**BACKGROUND:**

**Summary (continued)**

The Sheriff's Department has been operating a successful Residential Substance Abuse Treatment (RSAT) program at the Larry D. Smith Correctional Facility since October 1998. The program provides both male and female inmates vital substance abuse treatment and is structured to reduce recidivism within the county jail system.

The current grant application will fund year two of a two-year grant cycle, for the RSAT program with a proposed start date of July 1, 2014. The application requests \$217,656 to support one Correctional Counselor and Correctional Deputy for continued substance treatment.

The grant application requires a 25% match of the total project cost of \$290,208 in the amount of \$72,552. The Inmate Welfare Fund committee approved the required 25% grant match that will be used by the Sheriff's Department to offset salaries and benefits. Any grant awarded will be submitted to the Board of Supervisors for review and approval

**Impact on Residents and Businesses**

The grant funds 75% of total project cost. The grant project focus of the Residential Substance Abuse Treatment (RSAT) program is to provide in-custody inmates vital substance abuse treatment to reduce recidivism with the county jail system.
