severability. In the event any provision of this Resolution shall be
held invalid or unenforceable by any court of competent jurisdiction, such holding shall not
invalidate or render unenforceable any other provision hereof.

1 **Section 20. Appointment of Bond Counsel and Disclosure Counsel.** The
2 County approves and consents to the appointment of the law firm of Orrick, Herrington &
3 Sutcliffe LLP, Los Angeles, California as Bond Counsel for the Note. The County acknowledges
4 that Bond Counsel regularly performs legal services for many private and public entities in
5 connection with a wide variety of matters, and that Bond Counsel has represented, is representing
6 or may in the future represent other public entities, underwriters, trustees, rating agencies,
7 insurers, credit enhancement providers, lenders, financial and other consultants who may have a
8 role or interest in the proposed financing or that may be involved with or adverse to County in
9 this or some other matter. Given the special, limited role of Bond Counsel described above, the
10 County acknowledges that no conflict of interest exists or would exist, waives any conflict of
11 interest that might appear to exist, and consents to any and all such relationships.

12 The County approves and consents to the appointment of the law firm of Kutak
13 Rock LLP, Los Angeles, California as Disclosure Counsel for the Note.

14 **Section 21. Appointment of Financial Advisor and Underwriter.** The County
15 approves the appointment of Fieldman, Rolapp & Associates as financial advisor for the County
16 for the Note (the "Financial Advisor") pursuant to its existing contract to provide financial
17 advisory services for the County.

18 The County approves and consents to the appointment of J.P. Morgan Securities
19 LLC, as senior manager, together with Wells Fargo Securities, as co-manager, (collectively, the
20 "Underwriter") for the Note.

21 **Section 22. Effective Date.** This Resolution shall take effect from and after its
22 date of adoption.

(e) The adoption of the Resolution and the execution and delivery of this Purchase Contract, and compliance with the provisions hereof and thereof, will not in any material respect conflict with, or constitute a breach of or default under, the County's duties under the Resolution or any law, administrative regulation, court decree, resolution, by-laws or other agreement to which the County is subject or by which it or any of its property is bound.

(f) Except as otherwise disclosed in the Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before any State court or public body, pending or, to the knowledge of the County, threatened against the County: (i) in any way affecting the existence of the County or in any way challenging the respective powers of

If between the date of the Official Statement and the Closing (i) any event shall occur or any pre-existing fact or condition shall become known which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the County shall promptly notify the Underwriters thereof, and (ii) if in the reasonable opinion of the Underwriters and the County, such event, fact or condition requires the preparation and publication of a supplement or amendment to the Official Statement, the County will at its expense supplement or amend the Official Statement in a form and in a manner jointly approved by the Underwriters and the County, which approval shall not be unreasonably withheld.

The Underwriters hereby agree to use their best efforts to deposit the Official Statement with the MSRB so that such period will be reduced to twenty-five (25) days following the end of the underwriting period. Unless otherwise notified in writing by the Underwriters, the County may assume that the end of this underwriting period occurs on the date when the County delivers the Notes to the Underwriters.

(l) The County will punctually pay or cause to be paid the principal of and interest to become due on the Notes in strict conformity with the terms of the Resolution and the Notes and it will faithfully observe and perform all of the conditions, covenants and requirements of the Notes and the Documents.

(m) The County will furnish such information, execute such instruments and take such other action in cooperation with the Underwriters if and as the Underwriters may reasonably request in order (i) to qualify the Notes for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriters may designate and (ii) to determine the eligibility of the Notes for investment under the laws of such states and other jurisdictions and will, if requested by the Underwriters, use its best efforts to continue such qualifications in effect so long as required for distribution of the Notes; provided that the County shall not be required to pay any fees in connection with the foregoing or to subject itself to service of process in any jurisdiction in which it is not presently so subject.

(q) The County's Comprehensive Annual Financial Report (CAFR) as of June 30, 2013, for the fiscal year ended on such date, as described or set forth, as appropriate, in the Official Statement, is true, complete and correct and fairly presents the financial condition of the County as of such date and the results of its operations for such fiscal year. There has been no material adverse change in the financial condition of the County since June 30, 2013, except as described in the CAFR or the Official Statement.

(r) In order to effect the pledge of Pledged Revenues provided in the Resolution, the County hereby agrees to be deposited in the Payment Account (as defined in the Resolution) (i) an amount equal to 60% of the principal amount of principal of and interest on the Notes at maturity from Unrestricted Revenues (as defined in the Resolution) received by the County in the month of January 2015; and (b) an amount equal to 40% of the principal amount of and interest on the Notes at maturity, from unrestricted revenues received by the County in the month of May 2015 (and any amounts received thereafter provided for or attributable to Fiscal Year 2014-15), until the amount on deposit in the Payment Account is equal to the percentage of the principal and interest due on the Notes. Any such deposit may

take into consideration anticipated investment earnings on amounts deposited in an Investment Agreement that is a Permitted Investment through the Maturity Date.

WHEREAS, the Paying Agent has agreed to act as Paying Agent for the Notes and to accept the deposit in the amount of \$_____ for payment of certain Costs of Issuance (the "COI Deposit") and to disburse payments of Costs of Issuance to various persons, upon instruction and has full power and authority to perform and serve as Paying Agent for the County in connection with the Notes and the payment of the Costs of Issuance;

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I APPOINTMENT OF PAYING AGENT

SECTION 1.01 APPOINTMENT. The County hereby appoints the Paying Agent to serve as Paying Agent with respect to the Notes and the payment of Costs of Issuance, upon receipt of invoices by the Paying Agent, all in accordance with, respectively, the Resolution and this Agreement. The Paying Agent hereby accepts its appointment and agrees to serve as Paying Agent for the Notes and the disbursement of the COI Deposit to pay Costs of Issuance.

SECTION 1.02 COMPENSATION. The Paying Agent will receive a one-time fee of \$1,000.00 payable out of the COI Deposit, as compensation for the Paying Agent's services hereunder. If the amount on deposit in the Costs of Issuance Account is not sufficient to pay such fee to the Paying Agent, the County shall pay the Paying Agent from available funds of the County all amounts necessary to compensate the Paying Agent pursuant to this Section 1.02. In addition, the Paying Agent shall be entitled to payment of all reasonable expenses (including, without limitation, legal fees and expenses) incurred in satisfaction of any of the provisions hereof, out of the COI Deposit or, if such funds no longer exist or are not sufficient, the County shall make such reimbursement to the Paying Agent.

**ARTICLE II
COST OF ISSUANCE ACCOUNT**

SECTION 2.01 **COSTS OF ISSUANCE ACCOUNT.** There is hereby established an account to be known as County of Riverside 2014 Tax and Revenue Anticipation Notes, Series A and Series B Costs of Issuance Account (the "Costs of Issuance Account") to be held by the Paying Agent, into which the County shall cause to be deposited the COI Deposit.

**ARTICLE III
DUTIES OF PAYING AGENT**

SECTION 3.01 **DUTIES OF PAYING AGENT.** (a) The Paying Agent shall pay from the COI Deposit held in the Costs of Issuance Account those Costs of Issuance for which the Paying Agent has received a written invoice; provided that (i) each payee is listed as entitled to payment of Costs of Issuance on Exhibit A to this Agreement, (ii) the amount paid shall not exceed the amount set forth with respect to such payee in Exhibit A and (iii) amounts on deposit in the Costs of Issuance Account are sufficient to cover such payment.

(b) If the then remaining amounts on deposit in the costs of Issuance Fund are insufficient to pay any Costs of Issuance for which an invoice set forth in Exhibit A has been presented to the Paying Agent, the Paying Agent shall honor invoices to the extent of amounts remaining on deposit in the Costs of Issuance Account, and the County shall be responsible for payment of any amount of such invoice remaining unpaid. The Paying Agent shall honor invoices on a first received – first paid basis.

(c) The Paying Agent shall invest all cash in the Costs of Issuance Account in the Federated Prime MMF (Fund#10) (the "Fund"), or as directed further by the County from time to time. The Paying Agent shall not be responsible for any investment losses which may occur.

The Paying Agent shall have no obligation to invest and reinvest any cash held by it hereunder in the absence of timely and specific written investment direction from the County. The County acknowledges that regulations of the Comptroller of the Currency grant the County the right to receive brokerage confirmations of the security transactions as they occur, at no additional cost. To the extent permitted by law, the County specifically waives compliance with 12 C.F.R. 12 and hereby notifies the Paying Agent that no brokerage confirmations need be sent relating to the security transactions as they occur. The Paying Agent may purchase or sell to itself or any affiliate, as principal or agent, investments authorized by the County.

