**BACKGROUND:**

**Summary**

THP-Plus services are intended to provide housing opportunities for emancipated youth from the ages of 18-24 years. The goal of the THP-Plus program is to assist former foster youth in securing and maintaining housing while they seek employment, education, or other self-sufficiency sustaining tasks. The program objective is to improve outcomes for former foster youth by providing them with housing and comprehensive services after emancipation in order to break the cycle of homelessness, unemployment, poverty and incarceration. DPSS desires for foster youth to experience a supportive environment after emancipation as they transition to independence.

**Impact on Residents and Businesses**

These programs provide much needed assistance to emancipated youth who are in need of the THP-Plus services.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

Funding for this contract is comprised of 100% State funds.

**Contract History**

On June 15, 2010 (Agenda 3.21), the Board of Supervisors approved the agreement with Aspiranet to provide Transitional Housing Plus (THP-Plus) Services with an option to renew the agreement for (2) two additional one-year periods.

On June 30, 2014 the contract with Aspiranet will expire and there are no more renewal options in which to exercise. In preparation for this term date, DPSS is in the process of competitively bidding the Transitional Housing Plus Services. The THP-Plus service RFP # DPARC-323 was released on the Public Purchase website on April 9, 2014 and will close on May 12, 2014.

We anticipate the evaluation process of the proposals will be very complex and forecast we will not have a new award in place by July 1, 2014, therefore an extension will be necessary. It is being requested that the Board executes the attached amendment (CS-01691-11) to the current contract with Aspiranet, which will allow for a six (6) month extension to the effective term in order to continue providing THP-Plus services to youth without interruption. The extension will allow DPSS to thoroughly evaluate for THP-Plus services and properly transition clients should the incumbent not be the awarded bidder.
