BACKGROUND:

Summary (continued)

DPSS has developed and maintained an effective county-wide Continuum of Care for homeless persons in Riverside County by organizing and delivering supportive social services, including housing options to meet the specific needs of homeless individuals and families through contracts with local homeless shelter providers. DPSS currently holds contracts with Coachella Valley Association of Governments (CVAG), Coachella Valley Rescue Mission (CVRM), Path of Life Ministries (POLM), and Valley Restart Shelter (VRS) for emergency shelter services.

In order to ensure that each emergency shelter operator continues to deliver services through June 30, 2015, we respectfully recommend the contracts be extended based on the following recommendations on Attachment A.

PATH OF LIFE MINISTRIES Year Round Shelter

POLM, a faith-based community non-profit organization located in Riverside, CA, operates an emergency shelter that provides fifty (50) beds to men, women and children who are homeless, as well as morning and evening meals daily.

VALLEY RESTART SHELTER

Valley Restart Shelter provides emergency shelter and supportive services to homeless individuals and families in the Hemet/San Jacinto valley. VRS provides emergency housing services for thirty-five (35) homeless persons, as well as morning and evening meals daily.

COACHELLA VALLEY RESCUE MISSION

CVRM, a community non-profit organization located in the Coachella Valley, operates an emergency shelter that provide thirty-five (35) beds to men, women and children who are homeless, as well as morning and evening meals daily.

COACHELLA VALLEY ASSOCIATION OF GOVERNMENT

CVAG provides administrative oversight of Roy's Desert Resource Center, which operates an emergency shelter that provides ninety (90) beds to homeless men, women, and children, as well as morning and evening meals daily.

Impact on Residents and Businesses

These programs provide vital survival resources for persons experiencing homelessness in Riverside County who might otherwise have nowhere else to go. Our shelters partners provide a safe, secure shelter and hot meals.

Contract History and Price Reasonableness

The Department of Public Social Services has contracted with Riverside County homeless shelter providers for over ten (10) years. The County has been providing these agencies with a minimum level of funding to support their year round operations. Each agency relies on alternative funding sources to fully support their operations. As additional county funding has been available, the priority has been to increase funding for Valley Restart Shelter and as needed to Coachella Valley Rescue Mission to maintain existing service levels and enhance case management and supportive services to the extent possible.

DPSS is currently working with the Executive Office to assess the equity of funding allocated based on the various service levels currently provided by the shelters. Any recommended adjustments will be brought back for Board consideration during the final budget discussion in September.

If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or be no less than two (2) times the occurrence limit.

3. **Vehicle Liability**

If the Contractor's vehicles or mobile equipment are used in the performance of the obligations under this Agreement, Contractor shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. If, however, the Contractor transports children in either owned, non-owned or hired vehicles then the Contractor shall maintain an amount not less than \$2,000,000 per occurrence combined single limit. Policy shall name in the following manner, "the County of Riverside, its Agencies, Districts, Special Districts, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds."

4. Professional Liability

If, at any time during the duration of this Agreement and any renewal or extension thereof, the Contractor, its employees, agents or subcontractors provide professional counseling for issues of medical diagnosis, medical treatment, mental health, dispute resolution or any other services for which it is the usual and customary practice to maintain Professional Liability Insurance, the Contractor shall procure and maintain Professional Liability Insurance (Errors & Omissions), providing coverage for performance of work included within this Agreement, with a limit of liability of not less than \$1,000,000 per occurrence and \$2,000,000 annual aggregate. If Contractor's Professional Liability Insurance is written on a claims made basis rather than an occurrence basis, such insurance shall continue through the term of this Agreement. Upon termination of this Agreement or the expiration or cancellation of the claims made insurance policy Contractor shall purchase at his sole expense either 1) an Extended Reporting Endorsement (also known as Tail Coverage); or, 2) Prior Dates Coverage from a new insurer with a retroactive date back to the date of, or prior to, the inception of this Agreement; or, 3) demonstrate through Certificates of Insurance that Contractor has maintained continuous coverage with the same or original insurer. Coverage provided under items 1), 2) or 3) will continue for a period of five (5) years beyond the termination of this Agreement.