(d) Any earnings in the Costs of Issuance Account shall remain in said account, until such account is closed. The Costs of Issuance Account shall be closed on the earlier to occur of (1) the date which is 45 days following the Closing Date of the Notes; (2) the date on which each invoice scheduled on Exhibit A is paid in full; or (3) the date that the last available sums on deposit in the Costs of Issuance Account are disbursed in accordance with paragraph (a) above. At that time, the Paying Agent shall remit any amount remaining in the Costs of Issuance Account to the County.

(e) The Paying Agent shall also have such duties as assigned to it under the Resolution.

ARTICLE IV
ADDITIONAL PROVISIONS REGARDING THE PAYING AGENT

SECTION 4.01 **ADDITIONAL RIGHTS AND DUTIES.** The Paying Agent undertakes to perform the duties set forth herein and agrees to use reasonable care in the performance thereof and may conclusively rely on certificates, invoices and requisitions furnished to the Paying Agent. In addition:

(a) No provisions of this Agreement shall require the Paying Agent to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(b) The Paying Agent may rely, shall be protected in acting or refraining from acting upon and shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, resolution, bond, note, security, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(c) The Paying Agent may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and completed authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

(d) Neither the Paying Agent nor any of its officers, directors, employees or agents shall be liable for any action taken or omitted under this Agreement or in connection herewith except to the extent caused by the Paying Agent's gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, no longer subject to appeal or review. The Paying Agent may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees appointed with due care, and shall not be responsible for any willful misconduct or negligence on the part of any agent, attorney, custodian or nominee so appointed.

(e) Any bank, corporation or association into which the Paying Agent may be merged or converted or with which it may be consolidated, or any bank, corporation or association resulting from any merger, conversion or consolidation to which the Paying Agent shall be a party, or any bank, corporation or association succeeding to all or substantially all of the corporate trust business of the Paying Agent shall be the successor of the Paying Agent hereunder without the execution or filing of any paper with any party hereto or any further act on the part of any of the parties hereto except on the part of any of the parties hereto where an instrument of transfer or assignment is required by law to effect such succession, anything herein to the contrary notwithstanding.

(f) The County shall indemnify, defend and hold harmless the Paying Agent and its officers, directors, employees and agents, from and against and reimburse the Paying Agent for any and all claims, obligations, liabilities, losses, damages, actions, suits, judgments, reasonable costs and expenses (including reasonable attorneys' and agents' fees and expenses) of whatever kind or nature regardless of their merit, demanded, asserted or claimed against the Paying Agent

directly or indirectly relating to, or arising from, claims against the Paying Agent by reason of its participation in the transactions contemplated hereby, except to the extent caused by the Paying Agent's gross negligence or willful misconduct. The provisions of this Section 4.01(f) shall survive the termination of this Agreement or the earlier resignation or removal of the Paying Agent.

(g) The Paying Agent agrees to accept and act upon instructions or directions pursuant to this Agreement sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that, the Paying Agent shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the County elects to give the Paying Agent e-mail or facsimile instructions (or instructions by a similar electronic method) and the Paying Agent in its discretion elects to act upon such instructions, the Paying Agent's understanding of such instructions shall be deemed controlling. The Paying Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Paying Agent's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The County agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Paying Agent, including without limitation the risk of the Paying Agent acting on unauthorized instructions, and the risk of interception and misuse by third parties.

SECTION 4.02 **MONEY HELD BY PAYING AGENT.** The Paying Agent shall hold the COI Deposit in the Costs of Issuance Account to be held in a fiduciary capacity for the payment of Costs of Issuance. Payments made from the Costs of Issuance Account shall be made by check or wire transfer drawn on such trust account.

All funds at any time and from time to time provided to or held by the Paying Agent hereunder shall be deemed, construed, and considered for all purposes as being provided to or held by the Paying Agent in trust and as a Paying Agent for the County, for payment of Costs of Issuance for the benefit of the County. The Paying Agent acknowledges, covenants, and represents that it is acting therein in an agency capacity in relation to such funds, and is not accepting, holding, administering, or applying such funds as a banking depository, but solely as paying agent for and on behalf of the County, to be applied as Paying Agent pursuant to the terms of this Agreement. The County shall be entitled to the same preferred claim and first lien on the funds so provided as are enjoyed by the beneficiaries of trust funds generally. The funds provided to the Paying Agent hereunder shall not be subject to warrants, drafts, or checks drawn by the County and, except as expressly provided herein, shall not be subject to compromise, setoff, or other charge or diminution by the Paying Agent.

The Paying Agent shall be under no liability for interest on any money received by it hereunder.

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the County of Riverside, based upon an analysis of existing laws, regulations, rulings, and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest with respect to the Note is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. The amount treated as interest on the Note and excluded from gross income may depend upon the taxpayer's election under Internal Revenue Notice 94-84. In the further opinion of Bond Counsel, interest on the Note is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Note. See "TAX MATTERS" herein.

County has met all of its prior obligations to set aside amounts for payments of tax and revenue anticipation notes, and expects to timely set aside funds on May 31, 2014 to meet the remainder of its current obligations with respect thereto.

The Pledged Revenues shall be deposited by the County and held by the Paying Agent, in a special account (the "Payment Account") and applied as directed under the Resolution. Any money deposited by the Paying Agent in the Payment Account shall be for the benefit of the holders of the Note and, until the Note and all interest thereon are paid or until provision has been made for the payment of the principal of and interest on the Note at maturity, the moneys in the Payment Account shall be applied solely for the purpose of paying the principal of and interest the Note at its respective maturity, although such amounts shall be invested by the County in Permitted Investments. In the event investment losses cause amounts on deposit in the Payment Account to be insufficient to pay principal and interest on the Note at maturity, the County is required to use any available Unrestricted Revenues (as defined below) from Fiscal Year 2014-15 for the payment of principal and interest on the Note, but there is no guarantee that the County will have sufficient Unrestricted Revenues to pay the principal of and interest on the Note as the same becomes due. Moneys in the Payment Account may not be withdrawn to pay operating expenses.

The Resolution requires that the Pledged Revenues be deposited and held in the Payment Account until maturity, at which time the moneys in such fund will be used to repay the Note. If during the foregoing period there are insufficient sources of Pledged Revenues to permit deposit of the full amount of Pledged Revenues, then the amount of any deficiency shall be satisfied from any Unrestricted Revenues lawfully available for the repayment of the Note. The County is not authorized to levy or collect any taxes for the repayment of the Note.

Available Sources of Repayment

The Note, in accordance with the Act, is a general obligation of the County but is payable only out of Unrestricted Revenues, which include the taxes, income, revenue, cash receipts and other moneys of the County which are accrued, received or held by the County for the General Fund of the County and are provided for or attributable to the 2014-15 Fiscal Year and which are generally available for the payment of current expenses and other obligations of the County ("Unrestricted Revenues"). The Constitution of the State substantially limits the County's ability to levy ad valorem taxes (see "CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS" herein). The County may, under the Act, issue the Note only if the principal of, and interest on, the Note plus interest thereof will not exceed 85% of the estimated amounts of the County's uncollected taxes, income, revenue (including, but not limited to, revenue from the state and federal governments), cash receipts, and other moneys to be received or accrued by the County for the general fund of the County and provided for or attributable to the Repayment Fiscal Year, all of which will be legally available to pay principal of and interest on the Note. The County has reserved the right to issue additional notes during Fiscal Year 2014-15 having a parity or subordinate lien on the Pledged Revenues, so long as the principal of and interest on the Note and such additional notes will not exceed 85% of the estimated moneys legally available for the payment of the Note and the interest thereon. See "Additional Note Obligations" below and APPENDIX F—"FORM OF RESOLUTION" attached hereto. Further detail as to the estimated Unrestricted Revenues available for repayment can be found in Table I, "County of Riverside Fiscal Year 2014-15 Projected Unrestricted Revenues Available for Note Repayment (in Thousands)", Table II "County of Riverside Fiscal Year 2012-13 Actual General Fund Cash Flow (in Thousands)," Table III, "County of Riverside Fiscal Year 2013-14 Actual/Estimated General Fund Cash Flow (in Thousands)," Table IV, "County of Riverside Fiscal Year 2014-15 Projected General Fund Cash Flow (in Thousands)," and Table VII "County of Riverside Alternative and Other Restricted Cash Resources, Actual Projected (in Thousands)."

The table below sets forth the source and amount of estimated Unrestricted Revenues available for repayment of the Note.

Table VI provides a comparison between the Fiscal Year 2013-14 actual/projected General Fund cash flows and the Fiscal Year 2014-15 projected General Fund cash flows.

The projected Fiscal Year 2014-15 cash flows, as prepared by the County Auditor's Office, reflect the best currently available estimates and judgments of the County Auditor's Office as to the County's revenues and expenditures and the expected financial condition of the County for Fiscal Year 2014-15. The presented projected cash flows assume that all of the County's cash flow requirements are externally funded through the issuance of the Note, but, based on market conditions, the County may determine to borrow internally for a portion of its cash flow needs.

Neither the County's independent auditors, nor any other independent accountants, have compiled, examined or performed any procedures with respect to the projected Fiscal Year 2014-15 cash flows contained herein, nor have they expressed any opinion or any other form of assurance on such

information or its achievability, and such parties assume no responsibility for, and disclaim any association with, the projected Fiscal Year 2014-15 cash flows.

The assumptions and estimates underlying the projected cash flows are uncertain and, though considered reasonable by the management of the County as of the date hereof, are subject to a wide variety of significant business, economic and political risks and uncertainties that could cause actual results to differ materially from those contained in the projected cash flows. Accordingly, there can be no assurance that the projected results are indicative of the future performance of the County or that actual results will not be materially higher or lower than those contained in the projected cash flows. Inclusion of the projected cash flows in this Official Statement should not be regarded as a representation by any person that the results contained in the projected cash flows will be achieved. Basic assumptions underlying these projections include, but are not limited to, revenues and expenses as set forth in the County's recommended budget, impacts of recommended State budget, and no additional extraordinary support to the Riverside County Regional Medical Center from the general funds or special funds.

- (a) The decrease is related to the decline in Teeter obligations and in the property tax delinquent rate. In November 2013, the County's Board of Supervisors approved a Waste Management Landfill Lease Agreement which is expected to generate general fund revenue for 25 years. The increase of \$8.9 million is largely attributable to revenue from fiscal year 2009-10 through fiscal year 2013-14.
- (b) 14.
- (c) Due to increase in State funded programs for public social services and mental health. Advances to County of Riverside Asset Leasing Corporation was \$11 million higher due to pass-through payments being received after debt service payments were due. Advances to pension obligation bonds increased by \$2 million since fiscal year 2011-12. Also, the Board of Supervisors approved a \$2.5 million loan to the information technology department and a \$1.5 million loan to
- (d) special districts.

California Government Code Section 25252 authorizes the Board of Supervisors of the County to establish and abolish funds necessary for the proper transaction of the business of the County and further provides that the Board of Supervisors may authorize the County Auditor to perform this function. In addition, California Government Code Section 25252 authorizes the Board of Supervisors to make transfers from one fund to another as the public interest requires and further provides that the Board of Supervisors may by resolution authorize the County Auditor to make such transfers of money from one fund to another if the Board of Supervisors has authority over each such fund, as the public interest requires. Pursuant to Resolution 2010-205, adopted by the Board of Supervisors on August 10, 2010, the Board of Supervisors has authorized the County Auditor to make temporary transfers of money between those funds under the authority of the Board of Supervisors as the public interest may require.

Set forth in Table VII below are the actual and estimated alternative cash resources available to the County from the specified funds as of the dates set forth in such table. Pursuant to the authority granted in Resolution 2010-205, the County Auditor is authorized to transfer such moneys from one fund to another fund as the public interest may require, including transfers to the General Fund for the payment of the Note. There is no prescribed time period for the repayment of temporary transfers from one fund to another. The County Auditor has the authority to determine the timing of such repayments based on the needs of the respective funds.

The assumptions and estimates underlying the estimated alternative cash resources are uncertain and, though considered reasonable by the management of the County as of the date hereof, are subject to a wide variety of significant business, economic and political risks and uncertainties that could cause actual results to differ materially from those contained in the estimated alternative cash resources. Accordingly, there can be no assurance that the estimated results are indicative of the future performance of the County or that actual results will not be materially higher or lower than those contained in the estimated alternative cash resources. Inclusion of the estimated alternative cash resources in this Official Statement should not be regarded as a representation by any person that the results contained in the estimated alternative cash resources will be achieved.

The County projects that alternative and other restricted cash resources will total approximately \$1.615 billion as of June 30, 2015, the final maturity dates of the Note. The Board has pre-authorized draws on alternative cash resources, if necessary to pay debt service of the Note, without the requirement of further Board action.

Additional Note Obligations

Under the Resolution, the County has reserved the right to issue additional notes during Fiscal Year 2014-15 having a lien on the Pledged Revenues that is on parity or subordinate to the lien on the Pledged Revenues securing the Note, so long as the principal of and interest on the Note and such additional notes will not exceed 85% of the estimated moneys legally available for the payment of the Note and the interest thereon. A parity obligation ("Parity Note") may be issued provided that (i) the issuance of any such Parity Note shall not in and of itself reduce or impair the rating on the Note, (ii) the maturity date of any such Parity Note shall be later than the outstanding Note, and (iii) the Note and Parity Note shall have the same paying agent. In the event that the County issues a Parity Note, the County shall make appropriate deposits into the Payment Account with respect to such Parity Note, and in such event, the Payment Account shall also be held for the benefit of the holders of the Parity Note. The

County may incur indebtedness secured by a pledge of its Pledged Revenues subordinate to the pledge of Pledged Revenues with respect to the Note and may issue subordinate tax and revenue anticipation notes. See APPENDIX F— “FORM OF RESOLUTION” attached hereto. The County currently expects that, other than the Note, it will not issue any bonds, notes or warrants pursuant to the Act with respect to the 2014-15 Fiscal Year.

The beneficial owners of the Note should confirm the following information with DTC, the Direct Participants or the Indirect Participants.

NEITHER THE COUNTY NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DIRECT PARTICIPANTS, TO INDIRECT PARTICIPANTS OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (A) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DIRECT PARTICIPANT OR ANY INDIRECT PARTICIPANT; (B) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE NOTE, (C) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE OWNER OF THE NOTE; (D) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF THE NOTE; OR (E) ANY OTHER MATTER REGARDING DTC.

DTC will act as securities depository for the Note. The Note will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Note certificate will be issued for each issue of the Note each in the aggregate principal amount of such issue, and will be deposited with DTC. Individual purchases of participation in the Note will be made in book-entry form only. Purchasers of the Note will not receive certificates representing their ownership interest in the Note purchased. Principal and interest payments represented by the Note are payable directly to DTC by the Paying Agent. Upon receipt of payments of principal and interest, DTC will in turn distribute such payments to its participants who are responsible for distributing such payments to the beneficial owners of the Note. See APPENDIX E—“BOOK-ENTRY ONLY SYSTEM” attached hereto.

THE COUNTY

The County was organized in 1893 from territory in San Bernardino and San Diego Counties and encompasses 7,177 square miles. The County is bordered on the north by San Bernardino County, on the east by the State of Arizona, on the south by San Diego and Imperial Counties and on the west by Orange and San Bernardino Counties. The County is the fourth largest county (by area) in the state and stretches 185 miles from the Arizona border to within 20 miles of the Pacific Ocean. There are 28 incorporated cities in the County. According to the State Department of Finance, Demographic Research Unit, the County's population was estimated at 2,279,967 as of January 1, 2014, reflecting a 1.1% increase over the prior year.

The County is a general law county divided into five supervisorial districts on the basis of registered voters and population. The County is governed by a five-member Board of Supervisors (the "Board"), elected by district, and serve staggered four-year terms. The Chair of the Board is elected by the Board members. The County administration includes appointed and elected officials, boards, commissions and committees which assist the Board of Supervisors.

The County provides a wide range of services to residents, including police and fire protection, medical and health services, education, library services and public assistance programs. Some municipal services are provided by the County on a contract basis to incorporated cities within its boundaries. These services are designed to allow cities to contract for municipal services such as police and fire protection without incurring the cost of creating County departments and facilities. Services are provided to the cities at cost by the County.

Three distinct geographical areas characterize the County: the western valley area, the higher elevations of the mountains and the desert areas. The western portion of the County, which includes the San Jacinto Mountains and the Cleveland National Forest, experiences the mild climate typical of Southern California. The eastern desert areas experience warmer and dryer weather conditions.

See APPENDIX A—"INFORMATION REGARDING THE COUNTY OF RIVERSIDE" for a more detailed description of the County.

CONSTITUTIONAL AND STATUTORY LIMITATIONS ON TAXES AND APPROPRIATIONS

Article XIII A of the State Constitution

In 1978, California voters approved Proposition 13, adding Article XIII A to the California Constitution. Article XIII A was subsequently amended in 1986, as discussed below. Article XIII A limits the amount of any ad valorem tax on real property to 1% of the full cash value thereof, except that additional ad valorem taxes may be levied to pay debt service on indebtedness approved by the voters prior to July 1, 1978 and on bonded indebtedness for the acquisition or improvement of real property which has been approved on or after July 1, 1978 by two-thirds of the voters voting on such indebtedness. Article XIII A defines full cash value to mean "the county assessor's valuation of real property as shown on the Fiscal Year 1975-76 tax bill under 'full cash' or thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership have occurred after the 1975 assessment." This full cash value may be increased at a rate not to exceed 2% per year to account for inflation.