5. General Insurance Provisions

- a. Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A.M. BEST rating of not less than an A: VIII (A8) unless such requirements are waived, in writing by the County Risk Manager.. If the County's Risk Manager waives a requirement for a particular insurer, such waiver is only valid for that specific insurer and only for one policy term.
- b. The Contractor's insurance carrier(s) must declare its insurance self-insured retentions. If such self insured retentions exceed \$500,000 per occurrence such retentions shall have the prior written consent of the County Risk Manager before the commencement of operations under this Agreement. Upon notification of self insured retentions unacceptable to the County, and at the election of the County Risk Manager, Contractor's carriers shall either: (1) reduce or eliminate such self-insured retentions as respects this Agreement with the County; or (2) procure a bond which guarantees payment of losses and related investigations, claims administration, defense costs and expenses.
- c. The Contractor shall cause Contractor's insurance carrier(s) to furnish the County of Riverside with either: (1) a properly executed original Certificate(s) of Insurance and original copies of Endorsements effecting coverage as required herein; or (2) if requested to do so orally or in writing by the County Risk Manager, provide original

certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to DPSS prior to any material modification, cancellation, expiration, or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverages set forth herein and the insurance required herein is in full force and effect.

- d. It is understood and agreed to by the parties hereto that the Contractor's insurance shall be construed as primary insurance, and the County's insurance and/or deductibles and/or self-insured retentions, or self-insured programs shall not be construed as contributory.
- e. If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services or performance of work; or, there is a material change in the equipment to be used in the performance of the scope of work which will add additional exposures (such as the use of aircraft, watercraft, cranes, etc.), or the term of this Agreement, including any extensions thereof, exceeds five (5) years, the County reserves the right to adjust the types of insurance required under this Agreement and the monetary limits of liability for the insurance coverages currently required herein, if, in the County Risk Manager's reasonable judgment, the amount or type of insurance carried by the Contractor has become inadequate.
- f. Contractor shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.
- g. The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the County.
- h. Contractor agrees to notify County of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

L. LICENSES AND PERMITS

In accordance with the provisions of the Business and Professions Code concerning the licensing of contractors, all contractors shall be licensed, if required, in accordance with the laws of this State and any contractor not so licensed is subject to the penalties imposed by such laws.

The Contractor warrants that it has all necessary permits, approvals, certificates, waivers, and exemptions necessary for the provision of services hereunder and required by the laws and regulations of the United States, the State of California, the County of Riverside, and all other appropriate governmental agencies, and shall maintain these throughout the term of this Agreement.

M. INDEPENDENT CONTRACTOR

It is understood and agreed that the Contractor is an independent contractor and that no relationship of employer-employee exists between the parties hereto. Contractor and/or Contractor's employees shall not be entitled to any benefits payable to employees of the County including, but not limited to, County Worker's Compensation benefits. County shall not

be required to make any deductions for employees of Contractor from the compensation payable to Contractor under the provision of this Agreement.

As an independent contractor, Contractor hereby holds County harmless from any and all claims that may be made against County based upon any contention by any third party that an employer-employee relationship exists by reason of this Agreement. Contractor shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards, the Indemnitees in any claim or action based upon such alleged acts or omissions.

Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.

The specified insurance limits required in this Agreement shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the Contractor from indemnifying the Indemnitees to the fullest extent allowed by law.

The Contractor shall proceed diligently with the performance of this Agreement pending DPSS' decision.

T. TERMINATION

This Agreement may be terminated without cause by either party by giving thirty (30) days written notification to the other party. In the event DPSS elects to abandon, indefinitely postpone, or terminate this Agreement, DPSS shall make payment for all services performed up to the date that written notice was given in a prorated amount.

X. ALTERATION OR CHANGES TO THE AGREEMENT

The Board of Supervisors and the County Purchasing Agent and/or his designee are the only authorized County representatives who may at any time, by written order, make alterations to this Agreement. If any such alteration causes an increase or decrease in the cost of, or the time required for the performance under this Agreement, an equitable adjustment shall be made in the Agreement price or delivery schedule, or both, and the Agreement shall be modified by written amendment accordingly.

Any claim by the Contractor for additional payment related to this Agreement shall be made in writing by the Contractor within thirty (30) calendar days of when the Contractor has or should have notice of any actual or claimed change in the work which results in additional and unanticipated cost to the Contractor. If the County Purchasing Agent decides that the facts provide sufficient justification, he may authorize additional payment to the Contractor pursuant to the claim. Nothing in this section shall excuse the Contractor from proceeding with performance of the Agreement even if there has been a change.