Article XIII A has subsequently been amended to permit reduction of the "full cash value" base in the event of declining property values caused by damage, destruction or other factors, and to provide that

there would be no increase in the "full cash value" base in the event of reconstruction of property damaged or destroyed in a disaster.

Legislation has been enacted and amended a number of times since 1978 to implement Article XIII A. Under current law, local agencies are no longer permitted to levy directly any property tax (except to pay voter-approved indebtedness). The 1% property tax is automatically levied by the county and distributed according to a formula among taxing agencies. The formula apportions the tax roughly in proportion to the relative shares of taxes levied prior to 1979.

Increases of assessed valuation resulting from reappraisals of property due to new construction, change in ownership or from the 2% annual adjustment are allocated among the various jurisdictions in the "taxing area" based upon their respective "situs." Any such allocation made to the County continues as part of its allocation in future years.

Article XIII B of the State Constitution

On November 6, 1979, California voters approved Proposition 4, known as the Gann Initiative, which added Article XIII B to the California Constitution. Propositions 98 and 111, approved by the California voters in 1988 and 1990, respectively, substantially modified Article XIII B. The principal effect of Article XIII B is to limit the annual appropriations of the State and any city, county, school district, authority, or other political subdivision of the State to the level of appropriations for the prior fiscal year, as adjusted for changes in the cost of living and population. The initial version of Article XIII B provided that the "base year" for establishing an appropriations limit was the 1978-79 Fiscal Year, which was then adjusted annually to reflect changes in population, consumer prices and certain increases in the cost of services provided by these public agencies. Proposition 111 revised the method for making annual adjustments to the appropriations limit by redefining changes in the cost of living and in population. It also required that beginning in Fiscal Year 1990-91, each appropriations limit must be recalculated using the actual 1986-87 appropriations limit and making the applicable annual adjustments as if the provisions of Proposition 111 had been in effect.

Appropriations subject to limitation of a local government under Article XIII B include generally any authorization to expend during a fiscal year the proceeds of taxes levied by or for that entity and the proceeds of certain State subventions to that entity, exclusive of refunds of taxes. Proceeds of taxes include, but are not limited to, all tax revenues plus the proceeds to an entity of government from (1) regulatory licenses, user charges and user fees (but only to the extent such proceeds exceed the cost of providing the service or regulation), (2) the investment of tax revenues, and (3) certain subventions received from the State. Article XIII B permits any government entity to change the appropriations limit by a vote of the electors in conformity with statutory and constitutional voting effective for a maximum of four years.

As amended by Proposition 111, Article XIII B provides for testing of appropriations limits over consecutive two-year periods. If an entity's revenues in any two-year period exceed the amounts permitted to be spent over such period, the excess has to be returned by revising tax rates or fee schedules over the subsequent two years. As amended by Proposition 98, Article XIII B provides for the payment of a portion of any excess revenues to a fund established to assist in financing certain school needs.

The County's appropriations limit for the Fiscal Year 2012-13 was \$2,246,378,720 and the amount shown in its budget for that year as the appropriations subject to limitation was \$1,119,274,762. The County's appropriations limit for Fiscal Year 2013-14 is \$2,388,219,717 and the amount subject to the limitation is \$862,139,716.

Right To Vote on Taxes Initiative-Proposition 218

On November 5, 1996, the voters of the State approved Proposition 218, known as the "Right to Vote on Taxes Act." Proposition 218 adds Articles XIII C and XIII D to the California Constitution and contains a number of interrelated provisions affecting the ability of local agencies to levy and collect both existing and future taxes, assessments, fees and charges. Proposition 218 (Article XIII C) requires that all new local taxes be submitted to the electorate before they become effective. Taxes for general governmental purposes of the County require a majority vote and taxes for specific purposes, even if deposited in the County's General Fund, require a two-thirds vote.

Proposition 218 (Article XIII D) also adds several provisions making it generally more difficult for local agencies to levy and maintain fees, charges, and assessments for municipal services and programs. These provisions include, among other things, (i) a prohibition against assessments which exceed the reasonable cost of the proportional special benefit conferred on a parcel, (ii) a requirement that assessments must confer a "special benefit," as defined in Article XIII D, over and above any general benefits conferred, (iii) a majority protest procedure for assessments which involves the mailing of notice and a ballot to the record owner of each affected parcel, a public hearing and the tabulation of ballots weighted according to the proportional financial obligation of the affected party, and (iv) a prohibition against fees and charges which are used for general governmental services, including police, fire or library services where the service is available to the public at large in substantially the same manner as it is to property owners.

Proposition 218 (Article XIII C) also removes limitations on the initiative power in matters of reducing or repealing local taxes, assessments, fees or charges. No assurance can be given that the voters of any county will not, in the future, approve an initiative or initiatives which reduce or repeal local taxes, assessments, fees or charges currently comprising a substantial part of the County's General Fund. No such initiative is currently pending, or to the knowledge of the County, proposed.

The County is unaware of any assessments imposed by the County which, if challenged, would adversely affect County finances. Implementing legislation respecting Proposition 218 may be introduced in the State legislature from time-to-time that would supplement and add provisions to California statutory law. No assurance may be given as to the terms of such legislation or its potential impact on the County.

Proposition 62

Proposition 62, a statutory initiative that was adopted by the voters voting in the State at the November 4, 1986 general election, (a) requires that any new or higher taxes for general governmental purposes imposed by local governmental entities be approved by a majority vote of the voters of the governmental entity voting in an election on the tax, (b) requires that any special tax (defined as taxes levied for other than general governmental purposes) imposed by a local governmental entity be approved by a two-thirds vote of the voters of the governmental entity voting in an election on the tax, (c) restricts the use of revenues from a special tax to the purposes or for the service for which the special tax was imposed, (d) prohibits the imposition of ad valorem taxes on real property by local governmental entities except as permitted by Article XIII A of the California Constitution, (e) prohibits the imposition of transaction taxes and sales taxes on the sale of real property by local governmental entities, and (f) requires a reduction of ad valorem property taxes allocable to the jurisdiction imposing a tax not in compliance with its provisions equal to one dollar for each dollar of revenue attributable to the invalid tax, for each year that the tax is collected.

Following its adoption by the voters, various provisions of Proposition 62 were declared unconstitutional at the appellate court level. For example, in *City of Woodlake v. Logan*, 230 Cal.App.3d 1058 (1991) (the "Woodlake Case"), the Court of Appeal held portions of Proposition 62 unconstitutional as a referendum on taxes prohibited by the California Constitution. In reliance on the Woodlake Case, numerous taxes were imposed or increased after the adoption of Proposition 62 without satisfying the voter approval requirements of Proposition 62. On September 28, 1995, the California Supreme Court, in *Santa Clara County Local Transportation Authority v. Guardino*, 11 Cal. 4th 220 (1995) (the "Santa Clara Case"), upheld the constitutionality of the portion of Proposition 62 requiring a two-thirds vote in order for a local government or district to impose a special tax, and, by implication, upheld a parallel provision requiring a majority vote in order for a local government or district to impose any general tax. In deciding the Santa Clara Case on Proposition 62 grounds, the Court disapproved the decision in the Woodlake Case.

The decision in the Santa Clara Case did not address the question of whether it should be applied retroactively. On June 4, 2001, the California Supreme Court released *Howard Jarvis Taxpayers Association v. City of La Habra, et al.* 74 Cal.App.4th 707 (1999) (the "La Habra" case). In this decision, the court held that a public agency's continued imposition and collection of a tax is an ongoing violation, upon which the statute of limitations period begins anew with each collection. The court also held that, unless another statute or constitutional rule provided differently, the statute of limitations for challenges to taxes subject to Proposition 62 is three years. Accordingly, a challenge to a tax subject to Proposition 62 may only be made for those taxes received within three years of the date the action is brought. No such challenge against the County is currently pending, or to the knowledge of the County, proposed.

Proposition 1A

Proposition 1A, proposed by the Legislature in connection with the 2004-05 Budget Act, approved by the voters in November 2004 and generally effective in 2007-08 Fiscal Year, provides that the State may not reduce any local sales tax rate, limit existing local government authority to levy a sales tax rate or change the allocation of local sales tax revenues, subject to certain exceptions. Proposition 1A generally prohibits the State from shifting to schools or community colleges any share of property tax revenues allocated to local governments for any fiscal year, as set forth under the laws in effect as of November 3, 2004. Any change in the allocation of property tax revenues among local governments within a county must be approved by two-thirds of both houses of the Legislature. The State may also approve voluntary exchanges of local sales tax and property tax revenues among local governments within a county. Proposition 1A also provides that if the State reduces the VLF rate then in effect, 0.65 percent of vehicle value, the State must provide local governments with equal replacement revenues. Further, Proposition 1A requires the State, beginning July 1, 2005, to suspend State mandates affecting cities, counties and special districts, excepting mandates relating to employee rights, schools or community colleges, in any year that the State does not fully reimburse local governments for their costs to comply with such mandates.

Proposition 1A may result in increased and more stable County revenues. The magnitude of such increase and stability is unknown and would depend on future actions by the State. However, Proposition 1A could also result in decreased resources being available for State programs. This reduction, in turn, could affect actions taken by the State to resolve budget difficulties. Such actions could include increasing State taxes, decreasing spending on other State programs or other action, some of which could be adverse to the finances of the County.

Proposition 22

Proposition 22, approved by California voters in November 2010, prohibits the State, even during a period of severe fiscal hardship, from delaying the distribution of tax revenues for transportation, redevelopment or local government projects and services and prohibits fuel tax revenues from being loaned for cash-flow or budget balancing purposes to the State General Fund or any other State fund. In addition, Proposition 22 generally eliminates the State's authority to temporarily shift property taxes from cities, counties and special districts to schools, temporarily increase a school and community college districts' share of property tax revenues, prohibits the State from borrowing or redirecting redevelopment property tax revenues or requiring increases pass-through payments thereof, and prohibits the State from reallocating vehicle license fee revenues to pay for State-imposed mandates. In addition, Proposition 22 requires a two-thirds vote of each house of the State legislature and a public hearing process to be conducted in order to change the amount of fuel excise tax revenues shared with cities and counties. Proposition 22 prohibits the State from enacting new laws that require redevelopment agencies to shift funds to schools or other agencies. While Proposition 22 will not change overall State and local government costs or revenues by the express terms thereof, it will cause the State to adopt alternative actions to address its fiscal and policy objectives.

Proposition 25

According to the State Constitution, the Governor must propose a budget to the State Legislature no later than January 10 of each year, and a final budget must be adopted no later than June 15. Historically, the budget required a two-thirds vote of each house of the Legislature for passage. However, on November 2, 2010, the voters approved Proposition 25, which amends the State Constitution to lower the vote requirement necessary for each house of the Legislature to pass a budget bill and send it to the Governor. Specifically, the vote requirement was lowered from two-thirds to a simple majority (50% plus one) of each house of the Legislature. The lower vote requirement also would apply to trailer bills that appropriate funds and are identified by the Legislature "as related to the budget in the budget bill." The budget becomes law upon the signature of the Governor, who may veto specific items of expenditure. Under Proposition 25, a two-thirds vote of the Legislature is still required to override any veto by the Governor.

Proposition 26

On November 2, 2010, the voters passed Proposition 26, which amends the State Constitution to require that certain state and local fees be approved by two-thirds of each house of the Legislature instead of a simple majority, or by local voters. The change in law affects regulatory fees and charges such as oil recycling fees, hazardous materials fees and fees on alcohol containers.

Proposition 26 provides that the local government bears the burden of proving by a preponderance of evidence that a levy, charge or other exaction is not a tax, that the amount is no more than necessary to cover the reasonable costs of the government activity, and that the manner in which those costs are allocated to a payor bear a reasonable relationship to the payor's burdens on, or benefits received from, the governmental activity. The County does not expect the provisions of Proposition 26 to materially and adversely affect its ability to pay debt service on the Note when due.

Assessment Appeals and Assessor Reductions

Pursuant to California law, a property owner may apply for a reduction of the property tax assessment for such owner's property by filing a written application, in the form prescribed by the State Board of Equalization, with the appropriate county assessment appeals board (a "Proposition 8" appeal).

Any reduction in the assessment ultimately granted applies only to the year for which application is made and during which written application is filed. The assessed value increases to its pre-reduction level for fiscal years following the year for which the reduction application is filed. However, if the taxpayer establishes through proof of comparable values that the property continues to be overvalued (known as "ongoing hardship"), a county assessor has the power to grant a reduction not only for the year for which application was originally made, but also for the then current year as well. In a similar manner, a county assessor may reassert the pre-appeal level of assessed value depending on the county assessor's determination of current value.

In addition to reductions in assessed value resulting from Proposition 8 appeals and general economic conditions, California law also allows assessors to reduce assessed value unilaterally based on a general decline in market value of an area. Although Proposition 8 reductions are temporary and are expected to be eliminated under Proposition 13 if and when market conditions improve, no assurance is given that such reductions will be eliminated. The County has been affected by a reduction in taxable property assessed values due to successful property owner appeals and unilateral reductions by the County Assessor, and may experience additional reductions in the future. In Fiscal Year 2013-14, the secured property tax roll increased by approximately 3.95% from the prior year. The County expects assessed valuation to increase by approximately 4.5% in Fiscal Year 2014-15, primarily as a result of increasing property values and sale volume. See APPENDIX A: "INFORMATION REGARDING THE COUNTY OF RIVERSIDE."

Timing is an important consideration with respect to the property valuation process. Values are set for the current year with a valuation date as of the preceding January 1. Changes in market value subsequent to the January 1 valuation date are not reflected until the subsequent year. Therefore, there is an inherent lag in the process.

The County Assessor prepares the tax roll in each spring and summer. Owners are notified of changes in valuation by early fall and have the ability to file an appeal. The deadline for appeals in the County is November 30th. Current year appeals take a number of months to process and typically are not resolved by the end of the fiscal year.

Assessor-initialized reductions generally represent the bulk of adjustments to the tax roll during a time of a market decline. Cumulatively, assessed valuation in the County declined 16.36% since fiscal year 2007-08 through fiscal year 2012-13 due to the County Assessor's proactive reviews. No Proposition 8 reductions are expected for Fiscal Year 2013-14 or 2014-15.

Future Initiatives

Article XIII A, Article XIII B, Article XIII C, Article XIII D and Propositions 62, 1A, 25 and 26 were each adopted as measures that qualified for the ballot pursuant to the State's initiative process. From time-to-time, other initiative measures could be adopted, further affecting revenues of the County or the County's ability to expend revenues. The nature and impact of these measures cannot be anticipated by the County.

STATE OF CALIFORNIA BUDGET INFORMATION

The following information concerning the State's budgets has been obtained from publicly available information which the County believes to be reliable; however, the County does not guaranty the accuracy or completeness of this information and has not independently verified such information. Furthermore, it should not be inferred from the inclusion of this information in this Official Statement that the principal or interest due with respect to the Note is payable from any funds of the State.

The County relies significantly upon State and Federal payments for reimbursement of various costs including certain mandated programs. For Fiscal Year 2013-14, approximately 42.1% of the County's General Fund budget revenues consist of payments from the State and approximately 20.7% consists of payments from the Federal government. For Fiscal Year 2014-15, the County projects that approximately 43.1% of its General Fund budget revenues will consist of payments from the State and 20.4% will consist of payments from the Federal government.

The following information concerning the State's budgets has been obtained from publicly available information which the County believes to be reliable; however, the County neither takes any responsibility for or guarantees the accuracy or completeness thereof. For a description of certain potential impacts of the State budget on the finances and operations of the County, see APPENDIX A: "INFORMATION REGARDING THE COUNTY OF RIVERSIDE – Financial Information – Impacts of State Budget" attached hereto.

State Budget for Fiscal Year 2013-14. In June 2013, the State budget for Fiscal Year 2013-14 (the "2013 Budget Act") was enacted. The 2013 Budget Act included an estimated \$97.1 billion in revenues and transfers, and planned spending of \$96.3 billion. The 2013 Budget Act included an expected spending increase of 5% from the prior fiscal year and included an additional \$2.7 billion in Proposition 98 funding, accounting for approximately 57% of General Fund spending. The 2013 Budget Act also contained a surplus of approximately \$1.7 billion. Temporary revenues provided by the passage of Proposition 30 (a sales and income tax revenue increase approved by the State voters on November 6, 2012) and spending cuts made in the past two years mean that the State's budget is projected to remain balanced for the foreseeable future. In addition, the 2013 Budget Act overhauled the State's system of K-12 education funding by adopting a new allocation formula, known as the local control funding formula ("LCFF"), which transitions funding to a locally-controlled system.