- b. The Contractor's insurance carrier(s) must declare its insurance self-insured retentions. If such self insured retentions exceed \$500,000 per occurrence such retentions shall have the prior written consent of the County Risk Manager before the commencement of operations under this Agreement. Upon notification of self insured retentions unacceptable to the County, and at the election of the County Risk Manager, Contractor's carriers shall either: (1) reduce or eliminate such self-insured retentions as respects this Agreement with the County; or (2) procure a bond which guarantees payment of losses and related investigations, claims administration, defense costs and expenses.
- c. The Contractor shall cause Contractor's insurance carrier(s) to furnish the County of Riverside with either: (1) a properly executed original Certificate(s) of Insurance and original copies of Endorsements effecting coverage as required herein; or (2) if requested to do so orally or in writing by the County Risk Manager, provide original certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to DPSS prior to any material modification, cancellation, expiration, or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverages set forth herein and the insurance required herein is in full force and effect.
- d. It is understood and agreed to by the parties hereto that the Contractor's insurance shall be construed as primary insurance, and the County's insurance and/or deductibles and/or self-insured retentions, or self-insured programs shall not be construed as contributory.
- e. If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services or performance of work; or, there is a material change in the equipment to be used in the performance of the scope of work which will add additional exposures (such as the use of aircraft, watercraft, cranes, etc.), or the term of this Agreement, including any extensions thereof, exceeds five (5) years, the County reserves the right to adjust the types of insurance required under this Agreement and the monetary limits of liability for the insurance coverages currently required herein, if,

in the County Risk Manager's reasonable judgment, the amount or type of insurance carried by the Contractor has become inadequate.

- f. Contractor shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.
- g. The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the County.
- h. Contractor agrees to notify County of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

L. LICENSES AND PERMITS

In accordance with the provisions of the Business and Professions Code concerning the licensing of contractors, all contractors shall be licensed, if required, in accordance with the laws of this State and any contractor not so licensed is subject to the penalties imposed by such laws.

The Contractor warrants that it has all necessary permits, approvals, certificates, waivers, and exemptions necessary for the provision of services hereunder and required by the laws and regulations of the United States, the State of California, the County of Riverside, and all other appropriate governmental agencies, and shall maintain these throughout the term of this Agreement.

M. INDEPENDENT CONTRACTOR

It is understood and agreed that the Contractor is an independent contractor and that no relationship of employer-employee exists between the parties hereto. Contractor and/or Contractor's employees shall not be entitled to any benefits payable to employees of the County including, but not limited to, County Worker's Compensation benefits. County shall not be required to make any deductions for employees of Contractor from the compensation payable to Contractor under the provision of this Agreement.

As an independent contractor, Contractor hereby holds County harmless from any and all claims that may be made against County based upon any contention by any third party that an employer-employee relationship exists by reason of this Agreement. As part of the foregoing indemnity, the Contractor agrees to protect and defend at its own expense, including attorney's fees, the County, its officers, agents and employees in any legal action based upon any such alleged existence of an employer-employee relationship by reason of this Agreement.

N. HOLD HARMLESS/INDEMNIFICATION

Contractor shall indemnify and hold harmless the County of Riverside, its Agencies, districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as Indemnitees) from any liability whatsoever, based or asserted upon any services of Contractor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever and resulting from any reason whatsoever arising from the performance of Contractor, its officers, agents, employees, subcontractors, agents or representatives Indemnitors from this Agreement. Contractor shall defend, at its sole expense, all costs and

fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards, the Indemnitees in any claim or action based upon such alleged acts or omissions.

With respect to any action or claim subject to indemnification herein by Contractor, Contractor shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Contractor's indemnification to County as set forth herein.

Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.

The specified insurance limits required in this Agreement shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the Contractor from indemnifying the Indemnitees to the fullest extent allowed by law.

O. CUSTODIAN OF PROPERTY

1. As a result of carrying out this Agreement, the Contractor becomes the day-to-day custodian of the property associated with the subject of this Agreement. Such property shall include the land upon which the shelter is located, including, but not limited to:
 - a. Landscaping, walkways, parking, and stairs;
 - b. The building, including but not limited to all building systems such as heating, air conditioning, plumbing, electrical, and security;
 - c. All contents, including but not limited to furniture, computers, and all other articles of personal property.
2. As custodian of County of Riverside property, the Contractor shall take reasonable actions that would be expected of a responsible owner of real and personal property. Such actions shall include, but not be limited to, the inspection of the property every day of operation, noting any hazards, damage, needed maintenance, and security concerns.
3. A "hazard" is a physical condition of the premises that could cause physical injury to visitors, customers, or staff. The Contractor shall take immediate action upon discovery to prevent any hazard(s) from causing damage to others, and such action taken shall be appropriate for the hazard(s) involved up to and including the evacuation and closure of the shelter until the hazard(s) is corrected. For most hazards discovered, immediate, minor actions can be taken to prevent injury such as, but not limited to: cordoning off an area, taping a rip in the carpet, posting warning signs, or closing off a room. Hazards that come to the attention of the Contractor should be reported to DPSS after the Contractor has taken immediate, protective action. If, in the opinion of the Contractor, a reported hazard has not been corrected in a timely manner, the hazard should be reported to the County Risk Manager.
4. NOTE: This Section is not intended to be a blanket authorization for the Contractor to upgrade furniture, furnishings or fixtures, or make any alterations, improvements or

additions unilaterally to the property, nor is the intent of this clause for the Contractor to spend funds not approved by the County of Riverside.