Significant features of the 2013 Budget Act pertaining to counties include the following:

- **Impact of Health Care Reform**—the 2013 Budget Act proposed the state-based approach to the optional expansion of health care, whereby the State assumed greater financial responsibility for health care programs. The 2013 Budget Act is based on the assumption that increased coverage will generate substantial savings for the counties which pay for care for adults who are not eligible for Medi-Cal through their local indigent health care services programs. Counties currently meet this responsibility by operating facilities including hospitals and clinics and/or by contracting with private providers. Under the state-based approach, county costs and responsibilities for indigent health care are expected to decrease, but the 2013 Budget Act proposes that savings will be calculated based on the actual experience of each county by measuring actual county costs for providing services and the revenue received for such services. The 2013 Budget Act redirects any such savings to support human services programs at the local level.

- *Redevelopment Agency Funds*—In those areas that contained redevelopment agencies, the 2013 Budget Act estimated that over Fiscal Year 2012-13 and Fiscal Year 2013-14, approximately \$1.4 billion in redevelopment agency funds will be distributed back to counties.
- *CalWORKs Employment Services*—The 2013 Budget Act included an increase of \$191.1 million in fiscal year 2013-14 to support the CalWORKs refocusing measures enacted by SB 1041. Counties are expected to assume greater financial responsibility for CalWORKs, CalWORKs-related child care programs and CalFresh (food stamps). Counties were required to enhance and expand their array of employment services and job development activities for program participants, and intensify case management efforts for individuals not currently participating in activities that will eventually lead to self-sufficiency.
- *In-Home Supportive Services (“IHSS”)*—The 2013 Budget Act included \$1.8 billion General Fund for the IHSS program in Fiscal Year 2013-14, a 4.9% increase over the revised Fiscal Year 2012-13 budget and 6.5% increase from the 2012 Budget Act. An increase of \$47.1 million is related to the recently enacted county maintenance-of-effort requirement (“MOE”). Effective July 1, 2012, counties’ share of the non-federal portion of IHSS costs is based on actual expenditures by counties in fiscal year 2011-12. The counties MOE requirement will increase by 3.5 percent annually, beginning in fiscal year 2014-15.
- *Property Tax Revenues.* Statewide property tax revenues were expected to increase 1.3% in Fiscal Year 2012-13 and 2.8% in Fiscal Year 2013-14. The base 1 percent rate was expected to generate roughly \$50.9 billion in revenue in Fiscal Year 2013-14, of which roughly half (\$27.2 billion) was allocated go to K-14 schools. Of this amount, approximately \$1.5 billion was shifted from schools to cities and counties to replace sales and use tax revenues redirected from those entities to repay the State’s Economic Recovery Bonds, and approximately \$6.1 billion was shifted from schools to cities and counties to replace Vehicle License Fee (“VLF”) revenue losses stemming from the reduced VLF rate. Local governments now receive property tax revenue to compensate them for the loss of VLF revenue. In Fiscal Year 2013-14 the estimated value of the VLF backfill to cities and counties is \$6 billion. The value of the reduction of the VLF rate from 2% to 0.65% is \$4.1 billion.

Proposed State Budget for Fiscal Year 2014-15. On January 9, 2014, the Governor presented a budget package for Fiscal Year 2014-15 (the “2014 Proposed Budget”) that included \$151 billion in spending from the General Fund and special funds, representing an \$11 billion increase over the revised 2013-14 level, and a \$2.3 billion reserve at the end of Fiscal Year 2014-15. The 2014 Proposed Budget uses much of the large projected growth – primarily attributable to increases in personal income tax collections – to pay down \$6.2 billion in school and community college deferrals. The 2014 Proposed Budget includes \$4.5 billion for K-14 LCFF and \$1.6 billion in payments for the State’s prior economic recovery bonds. The 2014 Proposed Budget places great emphasis in paying down debt in the current and future years, including accelerating completion of the “triple flip” property/sales tax swap by one year. The Governor also proposed a rainy-day fund measure be brought before the voters on the November 2014 ballot. The rainy-day fund would base deposits on capital gains related revenues. Based on its review, the County does not anticipate that the 2014 Proposed Budget will have a significant impact on the County’s Fiscal Year 2014-15 Recommended Budget.

Significant features of the 2014 Proposed Budget pertaining to counties include the following:

- *Infrastructure Finance*—The 2014 Proposed Budget proposes to expand the tax increment financing tool utilized by infrastructure financing districts (“IFDs”). The proposal plans to expand the type of projects, allow cities and counties to meet benchmarks to create IFD’s and issue related debt, allow new IFDs to overlap former project areas of redevelopment agencies, while still prohibiting the diversion of property tax revenues from K-14 schools.
- *Medi-Cal Expansion*—The 2014 Proposed Budget estimates that counties will save \$200 million in Fiscal Year 2014-15 through the implementation of Medi-Cal expansion through a six month pro-rata redirection of each county’s 1991 health realignment funding. The 2014 Proposed Budget projects that Medi-Cal caseload will increase by approximately 10% in Fiscal Year 2014-15 from the prior fiscal year, largely due to implementation of federal health reform and the shift of children from Healthy Families to Medi-Cal.
- *CalWORKs Employment Services*—In March 2014, the County received a 5% increase in state grants totaling \$57.5 million from redirected county health realignment funds. The 2014 Proposed Budget provides \$6.3 million from the State’s general fund and \$160 million from redirected county savings to support the full-year costs of the 5% grant increase.
- *In-Home Supportive Services (“IHSS”)*—The 2014 Proposed Budget includes \$2 billion for the IHSS program, a 6.4% increase from the prior fiscal year. The U.S. Department of Labor also announced new regulations effective January 1, 2015 that would require overtime pay for domestic workers. To control costs, the 2014 Proposed Budget prohibits providers from working overtime.

Legislative Analyst’s Office Response to 2014 Proposed Budget. The Legislative Analyst’s Office (the “LAO”) released its Overview of the 2014 Proposed Budget on January 13, 2013 (the “LAO Overview”). The LOA Overview praised the Governor’s emphasis on debt repayment and stated that the 2014 Proposed Budget would place California on an even stronger fiscal footing. In addition to the proposed rainy-day fund, the LAO suggests that the State begin setting aside funds in Fiscal Year 2014-15 to address the California State Teachers Retirement System (CalSTRS) unfunded liabilities.

Future State Budgets. No prediction can be made by the County as to whether the State will encounter budgetary problems in future fiscal years, and if this occurs, it is not clear what measures would be taken by the State to balance its budget, as required by law. In addition, the County cannot predict the final outcome of future State budget negotiations, the impact that such budgets will have on County finances and operations or what actions will be taken in the future by the State Legislature and Governor to deal with changing State revenues and expenditures. Current and future State budgets will be affected by national and State economic conditions and other factors, over which the County has no control.

TAX MATTERS

In the opinion of Orrick, Herrington & Sutcliffe LLP (“Bond Counsel”), Bond Counsel to the County, based upon an analysis of existing laws, regulations, rulings, and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Note is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the “Code”) and is exempt from State of California personal income taxes. The amount treated as interest on the Note and excluded from gross income may depend upon the taxpayer’s election under Internal Revenue Notice 94-84. In the further opinion of Bond Counsel, interest on the Note is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current

earnings when calculating corporate alternative minimum taxable income. A complete copy of the proposed form of the opinion of Bond Counsel is set forth in APPENDIX C—"PROPOSED FORM OF OPINION OF BOND COUNSEL."

Notice 94-84, 1994-2 C.B. 559, states that the Internal Revenue Service (the "IRS") is studying whether the amount of the payment at maturity on debt obligations such as the Note that is excluded from gross income for federal income tax purposes is (i) the stated interest payable at maturity, or (ii) the difference between the issue price of the Note and the aggregate amount to be paid at maturity of the Note (the "original issue discount"). For this purpose, the issue price of the Note is the first price at which a substantial amount of the Note is sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). Until the IRS provides further guidance, taxpayers may treat either the stated interest payable at maturity or the original issue discount as interest that is excluded from gross income for federal income tax purposes. However, taxpayers must treat the amount to be paid at maturity on all tax exempt debt obligations with a term that is not more than one year from the date of issue in a consistent manner. Taxpayers should consult their own tax advisors with respect to the tax consequences of ownership of the Note original issue discount treatment is elected.

A Note purchased, whether at original issuance or otherwise, for an amount higher than the principal amount payable at maturity ("Premium Note") will be treated as having amortizable bond premium. No deduction is allowable for the amortizable bond premium in the case of obligations, like the Premium Note, the interest on which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and a holder of the Note's basis in a Premium Note, will be reduced by the amount of amortizable bond premium properly allocable to such holder of the Note. Holders of a Premium Note should consult their own tax advisors with respect to the proper treatment of amortizable bond premium in their particular circumstances.

The Code imposes various restrictions, conditions, and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Note. The County has made certain representations and covenanted to comply with certain restrictions, conditions and requirements designed to ensure that interest on the Note will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in interest on the Note being included in gross income for federal income tax purposes, possibly from the date of original issuance of the Note. The opinion of Bond Counsel assumes the accuracy of these representations and compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken), or events occurring (or not occurring), or any other matters coming to Bond Counsel's attention after the date of issuance of the Note may adversely affect the value of, or the tax status of interest on, the Note. Accordingly, the opinion of Bond Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

One of the covenants of the County referred to above requires the County to reasonably and prudently calculate the amount, if any, of excess investment earnings on the proceeds of the Note which must be rebated to the United States, to set aside from lawfully available sources sufficient moneys to pay such amounts and to otherwise do all things necessary and within its power and authority to ensure that interest on the Note is excluded from gross income for federal income tax purposes. Under the Code, if the County spends 100% of the proceeds of the Note within six months after issuance, there is no requirement that there be a rebate of investment profits in order for interest on the Note to be excluded from gross income for federal income tax purposes. The Code also provides that such proceeds are not deemed spent until all other available moneys (less a reasonable working capital reserve) are spent. The County expects to satisfy this expenditure test or, if it fails to do so, to make any required rebate payments from moneys received or accrued during the 2013-14 Fiscal Year. To the extent that any rebate cannot be

paid from such moneys, California law is unclear as to whether such covenant would require the County to pay any such rebate. This would be an issue only if it were determined that the County's calculation of expenditures of Note proceeds or of rebatable arbitrage profits, if any, was incorrect.

Although Bond Counsel is of the opinion that interest on the Note is excluded from gross income for federal income tax purposes and is exempt from State of California personal income taxes, the ownership or disposition of, or the accrual or receipt of amounts treated as interest on, the Note may otherwise affect a holder of the Note's federal, state or local tax liability. The nature and extent of these other tax consequences will depend upon the particular tax status of the holder(s) of the Note or the holder(s) of the Note's other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Note to be subject, directly or indirectly, in whole or in part, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent holders from realizing the full current benefit of the tax status of such interest. For example, Representative Dave Camp, Chair of the House Ways and Means Committee released draft legislation that would subject interest on the Note to a federal income tax at an effective rate of 10% or more for individuals, trusts, and estates in the highest tax bracket, and the Obama Administration proposed legislation that would limit the exclusion from gross income of interest on the Note to some extent for high-income individuals. The introduction or enactment of any such legislative proposals or clarification of the Code or court decisions may also affect, perhaps significantly, the market price for, or marketability of, the Note. Prospective purchasers of the Note should consult their own tax advisors regarding the potential impact of any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel is expected to express no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of the Note for federal income tax purposes. It is not binding on the IRS or the courts. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the County, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The County has covenanted, however, to comply with the requirements of the Code.

Bond Counsel's engagement with respect to the Note ends with the issuance of the Note, and, unless separately engaged, Bond Counsel is not obligated to defend the County or the holders of the Note regarding the tax-exempt status of the Note in the event of an audit examination by the IRS. Under current procedures, parties other than the County and its appointed counsel, including the holders of the Note, would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of the IRS's positions with which the County legitimately disagrees may not be practicable. Any action of the IRS, including but not limited to selection of the Note for audit, or the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the Note, and may cause the County or the holders of the Note to incur significant expense.

LITIGATION

No litigation is pending, or, to the best knowledge of the County, threatened, concerning the validity of the Note or the Resolution, or contesting the County's ability to appropriate or make the repayment of the Note, and an opinion of the Office of County Counsel to that effect will be furnished to

the Underwriters at the time of the execution and delivery of the Note. See APPENDIX A—“INFORMATION REGARDING THE COUNTY OF RIVERSIDE—Financial Information—Litigation” for a discussion of the County’s pending general litigation.

LEGALITY FOR INVESTMENT

Under provisions of the California Financial Code, the Note is a legal investment for commercial banks in California to the extent that the Note, in the informed opinion of the bank, is prudent for the investment of funds of its depositors, and are eligible to secure deposits of public moneys in California under provisions of the California Government Code.

UNDERWRITING

The Note is being purchased initially by J.P. Morgan Securities LLC, as senior manager (“J.P. Morgan”), and Wells Fargo Bank, N.A., as co-manager (“Wells” and, together with J.P. Morgan, the “Underwriters”), at a price of \$_____ (being the par amount of the Note, plus/less an original issue premium/discount in the amount of \$_____, less the Underwriter’s discount of \$_____). The Contract of Purchase provides that the Underwriters will purchase all of the Note, if any are purchased. Furthermore, the obligation to make such purchase is subject to certain terms and conditions set forth in the Contract of Purchase and certain other conditions.

The Underwriters may offer and sell the Note to certain dealers and others at a price lower than the initial public offering price. The offering price may be changed from time to time by the Underwriters.

Wells Fargo Bank, National Association (“WFBNA”), one of the underwriters of the Notes, has entered into an agreement (the “Distribution Agreement”) with its affiliate, Wells Fargo Advisors, LLC (“WFA”), for the distribution of certain municipal securities offerings, including the Notes. Pursuant to the Distribution Agreement, WFBNA will share a portion of its underwriting or remarketing agent compensation, as applicable, with respect to the Notes with WFA. WFBNA also utilizes the distribution capabilities of its affiliates, Wells Fargo Securities, LLC (“WFSLLC”) and Wells Fargo Institutional Securities, LLC (“WFIS”), for the distribution of municipal securities offerings, including the Notes. In connection with utilizing the distribution capabilities of WFSLLC, WFBNA pays a portion of WFSLLC’s expenses based on its municipal securities transactions. WFBNA, WFSLLC, WFIS, and WFA are each wholly-owned subsidiaries of Wells Fargo & Company.

Wells Fargo Bank, N.A. is the trade name for certain securities-related capital markets and investment banking services of Wells Fargo & Company and its subsidiaries, including Wells Fargo Bank, National Association.

CONTINUING DISCLOSURE

Pursuant to the Resolution, the County has covenanted for the benefit of the Owners and beneficial owners of the Note to comply with Securities and Exchange Commission Rule 15c2-12(b)(5) and will enter into a Continuing Disclosure Certificate as of the closing date, in which it covenants to provide information regarding material adverse events, if any such events should occur in connection with the following, to the owners of the Note and to the Municipal Securities Rulemaking Board’s Electronic Municipal Market Access (“EMMA”) system, or any successor thereto, during the term of the Note. In addition, the County has covenanted to provide updated quarterly cash flow information within 40 days of the end of each fiscal quarter, beginning with the fiscal quarter ending September 30, 2014. See

APPENDIX D—"PROPOSED FORM OF CONTINUING DISCLOSURE CERTIFICATE." These covenants have been made in order to assist the Underwriters in complying with the Rule.

For each of the last five years the County has timely filed each of its annual reports and all notices of material events as required by its previous undertakings with respect to the Rule. However, in 2012, the County determined that previous filings did not include certain budget information required by its previous undertakings. In addition, in April 2014 the County recognized that its annual reports for the 2009 and 2010 fiscal years were not filed with respect to two issuances, and that the annual report for the 2013 fiscal year was with respect to one issuance. Such information and reports were available, however, on the County's website and/or available in other continuing disclosure filings made by the County. The County has subsequently filed such budget information and ensured that the annual reports are correctly filed with respect to all of its outstanding securities, and, other as described above, is currently in compliance with all of its undertakings with respect to the Rule. The County has retained an independent consultant to review continuing disclosure compliance for each new issue going forward in a best practice effort to avoid future non-compliance.

RATINGS

Standard and Poor's Rating Services, a division of the McGraw Hill Companies Inc. and Fitch, Inc. have assigned ratings of "[SP-1+]" and "[F1+]," respectively, to the Note. Such ratings reflect only the views of such rating agencies, and any explanation of the significance of such ratings should be obtained from each rating agency. Further, there is no assurance that any of the ratings will be retained for any given period of time or that any of the ratings will not be revised or withdrawn entirely by such rating agencies if, in its judgment, circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect on the trading value and the market price of the Note.

CERTAIN LEGAL MATTERS

At the time of the delivery of the Note, Orrick, Herrington & Sutcliffe LLP, Bond Counsel, will deliver its final approving opinion. A proposed forms of such approving opinion is contained in APPENDIX C hereto and will be delivered to DTC with the Note. Bond Counsel has undertaken no responsibility for the accuracy, completeness or fairness of this Official Statement.

Certain legal matters will be passed upon for the County by the County Counsel, and for the Underwriters by their counsel, Stradling Yocca Carlson & Rauth, a Professional Corporation. Payment of the fees of Bond Counsel, Disclosure Counsel and Underwriter's Counsel, is contingent upon the issuance of the Note. Underwriters Counsel has undertaken no responsibility for the accuracy, completeness or fairness of this Official Statement.