5. The Contractor shall advise DPSS of minor damage and maintenance needs of the property and, like a responsible owner, the Contractor shall follow-up with regular reminders until the issues are resolved by the County of Riverside.
6. The County will provide, or cause to be provided, and pay for all maintenance and repair services in connection with the property, such as the land, building, and other objects directly related to the property. The County is not responsible, nor will it pay, for the repair or replacement of any object not directly related to the property (for example, office equipment or office supplies or washers and dryers), or damage to any object caused by any event not directly caused by the actions of the County.
7. The Contractor shall pay for, when due, all claims for labor and materials for alterations, improvements or additions furnished to or for the Contractor at or for use in the property, and for all repairs to objects not directly related to the property, for example, office equipment and office supplies, etc.
8. In the event of serious damage to the property from any cause, including but not limited to fire, the Contractor shall first notify the appropriate emergency services and then notify DPSS and the County Risk Manager. The Contractor shall, while awaiting emergency services and afterwards, protect all undamaged property with any means reasonably available and shall properly secure the remaining structure to prevent vandalism or any type of further damage. The Contractor shall cooperate with and provide claim related information requested by the County of Riverside's insurance company representatives after any loss.
9. The Contractor shall train the manager and staff of the shelter as to their duties as required herein and make sure they have the equipment, knowledge and training to respond correctly.

 - i. is presently debarred, suspended, proposed for debarment, and declared ineligible or voluntarily excluded from covered transactions by a federal department or agency.
 - ii. has within a 3-year period preceding this Contract been convicted of or had a civil judgment rendered against them for the commission of fraud, or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction; violation of Federal or State anti-trust status or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - iii. is presently indicated or otherwise criminally or civilly charged by a government entity (Federal, State, or local) with commission of any of the offenses enumerated in the paragraph above; and
 - iv. has within a 3-year period preceding this Contract had one or more public transactions (Federal, State, or local) terminated for cause or default.
- b. The Contractor shall be as fully responsible for the acts or omissions of its subcontractors, and of persons either directly or indirectly employed by them as for the acts or omissions of persons directly employed by the Contractor.
- c. The Contractor shall insert appropriate clauses in all subcontracts to bind subcontractors to the terms and conditions of this contract insofar as they are applicable to the work of subcontractors.

- d. Nothing contained in this contract shall create any contractual relationship between any subcontractor and the County of Riverside, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives.

Q. ASSIGNMENT

The Contractor shall not assign any interest in this Agreement, and shall not transfer any interest in the same, whether by assignment or novation, without the prior written consent of DPSS. Any attempt to assign or delegate any interest hereunder shall be void and of no force or effect.

R. COMPLIANCE WITH RULES, REGULATIONS, REQUIREMENTS, AND DIRECTIVES

The Contractor shall comply with all rules, regulations, requirements, and directives of the California Department of Social Services, other applicable State agencies, and funding sources which impose duties and regulations upon DPSS, which are equally applicable and made binding upon the Contractor as though made with the Contractor directly.

The decision of DPSS shall be final and conclusive until determined by a court of competent jurisdiction to have been fraudulent or capricious, arbitrary, or so grossly erroneous as necessarily to imply bad faith. The Contractor shall proceed diligently with the performance of this Agreement pending DPSS' decision.

U. TERMINATION

This Agreement may be terminated without cause by either party by giving thirty (30) days written notification to the other party. In the event DPSS elects to abandon, indefinitely

postpone, or terminate this Agreement, DPSS shall make payment for all services performed up to the date that written notice was given in a prorated amount.

V. GOVERNING LAW

This Agreement shall be construed and interpreted according to the laws of the State of California. Any legal action related to the interpretation or performance of this Agreement shall be filed only in the appropriate courts located in the County of Riverside, State of California.

W. SANCTIONS

Failure by the Contractor to comply with any of the provisions, covenants, requirements, or conditions of this Agreement including, but not limited to, reporting and evaluation requirements, shall be a material breach of this Agreement. In such event, DPSS may immediately terminate this Agreement and may take any other remedies available by law, or otherwise specified in this Agreement. DPSS may also:

1. Afford the Contractor a time period within which to cure the breach, the period of which shall be established at the sole discretion of DPSS; and/or
2. Discontinue reimbursement to the Contractor for, and during the period in which the Contractor is in breach, the reimbursement of which the Contractor shall not be entitled to recover later; and/or