FINANCIAL ADVISOR

The County has retained Fieldman, Rolapp & Associates, Irvine, California, as Financial Advisor in connection with the authorization and delivery of the Note. The Financial Advisor is not obligated to undertake, and has not undertaken to make, an independent verification or to assume responsibility for the accuracy, completeness or fairness of the information contained in the Official Statement. The fees of the Financial Advisor are contingent upon the sale, issuance and delivery of the Note.

Fieldman, Rolapp & Associates is an independent advisory firm and is not engaged in the business of underwriting, trading or distributing municipal or other public securities.

PROPOSED FORM OF OPINION OF BOND COUNSEL

July 1, 2014

County of Riverside
Riverside, California

County of Riverside
2014 Tax and Revenue Anticipation Notes, Series A and Series B
(Final Opinion)

Ladies and Gentlemen:

We have acted as bond counsel to the County of Riverside, California (the "County") in connection with the issuance of (i) \$ _____ aggregate principal amount of notes, designated the "County of Riverside 2014 Tax and Revenue Anticipation Note, Series A" (the "Series 2014A Note") and (ii) \$ _____ aggregate principal amount of notes, designated the "County of Riverside 2014 Tax and Revenue Anticipation Note, Series B" (the "Series 2014B Note," and together with the Series 2014A Note, the "Notes"), each issued under and by authority of a resolution of the Board of Supervisors of the County duly passed and adopted on May 14, 2014 (the "Resolution"), under and by authority of Article 7.6, Chapter 4, Part 1, Division 2 of Title 5 (commencing with Section 53850) of the California Government Code.

In such connection, we have reviewed the Resolution, the Tax Certificate of the County, dated the date hereof (the "Tax Certificate"), an opinion of counsel to the County, certificates of the County and others, and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions, and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the date hereof. Accordingly, this letter speaks only as of its date and is not intended to, and may not, be relied upon or otherwise used in connection with any such actions, events or matters. Our engagement with respect to the Notes has concluded with their issuance, and we disclaim any obligation to update this letter. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, any parties other than the County. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents referred to in the second paragraph hereof, and of the legal conclusions contained in the opinions referred to in the second paragraph hereof. Furthermore, we have assumed compliance with all covenants and agreements contained in the Resolution and the Tax Certificate, including (without limitation) covenants and agreements compliance with which is necessary to ensure that future actions,

omissions or events will not cause interest on the Notes to be included in gross income for federal income tax purposes. We call attention to the fact that the rights and obligations under the Notes, the Resolution and the Tax Certificate, and their enforceability, may be subject to bankruptcy, insolvency, receivership, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases, and to the limitations on legal remedies against counties in the State of California. We express no opinion with respect to any indemnification, contribution, liquidated damages, penalty (including any remedy deemed to constitute a penalty), right of set-off, arbitration, judicial reference, choice of law, choice of forum, choice of venue, non-exclusivity of remedies, waiver or severability provisions contained in the documents mentioned in the preceding sentence. Our services did not include financial or other non-legal advice. Finally, we undertake no responsibility for the accuracy, completeness or fairness of the Official Statement or other offering material relating to the Notes, and express no opinion with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Notes constitute the valid and binding obligations of the County. The principal of and interest on the Notes are payable from Pledged Revenues (as that term is defined in the Resolution), and to the extent not so paid, are payable from any other moneys of the County lawfully available therefor.

2. Interest on the Notes is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. The amount treated as interest and excluded from gross income may depend upon the taxpayer's election under Internal Revenue Notice 94-84. Interest on the Notes is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although we observe that it is included in adjusted current earnings when calculating corporate alternative minimum taxable income. We express no opinion regarding other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Notes.

Faithfully yours,

ORRICK, HERRINGTON & SUTCLIFFE LLP

Notwithstanding the foregoing, notice of Listed Events described in Subsections (a)(viii) and (ix) above need not be given under this subsection any earlier than when the notice, if any, of the underlying event is given to Owners of affected Note pursuant to the Resolution.

Section 5. Termination of Reporting Obligation. The County's obligations under this Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Note or upon delivery to the County and to the Dissemination Agent (if any) of an opinion of nationally recognized bond counsel to the effect that continuing disclosure is no longer required. If such termination occurs prior to the final maturity of the Note, the County shall give notice of such termination in the same manner as for a Listed Event under Subsection 4(c).

Section 6. Dissemination Agent. The County may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent may resign by providing 60 days' written notice to the County. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the County pursuant to this Certificate.

Section 7. Amendment Waiver. Notwithstanding any other provision of this Certificate, the County may amend this Certificate, and any provision of this Certificate may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Section 3 or Subsection 4(a), it may only be made in connection with a change in circumstances that arises from a change in legal (including regulatory) requirements, change in law (including rules or regulations) or in interpretations thereof, or change in the identity, nature or status of an obligated person with respect to the Note, or the type of business conducted;

(b) The undertakings, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Note, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Note in the same manner as provided in the Trust Agreement for amendments to the Trust Agreement with the consent of Owners of the Note, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or Beneficial Owners of the Note.

In the event of any amendment or waiver of a provision of this Certificate, the County shall describe such amendment in its next Quarterly Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the County.

Section 8. Additional Information. Nothing in this Certificate shall be deemed to prevent the County from disseminating any other information, including the information then contained in the County's official statements or other disclosure documents relating to debt issuances, using the means of dissemination set forth in this Certificate or any other means of communication, or including any other information in any Quarterly Report or notice of occurrence of a Listed Event, in addition to that which is required by this Certificate. If the County chooses to include any information in any Quarterly Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Certificate, the County shall have no obligation under this Certificate to update such information or include it in any future Quarterly Report or notice of occurrence of a Listed Event.

Section 9. Default. In the event of a failure of the County to comply with any provision of this Certificate, any Owner or Beneficial Owner of the Note may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the County to comply with its obligations under this Certificate. A default under this Certificate shall not be deemed an Event of Default under the Resolution with respect to the Note, and the sole remedy under this Certificate in the event of any failure of the County to comply with this Certificate shall be an action to compel performance, and no person or entity shall be entitled to recover monetary damages under this Certificate.

Section 10. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are expressly and specifically set forth in this Certificate and the County agrees, to the extent permitted by law, to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its

powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the County under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Note.

Section 11. Beneficiaries. This Certificate shall inure solely to the benefit of the County, the Dissemination Agent, the Participating Underwriters, the Owners and Beneficial Owners from time to time of the Note, and shall create no rights in any other person or entity.

Section 12. Governing Law. This Certificate shall be governed by the laws of the State of California and the federal securities laws.

APPENDIX E

BOOK-ENTRY-ONLY SYSTEM

The information in this APPENDIX E concerning DTC and its book-entry system has been obtained from DTC and the County takes no responsibility for the completeness or accuracy thereof. The County cannot and does not give any assurances that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners (a) payments of interest, principal or premium, if any, with respect to the Note, (b) certificates representing ownership interest in or other confirmation or ownership interest in the Note, or (c) prepayment or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Note, or that they will so do on a timely basis, or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this APPENDIX E. The current "Rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "Procedures" of DTC to be followed in dealing with DTC Participants are on file with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org. The County undertakes no responsibility for and makes no representations as to the accuracy or the completeness of the content of such material contained on DTC's website as described in the preceding sentence, including, but not limited to, updates of such information or links to other Internet sites accessed through the aforementioned websites.

Purchases of the Note under the DTC system must be made by or through Direct Participants, which will receive a credit for the Note on DTC's records. The ownership interest of each actual purchaser of each Note ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Note are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Note, except in the event that use of the book-entry system for the Note is discontinued.

To facilitate subsequent transfers, the Note deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co, or such other name as may be requested by an authorized representative of DTC. The deposit of the Note with DTC and its registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Note; DTC's records reflect only the identity of the Direct Participants to whose accounts such Note is credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Note unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Paying Agent as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Note is credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Note will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or the Paying Agent, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Note at any time by giving reasonable notice to the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Note certificates are required to be printed and delivered.

The County may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Note certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the County believes to be reliable, but the County takes no responsibility for the accuracy thereof.

BENEFICIAL OWNERS WILL NOT RECEIVE PHYSICAL DELIVERY OF THE NOTE AND WILL NOT BE RECOGNIZED BY THE PAYING AGENT AS OWNERS THEREOF, AND BENEFICIAL OWNERS WILL BE PERMITTED TO EXERCISE THE RIGHTS OF OWNERS ONLY INDIRECTLY THROUGH DTC AND THE PARTICIPANTS.
